A figure came out, and it was none other than Universe 666 Dr. Gero.

Nico: So, Universe 666 Dr. Gero has arrived.

Buster Bunny: We got to stop him and free him from that leech's control.

We were amazed by Dizzy Devil's Super Angel-Acme Next Gen Knight-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Universe 666 Dr. Gero saw it, he fired energy blasts at Dizzy Devil, but Dizzy Devil deflected them by spinning like a tornado and he fired a massive barrage of purple energy, stars, tornadoes, winds, Tasmanian Devils, phoenixes, and angels which hits Universe 666 Dr. Gero and they exploded, they got back up, but now, they were enraged.

Lincoln: WHOA!

Dizzy Devil: (Divine Echoing Godly Voice of The Eternal Comedic Legendary Looney Tunes Legacy Whirlwind Hunger Tasmanian Devil Phoenix Angel and Divine Cosmic Eternal Comedic Legendary Looney Tunes Legacy Whirlwind Hunger Tasmanian Devil Phoenix Angel Compassion) Let's do this.

Universe 666 Dr. Gero stood ready, but then, he saw Sebastian appear, and he already turned into his Demon Angel Mode, and when we saw the skies turn blood red, all Hell was about to break loose now that the slumbering darkness has awakened once more.

Dizzy Devil went after Universe 666 Dr. Gero, and he fired extremely powerful blasts of purple energy, stars, winds, tornadoes, Tasmanian Devils, phoenixes, and angels at Universe 666 Dr. Gero, and they exploded with incredible power as they hit him. Then, he attacked him with his massive greatsword and left scars on him, and he even turned into a twister and really tore into him.

Plucky Duck: Whoa, this is really incredible!

Buster Bunny: Dizzy is literally tearing him apart.

Sebastian summoned black demonic greatswords from pools of darkness which slashed at Universe 666 Dr. Gero, demons from Hell then arose to slash and beat him up, demonic lightning rained down and attacked him even more, along with blasts of darkness and wailing damned souls that arose from Hell to attack.

Sebastian Mendez: (DEMONIC LAUGHTER)

Me: I'M GONNA NEED THERAPY FOR THE REST OF MY LIFE!

Nico: Same here. I never knew just how vicious and dangerous he can truly be!

Dizzy Devil fired an F5 tornado at Universe 666 Dr. Gero which exploded and knocked him out cold as he was way too dizzy, and then, he was bound with chains of light fired by Lincoln with a swing of his massive greatsword.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Dr. Gero and removed every trace of the poisonous darkness that infected him, and he was restored and sent to Good Luthor. We all cheered wildly as Dizzy Devil holstered his massive greatsword on his back and powered down, and Dizzy Devil's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive purple angel wings are permanent.

Slam Tasmanian: Alright, Dizzy!

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's another freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more, and Good Luthor will be keeping an eye on them and the others.

Me: Yeah, there's no telling what other nasty surprises that Universe 666 Sebastian had on them. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Belle Minmay, the Onslaught Gene-Slammer, Gwen Minmay, the Vortex Gene-Slammer, Holly Minmay, the Brawl Gene-Slammer, Jenna Minmay, the Blast Off Gene-Slammer, and Kayla Minmay, the Swindle Gene-Slammer.

Selene Emperyous: Yep, and they, Lynn Minmay, and Lincoln would love to sing together and sing alongside Luna and her band mates. To show her thanks for supporting her and her band mates, Luna took Lincoln, Lynn Minmay, and her sisters to a date at a French restaurant and Lincoln wound up kissing Lynn Minmay and her sisters on the lips. as a result lincoln ended up falling in love with Lynn Minmay and her sisters and promised that when he comes of age, he will marry Lynn Minmay and her sisters along with the rest of his harem. Plus, they hate Icky Vicky and Trina Riffins, the reason why is because they tried to sabotage Luna's practice sessions, but Lincoln, Lynn Minmay, and her sisters stopped Icky Vicky and Trina Riffins and they beat the crap out of them and even left them in their undergarments and wedgied them onto the school flagpole until the police arrived to take them back to jail.

Eli: Those two goddamn rage-crazy, evil-tempered, flat-chested Spawns of Satan!

Lincoln: Yep, they tried to sabotage Luna's practice sessions and try to kill us, but we beat the crap out of them and left them in their undergarments and wedgied them onto the school flagpole.

Luna: And the police arrived to take them back to jail, but not before I punched Icky Vicky hard in the face same with Trina and gave them black eyes and knocked out their teeth.

Nico: Those two bitches.

Me: Yep, they deserved that brutal beating from Lincoln, Lynn Minmay, and her sisters.

P'andor: There! It's destroyed!

Firepower: It wasn't easy!

Absorbing Man: It put up a good fight too.

Me: It sure did.

Shiv: But now, it's a pile of rubble.

Me: Yeah!

Yenaldoshi: Now, who wants to celebrate on this ship?

Me: First lets salvage all the rubble.

Nico: Good idea.

Qin: Yeah.

Nico: Great job today everyone.

Me: (To the viewers) Robots of destruction beware. Because we're coming for you.

Nico: Yeah.

We had a great party and then Captain Kirk and crew agreed to join us for real. We went back to Earth and enjoyed the rest of the day and went to sleep.

Me: Boy nothing like going out on patrol.

Nico: Yep. Staying vigilant is one of the keys for being protective.

Qin: That is for sure.

Lola: Yeah I agree there.

Varie: This is always fun.

Rex Salazar: I'm really excited for this too.

Me: All of us are Rex.

Nico: Rex, I want to thank you, Multiplex, and your teams for coming

Rex Salazar: Not a problem Nico. It's always fun.

Me: It sure is.

Tifa Lockhart: It sure is.

Nico: Tifa, remember when you met Sora?

Tifa: Boy I sure do. That was when we were helping him get to the Villains Vale.

Me: Boy I remember that. That was awesome.

Eli: Me too. That was so cool.

Me: That was a record setting amount of Heartless that we killed in one day.

Nico: Yeah it sure was.

Soji: Boy I remember that. I was there when I came and helped you all. That was fun.

Nico: It sure was.

Laney: Yeah no kidding.

Soji: I never faced that many heartless before.

Me: Boy no kidding. But that was just a small fraction of them when we went to the Keyblade Graveyard.

Nico: Yep.

Maria: And you were a witness to when Cloud fought Sephiroth.

Tifa: That's right.

Eli: I remember that. And I also fought Sephiroth back then in the world I came from.

Me: Right! Because you still had a nasty vendetta against him for what he did to Aerith.

Camie: Oh man. I heard all about that from Aerith with us. That was awful.

Xenia: It was.

Me: Yeah.

Girl Jordan: It's like what happened with me and any version of Carnage that crosses my path. Except Eli's vendetta is 1,000 times worse than mine.

Eli: Yeah sorry about that guys. I can never forgive Sephiroth for taking away the one person I love like a mother.

Nico: I don't blame you one bit Eli.

Me: Yeah.

Lana: Boy yesterday was awesome!

Me: It sure was! Boy we haven't seen Kirk in a long time.

Nico: I know and we helped him and Commodore Decker out against the Planet Killer.

Xenia: That was awesome.

Juran: Did he willingly kill his crew?

Me: No he didn't. It was all an accident.

Qin: Yeah. I remember watching the episode with the Planet Killer with my dad back when I was a little girl. It saddened me that happened to him. It was all an accident.

Lola: Yeah I feel sorry for Commodore Decker. He did not intend for that to happen.

Lana: Yeah I feel bad for him too.

Nico: I do too.

Me: Same here. It was all an error in judgement.

Nico: That thing was huge!

Me: I know. 8,710 feet long. That was huge.

Laney: That is big. And it had a hull made of solid indestructible Neutronium. Not even our lasers and a Kamehameha Wave at 25% of J.D.'s power was able to put a dent in it.

Lisa Loud: The weakness was the inside. And a superlaser blast shattered it into a million pieces.

Nico: It sure did. That was incredible.

Lana: I'll say.

Nico: It was the most toughest enemy to take down!

Me: No shit there. With a hull made of indestructible Neutronium it was strong enough to withstand some of our strongest attacks like that with no problem.

Lincoln: It sure was. The only thing it couldn't take was a superlaser blast to the inside.

Nico: Nope. By the way how is Commodore Decker?

Me: Ino and Carrie are really doing their best to help him out. He suffers from severe PTSD because of what happened to him because of the Planet Killer.

Nico: Oh man. Ino and Carrie are gonna have a huge challenge on their hands.

Twilight Sparkle: Yeah they sure are.

Nico: But I know they will help him out.

Varie: I know they will.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not liking in the slightest: I got word from Jim and Bruce that Gotham mob boss Rupert Thorne has escaped from Crematoria and he's running loose again.

We gasped.

Me: WHAT?!

Nico: Oh shit, I remembered you guys telling me you arrested Rupert Thorne and sent him to prison years ago. But, how the fuck did that tub of lard break out?

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we saw the footage of how Rupert Thorne broke out: it turns out that Universe 666 Sebastian slaughtered the guards and he went to Rupert Thorne's cell and he made a portal to Gotham City and that allowed the mob boss to escape as Universe 666 Sebastian disappeared in a tornado of Infernal Darkness as he laughed in his usual deranged and malevolent manner. The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared, but now, we were pissed.

Nico: WHY, THAT GODDAMN, MONSTROUS, PSYCHOPATHIC… !

Lincoln: Now's he's really done it!

Lincoln called the rest of the team here and he told everyone the situation, and needless to say, they too were pissed off.

Lori: I literally cannot believe that he did this!

Robin: Buster and the others found out, and they're already sharpening some axes.

We saw Buster Bunny and the others sharpening axes, and Babs Bunny tossed her axe which hit the picture of Universe 666 Sebastian.

Eli: (Sensed the fracturing mental state of Universe 666 Sebastian) Whoa, what the?! Oh man, guys, you're going to like hearing this, Universe 666 Sebastian's already starting to lose it. If we take down Rupert Thorne now, then, he's finally going to lose it and start murdering his followers.

Me: (Smirks) Nice!

Lincoln: It's about time. He may have held out for that long, but not anymore, now he's about to lose it.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Whoa!

Lincoln: Now, here's where it begins.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, this may just be one of my most potent of curses yet.

Me: (Growls) Yeah, this is really potent, but incredible.

Then, when Lincoln and all the males were done, the tentacles

detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared.

Eli: Whoa, I feel really dizzy.

Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, you're right about what you said, that Min's Egyptian Virility Drain Curse you put on the Stankcos is really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Rupert Thorne) AHA! Gotcha! I just spotted Rupert Thorne, he's 20 yards away and he's hiding out in his old office.

Nico: Let's head on over and trash that asshole.

Lincoln: He may have his guards with him, so leave that one to me.

Camie: Who is Rupert Thorne?

Me: One of Gotham's most ruthless crime lords.

Laney: He even put a contract out on Batman with Bane.

Me: Yep.

I went over his history.

Rupert Thorne appears as a recurring antagonist in Batman: The

Animated Series voiced by the late John Vernon, who also portrayed Dean Vernon Wormer in Animal House and Curtis Mooney in Killer Klowns from Outer Space.

He appears at several points throughout the series to virtually control Gotham's criminal underworld. Thorne first appears in the two-part episode "Two-Face", in which he was responsible for district attorney Harvey Dent's transformation into the arch-criminal Two-Face (replacing Sal Maroni). Thorne blackmails Dent with his psychological records, threatening to tell the press that the young DA suffers from multiple personality disorder unless he stops prosecuting his henchmen. Enraged, Dent "switches" into his alternate, violent personality and chases Thorne into a nearby chemical processing plant, where an explosion permanently disfigures the left side of Dent's body and leaves his evil personality in permanent control. Dent (now calling himself "Two-Face") later seeks revenge on Thorne. He first attacks fronts for Thorne's criminal activities with his gang, then steals a file with enough information to ruin the crime boss. With Batman's help, Two-Face succeeds in capturing Thorne, although both Thorne and Two-Face are arrested as the former DA is just barely stopped from killing Thorne.

Thorne's next appearance is in the following episode "It's Never Too Late" (which was the first episode featuring Thorne in the series' original broadcast order on Fox Kids) in which he is at war with a rival mob boss Arnold Stromwell (whom he plots to ambush and kill in a bar explosion during a parley). Batman saves Stromwell in time and persuades Stromwell to give up his life of crime and help to bring Thorne down. Thorne corners Stromwell and his estranged brother Michael and almost kills them before being knocked out by Batman and left for the police.

In "Vendetta", Batman suspects Thorne of abducting "Spider" Conway and interrogates him in his greenhouse, only to discover Thorne didn't fear Conway as Conway had nothing on him.

In the episode "The Man who Killed Batman", the titular character Sidney Debris begs Thorne to smuggle him out of Gotham to escape from many people on both sides of the law. Sidney recounts his story which started with his role in Thorne's failed drug racket and ended with a near-fatal encounter with the Joker. Thorne refuses to believe that Sidney is a victim of mere circumstance (or that stupid) and believes that he is trying to move his way into his business. Thorne prepares to kill him when Batman (who was alive all along) appears and knocks him out.

The episode "Paging The Crime Doctor" reveals that Rupert Thorne's younger brother Dr. Matthew Thorne who lost his license when he failed to file a police report on a gunshot wound he treated. While reluctantly performing medicine on gangsters without a license as the "Crime Doctor," he surgically removes a benign tumor with the help of his colleague Dr. Leslie Thompkins from Rupert's heart on the promise that his brother would use his connections to reinstate Matthew's medical license. After the surgery however, Matthew turns on Rupert when Thorne's men plot to kill Thompkins, and turns himself in to the police in the aftermath, leaving Thorne's fate in the episode unknown.

In the episode "Bane", Thorne hires Bane to assassinate Batman. Unbeknownst to Thorne, his moll Candice is conspiring with Bane to kill him as well so they can run the city's underworld. After Batman defeats Bane by severing the tubing that pumps the Venom steroids into his body, he sends the hired killer to Thorne beaten and noticeably shrunken complete with an audio recording of his treasonous conversations with Candice.

In "Second Chance," Rupert Thorne is one of the primary suspects for kidnapping Two-Face just before his operation to restore his face. Robin plans to interrogate him when trying to infiltrate his house, but is captured by Thorne's men and brought to the mob boss himself. While Thorne denies any involvement in Two-Face's capture, he sends his men to drop Robin off the bridge (though Robin breaks free and knocks the gangsters into the river).

When I was done everyone that hadn't heard about it was shocked.

Twilight Sparkle: Geez!

Me: I know and we battled him long ago. I think it was before you joined us Nico.

Nico: Yeah it was. But that is awesome that you guys busted him.

Me: Yep.

Lincoln: (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Rupert Thorne.

We were flying, and then, we saw Rupert Thorne hiding in his old office and he has his guards here.

Lincoln: There he is, and he's got his guards here. Leave them to me.

Me: Lets do it.

The guards saw Poliwag do Puppy Eyes.

Guard: Cute.

The guards approached Poliwag.

But then he slapped the guards with his tail.

Poromon bashed the guards all over beer bottles.

We took cover in the shadows and Lincoln turned the tips of his eleven massive and long white tails into Cell's stingers, and he began sneaking behind the armies of Rupert Thorne's thugs stationed all around the perimeter. Lincoln was right behind a group of thugs, and as he stabbed his tails into the backs of the group of thugs, Lincoln began absorbing them and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done, all that was left of the first group of thugs were their clothes and weapons.

Then, Lincoln continued on with sneaking behind the remaining armies of Rupert Thorne's thugs, and like he did with the first group, he stabbed his tails into the backs of the remaining armies of Rupert Thorne's thugs and Lincoln began absorbing them, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done, all that was left of the first group of thugs were their clothes and weapons.

Me: (Whispers) He's taken care of the armies of thugs around the place, now he's got to take care of the snipers on the roofs.

Lincoln disappeared and reappeared on the rooftops without making any sort of noise, and when he was in the vicinity of the snipers, Lincoln stabbed his tails into the backs of the snipers and he began absorbing them and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger. When Lincoln was done and the stingers changed back, all that was left of the snipers were their clothes and weapons.

Lincoln: Ah, now that was quite a feast.

Then, we reappeared as Lincoln descended in front of us.

Lincoln: We're all set to ambush Rupert Thorne, guys.

Me: With all his thugs absorbed by you, now he's all alone.

Nico: Let's do this.

Inside the office, Rupert Thorne was a nervous wreck. As soon as he broke out of prison, the cops put out an APB on his ass and he's had to slink into the shadows and head back to his old office, so he wouldn't be caught by them, but now, he's got other things to worry about.

Suddenly, a black and purple mist appeared in front of him, and then, from the darkness, Rupert Thorne was attacked by the spirits of all his slain victims that appeared from nowhere, and then, he was hit hard by the wailing souls of the tormented as they wailed and screamed in agony. Then, the wailing souls of the tormented and the black and purple mist converged, and a massive tornado of black and purple darkness appeared with all the wailing souls of the tormented circling around as a Phoenix Cry and Thunderbird Screech was heard, and as the tornado faded, we appeared, and when Rupert Thorne saw us again, he was pissed!

Rupert Thorne: YOU! GODDAMN IT, OF ALL THE LOUSY… !

Rupert Thorne fired his gun at Lincoln, but the bullets bounced off him.

Lincoln: Really? That's all you've got?!

Nico: Ha ha! Nice try, asshole! But, we're bulletproof.

Lincoln: But, you're not.

Lincoln summoned machine guns out of nowhere and they fired at Rupert Thorne and he dodged the bullets as he ran like the coward he is. He tried to get away, but Lincoln's left arm stretched out and grabbed Rupert Thorne by the collar and he threw him into a wall, he got out, but boy was he pissed.

Nico: You really thought you could break out of prison and not expect us to come for your hide, did you, Rupert?

Me: That's where you're wrong.

Kole: You've caused more than enough trouble for the last time, Rupert Thorne, and now, you're heading right back to prison.

Rupert Thorne: You grew a lot in numbers J.D. Last time I saw you, you didn't have this many with you.

Me: Things have changed a lot haven't they.

Poliwag did puppy eyes.

Rupert Thorne:… you know I'm not gonna fall for that, right?

Poliwag: Darn.

Me: You haven't changed a bit Thorne. Also I take it you heard about everything that was happening to us over the last 5 years right?

Rupert Thorne: Yeah the guards have been rubbing it in mine and Daggett's faces about everything you did.

Nico: So Roland Daggett is with you. I heard about how everyone sent him to prison years ago too. That was back when J.D. became J.D. the Nocturnal the First time.

Me: Yep.

Nico: Let us show you how we've changed firsthand!

Nico punched him and kicked him all over and then Thorne punched at Nico and Nico dodged all his punches.

Nico: You know for an old man and one of Gotham's most ruthless Crime Lords you sure don't punch well.

Thorne: You probably knew who got me out!

Me: As a matter of fact yes we do.

Sebastian Mendez: My evil twin counterpart from Universe 666. Right?

Thorne: That's right!

Sebastian Mendez: Looks like I struck gold.

Thorne: There's something about him that unsettled me.

Nico: (punches him) You don't know the half of it

Me: He is 1,000,000 times more fucked up than The Joker.

Laney: Yeah he sure is!

Laney slashed him all over.

Poromon drank beer bottles And he threw them and smashed them on Rupert's head.

Rhonda Romulus: Now you're going to see why I'm immune to Romulan Ale.

She drank Romulan Ale and then blue fire exploded out of her hands and she fired a blast of blue fire and smashed up Thorne's office!

Me: WHOA! That is potent!

Nico: Wow! The Romulans make amazing beer.

Poliwag: We'll pass on that!

Me: Rather stick with beer from Earth.

Rhonda Romulus: I don't blame them.

She fired waves of blue fire and blasted the office all over.

I punched Rupert all over.

Nico kicked him in his face.

Poliwag slapped him with his tail.

SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP SLAP!

Nico: Yeah!

Me: Awesome!

I teleported and smashed Rupert all over.

Horsea squirted ink And it hit Rupert in his eyes and blinded him.

I punched him and smashed his face all, Kole's purple eyes turned neon purple and she was surrounded by a pink, blue, and purple energy aura with stars, crystals of many shimmering colors, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Rupert Thorne, she left pink, blue, and purple energy, stars, crystals of many shimmering colors, phoenixes, and angels with every step.

Kole: There's absolutely no words that describe how much I hate you, Rupert Thorne. You and your gang have done more than enough damage to too many innocent people in Gotham and many have also lost their lives because of you. You have and always will be a scumbag, but unlike the others we killed in the past, you're heading right back to prison where you stay there for the rest of your life.

Suddenly, Kole was surrounded by a massive vortex of pink, blue, and purple energy with stars and crystals of many shimmering colors surrounding the vortex, there are phoenixes and angels flying around the vortex, and in the vortex is a pink phoenix with red eyes glaring at Rupert Thorne: the red eyes of judgement. Then, as the vortex faded, Kole emerged, but she was changed forever.

Kole grew to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large pink orbs orbiting around her legs, she has the body of a goddess, she has light blue highlights in the bangs of her long pink hair with two parts of it in the shape of small antennae on top and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon navy blue eyes and a pink and navy blue energy aura with stars, crystals of many beautiful colors, snow, ice, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has a phoenix with crystal cluster in its claws emblazoned on her forehead and Third Eye with pink iris, she has on phoenix earrings with pink gems for eyes and holding the Star, Crystal, and Eternity Kanjis in its claws, she also has a phoenix with pink gems for eyes and holding the Star, Crystal, and Eternity Kanjis in its claws for the second pendant on the bottom of her pink phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Kole has on a white blouse with blue collar, light blue sleeves made to look like crystals, dark blue skirt, white boots, and long white sleeveless trenchcoat with stars, crystals of many beautiful colors, snow, ice, phoenixes, and angels on the coattails, and on the back is the symbol of The Teen Titans surrounded by crystals, snow, and ice. Suddenly, Kole felt a sharp pain on her back, and then, massive pink angel wings with navy blue tips on the pink feathers grew and sprouted out of her back and she also now has eleven massive and long pink wolf tails with navy blue tips and navy blue markings, Kole has on her Ring of the Phoenix with large pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Kole's massive Defender of Jump City sword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of pink and navy blue energy, stars, crystals of many beautiful colors, phoenixes, and angels, and when it emerged, it was transformed into Kole's Eternal Shimmering Crystal Teen Titan Arctic Siberian Snow Phoenix Angel Greatsword of Eternal Shimmering Crystal Teen Titan Arctic Siberian Snow Phoenix Angel Justice, it's a brand-new massive greatsword with embedded navy blue gems and the Teen Titans symbol etched on the 7'9" massive, wide, double-edged pink blade, large pink phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large pink gems embedded in their foreheads, longer midnight black handle, four large pink phoenix heads with navy blue gems for eyes and on the bottom of the large pink phoenix heads is a large pink phoenix head with navy blue gems for eyes and navy blue gem in its mouth for the pommel, Kole has on her large gold Bracers of The Champions of The Universe with navy blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold phoenix head with navy blue gems for eyes and large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pink and navy blue kanji below the symbol of The Teen Titans that said, "Kole Weathers, Member of The Teen Titans, Lifelong Friend of Gnarrk, Loving Future Wife of Lincoln Loud, Destroyer of The Brotherhood of Evil, Archenemy of The Salami Swami, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Savior of Jump City, True Immortal Hero, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, True Immortal Hero, and Master of Crystals, Snow, Ice, Phoenixes, and Angels"

LOVE!

We were amazed by Kole Weathers' Super Angel-Siberian Crystal-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Rupert Thorne saw it, he went mad and got out another gun to shoot her, but Kole fired a massive barrage of pink and navy blue energy, stars, crystals of many beautiful colors, phoenixes, and angels which hit Rupert Thorne and sent him flying into another wall, he got out, but now he was pissed off.

Kole: (Divine Echoing Godly Voice of The Cosmic Eternal Siberian Arctic Snow Crystal Phoenix Angel and Divine Cosmic Eternal Siberian Arctic Snow Crystal Phoenix Angel Love) There is no forgiveness for the likes of you for what've done, Rupert Thorne.

Lincoln: And for what you tried to do in shooting her, you just crossed a serious line!

Batman: Trust me, Rupert. When you hear your so called boss lose it, you'll thank us for locking you up.

Nico: That's right!

?: I agree there!

Out came a girl with magenta hair and she had pink eyes and blue and yellow clothes and she had tattoos on her arm for the symbols of OOO and Ghost, and had a tiara with the symbol of a pirate on it and she had a pirate sword and blaster.

Penny Pirate: Penny Pirate, Embodiment of Pirate Man is here.

Eiji: Penny! Wow!

Takeru: Awesome to see you again.

Penny Pirate: Its been a while Eiji and Takeru. We can talk later. Lets get this monster.

Eiji: Henshin!

Takeru: Henshin!

They transformed and were ready!

Eiji: Seiya!

Takeru: My life is burning bright!

Nico: Oh yeah!

Laney: Awesome!

Taka! Kujaku! Condor! (Phoenix screech) Ta~ja~dol! Eter~nity!

Eiji turned into Tajadol Combo Eternity.

Zenkaigan! (Drum line) Kengou hakken kyoshou ni ohsama samurai bouzu ni sniper! Dai~ Hen~ge~! (Yay!)

Takeru turned into his Grateful Damashii form.

Me: Awesome! Love those forms! How about this too?

I pulled out an Eyecon.

SIMO HÄYHÄ!

I got a gun and blasted Rupert!

Camie: Who was that?

Me: Simo Häyhä was a soldier for the Finnish Army and was widely known as the greatest sniper that ever lived. He fought in the Russo-Finnish Winter War and had a great sharpshooting kill count.

Nico: WOW!

Qin: That is amazing!

Camie: I didn't know that.

Eiji and Takeru charged at Rupert.

They bashed him down.

Lola: Awesome!

Lana: YEAH!

Me: Here's another Gangster you might know. (ACTIVATES EYECON)

JOE AIELLO!

I fired waves of energy and blasted Thorne all over more.

Nico: Wow!

Qin: who was Joe Aiello?

Me: The Meanest Gangster of all time for the Sicilian Mafia in Chicago.

Nico: WHOA! I thought Al Capone was?

Me: He was in a terrible feud with Al Capone back then. He was killed by one of Capone's men back in 1930.

Nico: GEEZ!

Penny Pirate: Don't leave me out!

She went and slashed Rupert all over and blasted him too.

Qin: Nice one!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire

And I unholstered my massive J.D. Knudson's Universal True Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Angel Greatsword of Universal True Eternal Cosmic Elemental Wolf Moon Phoenix Angel Justice from my back and transformed into Super Angel-Ebonwu-January Wolf Moon-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel of Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Justice and Divine Cosmic Universal Elemental Divine Cosmic Harmony January Wolf Mythological God Phoenix Angel Hope and we joined Kole, and so did the rest of us as we unholstered our massive greatswords and transformed.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Hope you've enjoyed your moment of freedom, Rupert Thorne, because after this, you are going right back to prison where you will stay there for the rest of your miserable life.

Lincoln, Kole, and I went after Rupert Thorne, and we fired extremely powerful blasts of rainbow energy, pink and navy blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Rupert Thorne, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Kole, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Rupert Thorne even more insane and straight to the brink of insanity.

Rupert Thorne: YOU! YOU! I'LL KILL YOU ALL!

Rupert Thorne charged at us completely blind with rage and fury, but Kole fired a crystal cluster that hit him on the stomach.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust) I still couldn't believe that lunatic broke you out.

Nico: Me too!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) But, now that plan of his is about to be brought to an end.

Lincoln formed a massive rainbow energy ball with crystals around it and a crystal cluster inside the energy ball.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) CRYSTAL CLUSTER PRISON!

Lincoln fired the massive rainbow energy ball with crystals around it and a crystal cluster inside the energy ball and when it hit Rupert Thorne, he was imprisoned inside an indestructible cluster of crystals with many shimmering colors and he was beamed back to Crematoria, this time, he was put into Super-Max Security Solitary Confinement in a doorless cell with an anti-dark magic and Anti-Dark Orb barrier, and he was given another Life Sentence added to his previous Life Sentences. We cheered as Lincoln, Kole, and I holstered our weapons and powered down, and Kole's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, and massive pink angel wings are permanent.

Kole: That was so awesome! And I really loved that technique that you used on Rupert Thorne, Linky.

Lincoln: Thanks, Kole. I wanted to try it out on someone, and Rupert Thorne proved to be quite the target.

Me: Oh and another thing Thorne, Candace says hello.

Suddenly, Kole wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Kole's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, and Windigo flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and crystal clusters behind them and we cheered wildly. Then, Lincoln and Kole sucked in and absorbed the elemental forces and crystal clusters and they came back to us as the display vanished.

Nico: That's it for Rupert Thorne.

Lincoln: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window into the dark castle of Universe 666 Sebastian in Acme Acres, and we saw it for ourselves: Universe 666 Sebastian had gotten word of Rupert Thorne's arrest and imprisonment, and then! HE ABSOLUTELY LOST IT BIG TIME!

Universe 666 Sebastian: (DEMONIC ROAR) GODDAMN THEM!

THEY RUIN EVERYTHING I THROW AT THEM! THEY'RE RUINING MY PLANS TO DESTROY ALL LIFE ON EARTH AND THE UNIVERSES BEYOND! DAMN THEM, FUCK THEM ALL!

Universe 666 Raditz: Master, you need to control yourself. We will destroy them.

Universe 666 Sebastian slashed at Universe 666 Raditz's chest with sharpened claws and he left claw marks on his chest, and he did the same to Universe 666 Nappa who tried to calm him down.

Universe 666 Sebastian: SHUT THE HELL UP! ALL OF YOU, YOU ARE ABSOLUTELY USELESS! I SENT YOU ALL FOR ONE FUCKING REASON AND THAT'S TO DESTROY ALL OF TEAM LOUD PHOENIX STORM AND THOSE GODDAMN MASTERS OF EVIL! BUT, YOU WIND UP FUCKING THINGS UP! THAT IS THE LAST GODDAMN STRAW! I REGRET THE DAY I EVER RESURRECTED YOU ALL! YOU WILL ALL DIE!

Suddenly, Universe 666 Sebastian unholstered his massive greatsword and the sclera of his eyes had turned blood red and blood tears fell from his eyes and he charged right at the remaining resurrected Universe 666 Z-Fighters' foes that he put under his control and he began butchering and slaughtering them, but only a hand few managed to escape from the nightmare only to be haunted by the sound of his demonic and completely deranged laughter and the bloodcurdling screams of their dying comrades, and when it was done, Universe 666 Sebastian was literally covered head to toe in blood among the slaughtered and butchered remains of some of the resurrected Universe 666 Z-Fighters' foes as his demonic and completely deranged laughter echoed throughout Acme Acres. The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared and we were horrified.

Nico: HOLY SHIT! TELL ME WE DIDN'T JUST SEE THAT!

Me: We did, Nico, we absolutely did.

Many of us ran to trashcans and hurled our guts out.

(VOMIT STORM!)

Luna: Puke volcano! (FAINTS)

FWOMP!

Lincoln: He's absolutely lost it big time, and only a hand few of them managed to escape from that nightmare.

Buster Bunny: And among them were the Universe 666 versions of Raditz and Nappa. They tried to get their "master" under control, but to no avail. He's absolutely lost it, and now, there's no turning back.

Me: Yeah. He's finally crossed the point of no return, now death's finally coming for him.

Nico: No fucking shit.

Batman: Not even Thorne deserves to be slaughtered by that… animal.

Qin: Big time Bruce.

Lola: Yeah no kidding.

Qin: Yeah.

Nico: We're still putting those versions of Raditz and Nappa in the Masters of Evil, right?

Me: Yes we are.

Nico: I may not like the prime universe versions of Raditz and Nappa but they are still part of my kind and deserve a second chance from me.

Laney: I agree.

Penny Pirate: That was still fun though.

Nico: Now, about how you met Takeru and Eiji.

Penny Pirate: Oh right. I met Takeru when he was fighting a Gamma. I forget which one. But it was one where I acquired this Eyecon.

She activated it and it was for Blackbeard.

Me: Blackbeard! The Scourge of the Seven Seas. He was the most ruthless pirate of all.

Penny Pirate: That's right. I can turn into Kamen Rider Blackbeard with it.

Me: Nice.

Penny Pirate: Yep. And I met Eiji when we were fighting a bunch of Greeeds. And J.D. you did a great job leaving your mark on Maki.

Me: Yeah that was awesome.

Sakura Knudson: I heard how you did that bro. That was amazing.

Me: It sure was sis.

Nico: Maki was like an evil version of the Lizard.

Me: Yeah.

Penny Pirate: That is scary.

Lola: Yeah. But he was given the Black Gates.

Me: Same with Adel.

Nico: Yep.

Penny Pirate: Good riddance.

Me: Yeah. But the Eyecons taught us a lot. During our usual battles we learned about so many Historical Figures that we knew nothing about.

Multiplex: Yeah we never even heard about so many of them. They were awesome.

Penny Pirate: Yeah they have a lot to teach us about them.

Nico: We used Medals just as much too.

Me: Yeah. Also you wouldn't believe how many Cell Medals and Core Medals we got from the Greeeds.

Nico: Too many to count.

Eli: Yeah.

Me: And we found out that Tsukuyomi here of the Zi-O riders was turned into a Greeed herself.

Will Vandom: We're not kidding on that. It was crazy.

Tsukuyomi: It wasn't pleasant.

Me: Nope.

Penny Pirate: Oh man.

Qin: Yeah it was terrible.

Me: But we saved her from it.

Penny Pirate: Good.

Nico: Yep.

Sougo: It happened under me and Geiz's noses.

Me: Yeah.

Penny Pirate: I'm glad she's okay now.

Me: Yeah I agree. I think Swartz had that planned out.

Nico: I agree too.

Me: We'll never know though.

Nico: I think that might be for the best.

Me: Yeah.

Qin: I agree.

Laney: I agree there too.

Me: Yeah. Now lets get down to business. Time for the Anothers.

Nico: And they are?

Eli: (Concentrates) Whoa! We have Magpie, Harpy, Roulette, Orca, Mixmaster (Animated), Triceraton Soldier 2003, Count Marzo and Multiplex.

WE GASPED!

Qin: Whoa!

Me: Wow! This will be interesting.

2003 Leo: So it's me and my brothers, April and Katherine Nikos for this one.

Qin: Yep.

Lola: Awesome.

Nico: We're all here though.

Me: Yep.

Eli: And I sense the Anothers minus Multiplex are one person.

Me: Awesome.

Nico: And here they come!

We saw Another Magpie, Harpy, Roulette, Orca, Mixmaster (Animated), Triceraton Soldier 2003, and Count Marzo!

Me: Whoa! This is gonna be good.

Lola: Yep.

Another Roulette: Logical to see you again Lincoln.

Lincoln: Valerus Vulcan!? Whoa!

They merged and she reverted back and was a girl with orange hair, orange eyes, fire angel wings, orange clothes and had the symbol of Vulcan in the middle of her forehead and on her skirt and she had a Bond of Flames Keyblade.

Valerus Vulcan: You have become an amazing young man.

Lincoln: Thanks.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Valerus Vulcan, Keyblade Knight of Romulus, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Vulcan, and she has intense fire powers and she's a master of fire. She is the Keyblade Knight of Vulcan, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of fire.

Me: Wow! The Keyblade Knight of Spock's home planet, Vulcan. That is really cool.

Nico: It sure is.

Valerus Vulcan: I think it is too.

Nico: We're actually going through enemies of Spock and his friends.

Valerus Vulcan: That is very fascinating.

Me: It sure is.

Maud Pie: (Monotonously) I agree there too. And Vulcans from what I heard show no emotion like I do.

Valerus Vulcan: That is right.

Me: Wow. By the way is the Another Multiplex friendly or hostile?

Valerus Vulcan: Friendly and she has amazing powers over water and cloning.

Me: Neat.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They both glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Maria: Better bring in backup. (TURNS DIAL) ATOMIC FORCE 6!

She summoned Radioactive Man, Nuclear Man, Void Knight, Tesla, Jasdevi and Evil Magic Man!

Me: Yeah!

Nico: Awesome.

Me: Yep. And Valerus coincidentally we confronted a Vulcan that shared your name during the Khitomer Conspiracy.

Valerus Vulcan: That is coincidental.

Lola: Yeah.

Nico: And now we wait.

Me: Yep.

Nico: We should expect a lot of clones.

Me: Yeah.

Qin: Yep.

Me: There!

We then saw a figure and it was ANOTHER MULTIPLEX!

Me: Whoa! Another Multiplex.

Lola: This will be awesome.

Another Multiplex: (In a girls voice) It sure will!

Me: (GASP) That voice.

She reverted back and was a girl with aqua blue hair and had blue eyes and aqua blue angel wings and had blue clothes and she had a really nasty burn on her right arm. She had a tiara with the symbol of the Xiphias Dopant on it and the same symbol on her skirt and she had a blue sword.

Me: Xenia Xiphias! Awesome to see you again.

Xenia Xiphias: Awesome to see you again too J.D.

Lola: Whoa man what happened to your arm?

Xenia Xiphias: I got really burned from a nuclear explosion and it hurt REALLY BAD! (GROANS IN PAIN)

She grabbed her arm.

Xenia Xiphias: (GRUNTS) IT STILL HURTS!

Nico: Radiation burns.

Me: Ouch. Also she is in every way like you Danton. She was exposed to a nuclear explosion and it's how she got her cloning powers. And she is also a master of swordfish and water powers hence why she is the embodiment of the Xiphias. Or Swordfish.

Nico: Cool! But she still has to deal with all that Radiation burns.

Me: Yeah.

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm helping out too.

Zocks: Okay.

Kaito got a PatRangers sword and Chloe got a LupinRangers Sword and Zocks got a Kyuranger sword.

Xenia Xiphias: Yeah he did. To get rid of this bad Radiation burn.

Me: Gamma Radiation burns are no fun. It eats you alive from the inside out. It's like fire.

I used my geiger counter probe and it showed that she had A MASSIVE amount of radiation in her.

Me: HOLY SHIT! I don't think Swartz could have cured this one. You took a lot of radiation from that. It's as much as being in a Nuclear Reactor without a radiation suit.

Nico: Geez!

Me: Yeah.

Xenia Xiphias: I knew he wouldn't cure me!

Me: Well he lied pretty much to everyone.

Nico: Yeah.

Sougo: (gets out Patranger Ridewatch) We can help you cure you.

Geiz: (Gets out Kyuranger Ridewatch) We have the power to do that.

Tsukuyomi: (gets out Lupinrnager Ridewatch) After all, you don't want this to hurt forever, right?

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Me: Yeah.

Xenia Xiphias: You're right on that.

Me: In fact.

I snapped my fingers and it stopped hurting.

Xenia Xiphias: Hey it's not hurting anymore!

Me: I cured your pain.

Xenia Xiphias: Awesome!

Lincoln: Lets separate you now.

Lincoln fired a wave of energy and separated her.

Xenia Xiphias: Now I can fight without the pain.

She fired waves of water and then formed clones and they blasted the another.

Nico: Time for some Multiplication! (Gets Out Multiplex's ridewatch)

May: And some mind over matter! (Gets out Dr. Neugog's ridewatch)

Maria: And the darkness of Cyclonia! (Gets out Universe 666 Cyclonis' Ridewatch)

Nico, May and Maria activated the ridewatches of Multiplex, Count Marzo, Dr. Neugog, Big Beanie, Universe 666 Cyclonis and Evil Stone Man and they fired waves of energy and elements and blasted the Another.

Tifa: Take this one! (ACTIVATES COUNT MARZO'S RIDEWATCH)

She fired waves of energy and blasted the Another.

Me: Yeah!

Then Wrecking Crew, Bulldozer Org, Rocketear, Elaine Belloc, Horned Sharptooth and Stained Glass Scarlet appeared.

Nico: Nice team Wrecking Crew!

Wrecker: Thanks Nico. This is gonna be cool.

?: I think so too.

Then Sword Man came.

Me: Sword Man! Wow.

Sword Man: (British Accent) It's going to be fun.

Nico: Catherine Sword!? Whoa!

Me: Wait you mean the mighty descendent of the legendary Knights of the Round Table!? Wow!

She reverted back and was a girl with purple hair, purple eyes and had white clothes and had the symbol of the Knights Templar on her shirt and had a ring of the Knights Templar on and she had the mighty sword Excalibur and had purple angel wings and in the middle of her forehead was the symbol of the Knights Templar and it had the sword Excalibur on it.

Catherine Sword: The very same. I got this.

She swung Excalibur and blasted down the Another and I caught the Ridewatch and purified it.

Me: Whoa! That was awesome!

May: An accent? That's new.

Maria: (giggles) I thought you'd be more happy to not get hit.

Nico: Yeah.

Catherine Sword: (LAUGHS) Yeah I can tell she got hit a lot by my fellow Robot Master Gene-slammers.

Me: Yeah she did.

Tifa: Do you have any favorite memories of Nico?

Catherine Sword: When me and Nico found out more about my ancestral heritage and it was amazing.

Me: That sure is amazing.

Nico: Yeah.

Nico and Catherine hugged.

Nico: I've missed you.

Catherine Sword: Same here.

We went back home.

they exploded with incredible power as they hit him.

Then, Lincoln swung his massive greatsword and fired blades of sunlight that pierced him through his bone-encased heart and he let out a horrific shriek and he turned to ashes and he was sent to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Rest in peace, Jared Nomak. And with that, The House of Damaskinos is truly finished. (To The Minmay Sisters) And it's so good to see you and your sisters again, Belle.

Belle Minmay: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Lynn.

Lynn Minmay: You too, Belle.

Lincoln went up to The Minmay Sisters and he hugged them, and The Minmay Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you girls since you were seventeen, and as you can see, I really grew a lot since then.

Gwen Minmay: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Holly Minmay: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these five girls?

Lincoln: Indeed I do, J.D., meet Belle Minmay, the Onslaught Gene-Slammer, Gwen Minmay, the Vortex Gene-Slammer, Holly Minmay, the Brawl Gene-Slammer, Jenna Minmay, the Blast Off Gene-Slammer, and Kayla Minmay, the Swindle Gene-Slammer A.K.A. The Minmay Sisters, these five girls are my Guardian Angels from Japan and classmates in Music, and they are also beautiful singers and they're the sisters of Lynn Minmay, and they're easy to identify: Belle has ruby red hair with matching clothing, Gwen has lemon yellow hair with matching clothing, Holly has lime green hair with matching clothing, Jenna has watermelon pink hair with matching clothing, and Kayla has marigold orange hair with matching clothing.

Luna: They, Lynn Minmay, and Lincoln would love to sing together and sing alongside me and my band mates. To show her thanks for supporting us, I took Lincoln, Lynn Minmay, and her sisters to a date at a French restaurant and Lincoln wound up kissing Lynn Minmay and her sisters on the lips. as a result lincoln ended up falling in love with Lynn Minmay and her sisters and promised that when he comes of age, he will marry Lynn Minmay and her sisters along with the rest of his harem. Plus, they hate Icky Vicky and Trina Riffins, the reason why is because those filthy animals tried to sabotage my practice sessions, but Lincoln, Lynn Minmay, and her sisters stopped Icky Vicky and Trina Riffins and they beat the crap out of them and even left them in their undergarments and wedgied them onto the school flagpole until the police arrived to take them back to jail.

Nico: Yeesh, I can tell they didn't like that one bit.

Me: They sure didn't, and as they were being taken away, they were yelling and cursing like crazy, but The Minmay Sisters flipped them the bird, and that really set them off, they were banging on the windows trying to get out, but they got tased and knocked out.

Eli: Next time, we should put a shock collar on the jerks.

Lincoln: Tried that, but not even a shock collar will get them to cool it, they're just that impossible to discipline, and now that you and your sisters are here, Belle.

Lincoln went up to and hugged each of The Minmay Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Belle Minmay: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, five Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Minmay Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Jenna Minmay: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Minmay Sisters.

The Minmay Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the four girls, and when Lincoln saw them, he immediately recognized them. The four girls are Iselin A.K.A. Deadlock from Valorant and Chiaki, Nagisa, and Yukiko from Uchi no Otouto Maji de Dekain Dakedo Mi ni Konai?

Lincoln: Oh wow, it's Iselin A.K.A. Deadlock from Valorant and Chiaki, Nagisa, and Yukiko from Uchi no Otouto Maji de Dekain Dakedo Mi ni Konai?

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Iselin: Yes, we're okay, thanks to you.

Then, when Iselin and the other three girls saw who it was that saved them from Jared Nomak, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and

We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was our old enemy, Jared Nomak, who came back from the dead.

But, when Lincoln showed what we did in thrashing him and Lincoln firing sunlight blades that pierced Jared Nomak in his bone-encased heart and was destroyed and sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and the Minmay Sisters have a lot of catching up to do, now that they're back in town.

Maria: I can't believe Jared Nomak had returned from the dead.

Lincoln: Same thing happened with his father, but just like with his father, we destroyed Jared Nomak and put him out of his misery.

Nico: Now, we're safe to say that The House of Damaskinos has truly been brought to an end for good.

Me: You said it.

---

After destroying Jared Nomak and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Minmay Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Belle Minmay: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Gwen Minmay: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Holly Minmay: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Jenna Minmay: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Kayla Minmay: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

Belle Minmay: We do, and of course, it involved an incident with Lori, or as Luna calls her "The Alpha Bitch Control Freak with a 50-Foot Stick Up Her Ass".

Nico: Jeez, how did you get away with calling her that, Luna?

Luna: It wasn't easy, dude.

The Minmay Sisters played a video on the big screen and it shows Lincoln, Lynn Minmay, and The Minmay Sisters at Lake Michigan: Lincoln was in his orange shorts and sandals and Lynn Minmay and her sisters were in their two-piece bikinis and sandals, and they were having fun swimming at the lake after doing some practice with Luna and her bandmates.

Past Belle Minmay: This is really awesome, I love coming to Lake Michigan.

Past Lincoln: Same here, Belle.

Past Lynn Minmay: Plus, with all the work that he and all of you have been doing with cleaning up the lake and all the other lakes in Michigan, it's also a cleaner place for all marine life.

LOUD BANSHEE SHRIEK!

Suddenly, they heard a loud banshee shriek in the air.

Past Lincoln: Oh great, there's no mistaking that obnoxious banshee shriek from anywhere. Get out here, Lori, or else, I'll blast you out.

Suddenly, they saw Lori come out, and she was really out for blood again, then, she charged like a mad bull and was about to attack Lincoln, but Lincoln punched her and sent her flying into a tree. She got back out, but she roared like a madman, now she was really extremely pissed off.

Past Lincoln: Bring it on, you control freak!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Lori shrieked again and she went at Lincoln, but he reared his left fist back, and he landed a mean uppercut to Lori's stomach knocking the wind out of her, and then, he unleashed a massive storm of slashes from his massive greatsword and they slashed off Lori's clothes leaving her in her bra and panties and Lincoln fired water blasts at Lori. Then, Lincoln reared his left fist back and gave Lori a nasty punch to the face that sent her flying back to The Loud House and she was thrown in her cage again.

Past Lincoln: When the rest of the family hears of this, they're really going to give Lori hell.

Past Belle Minmay: That's an understatement.

And as Lincoln rejoined Lynn Minmay and her sisters, he gave them each a kiss on the lips as the video ended.

Nico: Sheesh, Lori, you really didn't know when to quit!

Me: When Lincoln told us about what Lori tried to do again, we were so extremely pissed off beyond imagination.

Luna: You got that right, and unfortunately, that's when I really flipped out and called her an "Alpha Bitch Control Freak with a 50-Foot Stick Up Her Ass"

Lincoln: That set Lori off big time, but before she could attack Luna, I grabbed her by the waist with one of my eleven massive and long white tails and restricted her.

Nico: Sheesh.

Belle Minmay: It almost got ugly. Lori had some nerve to show up and ruin everything because she still wanted to kill Lincoln again! After what that control freak's done to Lincoln in the past, I wanted to punch Lori in the face, but Lincoln sent her flying with one punch, but when she got out again, that's when Lincoln got serious.

Gwen Minmay: She had it coming. But, Lori's been freed from her Dark Side forever and she's finally back to who she was.

Me: That was because of Chase Young's Dark Side, he really is nothing more than the embodiment of evil.

Lincoln: You got that right, he was a monster who enjoyed causing pain and suffering to so many.

We got a shower afterwards, and then, Lincoln, Pie Pie Mermaid, Simulator Note, Simulator Wairu the Supreme Kai Berserker, Bo, Skara, Cat (The Owl House), Amelia (The Owl House), Animated Drag Strip, Bess Marvin, George Fayne, and Deirdre Shannon are heading to Lake Lamode.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Pie Pie Mermaid, Simulator Note, Simulator Wairu the Supreme Kai Berserker, Bo, Skara, Cat (The Owl House), Amelia (The Owl House), Animated Drag Strip, Bess Marvin, George Fayne, and

Deirdre Shannon are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Pie Pie Mermaid, Simulator Note, Simulator Wairu the Supreme Kai Berserker, Bo, Skara, Cat (The Owl House), Amelia (The Owl House), Animated Drag Strip, Bess Marvin, George Fayne, and Deirdre Shannon all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Bess Marvin: Wow, so, this is Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Bess, and it's perfect for our first date. Shall we?

Lincoln, Pie Pie Mermaid, Simulator Note, Simulator Wairu the Supreme Kai Berserker, Bo, Skara, Cat (The Owl House), Amelia (The Owl House), Animated Drag Strip, Bess Marvin, George Fayne, and Deirdre Shannon dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Pie Pie Mermaid, Simulator Note, Simulator Wairu the Supreme Kai Berserker, Bo, Skara, Cat (The Owl House), Amelia (The Owl House), Animated Drag Strip, Bess Marvin, George Fayne, and Deirdre Shannon got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was

being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Pie Pie Mermaid, Simulator Note, Simulator Wairu the Supreme Kai Berserker, Bo, Skara, Cat (The Owl House), Amelia (The Owl House), Animated Drag Strip, Bess Marvin, George Fayne, and Deirdre Shannon and they hugged the girls in their abnormally massive and powerful muscular arms, and Pie Pie Mermaid, Simulator Note, Simulator Wairu the Supreme Kai Berserker, Bo, Skara, Cat (The Owl House), Amelia (The Owl House), Animated Drag Strip, Bess Marvin, George Fayne, and Deirdre Shannon placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Pie Pie Mermaid, Simulator Note, Simulator Wairu the Supreme Kai Berserker, Bo, Skara, Cat (The Owl House), Amelia (The Owl House), Animated Drag Strip, Bess Marvin, George Fayne, and Deirdre Shannon with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented

Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Pie Pie Mermaid, Simulator Note, Simulator Wairu the Supreme Kai Berserker, Bo, Skara, Cat (The Owl House), Amelia (The Owl House), Animated Drag Strip, Bess Marvin, George Fayne, and Deirdre Shannon are in your harem, Linky.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Pie Pie Mermaid, Simulator Note, Simulator Wairu the Supreme Kai Berserker, Bo, Skara, Cat (The Owl House), Amelia (The Owl House), Animated Drag Strip, Bess Marvin, George Fayne, and Deirdre Shannon, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their

stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another Super Mario Galaxy 2 adventure.

Nico: Next is Chompworks Galaxy.

Me: Whoa that one is hot because of lava.

Qin: Yeah.

Sophie: (British accent) But me and Akiza will go with.

Nico: Okay.

They went into the simulator and it activated and they were at CHOMPWORKS GALAXY!

Sophie: Wow!

Nico: Any tips Nicole?

Nicole: (On the radio) Well there is no boss in this one. So you just got to get to the top of that point there to get the star. Goombas and Chomps will come for you.

Nico: Okay.

?: We'll help you guys.

2 figures came. One was a girl with light green hair and green eyes and had green clothes and she had a tiara with the symbol of the Weave Moonland it and she had the same symbol on her skirt and she had a grass sword. The second girl had orange hair and red eyes and had yellow angel wings with intense fire on them and had orange clothes and a tiara with the Heat Symbol on it and the same symbol on her skirt.

Winona Weave: Winona Weave, Embodiment of the Weave Moonland is here.

Halinor Heat: And Halinor Heat, Embodiment of Heat Man.

Sam S.L.: Halinor! No way!

Vinyl Scratch: Righteous!

Halinor Heat: Sam! Wow! Awesome to see you dudette and Vinyl!? You can talk now!? Whoa!

Nico: Long story.

Sophie: I see Chomps coming!

They were rolling and barking.

Sophie and Akiza fired waves of fire and blasted them.

Winona and Halinor fired waves of fire and grass and blasted them.

Nico: (gets out Multiplex and Eccentro's Ridewatches) There are strength in numbers!

Nico activated them and then NUMEROUS Nico's appeared and Nico summoned monsters from Mon World.

They blasted the Goombas and Chomps all over.

Nico: Can we keep a Chomp?

Sophie: Nico do you want to have an arm bit off by one?

Nico: Okay okay bad idea.

They went to the top of the point in the galaxy and got the star.

YOU GOT A STAR!

Nico: YEAH!

Winona Weave: That was fun!

Halinor Heat: Yeah!

They all high five.

Nico: How did you meet Sam and Vinyl?

Halinor Heat: I met them at a party. Vinyl was the D.J. and Sam was with Luna dancing and I made it fun for them. It was awesome.

Nico: That is cool.

Halinor Heat: Yeah.

Winona Weave: That is awesome.

Nico: Would you two like to join the team?

Winona Weave: We would be honored.

They left and we cheered wildly for them.

Later we saw the mascots helping Stan Lee with his Janitorial work.

Stan Lee: Greetings true believers.

Me: Hey Stan. Excelsior!

Qin: Yeah!

Blade: (to the mascots) So, you guys are helping Stan?

Stan Lee: That's right and they are helping me clean up the area.

Shoichi: Kadma, I'll never regret meeting you.

Kadma: Me neither Shoichi. That was fun.

Me: It sure was.

Laney: It sure was cool.

Shoichi: Yeah no kidding.

Captain America: Stan, you should know that a few months ago, we went on an adventure involving Spider Man.

Stan Lee: That is amazing and I heard all about that.

Me: Yes it was cool.

Lola: It sure was.

Camie: Yeah.

Shoichi: I really liked that you helped me and my team defeat the Overlords.

Kadma: That was really fun. And they were really killing people left and right.

Nico: Yeah no kidding.

Me: But they totally underestimated our power.

Laney: I agree there.

Drag Strip: Madame Web, Paradox, King Kai, and Clockwork really helped us on that adventure.

Stan Lee: That is what I heard true believers. I'm also glad all the Noir villains got the black gates.

Me: Me too Stan. What they did REALLY pissed me off.

Camie: Yeah no kidding!

Lola: Especially Vulture of that world!

Nico: No kidding!

Shoichi: But it was El of the Water that was the main target.

Kadma: I know.

Me: Still it was really fun.

Camie: It sure was.

Qin: Yeah.

Hound: Rest assured that the Tablet is now in a safe place where it won't be shattered again.

Stan Lee: Thank goodness for that. Excelsior!

Me: Excelsior.

Qin: Yeah thank goodness.

Laney: Big time.

Kadma: And I like the fact that you're the first rider with a secondary one.

Shoichi: Thanks. I think it's cool too.

Laney: i agree there.

Camie: Yeah one rider teams were not fun. No offense.

Kuuga: None taken.

---

We later went back home.

Xenia: Boy that was fun.

Long Haul: Nice janitor work, guys.

Poromon: Thanks! It was fun.

Me: Glad you guys had a good time.

Camie: Yeah.

Me: And it was cool helping Stan Lee.

Nico: It sure was. Man he has MANY jobs and is awesome at them.

Me: You got that right.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the M-113 Salt Vampire, and this monster is causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than The M-113 Salt Vampire, and this monster is causing havoc.

We gasped.

Me: Oh man, The M-113 Salt Vampire. I remember seeing that! That was a horrible creature! Oh, we need to get to The Enterprise and warn the crew at once.

Nico: Exactly what I was about to say. Plus, we can have him put into The Masters of Evil.

Lincoln: We've never had one of The Enterprise's enemies put into The Masters of Evil before, but this could be interesting to see.

Me: Yeah I agree!

Camie: What is this creature?

Me: It's this.

I showed a picture of it. And went over its history.

The M-113 Creature is a minor antagonist in Star Trek: The Original

Series, serving as the main antagonist in the pilot episode, The Man Trap.

So-called because its home planet was M-113, the M-113 Creature was the last of a species of shapeshifting aliens that survived off of salt, often sucking it out of other living beings. Before the Enterprise visited M-113 in 2266, it had already killed and taken the place of Nancy Crater, an old flame of McCoy's and wife of Professor Robert Crater. Robert Crater was aware that the creature was not his wife, keeping it alive in the form of Nancy because he didn't want to kill the last of a species. He had tried to get a shipment of salt from the Enterprise, but the creature began killing Enterprise crew members and assuming their shape. McCoy eventually shoots and kills the creature, despite it taking the form of Nancy. The creature is both very strong (it is able to overpower Spock), and smart enough to fool people into thinking that it is human. It appears to have some sort of telepathic powers that allow it to appear trustworthy or appealing to anyone it comes in contact with. Its entire drive seems to be survival by consuming salt and most likely doesn't see humans as anything more than a food source.

We gasped!

Nico: WHOA! That thing is UGLY!

Camie: Scary too!

Qin: Yeah!

Laney: Scary!

Vince: Boy I remember seeing that monster before. That was scary!

Camie: Yeah!

Maria: So it doesn't drink blood?

Me: No it sucks people dry of their salt.

Qin: GEEZ!

Nico: Yeah that is scary!

Laney: Wow! No kidding.

The previous group came.

Yenaldooshi: Can me, Iron Lung, El Diablo, Vanitas, Merman, KGBeast, P'andor, Firepower, Absorbing Man, and Shiv go with you guys?I

Nico: Yes you all can come with us. We got a big time situation.

Me: The M-113 Salt vampire is loose on the Enterprise.

They gasped!

El Diablo: AY CARAMBA! I remember seeing that monster! That was scary!

Firepower: YEAH! It was UG-LY!

Me: Yeah no shit!

Yamato Man: Nico, which Gene Slammer of me and my fellow Robot Masters do you think you'll meet next?

Nico: Clown Man next.

Me: Ooh one that's really funny. (HONK HONK)

WE LAUGHED!

Qin: (LAUGHS) That one is funny.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figures were in the vision: the figure was none other than Universe 666 Cell, one of the survivors and he's here to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figures were none other than Universe 666 Cell, one of the survivors of Universe 666 Sebastian's massacre, and he's come here to kill us.

We gasped.

Buster Bunny: Oh great, not the Universe 666 version of Cell. Please, tell me he's not in his Perfect Form.

Lincoln: Don't freak out when you hear this, but yeah, he is. Even though I killed Universe 666 Android 17 and Universe 666 Android 18 when we went after the Universe 666 Z-Fighters, he's permanently in his Perfect Form.

Just as Lincoln said, the toons freaked out.

Babs Bunny: Great, now things have taken a nasty turn.

Slam Tasmanian: (Speaking in Tasmanian)

Me: What did he say?

Lexi Bunny: He said he's gonna need Lincoln's help with this, and he's also gonna need to summon Morgana's Infernal Demon, Lex Talionis.

We gasped.

Lincoln: Whoa.

Buster Bunny: He's right about what he said though, plus, this is also the perfect opportunity to give Lex Talionis a chance to help. Morgana treated him as a tool for her revenge, so in your hands, her Infernal Demon can do some good fighting on the side of good instead.

Me: Good idea.

Nico: This should be a good fight though. Alright, gang, let's deploy The U.S.S. Valorous Phoenix and head to The Enterprise and take down The M-113 Salt Vampire.

Lincoln: And send it to The Masters of Evil, and once we do that, you're next, Universe 666 Perfect Cell.

Buster Bunny: Of all the Z-Fighters' foes that you've had to bring back, Universe 666 Perfect Cell is the one person we certainly didn't expect. You better be ready to suffer the consequences when this is all over!

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to The U.S.S. Valorous Phoenix and head to The Enterprise and take down The M-113 Salt Vampire, and once we got done with him, Slam Tasmanian and Lincoln are going to take down Universe 666 Perfect Cell and break Universe 666 Sebastian's control over him.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,002.3: The U.S.S. Valorous Phoenix is en route to the planet M-113 to help the crew of the Enterprise battle the Salt Vampire that is running loose on the ship. We're going to battle it and capture and bring it to the M.O.E.

Me: Boy this will be wicked.

Laney: It sure will be.

El Diablo: You think it's claimed some victims already?

Nico: We'll find out.

Lisa Loud: We are approaching planet M-113.

We saw the planet and in orbit around it was the Enterprise.

Nico: There it is. Open channels.

Lola: Aye sir.

She opened channels.

Captain Kirk answered.

Captain Kirk: Glad you all made it Nico.

Nico: Are you guys okay Kirk?

Captain Kirk: Wish that were the case. Something is aboard the ship.

Nico: Permission to come aboard sir?

Captain Kirk: Granted.

We got the docking tube extended and went on board the Enterprise.

We were walking through the ship.

Kirk: Something is on the ship and is killing our crew.

Me: Oh man.

We saw Dr. McCoy and a woman on the floor and she was pale as a ghost.

Me: Oh man.

I went over and felt for a pulse. There was none.

Me: No pulse.

Dr. McCoy: She's dead.

I looked her over.

Me: Her salt content has been totally drained. She died from severe Hyponatremic Shock.

Camie: Oh man.

Dive Man: Get a garlic sword ready.

Me: I don't think garlic works on this creature. But we'll find out.

Nico: Kirk the M-113 Salt Creature is behind this. Lincoln had a premonition about it and found out about it.

Lincoln: Yes I did.

We heard a scream!

We rushed over and saw a furry creature with its hands on a womans face and she was screaming as she was being sucked dry of her salt content!

WE GASPED!

Me: Oh my god!

Nico: Is that it!?

Me: Yeah!

Shanan: Oh dear god! I had a feeling that's what it was! It's a Natrevampian!

Nico: A Natrevampian!?

Shanan: Yeah otherwise known as the Salt Vampires.

Shanan fired an energy blast and it hit the creature in the back and exploded and orange blood poured out as it was wounded.

The creature ran away and the woman was weak but drained!

Me: Oh man! Lets get her to sick bay!

We had her brought over there.

Varie: She needs saline solution stat!

Dr. McCoy gave her saline solution.

Merman: You think she'll become a vampire and/or zombie?

Knock Out: Well, it happened when my Starscream experimented with Dark and Synthetic Energon.

Me: No I remember that this creature doesn't turn people into zombies or vampires. It drains them of their salt to turn into them.

Lola: Oh man.

Nico: Oh boy.

Dr. McCoy: That monster is actually Professor Nancy Carter.

Me: I remember that Doctor.

Kirk: Bones this creature is terrifying. It's amazing it was able to kill so many.

Me: How many people died so far on the ship?

Kirk: 10 so far. But you stepped in and stopped it from killing an 11th one.

Me: And the trail of blood will help us find her.

Block Man: First, we need to help this one.

Me: Agreed.

The woman was weak and lethargic.

Kirk: Are you all right?

Woman: (Weak) Carter attacked me.

Me: That wasn't Nancy Carter.

Shanan: It was a creature called a Natrevampian.

Kirk: It almost sucked you dry of your salt.

Varie: You'll be okay though. The saline solution will give you your salt back.

Nico: Yeah.

Spock: Everyone we heard an explosion. Are you all alright?

Me: We're okay Spock.

Chekov: (Russian Accent) Thank goodness.

Me: I'm afraid we have bad news though. Professor Nancy Carter is not who you think she is. She's a Natrevampian.

Spock: Yes I've read about them. They are from planet M-113 and are said to be the very last of its kind.

Me: Oh wow.

P'andor: (Russian Accent) I'd like to see it feed on me!

Me: I don't think it CAN feed on you P'andor because you're made of pure radioactive energy.

Nico: Yeah.

Laney: And our blood is poisonous.

Magma Man: You gonna be okay, miss?

Woman: Yeah thanks to you guys.

Then we heard knocking.

Me: Whoa.

Lincoln: That's another of the Star Trek villains taken down. Now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of energy blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking that energy signal from anywhere.

A figure came out, and it was none other than Universe 666 Perfect Cell.

Nico: So, Universe 666 Perfect Cell has arrived.

Buster Bunny: We got to stop him and free him from that leech's control.

Suddenly, Slam Tasmanian's red eyes turned neon red and he was surrounded by a purple energy aura with stars, purple winds, purple fire, purple lightning, purple and black darkness, tornadoes, Tasmanian devils, phoenixes, and angels, he unholstered his massive greatsword from his back, and as he approached Universe 666 Perfect Cell, he left stars, purple winds, purple fire, purple lightning, purple and black darkness, tornadoes, Tasmanian devils, phoenixes, and angels with every step.

Suddenly, Slam Tasmanian was surrounded by a massive vortex of purple energy with stars, purple winds, purple fire, purple lightning, purple and black darkness, and tornadoes surrounding the vortex, there are Tasmanian Devils, phoenixes, and angels flying around the vortex, and in the vortex is a yellow phoenix with blue eyes gazing at Universe 666 Perfect Cell: the eyes of salvation. Then, as the vortex faded, Slam Tasmanian emerged, but he was changed forever.

Slam Tasmanian grew from 6'11" to 8'5" in height, his abnormally massive and powerful upper and lower body muscles grew even bigger and he still retained his eight-pack abs, he now has large gold metal bracers on his massive biceps and thighs, and he now has eleven large black and purple orbs orbiting around his legs, he has purple highlights in the bangs of his full head of long brown hair going down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he has neon red eyes and a black and purple energy aura with stars, purple winds, purple fire, purple lightning, black and purple darkness, Tasmanian Devils, phoenixes, and angels surrounding him and he has an immense rainbow protective aura with elements swirling around it, he has a Tasmanian Devil with a tornado in its paws emblazoned on his forehead and Third Eye with purple iris, he has on his Crystal Necklace of The Buddha with purple gems on the gold wind links and purple crystal links and a purple Tasmanian Devil-shaped Element of Harmony and on the bottom of the Element of Harmony is a Tasmanian Devil with purple gems for eyes and the Wind, Fire, Lightning, Dark, Star, and Eternity Kanjis in its flippers for the pendant and he has on a white and gold accented choker on his neck, he has on a black tank top with purple phoenix on it, large black pants with purple winds on the legs, black knee-high boots with flame buckles and long black long-sleeved trenchcoat with stars, purple winds, purple fire, purple lightning, black and purple darkness, Tasmanian Devils, phoenixes, and angels on the coattails and on the back is a phoenix, angel, and Tasmanian Devil with stars, purple winds, purple fire, purple lightning, black and purple darkness, Tasmanian Devils, phoenixes, and angels surrounding the phoenix, angel, and Tasmanian Devil. Suddenly, Slam Tasmanian felt a sharp pain on his now wider and more muscular back, and then, his massive black angel wings with purple tips on the black feathers grew and sprouted out of his back. Slam Tasmanian has on a Ring of The Phoenix with purple gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, Slam Tasmanian's massive Sword of The Tasmanian Devil and all of the greatswords and swords he'd gotten began merging together and they're surrounded by black and purple energy, stars, purple winds, purple fire, purple lightning, black and purple darkness, Tasmanian Devils, phoenixes, and angels, and when it emerged, it was transformed into Slam Tasmanian's Acme Future Purple Tornado Purple Firestorm Lightning Darkness Tasmanian Devil Angel Greatsword of Acme Future Purple Tornado Purple Firestorm Lightning Darkness Tasmanian Devil Angel Justice, it's a brand-new massive greatsword with embedded purple gems and the silhouette of Taz etched on the 7'9" massive, wide, double-edged black blade, large black Tasmanian Devil heads for the crossguard, large white angel faces built into both sides of the hilt and large purple gems embedded in the foreheads, longer midnight black handle, four large black Tasmanian Devil heads with purple gems for eyes and in their open mouths and on the bottom of the duck heads is a large black Tasmanian Devil head with purple gems for eyes and in its open mouth for the pommel, he has on his new large gold Bracers of The Champions of The Universe with large purple gems on his wrists and Dragon Ball Bracelet on his left gold Bracer, new large gold Belt of Elemental Bravery with a gold Tasmanian Devil head with red gems for eyes and large red gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's a purple kanji below the phoenix, Tasmanian Devil, and angel that said, "Slam Tasmanian, Member of The Loonatics, Descendant of Taz, Brother of Dizzy Devil, Archenemy of Spike, Brave Warrior of The Cosmos, Protector, Defender, and Savior of

The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Purple Winds, Tornadoes, Purple Fire, Purple Lightning, Purple and Black Darkness, Tasmanian Devils, and Angels"

We were amazed by Slam Tasmanian's Super Angel-Acme Future Gen Knight-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Universe 666 Perfect

Cell saw it, he fired energy blasts at Slam Tasmanian, but Slam Tasmanian deflected them by turning into a tornado and he fired a massive barrage of black and purple energy, stars, purple winds, purple fire, purple lightning, black and purple darkness, Tasmanian Devils, phoenixes, and angels which hits Universe 666 Perfect Cell and they exploded, he got back up, but now, he was enraged.

Ace Bunny: Oh, now he's in big trouble.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Slam Tasmanian did.

Bugs Bunny: WHAT THE?!

Buster Bunny: Even I'm stunned by what we just saw, Bugs!

Slam Tasmanian: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Acme Future Cosmic Purple Tornado Lightning Purple Firestorm Darkness Tasmanian Devil Angel and Divine Cosmic Eternal Acme Future Cosmic Purple Tornado Lightning Purple Firestorm Darkness Tasmanian Devil Angel Hope) Let's do this.

(SNAPS FINGERS) (Speaking In Enochian) ARPHE ALLAR!

A purple Umbra Witch portal appeared on the ground and white Wicked Weaves manifested, and then, we saw Lex Talionis appear and stood against Universe 666 Perfect Cell.

Lincoln and Slam Tasmanian went after Universe 666 Perfect Cell, and they fired extremely powerful blasts of purple and black energy, stars, purple winds, purple fire, purple lightning, purple and black darkness, Tasmanian Devils, phoenixes, angels, rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Perfect Cell, and they exploded with incredible power as they hit him.

Then, they attacked him with slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and he and Slam Tasmanian attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and Slam and Lincoln even turned into tornadoes and really tore into him.

Buster Bunny: Slam and Lincoln are literally tearing him to shreds.

Ace Bunny: I knew it was gonna get ugly.

Then, Slam and Lincoln got back as Lex Talionis fired webs and nerve poison thorns at Universe 666 Perfect Cell, and his nerves were paralyzed. Slam Tasmanian fired an F5 tornado at Universe 666 Perfect Cell which exploded and knocked him out cold as he was way too dizzy, and then, he was bound with chains of light fired by Lincoln with a swing of his massive greatsword.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Perfect Cell and removed every trace of the poisonous darkness that infected him, and he was restored and sent to Good Luthor. We all cheered wildly as Lincoln and Slam Tasmanian holstered his massive greatsword on his back and powered down, and Slam Tasmanian's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive black and purple angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's another freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more, and Good Luthor will be keeping an eye on them and the others.

Me: Yeah, and now that Universe 666 Sebastian has finally gone off his rocker and gone mad, it won't be long before we finally kill him. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Alice Layton, the Rodimus Prime Gene-Slammer, Darla Layton, the Override Gene-Slammer, Jenny Layton, the Blurr Gene-Slammer, Lana Layton, the Crosshairs Gene-Slammer, Pearl Layton, the Drift Gene-Slammer, Rana Layton, the Hot Shot Gene-Slammer, and Tanya Layton, the Clocker Gene-Slammer.

Katrielle Layton: (GASPS) My sisters?!

Selene Arcangela: Katrielle Layton's sisters A.K.A. The Layton Sisters?! Awesome, and you guys are going to love meeting them, Alice Layton, the Rodimus Prime Gene-Slammer, Darla Layton, the Override Gene-Slammer, Jenny Layton, the Blurr Gene-Slammer, Lana Layton, the Crosshairs Gene-Slammer, Pearl Layton, the Drift Gene-Slammer, Rana Layton, the Hot Shot Gene-Slammer, and Tanya Layton, the Clocker Gene-Slammer, these seven girls are Lincoln's Guardian Angels from England and classmates in Math, but they're also master puzzle solvers like their sister, Katrielle Layton.

Michelle Emperyous: And they're easy to identify: Alice has green hair with matching clothing, Darla has red hair with matching clothing, Jenny has indigo hair with matching clothing, Lana has purple hair with matching clothing, Pearl has white hair with matching clothing, Rana has blue hair with matching clothing, and Tanya has yellow hair with matching clothing. They, Katrielle, and Lincoln have solved even the most difficult puzzles ever made, and surprisingly, The Riddler wanted to test the Layton Sisters, Katrielle, and Lincoln regarding their puzzle solving and riddle solving abilities so he brought back the Riddle of the Minotaur at its best, and amazingly, Lincoln, Katrielle and, the Layton Sisters solved the Riddle of the Minotaur and they did so honorably so much so, The Riddler even admitted that they're quite capable riddle solvers.

Nico: Wow, that's really really awesome.

Laney Emperyous: They proved they are indeed master riddle solvers, and Lincoln made the Layton Sisters and Katrielle beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips and Lincoln promised that when he comes of age, he will marry Katrielle and her sisters along with the rest of his harem, and they hate Flip with a blazing passion, the reason why is because he tried to steal the mechanics of The Riddle of The Minotaur, which The Riddler did not appreciate one bit, but before Flip could even try, Lincoln, Katrielle, and The Layton Sisters jumped him and beat the crap out of him.

Eli: HE WHAT?!

Nico: I can't believe that he tried to steal the mechanics of The Riddle of The Minotaur and sell it for himself, that's copyright infringement. Please, tell me he got sued.

Lincoln: He did, to the tune of $500,000,000,000,000,000, which was added to the other forms of monetary compensation for his numerous scams in the past.

Me: It was staggering, but Flip had it coming.

Eli: So, that explains why we hadn't killed him yet, he still needed to pay off all the compensation for his scams in the past.

Lincoln: Yep, and once that's done, then, we kill him.

Nico: Nice.

Villamax: That's it for that salt sucker.

Jimbo: Got that right.

Cavalier: He'll be a good addition to our ranks.

Toad: He will be.

Pete: Let's celebrate on here!

Nico: Good idea. Great job today everyone.

Qin: Yeah!

Starlight Glimmer: (To the viewers) Boy this was an awesome adventure.

Me: It sure was.

Qin: Yeah.

We had a great part and went back home and enjoyed the rest of the day and went to sleep.

Me: So the next rescue is in Bikini Bottom. Always love coming here.

Camie: Me too. I hope we get lunch at the Krusty Krab.

Lily: Me too.

Nico: Always up for some Krabby Patties.

Varie: I am too.

Me: Me too.

Lok: I am excited for this.

Wrecker: Boy me too.

Nico: Lok, I want to thank you, Wrecking Crew, and your teams for coming.

Lok: No problem Nico. It's so fun helping you guys.

Mia Addison: It sure is.

Nico: Mia, remember when you first met Lincoln?

Mia Addison: I sure do. We met when he was in kindergarten and he was in the Bowling Alley. I helped him bowl really well.

Lincoln: And she is a great teacher.

Me: Bowling is always fun.

Nico: Yeah it sure is.

Lily: That is awesome.

Leni: Mia is totes an amazing teacher in bowling.

Laney: She sure is.

Mia Addison: Yeah.

Nico: And now, you're part of Lincoln's harem

Mia Addison: I sure am and it's awesome.

Me: It sure is.

Varie: I'll say.

Me: Yep. Boy yesterday was REALLY crazy. Especially with having to deal with that Salt Vampire.

Nico: Boy no shit! That thing was UG-LY!

Maria: It sucked out salt!

Nico: Yeah!

Eli: And killed 10 crew members of the Enterprise!

Me: Thank goodness due to Shanan's quick thinking and Varie's medical expertise that we were able to stop it from claiming another victim.

Lola: Yeah no kidding!

Laney: Thank goodness.

Shanan: Yeah mom that was well done.

Varie: Thanks Shanan.

Nico: At least it wasn't a zombie.

Me: No thank goodness.

Qin: Yeah. Still at least we stopped it.

Nico: No kidding. And J.D. said that it was from the very first Star Trek episode.

Me: Yep that's right.

Camie: Wow!

Me: Yep.

Nico: Man, these Star Trek villains keep getting uglier and uglier.

Me: Well they are creatures from other planets Nico what did you expect?

Nico: You're right on that.

Me: You should see some of the creatures that Kirk and his crew have faced.

Laney: Yeah and they are cool.

Me: Yep. But the Borg are the ones that gave EVERYONE all over the galaxy the Most Trouble.

Nico: You're right on that. Lets head to the Krusty Krab guys.

Me: Good idea. I'm hungry.

Laney: Me too.

We walked on.

We arrived at the Krusty Krab.

Nico: GOOD MORNING KRUSTY CREW!

Mr. Krabs: Ahoy there lads!

Me: Ahoy Mr. Krabs.

Nico: I'd like a Krabby Patty please.

SpongeBob: Coming right up guys.

We got our Krabby Patties and we were eating.

Me: (Eating) Mmm! Delicious.

Nico: Yeah. Always delicious. (Eating)

Eli: (Eating) Mmm! Awesome.

Maria ate some.

Maria: (Eating) Mmm! Love good Krabby Patties.

May: (eating) Mmm! So good.

Sakura Knudson: (eating) Mmm! Krabby patties are really awesome.

Me: They sure are.

Lily: (Eating) Mmm! Yeah better than eating at the Chum Bucket.

Laney: I know.

Nico: As long as you don't eat too much.

Squidward: I learned that the hard way.

Camie: What happened?

Lily: Squidward ate too many and it went to his thighs and then he exploded.

Squidward: Yeah that was crazy.

Me: Ouch.

Nico: And as long as you don't mutate them.

Mr. Krabs: I learned THAT the hard way

Me: Yeah the Krabby Patty Zombie Outbreak.

Lily: That was the scariest adventure I've done. But it lead to the creation of the Neptune Crusaders.

Varie: It sure did.

Lola: That was scary.

Sakura Knudson: Yikes. By the way Lily, I heard you went to the Bikini Bottom Triangle and met mermaids there.

Lily: I sure did. We got sucked into the Triangle and it was really an island with ENORMOUS piles of stuff there and we had to figure out how to get out of there. Squidward was nutsy cuckoo back then. Also he did this to me.

She lifted up the back of her shirt and showed a NASTY scar on her back.

Sakura Knudson: GEEZ! How did that happen!?

Lily: Squidward put a bomb on my back and tried to kill me.

Varie: It's true.

Girl Jordan: We were there when that happened.

Sakura Knudson: Ouch.

Squidward: And I can't believe I was that crazy back then. Thank Neptune I wasn't sent to the black gates back then.

Me: I know.

Squidward: But then, I got a dose of what it was like when we went to the Land version

Me: Yeah that was cool. We actually solved the mystery of the Bermuda Triangle. It was really a doorway into another dimension.

Shanan: That was cool seeing that.

Mr. Krabs: Yeah that was amazing lads.

Laney: It sure was.

Nico: Yep. (Eating) Mmm! Boy we've had so many kinds of great

Krabby Patties.

Lily: We sure did. But the one kind of Krabby Patty no one should ever get is The NASTY PATTY!

All of us: EW!

Lily: That was SO DISGUSTING.

Nico: YUCK!

Me: We gave that to a death row inmate that escaped from a prison and it was awesome.

Camie: That is disgusting!

Me: Yeah but it was so funny.

Squidward: I think I was taking a day off when that was invented

Mr. Krabs: Yes you were Mr. Squidward.

Me: Wow.

Laney: That was an awful Krabby Patty.

Nico: You and SpongeBob almost went to jail.

Mr. Krabs: (LAUGHS) That is true.

Lily: They thought they killed the Health Inspector which was all an accident. Oops.

Nico: (LAUGHS) Yeah.

They laughed!

Varie: (LAUGHS) At least he didn't press charges.

Lily: Yeah no kidding. But there was one item that scared the customers before.

Camie: What was that?

Lily: The Monster Krabby Patty.

Sakura Knudson: Whoa! I heard that it broke SpongeBob's spatula.

Lily: It sure did and when I started working here that was the biggest item on the menu.

Mr. Krabs: Yeah it sure was.

Lily: I knew a regular spatula wouldn't cut it and would break in two from that. So I used a bigger spatula. A Pizza Spatula to make it.

Mr. Krabs: Which was a genius method lass.

Lily: It sure was cool.

Qin: Yep.

Nico: The Louds and Mr. Lynn did the same thing to another Health Inspector.

Me: Yeah that's what I heard.

Lily: Except dad didn't make a Nasty Patty. It was called the NASTY LYNN-SAGNA!

All of us: YUCK!

Me: Yeah no kidding. That was disgusting.

Juran: You know you almost went to jail, right?

Me: (LAUGHS) Déjà-vu!

Nico: (LAUGHS) Yep.

Lily: (LAUGHS) Yeah but on land.

Me: Yeah.

Juran: Boy that is coincidentally similar huh?

Me: Yep.

Nico: There's a moral to all this.

Me: Be careful with what you eat and who you trust.

Nico: Especially when they are REAL and fake.

Laney: Amen!

Mr. Krabs: To be fair, the news didn't show the phony Inspector properly.

Lily: That is true. The phony inspector wasn't revealed till after.

Nico: Oops.

Laney: Yeah big oops.

We laughed again.

Nico: (Laughs) Yeah.

Nico kept eating Krabby Patties.

We were having a great meal.

We were later full.

Me: Ahh. So good.

Laney: We're stuffed.

Varie: Yeah.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not liking in the slightest: I got word from SpongeBob that Flats the Flounder is going to kick his butt.

We gasped.

Lily Loud: Oh no, not that buttkicking bully flounder again!

Lincoln got out a beautiful ocean blue conch shell, and as he blew into it, the conch shell made a very melodious sound and it summoned the rest of The Neptune Crusaders and all the other water users.

Nico: Whoa! It summoned the rest of The Neptune Crusaders, what is that blue conch shell?

Me: This was something Lincoln had gotten from King Triton on his birthday last year: it's called The Conch Shell of Neptune, this conch shell has the power to summon The Neptune Crusaders and all those who use water.

Nico: That is so awesome!

Lincoln called the rest of the team here and he told everyone the situation, and needless to say, they too were pissed off.

Lori: That no-good bully flounder, he's literally getting such a buttkicking from all of us.

We saw Buster Bunny and the others sharpening axes, and Babs Bunny tossed her axe which hit the picture of Universe 666 Sebastian.

Eli: (Sensed the fracturing mental state of Universe 666 Sebastian) Whoa, what the?! Oh man, guys, you're going to like hearing this, Universe 666 Sebastian's mental state is still rapidly deteriorating, if we take down Flats, it's gonna lead to him exploding with rage even more.

Me: (Smirks) This should be good.

Ace Bunny: Yeah, but Roadrunner, Lil Beeper, and Rev are pretty steamed Universe 666 Sebastian has ruined their chances to shine, and so are the rest of The Looney Tunes and Buster's friends.

Lincoln: But, they are getting the huge chance to shine in the big showdown against him very soon.

Qin: Yep.

Camie: Who is Flats?

Me: A nasty bully that wants to beat up SpongeBob and kick his butt bad.

I went over his history.

Flats the Flounder is a background character in the first season of SpongeBob SquarePants and the main antagonist of the Season 3 episode "The Bully". He also makes cameo appearances in the sixth, eleventh, and twelfth seasons as well as the end credits of The SpongeBob Movie: Sponge Out of Water. He is a brutish bully who has a hobby of injuring others and attempts to beat up SpongeBob SquarePants several times.

He was voiced by Thomas F. Wilson, who also played Biff Tannen and Buford Tannen in the Back to the Future film series.

Flats first appears in the episode Sandy's Rocket, where he is in a bathroom in front of a mirror. Flats opens the mirror in which SpongeBob is inside and captures Flats.

In the episode Texas, Flats is one of the people in the Texas party for Sandy where he is holding a square. He and everyone gathers around Sandy and cheers when she ultimately decides to stay. However, when Patrick mentions "dumb ol' Texas", he and everyone frowns, most likely worried that Sandy will get furious for what Patrick said.

In the episode The Bully, Flats is first seen as Mrs. Puff's new student. He takes a seat next to SpongeBob, but when the latter introduces himself, Flats threatens to kick his butt. SpongeBob initially takes it as a joke, but Flats rips his chest hair off and his chest spells "I MEAN IT", SpongeBob immediately realizes Flats means it.

Mrs. Puff then asks for a volunteer to draw a basic four way intersection and chooses Flats, who then draws various diagrams of him beating SpongeBob up. Although it terrifies SpongeBob, Mrs. Puff is instead impressed by his "creativity". Class ends and SpongeBob makes a hasty retreat into a toilet, but is found by Flats seconds later. SpongeBob attempts to strike a conversation, but the bully simply states that he will kick SpongeBob's butt "twice as hard" and leaves.

SpongeBob picks up a nearby phone and discovers Patrick on the line. He asks for Patrick's help but soon realizes that Flats is in fact inside Patrick's house and they are old community college friends. Patrick tells SpongeBob that Flats has to leave, since he is going to kick somebody's butt. SpongeBob panics and flees, while Patrick is still on the line. In a state of panic, SpongeBob confides in Mrs. Puff about Flats' intentions. Appalled, she agrees to speak with Flats. During recess, Mrs. Puff tells SpongeBob that she spoke to Flats, who said that he is from a town where kicking someone's butt means to befriend and hang out with them (which is obviously false). As a clearly oblivious Mrs. Puff continues explaining, SpongeBob notices Flats making a sand replica of SpongeBob before kicking it down.

SpongeBob runs out of school campus and bumps into Flats' father and informs him of Flats' behavior. However, Flats sees this and chastises his own father for "talking to strangers". Flats' father cowardly replies to SpongeBob that his son will kick his butt. SpongeBob flees into the city and hides in a trash can, but Flats confronts him inside of garbage truck and chases him through the city. While running, a banana peel falls out of SpongeBob's trash can and Flats drives over it, causing his truck to flip over and crash, critically injuring Flats.

He wakes up in the hospital some time later, and is informed that SpongeBob performed five hours of CPR to save his life, even though the doctors assured him he would be fine after a few minutes. Moved, Flats claims he will remember this kindness while kicking SpongeBob's butt, causing SpongeBob to flee to his home, but Flats arrives and kicks his door down seconds later. SpongeBob puts a blindfold on and prepares for the worst. Flats punches him in the chest, but SpongeBob does not feel it. He removes his blindfold and realizes that his sponge-like body is absorbing the blows.

SpongeBob then goes about his daily routine as usual, all the while Flats punching him. SpongeBob wakes up the next day, pours a bowl of cereal, and goes to school, still being punched by an exhausted Flats. Flats passes out from exhaustion so their classmates cheer for SpongeBob. SpongeBob stops their cheering, claims that Flats is the true victim, for he went down a violent road to nowhere, and holds his fist. Mrs. Puff the enters the class, and after seeing Flats' unconscious body and SpongeBob's enclosed fist, she falsely accuses SpongeBob of "beating up a new student" and angrily threatens to kick his butt.

Flats later makes cameo appearances in the end credits of The SpongeBob Movie: Sponge Out of Water, Squid Noir, Don't Feed the Clowns, and SpongeBob's Big Birthday Blowout.

When it was done everyone that hadn't heard about it was shocked!

Qin: Yeah.

Camie: What a jerk!

Sakura Knudson: No kidding!

Nico: He tired himself out when he realized he couldn't hurt Spongebob!

Me: Yeah because he didn't know that Sponges can't get beaten up that easily.

Laney: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Flats the Flounder) AHA! Gotcha! I just spotted that butt-kicking fish, he's 20 yards away and SpongeBob's already running from him.

Nico: Let's head on over and trash him.

Lincoln: Yeah, let's get him. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched

onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Flats the Flounder.

We were flying, and then, we saw SpongeBob running from Flats the Flounder who was driving a truck and he was laughing maliciously.

Lincoln: There he is. Let's get SpongeBob away, and then, we get at Flats.

Lily Loud: And of course, I'm going to be calling Mrs. Puff about this.

Lincoln fired a wave of water that got SpongeBob away, and then, he reared his left fist back and he clenched it tight, and then… !

POW! KABOOM!

Lincoln smashed the truck with one punch and sent Flats flying out and crashed into waves of water The Neptune Crusaders fired at him and he got sent flying into a nearby coral reef. He got back out, but boy was he steamed up now!

Flats the Flounder: I'M GONNA KICK YOUR BUTTS!

Flats ran at Lincoln and threw a punch, but Lincoln ducked and he punched him hard in the stomach with incredible force and strength as Flats backed off and then… !

BARF!

Flats barfed out his breakfast and it was really gross.

Luna: PUKE FEST! (FAINTS)

FWOMP!

Eli: Jeez, that was one strong punch!

Then, Lincoln piled on and attacked Flats brutally with extremely strong punches and kicks which had turned into a massive fight cloud. Then, when Lincoln was done and he got out of the fight cloud as the dust settled, Flats was really mangled up.

Nico: (WHISTLES)

Me: Lincoln's been getting stronger and stronger every day, I couldn't even keep track of him, but I was really really really proud of him.

Varie: J.D. had tears of joy in his eyes, and so did Lincoln's Guardian Angels and harem.

Ariel: I hope Lincoln didn't do too much damage to Flats. Because, it's my turn, I'm about to teach him a painful lesson, how dare he try to harm another person for his own amusement.

Eli: Uh oh. This is gonna get ugly!

Flats punched Spongebob but it had no effect.

Flats: ARE YOU FUCKING KIDDING ME?!

Nico: Looks like you won't have to do anything after all, Ariel.

Ariel: No I still want to make sure he does.

Me: Okay then. (Whispers to Nico) He still hasn't learned his lesson from the last time.

Nico: (Whispers to me) No kidding.

Flats kept punching Spongebob but to no avail.

Nico: This is gonna take a while.

Me: Yep.

He was REALLY punching at him. But it was not affecting him at all.

Me: Geez.

Nico was eating Krabby Patties to pass the time.

I was playing Go Fish with Lincoln and Lisa.

Me: Lincoln do you have any 8's?

Lincoln: Nope Go Fish.

I drew a card.

He was going at it for 3 hours.

Laney: How long has he been at this?

I looked at my watch.

Me: 3 hours. Okay I'm getting bored.

Piledriver: So am I! (punches Flats)

KRABLAM!

Flats was smashed into a dumpster!

KRASMASH!

Qin: NICE!

Me: How about this for some fun?

STINKY BUTT! STINKOR! BEST MATCH!

Me: GRANDE FART SUPREME!

LOUD SUPER FART!

I fired a massive super stinky fart from my butt and it hit Flats and he smelled it and gagged and threw up all over!

Camie: Nice one!

Me: Nico you'll love this one!

ROQUEFORT! CHEESE MONSTER! BEST MATCH!

Me: SCALDING CHEESE SAUCE DELUGE!

I fired a wave of scalding hot nacho cheese sauce and it hit Flats and drenched him and burned him!

Nico drooled at the sight of that one.

Thunderball threw his wrecking ball at Flats.

KRASMASH!

Flat as a pancake.

Me: He couldn't be anymore flatter than that.

We laughed!

Me: Mascots show him what a horrible movie is like.

Mascots: WITH PLEASURE!

Wrecker: After this! (swings Crowbar at Flats)

BLANG!

He smashed him on his head.

Poromon: Wanna see something disgraceful?

Flats: What is it?

Poromon: WE'LL SHOW YOU SOMETHING DISGRACEFUL! (SHOWS THE TRAILER FOR BLOOD AND HONEY) HERE! LOOK AT IT! IT'S AWFUL ISN'T IT! YOU LOOK AT IT!

Flats screamed!

Poliwag: YOU LOOK AT IT!

Flats: HORRIBLE!

Manaphy: LOOK AT IT!

Horsea: LOOK AT IT!

Jirachi: LOOK AT IT!

Tentacool: LOOK AT IT!

Mevya: LOOK AT IT!

Mascots: WE WANT YOU TO FUCKING LOOK AT IT!

FLATS SCREAMED LIKE A LITTLE GIRL!

Spongebob: (laughs) It never gets old!

Mr. Krabs: (LAUGHS) You got that right boy-o!

We laughed!

Flats was REALLY PISSED!

Flats: I WILL REALLY KICK YOUR BUTTS!

But the citizens of Bikini Bottom heard that!

Harolds: SO YOU LIKE KICKING BUTTS DO YA!? WELL WE'LL SHOW YOU BUTTKICKER!

They went at him and smashed and pulverized Flats into pulp!

Nico: NOW they get it right!

Lola: (LAUGHS) YEAH!

Lily: (LAUGHS) Yeah they got the wrong guy twice. But now they got it right!

We laughed at Flats.

Me: Nothing like a little Schadenfreude.

Leni: J.D. please watch your language.

Lisa Loud: Leni, Schadenfreude means that he is getting joy out of watching someone get pain from pleasure.

Lincoln: It's like a way of saying Karma is coming to get him.

Leni: Oh right. I see what you're saying.

Nico: It's not a bad word.

Me: Nico you know how Leni is.

Nico: Oh.

Suddenly, Ariel's blue eyes turned neon blue and she was surrounded by an ocean blue energy aura with stars, water, ocean waves, sea creatures, mermaids, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Flats, she left ocean blue energy, stars, water, ocean waves, sea creatures, mermaids, phoenixes, and angels with every

step.

Ariel: There is no way that I will ever forgive you for what you've done, Flats. No one has ever done anything to you, all they've done is be nice to you and show you kindness, but instead, all you have ever done is show them nothing but utter malice and want to make them suffer for your amusement. I cannot condone any of your actions, and you have already proven that you cannot be redeemed, you must be taught a serious lesson, one that you'll take with you to prison.

Suddenly, Ariel was surrounded by a massive vortex of ocean blue energy with stars, water, and ocean waves surrounding the vortex, there are sea creatures, mermaids, phoenixes, and angels flying and swimming around the vortex, and in the vortex is a sea foam green phoenix with red eyes glaring at Flats the Flounder: the red eyes of judgement.

Me: WHOA!

Lincoln: Flats better say his prayers.

Lily Loud: Yep, he's not getting out of this one alive.

Then, as the vortex faded, Ariel emerged, but she was changed forever.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Ariel, and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Flats even more insane and straight to the brink of insanity.

Flats the Flounder: YOU! YOU! (ENRAGED SCREAM)

Flats the Flounder charged at us completely blind with rage and fury, but Ariel fired a blast of water that hit him on the stomach.

Me: Had enough Maggot Flipper?

The Sea Bear growled at him.

Flats groaned in pain.

Me: Obviously not.

We punched and pulverized him all over.

Me: (sounding like Dirty Harry) What's going on here? What? Huh?

Oh, what, you going for something? (His eyes dart aside; pan over slightly to the SpongeBob.) You going for him? (Back to Flats.)

Flats: (moaning) No.

(Cut back and forth between the two.)

Me: You want some more, man?

Flats: Uh, I wasn't.

Me: You do?

Flats: No.

Me: Yeah?

Flats: No.

(My foot slams down in his face, and the beating resumes. When it ends, he is a groaning, battered wreck collapsed on the ground. It takes some seconds for him to form a coherent word.)

(My foot slams down in his face, and the beating resumes. When it ends, he is a groaning, battered wreck collapsed in the corner. It takes some seconds for him to form a coherent word.)

Flats: Mommy.

Horsea squirted ink at him

It got in his eyes.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Plus, we already know that lunatic had a hand in this one as well.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) Now, we're gonna make him lose it even more!

Lincoln formed a massive rainbow energy ball with water and ocean waves swirling around it and a water ball inside the energy ball.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) SEVEN SEAS MAELSTOM FURY!

Lincoln fired the massive rainbow energy ball with water and ocean waves swirling around it and a water ball energy ball and when it hit Flats the Flounder, he was drenched and hit hard by the waves and water blasts, and he was also bound in an indestructible rainbow energy straitjacket. Just then, the Bikini Bottom Police arrived and they loaded Flats up and took him away. We cheered as Lincoln, Ariel, and I holstered our weapons and powered down, and Ariel's new body, clothes, weapons, jewelry, Third Eye, longer mermaid tail, and massive red angel wings are permanent.

Ariel: And now, Flats is on his way to prison.

Lily Loud: I did a lot of digging around, and Flats has done a lot of trouble where he once lived, and I turned that in to the police. He's gonna have a very hard time in prison now.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window into the dark castle of Universe 666 Sebastian in Acme Acres, and we saw it for ourselves: Universe 666 Sebastian had gotten word of Rupert Thorne's arrest and imprisonment, and then! HE ABSOLUTELY LOST IT BIG TIME!

Universe 666 Sebastian: (DEMONIC ROAR) GODDAMN THEM! THEY RUIN EVERYTHING I THROW AT THEM! THEY'RE RUINING MY PLANS TO DESTROY ALL LIFE ON EARTH AND THE UNIVERSES BEYOND! DAMN THEM, FUCK THEM ALL!

Suddenly, we saw Universe 666 Sebastian take out a knife and he left slashes his own arms and on his hands, and he started writing messages full of extreme hatred towards us along with Satanic and demonic symbols on the walls of his castle in his own blood and the sound of his demonic and really completely deranged laughter echoed throughout his empty castle. When it was all done, his castle was covered all over in messages full of extreme hatred towards us along with Satanic and demonic symbols on the walls of his castle written in his own blood and the sound of his demonic and really completely deranged laughter echoed throughout Acme Acres. The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared and we were horrified.

Eli: HOLY SHIT! TELL ME WE DIDN'T JUST SEE THAT!

Me: We did, little bro, we absolutely did!

Lincoln: Now, that was just sick!

Nico: That was utterly disturbing, he's really really really gone absolutely bat-shit crazy!

Buster Bunny: I think many of us are gonna have nightmares for a month because of that.

Ace Bunny: Those nightmares are gonna end with us ending his miserable life once and for all after we deal with the Universe 666 versions of Raditz and Nappa.

Bugs Bunny: Eh, I'll take a wild guess and say that I'll be facing Universe 666 Nappa later on today.

Buster Bunny: Which means tomorrow, I'm going after Universe 666 Raditz tomorrow, and that means… !

Ace Bunny: I'm the one who's gonna face Universe 666 Sebastian the following day.

Lincoln: But, all of us are also joining you as well, Ace.

Tech E Coyote: He's right, it's going to be a full all-out battle to save mankind on Earth and all life in the universes beyond from that demonic twin of Sebastian.

Me: This'll be an epic battle to remember.

Nico: Yeah, he's going down!

Me: Big time.

Lola: Yeah.

Xenia: That was fun.

Horsea: It sure was!

Me: Yeah!

Bethany Burner: Yeah it was awesome!

Me: So Bethany how do you know Sento and Emu?

Bethany: Well I met Sento when he was battling the Smash's and I helped him and the Build team battle Evolt. I was infuriated that Evolt can cause SO MUCH damage to Japan.

Me: We gave the Evolt of the Prime universe the black gates. But it came with a terrible price.

Eli: Yeah.

Me: Soichi died after we removed Evolt from him.

Bethany: I know.

Nico: And how did you meet Emu?

Bethany: I met him and the Ex-Aid Riders while they were battling Bugsters themed for Dante's Inferno.

Me: Cool!

Emu: That was one of the Bugsters that was hidden from us.

Me: We actually know what that would was like.

Kopaka: It sure was awesome.

Pohatu: Both the Big Days for Build and Ex-Aid were really awesome.

Nico: They sure were.

Me: Yeah. Those were fun.

Nico: Yeah. Now for the next part of our adventure here. The Anothers.

Eli: Lets see who we have. (CONCENTRATES) WHOA! We have Another Grimace Shake, Monster Daffy Duck, Wood Carly Miller, Soot Jeff Miller, Blood Taylor, Radiation Anderson, Cyber Pablo, Bulldozer Org and Wrecking Crew.

Me: WHOA! Wait some of those we faced before.

Lola: Yeah. We faced Another Monster Daffy Duck and that was funny.

Nico: Who's up?

Me: Cillia Creamsoda, Saya Squid, Radioactive Man (The Simpsons, Cierra Chill, Natalia Nocturne, Tsukune and Genos.

Nico: Cool!

Radioactive Man: I'm ready for this guys.

Saya Squid: Same here.

Laney: This is gonna be funny.

Eli: And I sense that the Anothers minus the Wrecking Crew are one person.

Nico: There they are!

We saw Another Grimace Shake, Monster Daffy Duck, Wood Carly Miller, Soot Jeff Miller, Blood Taylor, Radiation Anderson, Cyber Pablo and Bulldozer Org!

Nico: WHOA!

Lola: This will be fun and cool.

Laney: Yeah!

Another Wood Carly: This will be awesome and cool.

Lincoln: (GASP) Andrea Andor! Wow!

They merged and she reverted back and was a girl with blue hair, blue eyes, had blue antennae on her head, blue angel wings, blue clothes and had the symbol of the Andorian Empire in the middle of her forehead and on her skirt and had a diamond keyblade.

Andrea Andor: Awesome to see you again Lincoln and wow! You grew into an awesome young man.

Lincoln: I sure have.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Andrea Andor, Keyblade Knight of Andor, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Andor, and she has intense ice powers and she's a master of ice. She is the Keyblade Knight of Andor, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of ice.

When he was done we were amazed.

Me: Wow! The Keyblade Knight of the planet Andor and the Andorians. That is cool.

Lola: And the Antennae are a giveaway which is really cool.

Andrea Andor: They sure are.

Me: Oh right. Is the Another Wrecking Crew friendly or hostile?

Andrea Andor: Friendly and you guys are gonna be amazed with her.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They both glowed and the Anothers were separated.

Me: Time for action.

Saya Squid: Like this! (Pulls out Eustace's mask) OOOGA BOOGA BOOGA!

Another Monster Daffy got scared bad and he screamed and then exploded!

We fired waves of energy and blasted the Anothers and I caught the Wonder Ride Books.

Me: Awesome!

Nico: Another one split into 4.

Me: Yeah no kidding. Totally unhealthy.

Lola: Yeah.

Nico: Brutal.

Laney: Yeah.

Nico: Be on the lookout for 4 figures.

Me: Right.

Qin: Yeah.

Horsea: Can I have some Krabby Patties, Maria?

Maria: Sure.

Maria gave Horsea some patties.

Nico: Aww.

Laney: Boy this was awesome too.

Horsea ate the Krabby Patties.

Horsea: Delicious.

Nico: Yeah.

Laney: This was a funny adventure though.

Nico: It's not over yet.

Me: Nope. And there they are!

We saw 4 figures and it was ANOTHER WRECKING CREW!

Me: Whoa.

Lola: This is gonna be rough.

Another Wrecker: (In a girls voice) Looks like you guys had a lot of fun.

Me: (GASP) That voice.

They merged and she reverted back and was a girl with green hair, green eyes, green clothes, green angel wings and had a tiara with the symbol of the Jungle dopant on it and the same symbol on her skirt and flower bracelets were on and she had a flower scythe.

Me: Janna Jungle! Awesome to see you.

Janna Jungle: You too J.D.

Me: Janna is the embodiment of the Jungle Dopant and she is known as the Wrecker of Poachers. She can pulverize them all over with the powers of plants and smash them with the powers of the Wrecking Crew.

Wrecker: Wow! That is cool.

Lana: Nice!

Kaito: (gets out King Ohger gear) Did Swartz promise you anything?

Zocks: (gets out King Ohger gear too) Because we can grant it instead

Kaito and Zocks got a King Ohger Sword.

Janna Jungle: No he hasn't. I used my powers to wrap him in poison ivy and made him itch and ran away.

Nico: Nice.

Lana: That is funny.

Lola: Yep.

Sougo: (gets out King Ohger Ridewatch) I hope you know the Wrecking Crew have the powers of gods.

Geiz: (gets out King Ohger Ridewatch too) Or at least their strength.

Sougo and Geiz both got KuwagataOhgerArmor.

Janna Jungle: Yeah they sure are awesome.

Nico: Yep.

Me: Yep.

Lincoln: Lets separate you first before we start.

Lincoln fired a wave of energy and separated her.

Janna Jungle: Awesome!

She bashed the Anothers all over with flower blades and blasted them.

Nico: (gets out Wrecking Crew's Ridewatch) Time to wreck shit up!

May: (Gets out Rocketear's Ridewatch) With speed and buttkicking!

Maria: (Gets out Horned Sharptooth's Ridewatch) And chomp and eat.

They activated Wrecking Crew, Bulldozer Org, Rocketear, Elaine Belloc, Horned Sharptooth and Stained Glass Scarlet's ridewatches and fired waves of energy and elements and smashed the Anothers.

Mia Addison: Time for some blue fire pain! (ACTIVATES BULLDOZER ORG'S RIDEWATCH)

She fired a wave of energy and blue fire and smashed the anothers.

Then Mumbo Jumbo, Sheep Mage, Evil Talking Cake, Momokase, Oxy Man and Kusuna came.

Nico: Nice team Mumbo!

Mumbo Jumbo: Thanks Nico!

But then a pie hit Nico in the face!

SPLAT!

Nico: HEY!

Then a figure swooped in and pulled Nico's pants down!

Nico: WHAT THE! OKAY WHO IS THE WISEASS!?

We saw a Clown Man!

Me: Clown Man! Funny!

Nico: PULL MY PANTS DOWN AND PIE ME WILL YOU!?

Clown Man: (LAUGHS) (IN A GIRLS VOICE) Sorry Nico.

Nico: Cindy Clown!? (LAUGHS) Our silly jokester!

She fired waves of pies and smashed the anothers and I caught their ridewatches and purified them.

Me: Awesome.

May: Oh, you're naked, aren't you?

Cindy Clown: I sure am.

Me: Oh boy.

I put on my blind man glasses.

Me: It's gonna hurt.

Cindy Clown: I know.

The boys covered their eyes.

Me: Here we go. (SNAPS FINGERS)

I snapped my fingers and she doubled over in pain and then she threw up and fired chocolate pies and they hit May and splattered her all over.

She reverted back and was a girl with magenta hair and had pink eyes and pink wings and had the kanji for Clown in the middle of her forehead.

Cindy Clown: (Groans) That hurt. (GASP) Oh my! Sorry May.

May: I THOUGHT I WAS IN THE CLEAR! But at least it's pies this time.

Cindy Clown: (Sees herself) GAH! I hate being a naked clown!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome new clothes and she looked awesome.

Cindy Clown: Wow! I look awesome.

Nico: That was funny.

Manaphy: (Slurps) Yummy! Mama got hit with chocolate pie.

Me: She sure did.

Nico: Nice! (Licks May) Yummy.

May: (LAUGHS)

Cindy Clown: (LAUGHS) That is cute.

Mia Addison: Yeah. What's your favorite memory of Nico?

Cindy Clown: When me and Nico were at a birthday party and it was fo one of the queen bee mean girls and it was so boring and then we decided to make it the worst ever for her. We pelted her with tomatoes and pies and cake and got her to reveal her true nature and how she hates her mother and father and wants to burn down the whole town and kill everyone. They arrested her and her mom and dad disowned her and sent her off to prison for a long time.

Nico: That bitch had it coming. Now she is the states problem.

Me: What was her name?

Cindy Clown: Her name wass Rachel Ferrington.

Nicole: WHOA! I've heard of her! She was a REALLY bad monster mean girl.

Nico: Yep she was a badass bitch.

Me: Good riddance. I hope she is miserable.

Nico: Yep.

Nico and Cindy hugged.

Nico: I've missed you.

Cindy Clown: Same here Nico.

KICK!

Nico: OW! HEY WHAT'S THE BIG IDEA!?

I pulled a Kick me sign off him.

Me: Sorry man you had this on you.

Nico: Kick me, I fart cheese logs. Cindy! (LAUGHS)

We laughed!

We went back home.

Then, Lincoln froze the Universe 666 Justice League with telekinesis and transformed the tips of his eleven massive and long white wolf tails into Cell's stingers, and one by one, he stabbed the stingers into the chests of the Universe 666 Justice League and he began absorbing them one by one and he assimilated their powers, and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger, and when Lincoln was done and the stingers changed back, all that was left of them were their clothes and he banished their drained souls to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: And with the Universe 666 Justice League destroyed, we've driven that lunatic even further into madness. (To The Layton Sisters) And it's so good to see you and your sisters again, Alice.

Alice Layton: (British Accent) You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Katrielle.

Katrielle Layton: You too, Alice.

Lincoln went up to The Layton Sisters and he hugged them, and The Layton Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you girls since you were seventeen, and as you can see, I really grew a lot since then.

Darla Layton: (British Accent) Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Jenny Layton: (British Accent) You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these seven girls?

Lincoln: Indeed I do, J.D., meet Alice Layton, the Rodimus Prime Gene-Slammer, Darla Layton, the Override Gene-Slammer, Jenny Layton, the Blurr Gene-Slammer, Lana Layton, the Crosshairs Gene-Slammer, Pearl Layton, the Drift Gene-Slammer, Rana Layton, the Hot Shot Gene-Slammer, and Tanya Layton, the Clocker Gene-Slammer A.K.A. The Layton Sisters, these seven girls are my Guardian Angels from England and classmates in Math, but they're also master puzzle solvers like their sister, Katrielle Layton, and they're easy to identify: Alice has green hair with matching clothing, Darla has red hair with matching clothing, Jenny has indigo hair with matching clothing, Lana has purple hair with matching clothing, Pearl has white hair with matching clothing, Rana has blue hair with matching clothing, and Tanya has yellow hair with matching clothing.

Michelle Emperyous: They, Katrielle, and Lincoln have solved even the most difficult puzzles ever made, and surprisingly, The Riddler wanted to test the Layton Sisters, Katrielle, and Lincoln regarding their puzzle solving and riddle solving abilities so he brought back the Riddle of the Minotaur at its best, and amazingly, Lincoln, Katrielle and the Layton Sisters solved the Riddle of the Minotaur and they did so honorably, so much so, The Riddler even admitted that they're quite capable riddle solvers. Lincoln made the Layton Sisters and Katrielle beautiful necklaces, and to show thanks, they each kissed Lincoln on the lips and Lincoln promised that when he comes of age, he will marry Katrielle and her sisters along with the rest of his harem, and they hate Flip with a blazing passion, the reason why is because he tried to steal the mechanics of The Riddle of The Minotaur, which The Riddler did not appreciate one bit, but before Flip could even try, Lincoln, Katrielle, and The Layton Sisters jumped him and beat the crap out of him.

Nico: And like what Lincoln told us, you all sued him to the tune of $500,000,000,000,000,000, which was added to the other forms of monetary compensation for his numerous scams in the past.

Alice Layton: (British Accent) That we did.

Me: And with Lincoln's Gessius Flores Vengeance Curse still on Flip, we're getting every last bit of the compensation Flip was owed for his scams in the past.

Lincoln: Yep, and once we got that out of the way by December, then I'll undo the curses I put on him and we're going to kill him for good, and now that you and your sisters are here, Alice.

Lincoln went up to and hugged each of The Layton Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Alice Layton: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, seven Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Layton Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Darla Layton: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Layton Sisters.

The Layton Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the six girls, and when Lincoln saw them, he immediately recognized them. The six girls are Mamiya, Tokiko, and Shiori from Chinetsu Karte: The Devilish Cherry, Rouge Redstar and Naomi Orthmann from Metallic Rouge, and Elise from Surgeon Elise.

Lincoln: Oh wow, it's Mamiya, Tokiko, and Shiori from Chinetsu Karte: The Devilish Cherry, Rouge Redstar and Naomi Orthmann from Metallic Rouge, and Elise from Surgeon Elise.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Mamiya: Yes, we're okay, thanks to you.

Then, when Mamiya and the other five girls saw who it was that saved them from the Universe 666 Justice League, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow

Mamiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Mamiya: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mamiya, Tokiko, Shiori, Rouge Redstar, Naomi Orthmann, and Elise with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were the Universe 666 versions of The Justice League, and it was all the doing of Universe 666 Sebastian who has since gone eternally mad thanks to us ruining all of his schemes to get rid of us and in the process, he'd murdered his followers, but only a few of them escaped his wrath.

But, when Lincoln showed what we did in beating them into the ground and then him using Cell's absorption and he absorbed all of them and assimilated all of their powers and banished them to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and the Layton Sisters have a lot of catching up to do, now that they're back in town.

Maria: I don't believe it. Not long after we'd stopped Flats, he'd gotten the Universe 666 Justice League involved in another scheme! He's crazy!

Lincoln: That's not even a word to describe him. He's already fallen down into the black depths of madness, but he'll be put down soon.

Me: And we'll be rid of him forever.

Nico: That monster's caused more than enough trouble to last an eternity, we'll get rid of him very soon.

---

After destroying the Universe 666 Justice League and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Layton Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Alice Layton: (British Accent) My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Darla Layton: (British Accent) He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Jenny Layton: (British Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Pearl Layton: (British Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Rana Layton: (British Accent) I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what memories did you have with Lincoln?

Alice Layton: (British Accent) We do, and of course, it involved an incident with Lisa, or as Luna calls her "The Monstrous Cold-Hearted Mad Scientist With A Black Heart of Evil", and it also involved his ability to absorb robots and other advanced technology and gadgets.

Me: Awesome!

Nico: And how did you get away with calling Lisa that, Luna?

Luna: It wasn't easy, dude.

The Layton Sisters played a video on the big screen and it shows Lincoln, Katrielle Layton, and The Layton Sisters at Lake Michigan: Lincoln was in his orange shorts and sandals and Lynn Minmay and her sisters were in their two-piece bikinis and sandals, and they were having fun swimming at the lake after putting a stop to Flip for trying to steal the mechanics of The Riddle of The Minotaur.

Past Alice Layton: (British Accent) This is really awesome, I love coming to Lake Michigan.

Past Lincoln: Same here, Alice.

Past Katrielle Layton: (British Accent) Plus, with all the work that he and all of you have been doing with cleaning up the lake and all the other lakes in Michigan, it's also a cleaner place for all marine life.

?: YOU WORTHLESS MINDLESS HAIRLESS APES! YOU WILL ALL PAY FOR RUINING MY EXPERIMENTS!

Suddenly, they heard a loud scream of vengeance in the air.

Past Lincoln: Oh great, there's no mistaking that scream of vengeance from anywhere. Get out here right now, Lisa, or else, I'll blast you out.

Suddenly, they saw Lisa come out, and she was really out for blood again, then, she charged like a mad bull and was about to attack Lincoln, but Lincoln punched her and sent her flying into a tree. She got back out, but she roared like a madman, now she was really extremely pissed off. Then, she had summoned an army of robots and she was cackling like a deranged madwoman.

Past Lincoln: You have caused us enough trouble to last an eternity, Lisa. Now, I'm going to put you right back in your place, you heartless good-for-nothing so-called "prodigy"!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Lisa screamed in rage and ordered her robots to kill him and the Layton Sisters, but Lincoln grabbed one of the robots, and we saw it glowing with cyan blue energy and he absorbed it into his body, and he did the same to the other robots as he absorbed all of them into his body. Lisa screamed in pure rage again and she went at Lincoln, but he reared his left fist back, and he landed a mean uppercut to Lisa's stomach knocking the wind out of her, and then, he unleashed a massive storm of slashes from his massive greatsword and they slashed off Lisa's clothes leaving her in her undergarments and Lincoln fired water blasts at Lisa. Then, Lincoln reared his left fist back and gave Lisa a nasty punch to the face that sent her flying back to The Loud House and she was thrown in her cage again.

Past Lincoln: When the rest of the family hears of this, they're really going to give Lisa hell.

Past Alice Layton: (British Accent) That's an understatement. But, that was truly amazing, what we saw just now, you absorbed all of Lisa's robots by grabbing them, that's really awesome.

And as Lincoln rejoined Katrielle Layton and her sisters, he gave them each a kiss on the lips as the video ended.

Nico: Sheesh, Lisa, you really didn't know when to quit!

Me: When Lincoln told us about what Lisa tried to do again, we were so extremely pissed off beyond imagination.

Luna: You got that right, and unfortunately, that's when I flipped out and called her a "Monstrous Cold-Hearted Mad Scientist With A Black Heart of Evil"

Lincoln: That set Lisa off big time, but before she could attack Luna, I grabbed her by the waist with one of my eleven massive and long white tails and restricted her.

Nico: Sheesh.

Katrielle Layton: (British Accent) It almost got ugly. Lisa had some goddamn nerve to show up and ruin everything because she still wanted to kill Lincoln again! After what that mad scientist has done to Lincoln in the past, I wanted to punch Lisa in the face, but Lincoln sent her flying with one punch, but when she got out again and got her army of robots here, that's when Lincoln got serious.

Alice Layton: (British Accent) She had it coming. But, Lisa's been freed from her Dark Side forever and she's finally back to who she was.

Me: That was because of Chase Young's Dark Side, he really is nothing more than the embodiment of evil.

Lincoln: You got that right, he was a monster who enjoyed causing pain and suffering to so many.

We got a shower afterwards, and then, Lincoln, Aria the Automaton, Gina the Gargoyle, Gaia the Golem, Susan the Skeleton, and Simulator Karmi are heading to Gelato Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Aria the Automaton, Gina the Gargoyle, Gaia the Golem, Susan the Skeleton, and Simulator Karmi are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Aria the Automaton, Gina the Gargoyle, Gaia the Golem, Susan the Skeleton, and Simulator Karmi all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Gaia the Golem: Wow, so, this is Gelato Beach, it sure is beautiful.

Lincoln: It sure is, Gaia, and it's perfect for our first date. Shall we?

Lincoln, Aria the Automaton, Gina the Gargoyle, Gaia the Golem, Susan the Skeleton, and Simulator Karmi dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Aria the Automaton, Gina the Gargoyle, Gaia the Golem, Susan the Skeleton, and Simulator Karmi got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Aria the Automaton, Gina the Gargoyle, Gaia the Golem, Susan the Skeleton, and Simulator Karmi and they hugged the girls in their abnormally massive and powerful muscular arms, and Aria the Automaton, Gina the Gargoyle, Gaia the Golem, Susan the Skeleton, and Simulator Karmi placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aria the Automaton, Gina the Gargoyle, Gaia the Golem, Susan the Skeleton, and Simulator Karmi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Aria the Automaton, Gina the Gargoyle, Gaia the Golem, Susan the Skeleton, and Simulator Karmi are in your harem, Linky.

Yamiga: When we introduced Aria, Gina, Gaia, and Susan to Lincoln, they fell head over heels with him, and of course, like with many of our friends, it ended with an intense lovemaking fest.

Gina the Gargoyle: And Lincoln even turned into Lincoln the Nocturnal and went wild with us.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Aria the Automaton, Gina the Gargoyle, Gaia the Golem, Susan the Skeleton, and Simulator Karmi, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder

me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Another awesome Super Mario Galaxy 2 adventure.

Nico: Next is Sweet Mystery Galaxy

Me: OHH! That one was sweet.

Nico: Yep.

Lok: Me and Yusei will go.

Nico: Okay then.

They went into the simulator and it activated and they were in Sweet Mystery Galaxy!

Lok: Wow! What a galaxy.

Nico: Any tips, Nicole?

Nicole: (On the radio) Well the only thing you have to do here is to open that big present there. See it?

They saw it.

Yusei: We see it.

Lok: Wow! That's big.

Nicole: You just have to press those 4 buttons to open it.

Nico: I see them.

Lok: Nice.

Nico: Might as well eat some sweets first.

Lok: Yeah.

?: We'll help you guys too!

Two figures came. 1 girl with purple hair, purple eyes, purple clothes and dark purple demon angel wings and a tiara with the symbol of the Bograth Moonland on it and the same symbol on her skirt and she had a death scythe. The second girl had blue hair and blue eyes and blue angel wings and black clothes and had a tiara with the symbol of Bubble Man on it and the same symbol on her skirt.

Becca Bograth: Becca Bograth, Embodiment of the Moonland of Bograth.

Bianca Bubbles: Bianca Bubbles, Embodiment of Bubble Man.

Irma: Wow! Bianca!

Musa: Wow! Awesome!

Bianca Bubbles: Wow! Irma and Musa! It's awesome to hear your voices again. I heard how you guys beat Nerissa back in 2018! That was awesome!

Irma: It sure was!

Nico ate some sweets. They were tasty.

Nico: Yummy.

Lok: Nico gather many sweets for everyone. We got work to do.

Nico: Right.

Nico zoomed fast and gathered them for us.

Yusei: Let's get going.

They were off.

They went to the buttons and pressed them and then the present opened up. They saw the star at the top.

Nico: There's the star. But there are LOTS of Goombas.

Lok: Lets get them!

Yusei: I summon Stardust Dragon!

He summoned Stardust Dragon!

Nico: (gets out Wrecking Crew and Dark Turtles' Ridewatches) I'm gonna wreck it!

Nico activated them and smashed the Goombas.

Yusei and Stardust Dragon fired waves of stars.

Becca and Bianca fired waves of swamp darkness and bubbles.

Lok fired a lightning blast.

The blasts all hit the Goombas and blasted them all over.

They went for the star.

YOU GOT A STAR!

Nico: OH YEAH!

Becca Bograth: That was fun!

They high five.

Nico: How did you meet Musa and Irma?

Becca: I met Irma when I was helping her with decorating for the concert they were going to put on for Matt and we became close. She even showed me her awesome water powers that she got. Also I showed her my water powers too. We both have powers over water. Also I met Musa when she was working on a song and I helped her battle the Trix. I kicked Icy in her face and knocked out some of her teeth.

Nico: WHOA! You really left your mark on her.

Me: That explains why I saw some teeth missing from her a while back.

Nico: Yeah. Would you like to join the team?

Becca Bograth: We would be honored.

They left and we cheered wildly for them.

Me, Melody Meteor and the mascots were walking through a deserted part of the city that looked run down, empty and ruined.

Me: Wow! This whole part of the city is dead.

Melody Meteor: Boy it's really abandoned.

Poromon: It's scary.

Me: Yeah.

We looked around.

Melody Meteor: Where is everybody?

Me: I don't know.

The team came.

Natasha Hernandez: Why are we out here?

Me: There have been sightings of Gollum in this area.

Nico: Gollum!? Are you sure?

Me: Positive.

Eli: He's right! I sense him.

Nicole Hernandez: But where is he?

Me: With the way he moves he could be anywhere.

Marie Hernandez: Hmm.

We looked around.

We then saw something.

Marie Hernandez: Is that him?!

Me: It is him!

I fired a wave of fire and blasted him in a powerful explosion!

KRABBBBBBBOOOOOOOOOOOOOOOOMMMMMM!

He was blasted down.

Then he came right at us roaring in fury!

Melody kicked Gollum in his face.

Melody Meteor: You are a monkey sucking sack of puke! All this for a stupid ring!

Blossom Z: Cadance, I'll never regret meeting you

Cadance: Me neither Blossom! That was so fun.

Bubbles Z: It sure was. And it was cool.

Cadance: So many familiar enemies we faced from you guys too.

Blossom Z: Yeah no kidding. That was fun.

POW! BAM! BIFF!

Melody Meteor punched Gollum all over!

Gollum: (SPITS) NO ONE CALLS PRECIOUS STUPID! MY LOVE! MY PRECIOUS!

KROW!

She kicked him!

Fiona Hernandez: (to the mascots) Get him, guys!

Mascots: CUTIE DESTROYER!

They went at him and bashed and pulverized Gollum all over!

Nico: Geez! How pathetic! All this for a ring.

Blossom Z: I especially loved meeting my Prime self.

Cadance: That was so fun.

Twilight Sparkle: It sure was. And like how we helped in the prime universe we gave Fuzzy Lumpkins friendship and love.

Cadance: We sure did. And Princess Morbucks that you know is nicer and friendlier.

Buttercup Z: She sure is.

G1 Breakdown: Teach that hooligan a lesson!

POW BLAM SMASH WHAM!

The Mascots really pulverized him!

KROW!

Nico saw him flying towards him and punched Gollum in the face and smashed him down.

Nico: Take that!

I kicked Gollum in the face and sent him crashing into a fire hydrant!

Blossom Z: Of course, our Fuzz went crazy when he saw his vandalized house

Cadance: Because of Josee and Jacques.

Buttercup: Yeah. Also the battle with the Rowdyruff Boys got RUDELY Interrupted.

Camie: It sure did.

Sunset Shimmer: Yeah that was rude.

Cadance: It sure was.

Mirage: (to the mascots) Now finish him off!

Poromon: Lets get him!

Mascots: CUTIE DEATH RAY BLAST!

They fired a massive blast of energy and it hit Gollum and completely obliterated him in an instant in a massive and powerful explosion!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

HE WAS DEAD!

Me: WHOA!

Nico, May and Maria's jaws dropped!

CLANG CLANG CLANG!

Blossom Z: Those Juto things were scary though!

Cadance: They were!

Taro: But I warned them that there would be no mercy next time.

Laney: No kidding.

I put their jaws back.

Nico: Where did you guys learn that move?!

Poromon: Lincoln's guardian angels taught it to us.

Anna Anyanova: Yeah we taught them many unity moves.

Lola: That is cool!

Varie: Wow!

Camie: That is awesome!Shockwave: You 4 should be proud of yourselves.

Me: The 7 of them should be proud of themselves actually.

Qin: Yeah.

Shockwave: Right sorry. But that was fun.

Deadpool: Yeah it was! (To the viewers) And brace yourselves guys! Power Rangers Cosmic Fury comes out this Friday on September 29th.

WE GASPED!

Me: Cool!

Jamesdean5842: He's right. I just got the memo and it's awesome. Lord Zedd's days are soon numbered.

Nico: Awesome!

Me: Yeah!

Nico: Guys, I've decided. On November, we go after Lord Zedd and his goons.

Me: Yeah! Get ready Lord Zedd, we're coming for you and you will pay.

Nico: Yeah. And this time there will be no mercy.

Laney: Yeah!

Tommy Oliver: He has had this coming for over 25 years.

Me: Yep.

Nico: I still have to decide when in November. But it's going to involve 12 days.

Me: Looking forward to it.

We went back home.

Laney: Boy that was awesome!

Camie: It sure was!

Lana: Now we've seen the of Gollum.

Poromon: Thanks to us!

Me: Yep!

Nicole Hernandez: That was so fun.

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than The One, the entity of Sha-Ka-Ree claiming to be "God", but is actually a primordial malevolent eldritch being, and he's planning on escaping his prison and causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than The One, the entity of Sha-Ka-Ree claiming to be "God", but is actually a primordial malevolent eldritch being, and he's planning on escaping his prison and causing havoc.

We gasped.

Me: Oh man, we need to get to The Enterprise and warn the crew at once.

Nico: Exactly what I was about to say. That eldritch being is going to be destroyed here and now!

Lincoln: Without a second thought.

Me: You got that right!

Camie: Who is The One?

Me: A malevolent monster that Spock's brother Sybok found.

I went over his history.

---

"God", also known as The One, is the main antagonist in Star Trek V: The Final Frontier. This entity claimed to be "God", but was actually a primordial malevolent eldritch being.

He was played by the late George Murdock, who also voiced Boss Biggis in Batman: The Animated Series.

The One claimed to be the source of monotheism on a number of planets across the galaxy. It was an immensely powerful eldritch entity. Approximately one million years ago after Q brought the being 0 into the universe through the Guardian of Forever. With Q's help 0 brought The One into the universe as well along with the Beta XII-A entity (also known as *) and Gorgan. The young Q thought the group was going to have some fun but he was totally unaware of how evil they all were.

After the group wrecked chaos across the galaxy including destroying the ancient Tkon Empire the rest of the Q Continuum attempted to arrest them. After a prolonged battle across time and space four Q working together were able to destroy The One's body by sheer will leaving only the head. For The One's many crimes he was imprisoned at the center of the galaxy until he either repented or the heat death of the universe, whichever came first. The Q built the Great Barrier around a star system at the center of the galaxy and imprisoned The One there. 0 meanwhile was banished to the space between galaxies, and the Galactic Barrier was built around the galaxy to keep him out of the galaxy.

Some Vulcans learned of The One and the planet, which they called Sha Ka Reem at the center of the galaxy beyond the Great Barrier where The One was held. In the 23rd century the Vulcan Master T'Rea taught her son Sybok about God and Sha Ka Ree. After her death Sybok went to live with his father Sarek and his wife Amanda along with his half-brother Spock. When Sybok broke in to the Hall of Ancient Thought to meld with his mother's katra he was banished from Vulcan. In the years that followed Sybok continued his studies. Using brainwashing Sybok was able to amass a large number of followers and commandeered the USS Enterprise-A in 2287 to go to Sha Ka Ree. Penetrating the barrier the Enterprise crew discovered the planet that Sybok believed to be Sha Ka Ree.

Sybok along with Kirk, Spock, and McCoy transported down to the planet. The Entity on the planet claimed to be the idea of God found on Earth and a number of alien worlds. He demanded the Enterprise be brought closer so he could escape. The others were lost in amazement over what they were seeing, however Kirk maintained the presence of mind to wonder why God would need a starship. When Kirk asked God why he needed a starship the entity struck him with bolts from his eyes, to the horror of the Enterprise crew and the others on the surface. The One then attacked Spock when Spock also asked what God needed with a starship. McCoy was next in line when he said that he'd doubt any God who inflicted pain for its own pleasure, however Sybok intervened.

When Sybok said that the God of Sha Ka Ree would not do this The One responded that Sha Ka Ree was a vision Sybok created. He then revealed to Sybok that he was not the benevolent God Sybok was searching for. Sybok wrestled with The One to buy Kirk and the others time to escape. The Enterprise fired a torpedo which disabled

The One for a few moments, giving Kirk, Spock, and McCoy time to run back to the shuttle. The One pursued Kirk, Spock, and McCoy to kill them. Kirk had Scott beam Spock and McCoy back to the Enterprise. The One chased Kirk up a cliff where he was about to kill Kirk. However Kirk was saved when Spock used a the weapons of a Klingon Bird of Prey against The One, injuring the being and driving him off.

After 0 was able to return to the galaxy in 2374 he was able to briefly take control of the Enterprise-E. 0 stated that he had prisoners to free, meaning The One. Fortunately Q and the Calamarain put their differences aside and worked together to defeat 0 long before that happened, banishing him from the galaxy once again.

---

When I was done everyone was shocked and HORRIFIED!

Nico: WHOA MAN!

Lola: That is awful!

Nico: He fucking played Sybok for a fool!

Me: You got that right! And I'm going to show that monster what a TRUE God can do! I have a plan for this.

I gathered everyone. My plan was to trap the One in the body of a clone of Sybok that he turns into and battle him in the ultimate fight to the death.

Nico: Good plan.

Me: Thanks. This will be good.

The previous group came.

Cavalier: May me, INSTIGATOR, Puff, King Shark, Key, Evil Star, Villamax, Springfield Bullies, Toad, and Pete go with you all.

Kearney: (to the mascots) Good job taking out Gollum.

Mascots: Thanks!

Nico: And yes you can come with. We got a huge emergency.

Nico told them everything and it was crazy!

Puff: (GASP) Whoa man! I remember that movie of Star Trek! That was crazy!

Key: It sure was!

Nico: Yep.

Burner Man: Nico, which Gene Slammer of me and my Fellow Robot Masters do you think you'll meet next?

Dolph: Are you glad to meet your Embodiment?

Nico: Yes I am and also I'm hoping to meet a gene-slammer for Tengu Man next.

Qin: Cool!

Varie: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figures were in the vision: the figure was none other than Universe 666 Cell, one of the survivors and he's here to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figures were none other than Universe 666 Nappa, one of the survivors of Universe 666 Sebastian's massacre, and he's come here to kill us.

We gasped.

Buster Bunny: So, that brick-headed meathead has finally shown up, has he?

Sebastian Mendez: Buster, he's not the prime universe version of Nappa.

Nico: Forget it, Sebastian. Buster hated him and Raditz as much as I did for what they did in serving Frieza. But, like I said, we're recruiting those two into The Masters of Evil because they are still part of my kind and they deserve a second chance. But, I'm not so sure of the others.

Just then, Good Luthor teleported inside.

Good Luthor: And I'm afraid you're right about that, Nico. (Sighs) I'm afraid there's something else I should tell you about the Universe 666 versions of Broly, King Cold, Cui, Frieza, The Ginyu Force, Dr. Gero, and Cell. They were the ones who betrayed the other Universe 666 versions of The Z-Fighters' foes and they sided with Universe 666 Sebastian through him firing blasts of poisonous darkness at them.

We gasped.

Me: They what?!

Nico: Oh man! So, now we know even more of how they'd died at Universe 666 Sebastian's hands: it was through infecting them with poisonous darkness that this happened, and instead of rewards, he flat out betrayed and murdered them in cold blood, and then, he brought them all back and put them under his control.

Lincoln: And with what we did in freeing the Universe 666 versions of Broly, King Cold, Cui, Frieza, The Ginyu Force, Dr. Gero, and Cell from his control thanks to Buster's technique and foiling all of his murderous schemes, it drove him into madness and he slaughtered the remaining Universe 666 Z-Fighters' foes while Universe 666 Perfect Cell, Universe 666 Raditz, and Universe 666 Nappa escaped the slaughter.

Bugs Bunny: Well, I think we should deal another crippling blow to that crazy idiot, Doc.

Lincoln: Yeah, by freeing Universe 666 Nappa, and to do so, we just need to make him rip-snorting mad.

Buster Bunny: But, not too mad, remember: he still has Universe 666 Sebastian's poisonous darkness in him.

Me: Yeah.

Nico: But, once you guys wear him down, all you got to do is use your technique to purify him for good, Buster. Alright, gang, let's deploy The U.S.S. Valorous Phoenix and head to The Enterprise and destroy The One.

Lincoln: That malevolent eldritch deity's last chance for freedom ends here and now, we'll destroy him once and for all, and once we do just that, you're next, Universe 666 Nappa.

Bugs Bunny: Alright, you better be ready for a beating, you big palooka!

Buster Bunny: This won't be like outsmarting your old foes who have Tapioca pudding for brains, Bugs, we already learned that when we fought Dodoria last year. But, this should be good in seeing you drive Universe 666 Nappa so mad, he'll absolutely make himself wide open.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to The U.S.S. Valorous Phoenix and head to The Enterprise and destroy The One, the entity of Sha-Ka-Ree claiming to be "God", but is actually a primordial malevolent eldritch being, and once we do just that, Bugs Bunny and Lincoln are going to take down Universe 666 Nappa and free him from Universe 666 Sebastian's control.

We were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,004.5: The U.S.S. Valorous Phoenix is en route to the meet up with the Enterprise to accompany them to Sha Ka Ree at the Center of the Galaxy and we're going there to destroy The One, a Malevolent Entity that is pretending to be God. This is gonna be an explosive battle.

INSTIGATOR: I hope Spock's okay.

Me: Me too.

Qin: Yeah.

Nico: Yeah but this will be intense.

Buzzerbeak squawked.

Nico: I know Buzzerbeak.

Lisa Loud: Enterprise ahead.

Nico: Yep. Lola open channels. Hailing frequencies.

Lola: Aye sir.

The ship contacted the Enterprise.

Nico: U.S.S. Valorous Phoenix to Enterprise.

Kirk: U.S.S. Valorous Phoenix good to see you. We could use your help.

Nico: We'll gladly assist you.

Kirk: Permission to have all of us come aboard?

Nico: Granted.

We had them dock with us.

Key: Are you guys okay?!

Kirk: (sarcastically) Good to see you all too.

Me: I take that things are not good?

Kirk: Yeah.

We saw Spock's brother Sybok.

Me: Sybok of the Vulcan .

Sybok gave me the salute too.

Sybok: Live long and prosper J.D.

Viceroy: We know what's going on here.

Sybok: How so.

Me: The God of Sha Ka Ree is not who you think he is.

Sybok: What do you mean?

Me: It's a really dangerous malevolent entity.

Villamax: We have proof!

Lincoln: Look into my eyes.

Lincoln's eyes glowed and showed him the truth.

When he was done Sybok broke down in shock!

Spock: Sybok?

Me: He knows the truth Spock.

Hunch: You going to be okay?

Me: He's shocked about the truth. Everything he thought about Sha-Ka-Ree was a lie.

Nico: That's why we're going there. To destroy this false god.

Me: He is going to face the ultimate wrath of a true god, Me.

Toad: But is he gonna be okay now?

Sybok: I'm okay now. I'm okay. I'm sorry I dragged you all into this.

Me: It's not your fault Sybok.

Spock: But you can still lead us there.

Sybok: I'll do it.

Nico: Okay.

We went to the bridge and we were off to Sha Ka Ree. It was located at the very center of the galaxy.

We were heading there fast.

Ren Krawler: This might take a while.

Linehalt: Anyone have a light sword?

Me: All of us do.

Qin: Yeah.

Nico: Yep.

We then got to the Galactic Center and saw a MASSIVE ELECTRICAL SPACE STORM ahead.

Eli: Whoa!

Xenia: Look at that!

THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP THUNDERCLAP!

Qin: Whoa!

Lola: Wow!

Nico: Full ahead!

Lana: Aye sir!

We went through the storm and it was really a massive barrier.

Pete: This is a rough storm!

Me: This is not a storm. This is a cosmic barrier. It was put up to stop the One from escaping and prevent anyone from getting in.

Nico: Yeah.

We got through the barrier and we then saw a glowing planet and it was the false Sha-Ka-Ree!

Me: There it is.

Nico: Is that it?

Eli: Oh yeah. Sha-Ka-Ree. A phony one. But The One is definintely there.

Acid Storm: It might be waiting for us.

Me: I have a feeling it is. Just remember our plan.

Nico: Right.

We landed on the planet.

We saw that it was a mountain world.

Me: Amazing.

KIRK: It's amazing!

SPOCK: The land.

McCOY: The sky.

SYBOK: Just as I knew it would be. We have travelled far… by starship.

KIRK: Enterprise, this is Kirk.… We have…

SPOCK: Sybok.… Perhaps… (the ground begins to shake, the skies darken and great rock columns shoot from the ground forming a temple.)

Eli: That's the temple. He's there.

Me: Stand by guys. Stand by.

Nico: Right.

We hid.

(The four move into the temple and a blue luminescence shoots from the ground and into space)

GOD (OC): Brave souls. Welcome.

McCOY: Is this the voice of God?

GOD (OC): One voice, many faces.

We saw him take on many faces and then we saw him take on the face of how God looked according to Michaelangelo.

GOD: Does this better suit your expectations?

Sybok went over.

SYBOK: Qual se tu?

GOD: It is I.… The journey you took to reach me could not have been an easy one.

SYBOK: It was not. The Barrier stood between us… but we breached it.

GOD: Magnificent. You are the first to find me.

SYBOK: We sought only your infinite wisdom.

GOD: And how did you breach the Barrier?

SYBOK: With a starship!

GOD: This starship.… Could it carry my wisdom beyond the Barrier?

SYBOK: It could. Yes!

GOD: Then I shall make use of this starship.

SYBOK: It will be your chariot!

KIRK: Excuse me.

GOD: It will carry my power to every corner of creation.

KIRK: Excuse me.… I'd just like to ask a question.… What does God need with a starship?

GOD: Bring the ship closer.

KIRK: I said…'What does God need with a starship?'

McCOY: Jim, what are you doing?

KIRK: I'm asking a question.

GOD: Who is this creature?

KIRK: Who am I? Don't you know? Aren't you God?

SYBOK: He… has his doubts.

GOD: You doubt me?

KIRK: I seek proof.

McCOY: Jim, you don't ask the Almighty for his I.D.

GOD: Then here is the proof you seek. (blue light rays shoot from God's eyes knocking Kirk backwards)

KIRK: Why is God angry?

SYBOK: Why? Why have you done this to my friend?

GOD: He doubts me.

SPOCK: You have not answered his question. What does God need with a starship? (blue light rays shoot from God's eyes again knocking Spock backwards)

GOD: Do you doubt me?

McCOY: I doubt any God who inflicts pain for his own pleasure.

SYBOK: Stop! The God of Sha Ka Ree would not do this!

GOD: Sha Ka Ree? A vision you created. An eternity I've been imprisoned in this place! The ship! I must have the ship! Now… give me what I want!

SPOCK: Sybok,… this is not the God of Sha Ka Ree,… or any other God!

SYBOK: I don't understand… Reveal yourself to me! (an image of Sybok strides out of one of God's eyes)

SYBOK/GOD: What's wrong? Don't you like this face? I have so many but this one suits you best.

WE WERE AMAZED AND SHOCKED!

SYBOK: No! No,… it's not possible.

GOD: Bring me the ship or I will destroy you!

SYBOK: The ship.

GOD: Bring it closer so that I might join with it. Do it or watch these puny beings… die horribly.

Lincoln: HOLY ELEMENT STYLE: LIGHT SWORD!

Entrapta: HOLY LIGHTNING STYLE: THUNDER HOLY SWORD!

Perfuman: HOLY NATURE STYLE: SHINING SUNFLOWER BLAST!

Frosta: HOLY ICE STYLE: ICE LIGHT BLADE!

They fired waves of energy and they formed into said powers.

Lincoln and his harem: HOLY FINAL SMASH: HOLY SHINING LASER!

They fired a massive holy laser and the blasts all hit The One and exploded with incredible power!

Lincoln: Your days of causing mayhem throughout the galaxy are over.

Lincoln's four large golden rings orbiting around the large gold halo behind his head glowed and they fired red energy absorption blasts that hit The One, and he began sucking out and absorbing The One's Electrokinesis, Near Omnipotence, and Immortality and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white wolf tails with rainbow tips and rainbow markings.

Then, when Lincoln was done, The One was weakened to an extreme degree, and we fired massive black energy blasts that destroyed it and sent him to The Black Gates and we headed back home and we landed The U.S.S. Valorous Phoenix in the hanger, and we disembarked in the park.

Nico: That evil entity has failed this entire world, may he never ever come back.

Me: We made sure of that.

Lincoln: And I also made his powers my own. That's another of the Star Trek villains taken down, and now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.?: YOU WILL ALL PAY FOR WHAT YOU'VE DONE IN ANGERING THE MASTER!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of energy blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking that energy signal from anywhere.

Lincoln: Not at all. Come on out, Universe 666 Nappa, or else, we will force you out!

A figure came out, and it was none other than Universe 666 Nappa, and like with the others, his eyes were completely red and he had a black and purple aura surrounding him.

Nico: So, Universe 666 Nappa has arrived.

Buster Bunny: We got to stop him and free him from that leech's control.

Suddenly, Bugs Bunny's blue eyes turned neon blue and he was surrounded by an orange and grey energy aura with stars, carrots, fire, explosives, rabbits, phoenixes, and angels, he unholstered his massive Bugs Bunny's Explosive Firestorm Broadsword of Explosive Comedic Justice from his back and as he approached Universe 666 Nappa, he left orange and grey energy, stars, carrots, fire, explosives, rabbits, phoenixes, and angels with every step.

Bugs Bunny: Even if you're just a counterpart of the one we despise, you're still getting a major-league beatdown for serving that deranged lunatic right before Buster frees you from his influence.

Suddenly, Bugs Bunny was surrounded by a massive vortex of orange and grey energy with stars, carrots, fire, and explosives surrounding the vortex, there are rabbits, phoenixes, and angels flying around the vortex, and in the vortex is a grey phoenix with blue eyes gazing at Universe 666 Nappa: the eyes of salvation. Then, as the vortex faded, Bugs Bunny emerged, but he was changed forever.

Bugs Bunny grew from 7'5" to 8'5" in height, his abnormally massive and powerful upper and lower body muscles grew even bigger and he still retained his eight-pack abs, he now has large gold metal bracers on his massive biceps and thighs, and he now has eleven large grey orbs orbiting around his legs, he has orange highlights in the bangs of his full head of long wild grey hair going down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he has neon blue eyes and an orange and grey energy aura with stars, carrots, explosives, fire, rabbits, phoenixes, and angels surrounding him and he has an immense rainbow protective aura with elements swirling around it, he has a rabbit with a bomb in its paws emblazoned on his forehead and Third Eye with blue iris, he has on his Crystal Necklace of The Buddha with orange gems on the gold flame-shaped links and orange crystal links and an orange rabbit-shaped Element of Harmony and on the bottom of the orange rabbit-shaped Element of Harmony is a rabbit with yellow gems for eyes and the Fire and

Eternity Kanjis in its paws for the pendant on his bare chest, he has on a pair of black pants with carrots and flames on the legs, black knee-high boots with flame buckles, and tattooed on his now wider and more muscular back is a phoenix, rabbit, and angel and on top is the Warner Bros. logo with fire, bombs, and explosives surrounding them. Suddenly, Bugs Bunny felt a sharp pain on his now wider and more muscular back, and then, his massive grey angel wings with orange tips on the grey feathers and his cotton tail grew much bigger for his new body. Bugs Bunny has on a Ring of The Phoenix with orange gem and heart-shaped gem embedded in it on his right ring finger and White Lantern Ring on his left ring finger.

Suddenly, Bugs Bunny's massive Bugs Bunny's Explosive Firestorm Broadsword of Explosive Comedic Justice and all the greatswords and swords he has began merging together and were surrounded by a kaleidoscope of orange and grey energy, stars, carrots, explosives, fire, rabbits, phoenixes, and angels, and when it emerged, it was transformed into Bugs Bunny's Eternal Legendary Looney Tunes Comedic Explosive Firestorm Rabbit Angel Greatsword of Eternal Legendary Looney Tunes Comedic Explosive Firestorm Rabbit Angel Justice, it's a brand-new massive greatsword with embedded orange gems and the silhouette of Bugs Bunny etched on the 7'9" massive, wide, double-edged gold blade, large gold-colored rabbit heads for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in the foreheads, longer midnight black handle, four large gold-plated rabbit heads with orange gems for eyes and in their open mouths and on the bottom of the rabbit heads is a large gold rabbit head with orange gems for eyes and orange gem in its mouth for the pommel, he has on his new large gold Bracers of The Champions of The Universe with large orange gems on his wrists and Dragon Ball Bracelet on his left gold Bracer, large gold Belt of Elemental Bravery with a gold rabbit head with orange gems for eyes and large orange gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's an orange kanji below the Warner Bros. logo that said, "Bugs Bunny, Star of The Legendary Looney Tunes, Wisecracking Rabbit and Outsmarter of Bad Guys, Ancestor of Ace Bunny, Mentor of Bugs Bunny, Teacher and Principal of Acme Looniversity, Master of Toon Physics, Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of and Master of Fire, Explosives, Rabbits, and Angels"

We were amazed by Bugs Bunny's Super Angel-Looney Tunes Rabbit-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Universe 666 Nappa saw it, he immediately fired energy blasts at him, but Bugs Bunny fired a massive barrage of orange and grey energy, stars, carrots, explosives, fire, rabbits, phoenixes, and angels which hit Universe 666 Nappa and they exploded, he got back up, but now, he was enraged.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Bugs Bunny did.

Buster Bunny: Nice! He got him, but now, things are about to get ugly!

Bugs Bunny: (Divine Echoing Godly Voice of The Divine Eternal Comedic Legendary Looney Tunes Wisecracking Firestorm Rabbit Phoenix Angel and Divine Eternal Comedic Legendary Looney Tunes Wisecracking Firestorm Rabbit Phoenix Angel Life) That they are, Buster. (SNAPS FINGERS) (Speaking In Enochian) ARGEDCO!

A purple Umbra Witch portal appeared on the ground and white Wicked Weaves manifested, and then, we saw Labolas appear and it was ready for the hunt

Lincoln and Bugs Bunny went after Universe 666 Nappa, and they fired extremely powerful blasts of orange and grey energy, stars, carrots, fire, explosives, bombs, rabbits, phoenixes, angels, rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Nappa, and they exploded with incredible power as they hit him.

Then, they attacked him with slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and he and Bugs Bunny attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and Bugs Bunny and Lincoln even threw bombs at him.

Buster Bunny: Bugs and Lincoln are literally tearing him to shreds.

Ace Bunny: I knew it was gonna get ugly.

Then, Bugs Bunny and Lincoln got back as Labolas went at Universe 666 Nappa and he maimed him and he fired ice breath at him which froze him in a block of ice. Labolas was dispatched as Bugs Bunny threw another bomb which exploded and freed Universe 666 Nappa, but he got knocked him out cold as he was way too dizzy, and then, he was bound with chains of light fired by Lincoln with a swing of his massive greatsword.

Buster Bunny: Here goes. PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Nappa and removed every trace of the poisonous darkness that infected him, and he was restored and sent to Good Luthor. We all cheered wildly as Lincoln and Bugs Bunny holstered their massive greatswords on their backs and powered down, and Bugs Bunny's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive grey angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's another freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more, and Good Luthor will be keeping an eye on them and the others.

Me: Yeah, and now that Universe 666 Sebastian has finally gone off his rocker and gone mad, it won't be long before we finally kill him. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a couple of smoking hot ones: Alicia Harvey, the Sentinel Prime Gene-Slammer, Belle Harvey, the Brawn Gene-Slammer, Daria Harvey, the Hound Gene-Slammer, Emily Harvey, the Warpath Gene-Slammer, Georgina Harvey, the Landmine Gene-Slammer, Harriet Harvey, the Gears Gene-Slammer, Iona Harvey, the Trailbreaker Gene-Slammer, Kitty Harvey, the Clobber Gene-Slammer, and Layla Harvey the Quickmix Gene-Slammer.

Claire Harvey: (GASPS) My sisters?

Selene Arcangela: Claire Harvey's sisters A.K.A. The Harvey Sisters?! Awesome, and you guys are going to love meeting them, Alicia Harvey, the Sentinel Prime Gene-Slammer, Belle Harvey, the Brawn Gene-Slammer, Daria Harvey, the Hound Gene-Slammer, Emily Harvey, the Warpath Gene-Slammer, Georgina Harvey, the Landmine Gene-Slammer, Harriet Harvey, the Gears Gene-Slammer, Iona Harvey, the Trailbreaker Gene-Slammer, Kitty Harvey, the Clobber Gene-Slammer, and Layla Harvey the Quickmix Gene-Slammer, these nine girls are Lincoln's Guardian Angels from Michigan and classmates in Gym, but they are also beautiful ballerinas and they're Claire Harvey's sisters.

Nico: That's awesome.

Selene Emperyous: They, Lincoln, and Claire love practice ballerina dancing, which is both for boys and girls, in case anyone gets any funny ideas. (Glares Sharply)

Eli: Whoa, whoa, whoa, we'd never say anything like that.

Me: Yeah, but I've seen a lot of ballerina dance classes in Colorado and many boys and girls have attended there.

Michelle Emperyous: She just said it as a warning because one wrong move, and you're getting a full Emperyous Sister Beatdown on your ass.

Many of us gulped.

Laney Emperyous: Anywho, they're easy to identify: Alicia has red hair with a red leotard underneath her clothing, Belle has blue hair with a blue leotard underneath her clothing, Daria has pink hair with a pink leotard underneath her clothing, Georgina has orange hair with a orange leotard underneath her clothing, Harriet has indigo hair with an indigo leotard underneath her clothing, Iona has white hair with a white leotard underneath her clothing, Kitty has purple hair with a purple leotard underneath her clothing, and Layla has black hair with a black leotard underneath her clothing.

Valentine Emperyous: Lincoln made Claire Harvey and her sisters beautiful necklaces, and to show thanks they each kissed Lincoln on the lips, as a result, Lincoln promised that when he comes of age, he will marry Claire Harvey and her sisters along with the rest of his harem, and this took place before Ronnie Anne came into the picture.

Me: Whoa.

Claire Harvey: And I guess when I met Lincoln again, those memories came back in full force, just like with many of your future wives whom you'd met as well long ago.

Lincoln: Those memories were locked away somehow by a dark force, and that dark force was none other than Chase Young's Dark Side.

We gasped.

Me: He really is nothing more than the epitome of pure evil.

Nico: What a bastard.

We were heading home.

Titania: That takes care of him!

Batroc: That was the toughest one of these adventures yet!

Ragdoll: But he's gone now.

Gameface: He sure is.

Count Nocturne: Let's celebrate on this ship!

Me: Good idea.

Nico: Great job today everyone. Especially to you J.D. Your plan worked perfectly without a hitch.

Me: Thanks.

Laney: That was awesome.

Fiona Hernandez: (To the viewers) This was an awesome one. Hope you all liked it..

Nico: Yep.

We had a great party and then had arrived home and had a great rest of the day and went to sleep.

Me: This is gonna be really awesome and fun.

Nico: Always love coming to Bikini Bottom.

Laney: Me too. I have a feeling this will be funny.

Girl Jordan: It sure will.

Lola: Yeah.

Arkayna: I'm always up for some fun.

Zarya: Me too.

Nico: Arkayna, I want to thank you, Mumbo, and your teams for coming.

Arkayna: No problem Nico. This will be so fun.

Lola: It sure will.

X-Squad Lila: I agree there.

Nico: Lila, I'm glad you're not like your Prime counterpart.

X-Squad Lila: I know. I am too. I can't believe that my prime universe counterpart was that deranged and homicidal. Sure we are the same person but I have more heart than she ever will be.

Nico: Yeah no kidding there.

Laney: Yeah.

X-Squad Lila: Before I met Drakus, I was like her in every way. I was a total pathological liar and HATED telling the truth. This was because I let the power my family had go to my head and it consumed me.

Nico: Geez.

X-Squad Lila: Yeah. I was a total powerhungry manipulative monster.

Me: Well at least you aren't like that anymore. Drakus did a good thing by saving you from yourself.

Nico: Unlike the Prime Version who met her end at Marinette and Apple Bloom's hands.

Apple Bloom: Me and the Cutie Mark Crusaders all delivered the killing blow and Marinette used the Black Gates on her.

Nico: That's true.

Applejack: And that was a great mission back then.

Me: It sure was.

X-Squad Lila: I know. But that was is good I'm not like that.

Camie: Yeah.

Chloe: Boy that was wild and crazy.

Me: It sure was. At least the Prime Universe is now free of Lila Rossi.

Xenia: Yeah no kidding.

Laney: Yeah.

Me: WHEW! Boy yesterday was one awesome mission!

Nico: Boy I'll say! The One had to be the most powerful monster ever out of all the enemies that Kirk and crew faced.

Maria: No kidding!

Nico: But J.D.'s plan worked perfectly. And wow! That new form of yours REALLY showed it's ultimate power.

Me: It sure did. Wow! That was amazing.

Laney: It sure was! The whole universe was feeling its power!

Me: That was awesome. And now The One is long forgotten.

Camie: Good riddance.

Nico: That was an intense battle!

Me: Yeah it was!

Qin: I agree there!

Varie: Wow! No kidding.

Lola: Awesome!

Me: Yeah it was.

Nico: You did good, J.D.

Me: I can't take all the credit. You guys helped too.

Lincoln: Thanks true.

Nico: Wonder what's going on in Bikini Bottom today

Me: I think this is it.

We saw a poster for Squidward in Concert.

Me: (Reading) "Performing now, The Great Squidward of The Clarinet."

We gasped!

Nico: Oh god help those with ears.

Laney: Oh boy.

Nico: Something isn't right about this.

Me: You're right. I smell something fishy and I don't mean the fish here.

Qin: Yeah no kidding.

Laney: Lets go check it out.

Nico: Okay.

We went to the stage he was performing at.

We arrived and there was quite a crowd.

Me: Wow everyone's here.

Nico: There are still seats available.

We got seats.

We then saw Squidward?

But then was saw that he looked more robotic. And he was playing the Clarinet beautifully? What the heck?

Nico: That isn't Squidward.

I looked at it with my data eyes and saw that it was a console operated robot controlled by Evil Squidward!

Me: So that's his game.

I whispered to Nico and we went out back.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not liking in the slightest: I got word from SpongeBob and Squidward that Evil Squidward has broken out of prison and he's causing trouble.

We gasped.

Lily Loud: First, Flats the Flounder, and now, Evil Squidward. Ugh, this has Universe 666 Sebastian written all over it.

Lincoln got out The Conch Shell of Neptune, and as he blew into it, it made a very melodious sound and it summoned the rest of The Neptune Crusaders and all the other water users.

Nico: Awesome.

Lincoln called the rest of the team here and he told everyone the situation, and needless to say, they too were pissed off.

Lori: I can't literally believe that lunatic broke Evil Squidward out.

We saw Buster Bunny and the others sharpening axes, and Babs Bunny tossed her axe which hit the picture of Universe 666 Sebastian.

Eli: (Sensed the fracturing mental state of Universe 666 Sebastian) Whoa, what the?! Oh man, guys, you're going to like hearing this, Universe 666 Sebastian's mental state is still rapidly deteriorating, if we take down Evil Squidward after exposing him, it'll lead to him exploding with rage even more.

Me: (Smirks) This should be good.

Nico: But, of course, he's gonna do something horrific that'll lead to a major puke fest.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak

were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and

sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Evil Squidward) AHA! Gotcha! I just spotted that insane squid, and he's in the stage as J.D. saw SpongeBob and Squidward, along with the rest of our friends, are getting every last citizen to safety at The Krusty Krab.

Nico: Let's head on over and trash him.

Lincoln: Yeah, let's get him.

Qin: I'm ready for this freak

Lincoln: This is gonna be good. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of

hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Evil Squidward.

We went into the stage and we saw Evil Squidward at the controls.

Lincoln: There he is.

Nico: What's our plan to expose him?

Me: Just like what we did to Lila Rossi and Lumpus in The Simulator, Lincoln's going to expose Evil Squidward for the fraud he is via his large gold halo, and once everyone sees this is Evil Squidward and robot Squidward fraud, they're gonna want to attack him, and once we expose Universe 666 Sebastian as the culprit behind it, this'll really set that lunatic off.

Sebastian Mendez: Nico, you still got that nuke?

Nico: Yeah, why do you ask?

Sebastian Mendez: After we get done with Evil Squidward, send that nuke to his castle in Acme Acres at once, then, once it's in position, set it off and nuke that bastard. The radiation won't kill him, but it will be our way of saying that tomorrow is our final showdown and he won't be leaving here alive.

Nico: Got it.

We immediately got into position, and then, Lily fired a water blast that hit Evil Squidward, and Squidward was kicked onto the stage because of it.

Me: It's showtime, Lincoln.

Lincoln: Got it.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we then showed all of Bikini Bottom all of Evil Squidward's misdeeds for all to see.

Squidward's robot then acted up.

Robot Squidward: You're not worthy to be a Clarinet player!

Evil Squidward: [to crowd] What?

Robot Squidward: You're a cheap fraud & impostor and a disgrace to the clarinet playing worl!

Me: [operating the robot] A corrupt, vicious, demented, lowlife scoundrel. A pathetic artist, a worthless piece of dirt who hates his mother, Who makes the worst paintings ever that always get torched with a flamethrower, and the music world HATES Your music because it sounds like monkeys playing them while grinding their nails on a chalkboard!

[the robot goes crazy and breaks apart]

Robot Squidward: You, Squidward Quincy Tentacles, are none other than a foul stenchus cephalopodus, commonly known as a…

Evil Squidward: Don't say it!

Me: [bursting out onto the stage]… Pathetic Stinky Loser Failure Squid!

Evil Squidward: AAAARRRRGH!

Me: Arrest that liar and failure!

Then, they also saw the one person behind his break-out from prison was none other than Universe 666 Sebastian. This really enraged and disgusted the public, and they were out for Evil Squidward's head as they got out torches and pitchforks.

EVERYONE came out and confronted him!

Nico: Like with Ratigan, right?

Me: Bingo.

We went at him and I punched Evil Squidward and bashed him in the face.

Evil Squidward: (ENRAGED SCRECH)

Evil Squidward ran at us, but The Neptune Crusaders and Lincoln fired massive blasts of water that hit him and sent Evil Squidward flying into a wall, he got back out, but now, he went absolutely mad.

Lincoln unholstered his massive Lincoln Loud's United Friendship

Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well.

Lincoln and I went after Evil Squidward, and we fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Evil Squidward, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he and I attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Evil Squidward even more insane and straight to the brink of insanity.

Evil Squidward: YOU! YOU! (ENRAGED SCREAM)

Evil Squidward charged at us completely blind with rage and fury, but Lincoln fired a blast of water that hit him on the stomach.

I punched and bashed Evil Squidward in his face and stomach.

Horsea squirted ink at him.

Horsea: Have a taste of your own medicine!

She squirted Ink all over Evil Squidward.

Everyone gagged and hurled all over Evil Squidward!

Nico: They still are disgusted over that Ink Lemonade incident?

Me: Yep. NIce one Horsea.

Horsea: Thank you!

We laughed.

I fired waves of energy and blasted Evil Squidward.

Laney fired waves of leaves and slashed him all over.

Qin: And Universe 666 Sebastian had the gall to release this buttlipped big-nosed mule!

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) Now, we're gonna make him lose it even more!

Nico: I hope the wait was worth it!

Me: Me too!

I then ripped Evil Squidward's big nose off!

CRUNCH!

Evil Squidward: DDDDDDDOOOOOOOOOOOOOOOOOOWWWWW!

Nico: I hope that hurt!

I punched Evil Squidward in his face.

I then kicked him square in the crotch!

KRASMASH!

Everyone winced!

Poliwag slapped him with his tail.

SLAPSLAPSLAPSLAPSLAPSLAPSLAPSLAPSLAP!

He was REALLY Getting pummeled!

I used a Jellyfish call and Squidward got zapped BIG TIME!

ZZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPP

Ouch!

Evil Squidward: Ow!

Tentacool: Save some for me!

Tentacool blasted Evil Squidward with her lasers.

Numerous Jellyfish came and they stung Evil Squidward!

ZAPS!

Evil Squidward yelped all over in pain!

Tentacool: Go, my fellow jellyfish!

They stung him all over the place.

Laney: Ouch.

Nico: Big time ouch.

Maria: Stings, doesn't it?!

Evil Squidward: I WILL GRIND ALL OF YOU INTO CHUM!

Lana then made Evil Squidward eat a bucket of chum!

Nico: Yuck!

Evil Squidward then threw up all over Mr. Krabs.

Nico: Poor choice of words!

Me: Big time.

I whistled and then NUMEROUS SEA BEARS CAME and they MAULED Evil Squidward.

He was brutally mauled into pulp.

Numerous Sea Rhinos appeared next.

They charged and rammed Evil Squidward down and flattened him into a pulpy pancake.

SMASH!

Me: That had to hurt.

Sandy: Time to play SAN ANTONIO RULES!

Nico: Go for it!

Evil Squidward: San "A-what-io" rules?

Sandy: Check! [Sandy throws the basketball in Evil Squidward's belly. Then she jumps onto Evil Squidward's head and shoots the basketball into the net. The crowd cheers.]

Evil Squidward: Oh, that was a foul!

Sandy: Tell it to your mama, Squidward!

Evil Squidward: Mama?

Mrs. Tentacles: Don't want to hear it.

Sandy: Next round's soccer.

Evil Squidward: What the what?

Sandy: Sure. Every time you score, you pick a new sport. I thought you knew all the rules, Evil Squidward.

Evil Squidward: Well, uh, yeah, well, of course I do. Yeah.

Sandy: Good, then block this!

vil Squidward: [notices the soccer net in back of him] Block what?

[Sandy kicks the soccer ball and headbutts into the net. The net bounces the ball back, hitting Evil Squidward in the head. Evil Squidward pulls his head back up and the crowd cheers.]

Evil Squidward: Oh, come on, I wasn't even ready!

Sandy: No time outs! Football round!

[The horn blares and Sandy charges towards Evil Squidward with the football. She rams Evil Squidward onto the football goalpost. Then she throws the football with her tail through the goalpost. The football hits Squidward and the crowd cheers.]

Evil Squidward: [panting] Just give me a second to-

[Sandy comes up from behind and stuffs Evil Squidward in a jellyfishing net. She swings the net and sends Evil Squidward flying to the soccer ball goal and into the pooling table. Evil Squidward pulls himself out of the table. Sandy hits the eight ball and it flies into Evil Squidward's head. The eight ball comes out through Evil Squidward's nose. Sandy takes out a plate and Evil Squidward's face falls into pieces. Evil Squidward's face is now made into calamari.]

Nico: That's a Point!

Patrick: Boo! I'm a haunted… [swings over Evil Squidward with a tablecloth over his body] tablecloth!

[Evil Squidward screams a sprays more ink out from his nose. The ink fills several cups, pitchers, bowls, and pails laid out by Patrick. Patrick swings himself into a wall and laughs. Evil Squidward runs up the stairs while spraying ink in more cups and bowls laid out by Patrick. He runs into a spooky baby's room with creepy music playing in the background.]

Evil Squidward: Not creepy nursery rhyme music!

[Evil Squidward hears a creaking sound in the crib behind him. He looks in the crib and sees Patrick wearing a creepy baby costume while having a nose similar to Evil Squidward's.]

Patrick: Dada!

[Evil Squidward screams and sprays more ink out from his nose into the crib. Evil Squidward runs out through the window.]

Patrick: [puts the sucker back on the baby bottle filled with ink] Thank you, Daddy!

[Evil Squidward falls to the ground and sees a spooky but crudely version of the Krusty Krab in front of him.]

Evil Squidward: The Krusty Krab? How did I wind up here? I don't think I want to go in. [a newspaper falls on him; he gasps as he reads it] This newspaper is dated 60 years into the future.

[The conveyor belt underneath him moves and it takes him inside.]

Evil Squidward: [covers his eyes] I can't look! I'm afraid to see. Please, no.

[Evil Squidward looks up and sees a puppet version of his old futuristic self in his workstation.]

Puppet Squidward: May I help you, young man?

[Evil Squidward's nose becomes a faucet and he screams the ink out of himself. Patrick, who is operating the old Squidward puppet, watches down happily. Evil Squidward has had enough of the haunted area and goes to run away.]

But Evil Squidward was snagged by Lana with a lasso!

Nico: Where'd you get the Lasso?

Lana: Sandy made it for me.

Nico: Awesome and cool.

Sandy: It's true.

Lana: Yep.

Lincoln formed a massive rainbow energy ball with water and ocean waves swirling around it and a water ball inside the energy ball.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) SEVEN SEAS MAELSTOM FURY!

Lincoln fired the massive rainbow energy ball with water and ocean waves swirling around it and a water ball energy ball and when it hit Evil Squidward, he was drenched and hit hard by the waves and water blasts, and he was also bound in an indestructible rainbow energy straitjacket. Just then, the Bikini Bottom Police arrived and they loaded Evil Squidward up and took him away. Everyone cheered as Lincoln and I holstered our weapons and powered down.

Ariel: And now, Evil Squidward is on his way back to prison.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window into the dark castle of Universe 666 Sebastian in Acme Acres, and we saw it for ourselves: Universe 666 Sebastian had gotten word of Evil Squidward's arrest and imprisonment, and then! HE ABSOLUTELY LOST IT BIG TIME!

Universe 666 Sebastian: (DEMONIC ROAR) GODDAMN THEM! THEY RUIN EVERYTHING I THROW AT THEM! THEY'RE RUINING MY PLANS TO DESTROY ALL LIFE ON EARTH AND THE UNIVERSES BEYOND! DAMN THEM, FUCK THEM ALL!

Suddenly, we saw Universe 666 Sebastian take out a knife and he left slashes his own arms and on his hands, and he started writing messages full of extreme hatred towards us along with Satanic and demonic symbols on the walls of his castle in his own blood and the sound of his demonic and really completely deranged laughter echoed throughout his empty castle. When it was all done, his castle was covered all over in messages full of extreme hatred towards us along with Satanic and demonic symbols on the walls of his castle written in his own blood and the sound of his demonic and really completely deranged laughter echoed throughout Acme Acres.

Lincoln: Laugh while you can, you crazy lunatic. (SNAPS FINGERS)

Lincoln snapped his fingers and beamed the nuke inside Universe 666 Sebastian's castle, he pressed the button on the detonator, and then… !

KRABOOOOOMMMMMM!

The nuke exploded and the castle was destroyed, and Universe 666 Sebastian was sent flying out of here and he crashed into a brick wall. He saw what happened to his castle and he was so overcome with rage, he let out a demonic scream of epic proportions and it was heard all over the world. The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared.

Nico: Serves that asshole right.

Me: Now, he's lost his base of operations, and I'm surprised he survived the radiation from the nuke.

Sebastian Mendez: I survived much worse than that, but this should serve as a massive warning that we're through playing his twisted games.

Lincoln: And that we're serious about what we said: we're ending him for good and putting an end to his reign of madness and horror.

Me: That we are.

Nico: I knew it would come in handy!

Qin: (LAUGHS) That was awesome.

Laney: Yeah!

Varie: All that was funny though.

Lana: Yeah!

Lola: Yeah! It was all really funny!

Nico: I knew it would come in handy!

Qin: (LAUGHS) That was awesome.

Laney: Yeah!

Varie: All that was funny though.

Lana: Yeah!

Lola: Yeah! It was all really funny!

Audrey: You must be wondering how I turned into my Akumatized form yesterday. Well, it was all thanks to my Kwami and Miraculous I got.

Nico: Neat!

Qin: Yeah!

Lola: That is cool.

Nico: I knew that nuke would come in handy!

Me: You got that right!

Nico: That was fun too.

Laney: Next time we'll scare Evil Squidward with ghosts.

Lola: Yeah!

Nico: Noted for next time.

Laney: Okay.

Nico: Yep. Now for the fun battle of our rescue.

Maria: The Anothers.

Me: Yep.

Eli: We have Another Absorbing Man, Sammy K Ferret, Evil Teeny, D.A.V.E., Birdbrain, Sloppy Joe, Sheep Mage and Mumbo Jumbo.

We gasped!

Me: Wait the archenemies of Marinette and the Miraculous team. That is cool

Marinette: Nice! Our turn now!

Me: Yep.

Marinette: Tikki! Spots On! HA!

Marinette became Ladybug! 🐞

Adrien: Plagg! Claws Out!

Adrien turned into Cat Noir! 🐈‍⬛

Alya: Trixx! Lets Pounce!

Alya turned into Rena Rouge!

Chloe: Pollin! Buzz On!

Chloe turned into Queen Bee! 🐝

Juleka: Swanno! White Feathers Spread!

Juleka turned into Maestra!

Nino: Wayzz! Shell On!

Nino turned into Carapace! 🐢

Me: OH YEAH!

Eli: And I sense that the Anothers minus Mumbo Jumbo are one person.

Me: Wow!

Nico: There they are!

We saw Absorbing Man, Sammy K Ferret, Evil Teeny, D.A.V.E., Birdbrain, Sloppy Joe and Sheep Mage.

Me: Whoa! This is gonna be awesome.

Another Absorbing Man: (In a girls voice) It sure will!

Lincoln: Katie Klingon!? Whoa!

They merged and she reverted back and it was a girl with red hair, red eyes, red and black clothes, red and black angel wings and had the symbol of the Klingon Empire in the middle of her forehead and on her skirt and she had a dagger and phaser on her hip and she had an awesome keyblade.

Katie Klingon: Awesome to see you again Lincoln and wow you grew into an amazing young man.

Lincoln: I sure have.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Katie Klingon, Keyblade Knight of Qo'Nos, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Qo'Nos, and she has intense dark powers and she's a master of darkness. She is the Keyblade Knight of Qo'Nos and leader of The Klingon Empire, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of darkness.

We were amazed.

Me: Wow! The Keyblade Knight of the Klingon Capital home planet, Qo'Nos. That is cool.

Nico: It sure is.

Katie Klingon: Yeah it sure is awesome.

Me: By the way, is the Another Mumbo Jumbo friendly or hostile?

Katie Klingon: Friendly. And she is a fruity and magical one.

Me: Nice.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Down beneath the earth you go

Go holoré fast to sleep

They both glowed and the Anothers were separated.

Me: Time for action.

We blasted the Anothers and I caught the Wonder Ride Books.

Me: Oh yeah!

Maria: Time for backup! (TURNS DIAL) WRECKING FORCE!

She summoned Wrecking Crew, Bulldozer Org, Rocketear, Elaine Belloc, Horned Sharptooth and Stained Glass Scarlet.

Me: Oh yeah!

Nico: Now we wait.

POOF!

Out came Another Mumbo Jumbo in a cloud of magic!

Nico: That was quick.

Me: It sure was.

Another Mumbo: (In a girls voice) That was an entrance.

Me: (GASP) That voice.

She reverted back and was a girl with pink and green hair and pink eyes and had pink and green clothes and had green angel wings and had a tiara with the symbol of the Watermelon dopant on it and the symbol was on her skirt and she had a watermelon sword.

Me: Suika Watermelon! Wow!

Suika Watermelon: Awesome to see you again J.D.

Me: Same here. Suika is the Embodiment of the Watermelon Dopant and she has fruit and watermelon powers and she is also a magician.

Mumbo: Wow! Just like me!

Me: Yep.

She poofed up a Watermelon and threw it and it hit May in the face!

KRASPLAT!

May: I'm okay!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Suika Watermelon: No he didn't because I smashed his head in with a watermelon as big as a house and ran away.

Sakura Knudson: Geez what a mess.

Nico: Yeah.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor.

Lincoln: Lets separate you first.

He fired a wave of light and separated her.

Suika bashed the Another all over.

Nico: (gets out Mumbo's Ridewatch) Ready for a spelling contest?

May: (Gets out Evil Talking Cake's Ridewatch) Here's a cake in your face!

Maria: (Gets out Oxy Man's ridewatch) Time to blow you away!

They activated the ridewatches of Mumbo Jumbo, Sheep Mage, Evil Talking Cake, Momokase, Oxy Man and Kusuna and they fired waves of energy and elements and blasted the Another all over.

X-Squad Lila: (SHEEP BLEET) Time for some Woolly Fun! (ACTIVATES SHEEP MAGE'S RIDEWATCH)

She fired waves of sheep and blasted the Another.

Then Mirror Master, Quark, Dan, Illuso, Arnold the Pit Bull and Evil Pyre Woman came.

Nico: Nice team Mirror Master!

Mirror Master: Thanks Nico.

?: That is cool!

A Tengu Man came.

Me: Tengu Man! Awesome!

Tengu Man: (In a girls voice) I'm ready to unleash darkness.

Nico: Corvus Tengu! Wow!

Corvus Tengu: Yep. I got this.

She fired a wave of darkness and smashed the Another and I caught the Ridewatch and purified it.

Me: Oh yeah!

May: YAY! I didn't get hit!

Corvus Tengu: (Sees herself) GAH! EYES TO YOURSELVES PERVERTS!

Rarity: Don't worry darling we can fix this.

The fashion brigade gave her awesome black clothes.

Corvus Tengu: Wow! I look amazing!

Nico: You sure do.

Maria: How do you feel?

Corvus Tengu: Better than ever.

X-Squad Lila: What's your favorite memory of Nico?

Corvus Tengu: When me and Nico banished a mean Queen Bee girl to the nightmare dimension.

Qin: I remember that.

Me: Geez!

Nico: Yeah.

Me: Cool.

Nico and Corvus hugged.

Nico: I've missed you.

Corvus Tengu: Same here.

We later went back home.

Then, a large leech-mouth sucker forms in the palm of Lincoln's left hand and he ran at Khan Noonien Singh and he slammed his left hand into his chest and as his gold-plated claws puncture the skin and the leech-mouth sucker latched onto his chest, Lincoln began to drain Khan Noonien Singh of his life force as Lincoln injected him with a special enzyme, which strengthened him temporarily and ensures that his heart continued to beat, but Khan experienced nothing but pain and he began to age rapidly, and Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he grew even stronger as he also assimilated Khan's powers and abilities.

Then, as soon as Lincoln was done, Khan was left as a lifeless husk and Lincoln banished his soul to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Lincoln: I've said it before and I'll say it again, never show your face ever again, Khan. (To The Harvey Sisters) And it's so good to see you and your sisters again, Alicia.

Alicia Harvey: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Claire.

Claire Harvey: You too, Alicia.

Lincoln went up to The Harvey Sisters and he hugged them, and The Harvey Sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since they last saw him, and they also felt just how much more stronger and how much more muscular he's really become, and they had an atomic red blush on their faces, and the atomic red blush on their faces soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you girls since you were seventeen, and as you can see, I really grew a lot since then.

Belle Harvey: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness.

Daria Harvey: You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Me: And he'd also been hit with massive amounts of cosmic

radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know these seven girls?

Lincoln: Indeed I do, J.D., meet Alicia Harvey, the Sentinel Prime Gene-Slammer, Belle Harvey, the Brawn Gene-Slammer, Daria Harvey, the Hound Gene-Slammer, Emily Harvey, the Warpath Gene-Slammer, Georgina Harvey, the Landmine Gene-Slammer, Harriet Harvey, the Gears Gene-Slammer, Iona Harvey, the Trailbreaker Gene-Slammer, Kitty Harvey, the Clobber Gene-Slammer, and Layla Harvey the Quickmix Gene-Slammer A.K.A. The Harvey Sisters, these nine girls are my Guardian Angels from Michigan and classmates in Gym, but they are also beautiful ballerinas and they're Claire Harvey's sisters.

Selene Emperyous: They, Lincoln, and Claire love practice ballerina dancing, which is both for boys and girls, in case anyone gets any funny ideas. Anywho, they're easy to identify: Alicia has red hair with a red leotard underneath her clothing, Belle has blue hair with a blue leotard underneath her clothing, Daria has pink hair with a pink leotard underneath her clothing, Georgina has orange hair with a orange leotard underneath her clothing, Harriet has indigo hair with an indigo leotard underneath her clothing, Iona has white hair with a white leotard underneath her clothing, Kitty has purple hair with a purple leotard underneath her clothing, and Layla has black hair with a black leotard underneath her clothing.

Michelle Emperyous: Lincoln made Claire Harvey and her sisters beautiful necklaces, and to show thanks they each kissed Lincoln on the lips, as a result, Lincoln promised that when he comes of age, he will marry Claire Harvey and her sisters along with the rest of his harem, and this took place before Ronnie Anne came into the picture.

Me: Just like what we were told.

Alicia Harvey: That's right, and we do have one story involving how all of us and Lincoln kicked the tar out of Lynn after we tarred and feathered her after she tried to humiliate Lincoln by taking pictures of us and Lincoln when we were doing our practice.

Nico: SHE DID WHAT?!

Lynn screamed and hid behind Lori.

Me: Uh oh.

Lily Loud: Yep, Lynn's dumb actions due to Dark Lynn inside her have already pissed off Nico too many times to count, and so have the actions of Dark Lori, Dark Lola, Dark Luan, and Dark Lisa.

Lincoln: And from what we saw when he went into The Simulator and tore them apart, apparently, this only showed them one thing.

Michelle Emperyous: Yep, that karma always finds a way to get back at them and that payback really is a bitch.

Lincoln: Exactly, and now that you and your sisters are here, Alicia.

Lincoln went up to and hugged each of The Harvey Sisters in his abnormally massive and powerful muscular arms, he leaned his head down the right side of their necks, and he slowly bit each of them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from each of their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Alicia Harvey: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, nine Elemental Thunderbird Necklace of Eternal Love appeared on the necks of The Harvey Sisters with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their

necks.

Daria Harvey: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Harvey Sisters.

The Harvey Sisters had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around them and he leaned down to each of their faces and kissed each of them on the lips and they also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Chiharu Momotani, Haruna Momotani, Hitoko Tsuzuki, Kogane Hagiyama, Midori Kazamatsuri, Bumika Ushio, and Yuki Nakamine from Tsurutsuru Nurse.

Lincoln: Oh wow, it's Chiharu Momotani, Haruna Momotani, Hitoko Tsuzuki, Kogane Hagiyama, Midori Kazamatsuri, Bumika Ushio, and Yuki Nakamine from Tsurutsuru Nurse.

Ed Cowart: Whoa, looks like you've rescued some smoking hot nurses.

Lincoln: Ed.

Lincoln had a mallet in one of his eleven massive and long white tails and it was over Ed Cowart's head, and when Ed Cowart saw it, he did the Chuck-Outta-Luck Pathetic Eyes and he dodged the mallet as it came down on him and we snickered.

Nicole: He warned you.

Lincoln: Are you girls okay?

Chiharu Momotani: Yes, we're okay, thanks to you.

Then, when Chiharu Momotani and the other six girls saw who it was that saved them from Khan Noonien Singh, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of

Chiharu Momotani: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Chiharu Momotani: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chiharu Momotani, Haruna Momotani, Hitoko Tsuzuki, Kogane Hagiyama, Midori Kazamatsuri, Bumika Ushio, and Yuki Nakamine with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was none other than our old enemy, Khan Noonien Singh, who came back for revenge.

But, when Lincoln showed what we did in beating him into the ground and then him slamming his left hand into Khan's chest and draining the life force out of him and sending him to The Black Gates for good, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and the Harvey Sisters have a lot of catching up to do, now that they're back in town.

Maria: I don't believe it. Not long after we'd stopped Evil Squidward, Universe 666 Sebastian brought back Khan. He's fucking crazy!

Lincoln: That's not even a word to describe him. He's already fallen down into the black depths of madness, but he'll be put down soon.

Me: And we'll be rid of him forever.

Nico: That monster's caused more than enough trouble to last an eternity, we'll get rid of him very soon.

---

After finally destroying and getting rid of Khan Noonien Singh and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when The Harvey Sisters saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Alicia Harvey: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Daria Harvey: He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of.

Belle Harvey: If anyone tried to mess with him now, they were in for

a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Emily Harvey: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Georgina Harvey: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, girls, what's the story on how you all and Lincoln trashed Lynn?

Alicia Harvey: We shall tell you, and of course, this is one incident we'll never forget with Lynn, or as Luna calls her "Belchy McFarty".

Me: That still cracks me up to this day.

Nico: Me too, and how did you even get away with calling Lynn that and not get beaten into paste, Luna?

Luna: That was never easy with Lynn, dude. I had to be very careful around her because one wrong move that sets her off, and she'd throw me in a meat grinder.

The Harvey Sisters played a video on the big screen and it shows Lincoln, Claire Harvey, and The Harvey Sisters at Lake Michigan: Lincoln was in his orange speedo and sandals and Claire Harvey and her sisters were in their two-piece bikinis and sandals, and they were having fun swimming at the lake after tarring and feathering Lynn.

Past Alicia Harvey: This is really awesome, I love coming to Lake Michigan.

Past Lincoln: Same here, Alicia.

Past Claire Harvey: Plus, with all the work that he and all of you have been doing with cleaning up the lake and all the other lakes in Michigan, it's also a cleaner place for all marine life.

?: (ENRAGED SCREAM) STINKOLN! LOUD MONSTROUS BELCH!

Suddenly, they heard a loud scream and loud monstrous belch in the air along with catching the stench of B.O., feet, and sweaty armpits.

Past Lincoln: Oh great, there's no mistaking that scream and loud monstrous belch along with the stench of B.O., feet, and sweaty armpits, from anywhere. Get out here right now, Lynn, or else, I'll blast you out.

Suddenly, they saw Lynn come out, and she was covered in tar and feathers and she was really out for blood again, then, she charged like a mad bull and was about to attack Lincoln, but Lincoln punched her and sent her flying into a tree. She got back out, but she roared like an animal and she beat her chest like a gorilla, now she was really extremely pissed off.

Past Lincoln: You have caused us enough trouble to last an eternity, Lynn. Now, I'm going to put you right back in your place, you four-legged monstrosity!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Lynn roared like a pure enraged animal again and she charged on all fours and went at Lincoln, but he reared his left fist back, and he'd landed a mean uppercut to Lynn's stomach knocking the wind out of her, and then, he unleashed a massive storm of slashes from his massive greatsword and they slashed off Lisa's clothes leaving her in her bra and dirty jockstrap and Lincoln fired powerful water blasts at Lynn and stink lines came off of her and it also washed off the tar and feathers. Then, Lincoln reared his left fist back and gave Lynn a nasty punch to the face that sent her flying back to The Loud House and she was thrown in her cage again.

Past Lincoln: When the rest of the family hears of this, they're really going to give Lynn hell.

Past Alicia Harvey: That's an understatement. But, that was truly amazing, what we saw just now, you really have been getting stronger and stronger still because of our training regimen and constant working out, Lincoln.

And as Lincoln rejoined Claire Harvey and her sisters, he gave them each a kiss on the lips as the video ended.

Nico: Sheesh, Lynn, you really didn't know when to quit!

Me: When Lincoln told us about what Lynn tried to do again, we were so extremely pissed off beyond imagination, and she had it coming for trying to humiliate him.

Luna: You got that right, and unfortunately, that's when I flipped out and called her Belchy McFarty again.

Lincoln: That set Lynn off big time, but before she could attack Luna, I grabbed her by the waist with one of my eleven massive and long white tails and restricted her.

Nico: Sheesh.

Daria Harvey: It almost got ugly. Lynn had some goddamn nerve to show up and ruin everything because she still wanted to kill Lincoln again! After what that superstitious belching farting four-legged monstrosity has done to Lincoln in the past, I wanted to punch Lynn in the face, but Lincoln sent her flying with one punch, but when she got out again and roared and beat her chest like a gorilla, that's when Lincoln got serious.

Emily Harvey: She had it coming. But, Lynn's been freed from her Dark Side forever and she's finally back to who she was.

Me: That was because of Chase Young's Dark Side, he really is nothing more than the embodiment of evil.

Lincoln: You got that right, he was a monster who enjoyed causing pain and suffering to so many.

We got a shower afterwards, and then, Lincoln, Leaf, Lyra, Simulator Gloria, Simulator DJ Mary, Simulator Cheryl, Simulator Anthea, and Simulator Concordia are heading to Everbay Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Leaf, Lyra, Simulator Gloria, Simulator DJ Mary, Simulator Cheryl, Simulator Anthea, and Simulator Concordia are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Leaf, Lyra, Simulator Gloria, Simulator DJ Mary, Simulator Cheryl, Simulator Anthea, and Simulator Concordia all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Lyra (Pokemon): Wow, so, this is Everbay Coast, it sure is beautiful.

Lincoln: It sure is, Lyra, and it's perfect for our first date. Shall we?

Lincoln, Leaf, Lyra, Simulator Gloria, Simulator DJ Mary, Simulator Cheryl, Simulator Anthea, and Simulator Concordia dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Leaf, Lyra, Simulator Gloria, Simulator DJ Mary, Simulator Cheryl, Simulator Anthea, and Simulator Concordia got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Leaf, Lyra, Simulator Gloria, Simulator DJ Mary, Simulator Cheryl, Simulator Anthea, and Simulator Concordia and they hugged the girls in their abnormally massive and powerful muscular arms, and Leaf, Lyra, Simulator Gloria, Simulator DJ Mary, Simulator Cheryl, Simulator Anthea, and Simulator Concordia placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Leaf, Lyra, Simulator Gloria, Simulator DJ Mary, Simulator Cheryl, Simulator Anthea, and Simulator Concordia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Leaf, Lyra, Simulator Gloria, Simulator DJ Mary, Simulator Cheryl, Simulator Anthea, and Simulator Concordia are in your harem, Linky.

May: We knew Leaf and Lyra were interested in Lincoln, and we knew that Gloria, DJ Mary, Cheryl, Anthea, and Concordia already have love interests, so we had to get their Simulator counterparts.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Leaf, Lyra, Simulator Gloria, Simulator DJ Mary, Simulator Cheryl, Simulator Anthea, and Simulator Concordia, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Honeyhop Galaxy is next.

Me: Again? We already did that one but this will be fun.

Megan: Me and Courtney will go next.

Nico: Cool cool.

They went in and the Simulator Activated and they were at HONEYHOP GALAXY! ROUND 2!

Courtney: I think we went here before at a point before the Galaxy visits were a thing

Nico: Yeah we sure did.

Megan: It was during one of our big day missions. Which was cool.

Nico: Yep.

Nicole: (On the radio) Well this galaxy is the same as last time. But this time you just have to get the star at the top of the mountain there.

Nico: Okay.

Megan: Yeah.

Nico: Shouldn't be too hard.

?: We'll help too.

2 figures came. 1 was a girl with silver hair, blue eyes and had white clothes and white angel wings and she had a tiara with the symbol of the moonland of Kybar's Teeth on it and the same symbol on her skirt. She also had an ice sword in her hands. The 2nd girl had aqua blue hair, blue eyes, blue clothes and had blue angel wings and had a Wonderbolts and Shadowbolts tattoo on her arm and she had a tiara with the symbol of Air Man on it and the same symbol on her skirt and she had a wind sword in her hands.

Kiara Kybar: Kiara Kybar, Embodiment of the Moonland of Kybar's Teeth.

Arlia Air: And Arlia Air, Embodiment of Air Man.

Rainbow Dash: Wow! Awesome!

Lightning Dust: Wow! Twilight Wonderbolt Arlia! She is looking great!

Arlia Air: Prism Strike Rainbow Dash and Dark Thunder Lightning Dust! Its been a while!

Me: Cool nicknames.

Rainbow Dash: I was called Prism Strike Rainbow Dash because of my hair and my rainbow lightning powers.

Lightning Dust: and I was called Dark Thunder Lightning Dust because of my reckless nature and fun attitude.

Me: Cool!y

Lightning Dust: Yep and she called Captain Spitfire, Phoenix Flame Spitfire.

Spitfire: I thought it was a cool nickname. She gave all the Wonderbolts and Shadowbolts great nicknames.

Me: Awesome.

Nico: We'll talk more later.

Megan: Lets go get that star.

They were off.

They flew up to the top of the mountain and saw NUMEROUS GOOMBAS! They were around the Queen.

Megan: Goombas!

Courtney: Lots of them.

Nico: (gets out Mumbo and Kaos' Ridewatches) Time to let the magic happen!

Nico activated them and fired waves of magic and blasted them.

Courtney and Megan fired waves of stars and fire and blasted the Goombas.

Kiara and Arlia fired waves of wind and ice and blasted the Goombas. Then they went for the star and they got it.

YOU GOT A STAR!

Nico: YEAH!

Kiara Kybar: That was so fun!

Arlia Air: That was awesome!

They all high five!

Nico: How did you meet Rainbow Dash and Lightning Dust?

Arlia Air: I went to Wonderbolt Academy with them. I became the first ever human to become a Wonderbolt and Shadowbolt hence why I have midnight blue sclera. It's how I got my nickname Twilight Wonderbolt Arlia. I became a master of the light and shadow of the weather as well as patrol the skies for any bad stuff.

Nico: Wow! That is cool!

Arlia Air: It sure is. And also I am a master of lightning and the clouds.

Nico: Nice. Would you two like to join the team?

Kiara Kybar: We would be honored.

They later left the simulator and we cheered wildly for them.

It was a Wonderbolt and Shadowbolt reunion with Arlia.

Later we were at a stage event for Poromon and he was shaking like a leaf.

Ben: Are you okay Poromon?

Poromon: I'm just really scared.

Me: He has stage fright. I've seen this many times before. He's just scared to go up there and perform.

Nico: Yeah.

Fluttershy: Oh I know the feeling myself and it is very scary for me.

Ben: Yeah we all get nervous.

Michael: Flurry Heart, I'll never regret meeting you.

Flurry Heart: Me neither Michael. Even though we met Rui during one of the battles with the Hitotsukis that was all so fun. And I made a lot of progress catching TONS of shadow Pokemon.

She told him that she caught a bunch of Shadow Eevee Pokemon and a Rapidash, Zapdos, Meganium and many more.

Michael: Wow! You were busy.

Lola: Yeah she sure has.

Poromon: I'm just really nervous!

Pinkie Pie: Yeah! It'll be so amazing! You'll be there on stage, basking in the headlights! The center of attention! A shining star! Everypony and everybody staring at you, judging you, jealously noting how they could be way better than you! Why wasn't it them? Why wasn't it them? And then, when you choke, they'll turn on you, becoming a seething, angry mob, and you'll be horribly humiliated, never able to show your face in Ponyville again!

Rarity: Pinkie Pie!

[thwack]

Rarity hit her on the head with a paper.

Rarity: Don't be ridiculous!

Pinkie Pie: Aw, but I'm so good at it!

Me: Pinkie you're making it hard for Poor Poromon.

Eli: Yeah.

Me: Also it's just that our self-confidence is more sensitive to criticism. And we don't want to put ourselves in a position that could leave us completely and utterly humiliated.

Nico: You're right on that.

Xenia: Yeah.

Poromon: There's only one way for me to cure my stage fright! (drinks beer)

Bianca Borg: Well, I guess that's one way.

Me: Oh boy. This can't be good.

Laney: I think being drunk only makes things harder.

Camie: We'll find out.

Michael: You should be proud of yourself for snagging Shadow Mewtwo.

Flurry Heart: I sure am and it was awesome.

Qin: Thank goodness it wasn't Missy or the Mewtwo we know.

Missy Rodgers: Yeah I don't think I even want to know what would have happened if that happened to me.

Tsuyu: Yeah that would not be good.

Flurry Heart: Thank goodness it didn't.

Poromon: (Slurred Speech) And you think I'm a stupid moron wait till you make fun of this! You make me wanna retch!

Poromon farted.

We laughed!

Me: (Imitating Foghorn Leghorn) Poromon, I say, Poromon's got a mouth like a cannon. Always shooting it off.

Nico: (Chuckles)

Foghorn Leghorn: (LAUGHS) Poromon, I say, Poromon likes to cause more fun than a mouse in a burlesque show.

Poromon: You know why I like scientists? It's because they study the universe! And what's the universe made of? I am so glad you asked. (Singing) There's antimony, arsenic, aluminium, selenium, and hydrogen and oxygen and nitrogen and rhenium, and nickel, neodymium, neptunium, germanium… Everybody! And iron, americium, ruthenium, uranium, europium, zirconium, lutetium, vanadium… Just the Asians! And lanthanum and osmium, and astatine and radium…

WE LAUGHED HYSTERICALLY!

Lisa Loud: (LAUGHS) That is very amusing!

Dexter: And it's to true! (LAUGHS)

Cybertron Crumplezone: Wait. Why is Poromon on stage again?

Nico: He wanted to do a comedy act.

Qin: Yeah.

Luan: (LAUGHS) Poromon is funny!

Eddy: (LAUGHS) Yeah!

Michael: And which Pokemon is your favorite, out of curiosity.

Flurry Heart: Good question. With over 1,000+ Pokemon out there it's hard to decide.

Michael: That is true.

Flurry Heart: I like all kinds of Pokemon.

Rui: That is true. But this is awesome still.

Bluestreak: Keep up the drunk talk, Poromon!

Poromon: (BELCH TALK) I'M DIRTY DAN AND PINHEAD LARRY AND I ARE HERE TO BASH YOU!

WE LAUGHED MORE!

Sandy: (LAUGHS) Dirty Dan and Pinhead Larry better watch it!

We later got done with the performance.

Flash Man: Hey, Poromon. How are you feeling?

Poromon: (BELCH)

Poromon belched really big.

Me: Okay you had enough.

I snapped my fingers and Poromon was back to normal.

Poromon: (Groans) What happened? How did it go?

Eli: You were as great and funny as Mashed Potato Underpants.

WE LAUGHED!

Me: Funny.

Nico: Yeah!

We then went back home.

Nico: Look on the bright side. At least you conquered your stage fright

Poromon: Because I was drunk as a loon.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than our old enemy, The Borg Queen, and she's finally come back from the dead and wanting revenge on us for destroying her and Borg Prime. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I

just had a vision and I saw who it was that we're going to confront today, it's none other than our old enemy, The Borg Queen, and she's finally come back from the dead and wanting revenge on us for destroying her and Borg Prime.

We gasped.

Me: I knew it was going to be her!

Bianca Borg: I knew it as well, now at long last, the time has finally come for justice to be handed down on her once again. She will pay for trying to enslave the universe!

Me: Darn tootin!

Nico: And that she will. Let's get to The Enterprise at once and tell them about The Borg Queen's return.

Lincoln: We'll make that universe enslaving tyrant pay one more time for her crimes, and this time, she will stay gone forever.

Camie: YEAH! Who are the Borg again?

Me: They are called the Borg Collective and their leader is The Borg Queen. Their goal is to enslave the entire universe into their collective and expand across the multiverse.

I went over their history

The Borg were a pseudo-race of cybernetic beings, or cyborgs, from the Delta Quadrant and and the main antagonists of the entire Star Trek franchise, serving as major antagonists in Star Trek: The Next Generation, the main antagonists of the film, Star Trek: First Contact and the TV series', Star Trek: Voyager, and Star Trek: Picard and minor antagonists of Star Trek: Enterprise. No truly single individual existed within the Borg Collective (with the possible sole exception of the Borg Queen), as they were linked into a hive mind. Their ultimate goal was perfection through the forcible assimilation of diverse sentient species, technologies, and knowledge. As a result, they were among the most dangerous and feared races in the galaxy.

## History

The precise origins of the Borg are unclear - with several possible origins mentioned over time.

The Borg are a major enemy faction in the MMORPG Star Trek Online and serve as the antagonists of both the opening sequence (tutorial-stage) as well as the second-to-last Episode mission-chain: they will also feature heavily in an upcoming patch devoted to a proposed battle with the Borg Queen herself.

Borg in Star Trek Online also engage regularly in raids of major star systems and players may fight them as part of a Strike Force for great rewards - the Star Trek Online universe is an alternate-universe from the one seen in the show, being roughly 200 or more years into the future (as of TOS) and also having merged many different realities into one (for example it has Voyager, Next Generation and even new Star Trek (Nero)).

Also due to their immense popularity, the Borg have appeared in countless Star Trek related video-games and merchandise outside of Star Trek Online, examples being:

Star Trek Armada (one of the main antagonists, led by a revived Locutus)

Star Trek Voyager: Elite Force (one of the main antagonists)

Star Trek Voyager: Elite Force II

Star Trek: The Next Generation (one mission only)

Star Trek: Borg

Star Trek: Encounters (in the Voyager missions)

## Reception

The Borg were universally received well when they first debuted in The Next Generation, likely due to them being taken much more seriously than the Ferengi, the previous main antagonistic species in the series. The Borg were seen as the ultimate antithesis as everything the Federation stood for, even more so than the Romulans or Klingons.

The introduction of the Borg Queen in First Contact was controversial due to the Borg's hive-mind nature, as it was not exactly clear what her role was. However, much of this was offset by the performance of Alice Krige.

The Borg were less well-received in Voyager as it seemed as if they had been artificially weakened, even without Species 8472's help, when it came to fighting the Voyager compared to either the Enterprise-D or E.

The phrase "Resistance is futile," has entered mainstream culture as an iconic phrase of Star Trek.

(Borg Queen)

The Borg Queen is the main antagonist of the film Star Trek: First Contact and Season 3 of Star Trek: Picard and a major antagonist in Voyager. She was the female ruler of the pseudo-race of biomechanical entities known as The Borg, resulting in her transformation into one of the main antagonists of the entire Star Trek series due to the fact that almost all atrocities committed by The Borg throughout the course of the series could be contributed to her influence. She is the archenemy to Kathryn Janeway and a major enemy to Jean Luc-Picard as her direct assimilation of Picard, as revealed in First Contact, would haunt him for decades, and likely for the rest of his life.

She was portrayed by Alice Krige - who also portrayed Gillian Booth in Law & Order: Criminal Intent, Mary Brady in Sleepwalkers, Holda in Gretl & Hansel, and Christabella in Silent Hill - in Star Trek: First Contact and the series finale episode "Endgame", and Susanna Thompson in Voyager.

An alternate Borg Queen seen in season 2 of Star Trek: Picard was portrayed by the late Annie Wersching in her original body and by Allison Pill when possessing Agnes Jurati.

It is unknown when a Borg Queen first appeared within the

Collective, but it is known that she was assimilated around the age of 7-8 and was already present in 2354.

A Borg Queen defined herself as, "I am the beginning… the end. The one who is many. I am the Borg." Although this might suggest she would be an individual within the Collective (while addressing them, she referred to drones as "my drones"), she was not. The purpose of a Borg Queen was to bring order to chaos.

Her appearance was that of a humanoid female of Species 125. In accordance with the Borg pursuit of perfection, a blending of the organic and synthetic, very little of her original humanoid form remained. Her face and upper torso were organic while the rest of her body, including her skull and spinal cord, were synthetic. Because of her disembodiment she saw herself as the epitome of perfection. The Queen had her own chambers within the Borg Unicomplex from which she could oversee and control the Borg via command interface. Whether she had her own ship or not is unknown, but she used different Borg vessels to travel, such as a Borg cube, sphere, or diamond. When her physical presence was not necessary her organic part resided above this chamber while her synthetic parts were stored below it, under the floor. If she desired to do so both could be brought together and in doing so create a humanoid form for herself.

In Human terms, a Borg Queen could be characterized as ruthless. She would do anything to protect the Borg Collective. Where drones showed no emotions, the Queen herself did. When necessary she would employ psychological tactics, like extortion or plain intimidation to get what she wanted. The Queen even displayed self-preservation when she was held at gunpoint by Captain Janeway, who threatened to kill her. On a personal level she considered Seven of Nine her favorite drone, because the Queen considered her to be unique. This had to do with Seven's experiences as an individual when she served aboard USS Voyager. The Queen's goal was to re-assimilate Seven into the Collective to enhance the Borg's, and so her own, perfection. She launched her vessel and followed the Delta Flyer into a transwarp conduit. The attempt failed, but she survived.

The death of a Borg Queen did not seem to affect the Collective or its hive mind. When a Borg drone died, its memories would still be within the hive mind. There was no evidence that a Borg Queen would be more than a drone. Borg drones were capable of functioning without a queen for any length of time by forming a hive mind of their own.

It was thought by Federation exobiologist Erin Hansen that the Borg Queen functioned like the queen of an insect hive, to coordinate the drones. Evidence of this was later seen when the Queen countermanded the Collective's judgment about assimilating Voyager. While the Collective felt that assimilation was warranted, the Borg Queen countermanded them justifying the decision due to the fact that Voyager didn't compromise their security. The Queen, while providing coordination for the drones she commanded, also provided other functions such as regulation of the Borg's transwarp hubs and interspatial manifolds. She effectively brought "order to chaos" for all things.

The Borg Queen that was present in 2377 was assimilated when she was a child, together with her parents. Years later she could still hear them.

The existence of a Borg Queen was first established sometime prior to 2365 by the exobiologists Erin and Magnus Hansen. However, because the Hansens were assimilated, their discovery never reached the Federation. It was not until 2373 that the Federation became aware of her when the Federation starship USS Enterprise-E prevented the assimilation of Earth. This was the second attempt by the Borg, also known as the Battle of Sector 001. They traveled back to Earth's past to During this conflict, while Captain Jean-Luc Picard was trying to destroy the Borg, the Queen claimed to have been present during the Battle of Wolf 359, and even admitted that Locutus of Borg - the assimilated Picard - was intended to be a singular intelligence - her counterpart, intended to ease the burden of loneliness. However, when Picard continued to resist, even when he could not control Locutus' body, she was regretfully forced to turn him into the form in which Starfleet encountered him, a glorified drone. Whether or not she physically took part in the Battle of Wolf 359 is unknown.

Picard killed the Borg Queen after she tried to persuade Lieutenant

Commander Data to give her the encryption code by which he had locked the Enterprise's computer. Data then sides with Picard, stating the Borg credo, "resistance is futile," this time deciding to keep his robot persona, and that the Borg army was too dangerous to be kept alive. After a climactic fight with both Picard and Data, the Borg Queen is brought down by Data. Nerve gas from the warp core plasma coolant released by Data destroyed her organic parts, after which Picard broke her cybernetic spinal cord, ensuring she could no longer function.

The second encounter with a newly revived Borg Queen was in 2375 in the Delta Quadrant. Here the lost Federation starship USS Voyager tried to rescue the former Borg drone Seven of Nine, who was then part of Voyager's crew, when the plan to steal a transwarp coil from a Borg sphere did not work out as planned. The Queen also revealed that the drone Seven of Nine was not really freed by Voyager from the Collective, but allowed to leave by the Borg. During this encounter the Borg Queen hoped to assimilate Seven of Nine again, who experienced life as an individual for two years, and so add to her own perfection. However, Seven rejected the Queen and fled with a rescue mission sent by the Voyager in the Delta Flyer. A Borg vessel was sent by the Queen to intercept the shuttle, but it was destroyed in the attempt.

The Borg Queen was one of several real people adapted into a character in Kelis' play, based on descriptions from B'Elanna Torres.

In 2377, a Borg Queen was again encountered by Voyager. This time the Queen wanted to destroy Unimatrix Zero, a virtual world populated by regenerating Borg with a genetic mutation. This world was discovered by Seven of Nine and posed a threat to the Borg. During Voyager's efforts to rescue this virtual world the Borg Queen demonstrated her powers by destroying a Borg sphere because she could no longer "hear" only one drone. When a nanovirus was released to prevent the detection of Unimatrix Zero, the Queen destroyed several Borg vessels, killing 75,000 Borg drones in the process, in the hope of persuading the captured Captain Janeway to give her the antidote.

The last encounter between a Federation starship and a Borg Queen was in 2378, and again Voyager played a part in it. Voyager accidentally discovered a Borg transwarp hub within a nebula and were helped by Admiral Kathryn Janeway, who came from an alternate timeline around twenty-three years in the future, to use the Borg transwarp network to get back to the Alpha Quadrant. Because the Borg guarded their transwarp hub closely, Admiral Janeway devised a plan by which she would infect the Borg Queen with a neurolytic pathogen and in doing so making her lose control over the force fields which protected the interspatial manifolds. When the admiral was captured by the Borg, near the unicomplex, she was assimilated by the Borg Queen herself. Soon after the Queen began to lose control over drones. The pathogen even made her lose control over her own synthetic parts, as her body literally fell apart. Her death caused the destruction of the unicomplex and despite her efforts Voyager reached Earth safely. The Borg sphere sent after them by the Queen was destroyed by Voyager's transphasic torpedoes, given to them by the admiral from the future. After the Queen's death and the destruction of the Borg sphere, Voyager has finally returned to the Alpha Quadrant after spending seven years of being stranded in the Delta Quadrant.

When I was done everyone that hadn't heard about them were shocked and horrified!

Twilight Sparkle: Oh man!

Eli: That is terrible!

Nico: Yeah. We faced them 3 years ago in 2020 and that was epic.

Ben: I know an alien that can help with this

Ben turned into Nanomech!

Ben: (TIny Voice) NANOMECH!

Me: Perfect choice Ben! Nanomech will rip apart the Borg Queen from the inside.

Laney: He sure will.

Me: Yep. And we're going to finish what we started before and sent her and her evil Collective all to the Black Gates.

Nanomech: Don't underestimate my size.

Me: Yeah.

Laney: We're going to have to summon our allies from all over the universe to help out with this.

Me: Good idea. We're going to need all the help we can get from the Borg and many more friends from all over the universe for this one. The Borg are like a cancer.

Nico: They sure are. Laney call them in.

Laney did so.

The previous group came.

Ragdoll: Can me, Zs'Skayr, Pyros, Tri Klops, 10,000 Volt Ghost, Marionette Shadow, Titania, Batroc, Gameface, and Count Nocturne go with you guys?

Nico: Yes you all can. We're going to need all the help we can get for this one.

Nico explained the situation and it was terrible!

They gasped!

Batroc: SACRE BLEU! The Borg are back!?

Zs'Skayr: I remember hearing about how you guys faced them back in the days of Total Drama Galaxy!

Qin: Yeah that was intense!

Grenade Man: Nico, which Gene Slammer of me and my fellow Robot Masters do you think you'll meet next?

Nico: Mega Man 9 Robot Masters next. Tornado Man first.

Qin: Cool!

Xenia: This will be cool.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figures were in the vision: the figure was none other than Universe 666 Raditz, one of the survivors and he's here to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. Buster Bunny: So, that arrogant blowhard's arrived, has he. I knew this day would come, now I'm going to make him pay.

Sebastian Mendez: Buster, he's not the prime universe version of Nappa.

Nico: Forget it, Sebastian. Buster hated Raditz as much as I did for what they did in serving Frieza. But, like I said, we're recruiting those two into The Masters of Evil because they are still part of my kind and they deserve a second chance.

Buster Bunny: Well, I think we should deal another crippling blow to that crazy idiot.

Lincoln: Yeah, by freeing Universe 666 Raditz, and to do so, we just need to make him rip-snorting mad.

Buster Bunny: But, not too mad, remember: he still has Universe 666 Sebastian's poisonous darkness in him.

Me: Yeah.

Nico: But, once you guys wear him down, all you got to do is use your technique to purify him for good, Buster. Alright, gang, let's deploy The U.S.S. Valorous Phoenix and head to The Enterprise and destroy The Borg Queen once and for all.

Lincoln: This will be the last time The Borg Queen dares to show her face once again, she will pay for trying to enslave the universe, and once we get done with her, you're next, Universe 666 Raditz.

Buster Bunny: Bugs already had his fun yesterday in making your fellow cohort rip-snorting mad, and now, it'll soon be your turn.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to The U.S.S. Valorous Phoenix and head to The Enterprise and destroy The Borg Queen once and for all and make her pay for trying to enslave the universe, and once we got done with her, Buster Bunny and Lincoln are going to take down Universe 666 Raditz and free him from Universe 666 Sebastian's control.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,006.7: The U.S.S. Valorous Phoenix is en route to meet up with the Enterprise to have them help us destroy the Borg Collective and the Borg Queen once and for all. Our allies from all over the universe are with us and we're heading to destroy the Borg forever.

Zs'Skayr: Where's Kirk right now?

Nico: We'll find him.

Qin: Yeah.

Lisa Loud: Scans show he is up ahead.

Eli: I see him.

We found him.

Nico: Excellent. Hailing frequencies.

Lola: Aye sir.

We pulled up.

Lola: Channels open.

Nico: U.S.S. Valorous Phoenix to Enterprise.

Kirk: Kirk here Nico.

Nico: We have a massive emergency Kirk. The Borg Collective are coming.

Kirk: We'll have to come aboard to help.

Nico: Right.

We got them on board. Then numerous ships came and they were from ALL OVER the universe.

Gravity Man: Did you call them or did they come thanks to us?

Laney: They came thanks to us. I called them.

Nico: I told her to summon all them.

Laney: Yep.

Everyone came on board and we explained the situation to them.

Picard: I knew that the Borg would return one day.

Me: Now we have a chance to finish them once and for all.

Tri-Klops: We probably have a few hours to prepare for them. Let's make the most of them.

Me: We'll see.

Nico: Either way the entire universe must be purged of the Borg one way or another.

Laney: Yeah so many people suffered because of them.

Lana: Yeah!

Helga Sinclair: We'll go prepare the weapons.

Me: Okay.

They went and did so.

Me: We're going to need all the heavy firepower we can muster for this.

Lola: I agree.

Vypra and the entirety of the M.O.E. Came.

Vypra: We'll gladly help here.

Varie: Awesome.

Kirk: Aside from this, how was your day been?

Titania: Pretty good. Poromon had stage fright.

Me: Yeah he had a comedy act.

Laney: He sure did.

Varie: It was fun.

Me: Yep.

Carol: But this is fun.

Seawing: Wanna see the video of Poromon being on stage?

Dr. McCoy: Sure guys.

We showed them it.

It was funny.

Gameface: What did you guys think?

Kirk: That was really funny and awesome.

Spock: I find all this laughter to be highly illogical.

Knight Man: We respect your view on emotions, Spock. But I hope someday, you'll learn to at least crack a smile.

Me: Knight Man, Spock never shows ANY emotion at all. Its been that way for as long as anyone can remember. And it's part of his planet.

Spock: That is correct.

Me: Yeah.

Varie: It's true.

Count Nocturne: Where do you guys want this pile of Metal Swords?

Me: We'll use those for this.

Count Nocturne: Okay then.

Qin: Awesome.

Nico: We should be just about ready.

Sword Man: Guys, I hope next batch of usual battles involves Gears and Legend Items.

Nico: I have a feeling there too.

Lola: Yeah.

Nico: Yep.

Varie: Yeah. That will be cool.

Batroc: Just need to power on the weapons.

Me: Yep.

We went to the bridge and went to find the Borg.

Me: They are out here somewhere.

Qin: Yep.

Laney: Stay alert guys.

Air Man: As soon as we see them, we do our entrance.

Me: Right.

Lisa Loud: Nico long range scanners show numerous ships and a huge ship up ahead.

Nico: On screen.

The screen showed. But it was too small to see.

Nico: Magnify.

It enhanced and then we saw BORG CUBE SHIPS AND THE

UNICOMPLEX!

Me: There they are!

Nico: Lets go. Full ahead!

We went at them.

The Borg and the Collective were getting ready for a huge attack. Then the spirits of the universe appeared out of nowhere and they swirled around them and they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A tremendously huge massive fiery explosion blasted off in front of the Borg and a Phoenix Cry was heard and then the ship came!

Nico: All hands Red Alert! Man your battlestations!

The alarms went off and we were ready!

Borg: WE ARE THE BORG! LOWER YOUR SHIELDS AND SURRENDER YOUR SHIPS! WE WILL ADD YOUR BIOLOGICAL AND TECHNOLOGICAL DISTINCTIVENESS TO OUR OWN! YOUR CULTURE WILL ADAPT TO SERVICE US! RESISTENCE IS FUTILE!

Nico: Here's what we say to that! FUCK YOU!

Bianca Borg: I'M TAKING BACK MY PEOPLE QUEENIE!

Nico: FIRE AT WILL!

We fired waves of lasers and proton torpedoes and blasted the ships all over the place with incredible fury and force and blasted them all over in powerful fiery explosions!

KRABBBBBBBBOOOOOOOOOOOMM!
KRABBBBBBBBOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOMMMMM!

KRABBBBBBBBBOOOOOOOMMMM!

Marionette Shadow: Ben, I'll use you as a spitball so you can enter the Queen!

Nanomech: Okay!

He was loaded into a straw.

We were blowing apart the ships all over the place.

Once the ships were all cleared away it was us and the Queen.

Me: We got her right where we want her.

Nico: It's just us and the queen now. If any Borg members come at us, blast them.

We then went on board the Unicomplex.

Me: Just like back in 2020.

Nanomech: Just like old times. Except no Stalker

Nico: Yeah.

We arrived in a big room and saw her. It was THE BORG QUEEN!

Me: Target sighted.

We went in.

Borg Queen: Welcome Team Loud Phoenix Storm. We have been expecting you.

Me: Nice to know that you were expecting us.

Borg Queen: Now you will join us.

Me: Not gonna fucking happen!

I fired a lightning blast and electrocuted her.

Marionette Shadow fired Nanomech and he flew in and went through her ear.

Me: This ends now Queen. Like it or not we're going to destroy you once and for all. No more people will be stripped of their Free Will.

Camie: Yeah! You have caused too many people to suffer!

Xenia: And it ends right now!

Eli: That's right! (IGNITES LIGHTSABER)

Borg Soldiers then came and fired lasers and Eli deflected the lasers back and blasted the Borg Soldiers all over.

Lola: Nice one!

Batch: You don't know what we did, do you?

Batch: You don't know what we did, do you?

Borg Queen: What do you mean?

Me: Our teammate Ben flew right into you as Nanomech and he's going to tear you apart from the inside.

I smirked.

10,000 Volt Ghost: Shocking, isn't it?

She then started shorting out all over.

Nanomech was blasting her all over the place from the inside.

10,000 Volt Ghost fired waves of lightning and blasted her arms.

Me: Take this.

I fired waves of fire and blasted the place all over and I fired waves of energy and blasted the Queen all over.

Bianca Borg slashed her all over and then kicked her in the face and punched her all over.

Bianca punched her in the face.

Dusk: Keep at it!

Bianca kicked her in the face and punched her in the stomach and slashed her stomach.

Me: And for good measure!

I used the Kamen Rider W Gear and my sword turned into the Gaia Memory Sword.

Me: Take this!

EXPLOSION! MAGMA! VOLCANO

I got an explosive magma lava sword!

Me: YEAH!

I swung the sword and fired fireballs and lava bombs and they hit the Borg Queen and exploded all over and blasted her all over in powerful fiery explosions.

Pyros: Time to melt!

He fired waves of lava and blasted the Borg Soldiers coming and they were really melted.

Nico: Yeah!

We fired blasts of lasers, energy blasts and elemental energy blasts and the blasts were blowing many Borg apart in massive fiery explosions that blew them into dust and fiery scrap metal. We also threw electromagnetic pulse bombs and blew them apart and short circuited them and we slashed them apart with our swords and cut them up really good. We blasted them with everything we got. I fired energy blasts and lasers and blew a bunch of Borg apart in massive fiery explosions and killed many of them.

Me: Lets see how they like this one! ATOMIC STYLE NINJA ART: TERROR OF THE GLOW ALIEN!

I fired a ray of light and it turned into a glowing green alien. (Simpsons Season 8 Episode 10) It was a strange creature as it walked by the Borg and melted many of them with a green glow that was really poisonous to all of the Borg.

Nico: YEAH!

Naruto: Awesome bro!

Me: Thanks bro.

Luan: Lets see how they like this one. LIGHT STYLE NINJA ART: FLIGHT OF THE ANGELS!

Luan fired a beam of light into the air and it formed into a beautiful group of angels and they flew at the Borg and slashed and blasted them all over and blew them all apart in fiery explosions. (Legacy of Discord - Furious Wings)

Me: Whoa! That was awesome Luan! Really Angelic. (Rimshot)

Luan: (Laughs) Good one J.D.!

Eddy: (Laughs) That was a good one.

May: How about they try this one? ICE STYLE NINJA ART: THE MYSTIC'S DREAM!

May floated off the ground an a raging snowstorm appeared and she sang The Mystic's Dream by Loreena McKennitt.

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

There that my heart is longing for
All for, for the love of you
A painting hangs on an ivy wall
Nestled in the emerald moss
The eyes declare a truce of trust
Then it draws me far away
Deep in the desert twilight
Sand melts in pools of the sky
Darkness lays her crimson cloak
Lamps will call, call me home
And so it's there my homage's due
Clutched by the still of the night
Now I feel, feel you move
And every breath, breath is full
So it's there my homage's due
Clutched by the still of the night
Even the distance feels so near
All for, for the love of you
A clouded dream on an earthly night
Hangs upon the crescent moon
A voiceless song in an ageless light
Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

There that my heart is longing for

All for, for the love of you

The snowstorm fired waves of snow and ice and they formed into the vikings of Norway and they hit a bunch of Borg and froze them solid in blocks of ice.

Laney: Lets see how they like this one. LEAF STYLE NINJA ART: IT'S A BEAUTIFUL DAY!

Laney floated in the air and a jungle appeared in the background and she sang the song It's A Beautiful Day by Sarah Brightman.

Un bel giorno…

Un bel giorno per morire.

Un bel di, vedremo

Levarsi un fil di fumo

Dall'estremo confin del mare.

E poi la nave appare.

With every new day

Your promises fade away

It's a fine day to see

Though the last day for me

It's a beautiful day

It's the last day for me

It's a beautiful day

It's the last day for me

It's a beautiful day

Leaves fired at the Borg and slashed them all apart and blew them into pieces.

Nico: Whoa! That was beautiful!

Lucy Loud: How about this one? BLOOD STYLE NINJA ART: BIRDS OF WAR!

Lucy floated into the air and a dark castle appeared behind her as the song Birds of War by Sabaton played.

The priesthood is trembling

The five knights of light has betrayed mankind

Now known as the dark ones

We strike down on earth with powers from hell

We ride on the wind we ride through the sky

Like unholy birds of war we fly

We bring agony and insanity

Once blessed by the light now serving the night

And soon cursed by every man on earth

We follow our lust, in no god we trust

Come join us

Leave this world behind and you will find satisfaction

Fight on our side you cannot hide from us forever more

Once greeted as heroes

Now treated as foes wherever we go

Recruiting more warriors

The hordes of undead march on our command

Now mankind will pay from this very day

Every man on earth will curse his birth

We spread fear and pain resistance in vain

We march in the dark your kind is our mark

Avoid the daylight in dark we fight

We'll control your souls you'll end up like ghouls

Waves of blood fired at the Borg and they turned into the Air Armies of the Germany Military and they blasted and destroyed many Borg in one fell swoop.

Eli fired waves of Force Lightning and electrocuted the Borg Queen all over.

Stella (Loud House): Lets see how they like this. SCORCH STYLE NINJA ART: THE HIGHWAYMAN!

Stella floated off the ground and the vast desert of the Sahara Desert on fire formed in the background as the song The Highwayman by Loreena McKennitt played.

The wind was a torrent of darkness

Among the gusty trees

The moon was a ghostly galleon

Tossed upon the cloudy seas

The road was a ribbon of moonlight

Over the purple moor

When the highwayman came riding

Riding, riding,

The highwayman came riding

Up to the old inn door

He'd a french cocked hat at his forehead

A bunch of lace at his chin

A coat of claret velvet

And breeches of brown doe-skin

They fitted with nary a wrinkle

His boots were up to the thigh

And he rode with a jeweled twinkle

His pistol butts a-twinkle

His rapier hilt a-twinkle

Under the jeweled sky

And over cobbles he clattered

And clashed in the dark inn-yard

And he tapped with his whip on the shutters

But all was locked and barred

He whistled a tune to the window

And who should be waiting there

But the landlord's black-eyed daughter

Bess, the landlord's daughter

Plaiting a dark red love knot
Into her long black hair
"One kiss my bonny sweetheart
I'm after a prize tonight
But I should be back with the yellow gold
Before the morning light
Yet if they press me sharply
And harry me through the day
Then look for me by the moonlight
Watch for me by the moonlight
I'll come to thee by the moonlight
Though hell should bar the way."
He rose up right in the stirrups
He scarce could reach her hand
But she loosened her hair in the casement
His face burned like a brand
As a black cascade of perfume
Came tumbling over his breast
And he kissed its waves in the moonlight
Oh, sweet waves in the moonlight
He tugged at his rein in the moonlight
And galloped away to the west

He did not come at the dawning

He did not come at noon

And out of the tawny sunset

Before the rise of the moon

When the road was a gypsy's ribbon

Looping the purple moor

A redcoat troop came marching

Marching, marching

King George's men came marching

Up to the old inn door

They said no word to the landlord

They drank his ale instead

But they gagged his daughter and bound her

To the foot of her narrow bed

Two of them knelt at the casement

With muskets at their side

There was death at every window

Hell at one dark window

For Bess could see through the casement

The road that he would ride

They had tied her up to attention

With many a sniggering jest

They had bound a musket beside her
With the barrel beneath her breast
"Now keep good watch" and they kissed her
She heard the dead man say
"Look for me by the moonlight
Watch for me by the moonlight
I'll come to thee by the moonlight
Though hell should bar the way."
She twisted her hands behind her
But all the knots held good!
But she writhed her hands 'til her fingers
Were wet with sweat or blood
They stretched and strained in the darkness
And the hours crawled by like years
Till now on the stroke of midnight
Cold on the stroke of midnight
The tip of her finger touched it
The trigger at least was hers
Tot-a-lot, tot-a-lot had they heard it?
The horse's hooves rang clear
Tot-a-lot, tot-a-lot in the distance
Were they deaf they did not hear?

Down the ribbon of moonlight

Over the brow of the hill

The highwayman came riding

Riding, riding

The redcoats looked to their priming

She stood up straight and still

Tot-a-lot in the frosty silence

Tot-a-lot in the echoing night

Nearer he came and nearer

Her face was like a light

Her eyes grew wide for a moment

She drew a last deep breath

Then her finger moved in the moonlight

Her musket shattered the moonlight

Shattered her breast in the moonlight

And warned him with her death

He turned, he spurred to the west

He did not know she stood

Bowed with her head o'er musket

Drenched with her own red blood

Not till the dawn he heard it

His face grew grey to hear

How Bess the landlord's daughter
The landlord's black-eyed daughter
Had watched for her love in the moonlight
And died in the darkness there
And back he spurred like a madman
Shrieking a curse to the sky!
With the white road smoking behind him
And his rapier brandished high!
Blood-red were the spurs in the golden noon
Wine-red was his velvet coat
When they shot him down in the highway
Down like a dog on the highway
And he lay in his blood in the highway
With a bunch of lace at his throat
Still on a winter's night they say
When the wind is in the trees
When the moon is a ghostly galleon
Tossed upon the cloudy seas
When the road is a ribbon of moonlight
Over the purple moor
A highwayman comes riding
Riding, riding,

A highwayman comes riding

Up to the old inn door

Bianca Borg: Goodbye forever, you monstrous bitch!

Lincoln and Bianca Borg: TECH STYLE NINJA ART: BORG QUEEN ANIHILATION RASENSHURIKEN!

Lincoln and Bianca Borg formed and fired two massive black Rasenshurikens with technology orbiting around a black fire core, and they slammed into The Borg Queen and destroyed her and she was sent to The Black Gates forever!

Me and Nico: And stay dead forever, you universe-conquering bitch!

We headed back home and landed The U.S.S. Valorous Phoenix in the hanger, and we disembarked in the park.

Nico: It's been three years ever since we dealt with The Borg Queen, but it's finally over, we got rid of her for good.

Lincoln: Yep, that's another of the Star Trek villains taken down, and now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

?: YOU WILL ALL PAY FOR WHAT YOU'VE DONE IN ANGERING THE MASTER!

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of energy blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking that energy signal from anywhere.

Lincoln: Not at all. Come on out, Universe 666 Raditz, or else, we will force you out!

A figure came out, and it was none other than Universe 666 Raditz, and like with the others, his eyes were completely red and he had a black and purple aura surrounding him.

Nico: So, Universe 666 Raditz has arrived.

Buster Bunny: We got to stop him and free him from that leech's control. Now, it's my turn to shine.

Suddenly, Buster Bunny's blue eyes turned neon blue and he was surrounded by a red and blue energy aura with stars, carrots, fire, explosives, rabbits, phoenixes, and angels, he unholstered his massive Inheritor of Bugs Bunny's Comedic Firestorm Legacy Broadsword of Explosive Comedic Justice from his back and as he approached Universe 666 Raditz, he left red and blue energy, stars, carrots, fire, explosives, rabbits, phoenixes, and angels with every step.

Buster Bunny: Even if you're just a counterpart of the one we despise, you're still getting a major-league beatdown for serving that deranged lunatic right before I free you from his influence.

Suddenly, Buster Bunny was surrounded by a massive vortex of red and blue energy with stars, carrots, fire, bombs, and explosives surrounding the vortex, there are rabbits, phoenixes, and angels flying around the vortex, and in the vortex is a blue phoenix with blue eyes gazing at Universe 666 Raditz: the blue eyes of salvation. Then, as the vortex faded, Buster Bunny emerged, but he was changed forever.

Buster Bunny grew from 7'5" to 8'5" in height, his abnormally massive and powerful upper and lower body muscles grew even bigger and he still retained his eight-pack abs, he now has large gold metal bracers on his massive biceps and thighs, and he now has eleven large light blue orbs orbiting around his legs, he has red highlights in the bangs of his full head of long wild blue hair going down to the bottom of his neck and he has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind his head, he has neon blue eyes and a red and blue energy aura with stars, carrots, explosives, fire, rabbits, phoenixes, and angels surrounding him and he has an immense rainbow protective aura with elements swirling around it, he has a rabbit with a bomb in its paws emblazoned on his forehead and Third Eye with blue iris, he has on his Crystal Necklace of The Buddha with red gems on the gold flame-shaped links and blue crystal links and a blue rabbit-shaped Element of Harmony and on the bottom of the blue rabbit-shaped Element of Harmony is a rabbit with blue gems for eyes and the Star, Explosive, Comedy, Fire, and Eternity Kanjis in its paws for the pendant, he has on a red short-sleeved shirt with blue phoenix on it, white gloves, dark blue jeans with flames on the legs, black knee-high boots with golden flame buckles, and long sleeveless white trenchcoat with stars, carrots, explosives, fire, rabbits, phoenixes, and angels on the coattails and on the back is a phoenix, rabbit, and angel and on top is the Warner Bros. logo with fire, bombs, and explosives surrounding them and his Mark of The Saiyans on his left shoulder is glowing. Suddenly, Buster Bunny felt a sharp pain on his now wider and more muscular back, and then, his massive blue angel wings with red tips on the blue feathers grew much bigger for his new body and his blue pointed cottontail grew much bigger for his new body. Buster Bunny has on a Ring of The Phoenix with red gem and heart-shaped gem embedded in it on his right ring finger and Blue Lantern Ring on his left ring finger and Stone of Gelel embedded on his left white-gloved hand.

Suddenly, Buster Bunny's massive Inheritor of Bugs Bunny's Comedic Firestorm Legacy Broadsword of Explosive Comedic Justice and all the greatswords and swords he has began merging together and were surrounded by a kaleidoscope of red and blue energy, stars, carrots, explosives, fire, rabbits, phoenixes, and angels, and when it emerged, it was transformed into Buster Bunny's Acme Acres Legendary Looney Tunes Inheritor of Bugs Bunny's Legacy Comedic Explosive Firestorm Rabbit Angel Greatsword of Acme Acres Legendary Looney Tunes Inheritor of Bugs Bunny's Legacy Comedic Explosive Firestorm Rabbit Angel Justice, it's a brand-new massive greatsword with embedded red and blue gems and the silhouette of Bugs Bunny etched on the 7'9" massive, wide, double-edged gold blade, large gold rabbit heads for the crossguard, large white angel faces built into both sides of the hilt and large red and blue gems embedded in the foreheads, longer midnight black handle, four large gold rabbit heads with red gems for eyes and in their open mouths and on the bottom of the rabbit heads is a large gold rabbit head with red gems for eyes and blue gem in its mouth for the pommel, he has on his new large gold Bracers of The Champions of The Universe with large orange gems on his wrists and Dragon Ball Bracelet on his left gold Bracer, large gold Belt of Elemental Bravery with a gold rabbit head with red gems for eyes and large blue gem in his mouth for the belt buckle on his waist, large rainbow-colored leather and gold metal bound

We were amazed by Buster Bunny's Super Angel-Acme Next Gen Knight-Rabbit-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Universe 666 Raditz saw it, he immediately fired energy blasts at him, but Buster Bunny fired a massive barrage of red and blue energy, stars, carrots, explosives, fire, rabbits, phoenixes, and angels which hit Universe 666 Raditz and they exploded, he got back up, but now, he was enraged.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Buster Bunny did.

(SNAPS FINGERS) (Speaking In Enochian) NOQUODI!

A purple Umbra Witch portal appeared in the skies and white Wicked Weaves manifested, and then, we saw Mictlantecuhtli, Presser of Destruction appear and it let out a loud screech.

Lincoln and Buster Bunny went after Universe 666 Raditz, and they fired extremely powerful blasts of red and blue energy, stars, carrots, fire, explosives, bombs, rabbits, phoenixes, angels, rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Raditz, and they exploded with incredible power as they hit him.

Then, they attacked him with slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and he and Buster Bunny attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and Buster Bunny and Lincoln even threw bombs at him.

Bugs Bunny: Buster and Lincoln are literally tearing him to shreds.

Ace Bunny: I knew it was gonna get ugly.

Then, Buster Bunny and Lincoln got back as Mictlantecuhtli went at Universe 666 Raditz and he fired sonic screeches at him and he fired electricity at him which electrocuted him. Mictlantecuhtli was dispatched as Buster Bunny threw another bomb which exploded and freed Universe 666 Raditz, but he got knocked him out cold as he was way too dizzy, and then, he was bound with chains of light fired by Lincoln with a swing of his massive greatsword.

Buster Bunny: (Divine Echoing Godly Voice of The Divine Eternal Comedic Legendary Next Gen Acme Acres Looney Tunes Wisecracking Firestorm Rabbit Phoenix Angel and Divine Eternal Comedic Legendary Next Gen Acme Acres Looney Tunes Wisecracking Firestorm Rabbit Phoenix Angel Hope) Here goes.

PURIFICATION STYLE NINJA ART: POISONOUS DARKNESS PURIFICATION!

Buster Bunny fired a beam of purifying white light which hit Universe 666 Raditz and removed every trace of the poisonous darkness that infected him, and he was restored and sent to Good Luthor. We all cheered wildly as Lincoln and Buster Bunny holstered their massive greatswords on their backs and powered down, and Buster Bunny's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive blue angel wings are permanent.

Nico: Okay, now… that… was… AWESOME!

Me: It sure was, that was really incredible.

Eli: That's the last one freed from Universe 666 Sebastian.

Suddenly, we heard a loud demonic roar and it was coming from Acme Acres.

Lincoln: And we pissed him off even more, and Good Luthor will be keeping an eye on them and the others.

Me: Yeah, and now that Universe 666 Sebastian has finally gone off his rocker and gone mad, now we can finally kill him tomorrow and make him pay for what he's done. So, Lincoln, who are we meeting tomorrow?

Lincoln: I've got a hot one and she's a lot like Jonah Thule: Melanie Martinez, Gene-Slammer of Muscle Medic.

Jonah Thule: Wait, Melanie Martinez?! The world-famous international bodybuilder from Michigan?! I've known her for years, she's able to lift over 9,000-lbs, she's even more stronger and powerful than me. She's my biggest idol.

Nico: WHOA!

Selene Arcangela: Whoa is right, and that's an awesome one and you guys are seriously going to like her a lot: Melanie Martinez is Lincoln's Guardian Angel from Royal Woods and in addition to massive amounts of superhuman strength, she has incredibly strong and powerful water powers, and as Jonah Thule pointed out just now, she's a world-famous international bodybuilder and she's able to lift over 9,000-lbs and she's literally THAT STRONG AND THAT POWERFUL.

Me: (WHISTLES) Man, that's really awesome.

Michelle Emperyous: You said it, and like Kiara Kessler, Melanie really got Lincoln into bodybuilding and she really trained him hard for that sport, and it was because of it, Lincoln won a lot of trophies in bodybuilding, and after he won another bodybuilding championship, he asked Melanie and Kiara to come up to the stage, and there, in front of the spectators, he brought them in with a strong embrace and he kissed them both on the lips and that made the crowd cheer wildly.

Me: I remember that all too well.

Nico: Same here, I saw it on TV at home, and I saw the trophies he'd received. Man, when it came to bodybuilding, Lincoln literally is an Alpha champion.

Luna: Lynn was really that proud of him for winning a ton of bodybuilding competitions, and Lincoln wound up getting hugged by Lynn and kissed on the forehead and cheek every time he came back from them.

Lynn: I was really that proud of him in winning those bodybuilding competitions, and there's one thing you guys should know: she really hates Hawk, Hank, The Stankcos, Lori, Lola, Lisa, and Luan with a blazing passion. One time, as Lincoln and Melanie were at Lake Superior on a date, Lori, Lola, Lisa, Hawk, Hank, and The Stankcos came charging at them, but Melanie punched the ground so hard, she literally made the ground quake and that made them lose their balance and they fell flat on their butts, and Lincoln really smashed Lori, Lola, Lisa, Hawk, Hank, and The Stankcos into the ground. Then, he and Melanie grabbed and lifted each of them up off the ground and they threw them with their really massive and excessive superhuman strength and sent them flying in different directions: Lori, Lola, and Lisa back to the house, Hawk and Hank to prison, and The Stankcos to the Royal Woods Police Department.

Eli: What the heck?!

Rachel Emperyous: And when Lori, Lola, and Lisa saw Melanie after she and Lincoln came back, they swore they would kill her, but she told them off and said that they've always been nothing more than bitches to Lincoln, and she threatened them with this: if they ever come near Lincoln again, she was gonna crush their skulls like acorns.

Nico: Yeah, I remember that one all too well, I almost broke out the paddle. Well, guys, you know this means tomorrow, right?

Me: Yeah. The final showdown with Universe 666 Sebastian. We've played his twisted games long enough.

Lincoln: That we have, and by this time tomorrow, he'll finally be out of ploys and schemes and he's since been driven deep into the bowels of madness. Now, all we have to do is put him down for good.

Eli: He deserves to die.

Drakus: And in the most gruesome way imaginable.

Lincoln: Right. (Deep Sapphire Eyes turn red) You better be ready, Universe 666 Sebastian, your end is coming, and you will pay for every last one of your crimes with your life.

Motor Ed: That's the end of the Borg Queen! Seriously!

Titanium Titan: It sure is.

Whirlwind: Never again will the Borg harm anymore people.

Me: And the universe is now free from their evil.

Eccentro: Got that right.

Metal Sonic: You okay, Ben?

Ben: I'll be fine guys. That was so fun and awesome.

Lola: Yep.

Nico: Now we've officially seen the last of the Borg. Great job everyone!

Vypra: Thanks. This was fun. Just like old times.

Me: Yep.

Bianca Borg: (To the viewers) Now the Borg are a forgotten memory.

Laney: Yes they are.

Me: Lets head home and get some grub.

Nico: Good idea.

We went back home and went to Lynn's Table and got some grub and then went back home and enjoyed the rest of the day and went to sleep after destroying The Borg Queen and freeing Universe 666 Raditz, and now, tomorrow, the final showdown against Universe 666 Sebastian is about to begin and the fate of the entire universe will be decided. Meanwhile, in the dark ruins of his castle in Acme Acres, Universe 666 Sebastian, now a completely and absolutely deranged mess, has finally lost his last nerve and he's now even worse than The Joker.

Universe 666 Sebastian: THOSE GODDAMN FUCKING ASSHOLES! THEY'VE RUINED EVERY LAST ONE OF MY SCHEMES AND HAVE DRIVEN ME STRAIGHT INTO ETERNAL FUCKING MADNESS! THAT IS THE LAST FUCKING STRAW! DAMN YOU ALL, TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL! YOU HAVE RUINED ALL OF MY SCHEMES TO SEE YOU ALL DIE SO THAT I CAN FINALLY DESTROY ALL LIFE ON EARTH AND THE UNIVERSES BEYOND! GODDAMN YOU, GODDAMN YOU ALLLLL! (ENRAGED N-TH DEGREE FUCKED UP SCREAMING) I WILL KILL YOU ALL! EVERY LAST LIVING THING WILL ALL DIE AND PERISH! (NTH-DEGREE FUCKED UP DERANGED DEMONIC CACKLING)

SO BE IT, UNIVERSE 666 SEBASTIAN, YOU HAVE SINCE

SEALED YOUR FATE, AND COME TOMORROW, YOUR LIFE SHALL END IN A POOL OF YOUR OWN BLOOD!

And we're going to battle Another Neptune's Moon, Neptune's Sun, Red Guy, Sir Urchin and Snail Fail, Quark and Mirror Master. And we're going to meet a gene-slammer for Tornado Man. Her name is Tammy Tornado. She is an awesome master of wind.

For tomorrow, the final showdown against Universe 666 Sebastian is on as Ace Bunny and all of us come together to finally put an end to that monstrous and deranged piece of garbage.

For Lincoln's rescue tomorrow, we're heading to the northern part of Gotham Royal York, and we got word that an even stupider and crazier version of Billy is running loose and is causing havoc and he has Grim's scythe and is slicing the place up. So, we're going to stop him and send him straight to Vypra to straighten him out. And we're going to meet Melanie Martinez, Gene-Slammer of Muscle Medic, she's Lincoln's Guardian Angel from Royal Woods and she was born with massive amounts of superhuman strength and she also has incredibly strong and powerful water powers, and she's a world-famous international bodybuilder and she's able to lift over 9,000-lbs and she's literally THAT STRONG AND THAT POWERFUL. She's also a powerful idol that Jonah Thule respects and idolizes, and like Kiara Kessler, Melanie really got Lincoln into bodybuilding and she really trained him hard for that sport, and it's because of it, Lincoln won a lot of trophies in bodybuilding, and after he won another bodybuilding championship, he asked Melanie and Kiara to come up to the stage, and there, in front of the spectators, he brought them in with a strong embrace and he kissed them both on the lips and that made the crowd cheer wildly, and Lynn was really that proud of him for winning a ton of bodybuilding competitions, and Lincoln wound up getting hugged by Lynn and kissed on the forehead and cheek every time he came back from them, she was that proud of him in winning those bodybuilding competitions, and there's one thing you guys should know: she really hates Hawk, Hank, The Stankcos, Lori, Lola, Lisa, and Luan with a blazing passion. One time, as Lincoln and Melanie were at Lake Superior on a date, Lori, Lola, Lisa, Hawk, Hank, and The Stankcos came charging at them, but Melanie punched the ground so hard, she literally made the ground quake and that made them lose their balance and they fell flat on their butts, and Lincoln really smashed Lori, Lola, Lisa, Hawk, Hank, and The Stankcos into the ground. Then, he and Melanie grabbed and lifted each of them up off the ground and then, they threw them with their really massive and excessive superhuman strength and they sent them flying in different directions: Lori, Lola, and Lisa back to the house where they got grounded, Hawk and Hank to prison, and The Stankcos to the Royal Woods Police Department. And when Lori, Lola, and Lisa saw Melanie after she and Lincoln came back, they swore they would kill her, but she told them off and said that they've always been nothing more than bitches to Lincoln, and she threatened them with this: if they ever come near Lincoln again, she was gonna crush their skulls like acorns.

The final part of the Star Trek Saga is for V'Ger and we're going to help that awesome and colossal ship learn more about everything.

See you all next time.

Me: Ahh. Nothing like a little relaxing in the park to take your mind off things.

Nico: You said it.

Qin: Yeah it's awesome.

Lola: Yeah.

Varie: It's great to relax and have fun.

Camie: You got that right. Especially with relaxing by the lake too.

Nico: That is for sure.

Zoe Orimoto: I agree there.

Lola Namiko: I agree too everyone.

Nico: Zoe, I want to thank you, Mirror Master, and your teams for coming

Zoe Orimoto: No problem Nico. This is gonna be fun.

Kazemon: It sure will be fun.

Nico: Yep.

Honia: Yeah it sure will.

Nico: Honia, remember when J.D. meet you?

Honia: Boy I sure do. That was fun.

Me: That was when we battled that HUGE Octopus in New York City.

Nico: That was a nasty looking cephalopod.

Camie: Geez!

Varie: Yeah that was crazy.

Honia: But that was fun.

Juran: Do you sting people?

Honia: I may be a hornet but I only sting when I'm provoked.

Me: It's true and her stings hurt like a son of a bitch.

Xenia: Ouch.

Me: Yeah no kidding.

Laney: Yeah. But that was a cool rescue to hear about.

Nico: It sure was. But that Octopus tasted good in a stew.

Me: It sure did.

Laney: Yeah.

Me: Man yesterday was awesome.

Lola: Boy it sure was. We destroyed the Borg and liberated the entire universe from a terrible monster race.

Lincoln: And got Bianca Borg her people back.

Nico: And we destroyed the Queen.

Me: And banished all of the Borg to the Black Gates.

Lola: Good riddance.

Nico: Yeah.

Varie: Yeah.

Nico: With help from Nanomech.

Me: Yep.

Qin: That was awesome.

Laney: It sure was.

Nico: I have a feeling that the next Star Trek Villain is the biggest one yet.

Me: If it's who or what I think it is then we're going to be in for an awesome adventure.

Camie: Yeah no kidding.

Lola: Yeah.

Varie: Yeah this will be awesome.

Nico: No kidding.

Eli: But it will be fun.

Nico: For now, let's enjoy the peace and quiet.

Me: Yeah. This is good.

We got relaxing.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Qin, are you familiar with someone by the name of Amanda Martin?

Qin gasped.

Qin: Amanda Martin?!

Nico: Oh Hell no! Not her!

Me: You two know her?

Nico: I wish we hadn't.

Qin: Allow me to explain her, and Lincoln's right, you're not going to like her one bit. Amanda Martin is literally the worse bully ever, she's even worse than that deranged sadistic slut, Audrey Madison. When she first walked into Kindergarten, she'd hated me ever since then and she also hated Nico ever since then as well.

Nico: She was a Class-A Monster Bitch to the core, and during this one time in high school, Amanda Martin tried to attack Qin, but then, a dark stranger appeared and he fired a blast of darkness at her and sent her flying into a trash can, and ever since then, he defended her from that bitch.

Me: Hmm. Qin, do you have a picture of him?

Qin: Yep.

Qin took out the picture of the dark stranger, he had long black hair, midnight blue eyes, and had fair colored skin. But, when we saw the stranger's massive midnight black angel wings, long black long-sleeved coat with stars and darkness on the coattails, black shirt, white buttoned dress shirt, black choker on his neck, large midnight blue brooch, long black pants, and black knee-high boots, we saw who it was.

Lincoln: (GASPS) No way. Qin, the person who defended you, that was… !

Qin: It was none other than Sebastian. He proved to be an awesome friend, and this was long before his descent into madness thanks to Dustin Keystone and the emergence of his Dark Side and then, his prolonged suffering from his Dark Side's return due to Chase Young's Dark Side. We better get Sebastian immediately.

Lincoln: He's not gonna like it one bit.

Suddenly, Sebastian appeared.

Sebastian Mendez: I certainly wasn't going to like it one bit. I can't believe Amanda Martin's escaped from prison.

Me: Whoa, what did she do?

Sebastian Mendez: One day, we were having lunch in the cafeteria, but then, we saw Amanda Martin come in, but she had a gun in hand and she was going to use it to kill Qin and Nico. However, what that bitch hadn't known was that because of Dustin's attempt to kill me to slake my thirst for blood, I had since had to deal with my dark side, but I couldn't let him out or he would kill everyone, but she has given me no choice. I decided to show her Hell on Earth by letting the evil that I'd kept inside me out and what happened next was horrific: I attacked her with dark energy blasts and summoned dark hands from Hell that slashed at her with their clawed fingers, and I even grabbed her by the neck and pinned her to the wall and made her confess her crimes.

We gasped.

Qin: It was absolutely horrific, what we witnessed was Hell being unleashed on Earth, but in the end, it got Amanda expelled from school and she was arrested and sent to juvie. But, she hadn't forgotten her hatred of me and Nico.

Nico: Nor did she ever forget the face of pure unendurable horror and darkness that was unleashed that day, and now, we got the news Amanda Martin has escaped from Juvie and wants revenge. She is heading right for The Xaikora Prison for Queen Bee Mean Girls!

Lincoln called the rest of the team here and he told everyone the situation, and needless to say, they too were pissed off.

Lori: So, we literally got another mean queen bee girl running loose?!

Sebastian Mendez: Not a queen bee mean girl, Lori, just a heartless bitch even worse than Audrey Madison, and I'm looking forward to giving her Hell once again.

Eli: (Sensed the fracturing mental state of Universe 666 Sebastian) Whoa, what the?! Oh man, guys, you're going to like hearing this, Universe 666 Sebastian's mental state is already on its last legs, if we take down Amanda Martin, it'll lead to him exploding with rage even more.

Me: (Smirks) This should be good.

Nico: But, of course, he's gonna do something extremely horrific that'll lead to a major puke fest.

Me: You got that right.

The Underground Girls concentrated and then, Qin's tail started growing inside her pants.

Me: Wait girls! Don't transform yet.

They stopped and waited.

Me: We still got other things to worry about.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we

saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Amanda Martin) AHA! Gotcha! I just spotted that heartless bitch, she's 20 yards away and closing in fast on Nico and Qin.

Nico: Let's head on over and trash that bitch.

Lincoln: Yeah, let's get her. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Amanda Martin.

We were flying

Nico: Where is that bitch?

And then, we saw Amanda Martin, and she was already causing havoc by trashing many cars and literally beating people up and cackling like the bitch that she is.

Me: That her?

Qin: Yep.

Suddenly, we saw Sebastian's eyes turn from midnight blue to the familiar demonic red color and his eyes started leaking tears of blood.

Sebastian Mendez: (DEMONIC VOICE) You… ! Goddamn… ! WRETCHED SPAWN OF SATAN!

Suddenly, Sebastian summoned demonic hands that grabbed her and he threw her into a tree and she crashed into it hard.

Me: Oh shit.

Nico: He's decided to start the bloodbath early. Let's take her down before he threatens to spill her guts.

Suddenly, a massive wave of darkness appeared and demonic creatures from Hell fired darkness at Amanda Martin as she got hit hard. Then, the wave of darkness and demonic creatures crashed into the ground as a massive tornado of darkness formed, and then, a Thunderbird Screech and Phoenix Cry was heard and we appeared, and that pissed off Amanda Martin when she saw Nico and Qin yet again.

Amanda Martin: YOU GODDAMN MONKEY-TAILED ASSHOLE AND YOU GODDAMN FUCKING BITCH! HOW DARE YOU SHOW YOUR FACES TO ME AGAIN!

Nico: Look who's talking, bitch, that's just what we were going to say to you!

Qin punched Amanda Martin hard in the face and knocked out some of her teeth, and that pissed her off.

Qin: I never would've guessed you'd show your ugly face again, Amanda. First, we had to deal with Audrey Madison last year, and now, you show up a year later. Oh, and we're not the only ones who's pissed to see your ugly face again.

Amanda Martin looked furiously, and when she saw Sebastian Mendez, her face went pale white as a ghost: the same person who showed her Hell on Earth in that incident years ago had returned, and the nightmare she had to deal with has also resurfaced.

Amanda Martin: No… ! No… ! It can't be!

Sebastian Mendez: That's right, Amanda, I have returned. You made a huge mistake busting out of juvie, did you really think you could come after us and not expect the consequences? By the way, we already knew about this from Lincoln. I warned you that if you ever busted out of juvie and came after us, I would end you right where you stand.

Qin: Given the fact that we'd already told everyone that you're just as bad and depraved as Audrey Madison, Sally Witchford, my insane ex-sister, and many of our other enemies, I think that's a given.

Nico: You better be ready for Hell, bitch, because that's where you are going!

Amanda Martin screamed like a banshee and ran at us with a knife, but Nico and Qin kicked her hard into a wall, she got back out, but now, she was major-league beyond pissed off.

Me: And just for that attempted murder on Nico and Qin, you just crossed a serious line. Now, you're really heading for Hell.

Me: Okay now!

The Underground Girls concentrated again before Qin's tail burst out of her pants.

POP!

Qin turned into Scalebreath and the girls transformed!

Kendra'a eyes merged into one.

She turned into Armorsight!

The Underground girls all were transformed!

Amanda Martin: YOU'RE ALL FREAKS!

Nico: You're the freak you bitch!

Eli: Yeah! You are a freak!

The ripped clothes of the Underground girls fell to the ground.

Rarity: Looks like we got our work cut out for us.

Me: Yep.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well.

Sebastian Mendez: But, I didn't. Now, it's time to rectify that. I'm sending you straight to Hell for this, Amanda Martin, prepare to die!

Qin: You've had this coming for a very long time, bitch!

Nico: And we've made absolutely sure that we reserved a spot for you in Hell.

We all stood ready and the bravery coming from Qin and Nico along with Sebastian's return made Amanda Martin so extremely angry, her face and body turned red with rage along with her eyes and the sclera turned bloodshot and she was blowing steam out of her nose: she looked like a raging bull and she let out a ballistic scream as we charged at her and she barreled towards us in pure rage.

Lincoln and I went after Amanda Martin, and we fired extremely powerful blasts of rainbow energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Amanda Martin even more insane and straight to the brink of insanity.

Amanda Martin: YOU! YOU! (ENRAGED SCREAM)

Amanda Martin charged at us completely blind with rage and fury, but Nico and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at her and she got hit hard and he slashed at her with his massive black greatsword.

I punched her!

Me: Time for this!

I used the Kamen Rider Ghost Gear and it turned my sword into an Eyecon Sword!

Me: Cool! An Eyecon sword! Lets see here.

Nicolaus Copernicus, Johannes Keplar, Giovanni Domenico Cassini, Christiaan Huygens, Galileo Galilei, Edwin Hubble!

Me: ASTROPHYSICS BLADE OF THE STARS!

Nico: COOL! A Sword for The Greatest Astrophysicists of All Time.

Nicole: Awesome! Those are some of my heros in astro science.

Shredlegs fired webbing at her and webbed her up.

Me: STARS OF HISTORY STAR STORM!

I fired waves of stars and blasted Amanda all over and blasted her.

Thunderlegs fired waves of lightning and electrocuted her.

Quarry fired acid and burned her arm.

Stonebiter punched her and smashed her teeth out.

Armorsight bashed her.

Queen Nail and Razorfist slashed her.

Irena blasted her and the girls blasted her.

Nico: Time for some pain!

A wave of ice was fired and then it froze half of Amanda.

Me: WHOA!

The figure stopped and it was a girl with blue hair, blue eyes, and she had dark blue clothes and had a tiara with the symbol for Cold on it and she had tattoos for Kamen Rider Wizard and Gaim on her arm and a sword of ice.

Ciana Cold: How's that you bitch!? Ciana Cold, the Embodiment of Cold Man is here to bash your brains in.

Haruto: Ciana!? Wow!

Kouta: Wow! You're looking great.

Ciana Cold: Haruto and Kouta. Its been a while.

Me: Awesome to meet you Ciana.

Ciana Cold: Same here. Lets get her!

Nico: Yeah!

Haruto: Henshin!

Kouta: Henshin!

They transformed into Kamen Rider Wizard and Gaim!

Me: YEAH! Lets see how they like this!

I used the Wizard Gear and it turned my sword into a WIZARD SWORD!

Me: COOL!

I put on the ring for Pyros the Lava Titan!

Pyros the Lava Titan! PLEASE!

It formed my sword into a LAVA SWORD!

Me: WHOA! That is cool!

Zhuqiaomon: Wow! Look at this!

Me: LAVA HELIX BLAST!

I fired a wave of lava and it hit Amanda and burned her.

Chōīne! Finish Strike! Saikō!

Haruto turned into Infinity Dragon Gold

Soiya! Kachidoki Arms! Iza shutsujin! Ei! Ei! Oh!

Kouta turned into Kachidoki Arms.

Haruto: NOW, IT'S SHOWTIME!

Kouta: IT'S OUR STAGE NOW!

Me: Awesome! How about this too.

I put on the ring for Kamen Rider Falchion!

FALCHION! PLEASE!

It turned my sword into the sword of Kamen Rider Falchion and my wings turned into Wings made of Pure Fire!

Me: WHOA!

Nico: AWESOME!

Haruto: WOW! I forgot that Falchion is part of the M.O.E.

Me: Yeah! (Quotes verse) "The Eternal Phoenix flew down from the skies and rained down fire on its enemies and caused new life to arose from the ashes of pain and suffering and new life bloomed forth which brought love and peace to all."

The Eternal Phoenix flew down and I fired waves of fireballs and blasted Amanda and blasted her all over!

Haruto and Kouta charged at her.

And they blasted her with fire and grape blasts.

Me: Oh yeah! Lets see how she likes this!

I put on the ring for Phoenix (Wizard)

PHOENIX! PLEASE!

I got an awesome Phoenix Sword! And my wings glowed with incredibly strong fire!

Me: WHOA! Awesome!

I chanted an incantation and fired a wave of fire and blasted her all over!

Nico: WHOA! That is cool!

Me: Boy Phoenix would love seeing this one!

Scalebreath charged at her And bashed her down.

Qin: YEAH!

Me: Lets see what this one does.

I used the Gaim Gear and it turned my sword into a HELHEIM FRUIT SWORD!

Me: Wow! This is cool! Lets see here.

I used the Durian Fruit Lockseed.

Me: Plug your noses.

DURIAN ARMS!

I activated it and it turned my sword into a Durian Fruit Sword! IT SMELLED HORRIBLE!

Me: Sniff on this bitch!

I fired waves of Durians and they hit her and farts were heard!

FART FART FART FART FART FART FART!

THE SMELL WAS REALLY BAD!

Me: OH GOOD GOD!

Nico: Stinky Butt would be proud.

Me: Yep. But Stinky Butt's farts smell worse!

STINKY BUTT ARMS!

I activated Stinky Butt's Lockseed and my sword turned into a sword that looks like someone's butt!

Me: SNIFF ON THIS!

LOUD FART!

I fired waves of farts and they hit Amanda and loud farts were heard and she was coughing and gagging and even hurling her guts out!

Ed: WHO STEPPED ON A DUCK!?

Nico: Her, apparently!

We laughed!

Me: WHEW! Man! LORI WAS THAT YOU!?

Lori: IT WAS NOT! IT WAS MY SHOE!?

Me: (LAUGHS) Just kidding Lori.

Lori: Oh. That was funny. (LAUGHS)

Me: Lets see. I know!

I used CYBERTRON STARSCREAM'S RIDEWATCH!

CYBERTRON STARSCREAM ARMS!

Nico: Cybertron Starscream!? WHOA!

I got his blaster and fired waves of energy and blasted Amanda!

Lola: WHOA! Cybertron Starscream packed a wallop!

Poromon: (EXTREMELY DRUNK SLURRED SPEECH) OH SO YOU THINK YOU'RE BETTER THAN ME BITCH!?

He ran fast and bashed her all over and pulverized her!

Poromon then grabbed a car and smashed it RIGHT ON HER!

KRASMASH!

She was crushed bad!

Poromon then rammed a Semi-Truck into her!

SMASH!

Poromon threw a sandbox on her and buried her in sand! Then he summoned a stampede of hippos!

Amanda Martin: HIPPOS!

They smashed and trampled her!

Me: JEEZ! FUCK ME SIDEWAYS! Romulan Ale to Poromon is like SUPERBEER! It makes him completely unpredictable!

Poromon: Now, here are some fun names I came up for you!

He went over to her face!

Poromon: A motherfucking sack of shit! A putrid bitch that smells like puke! A rotten sack of vomit! A demon whose tongue smells like toxic waste! Bitchy McBitchalot! A girl who eats squirrel poop! A girl that bites whale bubbles! A bitch that never changes her underpants!

Poromon was REALLY SMASHING HER all over!

Nico: Whale Bubbles aren't that bad!

Qin: Nice!

Me: How about this too. Uch! God forgive me for using this one!

NUMEMON ARMS!

I got a Numemon Sword!

Me: (ECHOING) POOP TOSS!

I fired a massive barrage of Numemon poop and splattered her all over the place!

Nico: Now that takes me back! We were attacked by Numemon and they did the same thing to us.

Eli: YUCK!

Poromon pecked her

POINK POINK POINK POINK POINK POINK!

Me: YEAH!

Haruto and Kouta fired waves of magic and fruit and blasted her.

Me: Okay Poromon that's enough.

I snapped my fingers and he came back but he had THE WORST EVER HEADACHE!

Poromon: Oh God! WHAT A HANGOVER!

He then threw up on Nico!

Nico: Oh gross!

Me: That's what Romulan Ale will do to you. It will make you REALLY hung over. Like you had 500 beers in 1 day.

Nico: Geez!

Lola: YUCK!

Then, Lincoln fired a rainbow energy straitjacket that tied her up and we holstered our weapons and powered down.

Suddenly, Lincoln heard a fancy black limo arrive.

Me: Nice limo.

Laney: Fancy.

Nico: (GASPS) Oh man, Lincoln, did you…?!

Lincoln: (Smirks) Yep. I just called Amanda's parents over, along with a special guest.

Suddenly, we saw a very beautiful and super sexy girl with long

brown hair and dark blue hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she's dressed in a dark blue short-sleeved blouse, dark blue short-sleeved shirt, dark blue skirt, white bridal gloves, dark blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, birds, winds, phoenixes, angels on the coattails and on the back is Monstrous Bird and holstered on her back is a massive golden greatsword.

Lincoln: (GASPS) Andrea Martin, Gene-Slammer of Monstrous Bird.

Andrea Martin: That's right. (To Amanda Martin) And I knew you'd be back causing trouble again, you heartless brat.

Just then, we saw Mr. and Mrs. Martin come out and they joined Andrea, and they too were pissed off at Amanda Martin.

Nico: Mr. and Mrs. Martin. Awesome to see you again.

Mrs. Martin: You too Nico. You are looking great. We'll talk more after we face our Daughter.

Mr. Martin: I am so absolutely disgusted by your behavior, Amanda! So, everything we'd heard from Andrea, Nico, Qin, and the others was true! You've absolutely tarnished our family's reputation with your despicable actions!

Mrs. Martin: I can't believe that you're even our daughter! What kind of person could do those evil acts to so many innocent people?!

Me: An evil heartless Spawn of Satan that's what!?

Nico: Everything we told you long ago is all true, Mr. and Mrs. Martin. Your daughter is a monster with a complete disregard for the lives of those around her, she's been a nightmare to everyone for years!

Qin: Yeah, she's gotten away with everything by using your reputations, and no one's been able to stop her, and let's not forget what she'd done in maiming everyone who's crossed her path, many of them had to spend two months in the hospital or wound up dead because of her!

Andrea Martin: Mom, Dad, I wanted to help expose the truth, but… !

Lincoln: But, it was because of Team Rocket Gene-Slamming you that you weren't able to do so.

Mrs. Martin: And we're so sorry that your plan got derailed by those miscreants. But, you never gave up, sweetie. You and Lincoln truly are truly one amazing and cute couple.

Lincoln's face turned atomic red and so did Andrea's.

Andrea Martin: (Face turned atomic red) Mom.

Me: Lincoln is an awesome man of his word.

Lincoln went up to Andrea Martin and kissed her on the lips and she returned it. Then, they turned to Amanda Martin.

Mr. Martin: We've done our best to raise you right, but instead, you went downhill and started causing trouble, God knows how many times that we'd been called to the school involving yet another of your stunts. You've used our reputations to get away with doing horrible things to innocent people, and to find out you'd seriously harmed those innocent people even taken their lives, you will never ever be forgiven for this, and this all ends here and now!

Mrs. Martin: Agreed, honey. Amanda, you are hereby disinherited from our family fortune and both the fortune and the estate will be passed on to Andrea, and you are also disowned from our family forever.

Amanda Martin: WHAT THE FUCK?! YOU CAN'T DO THIS TO ME! YOU WEAK, SPINELESS, SENILE OLD FOOLS! WHEN I GET OUT OF THIS, I'LL FUCKING KILL YOU ALL ALONG WITH THAT LITTLE BITCH! DO YOU HEAR ME?!

Lincoln fired a rainbow energy blast which turned into a muzzle and she was muzzled.

Qin: Thank you for that, Lincoln, I'm getting sick and tired of hearing her big fat mouth running off like that!

Mr. Martin: There's no use in trying to talk sense into you, everyone was right about you, you're just a petty, greedy, selfish, sadistic and monstrous demon and there's no place for you in this world nor the next. Lincoln, would you do the honors?

Lincoln: Yes, sir.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and the 7'9" massive, wide, double-edged gold blade was covered in rainbow energy.

Lincoln: Never show your face in public ever again.

Lincoln held his massive greatsword above his head, and then… !

SLASH!

Lincoln brought his massive greatsword down on Amanda Martin's head decapitating her and both her head and body burst into rainbow flames and he sent her soul to The Black Gates forever. Lincoln holstered his massive greatsword on his back and came back to us.

Nico: Good riddance to that crazy bitch.

Qin: You said it!

Me: You said it. And Lincoln, are you going to introduce us?

Lincoln: That's just what I'm about to do, J.D. Everyone, this is Andrea Martin, Gene-Slammer of Monstrous Bird, she's my Guardian Angel from Michigan and she's a powerful master of wind and swordsmanship, she's a really beautiful and amazing person and rich girl who really defended me from my enemies and from Lori, Lynn, Luan, Lola, and Lisa, but despite coming from a rich family, she has some very serious bad blood with her evil older sister, Amanda Martin, who despite being from the same family as her, is literally like Audrey Madison, Sally Witchford, and many of Nico and Qin's enemies from the past and was absolutely greedy and selfish. She attempted to get proof of Amanda's many crimes, but before she could, she got Gene-Slammed by Team Rocket and couldn't implement her plan into action to get proof of her older sister's crimes, and she hated Team Rocket for getting in her way of bringing her sister to justice. But, her desire to bring justice to her evil sister is still as strong as ever.

Nico: I remember Andrea telling me and Qin about that, she wanted to get proof of Amanda's evil deeds because her sister was that slick by using her family's reputation to escape justice.

Qin: But, Team Rocket just had to fuck things up, what a bunch of assholes.

Andrea Martin: Yep, I hated them for ruining that. But, when I heard Team Rocket was destroyed for good, I'd gotten vindication for that.

Lincoln: That's right.

Me: Also Jessie and James and Meowth got canned so no need to go after them.

Andrea Martin: I know they were canned and I'm glad that Team Rocket is gone.

Me: We are too.

Lincoln went up to and hugged Andrea Martin in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck

as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Andrea Martin: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Andrea Martin's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Andrea Martin: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Andrea Martin.

Andrea Martin had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Mrs. Martin: We'll definitely be expecting tons of grandchildren from you two.

That of course caused Lincoln and Andrea's faces to turn bright red.

Twilight Sparkle: He's already a father with many kids from many of us.

Twilight Sparkle showed a massive scrapbook with photos of Lincoln, his harem, and his kids, and they were indeed stunned.

Mr. Martin: Well, I'll be damned, and here I thought Lynn Sr. held the record for that many kids.

Mrs. Martin: But, it's also proof of how much he truly loves his wives and kids.

Me: And why he's always proven to be a great and loving father and

future husband.

Nico: Yep, and I'm so glad that Amanda has finally paid for her crimes and is finally gone forever.

Sebastian Mendez: Same here. I should've killed her long ago, but I stopped myself from doing so.

Qin: Yeah, we saw it. You almost did try to kill her and go on a rampage that you stabbed yourself in the shoulder with a knife Amanda dropped, and you'd let out a scream from Hell itself, and then, we saw the darkness around you fade and you were back to normal.

Nico: Then, you removed the knife and caused your own blood to spill onto the concrete, that was so scary, almost everyone puked.

Me: Sheesh.

Lincoln: Still, that was really awesome that you defended Qin and Nico and it was before that whole debacle with Dustin Keystone and birth of Dark Sebastian.

Nico: He made sure that Amanda Martin paid for her crimes. But, despite that, everyone at our high school saw the darker side of him, and even they were scared of what'll happen should they dare to anger him.

Me: Jeez.

Qin: We're going to revert back now.

Me: Oh excuse us.

We turned our backs to them.

The Underground Girls reverted back as Chris gave Qin a towel.

The fashion brigade then gave the girls new clothes.

Nico: (to the Martins) Sorry you saw Poromon super drunk then normal

Mr. Martin: Oh no worries.

Me: Poromon drank Romulan Ale and he was REALLY drunk.

Camie: Yeah no kidding.

Lola: Yeah.

Qin: Yeah.

Poromon: Next time, I'm sticking to normal beer.

Me: Yeah.

Ciera Cold: Boy that was brutal and cool.

Nico: How did you meet Haruto and Kouta?

Ciera Cold: I met Haruto when he was battling Sora. I formed a sword of ice and slashed Sora.

Me: Sora was given the Black Gates and he is dead now. That motherfucking asshole killer got what he deserved.

Ciera Cold: That he did. As Haruto told me to not give in to despair. But in actually I feed on Despair and absorb Negative Energy and it makes me stronger.

Me: Welcome to the party.

Nico: Yep.

Ciera: Also I met Kouta in the Helheim Forest and I helped them kill members of Yggdrasil.

Me: Awesome. We blew the entirety of Yggdrasil into dust. It's now nothing but a crater.

Xenia: It's true.

Fu: Yep. We blew it into dust.

Poliwag looked at the Romulan Ale and grinned

Just as Poliwag was going to grab the bottle, Nico grabbed the bottle.

Nico: Poliwag don't drink this. It's dangerous.

Poliwag: Aww man.

Nico: Romulan Ale is too strong.

Poliwag: I was gonna save it for another day!

Nico: (Sternly) Poliwag?

Poliwag: Okay okay.

Nico: Good.

Varie: Yeah.

Poromon: We're saving that for emergencies!

Nico: Good idea.

Qin: Yeah.

Me: Now it's time for the Anothers.

Lola: Yep.

Eli: Lets see. (Concentrates) Whoa! We have Another Neptune's Moon, Neptune's Sun, Red Guy, Sir Urchin and Snail Fail, Quark and Mirror Master.

We gasped!

Me: Neptune's Moon and Sun!? Whoa!

Qin: Geez! I remember them!

Eli: Me too.

Qin: Yeah.

Eli: And the Anothers minus Mirror Master are all one person.

Me: Wow!

Nico: Who's up?

Me: Arlia Air, Andrea Andor, Cyclops and Cow & Chicken.

Nico: Nice.

Lola: This will be funny.

Eli: And I sense that the Anothers minus Mirror Master are one person.

Me: Nice.

Nico: There they are!

We saw Another Neptune's Moon, Neptune's Sun, Red Guy, Sir Urchin and Snail Fail and Quark!

Me: WHOA!

Qin: This will be fun!

Nico: Yeah!

Another Red Guy: (In a girls voice) It sure will be fun!

Lincoln: Belinda Bajor!? Whoa!

They merged and she reverted back and was a girl with blue hair, piercing red eyes, yellow clothes and had blue angel wings and had the symbol of Bajor in the middle of her forehead and on her skirt and had the symbol of the Cult of the Pah Wraiths on her arm and she had a Keyblade of fire in her hand.

Me: Whoa!

Belinda Bajor: Awesome to see you again Lincoln and wow you grew into an awesome young man.

Lincoln: I know. Everyone meet Belinda Bajor, Keyblade Knight of Bajor, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Bajor, and she has intense light and dark powers and she's a master of light and darkness. She is the Keyblade Knight of Bajor and she's known as The Twilight Emissary of The Prophets and The Pah-Wraiths, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past and she has power that is 100,000 times stronger and more powerful than Dukat of the Cardassians. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of light and darkness.

We gasped!

Me: WHOA! That is really amazing! The Keyblade Knight of the planet Bajor. I remember that Benjamin Sisko was the Emissary of the Prophets. That was amazing. And I also remember that Dukat of the Cardassians was the Emissary of the Pah-Wraiths.

Belinda Bajor: That's right. Good memory.

Me: Thanks.

Nico: How come she has piercing red eyes?

Me: When the Pah Wraiths take over someone they get Piercing Red Eyes.

Laney: Geez! Scary.

Belinda Bajor: I know. It's intimidating. But I have been widely know across Bajor as the Twilight Prophet. I have the powers of both the Prophets and the Pah Wraiths.

Me: Wow!

Varie: I have a feeling you would give Dukat a run for his money.

Belinda Bajor: I know. And my power now is 100,000 times stronger than Dukat's.

Me: Wow!

Lincoln: That is cool.

Me: And the Dominion War was raging on during that time too. That was scary.

Belinda Bajor: Yeah no kidding

Nico: Yeah.

Camie: How did that war start?

Me: It was because the Dominion wanted to take over the entire galaxy and impose their tyrannical rule all over it.

Nico: Geez! And the Feberation, Klingons and the Romulans wouldn't let them.

Me: Nope. And they had the Breen Confederacy and the Cardassian Union with them.

Nico: Geez.

Lola: Yeah that was terrible.

Me: No kidding. By the way is the another Mirror Master friendly or hostile?

Belinda Bajor: Friendly and she is a really powerful master of the mirror.

Me: Wow! This will be interesting to see.

Kit Taylor: It sure will be cool.

Nico: Sorry we have to do this

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They both glowed and the Anothers were separated.

Me: Time for action.

I bashed Another Sir Urchin on his head with a hammer

Another Sir Urchin: (ANGRY) WHY YOU!

Another Snail Fail: What I do!?

We fired waves of energy and elements and we blasted the Anothers and I caught the Wonder Ride Books.

Me: Oh yeah!

Maria: (Turns dial) Time for backup! DRAGON MAGIC 6!

She summoned Mumbo Jumbo, Sheep Mage, Evil Talking Cake, Momokase, Oxy Man and Kusuna!

Nico: Oh yeah!

Me: Awesome!

Nico: And now, we wait.

Belinda Bajor: I know. By the way J.D. news spread all across Bajor that you killed The One and destroyed the Borg. Is that true?

Me: Yes that's right. These last 4 days have really been eventful. We destroyed the Planet Killer, defeated the M-113 Salt Vampire, killed The One that took on the form of God in the view of Michelangelo and just recently we killed all the Borg.

Nico: Yep.

Belinda Bajor: Awesome. Well done.

Nico: Yeah those were all fun.

Maria: On the 19th, we should do one for Lego Marvel Superheroes 2

Nico: Nice.

Me: Cool! Those were funny adventures from what I heard.

Eli: (LAUGHS) Yeah they sure were.

Nico: Yep.

Me: And it will be funny to face some of the funniest villains of Lego.

Venom: We want to fight Carnom firsthand.

Girl Jordan: I'm going to kill that version of Carnage.

Qin: Yeah!

Lola: That was a funny version of Carnage.

Varie: Yep.

Nico: Girl Jordan, I'm not actually sure if Carnom is Cletus Cassidy or Eddie Brock. Or if Carnom retains the asshole's insanity

Girl Jordan: Hmm. Good question and theory.

Nico: Yeah.

Girl Jordan: But he is still half Carnage so that makes me want to rip him in two.

Nico: You can do that if Carnom laughs insanely.

Girl Jordan: Good.

Laney: No kidding.

Me: Now lets focus on the matter at hand.

Nico: Right.

We looked and then saw a figure. It was ANOTHER MIRROR MASTER!

Me: There you are.

Qin: Yeah!

Another Mirror Master: (In a girls voice) This will be fun and cool!

Me: (GASP) That voice!

She reverted back and was a girl with orange hair, brown eyes, brown clothes and brown angel wings and she had a tiara with the symbol of the Axe Dopant on it and the same symbol on her skirt and she had a powerful fire axe in her hands.

Me: (GASP) Alexandra Axe!

Alexandra Axe: Awesome to see you again J.D.

Me: You too Alex. Alexandra is the Embodiment of the Axe Dopant and she has fire and axe powers and she is an awesome lumberjack and Nora she REALLY LOVES Pancakes as much as you do.

Nora Valkyrie: (LAUGHS) Oh boy! I have an awesome pancake eating partner.

Me: Yep. And her axe also has the power to reflect attacks and bullets back and she can use it like a mirror.

Mirror Master: Wow! Just like me! That is cool.

Laney: Yeah!

Kaito: (gets out Patranger gear) Did Swartz promise you anything?

Zocks: (gets out Kyuranger gear) Because we can grant it instead.

Chloe Bourgeois: (gets out Lupinranger gear) Zocks, I'm helping out too.

They got weapons from Kyurangers, PatRangers and LupinRangers.

Alexandra Axe: No he didn't because I chopped off his hand with my axe and then ran.

Nico: Ouch!

Qin: Yikes!

Sakura Knudson: Nice one.

Alexandra Axe: Thanks.

Me: That was awesome. Too bad it didn't kill him.

Sougo: (gets out Patranger Ridewatch) He probably regenerated his hand

Geiz: (Gets out Kyuranger Ridewatch) He still was powerful back then.

Tsukuyomi: (gets out Lupinrnager Ridewatch) Too bad you didn't chop his arm off. A hand is nothing!

Sougo got Patren1gouArmor, Geiz got ShishiRedArmor, and Tsukuyomi got LupinRedArmor.

Nico: Yeah.

Alexandra Axe: You're right on that.

Xenia: Either way he is dead and gone.

Lola: Yeah.

Lincoln: Lets separate you first.

Lincoln fired waves of energy and separated her.

Nico: Yeah!

Me: Time for action!

Alexandra fired waves of fire and blasted Another Mirror Master.

Alexandra Axe: Take that!

Nico: (gets out Mirror Master's Ridewatch) Mirror mirror on the wall, who's gonna get the most brutal asskicking of them all?

Me: A big fat motherfucking imposter another!

Another Mirror Master: Time for some pain.

Me: Bite my big fat fucking ass!

Nico activated Mirror Master and Quark's Ridewatches.

May: Take this too! (Gets Out Illuso's ridewatch)

Nico activated Dan and Illuso's ridewatches.

Maria: (Arnold Schwarzenegger Accent) Better be ready because I'm going to blow (CLAP) You up! (Gets out Arnold the Pit Bull's ridewatch)

Maria activated Arnold and Evil Pyre Woman's ridewatches.

They fired waves of energy and elements and the group fired waves of energy and elements.

Honia: Take this! (ACTIVATES QUARK'S RIDEWATCH)

She fired a subatomic energy blast and smashed the another down.

Then Ragdoll, Indigestible Wad, Ebirah, Blue Fairy, Lego Red Hulk and Old Iron Face came.

Nico: Nice team Ragdoll!

Ragdoll: Thanks!

?: This will be one that will blow her away!

We saw Tornado Man!

Me: Tornado Man! Wow!

Tornado Man: (In a girls voice) I'm ready for some fun!

Nico: Tammy Tornado?! Wow!

Tammy Tornado: Yep. I got this.

She fired a wave of wind and blasted down the another and I caught the Ridewatch!

Me: YEAH!

Tammy reverted back and she was a girl with green hair and green clothes and green eyes and had a tornado in the middle of her forehead and she had green angel wings.

Nico: YEAH!

Qin: Cool!

May: Yay! I didn't get hit!

SPLAT!

Someone threw a tomato and it hit May in the back of the head.

May: HEY!

Max was whistling innocently.

Tammy Tornado: (LAUGHS) Max got you good May.

Max: TATTLETALE!

May: THANKS A LOT MAX!

We laughed!

Tammy Tornado: The Mega Man 9 Gene-slammers are all fully clothed just so you know.

Nico: Okay then.

Honia: What's your favorite memory of Nico?

Tammy Tornado: When we were out on my family's farm and a farm we were having a feud with was causing problems. So I used my tornado powers and blew them away.

Nico: Yep it's true.

Qin: Wow! That is cool!

Tammy Tornado: It sure was.

Nico: Yep.

Nico and Tammy hugged.

Nico: I've missed you.

Tammy Tornado: Same here.

We went back home.

Lincoln: Whoa, so we're here in the northern part of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the three girls here, but we got word that an even stupider and crazier version of Billy is running loose and is causing havoc and he has Grim's scythe and is slicing the place up.

Nico: Is this another one that we got to put down.

Lincoln: No, this one is from the time Grim zapped Billy's eyes to make him see clearly again, but it caused him to see into the future, but because of it, he went absolutely crazy, well crazier than ever.

Me: So, what do we do with him?

Lincoln: We're going to hand him over to Vypra, she'll straighten him out.

Skyla: Good idea. But, if that bubble-nosed malodorous baboon so much as hurts one hair on your head, he's gonna be dealing with all of us!

Eli: I think we may be a little late. Look!

We saw that the whole place had scythe slashes: cars were totaled, and it was a mess.

Me: Why, that little… !

Lincoln snapped his fingers and the place was fixed.

Lincoln: Forget handing him to Vypra in one piece, I'm breaking him into a million pieces and handing him to Vypra in a straitjacket.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and purple headband, blue eyes, she was tall at 7'0" in height, she has a really strong and ripped physique and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a midnight black sleeveless tank top, necklace with pearls and purple gem for the pendant, black shorts, black sleeveless gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, water, barbells, phoenixes, and angels on the coattails and on the back is Muscle Medic, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the the three girls.

Lincoln: (GASPS) Melanie Martinez, Gene-Slammer of Muscle Medic.

Melanie Martinez: That's right, and I got the girls away from that idiot before he could cut their heads off.

?: (CRAZED BABBLING)

Suddenly, we heard the familiar sound of crazed babbling and we saw Insane Billy heading our way and he has Grim's scythe in his hand. Lincoln fired a beam of magic that hit the scythe and it went back to Grim.

Sylvester: Now that he doesn't have Grim's scythe in hand, we're free to trash him!

Then, Lincoln tied Insane Billy up in a human pretzel and he screamed like a little girl, and then, he tied him up in a rainbow energy straitjacket and tossed him in a portal he opened up to The Masters of Evil's HQ with a sticky note that said: CAREFUL, HE'S A VOLATILE IDIOT AND IS PRONE TO FITS OF VIOLENT RAGE! We cheered as we holstered our weapons and powered down.

Lincoln: Take that, you idiot!

Me: We should also take care of…

Nico: Lincoln already did that when we were hunting that idiot down.

Me: Oh, I forgot he also has the same powers as I do.

Lincoln: That's okay, but at least we took care of that idiot. (To Melanie Martinez) And it's so good to see you again, Melanie Martinez.

Melanie Martinez: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Melanie Martinez and he hugged her, and Melanie Martinez is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Melanie Martinez: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as me, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Melanie Martinez, Gene-Slammer of Muscle Medic, she's my Guardian Angel from Royal Woods and she was born with massive amounts of superhuman strength and she also has incredibly strong and powerful water powers, and she's a world-famous international bodybuilder and she's able to lift over 9,000-lbs and she's literally THAT STRONG AND THAT POWERFUL. She's also a powerful idol that Jonah Thule respects and idolizes, and like Kiara Kessler, Melanie really got me into bodybuilding and she really trained me hard for that sport, and it's because of it, I won a lot of trophies in bodybuilding, and after I won another bodybuilding championship, I asked Melanie and Kiara to come up to the stage, and there, in front of the spectators, I brought them in with a strong embrace and I kissed them both on the lips and that made the crowd cheer wildly, and Lynn was really that proud of me for winning a ton of bodybuilding competitions, and I wound up getting hugged by Lynn and kissed on the forehead and cheek every time I came back from them, she was that proud of me in winning those bodybuilding competitions.

Lynn: And there's one thing you guys should know: she really hates Hawk, Hank, The Stankcos, Lori, Lola, Lisa, and Luan with a blazing passion. One time, as Lincoln and Melanie were at Lake Superior on a date I arranged, Lori, Lola, Lisa, Hawk, Hank, and The Stankcos came charging at them, but Melanie punched the ground so hard, she literally made the ground quake and that made them lose their balance and they fell flat on their butts, and Lincoln really smashed Lori, Lola, Lisa, Hawk, Hank, and The Stankcos into the ground. Then, he and Melanie grabbed and lifted each of them up off the ground and then, they threw them with their really massive and excessive superhuman strength and they sent them flying in different directions: Lori, Lola, and Lisa back to the house where they got grounded, Hawk and Hank to prison, and The Stankcos to the Royal Woods Police Department. And when Lori, Lola, and Lisa saw Melanie after she and Lincoln came back, they swore they would kill her, but she told them off and said that they've always been nothing more than bitches to Lincoln, and she threatened them with this: if they ever come near Lincoln again, she was gonna crush their skulls like acorns.

Nico: With your superhuman strength, you could easily make them into bloody stains.

Melanie Martinez: Yeah, that's true, I was born with massive and excessive amounts of superhuman strength after all, and I've done a ton of working out over the years.

Lincoln: And you also trained me really hard as well, and now that you're here, Melanie.

Lincoln went up to and hugged Melanie Martinez in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Melanie Martinez: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Melanie Martinez's neck with blue gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Melanie Martinez: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Melanie Martinez.

Melanie Martinez had a smile on their faces and tears in their eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the three girls, and when Lincoln saw them, he immediately recognized them. The three girls are Ayana Tokito, Tamami Amagi, and Shizuru Kurosaki from Moto Yan Kyonyuu Nurse no Ama Ero Kango.

Lincoln: Oh wow, it's Ayana Tokito, Tamami Amagi, and Shizuru Kurosaki from Moto Yan Kyonyuu Nurse no Ama Ero Kango.

Ed Cowart: Whoa, looks like you've rescued some smoking hot nurses.

Lincoln: Ed.

Lincoln had a mallet in one of his eleven massive and long white tails and it was over Ed Cowart's head, and when Ed Cowart saw it, he did the Chuck-Outta-Luck Pathetic Eyes and he dodged the mallet as it came down on him and we snickered.

Nicole: He warned you.

Lincoln: Are you girls okay?

Ayana Tokito: Yes, we're okay, thanks to you.

Then, when Ayana Tokito and the other two girls saw who it was that saved them from that insane and crazier version of Billy, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero and God, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broad left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Ayana Tokito: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made two clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln

and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ayana Tokito: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayana Tokito, Tamami Amagi, and Shizuru Kurosaki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was none other than an even stupider and crazier version of Billy running loose and was causing havoc by slicing everything up with Grim's scythe.

But, when Lincoln showed what we did first with Lincoln firing a blast of magic at that idiot and it got Grim's scythe away from him and back to its owner and all of us beating him up and Lincoln turning him into a human pretzel and tying him up in a rainbow energy straitjacket and sending him to Vypra to straighten him out, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Melanie Martinez have a lot of catching up to do, now that she's back in town.

Maria: So, all that havoc that was happening in the northeast was yet another stupider and insane version of Billy?!

Lincoln: Yep, only this time, this one was from around the time Grim zapped his eyes to make him see better after burning his eyes by getting too close to the TV, but it caused him to see into the future and he went absolutely nuts.

Me: But, Lincoln really trashed him big time, he turned him into a human pretzel.

Nico: Vypra's gonna have a field day with him, and if he messes up.

Lincoln: He won't, not as long as I have my Hinon's Vengeance Curse on him, so one wrong move and he won't live for much longer.

---

After taking down that insane version of Billy and throwing him to Vypra to straighten him out, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Melanie Martinez saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Melanie Martinez: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now

looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Melanie, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Melanie Martinez: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Melanie Martinez: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Melanie, what memories do you have with Lincoln?

Melanie Martinez: There is one memory that I have with Lincoln, and it was during our date at Lake Huron, but of course, there is an incident involving Lori and Lola, the two more violent members of The Trinity of Violence.

Me: Lynn didn't do anything to get you pissed off because she knows you'll flatten her into paste if she tries anything.

Nico: Wow, so someone who's leagues stronger than Lynn is able to put Lynn in her place.

Luna: It was really awesome, and like J.D. said, Melanie will flatten her if she tried anything, those muscles aren't just for show, they've done some really serious damage.

Melanie Martinez played a video on the big screen and it shows Lincoln and Melanie Martinez at Lake Huron: Lincoln was in his orange speedo and sandals and Melanie Martinez was in a two-piece bikini and sandals, and they were having fun swimming at the lake after working out at their gym.

Past Melanie Martinez: This is really awesome, I love coming to Lake Huron.

Past Lincoln: Same here, Melanie.

Past Melanie Martinez: Plus, with all the work that you and all of us have been doing with cleaning up the lake and all the other lakes in Michigan, it's also a cleaner place for all marine life.

?: (ENRAGED SCREAM) YOU STUPID PEASEANT! YOU WILL PAY!

?: (ENRAGED SCREAM) I'M GONNA TURN YOU BOTH INTO HUMAN PRETZELS FOR ALWAYS GETTING IN OUR WAY AND ALWAYS BEING ALIVE!

Suddenly, they heard two loud screams.

Past Lincoln: Oh great, there's no mistaking those loud screams along with the excessive amount of perfume from anywhere. Get out here right now, Lori and Lola, or else, I'll blast the both of you out.

Suddenly, they saw Lori and Lola come out, and they were really out for blood again, then, Lori and Lola charged like mad bulls and were about to attack Lincoln and Melanie Martinez, but Lincoln and Melanie punched them and sent them flying into a tree. They got back out, but they shrieked like two madwomen, now they were really extremely pissed off.

Past Lincoln: You've got some nerve coming after us, Lori and Lola, I would've thought you'd learn your lesson, but I was wrong. Now, I'm going to put you right back in your place, you heartless she-demons!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Lori and Lola roared like pure enraged animals again and they charged and went at Lincoln, but he reared his fists back, and he'd landed two mean uppercuts to Lori and Lola's stomachs knocking the wind out of them, and then, he unleashed a massive storm of slashes from his massive greatsword and they slashed off Lori and Lola's clothes leaving them in their bras and panties and Lincoln fired powerful water blasts at Lori and Lola and their makeup was running. Then, Lincoln and Melanie reared their left and right fists back and gave Lori and Lola two nasty punches to the face that sent them both flying back to The Loud House and they were thrown in their cages again.

Past Lincoln: When the rest of the family hears of this, they're really going to give Lori and Lola hell.

Past Melanie Martinez: That's an understatement. But, that was truly amazing, what we saw just now, you really have been getting stronger and stronger still because of our training regimen and constant working out, Lincoln.

And Lincoln wrapped his massive and muscular arms around Melanie Martinez' waist, he gave her a kiss on the lips which she returned as the video ended.

Nico: Sheesh, Lori, Lola, you really didn't know when to quit!

Me: When Lincoln told us about what Lori and Lola tried to do again, we were so extremely pissed off beyond imagination, and they had it coming for trying to kill him again.

Luna: You got that right, and unfortunately, that's when I flipped out and insulted them both again.

Lincoln: That set Lori and Lola off big time, but before they could attack Luna, I grabbed them by the waist with two of my eleven massive and long white tails and restricted them.

Nico: Sheesh.

Melanie Martinez: It almost got ugly. Lori and Lola had some nerve showing up and trying to ruin our day because they still wanted to kill Lincoln again! After what those banshees have done to Lincoln in the past, I wanted to punch Lori and Lola in the face, but Lincoln and I sent them both flying with one punch, but when they got out and shrieked like madwomen, that's when Lincoln got serious. Those two had it coming. But, Lori and Lola have since been freed from their Dark Sides forever and they're finally back to who they were.

Me: That was because of Chase Young's Dark Side, he really is nothing more than the embodiment of evil.

Lincoln: You got that right, he was a monster who enjoyed causing pain and suffering to so many.

We got a shower afterwards, and then, Lincoln, Solana, Simulator Suzie, and Simulator Florinda Showers are heading to Coral Capers.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Solana, Simulator Suzie, and Simulator Florinda Showers are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Solana, Simulator Suzie, and Simulator Florinda Showers all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Solana: Wow, so, this is Coral Capers, it sure is beautiful.

Lincoln: It sure is, Solana, and it's perfect for our first date. Shall we?

Lincoln, Solana, Simulator Suzie, and Simulator Florinda Showers dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Solana, Simulator Suzie, and Simulator Florinda Showers got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set,

Lincoln made clones of himself and he and his clones went up to Solana, Simulator Suzie, and Simulator Florinda Showers and they hugged the girls in their abnormally massive and powerful muscular arms, and Solana, Simulator Suzie, and Simulator Florinda Showers placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Coral Capers, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Solana, Simulator Suzie, and Simulator Florinda Showers with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Solana, Simulator Suzie, and Simulator Florinda Showers are in your harem, Linky.

May: We knew Solana were interested in Lincoln, and we knew that Suzie and Florinda already have love interests, so we had to get their Simulator counterparts.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Solana, Simulator Suzie, and Simulator Florinda Showers, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-

bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another Super Mario Galaxy 2 adventure.

Nico: Next is Bowser's Gravity Gauntlet.

Me: Cool!

Lynn: Me and my male self will go too.

Lynn Jr.: Aw yeah! The L.J. Dynamic Duo is ready!

Me: Aw yeah!

Nico: Cool!

Me: I'll go with as well.

Nico: Nice.

We went into the Simulator and it activated and we were at BOWSER'S GRAVITY GAUNTLET!

It was a REALLY HOT PLACE!

Me: WHEW! This is a hot place.

Nico: Any tips Nicole?

Nicole: (On the radio) Well this one is gonne be just like how you faced Bowser before and it will be tougher. You got to get to that big door.

Nico: Got it.

?: Let us help you guys.

2 figures came. One was a girl with pink hair and she had purple eyes and brown clothes and had pink angel wings. She also had a tiara with the symbol of the Underground Moonland on it and the same symbol on her skirt and she had a crystal sword. The 2nd girl had blue hair, red clothes and had red angel wings and she had the symbol for Quick in the middle of her forehead.

Undine Underground: Undine Underground, Embodiment of the Underground Moonland.

Qiana Quick: And Qiana Quick, Embodiment of Quick Man.

Lightning: Sha-blam! Awesome to see Qiana!

Roach: Yeah!

Qiana Quick: Roach and Lightning! Its been a while.

Nico: We can talk later. Lets get Bowser.

They flew to the door.

Nico: We're on the right track.

Me: Yep.

We then saw the door.

Me: Looks like we got to blast all 3 of its locks.

Nico: Yep.

Undine Underground: Allow me.

She fired waves of meteors and blasted them and the door opened.

Nico: Nice one!

We flew in and we landed and saw BOWSER!

Me: Bowser!

Bowser: (to Lynn) It's about time you get a turn. You didn't even get one the first time!

Lynn: I know! What a rip! But this will be fun!

Nico: Yeah it sure will be!

Me: Lets make this fun!

I used the Fourze Gear and it turned my sword into a Stellar Sword.

Me: Awesome!

I flicked the switches for Venus and Pyro!

Me: VALMORG STAR FIRE SWORD!

Nico: WHOA!

Nico: (gets out Mirror Master and Mercurymon's Ridewatches) Time to see your reflection!

Nico activated them and fired waves of energy and blasted Bowser all over.

Me: VALMORG FIRE STAR BLAST!

I fired waves of fire and blasted Bowser all over.

Nico: YEAH!

Me: Taste this lightning!

I flicked the switches for Jupiter and Big Lenny and I got a powerful SUPER LIGHTNING SWORD!

Bowser: Have some of this!

He fired a massive blast of fire and I fired a massive blast of lightning and the blasts collided and exploded!

The lightning then hit Bowser and electrocuted him.

Lynn and Lynn Jr. fired waves of lava and blasted him all over.

Nico: Have some of MY fire!

He fired a wave of fire and blasted Bowser.

Undine Underground and Qiana fired waves of energy and blasted Bowser.

Me: Time for some combo power!

Nico: You got it!

I flicked the switch for The Sun and for Pyros.

Me: VOLCANIC PYRO MEGABLAST!

Nico: (Echoing) CRIMSON LIGHTNING!

Nico and me fired waves of red lightning and solar lava and the blasts all hit Bowser and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was down and the Grand Star was free! He was back to his normal size!

Bowser: You win this round!

He teleported back.

Nico: Yeah!

We went and got the star!

YOU GOT A GRAND STAR!

Nico: OH YEAH!

Lynn: WOOOO!

Lynn's: LYNNER LYNNER CHICKEN DINNER!

Undine Underground: Rock on!

Qiana Quick: YEAH! That was great!

We high five!

Boy Lynn: How did you guys meet Lightning and Roach?

Qiana Quick: I met Lightning when we raced in a track tournament in Canada. I won and he was no match for my speed.

Lightning: She is the greatest runner ever. SHA BLAM!

Qiana Quick: And I met Roach when he was fighting one of the Virus creations and we met Marina.

Nico: Cool! That is awesome! Would you two like to join the team?

Undine Underground: We would be honored.

We left the simulator and we cheered wildly.

Later we were watching TV and we saw the mascots with bowling bags with them.

Starlight Glimmer: Where are you guys going?

Poromon: To the bowling alley for some fun.

Me: Ooh can we come too?

Poromon: Sure.

We went to the bowling alley.

---

At the bowling alley we were having fun.

BOWLING CRASH!

Me: STEERIKE!

Poromon: YEAH!

Nico: Awesome.

BOWLING CRASH!

Camie: YEAH! STEERIKE!

Me: Nice one Camie!

Church: Julie, I'll never regret meeting you.

Julie Carolina: Me neither Church.

She rolled a ball and then…

BOWLING CRASH!

She got a strike!

Julie Carolina: STEEERIKE!

Nico: YEAH!

Carolina: Awesome!

Julie Carolina: Boy going to Ringworld was so cool and fun.

Rainbow Dash: Nice! Now, allow me!

Rainbow Dash threw a ball and smashed the pins down!

BOWLING CRASH!

Rainbow Dash: AWESOME!

Nico: OH YEAH!

Eli rolled a ball.

BOWLING CRASH!

Me: YEAH!

Eli: STEEERIKE!

Xenia: Awesome!

Sarge rolled a ball and got a strike!

BOWLING CRASH!

Carolina: Nice one!

Church: We certainly sound like Ruby and her friends, don't we?

Julie Carolina: Yeah you sure do.

Qin: That is cool!

Nico: Yep.

I imagined the pins as Ratigan.

Me: Okay you SEWER RAT Pins…

Ratigan Pins: AAAAAAAGGGGGGHH!

Me: Take this!

I rolled the ball and smashed them down!

BOWLING SMASH CRASH!

Nico: YEAH! Nice one!

Kickback: My turn!

He put a bunch of bowling balls into his cannon and blasted the pins and smashed them all down in each lane!

MULTIPLE BOWLING CRASHES!

Qin: Take that pins!

Xenia: Oh yeah!

Church: And you guys helped us destroy Chrovos.

Nico: We sure did. That was awesome.

Julie Carolina: Boy it sure was!

Laney: You got that right!

Laney rolled a ball and got a strike!

BOWLING CRASH!

Laney: YEAH!

Cliffjumper: Let me try.

He did the same and it was awesome!

MULTIPLE BOWLING CRASHES!

Xenia: YEAH!

Nico: Take that you stupid pins!

Varie: Yeah!

Xenia: Take that!

Church: Any universe without heroes is bad.

Nico: Unless it's online.

Me: And if anybody thinks a universe without heroes is good then they are fucking insane and deserve the black gates.

Varie: That is for sure.

Camie: Big the game was done.

Ace: Who won?

We looked at the scores.

WE WERE ALL TIED AT 300!

Me: WHOA! All 300!? That is completely unheard of!

Nico: We all got perfect games!? WHOA!

Maria: I didn't see that coming!

Me: Me neither!

We later went back home.

We arrived back home and to everyone's amazement we had awesome trophies.

Me: Man that was fun!

Lola: Yeah it was!

Camie: Yeah!

Nico: That is very unheard of! What are the odds of all of us getting perfect games all at once?

Lisa Loud: Very highly astronomically rare.

Nico: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than the massive ship, V'Ger, and it's coming to destroy Earth. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than the massive ship, V'Ger, and it's coming to destroy Earth.

We gasped.

Me: Oh God, I remembered that colossal ship all too well. We need to get to The Enterprise and tell Kirk and the crew at once.

Nico: Right, we need to get there at once.

Lincoln: Then, we'll help the V'Ger evolve.

Nico: Yeah!

Camie: Who or what is V'Ger?

Me: The largest ever starship in the Star Trek Universe.

I went over what it was.

V'Ger is the main antagonist of the 1979 science fiction film Star Trek: The Motion Picture, the first feature film in the Star Trek franchise.

V'Ger was one of, if not the most powerful alien entity ever encountered by the Federation. The entity itself was the size of the island of Maui on Earth, while it generated a cloud measuring in at a staggering 82 AUs, making it large enough to envelope the entire solar system.

V'Ger was first identified in deep Klingon space, hidden in a massive cloud of energy, moving through the stars towards its final destination: Earth.

The cloud easily destroyed three of the Klingons' new K't'inga-class warships and the Federation monitoring station en route. Later on in the film, the newly refitted starship Enterprise intercepts the energy cloud. After getting the cloud to break off its attack on the Enterprise, Admiral Kirk orders the vessel to penetrate the cloud and discovers the massive vessel residing within. They then reach the front of the vessel and V'Ger then suddenly attacks the Enterprise. A probe appears on the bridge, attacks Spock and abducts the navigator, Ilia. V'Ger then uses its powerful tractor beam to move the Enterprise into its interior. Ilia suddenly reappears on the ship, now replaced by a robotic doppelganger, a probe sent by "V'Ger" to study the crew. Later, Spock takes an unauthorized spacewalk into V'Ger's core. He then minds melds with a massive model of Ilia in the center. Overloaded by information, Spock is knocked out. Later, after being rescued by Kirk, Spock reveals that V'Ger itself, is a living machine.

At the heart of the massive ship, V'Ger is revealed to be Voyager 6, a 20th-century Earth space probe believed lost. The damaged probe was found by an alien race of living machines that interpreted its programming as instructions to learn all that can be learned, and return that information to its creator. The machines upgraded the probe to fulfill its mission, and on its journey the probe gathered so much knowledge that it achieved consciousness.

Spock realizes that V'Ger lacks the ability to give itself a focus other than its original mission; having learned what it could on its journey home, it finds its existence empty and without purpose. Before transmitting all its information, V'Ger insists that the Creator come in person to finish the sequence. Realizing that the machine wants to merge with its creator, Decker offers himself to V'Ger, as he merges with the Ilia probe and V'Ger, creating a new form of life that disappeared from the physical realm.

A few weeks later, Spock had mental contact with Voyager while working to defuse a crisis on the Fabrini world ship Yonada. Afterwards Spock reported to Kirk that the part of Voyager that had been Decker seemed to be happy in his new life.

When I was done EVERYONE was shocked!

Nico: WHOA!

Laney: That is one massive ship!

Varie: Yeah! And it's 48 miles long!? That's huge!?

Nico: Almost half the height of the Estate Tree Trunk.

Lola: Yeah!

Nico: This is the biggest enemy we've faced!

Me: One of them! The largest one we ever faced was Unicron. He was as big as a whole planet.

Nico: That's true. So V'Ger is the 2nd biggest one.

Me: Yeah.

Nico: Yeah that was awesome.

Me: Yeah. I remember seeing the energy cloud it was in. It was big enough to envelope the entire solar system.

Camie: Wow! That is massive!

Varie: Yeah no kidding.

Nico: I was just about to mention Unicron!

Me: Yeah.

The previous group then came.

Dark Spicer: Can me, Abis Mal, Dr. Light, Sportsmaster, Biowulf, Motor Ed, Titanium Titan, Whirlwind, Eccentro, and Metal Sonic go with you guys?

Nico: Yes you can. We got ourselves a huge enemy. It's V'Ger from Star Trek 1.

Dr. Light: That ginormous ship!? That one was huge!

Nico: 48 miles long.

Xenia: Yeah.

Me: I think we encountered that ginormous ship on one of my rescues. Which was really huge.

Varie: Seeing it up close like that was mindboggling.

Raythor: Nico, which Gene Slammer do you think you'll meet next?

Nico: Rarity will like this one. Jewel Man next.

Rarity: Oh that one will be beautiful darlings.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figures were in the vision: the figure was none other than Universe 666 Sebastian, who's now forever driven insane and completely mad, he's finally come here to kill us. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figure is none other than Universe 666 Sebastian, who's now forever driven insane and completely mad, he's finally come here to kill us.

We gasped.

Me: So the big monster himself!

Buster Bunny: So, he's finally come at long last.

Sebastian Mendez: He knows this is his last stand, but we're more than ready for that lunatic.

Ace Bunny: And so are all of us.

Me: Wait, all of us?!

Lincoln: Yep, all of us on Team Loud Phoenix Storm and all of The Masters of Evil are going to join in and fight that murderous lunatic.

Nico: That's awesome! This is going to be so awesome. Alright, gang, let's deploy The U.S.S. Valorous Phoenix and head to The Enterprise and we're going to help the V'Ger evolve.

Lincoln: This is going to be like in the episode, and once we get done with that, you're next, Universe 666 Sebastian.

Ace Bunny: This has been a long time coming, we've played your twisted little games and dealt with your pawns one by one. Now, it's your turn, and we will make you pay for everything that you have ever done.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to The U.S.S. Valorous Phoenix and head to The Enterprise and deal with the V'Ger, and once we get done with that, Lincoln and Ace Bunny along with all of Team Loud

Phoenix Storm and the entire Masters of Evil are going to destroy Universe 666 Sebastian in an epic showdown and we're going to make that blood-crazed, demonic, psychopathic, deranged, murderous madman lunatic pay for everything that he's done.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,008.4: The U.S.S. Valorous Phoenix is en route to meet up with the Enterprise to help find a way to help V'Ger evolve. V'Ger is a massive starship over 48 miles long and is heading right to Earth. Our mission is to help it.

Qin: Boy this is gonna be awesome.

Dark Spicer: Boy no kidding.

Astro Man: I can go out to look for it

Nico: No Astro Man stay on the ship. We can't risk losing anyone.

Me: Yeah.

We proceeded on.

Nico: Wait look.

We saw a MASSIVE BLUE ENERGY CLOUD!

Laney: Whoa! Is that it?

Me: That's it. That's the energy cloud.

Nico: Man it's massive!

Me: No kidding. It's 82 AU's in size.

Lisa Loud: That's 7.62 billion miles in size.

Me: Definitely big enough to envelope the entire solar system.

Nico: What is this cloud made of?

Spock: 12th Power Energy field.

Lily: 12th power!?

Nico: Unbelievable!

Lucy Loud: Gasp! Energy readings are off the scale.

Laney: Wow! What power.

Eli: Wow!

Me: That is incredible.

Lana: Wonder why it's not attacking us?

Me: It knows who we are. We went into the cloud like this before.

Nico: You're right on that. Steady as she goes.

Lana: Aye sir.

Biowulf: It has a weird scent.

Me: (Sniffs) I don't smell anything.

Nico: We're going in.

We went into the cloud and it was like going through an energy tunnel.

The cloud was a blue energy tunnel and it was like seeing an interdimensional vortex minus the vacuum effect. We were going through it and the cloud was emitting stellar effects to make it look like a tunnel filled with stars.

Nico: Wow.

Kirk: No vessel could generate a power field of this magnitude.

Me: No kidding. Mr. Chekov have you ever seen anything like this?

Chekov: (Russian Accent) It's totally unlike anything we've ever seen.

We continued on and went through a door and we got to the center of the cloud and we saw it. We saw a HUGE GINORMOUS SHIP! IT WAS V'GER!

Me: There it is!

Nico: It's huge!

Qin: Wow! What a ship!

Phage: It's probably onto us.

Me: Our ship EASILY dwarfs it. It's thousands of miles long.

Nico: It sure does.

Qin: Wow we built this ship better than we thought.

Nico: We sure did.

Lily: Yeah.

Titanium Titan: (Spanish Accent) I don't think you built this ship for its' size.

Me: No we didn't. We built it as a rescue ark in case the Earth is facing destruction.

Laney: Yeah.

Nico: That is clever.

Me: Yep.

Acid Man: Earth isn't going anywhere anytime soon.

Me: No not by a longshot.

Qin: Yeah we have a long way to go.

Nico: Yep. But we still have to stop V'Ger. Question is where to face

it?

Qin: Good question.

Eccentro: Out here is good.

Nico: Wait look.

We saw something on the front of the ship.

Me: What's that?

Nico: Lets check it out. Eli, tell V'Ger to come aboard the ship.

Eli: Right.

Eli used the Force and contacted V'Ger and V'Ger agreed to come on board.

We then brought V'Ger on board.

Harley Quinn: (gets out baseball bat) That's right. A little closer now.

Nico: Harley a baseball bat is not going to work. How can you hurt a 48 mile long ship as big as V'Ger with a baseball bat?

Harley Quinn: You're right.

The ship was on board and we went onto V'Ger and WOW! It was amazing! It was a GINORMOUS COMPUTER!

Nico: Wow! Look at this.

We saw planets, galaxies, stars, nebulae, moons and more.

Me: Wow! This is incredible.

Metal Sonic: Let me scan it.

Nico: Okay.

Metal scanned it and MAN The information V'ger had was incredible. More than that though. We saw starships too and even creatures we knew nothing about.

Nico: Wow!

Shanan: Amazing.

We then got to V'Ger's brain and we then saw that it was really a satellite.

Me: Wow!

We went and took a look and it was really Voyager VI!

Gabriel: I didn't see this coming.

Me: This is one of ours all right. This satellite was launched back in the 80s.

Qin: Yeah this is amazing.

Camie: Wow! The Voyager Satellite. I've read all about this satellite.

Nico: Me too. So amazing.

Whirlwind: Okay. What do we do from this point?

Me: We fix it up like in the movie.

Nico: But how?

Decker: Leave that to me.

Me: Okay. Just like in the movie.

Qin: Okay then.

Eli: I sense something.

We hid and we saw THE PROBE OF V'GER!

Ultra Humanite: We need to lure it away so I can fix this up.

Nico: Right. Follow me.

We followed Nico and got it away from the satellite.

Then when it was far enough it was time for the entrance! We went at the probe and the spirits of ships appeared and swirled around it and then converged and then numerous starships came and then they merged and then formed into our symbol and then we popped out and landed.

Me; V'Ger I take it.

V'Ger: (Technological voice) That is correct J.D. Knudson of Team Loud Phoenix Storn.

Motor Ed: Hi. We're here to kick your ass. Seriously!

Me: Ed please. V'Ger we know you want to try and evolve into a new level of existence but you have to at least trust us first. Give us a chance to prove ourselves to you to have you trust us to help you out.

V'Ger: Very well your proposition is acknowledged. Here is your opponents.

She summoned clones of ALL THE ANOTHER RIDERS!.

Me: Now that is what I'm talking about.

Shadow the Hedgehog: Didn't see this coming

Me: Here we go.

I fired waves of energy and blasted the clones all over.

Nico: Nice one!

We were blasting the Anothers all over.

Abis Mal: My turn!

Abis Mal fired waves of darkness and blasted the Anothers all over.

Sheila and Lincoln and Eli fired waves of Force Lightning and electrocuted and blasted the Anothers all over.

Laney: Take that!

We were all ganging the powers of the Anothers we either absorbed or killed.

Dark turned into Menace Arms.

Menace Arms: Here's your warning: Your ass is about to be kicked!

Hr smashed and pulverized the Anothers all over.

Xenia: And this too!

She fired waves of arrows and blasted them.

Then Lord Drakkon, The Dark Signers, Myotismon and Electro came.

Nico: Lord Drakkon, The Dark Signers, Myotismon and Electro

Drakkon: I thought we would fight it in the outside!

Roman Goodwin: We've fought bigger.

Carly Atlas: But I guess this is the most realistic outcome:

Me: Yep.

Devack: (to Nico) We heard you fought an old bully.

Nico: We sure did.

Misty Tredwell: What was her name?

Me: Amanda Martin. She was pure evil. Long story.

Bangray came.

Me: Up for another round I see Bangray.

Bangray: Yep.

Me: Awesome.

Bangray: The ship summoned an army!? That's my thing!

Me: It's a machine and learned so much about the universe.

Lincoln: Yep.

We headed back home and landed The U.S.S. Valorous Phoenix in the hanger, and we disembarked in the park.

Lincoln: Now, there's one last thing to do. (Sensed a massive energy signal) And one last loose end to tie up.

?: YOU WILL ALL PAY FOR WHAT YOU'VE DONE IN RUINING ALL OF MY PLANS TO DESTROY YOU ALL ALONG WITH ALL OF MANKIND AND ALL LIFE IN THE UNIVERSES BEYOND, TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL! (DEMONIC AND DERANGED NTH-DEGREE FUCKED-UP CACKLING)

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of dark energy blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Buster Bunny: There's no mistaking that dark energy signal from anywhere nor that deranged and demonic cackling.

Lincoln: Not at all. Come on out, Universe 666 Sebastian and face your punishment, or we will blast you out.

A figure came out, and it was none other than Universe 666 Sebastian, and just as we thought, due to our constant foiling of all his plots and killing his minions and freeing many of the Universe 666 Z-Fighters' foes after he'd brought them back and enslaved them, he was finally driven deep into the dark depths of madness and his clothes were covered in blood.

Buster Bunny: So, at long last, you finally show yourself.

Sebastian Mendez: There's no mistaking it, the smell of blood and the darkness that surrounds you, I still don't deny it. But, that ends here, this will be your last day alive!

Ace Bunny: There's no doubt about it.

Suddenly, Ace Bunny's blue eyes turned neon blue and he was surrounded by a yellow and black energy aura with stars, yellow fire, yellow lightning, yellow and black darkness, rabbits, phoenixes, and angels, he unholstered his massive Tu'er Ye's Yellow Lightning Firestorm Broadsword of Celestial Yellow Fire Justice from his back, and as he approached Universe 666 Sebastian, he left yellow energy, stars, yellow fire, yellow lightning, yellow and black darkness, rabbits, phoenixes, and angels with every step.

Ace Bunny: You've really caused us nothing more than absolute trouble with all of your schemes, but you've failed, Universe 666 Sebastian, we've played your twisted little games long enough, destroyed many of your minions, and freed most of the Universe 666 Z-Fighters' foes from your grasp, but now, there is one last thing that must be done, you must be destroyed here and now. This is for all of the lives that you've taken in your rampage.

Suddenly, Ace Bunny was surrounded by a massive vortex of yellow energy with stars, yellow fire, yellow lightning, and yellow and black darkness surrounding the vortex, there are rabbits, phoenixes, and angels flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Universe 666 Sebastian: the red eyes of death. Then, as the vortex faded, Ace Bunny emerged, but he was changed forever.

We were amazed by Ace Bunny's Super Angel-Acme Future Gen Knight-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, and when Lexi Bunny saw him, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding, but when Universe 666 Sebastian saw it, he went even more ballistic and insane and fired blasts of Infernal Darkness at Ace Bunny to kill him, but Ace Bunny fired a massive barrage of black and yellow energy, stars, yellow fire, yellow lightning, black and yellow darkness, rabbits, phoenixes, and angels and they destroy the Infernal Darkness blasts and hit Universe 666 Sebastian and exploded, he got back up, but now, he was even more beyond pissed off and the sclera of his eyes turned black and he had black devil wings on his back.

Me: Oh, now he's in big trouble.

Lincoln: WHOA!

The toons did extremely wild takes upon seeing what Ace Bunny did.

Just then, the rest of The Masters of Evil also arrived to help out, and just the sight of both teams here drove Universe 666 Sebastian madder than ever and he went absolutely ballistic as he lost his mind even more.

Lincoln, Ace Bunny, and I along with all of us went after Universe 666 Sebastian, and we fired extremely powerful blasts of yellow and black energy, stars, yellow fire, yellow lightning, yellow and black darkness, rabbits, phoenixes, angels, rainbow energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Sebastian, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Ace Bunny, and I and all of us attacked him hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Universe 666 Sebastian even more insane than ever.

Universe 666 Sebastian: (Demonic Voice) YOU! YOU! (ENRAGED SCREAM)

Universe 666 Sebastian went at us now completely blind with insane rage and fury, but Nico and Qin kicked him hard in the stomach and Sebastian fired blasts of Divine Darkness at him and he got hit hard and was burned and he slashed at him with his massive black greatsword. The Masters of Evil also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Universe 666 Sebastian even farther into the edges of darkness and madness.

Universe 666 Sebastian: (Demonic Voice) YOU GODDAMN INSECTS! I'LL BLOW THIS ENTIRE PLANET INTO DUST AND TAKE ALL OF YOU WITH IT!

Ace Bunny: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Acme Future Cosmic Yellow Lightning Yellow Firestorm Darkness Rabbit Angel and Divine Cosmic Eternal Acme Future Cosmic Yellow Lightning Yellow Firestorm Darkness Rabbit Angel Hope) LIKE HELL ARE WE GOING TO LET THAT HAPPEN! Selflessness, Courage, and Trust) Now, everyone!

Nico: Right!

We all fired massive energy beams which hit Universe 666 Sebastian and they sent him flying out into space. In his total state of madness, he tried to push it back, but because of what Ace Bunny had did in destroying his Infernal Darkness powers, he was unable to fight it. Suddenly, his arms began to bleed as phantom slashes appeared from nowhere, and his entire body was also attacked by phantom slashes: the vengeful spirits of all those he'd killed came back to get revenge on him, and then, he was engulfed by the energy beams.

Universe 666 Sebastian: (Demonic Voice) NO! NO! NO! DAMN YOU ALL, TEAM LOUD PHOENIX STORM AND THE MASTERS OF EVIL! CURSE YOU! DAMN YOU ALL TO HELL! (ENRAGED DEMONIC SCREAM)

The energy beams exploded and Universe 666 Sebastian was completely obliterated and his spirit was condemned and erased from existence by The Black Gates forever. We all cheered wildly as Lincoln, Ace Bunny, and I along with all of us holstered our massive greatswords on our backs and powered down, and Ace Bunny's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive black and yellow angel wings are permanent.

Me: We did it! We finally did it!

Nico: We sure did, we finally got rid of Universe 666 Sebastian forever!

Lincoln: We'd played his twisted games long enough and we dealt with his minions both created and freed and put under his control after he brought them back from the dead.

Me: You said it. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: Oh boy, I've got an awesome one, and it's one that's got a deep connection with you, Elaine, Sakura, and Mr. and Mrs.

Knudson: it's Marlene Knudson.

I gasped, along with Elaine, Sakura, and my parents.

Nico: You know her?

Me: Oh man, we do, Nico. She's our younger sister.

Nico's jaw dropped.

CLANG!

I put his jaw back.

Nico: Holy shit, so she's another of your sisters and she's Lincoln's Guardian Angel?! Oh man!

Lincoln: Yep, and I think you should hear the whole story from J.D., Sakura, and Elaine. J.D.?

Me: On it. As you'd guessed it, Marlene Knudson is Lincoln's Guardian Angel from Colorado and she is an awesome and very powerful Goth Girl with immense power over the darkness and ice, and she's also a master of The Dark Arts and all forms of dark magic, black magic, Satanic Magic, curses, and The Occult, and she's the younger sister of me, Sakura, and Elaine.

Nico: Whoa.

Me: and just like me and Sakura, she was exposed to cosmic radiation and she'd gained omnipotent power as strong as ours and she eventually became an extremely powerful master of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings from her back and right in front of the massive rainbow angel wings are small white angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all. She defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and a flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion.

Eli: That's really awesome.

Sakura Knudson: And like my brother, she's also an expert when it comes to humiliating jerks and torturing criminals.

Nico: Awesome.

Kalin: There! All better!

Rex Goodwin: The ship is stable again.

Greiger: It sure is.

Myotismon: It can be a good addition.

Me: And also we're finally rid of Universe 666 Sebastian.

Nico: Good riddance.

Electro: Who's up for celebrating on it?

We cheered.

Nico: Great job today everyone!

Lisa Loud: (to the viewers) This was a well carried out series of adventures.

Nico: Yep.

We had fun and we later went home and enjoyed the rest of the day and went to sleep.

For tomorrow, the match-up scene is for Kenzie Kurama, Avatar of Kurama The Nine-Tailed Fox, and she and Lincoln are going to destroy Universe 666 Naruto who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Vermont, but we've got some bad news he and his Guardian Angels aren't going to like hearing, along with me, Sakura, and Elaine: the bad news is our hated old enemy, Miki Alden, is back and she wants revenge on me, Sakura, Elaine, Lincoln, and his Guardian Angels, and this is one monster you will really despise. Miki Alden is literally the worst person ever and she's even worse than the two sadistic monsters, Audrey Madison and Clarissa Mallory. When she stepped into high school in Colorado, she caused massive tons of pain and suffering to a ton of girls in Colorado because she got her sick kicks from exposing a lot of girls' deep dark secrets and ruining their lives to get what she wants and some of them had even taken their own lives, but she didn't care, she's nothing but a condescending misandrist bitch who sucks up to the teachers and principal to get away with what she's done. But, when I exposed Miki, everyone decided to stand up to her and she got expelled and she was chased out of Colorado, but her desire to cause pain and suffering did not end, she escaped to Royal Woods and started doing the same thing again, but Lincoln and his Guardian Angels gathered tons of evidence on her, and they exposed her to everyone in school and Royal Woods, and they also heard of what she did in Colorado, and needless to say, Miki got in big trouble there as well and she was also expelled. But, before she could escape, officers from The Colorado Police Department came and they arrested Miki. It turns out that everyone at my old high school decided to sue her and take her to court to get compensation from her, but Miki being the bitch that she is refused to give them a single penny. But, her parents, having had enough of her and her antics, disowned Miki and since they were not responsible for what Miki had done, they were shown sympathy, but there was none for her. In the end, Miki was ordered by the judge to pay over $900,000,000,000,000,000,000,000,000 in damages for compensation, but Miki being the bitch that she is still refused to pay compensation saying that all girls are weak and if she ever gets out, she'll go after them again and even threatened the lives of me, Sakura, Elaine, Varie, your parents, Lincoln, and his Guardian Angels for ruining her life. So, needless to say, Miki was thrown into the workforce by the judge and was working in harsh conditions and was given an electric monitoring ankle bracelet to monitor her and it'll also warn them if she tries to get away.

All of this drove Miki crazy, and in her fit of delusional rage, she murdered her bosses and escaped to get revenge. But, we're through with her, we are going to take her down, but we're not sending her back to that workplace, she's going to be given The Gessius Flores Vengeance Curse and treated as a humiliation dummy in order to get the amount of damages for compensation that she's order to pay, but here's the twist: after she paid the $900,000,000,000,000,000,000,000,000 in full for damages for compensation for the victims of those she'd hurt in the past, The Gessius Flores Vengeance Curse will be taken off her, and then, she's going to get killed and sent to The Black Gates forever.

And we're in for an awesome surprise: we're meeting one awesome girl who's bound to blow your minds, her name is Marlene Knudson, she's Lincoln's Guardian Angel from Colorado and she is an awesome and very powerful Goth Girl with immense power over darkness, and she's also a master of The Dark Arts and all forms of dark magic, black magic, Satanic Magic, curses, and The Occult. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's the younger sister of me, Sakura, and Elaine, and just like me and Sakura, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she eventually became an extremely powerful master of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings from her back and right in front of the massive rainbow angel wings are small white angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all. She defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals.

Next up is the party for the 1 year anniversary of the September 16th, 2022 Great Equalist War. This will be awesome.

See you next time.

# Anniversary of September 16th

This is for the 1st Anniversary of the Great Equalist War

---

In the early morning hours at 2:20 AM, Lincoln had a dream, and he saw four figures who was hiding out and living in the streets of Brisbane, Australia. But, they were no four figures, they were Nancy Loud Jr, daughter of Lincoln's future wife, Nancy Drew. Elizabeth Loud, daughter of Lincoln's future wife, Bess Marvin. Georgia Loud, daughter of Lincoln's future wife, George Fayne. and Diana Loud, daughter of Lincoln's future wife, Deirdre Shannon. Lincoln woke up from the dream, but he wasn't the only one, Nancy Drew, Bess Marvin, George Fayne, Deirdre Shannon, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We sure did, Lincoln.

Nancy Drew: And not only that, it also means that we found out where our kids are at.

Deirdre Shannon: Any ideas where are they at?

Me: they're at Brisbane, Australia.

Nico: Out on the streets of Brisbane, Australia? That's not good at all.

Lincoln: I know, Nico. Come on, we'd better hurry to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Nancy Drew, Bess Marvin, George Fayne, Deirdre Shannon, Me, and Nico were heading to Brisbane, Australia. Lincoln saw a slender 13-years-old young girl who has fair skin, blue eyes, and shoulder-length strawberry blonde hair with white stripe. She wears a light blue short jacket with blue collar and cuffs, light green shirt with dark green collar, dark blue cuffed jeans, and black ballet flats with gray soles. She also wears a bracelet on the right arm and a watch on the left arm. A pretty yet slightly plump 12-years-old young girl who has fair skin, sky blue eyes, long blonde hair with white streaks. She wears a bright pink ruffle short sleeve shirt with two light pink stripes, dark blue ruffle mini skirt with lavender belt with silver buckle around her waist, navy blue knee length capri leggings, and navy ankle strap flats. She also wears pink fingernail polish and pink bracelets on each arm. A taller and lankier 12-years-old tomboy girl who has tanned skin, brown eyes, and short brown hair with white stripes. She wears a red shirt with black and white long sleeves, dark gray cargo pants, and black converse shoes. And a slender 14-years-old girl who has pale skin, dark green eyes, long black hair with white streak. She wears a dark green bolero that goes halfway down her forearms with 2 black buttons on the left side and two pockets over a mint green shirt, black jean capris with a silver belt that has pyramid-shaped bumps, and white cap toe ballet flats with black soles. Lincoln saw who they are, they were Nancy Loud Jr, Elizabeth Loud, Georgia Loud, and Diana Loud.

Lincoln: You girls must be Nancy Jr, Elizabeth, Georgia, and Diana?

Nancy Loud Jr: Indeed we are.

Diana Loud: Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Nancy Drew, Bess Marvin, George Fayne, and Deirdre Shannon came out, and when Nancy Loud Jr, Elizabeth Loud, Georgia Loud, and Diana Loud saw them, they were stunned.

Nancy Loud Jr: Mother?

Nancy Drew: I'm here, my little detective.

Nancy Loud Jr, Elizabeth Loud, Georgia Loud, and Diana Loud, ran up to Nancy Drew, Bess Marvin, George Fayne, and Deirdre Shannon, and they hugged, and they cried tears of happiness, and we looked on at the scene. Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Nancy Drew, Bess Marvin, George Fayne, Deirdre Shannon, your mothers are one of my many future wives.

Nancy Loud Jr, Elizabeth Loud, Georgia Loud, and Diana Loud: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Nancy Loud Jr, Elizabeth Loud, Georgia Loud, and Diana Loud with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Nancy Loud Jr, Elizabeth Loud, Georgia Loud, and Diana Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Nancy Drew, Bess Marvin, George Fayne, and Deirdre Shannon with their kids, and Nancy Loud Jr, Elizabeth Loud, Georgia Loud, and Diana Loud now has a loving, strong, brave, and caring father in their life.

Me: Ahh! Nothing like having some fun at the beach.

Nico: Boy you said it.

We were playing volleyball, digging for treasure, diving for treasure, surfing, looking for seashells, barbecuing, sunbathing, building sandcastles and more.

Me: Boy this is the life.

Varie: Yeah it sure is good.

Lincoln: I love it.

Nico: Yeah.

May: Hey Nico can you rub some sunscreen on my back?

Nico: Sure.

Nico did so.

Misty Tredwell: Can you do so with me too J.D.?

Me: Sure Misty.

I put some on her.

Nico: Rhodey, I want to thank you, Ragdoll, and your teams for coming

War Machine: No problem Nico. This is so fun.

Thumbelina: It sure is awesome guys.

Eli: It sure is.

Arrietty: I agree there too.

Nico: Thumbelina, remember when we met you?

Thumbelina: I sure do. That was when you helped me battle that toad.

Me: That was fun and cool.

Nico: It sure was.

Camie: Wow.

Lola: Yeah that was so fun. And Thumbelina is one of my favorite stories.

Varie: Yeah.

Thumbelina: It was really fun meeting all of you too.

Arrietty: It sure was.

Nico: I love your story too.

Thumbelina: I like my story too. And it's always so fun.

Xenia: It sure is.

Eli: I like it too.

Nico: Yeah. Wow! V'Ger! That was the biggest star ship I've ever seen!

Xenia: Unbelievable! It was half the height of the estate!

Nico: It was still fucking big!

Me: Boy no kidding! 48 miles long?! That was massive!

Xenia: Yeah no kidding.

Arrietty: I was really amazed seeing how massive it was. But our ship was much bigger than that.

Me: I know. But it was really cool seeing it. And V'Ger was a huge ship that was made from one of our Satellites.

Nico: Yeah no kidding. But the Energy Cloud it had around it was massive too!

Me: I know. 7.62 billion miles in diameter! Incredible.

Lola: Yeah that was huge!

Nico: I thought we were gonna fight it from the outside.

Me: So did I. But I did not expect V'ger to summon clones of all the Another Riders. That was awesome.

Nico: It sure was. I did not expect that either.

Eli: Thank goodness I contacted V'Ger with the Force and had it understand us.

Arrietty: That was well thought out.

Juran: We would've fought it with our Megazords!

Me: Uh Juran, a ship that's over 48 miles long like that? That would be like fighting over 500 Serpentera Zords.

Nico: He's right on that. And V'Ger was FAR Too powerful for the rangers. Remember what it did to those Klingon Battle Cruisers and that Federation Station in the movie?

Me: How can I forget? That was incredible.

Juran: That is crazy. But I see your point.

Camie: Yeah but it was cool to see though.

Me: Yep.

Maria: I hope there's something good out here.

Nico: Me too.

Nicole: GUYS!

Nicole and Applejack came back.

Nicole: You are not going to believe what we found.

Me: What is it?

Nicole: You'll see.

We followed Nicole and Applejack and we got to a hidden cove and too our shock we saw AN ABANDONED CRUISE SHIP! It was a cruise ship that was lost years ago!

Me: WHOA! Look at that!

Camie: That's an old Cruise Ship.

Nico: Wow! This ship looks like it was run aground here years ago.

Eli: Boy it sure looks old.

Qin: Wow I wonder how it got here.

Me: Either a hurricane or a storm brought it in here.

Nico: Lets go check it out.

We went on board and saw that it was a really run down cruise ship.

Me: Boy this ship has really seen better days.

We went down a hall and saw some of the rooms intact.

Nico: Wow. Some of the quarters are still intact.

Maria: What do you think happened?

Nico: No idea.

We went into the main gambling hall and saw that THERE WERE SKELETONS ALL OVER THE PLACE!

WE GASPED!

Me: Oh Good god!

Nico: What the hell?!

Me: Looks like a massacre happened here!

We went and checked out the bodies.

They were riddled with bullet holes and their jewelry, money and more were all missing.

Me: Pirates did this! They robbed these people and killed them all.

Nico: Geez!

Me: They might have used a storm for cover, ambushed this ship and killed everyone left and right after stealing everything they had.

May: Nothing we can do about it now.

Nico: Yeah.

Me: At least it wasn't like what happened in the movie Deep Rising with Octalus.

Nico: Yeah.

Qin: Yeah. But whoever these pirates were, they were smart enough not to leave anyone alive. Period.

Nico: Big time.

Camie: Yeah.

Maria: What about any treasure?

Me: Hmm. If my hunch is right I heard that this ship was carrying a massive vault full of a huge treasure that is easily worth 10,000 times more than the treasure of 1,000 treasure troves of Blackbeard.

Nico: Yeah.

We went to find it.

We went down a hall and into the bottom of the ship. We saw the cargo in the ship and it was still intact.

Me: The cargo is still intact.

Varie: Yeah.

Camie: Wow.

Me: Look there's the vault!

We saw a HUGE VAULT DOOR!

Nico: Wow! What a vault!

We went over to it.

Me: Wow. It's huge.

We saw skeletons on the floor. They were those of the pirates.

Me: The pirates were killed trying to get in it.

Camie: Looks like they couldn't get passed the security it had.

Me: A Very Sophisticated system too.

Lincoln: Hmm. Lets see.

Lincoln activated it with his powers and it was online.

NIco threw a pebble. But the laser turrets sparked and exploded.

Me: Whoa. Laser system is too badly degraded.

We turned the hatch and opened it and in the vault WAS A MASSIVE NUMBER OF DIAMONDS! They were worth MORE THAN 10,000 TIMES MORE THAN BLACKBEARD'S TROVE!

Me: WHOA! Diamonds!

Nico: All diamonds!? So that's hat these pirates were after.

Xenia: Yeah!

Nico: Look at all this!

I looked at a diamond and it was perfectly internally flawless.

Me: Wow! Perfect quality.

Xenia: Awesome.

Me: Wow! Lets have these diamonds taken back to the estate.

Nico: Okay.

I went and put them all in a scroll.

Nico: That's all of them.

Me: That was awesome.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Nico, Cindy, are you familiar with someone by the name of Bethany Reginald?

Nico and Cindy Clown gasped.

Nico and Cindy Clown: BETHANY REGINALD?!

Qin: Oh shit, not that terrorizing bitch again?!

Me: You two know her?

Nico: Oh, I wish we hadn't. Bethany Reginald is another queen bee bitch monster and she's even more worse than many of my whacko enemies: she hates her mother and father and wants to burn down the whole town and kill everyone.

We gasped.

Cindy Clown: I think you guys should hear the whole tale of what we did in exposing her true nature.

---

Nico: It was Bethany Reginald's birthday party and it was so boring, plus, none of us had forgotten that she was a hateful bitch who despised her mother and wanted to burn down the town and kill everyone. And she threatened that if no one comes to her party, she was going to kill them all, so they came in pure fear.

Past Cindy Clown: Ugh, this party is such a bore.

Past Nico: I know.

Nico: It was there that I suddenly had gotten an idea and I talked about it with Cindy, and almost in the blink of an eye, she agreed to my idea. So, we got started by gathering tomatoes, pies, and cake. Then, as soon as Cindy and I got on stage, it's showtime.

Cindy Clown: First, we immediately started with a juggling routine, but then, that's when we started getting out and throwing tomatoes, pies, and cake at Bethany Reginald.

Nico and Cindy threw the tomatoes, pies, and cake at Bethany Reginald, and when they were done, she was literally a mess. But, soon enough, they saw her face turn bright red, and they knew the show was about to begin and Bethany Reginald's true colors would be revealed.

Past Bethany Reginald: (ENRAGED SCREAM) GODDAMN YOU ALL! (ENRAGED) I HATE YOU, I HATE ALL OF YOU! I WISH I COULD FINALLY KILL YOU ALL!

Her parents were shocked at what she said, along with everyone else.

Past Mrs. Reginald: H-honey, why would you say something like that?

Past Bethany Reginald: ISN'T IT OBVIOUS, YOU STUPID BITCH?! I HATE YOU AND THAT SENILE FOOL THAT I CALL DAD, I WANTED NOTHING MORE THAN TO KILL YOU BOTH ALONG WITH EVERYONE IN THIS WHOLE GODDAMN TOWN AND BURN IT ALL TO THE GROUND! I HATE ALL OF YOU AND I WISH YOU WOULD ALL JUST DIE ALONG WITH THIS STUPID TOWN!

Everyone was absolutely horrified: Bethany Reginald was exposed as a flat-out monster bitch who had a heart of pure darkness and she was so full of bile and hatred.

Past Mr. Reginald: I can't believe that we gave birth to the likes of you, you're a vile and disgusting monster!

Past Mrs. Reginald: I truly thought that giving birth to you was truly a miracle, but in reality, it was the opposite as we now see your true nature. You're just a rotten black-hearted monster with pure hatred your heart and nothing but madness, I can't believe you, you're such a monster!

Past Mr. Reginald: This cannot go on any longer.

Past Nico: I agree completely, Mr. Reginald. (Sees Bethany Reginald grab a knife from the table) MR. AND MRS. REGINALD, LOOK OUT!

The guests all saw Bethany Reginald now completely crazy and deranged run at her parents and Nico with a knife, but Cindy kicked that deranged bitch and sent her flying into a piñata that broke apart and a ton of candy spilled out. Then, she and Nico tied her up.

Past Cindy Clown: I always knew you'd show your true colors, Bethany, once we got you so pissed off. Mr. and Mrs. Reginald, call the police.

Mr. and Mrs. Reginald called the police, and the cops came, and almost immediately, they grabbed Bethany Reginald. Nico and Cindy Clown told them of what Bethany Reginald tried to do, and the officer wasn't surprised.

Officer: Ugh, I always knew you'd be back at it again, Bethany. I tried to tell her parents about this, but she attacked me and stabbed me in the stomach.

The officer showed them the stab wound and it disgusted everyone.

Past Mr. Reginald: First, we find out your true nature, now we also find out you attacked a police officer long ago?! That's the last straw! Bethany, we are disowning you and we are hereby cutting all ties with you forever. You won't ever be welcome in this family ever again, and we are giving our assets and the estate to your younger sister, Melanie.

Past Mrs. Reginald: And on top of all that, we're also pressing charges on you for trying to kill me and your father.

Past Nico: We're also going to be pressing charges against you for what you'd done to all of us in the past as well. I'm sure you'll be going away for a long time.

Past Cindy Clown: Oh, and one last thing.

Cindy Clown got out another pie and threw it at her face and she was covered in pie filling.

Past Cindy Clown: That's for putting a wasp's nest in the girls' locker room in Gym. Take her away, officers!

The officers took her away, and as they loaded her up in a police car, it drove off as Bethany Reginald screamed like a fucked-up madwoman. The story ended, and we were absolutely horrified.

Me: My God! That girl is such a monster bitch!

Qin: You have no idea, J.D., she was even worse than that sadistic monster, Audrey Madison.

Lincoln: And Clarissa Mallory. So, what happened to her after the cops took her away?

Nico: After she was disowned by her parents and the cops took her away, she was taken to court and everyone gave testimonies at her trial, and they also showed the evidence we'd gathered on her, and it was so horrifying, no one could believe it. The jury deliberated less than ten minutes, but in the end, the jury found Bethany Reginald guilty on all charges, and she was sent off to prison for a long time.

Me: Damn, she's such a bitch!

Nico: And now we find out that said bitch has escaped from prison and here on an abandoned cruise ship?!

Lincoln: What do we do? She's not going to stop until she gets revenge, and from what you said, she is even worse than Audrey Madison.

Nico: Her parents had disowned her long ago, and they don't care what happens to her. As much as I want to kill her for everything she's done, she doesn't deserve it. There's only one place for a bitch like her: The Xaibola Prison for Queen Bees where she'll stay there until she dies for real.

Me: Awesome. (Smirks) This should be good.

Lincoln called the rest of the team and told them of the situation.

Nico: But, we got to watch it though, that time in prison has pretty much destroyed her sanity and left her consumed by hatred and madness.

Xenia: Yeah.

Nico: I did not ilke her birthday at all!

Me: I don't blame you. But either way we are not going to let her get away with everything she did.

Eli: That's for sure. It's to the Xaikora prison for her.

Camie: Absolutely!

Nico: I did not ilke her birthday at all!

Me: I don't blame you one bit.

Lori: Reminds me of the party that I literally tried to have.

Me: I still liked that party though. The food was great.

Lori: Thanks J.D.

Xenia: Yeah.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in

Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Bethany Reginald) AHA! Gotcha! I just spotted that heartless bitch, she's 20 yards away and closing in fast on Nico and Cindy Clown.

Nico: Let's head on over and trash that bitch.

Lincoln: Yeah, let's get her. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Bethany Reginald.

Nico: Keep your eyes peeled, everyone. That bitch is hiding here somewhere.

Lincoln: Just in case…

Lincoln snapped his fingers and we were on Glaren.

Naruto: Good call taking the fight to Glaren, Lincoln, there's no way we're fighting in an abandoned cruise ship, the fight there would wind up sinking it to the bottom of the sea.

Sakura Haruno: You said a mouthful.

Me: At least the ship was on the ground. We'll have to take it in for repairs and work.

Varie: Good idea.

Nico: After this is done.

Me: Right.

?: YOU GODDAMN MONKEY-TAILED FREAK, YOU AND THAT CLOWN BITCH WILL PAY FOR RUINING MY LIFE!

Nico and Cindy Clown: Yeah, fuck you too, bitch!

Me: HERE SHE COMES!

We then saw a girl with black hair and in a prison uniform heading right for us and her eyes were filled with insanity and madness: it was Bethany Reginald. That insane bitch got out machine guns and aimed them at Nico and Cindy Clown, but Lincoln made a massive diamond barrier that protected all of us, and when she fired, the bullets bounced off the barrier. That got her extremely mad and she got out a knife, but when she stabbed the barrier, the knife broke. Then, she tried beating on it, but it didn't work, but it did make her hands and knuckles bloody. BETHANY REGINALD WAS ABSOLUTELY OUR OF HER FUCKING MIND AS SHE CONTINUED REPEATEDLY ATTACKING THE BARRIER!

Cindy Clown: Ugh, she really has gone completely insane.

Nico: All those years in prison really has made her even worse than ever. Now, I'm starting to regret my decision of sending her to The

Xaibola Prison and just put her down like the madwoman she is.

Lincoln fired a diamond ball that hit Bethany Reginald and sent her flying into a burned down tree and Lincoln deactivated the barrier and we stood ready against Bethany Reginald, as she got out, but boy was she absolutely pissed off beyond imagination.

Bethany Reginald: YOU STUPID GODDAMN ASSHOLES! YOU'VE RUINED MY FUCKING LIFE!

Nico: Oh please, you did all that to yourself, bitch!

Cindy Clown: Yeah, it was all your fault though, you caused all that trouble for all of us in the past, and we can't forget about the fact that you're a deranged psychopath who wanted to kill your own parents and everyone in town and burn it to the ground. You brought all that on yourself, and Nico made the right call exposing you with his plan years ago.

Bethany Reginald: YOU! YOU! I'M GOING TO KILL YOU! ALL OF YOU!

Me: The only thing awaiting you is a lifetime behind bars, bitch, where you'll be forced to take cold showers and eat nothing but raw chum!

Nicholette Torrington: And where you'll probably be attacked and assaulted by the males there.

Nico: Uh, Nicholette, the guards there won't do that.

Nicholette Torrington: (Smirks) Who said anything about the guards? I was talking about many of the male king bees we've taken down in the past whom we'd thrown in there because they were perverts who enjoyed raping girls.

We gasped.

Nico: (GASPS) Lincoln, is Nicholette telling the truth?!

Lincoln: Oh, I wish she was lying about that!

Eli: (Sensed it) (GASPS) She's not lying!

Nico: Oh shit!

Qin: Lincoln, sometimes, your Guardian Angels tend to have some really sadistic

tendencies, and that really scares us. (SHUDDERS)

Nicole: I've seen it for myself, their sadism towards the damned and irredeemable is really scary, and even Anko is impressed by that.

Part of me is gone…

part of me is gone…

Take my heart and hold me tight

take my heart and hold me tonight

now that you have gone.

Raiders of the sun

have come for everyone

plague of sadness pass me by

plague of sadness passes me by

And all that's dark is gone…

and all that's dark is gone…

And i don't know baby if i can leave to night

and i don't know baby if i can leave tonight

Music for my song

golden gifts of love

tiny patterns of your light

tiny patterns touch me inside

And all that's dark is gone..

and all that's dark is gone…

And i don't know baby if i'm living right

and i don't know baby if i'm living right

if i'm living right

if i'm living right

Girl Jordan: Taste this! THUNDERSTORM STYLE NINJA ART: RAIN!

(RAIN BY MADONNA PLAYS)

Girl Jordan: (SINGING DIVINELY AS THUNDERSTORMS FORM ABOVE)

I feel it

It's coming

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Rain

When your lips are burning mine

And you take the time to tell me how you feel

When you listen to my words
And I know you've heard
I know it's real rain is what the thunder brings
For the first time I can hear my heart sing
Call me a fool but I know I'm not
I'm gonna stand out here on the mountain top
'Til I feel your
Rain
Feel it on my finger tips
Hear it on my window pane
Your love's coming down like
Rain
Wash away my sorrow
Take away my pain
Your love's coming down like
Rain
When you looked into my eyes
And you said goodbye could you see my tears?
When I turned the other way
Did you hear me say
I'd wait for all the dark clouds bursting in a perfect sky?
You promised me when you said goodbye

That you'd return when the storm was done

And now I'll wait for the light, I'll wait for the sun

'Til I feel your

Rain

Feel it on my finger tips

Hear it on my window pane

Your love's coming down like

Rain

Wash away my sorrow

Take away my pain

Your love's coming down like

Here comes the sun!

Here comes the sun!

And I say, never go away

Waiting is the hardest thing (It's strange)

(I feel like I've known you before) I tell myself that if I believe in you

In dream of you (And I want to understand you)

With all my heart and all my soul (More and more and more)

That by sheer force of will (When I'm with you)

(I feel like a magical child) I will raise you from the ground

(Everything strange) And without a sound, you'll appear

(Everything wild) And surrender to me, to love

Rain is what the thunder brings

For the first time I can hear my heart sing

Call me a fool but I know I'm not

I'm gonna stand out here on the mountain top

'Til I feel your

Rain

I feel it, it's coming

Your love's coming down like

Rain

I feel it, it's coming

(LA MER BY SARAH BRIGHTMAN PLAYS)

Maria: (SINGING DIVINELY AS WATER SWIRLED AROUND HER)

Ancient unknown animals

On a stormy sea

Like Buddha in the water

A velvet energy

As the night takes over

The spirits of the deep

Marvel at his majesty

The whale is in his sleep

Oh, la mer

You're shimmering through

Oh, la mer

Magnificent blue

Shimmering through the water

In search of sanctuary

Currents travel faster

In alien territory

Dancing in the distance

In a puff of spray

In a single moment

The dolphin glides away

Oh, la mer

You're shimmering through

Oh, la mer

Magnificent blue

Oh, la mer

She floated and fired waves of water and blasted Bethany all over.

Hailina Monroe: (SINGING DIVINELY AS FIRE SWIRLED AROUND HER)

Lost in the darkness, hoping for a sign

Instead there is only silence

Can't you hear my screams?

Never stop hoping

Need to know where you are

But one thing is for sure

You're always in my heart

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

Lost in the darkness, try to find your way home

I want to embrace you and never let you go

Almost hope you're in heaven

so no one can hurt your soul

Living in agony cause I just do not know

Where you are

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

Wherever you are, I won't stop searching

Whatever it takes, I need to know

I'll find you somewhere

I'll keep on trying until my dying day

I just need to know whatever has happened

The truth will free my soul

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

May: (SINGING DIVINELY AS DARKNESS AND ICE SWIRLED AROUND HER)

Now the day has come

We are forsaken this time

We lived our lives in our paradise

As gods, we shaped the world around

No borderlines, we'd stay behind

Though balance is somethin' fragile

While we thought we were gaining

We'd turn back the tide, it still slips away

Our time has run out, our future has died

There's no more escape

Now the day has come

We are forsaken

There's no time anymore

Life will pass us by

We are forsaken

We're the last of our kind

The sacrifice was much too high

Our greed just made us all go blind

We tried to hide what we feared inside

Today is the end of tomorrow

As the sea started risin'

The land that we conquered just washed away

Although we all have tried to turn back the tide

It was all in vain

Now the day has come

We are forsaken

There's no time anymore

Life will pass us by

We are forsaken

Only ruins stay behind

Now the day has come

We are forsaken this time

Now the day has come

We are forsaken

There's no time anymore

Now the day has come

The day has come

The day has come

She floated and fired waves of ice and darkness and smashed Bethany all over the place.

Go ahead as you waste your days with thinking

When you fall, everyone stands

Another day, and you've had your fill of sinking

With the life held in your

These hands are meant to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

Move along

So a day when you've lost yourself completely

Could be a night when your life ends

Such a heart that will lead you to deceiving

All the pain held in your

Hands are shaking cold

Your hands are mine to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

Along, along, along

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do

Amy Rose: NICE!

Me: Hmm. I got an idea.

I teleported as Bethany got up and put something on Bethany's back and teleported back.

Bethany: HUH?

On her back was a note that said "Sakura Haruno is a Flat-Chested Ugly Bimbo."

Sakura Haruno: (GASP)

SHE EXPLODED IN RAGE!

Then she went at her!

Sakura Haruno: CHA!

And then…

MASSIVELY POWERFUL EXPLOSION PUNCH!

She smashed and pulverized Bethany with the fury of a massive number of Lady Tsunade Force Punches times 1,000!

I whistled innocently.

Nico: BRUTAL!

Sakura Haruno came back.

Me: Nice one.

Sakura Haruno: Thank you.

Sakura then threw a punch at me and I ducked and it hit Jessie in the back of the head and sent her flying!

Jessie (Pokemon): WAAAAAAAAAAAAHHHH!

She flew at Bethany and then she smashed into Bethany's face and broke her teeth and nose!

Nico: WHOA!

Me: OOOH! That's gonna hurt!

Ash: GEEZ! And I remember when Primeape did that to Jessie. That was brutal!

Nico: Yikes!

Poliwag: No kidding!

But then Bethany did something INCREDIBLY LOW!

She grabbed Jessie's hair a RIPPED MOST OF IT OFF HER HEAD!

WE GASPED!

Jessie: OOF! OUCH!

Me: Uh Jessie don't look now but…

I showed a mirror and Jessie saw her hair ripped off and she screamed!

Jessie: MY HAIR!

She then broke down crying!

Jessie: Since I was a child my hair has been my only companion and now its been destroyed. (CRYING)

But then her crying turned into malevolent insane laughter!

Me: UH OH! Bethany just REALLY FUCKING CROSSED THE LINE BIG TIME!

Bethany: What's the matter you bitch!? You look better than ever you ugly bitch!

Jessie: HOW DARE YOU!? YOU INSULT MY HAIR PREPARE FOR TROUBLE!

James: You know J.D. you would be perfect for a Team Rocket motto.

Me: I'll have to try it out sometime.

Nico: Lucky we're not killing you!

Jessie then punched and PULVERIZED BETHANY ALL OVER WITH EXTREME SAVAGERY!

Bethany Reginald: YOU! YOU! (ENRAGED SCREAM)

Bethany Reginald charged at us completely blind with rage and fury, but Nico, Cindy Clown, and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at her and she got hit hard and he slashed at her with his massive black greatsword.

Lincoln swung his massive greatsword and fired energy shockwaves that formed into dynamite and they exploded as they hit her face, then, he snapped his fingers and she got hit with tons of pies and cake.

Luan: Ooh, I've got a good one.

Luan threw a huge pie at Bethany Reginald, but this one was made from the stinky diapers of Lincoln's newborns and she stunk!

Nico: P.U.! What on earth was that?!

Eli: A pie made from the stinky diapers of Lincoln's newborns. That reeks!

Me: OH GOOD GOD!

Rita: She tried to pelt us with Lily's dirty diapers, and we had to take fifteen baths just to get the stink out.

Me: I remember that!

Lily Loud: Yeah, I had no idea what Luan was thinking!

?: This is gonna be fun!

Out came a girl with purple hair and green eyes and she had yellow clothes and had yellow angel wings and she had a tiara with the symbol of Magic Man on it and the same on her skirt and she had tattoos for Kamen Rider Zi O and Decade on her arm.

Then, Lincoln fired a rainbow energy straitjacket that tied her up and he beamed her to The Xaibola Prison for Queen Bee Mean Girls and she was thrown in a doorless windowless cell with an anti-Dark Orb and anti-dark magic barrier and she was chained to the wall with Neutronium chains lined with rainbow energy. We cheered as we holstered our weapons and powered down.

Nico: That's another disgusting Queen Bee put down and another of my whacko enemies put away.

Me: Sheesh, it seems like you, Lincoln, and I have made tons of enemies in the past, and many of them are absolutely whacko.

Nico: Seems like it.

Lincoln: But, we always put them in their place: either in prison or send them to the grave. But, most of the time for me, most of those whackos wind up in the grave.

Nicholette Torrington: That's because of the fact that they were way too dangerous and way too evil to let live.

Selene Arcangela: And they more than deserve to wind up in the grave forever.

Me: Same with my enemies, but for most of them, they wind up going back to prison.

Nico: Same here with my enemies. But, Lincoln's right about one thing, the enemies that he and his Guardian Angels have made in the past were way too dangerous and way too evil, the only thing that awaited them is death should they dare to return.

Rita: Even I was stunned at the magnitude of the enemies they've made was staggering, but they've wound up getting their punishment.

Me: That is for sure!

Xenia: Big time!

Nico: Not bad for a test drive!

Mina Magic: Boy you got that right.

Nico: That sure was cool.

Sougo: Boy it sure was.

Nico: How did you meet Tsukasa and Sougo?

Mina Magic: I met Tsukasa when he was fighting Nobuhiko Tsukikage and I helped them kill him.

Me: Whoa! That is cool! I hated that guy.

Mina Magic: Yep and I helped them kill him by stabbing him in the heart with a magic sword.

Nico: Wow!

Mina Magic: And I met Sougo when he was fighting Another Wizard.

Me: Wow! That is cool.

Mina Magic: And J.D. I heard how you exploded in power and killed Swartz.

Me: Well I'm not the one that delivered the fatal blow. Nico and May are the ones that did it.

Nico: Yep we ripped him apart and killed him.

Maria: We have the Shadow Moon monster in the Masters of Evil.

Mina Magic: Wow! That is cool.

Me: Yeah.

Sakura Knudson: And I was going to kill Swartz when the time came. But bro beat me to it.

Me: Yeah we wanted to make sure that his death was extremely excruciatingly painful.

Sakura Knudson: You got that right.

We high five.

Nico: Yeah!

Mina Magic: I'm glad Swartz got what was coming to him and I'm glad the Timejackers are in the M.O.E.

Nico: I fed him his own heart.

Luan: I caught the whole thing on camera for us.

She showed it.

Nico: Take that!

Nico went over to the down Swartz. He grabbed Swartz's his lower face and yanked it down, ripping off the skin and muscle and leaving his jaw hanging by one joint. Swartz lets out a muffled scream of horror and pain from his mutilated face and takes a step back. Nico pull his arm back and thrust it through Swartz's chest to grab his heart, while impaling him at the same time, before pulling his arm out along with the organ.

SQUELCH!

As the still-alive Swartz weakly gurgles and tries to reach for his heart, Nico only raised it out of his reach and ask him one question.

Nico: Remember what I promised you?

Keeping true to his word, Nico shove the still-beating heart into the hanging mouth of Swartz and force him to his knees before grabbing the sides of his head, opening his bloodshot but uninjured eyes, and uttering one final command.

Nico: Now swallow.

Swartz can only let out one last muffled scream for mercy as his head is crushed into paste by his brute strength.

SQUISH! YUCK!

Me: Nico that was AWESOME!

Sougo: YEAH!

His spirit then appeared and then I painted a kanji on him.

Me: Give my regards to Kazu and all of Dai Shocker fuckwad! UZUMAKI BLACK JUDGEMENT SEALING ART: BLACK GATES!

He was found guilty by all the spirits of the people he killed and he was fading.

Swartz: NO! Sougo help me!

Sougo: After what you did? Never! Enjoy darkness.

Swartz: DAMN YOU SOUGO AND TEAM LOUD PHOENIX STO-(FADES)

He was gone forever!

Me: Now it's over.

I powered down and Nico caught me as I was about to fall over.

Me: Wow! What a rush!

When it was done Mina cheered!

Mina Magic: WOOO! That was great!

Nico: You're welcome.

Me: Those 13 days were the most explosive ever.

Camie: They sure were.

Mina Magic: Boy they sure were!

Nico: I still call it Kamen Rider Week!

Me: Awesome name for it.

Qin: Yep.

Me: Yeah. Anyway we have the anothers to do.

Qin: Yeah.

Eli: Lets see.

Eli concentrated.

Eli: WHOA! We got White Chazz, White Bastion, White Alexis, The Indigestible Wad and Ragdoll!

We gasped!

Me: Whoa! Chazz, Bastion and Alexis under the influence of the Light of Destruction! This will be awesome!

Bastion: I still didn't look good in white at all.

Me: Yeah no offense Bastion but White is DEFINITELY not your color.

Bastion: None taken. Didn't even use me that much.

Chazz: I didn't like being in white either.

Alexis: Same here. Even though White is part of my dorm's uniform.

Me: True but pure white is NOT your color. No offense Alexis.

Alexis: None taken. But I can't believe I was horrible like that.

Bastion: They could've at least had me Duel Atticus!

Me: Yeah no kidding! But thank goodness you didn't. You didn't want to end up like how I defeated White Alexis when I used the Seal of Orichalcos.

Sakura Knudson: Wait you used the Seal of Orichalcos?

Me: Yeah I did. You should have seen what happened. I was so pissed off that I used the Orichalcos. I had the symbol of the Orichalcos in the middle of my forehead and my eyes were glowing intensely red with pure hatred and evil and I was overflowing with intensely powerful negative energy. I gave White Alexis the beatdown of a lifetime.

Sakura Knudson: Holy shit!

Me: Yeah. That's why I vowed only to use the Orichalcos when absolutely necessary or as a last resort.

Xenia: Yeah.

Nico: And that's when I met Master Green.

Me: Yep.

Laney: That was so cool.

Nico: It sure was. Anyway who will face them?

Me: Sirena Cammilton.

Mina Magic: I'll face White Chazz.

Ciana Cold: And I'll face White Bastion.

Me: Awesome.

Nico: Cool.

Eli: And I sense that the Anothers minus Ragdoll are one person.

Me: Awesome.

Maria: There they are!

We saw Another White Chazz, White Bastion, White Alexis and The Indigestible Wad!

Me: WHOA!

Qin: This will be fun.

Another White Bastion: (In a girls voice) It sure will be.

Lincoln: (GASP) Cassie Cardassia!? Whoa!

They merged and she reverted back and was a girl with yellow hair, yellow eyes, yellow angel wings, yellow clothes, and had the symbol of the Cardassian Union in the middle of her forehead and on her skirt and she had a Cardassian Phaser on her hip and in her hand was a cool Keyblade.

Cassie Cardassia: Awesome to see you again Lincoln. And wow you grew into an awesome young man.

Lincoln: I sure have.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Cassie Cardassia, Keyblade Knight of Cardassia Prime, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Cardassia Prime, and she has intense light powers and she's a master of light. She is the Keyblade Knight of Cardassia Prime and leader of The Cardassian Union, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past and her number 1 enemy is Dukat of the Cult of the Pah-Wraiths. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of light.

We were amazed.

Me: Wow! That is awesome! The Keyblade Knight of the planet Cardassia Prime and the Leader of The Cardassian Union.

Nico: That is so awesome. And we just finished up 5 days of amazing Star Trek adventures.

Cassie Cardassia: That's what I heard. That is awesome.

Me: Boy I remember what happened in the end of the Dominion War. That was awful. The Dominion and Breen descimated all of Cardassia City and 800 million people were killed in a massive orbital bombardment from them.

Nico: That was terrible!

Cassie Cardassia: It sure was.

Me: If I might ask, Why is Dukat your public enemy number 1?

Cassie Cardassia: Well he is a traitor to my people and I made it my mission to hunt him and bring him to justice for his war crimes with the Pah-Wraiths and his crimes during the Dominion War.

Me: I don't blame you for going after him. But I remember everything he did during that time. But he is now in the M.O.E. He was given asylum there.

Cassie Cardassia: I see.

Me: Yeah. By the way is the Another Ragdoll friendly or hostile?

Cassie Cardassia: Friendly and she is a really awesome doll maker.

Ragdoll: Wow!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They both glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and elements and blasted the Anothers.

Nico then chewed the Another Indigestible Wad!

Me: EW! Nico spit that out! You don't know where that gum has been!

Nico pouted.

Nico spit it out and it went into Lana's mouth.

Lana: Mmm! Good gum.

Me: (LAUGHS) Lana.

Nico: (LAUGHS) That's funny.

Cassie Cardassia: (LAUGHS) That's one thing that doesn't change about Lana.

Me: Yeah always loves gross stuff. Especially eating Oogie Boogie's and Timon and Pumbaa's bugs.

Nico: What about the Ridebooks.

I showed them in my hands.

Me: Got them already.

Nico: Oh sorry.

Qin: Yeah.

Nico: You done Lana?

Lana: Yep.

She spit it out and I pulled out a tissue and wrapped it up.

I teleported it into a trash can.

Nico: Nice.

May: Now we wait.

Me: Yep.

Qin: This will be fun though.

Laney: Yep.

Maria: I'm saving the MOE cannon for tomorrow

Nico: Okay.

Me: Here she comes!

We saw ANOTHER RAGDOLL!

Me: Another Ragdoll!

Lola: Whoa!

Another Ragdoll: (In a girls voice) It's fun though.

Me: (GASP) That voice.

She reverted back and was a girl with aqua blue hair and had blue eyes, a lightning bolt shaped scar over her left eye and she had blue angel wings and blue clothes and a tiara with the symbol of the Air Dopant on it and the same symbol on her skirt and she had a wind sword.

Me: Adrienne Air! Wow!

Adrienne Air: Awesome to see you again J.D.

Me: Same here. Adrienne is the Embodiment of the Air Dopant and she has amazing wind powers and she is also an amazing doll maker. She makes amazing dolls.

Adrienne Air: It's true.

She pulled out a doll she made that looked like her.

Adrienne Air: I make my own toys. Good money and everyone loves them.

Me: Awesome.

Nico: How did you get this?

Nico pointed to his eye.

Adrienne Air: Oh I accidentally got cut by my father as he was holding off an intruder. My dad was armed with a knife to hold him off.

Me: Ouch!

Xenia: That must've hurt!

Laney: You're lucky you didn't lose that eye.

Adrienne Air: I know.

Ragdoll: But those dolls you make are adorable.

Adrienne Air: I'm glad you like them.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Adrienne Air: No he didn't because I made this.

She pulled out a voodoo doll that looked like Swartz and it had pins in it.

Me: A Voodoo Doll.

Brittney: Not only are you gifted with making toys but you're gifted with making stuff from the supernatural.

Adrienne Air: Yeah I forced Swartz to let me go and I stabbed him in the crotch with a pin.

Me: Nice.

Sougo: Boy he must not have liked that!

Me: Yeah!

Zocks: That is cool!

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Nico: YEAH!

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated her.

Adrienne Air: Yeah! Now this.

She fired waves of wind and smashed the another all over.

Nico: I'm going to leave you in Stitches! (GETS OUT RAGDOLL'S RIDEWATCH)

May: Time for something FISHY! (Gets out Ebirah's ridewatch)

Maria: I'm gonna Rip you apart! (GETS OUT LEGO RED HULK'S RIDEWATCH)

They activated the ridewatches for Ragdoll, Indigestible Wad, Ebirah, Blue Fairy, Lego Red Hulk and Old Iron Face and fired waves of energy and elements and blasted the Another.

Thumbelina: Take this! (ACTIVATES INDIGESTIBLE WAD'S RIDEWATCH)

She fired waves of gum.

Then Black Spider, Ghost of Elias Kingston, Hysteria (Marvel), Crimson Jazz, Mira (Team Aqua) and D.A.V.E. Came.

Nico: Nice team Black Spider!

Black Spider: Thanks Nico.

?: Boy that is a cool one!

Jewel Man came!

Me: Jewel Man! Wow!

Jewel Man: (In a girls voice) This will be awesome and dazzling.

Nico: Jules Jewel! Wow!

Jules Jewel: Awesome to see you again Nico. I got this.

She fired waves of jewels and blasted the Another and I caught the Ridewatch and purified it.

Nico: YEAH!

Then she reverted back and was a girl with pink hair, blue eyes and had blue clothes and had wings like Flashwing's and she had a jewel in the middle of her forehead and had the Earth Skylanders Symbol on her arm.

Jules Jewel: That was awesome! (WHOA)

She tripped and then a crystal grew and May went flying! She was heading towards THE SUSHIMAKER OBSTACLE COURSE! And she landed into a tub of boiling hot lava. She screams and jumps out in pain, hits the sideways spring, and bounces into a steel wall. She falls onto the spiky conveyor belt's lever, which it turns on. May falls onto the conveyor belt and it takes her to the rolling wheel with sharp corals on it. May gets rolled on by the sharp corals, leaving her face bruised. May gets pummeled by boxing gloves until she becomes liquid. The liquefied May falls onto a shell seat. Four robotic arms grab her, stretch her and roll her up into a ball. May is placed into a cannon and it fires her far off into the distance until she hits the high school bell. May falls in front of the front doors just as the high school students march out and trample on top of her.]

May: Ow…

We ran over!

Jules Jewel: OH MY GOD! Sorry May I am a terrible klutz!

Me: Holy SHIT!

May: (In a lot of pain) I'm okay!

Me: Uh May you ARE NOT Okay!

Varie: Yeah!

Varie had May put on a gurney.

Thumbelina: Geez! Jules what's your favorite memory of Nico?

Jules Jewel: When me and Nico were in jewelry making class and he made this ring for me.

She showed a magnificent dark blue gold and rainbow diamond ring.

Jules Jewel: It's a ring that represents the planets of the solar system.

Me: (WHISTLES) That's beautiful.

Rarity: Oh my darling that is absolutely beautiful.

Nico: It sure is. And we had it sold at a jewelry shop for $100,000.00.

WE GASPED!

CLANG!

My jaw dropped.

Eli put it back.

Me: Wow! That is awesome!

Nico: Yep.

Nico and Jules hugged.

Nico: I've missed you.

Jules Jewel: Same here Nico.

We went back home.

A hated old enemy of me, Varie, and my family along with Lincoln and his Guardian Angels is back: her name is Miki Alden, and she's literally the worst person ever and she's even worse than the two sadistic monsters, Audrey Madison and Clarissa Mallory. When she stepped into high school in Colorado, she caused massive tons of pain and suffering to a ton of girls in Colorado because she got her sick kicks from exposing a lot of girls' deep dark secrets and ruining their lives to get what she wants and some of them had even taken their own lives, but she didn't care, she's nothing but a condescending misandrist bitch who sucks up to the teachers and principal to get away with what she's done.

But, when I exposed Miki, everyone decided to stand up to her and she got expelled and she was chased out of Colorado, but her desire to cause pain and suffering did not end, she escaped to Royal Woods and started doing the same thing again, but Lincoln and his Guardian Angels gathered tons of evidence on her, and they exposed her to everyone in school and Royal Woods, and they also heard of what she did in Colorado, and needless to say, Miki got in big trouble there as well and she was also expelled. But, before she could escape, officers from The Colorado Police Department came and they arrested Miki. It turns out everyone in Colorado and Michigan decided to sue her and take her to court to get compensation from her, but Miki being the bitch that she was refused to even give them a single penny. But, her parents, having had enough of Miki and her antics, disowned Miki and since they were not responsible for what Miki had done, they were shown sympathy, but there's none for her. In the end, Miki was ordered by the judge to pay over $900,000,000,000,000,000,000,000,000 in damages for compensation, but Miki being the bitch that she is still refused to pay compensation saying that all girls are weak and if she ever gets out, she'll go after them again and even threatened the lives of me, Sakura, Elaine, Varie, my parents, Lincoln, and his Guardian Angels for ruining her life.

So, needless to say, Miki was thrown into the workforce and was working in harsh conditions and was given an electric monitoring ankle bracelet to monitor her and it'll also warn them if she tries to get away. All of this drove Miki crazy, and in her insane rage, she murdered her bosses and escaped to get revenge. But, we're through with her, we are going to take her down, but we're not sending her back to that workplace, she's going to be given The Gessius Flores Vengeance Curse and we're going to collect the $900,000,000,000,000,000,000,000,000 in damages for compensation for the victims she hurt in the past, but here's the twist: after we get the $900,000,000,000,000,000,000,000,000 out of Miki, The Gessius Flores Vengeance Curse will be taken off her, and then, she's going to get killed and sent to The Black Gates forever.

Lincoln: Whoa, we're here in Vermont, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we got bad news.

Varie: I think I know what that bad news is, Lincoln. J.D., Mr. and Mrs. Knudson, you aren't going to like it. But, our old enemy, Miki Alden's back.

I gasped along with my parents.

Me: WHAT?! MIKI ALDEN'S BACK?!

Sakura and Elaine Knudson: Not that life-wrecking sadistic bitch!

But, this also drew the attention of Lincoln and his Guardian Angels!

Selene Emperyous: What the HELL?! That bitch is back?!

Nicole: Dad, Mom, Grandma, Grandpa, Aunts Sakura and Elaine, you guys know her, same with Lincoln and his Guardian Angels?!

Me: I wish we hadn't!

Lincoln: Same here.

Sakura Knudson: And you guys won't like her one bit, Miki Alden is literally the worst person ever and she's even worse than the two sadistic monsters, Audrey Madison and Clarissa Mallory. Before I got kidnapped by Swartz, she caused me nothing but trouble when I was in middle school.

Me: And when I was in high school, that bitch always enjoyed causing trouble.

FLASHBACK TO MY DAYS IN MY OLD HIGH SCHOOL IN COLORADO.

In my old high school in Colorado, a girl with black hair and dressed in black clothes came inside our classroom, but she had a presence of pure evil around her, this is Miki Alden. Then, memories played of Miki spilling the girls' deepest darkest secrets and many of them wound up committing suicide.

Me: When she stepped into high school in Colorado, she caused massive tons of pain and suffering to a ton of girls in Colorado because she got her sick kicks from exposing a lot of girls' deep dark secrets and ruining their lives to get what she wants and some of them had even taken their own lives, but she didn't care, she's nothing but a condescending misandrist bitch who sucks up to the teachers and principal to get away with what she's done.

We gasped.

Nico: She really is nothing more than a condescending heartless bitch!

Me: Yep, so I decided enough was enough. I decided to gather tons of evidence to expose Miki, and once I exposed her to the entire school, everyone decided to stand up to her and they all helped me in my crusade. In the end, she got expelled from school and she was chased out of Colorado.

Qin: Good riddance.

Me: That's what I thought.

Selene Emperyous: That's right, Miki's desire to cause pain and suffering did not end, she escaped to Michigan and started doing the same thing again.

---

Selene Arcangela: Years after Miki got chased out of Colorado, she came here to Gotham Royal York's high school, and almost immediately, Miki started doing the same thing again: she was ruining many girls' lives by spilling their secrets and many of them took their own lives and she was enjoying it and even laughing at their torment.

Scenes of Miki ruining many girls' lives at Gotham Royal York High School played and many of them taking their own lives as Miki enjoyed the chaos she caused and her laughing maliciously at their torment was heard.

Nico: What a piece of shit!

Lincoln: Exactly what we said. But, we decided that enough was enough, and like J.D., my Guardian Angels and I began gathering tons of evidence on her, and soon, we exposed her to everyone in the school and all of Michigan.

Past Student: I can't believe what that bitch did! So, it was all her fault that many of our friends had taken their lives!

Past Male Student: I lost my girlfriend because of that slut!

Lincoln: And they also heard of what she did in Colorado, and needless to say, Miki got in big trouble there as well and she was also expelled.

Past Principal Rivers: I cannot believe you. You have absolutely defiled the integrity and sanctity of our school. Miki, you are expelled!

Past Miki Alden: SCREW YOU, BITCH! (RAN OUT OF THE OFFICE)

Lincoln: But, before she could escape again, officers from The Colorado Police Department came and they arrested Miki. It turns out everyone in Colorado and Michigan decided to sue her and take her to court to get compensation from her.

Me: That was to help my old friends in Colorado and you did the same for here in Michigan, but Miki being the bitch that she was refused to even give them a single penny.

Qin: Crazy slut!

Lincoln: But, her parents, disgusted and having had enough of her antics, had disowned Miki and since they weren't responsible for what Miki had done, they were shown sympathy, but there was none for her.

In court, everyone was glaring at Miki who was dressed in an orange prison jumpsuit, but she gave death threats to them, but they didn't care and that really pissed her off that she couldn't scare them anymore.

Me: In the end, Miki was ordered by the judge to pay over $900,000,000,000,000,000,000,000,000 in damages for compensation, but Miki being the bitch that she is still refused to pay compensation saying that all girls are weak and if she ever gets out, she'll go after them again and even threatened the lives of me, Sakura, Elaine, Varie, my parents, Lincoln, and his Guardian Angels for ruining her life.

Everyone gasped.

Nico: Sheesh, she really is worse than Audrey Madison and Clarissa Mallory, she's a Class S bitch!

Me: Yep, so, needless to say, Miki was thrown into the workforce and was working in harsh conditions and was given an electric monitoring ankle bracelet to monitor her and it'll also warn them if she tries to get away.

Lincoln: All of this eventually drove Miki crazy: from J.D. exposing her in Colorado to me to my Guardian Angels and I exposing her in Michigan and getting disowned from her family because of what she'd done, and in her insane rage, she murdered her bosses and escaped to get revenge.

Me: But, we're through with that unreasonable heartless insane bitch, we're going to take her down, but we're not sending her back to work, she's going to be given The Gessius Flores Vengeance Curse and we're going to collect the $900,000,000,000,000,000,000,000,000 in damages for compensation for the victims she hurt in the past.

Lincoln: But here's the twist: after we get the $900,000,000,000,000,000,000,000,000 out of Miki, The Gessius Flores Vengeance Curse will be taken off her, and then, she's going to get killed and sent to The Black Gates forever.

Nico: Nice. Plus, with her being the unreasonable and heartless bitch that she is, she wasn't going to pay any compensation at all, she's such a monster.

Jenny Wakeman: We better find her before she seriously hurts someone else on her insane rampage.

Lincoln: Right, Jenny. Now, where the heck is that monster hiding?

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings with white wings in front, she's dressed in a purple short-sleeved frilly shirt, necklace with pearls and purple gem for the pendant, purple skirt with crescent moon on it, purple stockings, white bridal gloves, purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel, and with her are the the seven girls.

Lincoln: (GASPS) Marlene Knudson.

Me, Sakura Knudson, Sumner, and Patti: Marlene?!

Marlene Knudson: Yep, and I got the girls away from that insane monster bitch before she could kill them.

?: YOU GODDAMN KNUDSON ASSHOLES AND YOU ASSHOLES OF MICHIGAN, I WILL KILL YOU ALL FOR RUINING MY LIFE!

We then saw our target, Miki Alden, and she was indeed absolutely insane and consumed by rage at what we did in exposing her misdeeds.

Me: Never thought I'd see your ugly mug here again, Miki!

Sakura Knudson: You've always been such a pain in the butt, you condescending bitch!

Elaine Knudson: I would've thought all of Colorado was done with you, but you never learn anything, do you?

Lincoln: And you're going to pay the $900,000,000,000,000,000,000,000,000 in damages for compensation to those who'd taken their lives in the past because of your actions, but we're doing it our way, Miki!

Lincoln fired a gold energy beam at Miki Alden, and it hit her and he gave her The Gessius Flores Vengeance Curse.

Sylvester: So, now all we got to do is get over $900,000,000,000,000,000,000,000,000 from her by attacking her.

The sudden barrage of attacks had caused a shit ton of gold, gems, and other currencies to explode out of Miki, but we didn't stop there, we continued causing so much pain by attacking Miki all over the place, and tons more of gold, gems, and other currencies exploded out of her, and it actually went over $900,000,000,000,000,000,000,000,000, far exceeding the required amount for Miki Alden to pay compensation to her victims.

Then, Lincoln took the Gessius Flores Vengeance Curse off her, then he grabbed her by the neck with his left hand and threw her into a portal to The Black Gates he opened with a single thought and once she was thrown in and the portal closed, The Judgement Kanji appeared on her head and she burst into black flames and was erased forever. We cheered as we holstered our weapons and powered down

Me: We finally did it. But, wow, the amount we got exceeds $900,000,000,000,000,000,000,000,000 in damages for compensation that Miki was supposed to pay.

Lincoln: I know, but like we said, Miki refused to pay being the bitch that she is, so I figured we'd increase the compensation and this is more than enough to pay the compensation for her victims, and to this we say, go to Hell, Miki.

Sakura Knudson: You've hurt way too many innocent girls for the last time, you heartless bitch!

Me: Now, she can rot in Hell for the rest of her miserable life.

Lincoln: You said it. (To Marlene Knudson) And it's so good to see you again, Marlene.

Marlene Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, Mom, Dad, Varie, Elaine, and Sakura again, J.D.

Me: You too, sis.

Lincoln went up to Marlene Knudson and he hugged her, and Marlene Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marlene Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Marlene Knudson, she's my Guardian Angel from Colorado and she is an awesome and very powerful Goth Girl with immense power over darkness, and she's also a master of The Dark Arts and all forms of dark magic, black magic, Satanic Magic, curses, and The Occult. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's the younger sister of J.D., Sakura, and Elaine, and just like J.D. and Sakura, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she became an extremely powerful master of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings from her back and right in front of the massive rainbow angel wings are small white angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: Holy shit.

Me: Yeah, she's that powerful like me and Sakura. She defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates all the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals.

Eli: Then, that means…?!

Lincoln: I'm going to be truly related to J.D.'s family in the future when I marry Marlene.

Nico: I can guess it's going to be a huge one.

Me: Yep, especially when we get our family here for the wedding.

Lincoln: You got that right, and now that you're here, Marlene.

Lincoln went up to and hugged Marlene Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Marlene Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Marlene Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Marlene Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marlene Knudson.

Marlene Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Lucie Menelumia, Evelyn Celebrian, Firis Hagerhelm, Nol, Delva Celebrian, Elda Ballad, and Misery Stentrem from Youkoso! Skebe Elf no Mori he.

Lincoln: Oh wow, it's Lucie Menelumia, Evelyn Celebrian, Firis Hagerhelm, Nol, Delva Celebrian, Elda Ballad, and Misery Stentrem from Youkoso! Skebe Elf no Mori he.

Ed Cowart: Whoa, looks like you've rescued some smoking hot and voluptuous elves from that bitch.

Lincoln: Ed.

Lincoln had a mallet in one of his eleven massive and long white tails and it was over Ed Cowart's head, and when Ed Cowart saw it, he did the Chuck-Outta-Luck Pathetic Eyes and he dodged the mallet as it came down on him and we snickered.

Nicole: He warned you.

Lincoln: Are you girls okay?

Lucie Menelumia: Yes, we're okay, thanks to you.

Then, when Lucie Menelumia and the other six girls saw who it was that saved them from Miki Alden, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of

Lucie Menelumia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Lucie Menelumia: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lucie Menelumia, Evelyn Celebrian, Firis Hagerhelm, Nol, Delva Celebrian, Elda Ballad, and Misery Stentrem with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was none other than an old enemy of me, my family, and Lincoln and his Guardian Angels named Miki Alden, and when we told them of her history, they were pissed.

But, when Lincoln what he did in putting the Gessius Flores Vengeance Curse on her and us beating her senseless and eventually getting over $900,000,000,000,000,000,000,000,000 in compensation for the damages done to those who'd taken their own lives because of Miki's mayhem and then once it was done Lincoln took the curse off and threw her into a portal to The Black Gates that he opened up and he threw her in and she was erased forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Marlene Knudson have a lot of catching up to do, now that she's back in town.

Maria: Aw man, you guys should've asked the rest of us to also join in.

Lincoln: Sorry about that.

William: But, it was really personal for you and J.D.

Nico: She caused Hell for everyone in Colorado and Michigan, she didn't expect the consequences for her little insanity spree.

Me: She didn't, but in the end, she paid the price and now, she's in The Black Gates forever.

Eli: Good riddance.

We then gave the $900,000,000,000,000,000,000,000,000 in compensation for the damages done to the families of those who'd taken their own lives because of Miki's mayhem, and one day, Lincoln is going to bring them back as an early Christmas miracle: a promise he intends to live up to.

---

After destroying Miki Alden after getting the compensation money that she was owed for all those who had their lives ruined because of her and even taking their own lives, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marlene Knudson saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Melanie Martinez: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Marlene, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Marlene Knudson: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Marlene Knudson: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Marlene, what memories do you have with Lincoln?

Marlene Knudson: There is one memory that I have with Lincoln, and it was on our date at Boulder Reservoir in Colorado, which was arranged by my brother, but of course, there is an incident involving Lynn, the extremely violent member of The Trinity of Violence.

Me: I was still stunned that Lynn did something to piss off my sister.

Nico: Wait, Lynn did what?!

Luna: You'll see what we mean in the video.

Marlene Knudson played a video on the big screen and it shows Lincoln and Marlene Knudson at Boulder Reservoir: Lincoln was in his orange speedo and sandals and Marlene Knudson was in a two-piece bikini and sandals, and they were having fun swimming in the water.

Past Marlene Knudson: This is really awesome, I always love coming here to Boulder Reservoir.

Past Lincoln: Same here, Marlene.

Past Marlene Knudson: Plus, I was so glad that J.D. arranged this for us, we've got to get him something from here.

?: LOUD MONSTROUS BELCH!

Suddenly, they heard a loud monstrous belch and caught the stench of B.O., feet, and sweaty armpits in the air.

Past Lincoln: Oh great, there's no mistaking that loud monstrous belch along with the stench of B.O., feet, and sweaty armpits in the air. Get out here right now, Lynn, or else, I'll blast you out.

Suddenly, they saw Lynn come out, and she was really out for blood again, then, Lynn charged on all fours like a mad bull and was about to attack Lincoln and Marlene Knudson, but Lincoln and Marlene Knudson punched her and sent her flying into a tree. She got back out, but she roared and beat her chest like a gorilla, now she was really extremely pissed off.

Past Lincoln: You've got some nerve coming after us, Lynn, I would've thought you'd learn your lesson, but I was wrong. Now, I'm going to put you right back in your place, you filthy animal!

Lincoln's massive white angel wings spread out and he had his massive greatsword in hand, and we knew it meant trouble when that happens. Lynn roared like an enraged animal again and she charged and went at Lincoln, but he reared his left fist back, and he'd landed a mean uppercut to Lynn's stomach knocking the wind out of her, and then, he unleashed a massive storm of slashes from his massive greatsword and they slashed off Lynn's clothes leaving her in her bra and dirty jockstrap and Lincoln fired powerful water blasts at Lynn and gave her a bath. Then, Marlene opened up a portal back to Michigan and Lincoln and Marlene reared their left and right fists back and gave Lynn two nasty punches to the face that sent her flying back to The Loud House and she was thrown in her cage again.

Past Lincoln: When the rest of the family hears of this, they're really going to give Lynn hell.

Past Marlene Knudson: Especially Mom, Dad, Varie, and J.D. But, that was truly amazing, what I saw just now, you really have been getting stronger and stronger still because of our training regimen and constant working out, Lincoln.

Lincoln wrapped his massive and muscular arms around Marlene

Knudson's waist and he gave her a kiss on the lips which she returned as the video ended.

Nico: Sheesh, Lynn, you really didn't know when to quit!

Me: When Lincoln told us about what Lynn tried to do again, we were so extremely pissed off beyond imagination, and she had guts flying all the way to Boulder Reservoir Beach, but she had it coming for trying to kill him again.

Luna: You got that right, and that's when you flipped out and called her Belchy McFarty again, along with your parents and Varie, and boy were they mad.

Lincoln: That set Lynn off big time, but before she could attack J.D., Varie, and his parents, I grabbed her by the waist with one of my eleven massive and long white tails and restricted her.

Nico: Sheesh.

Marlene Knudson: It almost got ugly. Lynn had some nerve coming after us in Colorado and trying to ruin our date because she still wanted to kill Lincoln again! After what that belching farting four-legged monstrosity has done to Lincoln in the past, I wanted to punch Lynn in the face, but Lincoln sent her flying with one punch, but when she got out and she roared and beat her chest like a gorilla, that's when Lincoln got serious. She had it coming. But, Lynn has since been freed from her Dark Side forever and she's finally back to who she was.

Me: That was because of Chase Young's Dark Side, he really is nothing more than the embodiment of evil.

Lincoln: You got that right, he was a monster who enjoyed causing pain and suffering to so many.

We got a shower afterwards, and then, Lincoln, Tanya, Khameleon, Simulator Cherry Jam, and Simulator Peppermint Fizz are heading to Orange Ocean.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large

orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tanya, Khameleon, Simulator Cherry Jam, and Simulator Peppermint Fizz are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Tanya, Khameleon, Simulator Cherry Jam, and Simulator Peppermint Fizz all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Khameleon: Wow, so, this is Orange Ocean, it sure is beautiful.

Lincoln: It sure is, Khameleon, and it's perfect for our first date. Shall we?

Lincoln, Tanya, Khameleon, Simulator Cherry Jam, and Simulator Peppermint Fizz dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Tanya, Khameleon, Simulator Cherry Jam, and Simulator Peppermint Fizz got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Tanya, Khameleon, Simulator Cherry Jam, and Simulator Peppermint Fizz and they hugged the girls in their abnormally massive and powerful muscular arms, and Solana, Simulator Suzie, and Simulator Florinda Showers placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Orange Ocean, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tanya, Khameleon, Simulator Cherry Jam, and Simulator Peppermint Fizz with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Tanya, Khameleon, Simulator Cherry Jam, and Simulator Peppermint Fizz are in your harem, Linky.

Nitara: I was quite surprised that you were willing to give Tanya a chance, Lincoln, same with all of us despite her crimes against Edenia.

Kitana: Needless to say, she is still part of Edenia.

Universe 666 Nitara: So, he's willing to give her a chance.

Nitara: He is. But, let me make one thing clear, Tanya, if you so much as hurt Lincoln in any way or even think of betraying him and breaking his heart, you will not survive our wrath.

Lincoln's Guardian Angels and harem had their hands on the handles of their massive greatswords and they also had a glare in their eyes.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Tanya, Khameleon, Simulator Cherry Jam, and Simulator Peppermint Fizz, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Universe 666 Naruto who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God! You psychopathic, little… !

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figure is none other than Universe 666 Naruto who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge.

WE GASPED IN UTTER HORROR!

Universe 666 Me: HE DID WHAT?!

Me: Of all the dirty… ! How the Hell did this happen?! When Nico nuked his castle, everything should have been destroyed which also included his plans.

King Kai: (Telepathically) I'm afraid he had that plan set up when you guys finally went after Slappy and Bob Roth, despite his completely insane state, he knew that if he gets killed, he wouldn't be able to still get revenge on you all.

Nico: So, he set that plan up early and it triggered once we killed him yesterday. Damn him!

Kenzie Kurama: I can't believe it, he set this contingency plan up early and once we killed him, that triggered it as a final "fuck you" to all of us. He really pissed us off big time! Well, then, we'll play his final twisted game and destroy every last one of the Universe 666 Jinchuriki.

Eli: But, are they just as powerful as the Jinchuriki we know?

Lincoln: Not exactly, Eli. They're strong, but not at that same level as the ones we all know, but just like what I've done to all the most powerful supervillains and monsters we've faced off against, I'm going to absorb them, first I'm going to use The Nine Phantom Dragons on the Universe 666 Tailed Beasts, and then, I'm going to use my Cell Stingers to absorb their lifeless bodies.

Me: Of course, if I remember right, The Akatsuki have used that Sealing Jutsu to remove the Tailed Beasts and seal them into the Statue.

Nico: That'll work perfectly. Alright, gang, let's head to the park and destroy Universe 666 Naruto.

Lincoln: There is absolutely no way we're going to let him run wild any longer, we're hunting him down.

Kenzie Kurama: I already know of how vicious that Naruto and Kurama are, but wait until they face us, Lincoln, we'll make them regret ever being resurrected.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the park to destroy Universe 666 Naruto.

We arrived at the park to confront Universe 666 Naruto who's come back from the dead due to the dark actions of Universe 666 Sebastian's hidden contingency plan.

Me: We're here in the park. Now, where the Hell is Universe 666 Naruto?

Lincoln: He's here somewhere.

?: YOU WILL ALL DIE FOR WHAT YOU DID TO NICO!

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of red energy blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Universe 666 Naruto, or I will blast you out!

Suddenly, we saw a figure come out, it was Universe 666 Naruto, one of the resurrected Universe 666 Jinchuriki because of Universe 666 Sebastian.

Universe 666 Me: Naruto.

Universe 666 Naruto: J.D.?! Impossible, Nico killed you!

Universe 666 Lincoln: He did, but J.D. of the prime universe brought him and all those who died at that heartless snake's hands back. But, there's no way I can ever forgive you, you were J.D.'s brother, but you betrayed him and sided with that filthy snake.

Universe 666 Naruto: He was weak!

Universe 666 Me grabbed him by the neck and kicked him hard into a wall of diamond Lincoln made and I snapped my fingers and we were on Planet Glaren.

Kenzie Kurama: He wasn't weak, but you, what you did was an act of betrayal that can never ever be forgiven!

Suddenly, Kenzie Kurama's crimson red eyes turned neon crimson red and she was surrounded by a crimson red energy aura with stars, fire, flames, foxes, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Universe 666 Naruto, she left crimson red energy, stars, fire, flames, foxes, phoenixes, and angels with every step.

Kenzie Kurama: I can never forgive you, Universe 666 Naruto, what you did in Evil Nico's name was nothing more than dishonorable and atrocious. You along with the other Universe 666 Jinchuriki have caused so much pain and suffering that it isn't funny, we thought we wouldn't have to deal with you or the other Universe 666 Jinchuriki and Universe 666 Tailed Beasts, but because of what that violent deranged psycho did in bringing you all back, that crossed a serious line, and for that, I'm going to end you once and for all!

Suddenly, Kenzie Kurama was surrounded by a massive vortex of crimson red energy with stars, fire, and flames surrounding the vortex, there are foxes, phoenixes, angels, and Kurama the Nine-Tailed Fox flying and running around the vortex, and in the vortex is a red phoenix with Kurama's red eyes in its wings and red eyes glaring at Universe 666 Naruto: the red eyes of death. Then, as the vortex faded, Kenzie Kurama emerged, but she was changed forever.

Suddenly, Kenzie Kurama felt a sharp pain on her back, and then, her massive crimson red angel wings with orange tips on the large crimson red feathers grew much bigger for her new body and her nine massive and long orange fox tails with flame tips also grew much bigger and longer for her new body, Kenzie Kurama has on her Ring of the Phoenix with large crimson red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Kenzie Kurama's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of crimson red energy, stars, fire, flames, fox fire, foxes, phoenixes, and angels, and when it emerged, it was transformed into Kenzie Kurama's Eternal Crimson

We were amazed by Kenzie Kurama's Super Angel-Nine Tails Avatar-Firefox-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Universe 666 Naruto saw it, he fell into a rage and we saw his eyes change into that of the beast inside him and his nails grew into claws and he ran at her to kill her, but Kenzie Kurama fired a massive barrage of crimson red energy, stars, fire, flames, fox fire, foxes, phoenixes, and angels which hit Universe 666 Naruto and sent him flying into a rock formation, he got back up, but boy was he pissed off majorly.

Me: HOLY SHIT!

Nico: That really is incredible! But, man, she really put the hurt on him!

Naruto: It's not over yet, Nico. In fact, the show's about to begin.

Kenzie Kurama: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Inferno Firestorm Tailed Beast Nine Tails Fox Phoenix Angel and Divine Cosmic Eternal Inferno Firestorm Tailed Beast Nine Tails Fox Phoenix Angel Love) But, it'll end all the same, Naruto. Shall we, Lincoln?

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I don't know what that lunatic was thinking with that damn contingency plan, but all the same, we're sending you right back to Hell where you belong!

Lincoln and Kenzie Kurama went after Universe 666 Naruto, and we fired extremely powerful blasts of crimson red energy, stars, crimson red energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Naruto, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Kenzie also left many more by firing crimson red energy slashes with her claws, and he and Kenzie attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Universe 666 Naruto even more insane with rage than ever.

Universe 666 Naruto: YOU! YOU! (ENRAGED SCREAM)

Universe 666 Naruto went at them now completely blind with insane rage and fury, but Lincoln and Kenzie kicked him hard in the stomach and Lincoln fired blasts of crimson red fox fire at him and he got hit hard and was burned and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Universe 666 Naruto even farther into the edges of rage and madness.

Suddenly, Universe 666 Naruto started transforming as all nine tails manifested and he transformed into his Nine-Tailed Fox Tailed Beast Mode. But, before he could attack, Lincoln swung his massive greatsword and fired Tailed Beast Bombs that hit and made the beast dizzy and disoriented and that caused the beast to transform back into Universe 666 Naruto who was literally on his last legs.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you've finally transformed and let the beast out. Too bad for you, I know how to take you down. SEALING JUTSU: NINE PHANTOM DRAGONS!

Lincoln fired nine blue dragons and they surrounded Universe 666 Naruto, and then, Lincoln began forcibly absorbing all of Universe 666 Naruto's Tailed Beast Chakra as streams of red Chakra were being painfully removed from Universe 666 Naruto and absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

Then, as soon as Lincoln was done absorbing all the Tailed Beast Chakra, the nine dragons disappear and Universe 666 Naruto was dead. Then, Lincoln absorbed his body by stabbing him with his one of his eleven massive and long white tails' tip turned into Cell's stinger and the stinger changed back and he sent Universe 666 Naruto's soul to The Black Gates. We all cheered wildly for what Kenzie Kurama and Lincoln did as they holstered their massive greatswords and powered down and Kenzie Kurama's new body, clothes, weapons, jewelry, Third Eye, nine massive and longer orange fox tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive crimson red angel wings are permanent.

Kenzie Kurama: See you never, you monster. Thanks for helping me get rid of Universe 666 Naruto for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Kenzie.

Suddenly, Kenzie Kurama wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Kenzie Kurama's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Kurama The Nine-Tailed Fox flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Kenzie Kurama sucked in and absorbed the elemental forces and fire and they came back to us as the display vanished.

Then, we found ourselves back on Earth thanks to Lincoln.

Nico: Oh man, that was seriously an epic battle!

Me: You said it.

Universe 666 Me: But, Lincoln and Kenzie did it, they defeated my former brother and Lincoln killed him using The Nine Phantom Dragons and he absorbed the Tailed Beast Chakra of my Earth's Kurama and without it, he died painfully.

Lincoln: But, we can't underestimate the rest of them at all, and there's also no telling what else that crazy lunatic has done in their resurrection.

Eli: Obviously, not good. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: Oh boy, I've got an awesome one, and it's one Woody's going to like: Marlene Woodpecker, Hybrid of Woody Woodpecker.

We gasped.

Amy Woody Woodpecker: (GASPS) Marlene Woodpecker?! Oh man, I know her all too well.

Woody Woodpecker: Same here, she used to live in the same town as me.

Selene Emperyous: Exactly right, Woody. Oh man, and wait until you guys meet her, you'll really be in for an awesome time with her, Marlene Woodpecker is Lincoln's Guardian Angel from Indiana and she is one cool and wild girl, and the reason is because just like Amy Woody Woodpecker, Marlene is also a hybrid of Woody Woodpecker, and she packs as much of an appetite as he does and she also knows and uses every last one of Woody's tricks from over 70 years ago: from the classic Universal cartoons to The New Woody Woodpecker Show in 1999 and from the 2017 movie Woody Woodpecker to the modern day Woody Woodpecker cartoons on the web and she also uses a myriad of disguises to fool idiot criminals and stuck-up snobs and drive them screwy, and most of the time, they wind up getting put in an asylum.

Me: Yep, she's just like Woody alright.

Michelle Emperyous: But, whatever you do, you don't get her mad at all! When she found out of what happened to Woody getting driven out of Indiana by Ms. Meanie and Wally when they chopped down his tree years ago and he fell into a depression, she got steaming mad at those two, she summoned a massive army of woodpeckers who pecked at Ms. Meanie and Wally Walrus like crazy saying that it was revenge for what they did to Woody, and when she told that to Winnie, Knothead, and Splinter, they also joined in and they really made them pay for it.

Nico: (WINCES) Ooh! Oh man, talk about payback!

Laney Emperyous: Yep, plus, Marlene has also outsmarted Buzz Buzzard and Tweaky and she's more than once got them arrested and put in jail even after Woody had settled in Michigan with us, and she also knows how to fight and she's defended Lincoln from Lori, Lynn, Lola, and Lisa along with the rest of his enemies, and she's even outsmarted and outpranked Luan, and it was so awesome. She even knows Woody's signature trademark laugh and she's done that when she succeeds in outsmarting the maroon who crossed her and dared to hurt Lincoln.

Nico: Whew! Oh man, so now, we got a Woody Woodpecker Hybrid for Lincoln's side we're meeting for tomorrow, and if we're against Tweaky again, we'll be needing a lot of help in restraining him.

Lincoln: If that dirty canary does break out, we're gonna need to use a lot of tricks on him, now that he's really really crazy with revenge against me.

---

Later we were in the park and we were getting everything ready for the big party.

Nico: (to the mascots) I need you guys to watch May while we're looking for treasure.

Manaphy: Aye aye sir!

Poliwag: You can count on us!

Nico: Good.

We were looking around.

Me: Sorry May took a nasty beating Nico.

Nico: It's okay. SpongeBob where did you come up with the idea for The Sushimaker?

SpongeBob: Oh me and Patrick thought that Life Insurance meant that we couldn't get hurt. So we made the Sushimaker to put that theory to the test.

Mr. Krabs: But it wasn't how it works boy. Life insurance is money the beneficiary gets when a person dies.

(FUNERAL BELL RING)

Nico: Now what are we looking for?

Nicole: It's called the Emerald Sword of Thoth. Legends say that it was stolen from its tomb by a bunch of pirates and buried right here in the park.

Nico: Wow!

Laney: That is amazing.

Camie: Yeah.

Nico: Lets go find it!

Nicole: According to this map, it's supposed to be buried in front of a tree that looks like a banana.

Nico: Weird.

Me: Like that one?

We saw a palm tree and it looked like a banana.

Nico: There it is.

We went and dug a hole and then we hit something.

THUNK!

Me: I think we hit something.

We found a chest and then pulled it out.

We opened it and in it was THE EMERALD SWORD OF THOTH and it also had LOTS OF EMERALD JEWELS!

Nico: WOW!

Qin: Beautiful!

Nico: Look at this!

Me: And there's the sword!

Varie: It's beautiful!

Nico: Who gets it?

Mindy (GX): How about me? I'll get it.

Me: Okay.

She then went and grabbed the sword and the sword glowed and she was enveloped in an emerald aura and then she got emerald angel wings and she had an amazing power boost.

We were amazed!

Me: Wow! Mindy how do you feel?

Mindy (GX): I feel amazing!

Camie: Wow! You sure do.

Alexis: Nice job Mindy!

Mindy (GX): Thanks Alexis!

Jasmine (GX): It's cool!

Me: Awesome!

?: I agree!

We saw a girl with black hair and blue eyes and had blue clothes and had a tiara with the symbol of a buzzsaw on it for Metal Man and the same symbol on her skirt and she had a jewel sword and she had the Cutie Mark of Rarity on her arm.

Mira Metal: Mira Metal, Embodiment of Metal Man.

Rarity: Oh my! Mira it's great to see you darling.

Style Queen: Same here!

Mira Metal: Rarity and Audrey! Its been a while.

Nico: How did you meet Rarity and Audrey?

Mira Metal: I met Rarity when she was having one of her Fashion drama episodes and was drowning herself in ice cream. I helped her make amazing Birthstone jeweled dresses. Everyone loved them. I am a fashionista too. I also met Audrey in France and helped her make awesome elemental jeweled clothes and everyone loved them.

Nico: Awesome!

Rarity: And those clothes were absolutely amazing darling.

Nico: Yep. Would you like to join the team?

Mira Metal: I would be honored.

Maria: Nico, which gene-slammer do you think you'll meet next?

Nico: Galaxy Man next.

Me: Out of this world.

Nico: Yep.

Lola: Awesome.

We then got everything all set up for the awesome party.

Everyone: (CLINKS GLASSES) CHEERS!

Me: To our Victory of the Great Equalist War 1 Year Ago today.

Taro: You mean the ones created by Amon?

Me: No these were ones made by the evil version of Starlight Glimmer.

Starlight Glimmer: It was what I was like before I redeemed myself.

Twilight Sparkle: It was a cult sort of.

Taro: Tell us more about how you were evil.

Starlight Glimmer: Well I was what you would call a Nihilistic Control Freak.

She told us her history before she joined the team and how Twilight and everyone changed her for the better.

---

Starlight Glimmer is a major character in My Little Pony: Friendship is Magic. She is an extremely talented and powerful unicorn who grew to detest Cutie Marks after her childhood friend, Sunburst, abandoned her upon receiving his own mark. As a result of this belief, she would take over an unnamed village on the edge of Equestria and force its residents to be "equal" with the claimed goal of preserving friendship, plotting to spread her influence across Equestria, before being defeated by the Mane Six. Following her defeat, she would attempt to get revenge on the Mane Six by going back in time and preventing them from gaining their Cutie Marks and ever becoming friends, only for this plan to backfire and create multiple dark futures for Equestria. Ultimately, she would realize the error of her ways and choose to redeem herself by becoming Twilight Sparkle's student; subsequently becoming Trixie Lulamoon's assistant and teacher, the guidance councilor of Twilight's School of Friendship, and finally Headmare of the school.

She was voiced by Kelly Sheridan, who also voiced Svetlana Petranova in Barbie in Rock 'N Royals.

Starlight Glimmer was born and raised in Sire's Hollow to her father, Firelight and an unknown mother (who may or may not be deceased). During her youth, she was close friends with a unicorn colt named Sunburst, who always offered information to help her with complex spells.

Then one day, Starlight and Sunburst were playing a game of Jenga with books when Starlight pulled one that nearly caused the entire stack to fall on top of her. Luckily, Sunburst saved her by stopping the books and then re-shelving them with his magic. This event caused Sunburst to gain his own cutie-mark, making him elated. He then ran past Starlight outside to show off his cutie mark to his parents and everypony else in the village. But while everyone-else celebrated, Starlight only became depressed because she saw this as a sign that Sunburst didn't need her for a friend anymore (she was also jealous that Sunburst got his cutie-mark before she did). Sunburst was then shipped off to Princess Celestia's School for Gifted Unicorns, leaving Starlight all alone in the village, unable to make another friend due to her insecurity of them gaining a cutie-mark and leaving her as well. In her teenage years, Starlight had gotten dark and even got into punk rock eventually.

Growing into adulthood, Starlight continued to study magic alone without anyone's help. She eventually gained her own cutie-mark, but this did nothing to curb the jealousy and hatred she felt towards other ponies for having their own special talents. Then she somehow discovered a spell that could remove a pony's cutie-mark and replace it with a new mark resembling an equal sign that suppressed their abilities. Realizing that she could use this spell to make "friends" without the fear of losing them, Starlight set out to create her own society where everypony was "equal" in every sense of the word.

She then left her village and found an isolated area within a desert on the edge of Equestria to set up her society. While trekking through the desert, she then found a strange-looking, two pronged stick that she passed off as the "Staff of Sameness" one of the nine enchanted items that belonged to the great mage, Meadowbrook which had the power to do as her spell did. She also covered up her own cutie-mark with a sprayed on equal sign to give the illusion that she used the staff to give up her own cutie-mark for the sake of equality. With this illusion, she managed to convince several ponies to allow her to remove their cutie-marks from them by claiming that differences and unique talents only lead to conflict and pain, and that true happiness and friendship can only be found in "equality". One such pony was Double Diamond, an earth pony who Starlight met atop a steep pass near the area and convinced to give up his passion for skiing to join her cause.

Starlight and her followers began building a town to reside in the shape of an equal sign to symbolize their beliefs. During construction, Starlight encountered Maud Pie, who was an expert geologist, and asked her if there was a magical stone where she can store the cutie-marks she collected, to which Maud replied that there was in a nearby cave. With this information, Starlight began hording the cutie-marks she stole within the cave and placed the Staff of Sameness within it too.

Eventually, the village was completed and Starlight became its leader. However, without their cutie-marks, the residents couldn't really do much for themselves, thus they had to eat terrible-tasting food or wear bland-looking clothes. Besides living without their talents, they also had to wear similar manestyles. To avoid hurting Starlight's feelings, as well as her wrath, the ponies began constantly wearing wide grins as a facade that they were truly happy to cover up their self-imposed suffering. Being as smart as she was, Starlight likely saw through their fake smiles and understood how they truly felt, but continued to supposedly believe in their false happiness while also secretly taking delight in their misery and seeing them powerless. But she was still cautious of the possibility that they would all turn on her eventually, so she lived in a house at the end of the village with a secret escape route just in case.

In addition, her incredibly loud snoring while sleeping scared the entire village every night. To keep her snoring a secret, she convinced them that a pack of bears attacked them each night.

## Season 5

### The Cutie Map

In her episode debut, she is the head of a village where all the ponies have equal signs for Cutie Marks. She greets the Mane 6 when they enter the village. She and the townsfolk explain their philosophy - that being equal is what brings true happiness. The Mane 6 (except Fluttershy, who is warmed by the townsfolk's benevolence, and especially Pinkie Pie, who is adamantly suspicious of the location), find this odd. They promptly meet a trio of ponies who miss their Cutie Marks, showing that Starlight's village is not as happy as it seems. The trio informs the group of a vault inside a mountain which contains the taken marks. Starlight leads the ponies to the vault and shows them a wooden staff, which she dubs the Staff of Sameness. She claims that it's a magical item she uses to take away ponies' Cutie Marks. When Pinkie Pie prematurely discloses that a group of ponies told them about the vault, Starlight immediately sees the Mane 6 as threat to the town's lifestyle and steals their Cutie Marks with the staff, placing them in the vault.

She imprisons the ponies in a house, wherein she condemns them to remain until they resign themselves to their fate of living in her town, markless and talentless forever. Unable to break out, the ponies persuade Fluttershy to feign having converted. Starlight is initially not convinced and commands Fluttershy to denounce the ponies who told her about the Vault. Fluttershy hesitates, but one of the free-thinking ponies - named Party Favor - voluntarily confesses that he was responsible for this, subsequently causing him to be imprisoned with the rest of the Mane 6. That night, Fluttershy intends to break into the Vault, but before she can get going there, she finds out that Starlight has ordered Double Diamond to deliver their Cutie Marks to her house so she can guard them personally. She also discovers that in reality, Starlight still has her cutie mark and her equal mark is fabricated.

The following morning, Fluttershy convinces Twilight to claim that she'll join Starlight and the rest of the village to distract Starlight's attention. While this is going on, Fluttershy tries to splash water on Starlight to reveal her cutie mark, but she shockingly and quickly dodges this as she had known Fluttershy couldn't be trusted despite that she did. However, a drop of water wipes a smudge off the mark. Party Favor notices this and further wipes off the Equal mark, revealing Starlight's cutie mark and shocking the town. Starlight admits that the Staff of Sameness is just a regular staff she discovered in a desert, and that the Equalizing is the product of her own magic, which she hid from the town. Despite Starlight finally losing her temper and telling she created harmony, the townsfolk were really furious on how she lied to all of them, Starlight tries to save face by claiming she did it all for the sake of establishing harmony, but the townsfolk turn on her for her deception, forcing her to retreat back into her house.

A group of ponies breaks into the Mark Vault and throws the Staff of Sameness at the glass, breaking it and releasing the population's Cutie Marks. Meanwhile, Starlight hides in her house and takes a secret passage, trying to make off with the Mane 6's cutie marks as revenge for exposing her. While the Mane 6 is failing to catch up with her since their forced equality causes them to move slowly, Party Favor and other ponies set out to apprehend Starlight and retrieve the marks (and in the process, use their individual talents to counter Starlight's obstacles). Just before reaching the caves, wherein she could have lost her pursuers, the villain winds up being covered in snow, forcing her to release the marks.

Starlight emerges and tries to blast her former followers, but Twilight defends them and says to Starlight that her groups' individuality was what led her to become a princess. Starlight foolishly rebukes this and insists that her actions presented the townsfolk with a kind of friendship they couldn't have obtained otherwise, but is shot down by Double Diamond, who rightfully claims that she never gave them a chance to be friends before converting them to her beliefs. Enraged and defeated, and having lost all her followers, she uses her magic to escape. Twilight hopes that Starlight will consider what the townsfolk have taught her.

Starlight makes a cameo appearances in "Amending Fences", when she was hiding behind a menu she was holding in the cafe. She has a second cameo in "What About Discord?", hiding behind a bush and spying on the Mane Six and Discord with a pair of binoculars. Practically spent through out season 5 trying to find a way to get revenge on the Mane 6 by finding the source of their friendship.

## The Cutie Remark

Starlight returns as the main antagonist of the season finale The Cutie Remark. After listening to Twilight's speech of how she and her friends obtained their cutie marks through Rainbow Dash's Sonic Rainboom, Starlight appeared in Twilight's castle and used an altered version of Star Swirl the Bearded's time travel spell with the Cutie Map to travel back in time. She blasted Rainbow Dash away before she could do the Sonic Rainboom, altering time so that King Sombra ruled Equestria and was at war with Princess Celestia. Twilight's attempts to stop Starlight only led to Starlight crystallizing her and then convincing the jock bullies not to pick on Fluttershy, creating a timeline in which Queen Chrysalis is in power and at war with Zecora. Twilight tried to fight Starlight, but it distracted Rainbow Dash, creating a timeline in which Nightmare Moon was in power, with Rainbow Dash and Rarity working for her and Celestia imprisoned.

Twilight's attempts continued to be in vain; Starlight tripped Rainbow Dash, putting Tirek in power; Starlight got Twilight to crystallize Rainbow Dash, putting Discord in power; she made Fluttershy fly with her magic, putting the Flim Flam Brothers in power, making everything look a game to Starlight as she kep taunting Twilight.

When Starlight blasted Rainbow Dash away again, after an argument, Twilight decided to force Starlight to come with her by taking her to the new apocalyptic future of Equestria when Twilight wondered what made Starlight think cutie marks were evil.

When they were in the altered future Starlight finally gets serious, frowns and demands to know where she is, as Twilight tells her they're in the present, that the cause of her actions of preventing Twilight and her friends from getting their cutie marks also prevents them from saving Equestria from thier villains.

Starlight was in denial even though Twilight was right, Starlight was devastated that she was practically defeating herself and she never intended to destroy millions of lives, but she still denies and finally loses her temper and takes Twilight and Spike to when she was a filly and her friend Sunburst got his cutie mark and left for Celestia's magic school, which began her vendetta against cutie marks. Returning to the Rainboom, Starlight attempted to foolishly destroy the spell so Twilight could never travel through time again as she finally no longer playing around and just about had enough of Twilight getting in her way, but Twilight convinced her that she can't and why her friends are so special. Despite Starlight's stubbornness and heartbroken at her friendship with Sunburst, Twilight told Starlight to make new friends and give friendship a chance. So, Starlight finally saw the error of her foolish actions and allowed the

Sonic Rainboom to take place, and she, Twilight, and Spike returned to the present, where everything is back to normal, as the Mane 5 popped in, Applejack angerily asked what is Starlight doing here, Twilight explained to her friends to what happened and Starlight came in accepting a punishment she deserves but Twilight offered her to become her first new student instead and became friends with the Mane 6 and Spike now and Twilight's student, and reconciled with her village.

Season 6

Though reformed and trying to learn Friendship as Twilight Sparkle's apprentice, Starlight has a few struggles against her former inclinations.

Starlight was instructed by Twilight to make a new friend in time for Celestia's visit. The other Mane Six try to help, but she ends up botching every attempt with her magic and controlling ways. She then ends up meeting Trixie Lulamoon, who she bonds with due to being a fellow reformed villain, much to Twilight's disapproval. However, it is later revealed that Trixie befriended Starlight primarily as a means of finally beating Twilight at something, although they would ultimately repair their relationship and become genuine friends in the end.

Starlight is unenthusiastic about celebrating Hearth's Warming Eve and considers it no different from any other day. However, Twilight reads her the story "A Hearth's Warming Tale", an allusion to "A Christmas Carol" with Starlight depicted in the Ebenezer Scrooge-like role who has to gain a proper appreciation for the holiday.

Starlight Glimmer briefly appears in Spice Up Your Life, helping Twilight to reactivate the Cutie Map which she had disabled in the events of The Cutie Re-Mark. This is a milepost in her redemption.

Every Little Thing She Does

Starlight has a major slip in her new life. In an effort to correct her tendency of avoiding friendship lessons, she takes on several friendship problems at once with Twilight's friends in order to impress her. In an effort to make things easier, she backslides into her old ways by using a newly made Fiducia Compelus spell to mind-control the ponies into following her orders. Unfortunately, the ponies follow her orders so exactly and literally that things quickly spiral out of Starlight's control.

After Twilight helps fix her mess, Starlight confesses that she avoids her friendship problems out of fear of failing and being a disappointment to Twilight. With Twilight and Spike's guidance, Starlight apologizes to her friends for using magic on them, and she learns to address her friendship lessons more naturally.

To Where and Back Again

Starlight was invited back to her old village for a celebration, but her insecurities about her villainous past still haunted her, so she leaves early. Upon returning, she learns that the Mane Six, Spike, the Royal Sisters and the Crystal Empire royalty have all been captured and replaced by the Changelings under orders from Queen Chrysalis, so she leads a team consisting of Trixie, Discord and Thorax to rescue them from Chrysalis' castle, whose throne can absorb all non-Changeling magic.

During the quest, Trixie and Discord are captured, leaving Starlight and Thorax to face off against Chrysalis and her army alone in the throne room. Starlight then explains that the Changelings don't have to be evil to survive, as Thorax has proven, and that a leader should not have to oppress her subjects to help them, as she herself used to be just like Chrysalis and has learned how wrong she was about forcing her subjects to do whatever she wants by being mean and learned that's not what a real leader does. Chrysalis was untouched by her words, but the other Changelings, following Thorax's example, turn on her and transform themselves into better beings. Starlight offers Chrysalis a chance to reform as well, but she refuses and swears revenge before escaping.

Afterwards, Starlight and everyone else celebrate in her old village, showing that she has truly put her past behind her.

As Pinkie Pie is trying to find a friend for her sister Maud so that she will be encouraged to stay in Ponyville, they bump into Starlight. Maud recognizes Starlight; recalling the time she helped her find the rock necessary for her plans to remove the cutie marks of everyone in her village. Hearing this, Pinkie makes Maud and Starlight agree to never tell anyone about this incident.

---

When she was done everyone that hadn't heard about it was shocked and horrified!

Taro: Whoa man!

Me: Yeah we were shocked. Her village was more like a cult than a utopia without cutie marks.

Nico: Utopia Marks are not what makes Ponies who they are.

Me: Nope. It's marks of different kinds and talents that make them who they are.

Nico: Yeah.

Taro: What did the utopia marks look like?

Me: Well I got this as a trophy from that day.

I pulled out a purple flag that had a grey blank equal sign on it.

Taro: An equal sign. Whoa.

Nico: It's Cutie Marks that make Ponies unique!

Starlight Glimmer: That's right. But I renounced my ways like that and realized what I was doing.

Nico: Good.

Me: But it was because of the Church of Necrom that we found out that Evil Starlight Glimmer came back along with the Doomsday 23.

Nico: Yep. That's right.

Live Action Optimus: And after she was first destroyed on Starlight's big mission.

Nico: That's right we destroyed her on Starlight Glimmer's big day mission.

Qin: Yeah.

Starlight Glimmer: That was awesome. I just can't believe that I was like that. I let myself get poisoned by hatred and rage over cutie marks.

Lola: Yeah. But in the end you redeemed yourself and became one of Lincoln's awesome wives.

Nico: Yeah you sure did.

Me: Yep.

Starlight Glimmer: I know. J.D. you had a dream that lead to the finding of the Champions of Harmony right?

Me: That's right I sure did. The Spirit of the Tree came to me and I was told to find them.

Ken Knudson: Then I came from my time thousands of years into the future and told my ancestor who to find.

Nico: We took her goons out one Day at a time.

Me: Yep. One by one they fell leading up to September 16th, 1 year ago today.

Nico: That was awesome and fun.

Taranee: First was my big mission with Jak and Daxter.

Me: That was where we battled Nightmare Moon.

Vypra: Yeah that was amazing.

Lana: It sure was.

Layla (Winx Club): Then came my mission with Ness.

Me: Yeah! (LAUGHS) That was so funny how we called Chrysalis' mother a stinkbug.

WE LAUGHED!

Nico: Next was when we celebrated the Anniversary of the Royal Defenders.

Me: Yep and we battled the Storm King there.

Nico: Yep.

Irma: Then came my big mission.

Rarity: Yes and we faced those REPULSIVE mongrels the Diamond Dogs!

Taro: Yikes.

Me: Yeah Rarity was used as a slave by the to mine jewels for them.

Nico: Yeah.

Lola: Yep.

Nico: Next was Geostorm.

Taro: That weather control satellite that went out of control because of terrorists?

Me: The very same. And we battled Mean Rainbow Dash in that one.

Rainbow Dash: That was awesome there.

Nico: Yep.

Pinkie Pie: Then came Mortal Engines! And we battled Mean me!

Me: Yep.

Taro: That was an awesome movie and awesome book. I loved those movie cities.

Me: Yep it was awesome.

Nico: We then visited Howl's Moving Castle.

Me: That was one of my favorites. We battled Demon Shimmer there.

Sunset Shimmer: An evil version of me and what I was when I was poisoned with Grogar's evil.

Xenia: Yeah.

Taro: Geez!

Me: I know. Then we battled Mean Twilight after taking down Mulgarath from The Spiderwick Chronicles.

Nico: That was fun.

Qin: Yeah that was awesome.

Starlight Glimmer: It sure was.

Nico: Then came Nacho Libre and we faced Mean Applejack.

Me: Yeah that was fun.

Qin: It sure was.

Me: Then we helped 2022 Charlie McGee and destroyed the School and burned it all.

Xenia: Yep. Then we battled Mean Rarity.

2022 Charlie McGee: That was infernal and fun.

Camie: Yeah.

Me: After that we battled Praetor Shinzon from Star Trek X. I forgot all about that one. That was cool.

Picard: That was a good one back then.

Me: It sure was. And we battled Evil Cozy Glow there.

Camie: That was cool.

Laney: It sure was.

Maria: Then came my birthday on that Krabby Patty Planet.

Nico: And we we battled the Vengeance Express 6.

Me: Yeah. By the way Vypra are those 6 still causing problems?

Vypra: Worse than ever. They still hate the Ed's.

Me: GEEZ! They sure have one Helluva nasty grudge.

Vypra: Yeah.

Maria: Yep and we battled Rabia and that was cool.

Me: Yeah.

Nico: Then in Turkey we battled Cizer and then Evil Cruel Fluttershy. The mean version of Fluttershy.

Qin: That was crazy.

Laney: Yep.

Detective Pikachu: Next you guys met me.

Me: Yeah that was our first time breaching the 4th wall.

Deadpool: That was awesome. (To the viewers) Do you remember that folks? Chapter 1858?

Nico: I do. That was cool.

Irena Malkovich: And we battled Evil Abacus Cinch there. That was fun.

Laney: It sure was.

Me: Yep.

Nico: Then we met Emily Jones and friends and we battled Tirek.

Qin: We sure did.

Nico: I'm amazed his voice sounds like Unicron's.

Me: Me too.

Nico: Yeah.

Me: Then came the saga of mysteries. In the Good Son Inn we battled The Pony of Shadows.

Nico: On a train we battled Mane-Iac who was a Pony version of The Joker.

Me: Then in Louisiana we battled King Sombra.

Nico: In The Vault prison we battled Evil Midnight Sparkle.

Anatankha: And then you guys battled me on that awesome plane.

Nico: Yeah we sure did.

Me: All those were really fun.

Qin: Yeah. Then came the Time Squad adventures.

Laney: Yep. First was 1911 where we helped President Taft and faced Nightmare Rarity.

Me: Then we went to 1717 and helped Blackbeard and battled Cosmos the Queen of Chaos

Nico: Then in the year 1888 in France where we helped Louis Pasteur and then battled Evil Adagio Dazzle.

Me: Yep. And oh god! We went to 1941 and helped Winston Churchill and stopped all of England from turning into nudists! (SHUDDERS) My eyes still burn from that.

Nico: Yeah. We battled Evil Aria Blaze there.

Qin: Then we went to 1877 in the Old West and helped Billy the Kid.

Xenia: We stopped him from being dressed as a baby.

Me: Then we battled Evil Sonata Dusk.

Varie: Yep.

Me: Then came the Anniversary of the War of Friday the 13th.

Nico: Yep and we battled King Diomedes.

Camie: Yep we sure did.

Me: And then came 1793 where we battled Eli Whitney's Flesh Eating Robots and then battled Hannibal Lector.

Lola: Yeah that guy was a monster! Also we battled Evil Juniper Montage.

Xenia: That was fun.

Me: Yep.

Toaster: Yeah and then you guys met me and my friends.

Laney: Yep and then we battled Evil Daybreaker.

Xenia: We sure did.

Me: Yep. And then after that was the grand finale.

Nico: That was very explosive

Me: We had the battle near Mount Everhoof, Equestria's version of Mount Everest. Evil Starlight Glimmer vowed to destroy ALL PONIES everywhere.

Nico: Yep.

Nico: And now she's gone for good.

Laney: Yeah good riddance.

Varie: Still fun though.

Starlight Glimmer: It sure was. And that was one of the most fun adventures ever.

Varie: It sure was.

Nico: Starlight, why don't you close this party with a song?

Starlight Glimmer: I would be honored.

(The Mystics Dream By Lorenna McKennitt plays)

Starlight Glimmer: (SINGING DIVINELY AS THE AURORA SWIRL AROUND HER)

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is calling

All for, for the love of you

A painting hangs on an ivy wall

Nestled in the emerald moss

The eyes declare a truce of trust

And then it draws me far away

Where deep in the desert twilight

Sand melts in pools of the sky

When darkness lays her crimson cloak

Your lamps will call me home

And so it's there my homage's due

Clutched by the still of the night

And now I feel you move

And every breath, breath is full

So it's there my homage's due

Clutched by the still of the night

Even the distance feels so near

All for, for the love of you

A clouded dream on an earthly night

Hangs upon the crescent moon

A voiceless song in an ageless light

Sings at the coming dawn

Birds in flight are calling there

Where the heart moves the stones

It's there that my heart is longing for

All for, for the love of you

She floated and the aurora formed in the sky and it was beautiful.

We were amazed.

We cheered wildly for her.

We had a great party and as a final part we unveiled an awesome statue commemorating the event. It was a statue that looked like the Champions of Harmony each with a member of the Doomsday 23's heads on spears and Twilight Sparkle was holding the symbol of the elements of harmony in her hands with her wings spread. On the statue was a plaque saying Thank You Champiions of Harmony for your great adventures and the battle that ended the Equalist War. We later went back home and went to sleep

Also we're going to battle Another Witch King of Angmar, Mouth of Sauron, Balrog, Sarumon, Gollum, Ghost of Elias Kingston and Black Spider. Also we're going to meet a gene-slammer for Galaxy Man and her name is Gianna Galaxy. She is a star master.

For tomorrow, the match-up scene is for Gina Gyuki, Avatar of Gyuki, The Eight-Tailed Ushi-Oni,, and she and Lincoln are going to destroy Universe 666 Killer B who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Indiana, Woody Woodpecker's old home, but we got bad news: Tweaky, Buzz Buzzard's former partner, has broken out of prison yet again, and he still wants to kill Lincoln again for what's happened to Buzz Buzzard being in The Masters of Evil. But, we're through with Tweaky: we're going to beat him down once again, and we're throwing that dirty canary to Vypra who's going to more than enjoy straightening him out. And we're going to meet Marlene Woodpecker, Hybrid of Woody Woodpecker, she's Lincoln's Guardian Angel from Indiana and she is one cool and wild girl, and the reason is because just like Amy Woody Woodpecker, Marlene is also a hybrid of Woody Woodpecker, and she packs as much of an appetite as he does and she also knows and uses every last one of Woody's tricks from over 70 years from the classic Universal cartoons to The New Woody Woodpecker Show in 1999 and from the 2017 movie Woody Woodpecker to the modern day Woody Woodpecker cartoons on the web and she also uses a myriad of disguises to fool idiot criminals and stuck-up snobs and drive them screwy, and most of the time, they wind up getting put in an asylum. But, whatever you do, do not get her mad! When she found out of what happened to Woody getting driven out by Ms. Meanie and Wally when she chopped down his tree years ago and he fell into a depression, she got so mad at those two, she summoned a massive army of woodpeckers who pecked at Ms. Meanie and Wally Walrus like crazy saying that it was revenge for what they did to Woody, and when she told that to Winnie, Knothead, and Splinter, they also joined in and they really made them pay for it. Plus, Marlene has also outsmarted Buzz Buzzard and Tweaky and she's more than once got them arrested and put in jail even after Woody had settled in Michigan with us, and she also knows how to fight and she's defended Lincoln from Lori, Lynn, Lola, and Lisa along with the rest of his enemies, and she's even outsmarted and outpranked Luan, and it was so awesome. She even knows Woody's signature trademark laugh and she's done that when she succeeds in outsmarting the maroon who crossed her and dared to hurt Lincoln. (WOODY WOODPECKER LAUGH)

The next chapter is gonna be for where we go to the world of the 1995 movie Waterworld and we're going up against the Smokers in a world where the Ocean covers 99.3% of the entire planet!

See you next time.

# AN APOCALYPTIC FLOODED WORLD

As well as Jenny Wakeman, Pyris, Ippei Akagi, Ember, Diamond Sam and Jelli and we're going to the Bike and Brawl Bar.

Me: So those wretched buttfaced bikers are causing problems again.

Xenia: Yeah I hope they get thrown in jail big time.

Me: Me too. This will be fun.

Jenny Wakeman: Same here. This will be fun.

Lola: And it's going to be good as long as we kick some butt.

Camie: You got that right.

Nico: Jenny, I want to thank you, Black Spider, and your teams for coming.

Jenny Wakeman: No problem Nico. This will be so fun.

Pyris: It sure will be cool.

Diamond Sam: I'm looking forward to this dudes.

Me: Me too.

Rarity: I still can't believe you would turn into such a beautiful diamond Sam.

Diamond Sam: I know. It's dazzling.

Varie: Yeah.

Nico: Pyris, remember when we met you?

Pyris: I sure do. J.D. and Nina Fernandez the Gyarados gene-slammer found me in Cedar Creek, California and there was a nasty virus outbreak there.

Me: Boy that was so awesome and fun.

Xenia: It sure was awesome to hear about.

Eli: That was cool!

Nico: Boy it sure was.

Nicole: That was cool.

Nico: And now, you're part of the team.

Pyris: I sure am and it's awesome.

Me: Yep and she's part of my harem too.

Camie: Yeah she is awesome.

Lola: Yeah.

Varie: Yep.

Starlight Glimmer: Boy that party we had was amazing yesterday.

Twilight Sparkle: It sure was! I thought it was so fun and amazing.

Nico: It sure was. And it was awesome to commemorate our victory.

Maria: You got that right.

Nico: I liked the statue.

Me: Yep. Chip Cutter and Laney made it.

Laney: Yep it was fun. And that statue is perfect for it.

Qin: It sure was.

Laney: Yeah. And the adventures leading up to the battle with Evil Starlight Glimmer were fun.

Starlight Glimmer: Boy that they were.

Me: Yeah that was awesome.

Starlight: What did you think of my song?

Me: We loved it Starlight.

Nico: Yeah you were awesome.

May: You sure were.

Starlight Glimmer: Thanks guys. It was great. May are you doing much better?

May: Yeah I sure am. Boy that Sushimaker really thrashed me.

Me: SpongeBob and Patrick made an awesome obstacle course. Samara decided to use that as a torture device.

Nico: Nice.

Qin: Clever.

Nico: When did we have time to make the statue?

Laney: We are very fast in making statues like that. We got it done 1 hour before the party.

Xenia: That is really fast.

Apple Bloom: It sure is.

Rainbow Dash: That is always really fun.

Me: It sure is.

Then we got to the bar and Nico heard some noises coming from the bar.

Nico: The party's starting without us?!

We then HEARD SOOUNDS OF PAIN AND SCREAMING!

Then blood splattered onto Rarity's face!

SPLAT!

Me: EW!

Rarity screamed!

Nico: BLOOD!? Oh man!

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person that'll get your attention, Peter: I got word from The Renegades that Yuriko Watanabe A.K.A. Wraith has been sighted.

Me: (GASPS) Wait a second, isn't she the captain in the New York Police Department who occasionally works alongside Spider-Man to combat crime?

Spiderman: The very one, but her disillusion with the justice system would eventually prompt her to lead a double life as the vigilante, Wraith.

Nico: Whoa.

Eli: And if I'm not mistaken, she'll be going after some criminals and trying to kill them, right?

Lincoln: Yep.

Me: Awesome. (Smirks) This should be good.

Lincoln called the rest of the team and told them of the situation.

Sakura Haruno: So, we got to take her down and send her to The Masters of Evil.

Nico: You got it, Sakura. Say, Lincoln, how's Jessie's hair after what that bitch, Bethany, did to her?

Lincoln: I used my newly created hair growth serum and it restored her hair to normal, and here's the added part, it made her hair indestructible.

Jessie (Pokemon): Now, my hair won't be torn apart again.

Me: Nice.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his

massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Yuriko Watanabe A.K.A. Wraith) AHA! Gotcha! I just spotted Wraith, she's 20 yards away at a local biker bar, and she's already beating them up!

Nico: Damn, looks like the fun's just getting started. Let's head on

over.

Lincoln: Got it. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and

powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Yuriko Watanabe A.K.A. Wraith.

Lincoln: We're here, and it looks like the fight's just getting started.

Me: Right.

We went inside, and boy it was a mess: bikers and criminals were badly beaten up hard and there, we saw Yuriko Watanabe A.K.A. Wraith smashing more of them into the ground.

Yuriko "Yuri" Watanabe is a major character in the Insomniac Marvel Spider-Man video game series.

Although initially an ally of original Spider-Man, in the add-on DLC that takes place after the base game, she embraces violent vigilantism in the face of the continued murders of the Maggia and the limitations of conventional policing. She is currently at large, and eventually assumes the identity of Wraith as of Marvel's Spider-Man 2.

She is voiced by Tara Platt, the real-life wife of Spider-Man's voice actor Yuri Lowenthal.

Yuriko Watanabe is introduced as a long-standing policewoman who has maintained a working relationship with Spider-Man for years. Although often annoyed by his flippancy and in particular his jokes and "Spider-Cop" monologues, Yuri nevertheless appreciates Spider-Man's presence, and the two work together well throughout the game's story, Yuri even saving Spider-Man's life after he is savagely beaten by the Sinister Six and thrown into the ocean.

Tragically, when Yuri later tried to bring down the Maggia and their leader Hammerhead, he murdered all of her men and then tried to kill her too before Spider-Man saved her. Subsequent murders of police officers by Hammerhead and his men pushed Yuri over the edge entirely, and she took a discarded Sable-tech rifle and went on an independent rampage against the Maggia, effectively going outside police procedures and regulations to get what information she needed and eventually, corner Hammerhead himself. After Spider-Man beat him into submission, Yuri shot him repeatedly in an effort to kill him, but Hammerhead did not die, and Yuri was sent on administrative leave.

Unsatisfied with this, and now having a taste for vigilante justice, Yuri later tracked down and murdered a Maggia hitman who had earlier killed numerous people, including a therapist the hitman had been going to who had actually been a spy for Yuri to get incriminating evidence against him. Spider-Man later found the dead Maggia hitman and admonished Yuri for her actions over the phone, but by now Yuri had embraced vigilantism in full and bade farewell to her old friend before ending the call, leaving the webslinger despondently unsure of what to do now that she's gone rogue. Her current whereabouts are unknown, until…

Me: Oh man! This is starting to become a bloodbath! Look at what she's already done!

Nico: This is way worse than the time Princess Justice trashed the bikers and criminals at the bar. Okay, this has gone on long enough.

Black Spider went in.

Wraith saw what appeared to be Spidey entering.

Wraith: Hello, Spider Man. It's been a while, hasn't it? (realizes something) Wait. You're not Spider Man.

Black Spider: (laughs) Nope. I'm Black Spider! Good guess though.

We came in too.

Lincoln: Right. HEY, WRAITH!

This of course got Wraith's attention, but then, we saw her eyes, they weren't normal: they were blood red and she had an inverted pentagram on her forehead.

Me: What the heck?! What on Earth is that?!

Sebastian Mendez: (GASPS) Oh God, I remember that pentagram from anywhere. That was one of my curses I'd used to control the Z-Fighters' foes! This is the remnants of the residual darkness of Dark Sebastian!

Eli: Impossible, we sent that bastard to The Black Gates for good in Oklahoma.

Lincoln: Even though we'd destroyed him for good, traces of his residual darkness must've remained here after he got banished to The Black Gates! But, unlike with the Dark Orbs of Xehanort's residual darkness, the residual darkness of Dark Sebastian is on a smaller scale.

Me: Damn, it's bad enough that Xehanort's darkness still haunts the universe, now Dark Sebastian's darkness has resurfaced!

Lori: He's literally such a sore loser!

Babs Bunny: That madman, I thought we were finally done with him!

Buster Bunny: All he ever desired is to destroy us, and not even the evil in his black heart wouldn't die that easily.

Lincoln: Well, that's going to end.

Mindy (GX): With us beating down Wraith and freeing her from Dark Sebastian's residual darkness, and then, we're going to destroy all remnants of Dark Sebastian's residual darkness.

Me: Lets dance.

Nico: Yeah.

Me: Yuriko Watanabe A.K.A. Wraith. Honor to finally meet you.

Wraith: The famous Team Loud Phoenix Storm. Awesome to meet you too. I heard you killed many bad guys I know.

Me: We don't like to toot our own horns. But if you must know Kingpin and Hammerhead and locked up. Crematoria prison.

Wraith: I see.

She saw Spiderman.

Wraith: (in control at the moment) Hello, Spider Man. Long time no see.

Spiderman: Hey, Yuri. How long has it been?

Wraith: Heard you were busy.

Spiderman: Yep doing all kinds of damage to my enemies.

Sandman: And saving some of us from ourselves.

Venom: He's right on that.

Me: And travelling the multiverse to bring back fragments of a tablet. Had a lot of fun with that one.

Wraith: And here I thought you were smarter then that, Peter. Teaming up with villains?! Yeah, I saw on the news your real name.

Me: Because everyone was afraid that they would turn on him like they did in the Yost Universe. Also everyone now knows who every superhero and supervillain really is. Superhero and Supervillain identities are pretty much squat to all of us.

Spiderman: It's true. He's right on that one.

Wraith: But still. Teaming up with villains?!

Spiderman: Because some of them renounced their ways.

Sandman: It's true Yuriko. J.D. helped me change by saving my daughter. He gave his heart to help her.

Wraith: That would kill you!

Me: Immortality and invincibility has its perks. Penny is now all grown up and she has some of my powers as a sideeffect.

Spiderman: We helped many of my old enemies out. Like with what happened with Paul.

Me: Remember him?

Wraith: That purple haired jerk that hated that kid Ash!? Yeah I remember.

Me: Yep he's dead now.

Kraven: (Russian Accent) Some of us have renounced our ways because the team helped us realize we were being monsters that hurt people. And we are forever grateful to them for that.

Me: It's not just Peter's enemies that we helped, but many other heroes archnemeses too.

Maria: He's right on that as well.

Camie: Long story.

Spiderman: Wait. Is that why you became Wraith. Because you were getting tired of villains getting out of prison?

Wraith: What you're doing right now works. I'm doing the same thing because it gets more results. I mean. look at it. They get up, sent off to prison, and either they escape or their lawyers get them out. At least this way, they don't bother or kill anymore people

Unknown to her, Poromon had a bottle of Romulan Ale nearby.

Me: You're right on that Yuriko. There are those that will NEVER change and no matter how hard you try they will NEVER be rehabilitated. And sometimes death is the only way to make sure that they never hurt anyone else ever again. But a lot of times we have to send them to prisons that are far away from Earth.

Nico: Yep.

Eli used the Force and took the bottle of Romulan Ale away.

Eli: No Poromon you can't use that.

Wraith: But we still have to fight though.

Me: Yes I'm well aware of that. Just wanted to get this talk off my chest. But lets go outside. Too cramped in here.

We went outside.

Nico: Much better.

Me: Now how about this one.

I used the Kiva Gear and got a VAMPIRE SWORD! I put in the Fuestles for Zen Aku, Wolf Man 2010 and Anthony Romulus!

I got a FULL MOON WOLF SWORD!

Nico: WHOA! That is cool!

Me: YEAH! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON!

Me: (HOWLS)

Eddy tried to fire at her but she dodged it and it hit Rocket Raccoon in the shoulder instead.

Rocket Raccoon: OUCH!

Eddy: Sorry!

Me: She is fast!

I went over and slashed at her and she dodged my strikes!

Me: WHOA! You are really fast!

I dodged her strikes and kicked at her and she dodged my kick and I jumped over and kicked and punched and kicked her more and she dodged all my strikes like no problem!

Nico: WOW! She REALLY fast!

Edzilla tried punching her but she threw him into Homer.

KRASMASH!

Me: WHOA! You are strong too!

Wraith: Thanks.

I then lifted up a boulder and threw it at her and she punched it into a million pieces.

KRASMASH!

Me: WHOA! That was awesome!

Nico: Wow!

Spiderman: Just like old times.

He fired webbing and wrapped her up.

Iron Boy tried charging at her but she threw him into Jimmy Neutron

SMASH!

Jimmy Neutron: OUCH!

Edd: Apologies Jimmy.

Me: Wow! If you faced the Avengers I'm sure you would give them a run for their money.

Wraith: I sure would.

She went at me and I blocked her punches and kicks and kicked at her and she dodged it.

She threw CatDog at Poromon just as the latter was about to drink the bottle of Romulan Ale. It rolled at Poliwag's feet.

Poliwag: I need to use this! (Drinks it all)

Me: UH OH!

Poliwag then got MEGA SUPER DRUNK!

Poliwag: (SUPER DRUNK SLURRED SPEECH) Oh you think you can win! (HIC)

He ran super fast and bashed her all over the place with incredible speed and unpredictable movements. He slapped her all over with his tail and kicked and pulverized Wraith.

Cat: Okay that is really cool!

Me: It sure is! Rhonda what does Romulan Ale taste like?

Rhonda Romulus: Well it actually tastes like Blue Curacao Orange beer enhanced times 1,000.

Me: Geez!

Nico: That is potent.

Poliwag: No one is better than May! (HIC)

He bashed and pulverized her.

Poliwag: I will make you want to retch.

SMASH WHAM BLAM!

Poliwag: Let me sing you a happy song!

He sang I Wrote This by Patrick Star

Twinkle, twinkle, Patrick Star

I made myself a sandwich

My mommy named it Fred

It tastes like beans and bacon

And smells like it's been dead

Writing stuff is hard so I use a pointy pencil

Pointy pointy pointy, pointy pointy point

P.U., what's that horrible smell?

Drum solo!

I have a head, that ends in a point

Pointy pointy pointy, pointy pointy point

This song is over, except for this line:

You win this round

Broccoli

That was really funny!

Wraith screamed as she heard the terrible song.

Horsea: Yay, Poliwag!

Nico: Funny! Okay we got to get some fun done.

Mindy: Time for me to get some action in.

Suddenly, Mindy's brown eyes turned neon brown and she was surrounded by a blue and emerald green energy aura with stars, emerald gems, winds, harpies, phoenixes, and angels, she unholstered The Emerald Sword of Thoth from her back, and as she approached the possessed Yuriko Watanabe A.K.A. Wraith, she left blue and emerald green energy, stars, emerald gems, winds, harpies, phoenixes, and angels with every step.

Mindy (GX): We were honestly hoping to do this the easy way of taking you down, Yuriko, but now, we find out that you've become possessed by Dark Sebastian's residual darkness and he still desires to destroy us even from beyond The Black Gates. Well, now you've left us no other choice but to beat you down and remove that lunatic's influence.

Wraith (Marvel): (WITH THE DEMONIC VOICE OF DARK SEBASTIAN) I WILL BATHE IN YOUR BLOOD AND SPIT ON YOUR GRAVE, BITCH, YOU AND YOUR FREAK WHITE-HAIRED HUSBAND WILL DIE IN HELL! (LAUGHING DEMONICALLY AND DERANGEDLY)

Mindy (GX): WHAT THE HECK DID YOU SAY?! DID YOU JUST THREATEN ME AND LINKY?!

Alexis: Oh no! Now, he's gone and done it!

Qin: UH OH!

Me: Making threats like that to her and Lincoln is more than enough to get you sent straight to Hell, you demonic twisted freak!

Nico: That's what you get for making those death threats again and opening your big fat mouth!

Suddenly, Mindy was surrounded by a massive vortex of blue and emerald green energy with stars, emerald gems, and winds surrounding the vortex, there are harpies, phoenixes, angels, and the Harpie Ladies flying around the vortex, and in the vortex is a phoenix with blue eyes gazing at Yuriko Watanabe A.K.A. Wraith: the blue eyes of salvation, but they also have a red circle around them glaring right at the remnant of Dark Sebastian inside her: a glare of death.

Eli: What's with the red circles around the blue eyes?

Lincoln: The red circles around the blue eyes: normally, solid blue eyes are the eyes of salvation, solid red eyes are the eyes of eternal damnation, but red circles around the solid blue eyes, that's the sign of salvation for Yuriko, but eternal damnation for the remnant of Dark Sebastian possessing her.

Me: So, Yuriko is going to be saved.

Nico: While the remnant of Dark Sebastian faces eternal damnation, sucks to be him.

Then, as the vortex faded, Mindy emerged, but she was changed forever.

Mindy grew to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large emerald green orbs orbiting around her legs, she has the body of a goddess, she has emerald green highlights in the bangs of her long black hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon brown eyes and a blue and emerald green energy aura with stars, winds, emerald gems, harpies, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has the Harpie Ladies and Thoth emblazoned on her forehead and Third Eye with emerald green iris, she has on harpy earrings with emerald green gems for eyes and holding the Star, Wind, and Eternity Kanjis in their claws, she also has The Harpie Ladies with emerald green gems for eyes and holding the Star, Wind, and Eternity Kanjis in their talons for the second pendant on the bottom of her emerald green harpy-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with emerald green crystal links from her merged Crystal Necklace of the Buddha and emerald green gems on the gold lightning bolts, and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Mindy has on her Obelisk Dorm uniform and long sleeveless white trenchcoat with stars, winds, emerald gems, harpies, phoenixes, and angels on the coattails, and on the back is the Egyptian Deity Thoth and the Harpie Ladies surrounded by winds and emerald gems. Suddenly, Mindy felt a sharp pain on her back, and then, massive black angel wings with blue and emerald green tips on the large black feathers grew and sprouted out of her back and she also now has eleven massive and long black wolf tails with emerald green tips and emerald green markings, Mindy has on her Ring of the Phoenix with large emerald green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Mindy's massive Emerald Sword of Thoth and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of blue and emerald green energy, stars, winds, emerald gems, harpies, phoenixes, and angels, and when it emerged, it was transformed into Mindy's Eternal Hurricane Harpie Lady Emerald Gem Thoth Egyptian Wind Storm Phoenix Angel Greatsword of Eternal Hurricane Harpie Lady Emerald Gem Thoth Egyptian Wind Storm Phoenix Angel Justice, it's a brand-new massive greatsword with embedded emerald gems and The Harpie Ladies and the Egyptian God, Thoth, etched on the 7'8" massive, wide, double-edged emerald green blade, large emerald green bird heads and large sharp talons for the crossguard, large white angel faces built into both sides of the hilt and large emerald green gems embedded in their foreheads, longer midnight black handle, four large emerald green bird heads with blue gems for eyes and on the bottom of the large emerald green bird heads is a large emerald bird head with blue gems for eyes and blue gem in its mouth for the pommel, Mindy has on her large gold Bracers of The Champions of The Universe with emerald green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold bird head with emerald gems for eyes and large emerald gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's an emerald green kanji with nine magatama in between the kanji below Thoth that said, "Mindy, Duelist of Obelisk Dorm, Best Friend of Jasmine and Alexis Rhodes, Master of The Powers of The Harpie Ladies, Wielder of The Emerald Sword of Thoth, True Immortal and Powerful Warrior of The Universe, Savior of The World From The Dark Threats of The Shadow Realm, Loving Future Wife of Lincoln Loud, Archenemy of Red Dark Magician, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The

We were amazed by Mindy's Super Angel-Obelisk Duelist-Harpie Lady Master-Phoenix-Harmony United Friendship Universal Eternal

Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when the possessed Wraith saw it, she let out a demonic shriek and ran at Mindy to kill her, but Mindy fired a massive barrage of emerald green and blue energy, stars, winds, emerald gems, harpies, phoenixes, and angels which hit Wraith and sent her flying out of the bar, she got back up, but Dark Sebastian who was still inside her fell into an even more demonic rage and let out a demonic scream.

Alexis: That's so awesome, Mindy's transformed!

Nico: This is going to be one awesome battle, and it's about to get really ugly.

Lincoln: You said it, no one and I mean, no one attacks one of my future wives like that, not unless they want every single bone in their body broken.

Mindy: (Divine Echoing Godly Voice of The Eternal Hurricane Wind Egyptian Emerald Thoth Harpie Lady Master Phoenix Angel and Divine Cosmic Eternal Hurricane Wind Egyptian Emerald Thoth Harpie Lady Master Phoenix Angel Love) Let's avoid hurting her too badly, Lincoln, but we should still cause some pain and suffering to the Dark Sebastian remnant before we destroy the rest of the remnants of his residual darkness still hiding out.

Me: YEAH! Wraith is in for it now.

Alexis: Go Mindy!

Me: YEAH!

?: I'll help out too!

A girl with brown hair, blue eyes and brown angel wings and brown clothes came and she had a tiara with the kanji for Ground on it and the same symbol on her skirt and on her arm was tattoos for the symbols for Zero One and Fourze and she had a crystal sword.

Sheila Ground: Sheila Ground, Embodiment of Ground Man is here.

Aruto: Sheila! Wow!

Gentaro: You are looking great Sheila!

Sheila Ground: Aruto and Gentaro. Its been a while.

Aruto: We can catch up later. Lets get her.

Gentaro: Henshin!

Aruto: Henshin!

Mira Metal charged at her

She smashed down Wraith and Gentaro and Aruto transformed and were ready!

Gentaro: Space is HERE~~! Kamen Rider Fourze! Let's settle this man-to-man!

Aruto: There is only one person who can stop you, and that's me!

Me: And all of us!

Nico: Yeah what are we? Chopped liver?

?: No that's what I am.

We saw a jar of chopped liver on a rock and a Rimshot was heard.

Progrise! Let's rise! Le-Le-Let's rise!

Aruto turned into MetalCluster Hopper!

Fusion On! (Opera music)

Gentaro became Meteor Fusionstates

Me: Oh yeah!

Qin: This is gonna be fun!

Xenia: Yeah!

We fired waves of energy and blasted Wraith all over.

Singurize! Hakai, hametsu, zetsubō, metsubō seyo. Conclusion one.

Aruto turned into Kamen Rider Ark One

Me: Oh yeah!

We fired more energy blasts and smashed and pulverized Wraith all over.

Sheila formed a ground hammer and smashed Wraith in the head with it.

Progrise! Hell's energy has destroyed the world! Hellrising Hopper! Heaven or hell it doesn't matter.

Aruto turned into Hellrising Hopper!

Me: OH YEAH!

Xenia: Awesome!

Laney: Yeah!

He fired waves of energy and blasted Wraith all over.

Poliwag was still drunk And he bashed Wraith all over.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well, and he joined Mindy.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You've got some nerve coming out once again, Dark Sebastian. I thought we were finally done with you back in Oklahoma.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) But, now that we know how you managed to cheat death, that'll make things a lot easier to finally get rid of you once and for all!

Lincoln, Mindy (GX), and I went after the possessed Yuriko Watanabe A.K.A. Wraith, and we fired extremely powerful blasts of rainbow energy, emerald green and blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at the possessed Yuriko Watanabe A.K.A. Wraith, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the possessed Yuriko Watanabe A.K.A. Wraith even more insane and straight to the brink of insanity.

Wraith (Marvel): (DARK SEBASTIAN'S DEMONIC VOICE) YOU! YOU! (ENRAGED SCREAM)

The possessed Yuriko Watanabe A.K.A. Wraith charged at us completely blind with rage and fury, but Nico and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at her and she got hit hard and he slashed at her with his massive black greatsword.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Don't you dare think you're going to get away with this, you freak!

Lincoln said The Lord's Prayer and fired a massive wave of light from his massive greatsword that hit the possessed Yuriko Watanabe A.K.A. Wraith, and a black shadow was forced out of her, and then, it took shape and took on the form of Dark Sebastian, but it was surrounded by dark energy. Before he could attack again, he was trapped in a holy light energy field below his feet by Lincoln.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's destroy the rest of the dark remnants, Lincoln!

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal

Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) On it, J.D.!

Suddenly, Lincoln's massive white angel wings began glowing with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over the planet, and then, we heard roars of anger, and we saw more of Dark Sebastian's remnants being forced out of the darkness, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the remnants of Dark Sebastian and the one we forced out of Wraith began screaming with pain and anger as light burst out of them, and then, they exploded as they let out a dying scream and were banished to The Black Gates and this time forever. We all cheered wildly as we holstered our massive greatswords and weapons and powered down, and Mindy (GX)'s new body, clothes, weapons, jewelry, Third Eye, eleven massive and long black wolf tails, and massive black angel wings are permanent.

Suddenly, Mindy wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Mindy's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and The Harpie Ladies flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and winds blowing behind them with emerald gems raining down and we cheered wildly. Then, Lincoln and Mindy sucked in and absorbed the elemental forces and wind and collected the emerald gems and they came back to us as the display vanished.

Alexis: Okay, that was one really scary battle!

Nico: I know right? I really didn't expect Yuriko to be possessed, and even worse, by a remnant of Dark Sebastian's residual darkness, that was really scary!

Me: Still, I can't believe he cheated death like that!

Lincoln: I would've thought we'd finally destroyed him in Oklahoma, but no, those remnants of him had hidden themselves across the globe and can take possession of any villains we haven't met yet, not to mention his desire to destroy us is still as dangerous even in death!

Nico: Just like Universe 666 Sebastian with that damn contingency plan.

King Kai: (Telepathically) Lincoln, Woody, can you hear me?

Lincoln: We hear you, King Kai, what's wrong?

King Kai: (Telepathically) You're not going to like it, Tweaky's broken out of prison again, and he's still out to kill you, Lincoln.

We gasped.

Woody Woodpecker: WHAT?! I thought we taught that dirty canary a lesson two times already! That's it, he's going down!

Me: Hold on a second, Woody. Throwing Tweaky back in prison is too good for him, we need a better and even more horrid and cruel punishment for him.

Lincoln: How about condemning him to be Vypra's whipping boy forever?

Nico: Genius. And if that dirty canary gets any ideas, you've got your Hinon's Vengeance Curse that you'll put on him to keep his butt in line.

Lincoln: Yep.

Woody Woodpecker: He's gonna get it big time, I've got a sack full of dynamite and explosives along with a mallet with his name on it.

Me: He ain't getting out of this again!

Nico: Nope.

Poliwag was still in his drunk state.

Me: Okay that's enough for you.

I snapped my fingers and Poliwag was dizzy and groaning from a TREMENDOUSLY Massive headache and hangover.

Poliwag: (GROAN) What the fuck hit me!?

Nico: You got drunk.

Me: By Romulan Ale.

Poliwag then threw up on May!

May: HEY!

Poliwag: Sorry!

Maria washed her off.

Nico: Yuck.

Me: Boy Wraith gave us an awesome challenge.

Nico: She sure did.

Laney: She easily matched all our strongest and fastest moves.

Varie: No kidding.

Me: At least being thrown up on is better than being mauled with the Sushimaker.

May: True.

Sheila Ground: That is true.

Nico: How did you meet Gentaro and Aruto?

Sheila Ground: I met Gentaro when we were fighting the Zodiarts for Antila.

Nicole: That's for the consteillation of Antila the Pump in the Southern Hemisphere.

Sheila Ground: Yep and she put up a good challenge. She was fed up with the swimming team looking down on her and she drained the entire swimming pool full of its water and smashed the teams heads in.

Me: Ooh! Ouch!

Nico: Yikes.

Sheila Ground: Yeah I helped Gentaro and his team take her down and it was fun. I am also Kamen Rider Eridanus.

Nico: That is cool!

Sheila Ground: It sure is. Also I met Aruto when we were battling one of Ark's monsters. I think it was the Swan one.

Me: You mean the Swan Magia.

Sheila Ground: That's right.

Me: I remember that one.

Sheila Ground: Yeah that was rough that happened to that one.

Me: Ark made her do that.

Sheila Ground: Yep. But we became awesome friends for that.

Me: That is awesome.

Flora: We killed Ark in that one.

Whenua: And we have all the Zodiarts in the M.O.E.

Me: Yep.

Nico: Yeah.

Me: Also we have an early warning system that tells us what Zodiarts are coming.

I showed her my birthmark for Phoenix the Firebird on the right side of my neck.

Me: Our birthmarks. They are special marks. They glow and start to hurt when a Zodiart comes.

Sheila Ground: Wow! That is cool.

Me: Yeah it doesn't hurt that bad though. You just have to get used to it.

Nico: Would you like to join the team?

Sheila Ground: I would be honored.

Nico: All right!

Arrietty: Awesome! This will be fun.

We went over to Wraith and she was in REALLY ROUGH shape.

Wraith: (Weakly) Thank you.

Me: You're welcome Yuriko. I hope we didn't rough you up too hard?

Wraith: I'll be okay.

Black Spider: I have the M.O.E. Medical unit coming.

Wraith: Thanks but who are you?

Black Spider: My name is Black Spider but my real name is Eric Needham.

Spiderman: He IS similar to me though.

Black Spider: That's right. But I'm actually one of Batman's enemies.

Wraith: Oh. That explains it.

Then a black hover ambulance came.

Nurses: HUP HUP HUP HUP HUP HUP HUP HUP HUP HUP!

They came and loaded Wraith up onto a gurney.

They loaded her in and they were off.

Nico: She'll be fine.

Me: Yep.

Lola: That was cool.

Black Spider: Yeah we have a black medical transport for us. It's fitting.

Me: It sure is.

Ratchet: Impressive.

Black Spider: Yep.

Janet Jinx: Boy that was cool seeing that.

Me: You got that right.

ZOOOM! BLANG!

A basketball flew in and BASHED JANET JINX SQUARE IN HER FACE!

Me: Jeez!

I pulled it off her and she had a really nasty bruise.

Nico: That is still happening to her!?

Me: I know. Crazy huh.

Samson: Ouch. That is the worst luck ever.

Edward: You're one to talk.

ZOOM KRABLANG!

Janet got her face smashed in with another basketball!

ZOOM! BLAM!

Samson got bashed in his face by a volleyball!

Nico: OOH OUCH!

But then…

---

Janet Jinx got HIT REALLY HARD BY NUMEROUS BASKETBALLS! She had bruises all over her face and body!

Samson: My luck isn't NEARLY as bad as hers though.

Me: No Janet's is worse.

Lynn: At least I'm not going to run out of basketballs.

Nico: How come?

Me: You wouldn't believe how many basketballs Lynn popped over the years.

Nico: Oh.

Laney: Yeah.

Lynn: It's true.

Me: Yeah.

Nico: Wow! That is amazing. But we REALLY need to cure Janet's luck. If she keeps getting beanned by basketballs like this she is going to be killed by nasty concussions.

Me: (GULPS)

Nico: But we'll work on that later.

Me: Yep. We got the Anothers to deal with.

Xenia: Lets see who we got.

Eli concentrated.

Eli: WHOA! We got the Witch King of Angmar, Mouth of Sauron, Balrog, Sarumon, Gollum, Ghost of Elias Kingston and Black Spider.

WE GASPED!

Me: Eli can you repeat that? I don't think I got that. (CLEANS OUT EAR)

Eli: Just what I said. Another Witch King of Angmar, Mouth of Sauron, Balrog, Sarumon, Gollum, Ghost of Elias Kingston and Black Spider.

Nico: You heard right.

Me: Oh.

Black Spider: Before you yell at us hear me out. We picked Gollum for this because he went through a nightmare. So we got him under our care for one of you guys to face.

Me: Cool.

Qin: Awesome.

Poromon: As long as he learns not to mess with us!

Black Spider: Got it!

Nico: Who do we call for this?

Me: Yugito Nii, Audrey Sauron, Amara Thatcher, Melpha, and Jules Jewel.

Me: Whoa!

Nico: Nice!

Audrey Sauron: This will be cool.

Yugito Nii: It sure will.

Eli: And I sense that the Anothers minus Black Spider are all one person.

Me: Cool!

Nico: There they are!

We saw Another Witch King of Angmar, Mouth of Sauron, Balrog, Sarumon, Gollum and Ghost of Elias Kingston!

Qin: Wow!

Me: This will be good.

Another Sarumon: (In a girls voice) It sure will.

Lincoln: Dayna Dominion!? Whoa!

They merged and she reverted back and was a girl with orange hair, blue eyes and had orange clothes and blue angel wings and had the symbol for the Dominion in the middle of her forehead and on her skirt and she had a cool Keyblade.

Dayna Dominion: Awesome to see you again Lincoln and holy crap you grew into quite a young man.

Lincoln: I know.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Dayna Dominion, Keyblade Knight of The Dominion, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the home planet of The Dominion, the Founder's Homeworld, and she has intense light powers and she's a master of light. She is the Keyblade Knight of The Dominion and leader of the people of The Dominion, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and he became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of light, and she's also good friends with Alice Lancaster, The Mekk-Knight Red Moon Gene-Slammer, Sophia Devine, The Mekk-Knight Orange Sunset Gene-Slammer, Harper Everett, The Mekk-Knight Yellow Star Gene-Slammer, Anna Grant, The Mekk-Knight Green Horizon Gene-Slammer, Penelope Johnson, The Mekk-Knight Blue Sky Gene-Slammer, Audrey Knight, The Mekk-Knight Indigo Eclipse Gene-Slammer, Lily Morrison, The Mekk-Knight Purple Nightfall Gene-Slammer, Claire Pruitt, The Mekk-Knight Spectrum Supreme Gene-Slammer, Hazel Russell, The Mekk-Knight Avram Gene-Slammer, Jade Stoddard, The Mekk-Knight Crusadia Avramax Gene-Slammer, Avery Shaw, The Girsu, the Orcust Mekk-Knight Gene-Slammer, and Stella Sharp, The Mekk-Knight of the Morning Star Gene-Slammer.

We were amazed.

Me: Wow! The Keyblade Knight of the Dominion. Boy that is so cool.

Laney: Yeah! The Dominion is actually a bunch of other planets. But that is awesome.

Dayna Dominion: It sure is.

Me: By the way is the Another Black Spider friendly or hostile?

Dayna Dominion: Friendly and she is amazing.

Me: Wow.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They both glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and elements and blasted the Anothers.

I caught the Wondr Ride Books.

Maria: And here's backup. (TURNS DIAL) MIRROR FURY 6!

She summoned Mirror Master, Quark, Dan, Illuso, Arnold the Pit Bull and Evil Pyre Woman

Me: Yeah!

Nico: And now, we wait.

Me: Yep.

Then I smelled a really delectable smell in the air.

Me: (Sniffs) Hey! Smell that?

Nico: (Sniffs) Oh wow! I know that smell.

Nora Valkyrie: (Sniffs) (GASP) (DROOLS) OH BOY IT'S IT'S! PANCAKES!

She rushed over to the smell.

Then she dogpiled on someone.

?: HEY!

We saw that she dogpiled on ANOTHER BLACK SPIDER!

Another Black Spider: (LAUGHS) (In a girls voice) If you wanted some pancakes all you had to do was ask.

Me: Wait. That voice.

She reverted back and it was a girl with purple hair and blue eyes and had yellow and orange clothes and had orange angel wings and she had a tiara with the symbol of the Pancakes Dopant on it and the same symbol on her skirt and she had a Pancakes Magisword in her hands.

Me: Phoebe Pancake! Awesome!

Nora was given a massive stack of pancakes from her and Nora was eating them.

Phoebe Pancake: (LAUGHS) She sure loves pancakes.

Me: (LAUGHS) Nora can't get enough of them.

I helped her up.

Me: Awesome to see you again.

Phoebe Pancake: You too J.D.

Ren: I am SO sorry about Nora.

Phoebe Pancake: (LAUGHS) No worries. I had the same thing happen to me once before. Right Sakura?

Sakura Knudson: (LAUGHS) Yeah and I love her pancakes.

Me: (LAUGHS) Her pancakes are completely irresistable. Everyone loves them. Phoebe Pancake is one of the best Pancake chefs ever. She makes thousands of kinds of pancakes that are completely out of this world and are so good that EVERYONE loves them.

Prohyas: Boy and I love pancakes as much as Nora does.

Me: Yep. And also she is a thief that steals from criminals like Sly Cooper.

Black Spider: That is cool. She and I have something in common. Who doesn't love pancakes?

WE LAUGHED!

Zipp Storm: That is awesome! Berries would love that. We have this pegasus in Zephyr Heights and he loves pancakes. He ate pancakes for breakfast, lunch and dinner.

Phoebe Pancake: Well he has REALLY awesome and good taste.

WE LAUGHED MORE!

Me: That is cool.

Qin: Boy EVERY Lumberjack all over Canada and the Rockie Mountains will love you.

Phoebe laughed.

Phoebe Pancake: (LAUGHS) I'm practically known far and wide as the Goddess of Pancakes.

Nico: (LAUGHS) That is awesome and cool.

Phoebe Pancake: Yeah I am the Embodiment of the Pancake

Dopant after all.

Me: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Phoebe Pancake: No he didn't. Because I made him an awesome pancake buffet and left as he was eating. I gave Sakura the biggest and most delicious Chocolate Pancakes ever too.

Sakura Knudson: (Drools) Those were so delicious.

She used her powers and made Chocolate Pancakes covered in chocolate syrup and powdered sugar.

Sakura Knudson: (DROOLS) OH BOY.

She was eating them.

Nico: (LAUGHS) So awesome!

Me: Yeah.

Lincoln: (LAUGHS) Yeah you are a true goddess of pancakes.

Me: I have a feeling there's one for waffles too.

Phoebe Pancake: Yep.

Kaito and Zocks: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Nico: OH YEAH!

Lincoln: Lets separate you first.

He fired waves of light and did so.

Me: Awesome!

Nico: Yeah!

Phoebe Pancake: This will be fun.

She fired strawberry bombs!

They hit Another Black Spider and they exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

Me: WHOA! Nice!

Nico: (gets out Black Spider's Ridewatch) My spider sense is tingling!

May: (Gets out Hysteria's ridewatch) Time for some insanity!

Maria: (Gets out Mira (Team Aqua) Ridewatch) And to plunge the world into the ocean!

They activated Black Spider, Ghost of Elias Kingston, Hysteria (Marvel), Crimson Jazz, Mira (Team Aqua) and D.A.V.E.'s ridewatches and fired waves of energy and elements and smashed the another!

Pyris: Time to burn! (ACTIVATES THE GHOST OF ELIAS KINGSTON'S RIDEWATCH)

She fired waves of fire and smashed her down.

Then Key, Emperor Z, Key Monster, Lego Abomination, Twisted

Ariel and Black Anvil came.

Nico: Nice team Key!

Key: Thanks Nico!

Me: Sweet! Emperor Z. I can't wait to show you my Sparkle and how strong its got.

Emperor Z: I heard it's brighter than ever.

Me: Yep.

Camie: What do you mean by that?

Me: During Nico's birthday 2 years ago I showed Emperor Z my power and how strong it got and it made his day. But I wasn't NEARLY as powerful as I am now.

Nico: It's true.

Camie: Wow!

Me: Yep.

Nico: I remember that.

Me: Cool.

?: Boy that will be awesome to see.

Galaxy Man came.

Me: Cool! Galaxy Man!

Galaxy Man: (In a girls voice) This will shoot for the stars.

Nico: Gianna Galaxy!? Whoa!

She reverted back and was a girl with purple hair, purple eyes and had stellar clothes and had star angel wings and had a star sword in her hands and on her forehead was a galaxy.

Me: Wow! That dress is beautiful.

Rarity: Oh it sure is absolutely divine darling.

Gianna Galaxy: Thank you. I got this.

She fired a black hole blast and blasted the Another and I caught the ridewatch and purified it.

Me: Yeah!

May: I wasn't hit this time!

Nico: (LAUGHS) Yeah.

Gianna Galaxy: Don't worry I'm not going to hurt you May.

May: Good.

Rarity: How did you manage to make a dress that glimmered with stars darling?

Gianna Galaxy: Oh this? It came with the gene-slammer form. I don't know how that happened but it really makes me feel out of this world. Literally.

Nico: It sure does.

Rarity: I love it either way!

Gianna Galaxy: Thanks! I do too.

Pyris: What's your favorite memory of Nico?

Gianna Galaxy: Mine is when we were at space camp and we discovered new galaxies never seen before in the universe.

Me: Wow! That is cool.

Nicole: Those must've been the galaxies of the Unknown Zone. We discovered that over 93% of the entire universe is still Undiscovered. We call that zone the Unknown Zone.

Me: It's true.

Gianna Galaxy: Wow! That is amazing.

Nico: It sure is.

Nico and Gianna hugged.

Nico: I've missed you Gianna.

Gianna Galaxy: Same here Nico.

We later went back home.

Just as King Kai pointed out to us on Nico's rescue: Tweaky, Buzz Buzzard's former partner in crime, has broken out of prison yet again, and he still wants to kill Lincoln again for what's happened to Buzz Buzzard being in The Masters of Evil. But, we're through with Tweaky: we're going to beat him down once again, and we're throwing that dirty canary to Vypra who's going to more than enjoy straightening him out.

Lincoln: Whoa, we're here in Indiana, Woody Woodpecker's old home, and I know what we're going to do here, not only am I going to rescue the fifteen girls here, but we got bad news.

Me: Yep, just as King Kai pointed out to us on Nico's rescue: Tweaky, Buzz Buzzard's former partner in crime, has broken out of prison yet again, and he still wants to kill Lincoln again for what's happened to Buzz Buzzard being in The Masters of Evil. But, we're through with Tweaky: we're going to beat him down once again, and we're throwing that dirty canary to Vypra who's going to more than enjoy straightening him out.

Nico: After everything that dirty canary's done in the past, Lincoln was right on one thing: throwing Tweaky back in prison is now way too good for him.

War Machine: We better get after that dirty canary before he does something else to really anger us.

Lincoln: Right, Rhodey.

Suddenly, we saw a very beautiful and super sexy girl with long crimson red hair and blue hairband, green eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful blue angel wings, she's dressed in a sleeveless red crop top, sleeveless blue vest, necklace with pearls and light blue gem for the pendant, blue skirt, red bridal gloves, red stockings, blue anklewarmers, crimson red knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, acorns, leaves, plants, trees, woodpeckers, phoenixes, and angels on the coattails and on the back is Woody Woodpecker, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the hand guard, and gold pointed tip for the pommel, and with her are the the fifteen girls.

Lincoln: (GASPS) Marlene Woodpecker, Hybrid of Woody Woodpecker.

Marlene Woodpecker: Yep, and I got the girls away from that dirty canary, Tweaky, but not before I clobbered him on the head with a baseball bat I got out.

?: (ENRAGED SCREAM) YOU ROTTEN LITTLE… ! I'LL FILL YOU FULL OF LEAD!

We then saw our target, Tweaky, but he also had a huge lump on his head thanks to Marlene hitting him with a baseball bat.

they hit him.

Then, Lincoln fired a blast of rainbow energy that turned into a straitjacket and tied Tweaky up and then, he opened up a portal with a snap of his fingers to The Masters of Evil's new torture dungeon and he kicked Tweaky inside and he wound up inside a cage where the other Masters of Evil were all waiting, and he gulped nervously as the portal closed. We cheered as we holstered our weapons and powered down.

Lincoln: You should consider yourself lucky we're not tossing you back in prison, Tweaky. But, what you are about to go through with Vypra, you'll wish you were back in prison, no scratch that, you'll wish we sent to the worst prison in the world, and you'll never be free again. (To Marlene Woodpecker) And it's so good to see you again, Marlene Woodpecker.

Marlene Woodpecker: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, Knothead, Splinter, and Winnie again, Woody.

Woody Woodpecker: You too, Marlene.

Lincoln went up to Marlene Woodpecker and he hugged her, and Marlene Woodpecker is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white

Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marlene Woodpecker: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Marlene Woodpecker, Hybrid of Woody Woodpecker, she's my Guardian Angel from Indiana and she is one cool and wild girl, and the reason is because just like Amy Woody Woodpecker, Marlene is also a hybrid of Woody Woodpecker, and she packs as much of an appetite as he does and she also knows and uses every last one of Woody's tricks from over 70 years from the classic Universal cartoons to The New Woody Woodpecker Show in 1999 and from the 2017 movie Woody Woodpecker to the modern day Woody Woodpecker cartoons on the web and she also uses a myriad of disguises to fool idiot criminals and stuck-up snobs and drive them screwy, and most of the time, they wind up getting put in an asylum.

Me: But, whatever you do, do not get her mad! When she found out of what happened to Woody getting driven out by Ms. Meanie and Wally when she chopped down his tree years ago and he fell into a depression, she got so mad at those two, she summoned a massive army of woodpeckers who pecked at Ms. Meanie and Wally Walrus like crazy saying that it was revenge for what they did to Woody, and when she told that to Winnie, Knothead, and Splinter, they also joined in and they really made them pay for it.

Michelle Emperyous: Plus, Marlene has also outsmarted Buzz Buzzard and Tweaky and she's more than once got them arrested and put in jail even after Woody had settled in Michigan with us, and she also knows how to fight and she's defended Lincoln from Lori, Lynn, Lola, and Lisa along with the rest of his enemies, and she's even outsmarted and outpranked Luan, and it was so awesome. She even knows Woody's signature trademark laugh and she's done that when she succeeds in outsmarting the maroon who crossed her and dared to hurt Lincoln.

Selene Emperyous: Yeah, we thought it was Woody, but nope, it was Marlene.

Nico: Yikes!

Me: Yeah, she's just as wild as Woody, and just as hilarious.

Luna: Her pranks made Luan so scared, she couldn't come out of her room for three weeks.

Rita: Luan met her match with Marlene, but even that didn't stop her.

Lincoln: Blame Dark Luan for that one, and now that you're here.

Lincoln went up to and hugged Marlene Woodpecker in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Marlene Woodpecker: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Marlene Woodpecker's neck with red gems on the gold lightning bolts and blue crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Marlene Woodpecker: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marlene Woodpecker.

Marlene Woodpecker had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the fifteen girls, and when Lincoln saw them, he immediately recognized them. The fifteen girls are Briar and Nilah from League of Legends, Miyu, Nina, and Hiroko Aizawa from Tiny Evil, and Kyouka Uzen, Sahara Wakasa, Aoba Wakura, Himari Azuma, Coco Zenibako, Shushu Suruga, Yuno Naon, Nei Ookawamura, Tenka Izumo, and Yachiho Azuma from Chained Soldier.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Nilah: Yes, we're okay, thanks to you.

Nilah: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made fourteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Hiroko Aizawa: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Briar, Nilah, Miyu, Nina, Hiroko Aizawa, Kyouka Uzen, Sahara Wakasa, Aoba Wakura, Himari Azuma, Coco Zenibako, Shushu Suruga, Yuno Naon, Nei Ookawamura, Tenka Izumo, and Yachiho Azuma with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was none other than Tweaky, Buzz Buzzard's former partner, who has broken out of prison yet again, and he still wanted to kill Lincoln again for what's happened to Buzz Buzzard being in The Masters of Evil.

But, when Lincoln showed what we all did in viciously beating down that dirty canary and this time sending him to Vypra's new torture dungeon and it wasn't going to be pleasant, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Marlene Woodpecker have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that stupid dirty canary, I hope he gets torn apart by Vypra.

Me: He'll be experiencing nothing but Hell.

Lincoln: And this will teach him a lesson he's not ever going to forget.

Nico: With what she's got for Tweaky, he'll be begging for us to throw him back in prison, or worse, get sent to the worst prison ever.

---

After finally taking down Tweaky and sending him straight to Vypra for his punishment, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marlene Woodpecker saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Marlene Woodpecker: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing

900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Marlene, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Marlene Woodpecker: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Marlene Woodpecker: I knew it was only a matter of time before he told everyone that story.

Nico: Yep. So, Marlene, what memories do you have with Lincoln?

Marlene Woodpecker: There is one memory that I have with Lincoln, and it was on our date at Lynn's Table, but of course, there is an incident involving Luan, and how my pranks drove her away and right back to The Louds for punishment.

Me: I was still cracking up to this day!

Nico: Wait, what did she do?

Luna: (Snickers) You'll see what we mean in the video.

Marlene Woodpecker played a video on the big screen and it shows Lincoln and Marlene Woodpecker at Lynn's Table.

Past Marlene Woodpecker: This is really awesome, I always love coming here to your dad's restaurant the food is awesome.

Past Lincoln: Same here, Marlene.

?: CRAZED HOMICIDAL LAUGHTER!

Suddenly, they heard the sound of crazed laughter, and they saw a figure run past and head out the back.

Past Lincoln: Oh great, there's no mistaking that crazed laughter from anywhere.

Past Marlene Woodpecker: Ugh, Luan!

Suddenly, Marlene Woodpecker had a really sneaky idea, and she immediately got to work setting up tons of traps all over the place. Then, she sent a fake text to Luan saying it's from Eddy and that he wants to meet her at Lynn's Table, that of course got her attention and she took the bait for it. But, as soon as she headed back in through the back, Luan slid across the floor as it was covered in bacon grease, and she crashed into a pile of food that looked like Lori. Then, she was sprayed with honey in water guns triggered to go off, and then, she was covered in flour, and then, she got hit with balls of melted chocolate. Then, Marlene Woodpecker and Lincoln came out.

Past Lincoln: You've got some nerve coming after us, Luan. But, Marlene saw right through it, and she set this all up. Now, we're sending you right back home.

Lincoln and Marlene Woodpecker rear their left and right fists back and gave Luan two nasty punches to the face that sent her flying back to The Loud House, but she landed in a tree and a tree branch wound up giving her a wedgie.

Past Lincoln: When the rest of the family hears of this, they're really going to give Luan hell.

Past Marlene Woodpecker: But, not before they wind up getting a laugh out of this.

Lincoln wrapped his massive and muscular arms around Marlene Woodpecker's waist and he gave her a kiss on the lips which she returned as the video ended and everyone was laughing hysterically.

Nico: (LAUGHS HYSTERICALLY) AW MAN, THEY GOT YOU GOOD, LUAN!

Me: (LAUGHS HYSTERICALLY) IT WAS WAY TOO GOOD AND HILARIOUS!

Luna: (LAUGHS) It was way too hilarious, she made a huge mistake trying to prank someone who's a true master of pranks and gags.

Lincoln: But, when we came back, that set Lynn off big time, but before she could attack Marlene, I grabbed her by the waist with one of my eleven massive and long white tails and restricted her and Woody pecked her on the head.

Nico: Yeesh, one prank done unto you, and it got you that steamed?!

Marlene Woodpecker: It almost got ugly. Luan had some nerve coming after us at Lynn's Table and trying to ruin our date because she still wanted to kill Lincoln again with her pranks! After what that homicidal prankster has done to Lincoln in the past, I wanted to punch Luan in the face, but I used my pranks to get back at her. She had it coming. But, Luan has since been freed from her Dark Side forever and she's finally back to who she was.

Me: That was because of Chase Young's Dark Side, he really is nothing more than the embodiment of evil.

Lincoln: You got that right, he was a monster who enjoyed causing pain and suffering to so many.

We got a shower afterwards, and then, Lincoln, Gianna the Ghoul, Julia the Jiangshi, Mara the Mummy, Opal the Ochimusha, Wendy the Wight, and Zoey the Zombie are heading to Emerald Coast.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Gianna the Ghoul, Julia the Jiangshi, Mara the Mummy, Opal the Ochimusha, Wendy the Wight, and Zoey the Zombie are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Gianna the Ghoul, Julia the Jiangshi, Mara the Mummy, Opal the Ochimusha, Wendy the Wight, and Zoey the Zombie all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Gianna the Ghoul: Wow, so, this is Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Gianna, and it's perfect for our first date. Shall we?

Lincoln, Gianna the Ghoul, Julia the Jiangshi, Mara the Mummy, Opal the Ochimusha, Wendy the Wight, and Zoey the Zombie dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Gianna the Ghoul, Julia the Jiangshi, Mara the Mummy, Opal the Ochimusha, Wendy the Wight, and Zoey the Zombie got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Gianna the Ghoul, Julia the Jiangshi, Mara the Mummy, Opal the Ochimusha, Wendy the Wight, and Zoey the Zombie and they hugged the girls in their abnormally massive and powerful muscular arms, and Gianna the Ghoul, Julia the Jiangshi, Mara the Mummy, Opal the Ochimusha, Wendy the Wight, and Zoey the Zombie placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Gianna the Ghoul, Julia the Jiangshi, Mara the Mummy, Opal the Ochimusha, Wendy the Wight, and Zoey the Zombie with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Gianna the Ghoul, Julia the Jiangshi, Mara the Mummy, Opal the Ochimusha, Wendy the Wight, and Zoey the Zombie are in your harem, Linky.

Yamiga: And if I had to guess, he also marked you, right?

Gianna the Ghoul, Julia the Jiangshi, Mara the Mummy, Opal the Ochimusha, Wendy the Wight, and Zoey the Zombie showed the marks Lincoln left on them on their necks.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Gianna the Ghoul, Julia the Jiangshi, Mara the Mummy, Opal the Ochimusha, Wendy the Wight, and Zoey the Zombie, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost

his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Next is Space Storm Galaxy.

Me: Whoa! That one is gonna be a challenge.

Nico: Yep.

Cameron: Me and Lisa Simpson will go.

Lisa Simpson: This will be fun.

Nicole: Then you're going up to the top of the Topman's Tower.

Nico: Yep.

They went into the simulator and it activated and they were in SPACE STORM GALAXY!

It looked like a massive space storm!

---

Nico: WHOA! What a storm!

Cameron: Amazing!

Nico: Any tips, Nicole?

Nicole: (On the radio) Well you just have to get to the top of the tower. But there's going to be lots of enemies coming for you.

Nico: I see them.

Lisa Simpson: But we're ready for them.

Nico: Awesome.

?: Let us help you guys.

2 figures came. 1 was a girl with black hair, purple eyes, purple clothes and had bat angel wings and she had a tiara with the symbol of the Moonland of the Core on it and the same symbol on her skirt too and she had a demon sword. The 2nd was a girl with green hair, green eyes and had brown and green clothes and she had leaf angel wings and she had a tiara with the symbol of Wood Man on it and had a leaf sword in her hands.

Cianna Core: Cianna Core, Embodiment of The Moonland of The Core.

Wanda Wood: Wanda Wood, Embodiment of Wood Man.

Leni: O.M. Gosh! Oh Wanda its been totes so long!

Loni: Yeah you are totes looking great!

Wanda Wood: Leni and Loni! Wow! Its been a while.

Cianna Core: And I heard that J.D. was responsible for helping you guys kill Agram. Is that true?

Nico: Yeah it sure is. He helped destroy him. And give him the black gates in Opaline's castle. It's a long story. We'll talk later. Lets go.

They were off.

Nico: (gets out Black Spider and Ragdoll's Ridewatches) Time to get agile!

Nico activated them and ran fast up the tower!

ZOOM!

Wanda Wood: Wow! That is fast!

Lisa Simpson: It sure is.

Goombas came.

Nico bashed them down with amazing speed!

Lisa Simpson and Cameron blasted the Goombas all over with missiles and energy and smashed them.

Wanda Wood and Cianna Core blasted the Goombas all over with darkness and leaves and blasted them.

Nico: YEAH!

Cameron: Keep At it!

They blasted numerous Goombas.

They got to the top and they saw the star!

Nico: There it is!

They went and got it!

YOU GOT A STAR!

Wanda Wood: That was so fun!

Lisa Simpson: Yeah it was!

Cameron: YEAH!

Gwen: Way to go Cameron!

Cameron: Thanks Gwen.

They high five!

Nico: How did you meet Leni and Loni?

Wanda Wood: We met in high school. We had fashion classes together and we made all kinds of amazing clothes and became great friends. I taught Leni and Loni how to make clothes with artificial flowers.

She pulled out a photo album and it showed pictures of clothes made with artificial flowers of many kinds.

Nico: Oh wow! Those are beautiful.

Lisa Simpson: Those are magnificent dresses.

Cameron: They sure are.

Wanda Wood: They sure are.

Cianna Core: I thought those were great too.

Nico: Yeah. Would you 2 like to join the team?

Wanda Wood: We would be honored.

They left the simulator and we cheered for them.

Later Splash Woman went into the kitchen and saw the mascots making something with dough.

Splash Woman: What are you guys making?

Poromon: Romulan Ale spaghetti. Don't worry the boiling water will get rid of the alcohol.

Splash Woman: Oh wow. Have you ever tried making spaghetti before?

Poliwag: Nope. First time.

Lynn Sr.: I've been teaching them how to make it.

Splash Woman: Cool.

They were making really awesome blue spaghetti.

Later we tried their meal they made.

Me: Boy this looks awesome guys.

Manaphy: Thanks.

I went and tried some.

Me: (Slurps) Mmm!

Nico: (Slurps) Delicious. Romulan Ale Spaghetti is great.

May: (Slurps) At least the alcohol is gone.

Nico: Yep.

Blu: Matau, I'll never regret meeting you.

Matau: Me neither Blu. That was so fun.

Me: Boy it sure was. I loved going to Brazil.

Rhonda Romulus: Boy Romulan Ale Spaghetti. I had no idea that was even a thing.

Nico: It sure tastes great.

Pipp Petals: Oh my glitter it sure tastes great.

AncientMermaimon: This is actually pretty good.

Fluttershy: It sure is really good.

We were eating it.

Me: Mmm!

Eli: Boy it's so good.

Manaphy: We're so happy you guys liked it. Rhonda has been giving us all kinds of great recipe ideas and we thought it would be cool to try them.

Rhonda Romulus: Glad I could help out.

Blu: I had fun helping you fight those Anothers.

Matau: You sure did. That was so awesome.

Me: Yep. And that lawsuit idea you came up with really helped us out big time. We are grateful to you for that.

Blu: Aww it was nothing.

Me: (LAUGHS) And the freakouts from Deadpool were just as funny as the Mascots version.

We laughed!

Poromon: (LAUGHS) Wade can do the freakouts with us too.

Deadpool: Thanks guys. (To the viewers) Hear that folks? I'm going to do the freakouts too!

Jamesdean5842: Oh boy!

Exhaust: You guys have outdone yourselves!

Poromon: Thanks. It's awesome.

The previous group came.

Lord Drakkon: Boy that smells great.

Carly Atlas: Can we have some too?

Me: Sure. The mascots made more than enough for everyone.

Misty Tredwell: Oh boy.

They joined us.

We had an awesome lunch.

Devack: Wow. Romulan Ale Spaghetti is awesome.

May: It sure is.

Blu: I'm just sorry that it took you so long to get Ambaddasor missions.

Matau: Ah don't worry about it. Besides we had a great time with that.

Me: Yeah it was fun. And we learned about so many awesome animals of the Amazon.

Fluttershy: We sure did.

Lana: I'll say.

Trailbreaker: You 4 should make food more often.

Manaphy: I agree there.

Poromon: It's awesome cooking.

Varie: Cooking is fun.

Laney: It sure is.

Katie Klingon: Klingon Bloodwine would be perfect for cooking for you guys.

Poromon: We'll cook with that next time.

Me: Awesome.

Blu: And we fought Nigel as well.

Matau: We sure did.

Me: That was one demented Cockatiel bird.

Qin: He sure was.

Ophelia Simpson: But he is cool to talk to and is a great archenemy.

Nico: He sure is.

Me: Yeah.

Golden Queen: I do decree that this is delicious!

Misty Tredwell: It sure is.

Lola: I'll say.

We finished and man we were stuffed.

Me: Ahh. So tasty. (BURPS) Oh pardon me.

Camie: Delicious.

Poromon: We're so glad you loved it.

Me: Yeah that was great.

Nico: You should be proud of yourselves.

Devack: I agree.

Poromon: Oh we are.

Laney: That was awesome.

Fluttershy: It was delicious.

Maria: Nice job, Horsea. (kisses her on the forehead)

Horsea: Aww no problem.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than The Smokers from the

1995 movie Waterworld, and they're already causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than The Smokers from the 1995 movie Waterworld, and they're already causing havoc.

I gasped.

Me: Oh man, I saw the movie Waterworld, and it was one awesome movie. It was in a world where the ocean covers 99.3% of the entire planet.

Nico: WHOA!

Maria: That's literally a planet for all water wielders, but not much so for others. Which means we've got to go help Helen and Enola, and deal with The Smokers and The Deacon.

Me: Yeah. And help the Mariner too. This will be fun.

Lincoln: The ocean is going to run red with the blood of The Smokers and The Deacon.

Camie: Who is the Deacon and the Smokers?

Me: Pirates that terrorize the oceans.

I went over their history.

The Deacon is the main antagonist of the 1995 post apocalyptic sci-fi action movie Waterworld.

He was portrayed by the late Dennis Hopper, who also played Peter

Vollmer in The Twilight Zone, Tom Ripley in The American Friend, Frank Booth in Blue Velvet, President Koopa in Super Mario Bros., Howard Payne in Speed, Victor Drazen in 24, and George Struggs in Deadly Creatures.

Biography

The captain of the tanker and also the leader of the Smokers is looked up to as a messianic figure, as he has promised to lead the Smokers to the mythical Dryland, and in line with this quasi-religious nature, he is referred to as "Deacon". The Deacon, or "Deac", has an intense hatred of sails, instead preferring the mechanical machines, and believes that his aim to raid atolls is a "crusade". He teaches his men a philosophy of "take and ye shall receive". The Smokers also worship a former historical captain of the tanker, "Saint Joe".

The Deacon's inner circle is well organized and includes a man with medical knowledge, and a man who follows the Deacon around with a ledger and a bowler hat who records for posterity everything that happens and who also informs the Deacon of various statistics he needs to know. The Deacon's second-in-command is a large and imposing man of Scandinavian descent, referred to as "the Nord", who is reminiscent of a Viking. The Nord likes to be in the thick of the action and delights in murder, leading the raids on atolls and also posing as a spy for reconnaissance. Smokers refer to each other as "cousins".

The primary goal of the Smokers in the film is to find an orphan girl named Enola, who as myth states came from the legendary Dryland, and has directions to it on a tattoo placed on her back. What the Deacon plans to do with Dryland is unclear though. In the extended cut, the Deacon claims he wishes to create a "church of eternal growth" for the Smokers.

As the captain of a derelict oil tanker, the Exxon Valdez, and the leader of the Smokers. He wants the map to Dryland and has a number of skirmishes with the Mariner while trying to get Enola. After Helen's actions during a battle with the Smokers results in significant damage to the Mariner's boat, he angrily cuts their hair very short. After this incident, however, the Mariner gradually warms up to them, and teaches Enola to swim.

Helen, convinced that Dryland exists, demands to know where the Mariner finds his dirt. The Mariner, able to breathe underwater, puts her in a diving bell, and swims down to the ruins of Philadelphia. While they are underwater, the Deacon and his Smokers board the boat. The Mariner and Helen escape as the Deacon burns it and captures Enola. Since Helen cannot breathe underwater, the Mariner breathes for the both of them, resulting in an underwater kiss of life. They resurface and board the wreckage of the Mariner's trimaran, where they are later rescued by Gregor. He takes them to a new makeshift atoll where the survivors of the first atoll attack have regrouped.

Using a jet ski, the Mariners chases down the Exxon Valdez and boards it. There, the Deacon is having a celebration, tossing gifts of cigarettes and Smeat to the crew, proclaiming they have found the map to Dryland. After they have all gone below decks to row, the Mariner walks out onto the deck and threatens to drop a flare into the oil reserves unless the Deacon releases Enola. The Deacon, believing that the Mariner is bluffing, refuses. The Mariner drops the flare into the vent leading to the oil reserves.

The ship explodes, and the Mariner escapes with Enola by climbing a rope up to Gregor's balloon. The Deacon, still alive, makes a grab for Enola, but Helen throws a metal object which strikes him in the forehead, causing him to fall into the water. He then pulls out his pistol and shoots at the balloon, hitting one of the lines, causing Enola to fall into the sea. The Deacon and two other Smokers, all on jet skis, converge on Enola. The Mariner ties a rope around his ankle and jumps down to grab Enola, pulling her out of the water just as the jet skis collide and explode.

---

When I was don everyone was shocked and horrified.

Nico: Yeah we did a couple of rescues with them. They were fun.

Me: Yep.

Poliwag: How bad was it?

Me: Terrible! The ocean covered over 99% of the entire planet. Well you'll all have to see for yourselves.

Lord Drakkon: I agree there.

Nico: Yeah.

Greiger: Can me, Lord Drakkon, The other Dark Signers, Myotismon and Electro go with you guys?

Nico: Yes you all can come with.

Varie: This is gonna be my element.

Lola: Awesome.

Long Haul: Boss, which Gene Slammer do you think you'll meet next?

Nico: Splash Woman next.

Me: Whoa! Too bad we couldn't do her for the main adventure for this one. That would be awesome.

Nico: (LAUGHS) It sure would have been.

Me: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Universe 666 Killer B who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God! You psychopathic, little… !

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figure is none other than Universe 666 Killer B who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge.

Me: So, we're going down the line from 9 to 1, eh?

Nico: Looks like it.

Gina Gyuki: Which means, I'm up next.

Lincoln: Yep, and always, we're taking the fight to Glaren.

Me: Yeah, they may not be as strong as the Jinchuriki we know, but they're still as tough.

Nico: And it was all the fault of that lunatic, that guy is such a Class S psychopath. Alright, gang, let's go, we're off the world of Waterworld to destroy The Smokers.

Lincoln: The Smokers have caused far too much trouble for the last time, we'll see to it that they die here and now, and once we get done with them, you're next, Universe 666 Killer B.

Gina Gyuki: I can't believe he set this whole contingency plan up early and once we killed him, that triggered it as a final "fuck you" to all of us. He really pissed us off big time! Well, then, we'll play his final twisted game and destroy every last one of the Universe 666 Jinchuriki. I already know of how strong Killer B and Gyuki are, but wait until they face us, Lincoln, we'll make them regret ever being resurrected.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the world of Waterworld to destroy The Smokers, and once we got done with them, Gina Gyuki and Lincoln are going to destroy Universe 666 Killer B.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 10,013.6: The U.S.S. Valorous Phoenix is en route to a planet Earth that was completely descimated by a massive apocalypse that turned it into a waterworld and 99% of the Earth iis covered in ocean. Our mission there is to deal with the Smokers there and help the people there get a new home.

Me: Boy this will be awesome guys. You're going to be shocked seeing this world.

Lord Drakkon: I hope it's not too late.

Me: I hope so too.

Lisa Loud: We have arrived at our destination.

Nico: Oh screen.

We saw that we were at a planet Earth that was COMPLETELY BLUE!

WE GASPED!

Nico: Whoa! From up here the planet looks like a blue ball.

Gwen T.: Wow look at this. The planet is 99.3% Covered in water and the only trace of land is the Himalayan Mountains. They are the only things that stick up out of the water.

Laney: How did this happen?

Gwen T.: It says that because of Global Warming, the Polar Ice Caps melted and caused the oceans to rise 24,900 feet and flood and cover most of the entire planet.

We gasped!

Blaster Tron: Scanning for any signs of life.

Blaster Tron did so.

Blaster Tron: Signs of life found. Most of the human population lives on tiny manmade islands called Atolls.

Nico: Oh man.

We got to landing and then we landed in the endless ocean.

We got on top of the ship and like a boat we were on the endless ocean. We saw that the ocean was endless. It went on forever.

Me: Wow!

Qin: The ocean just literally goes on forever.

Nico: Incredible! It's like we're a floating ark.

Camie: This is amazing.

Xenia: I know.

Nico: Steady as she goes Jared.

Jared: Aye aye sir.

We were moving.

We saw the oceans and they REALLY went on forever. Not a single speck of land in sight.

Carly Atlas: It's worse then we thought.

Jack Atlas: It sure is.

Me: Amazing.

Nico: What year does this world take place in?

Me: It takes place in the year 2500.

Laney: Wow! 477 years into the future.

Lana: Amazing.

We were looking around.

Varie: This is awful. I can't believe this happened because of Global Warming.

Strike Man: Keep an eye out for any tidal waves.

Me: Good idea. On an ocean planet like this they will be taller and bigger than ever.

Nico: Yep.

Me: Look there!

We saw the balloon of Helen!

Helen: Hey guys!

Me: Helen! Enola! Mariner! Gregor!

Enola: Yeah! Thank goodness!

Nico: Bring that balloon aboard!

Me: We'll bring you guys aboard!

We brought them aboard.

Enola came and hugged me.

Me: Thank goodness you're okay.

Enola: Same here.

Mariner: How have you all been?

Me: Well we've had a lot of things happen to us.

Misty Tredwell: Things here are as bad as ever, aren't they?

Enola: They sure are.

Mariner: Yeah the Smokers are back.

Me: Well they won't be back for long.

Helen: You're going to kill them like you did before?

Me: Yep.

Helen: Wow. J.D. you have come a long way. You got so tall.

Me: I've evolved in not just appearance but power as well.

Nico: We all have.

Enola: Awesome.

Princess Luna: You need a better home.

Helen: I agree. We can't live like this anymore.

Qin: This planet really went to hell.

Enola: The smokers are after this.

She showed us a tattoo on her back.

Me: It's a map.

I looked at it. And in seconds I deciphered it.

Me: It's coordinates. Latitude = 27° 59' N and Longitude = 86° 56' E. That's Mount Everest.

Nico: Yeah.

Me: We saw it from space. It's the only landmass that sticks out of the water.

Laney: Yeah.

Myotismon: First, we have to rescue any other civilians.

Nico: Agreed.

Me: You guys all need a much better home than this. We'll gladly give you all refuge on our Earth.

Helen: Thank you guys.

Nico: You're welcome.

We got to searching.

Threatpack: Hey! Any civilians out there! We're right here!

We then saw a bunch of Atolls.

Me: There's some there.

We brought them over and they felt safe.

We brought many of them onto the ship and told them about how we're going to give them a home on our Earth away from all that water.

Electro: You'll be safe here.

Woman: Thank you so much.

Me: You're welcome.

Eli: I sense the Smokers ahead.

Nico: Aylene, have everyone we gathered put into the ship for safety.

Me: I have an awesome idea for an entrance.

Nico: Lay it on me.

I whispered my entrance. I'm going to drop a road flare into the oil of their ship and ignite it and blow the ship up and then we do our entrance from the flames.

Blast Off: I'll fly alongside you guys.

Nico: Okay. Proceed J.D.

Me: Okay.

I teleported to the ship of the Smokers. It was the Exxon Valdez, the ship responsible for the 1989 Exxon Valdez Oil Spill in Prince William Sound.

I was facing the Smokers and their leader, DEACON!

Me: Long time no see Deacon.

Deacon: You've grown a lot J.D. I see you've come a long way.

Me: So I've noticed.

Deacon: I heard you aren't the leader of the team anymore.

Me: That's old news. I'm now second in command.

Deacon: Indeed.

Me: And my team has grown exponentially.

Deacon: I'll believe that when I see it.

Me: All right then.

I pulled out a road flare.

Me: Recognize one of these?

I went over to a well on the ship.

Me: I drop it, you burn.

Deacon: You're going to do this all for these people here?

Me: I never abandon people in need.

I ignited the flare.

Man: HE'S BLUFFING!

Deacon: Wait wait wait wait wait wait wait. I don't think you're going to drop that flare my friend.

Me: Why wouldn't I?

Deacon: Because you're not crazy. You're reckless.

Me: (Smirks) Hm. I've been called many things and those are just 2 of them.

I dropped the flare.

Deacon: NO!

It ignited the oil and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The ship exploded in a massive fiery explosion and the fire from the explsoion swirled around and formed a phoenix and then the spirits of water appeared and merged with the explosion and a phoenix cry was heard and we came out of the explosion!

Nico: SURPRISE!

The ship rose out of the water because it was being pushed up and was on top of our ship!

Rex Goodwin: Whatever you're looking for, You're not getting it!

Deacon: DON'T JUST STAND THERE KILL SOMETHING!

I went at the Deacon and he went at me and I punched him down!

Me: You want the map, you got to go through me!

POW! BIFF!

I kicked him and smashed him into the wall.

Nico: Awesome entrance J.D.!

KRABBBBBBBOOOOOOOOMMMM!
KRABBBBBOOOOOOOOOOMMMMM!
KRABBBBBBBOOOOOOOOOOOOMMM!

More explosions turned the whole ship into an inferno.

Kalin: Don't let them get to Mount Everest!

Me: Good thing we're thousands of miles away from it!

I punched Deacon more.

Sakura Knudson grabbed a smoker and snapped his neck and slashed ones head off and fired waves of flowers and blasted numerous Smokers with flower petals that exploded on contact and blew them apart!

Sakura Knudson: That will teach you never to mess with the God Sibling of Nature!

She fired waves of flowers and blasted them all over.

Wendy Koopa: My turn!

Wendy fired waves of energy rings and blasted the Smokers.

More explosions were blasting off all over.

Qin fired waves of energy and blasted the Smokers all over.

Me: YEAH!

We got rid of all the Smokers and all that was left of them was The Deacon.

Devack: Should we heading to Mount Everest now?

Deacon: You're not getting there before me!

Me: We'll see about that!

I punched him and knocked him into the endless ocean.

Nico: This guy is really starting to piss us off.

Me: It'll take a long time to get to Mount Everest.

He got up on the ship.

Me: According to my scanners we're over what used to be Los Angeles.

Nico: Oh man.

Dusk: Fair point, actually!

He roared and went at me and I kicked him and knocked him down.

He went at me and I punched him more and Nico and Eli kicked him in the face and punched him down.

Deacon: YOU WILL NEVER GET TO DRY LAND!

Me: We got a much better home for everyone here. OUR EARTH!

Roman Goodwin: Away from here!

Me: Because living on a planet like this is an endless nightmare!

I fired waves of energy and blasted him all over!

Poliwag ran up to him and slapped him with his tail all over.

Nico: YEAH!

But then Enola came.

Me: Enola!?

Enola: I've had enough of this monster!

Her eyes glowed bright neon blue green. Suddenly, Enola was surrounded by a massive vortex of blue and emerald green energy with mermaids, leaves, grass, flowers, and winds surrounding the vortex, there are mermaids, fairies, angels, and the animals of nature flying around the vortex, and in the vortex is a phoenix with red eyes gazing at the Deacon the red eyes of death! We were amazed by Gina Gyuki's Super Angel-Eight Tails Avatar-Ushi-Oni-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Universe 666 Killer B saw it, he fell into a rage and we saw his eyes change into that of the beast inside him and his nails grew into claws and he ran at her to kill her, but Gina Gyuki fired a massive barrage of pink energy, stars, lightning, ink, octopi, bulls, phoenixes, and angels which hit Universe 666 Killer B and sent him flying into a rock formation, he got back up, but boy was he pissed off majorly.

Me: HOLY SHIT!

Nico: That really is incredible! But, man, she really put the hurt on him!

Naruto: It's not over yet, Nico. In fact, the show's about to begin.

Gina Gyuki: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Electric Inkstorm Tailed Beast Eight Tails Ushi-Oni Phoenix Angel and Divine Cosmic Eternal Electric Inkstorm Tailed Beast Eight Tails Ushi-Oni Phoenix Angel Love) But, it'll end all the same, Naruto. Shall we, Lincoln?

Lincoln: Let's do it, Gina.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well, and he joined Gina Gyuki.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I don't know what that lunatic was thinking with that damn contingency plan, but all the same, we're sending you right back to Hell where you belong!

Lincoln and Gina Gyuki went after Universe 666 Killer B, and they fired extremely powerful blasts of rainbow energy, pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow

Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Killer B, and they exploded with incredible power as they hit him.

Then, we attacked him with energy slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Gina also left many more by firing pink energy slashes with her claws, and he and Gina attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Universe 666 Killer B even more insane with rage than ever.

Universe 666 Killer B: YOU! YOU! (ENRAGED SCREAM)

Universe 666 Killer B went at them now completely blind with insane rage and fury, but Lincoln and Kenzie kicked him hard in the stomach and Lincoln fired blasts of lightning and ink at him and he got hit hard and was burned and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Universe 666 Killer B even farther into the edges of rage and madness.

Suddenly, Universe 666 Killer B started transforming as all eight tails manifested and he transformed into his Tailed Beast. But, before he could attack, Lincoln swung his massive greatsword and fired Tailed Beast Bombs that hit and made the beast dizzy and disoriented and that caused the beast to transform back into Universe 666 Killer B who was literally on his last legs.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal

Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you've finally transformed and let the beast out. Too bad for you, I know how to take you down. SEALING JUTSU: NINE PHANTOM DRAGONS!

Lincoln fired nine blue dragons and they surrounded Universe 666 Killer B, and then, Lincoln began forcibly absorbing all of Universe 666 Killer B's Tailed Beast Chakra as streams of red Chakra were being painfully removed from Universe 666 Killer B and absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

Then, as soon as Lincoln was done absorbing all the Tailed Beast Chakra, the nine dragons disappear and Universe 666 Killer B was dead. Then, Lincoln absorbed his body by stabbing him with his one of his eleven massive and long white tails' tip turned into Cell's stinger and the stinger changed back and he sent Universe 666 Killer B's soul to The Black Gates. We all cheered wildly for what Gina Gyuki and Lincoln did as they holstered their massive greatswords and powered down and Gina Gyuki's new body, clothes, weapons, jewelry, Third Eye, eight massive and longer octopus tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive pink angel wings are permanent.

Gina Gyuki: See you never, you monster. Thanks for helping me get rid of Universe 666 Killer B for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Gina.

Suddenly, Gina Gyuki wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Gina Gyuki's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Gyuki the Eight-Tailed Ushi-Oni flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and lightning raging behind them and we cheered wildly. Then, Lincoln and Gina Gyuki sucked in and absorbed the elemental forces and lightning and they came back to us as the display vanished.

Then, we found ourselves back on Earth thanks to Lincoln.

Nico: Oh man, that was seriously an epic battle!

Me: You said it.

Universe 666 Me: But, Lincoln and Gina did it, they defeated my former comrade and Lincoln killed him using The Nine Phantom Dragons and he absorbed the Tailed Beast Chakra of my Earth's Gyuki, and without it, he died painfully.

Lincoln: But, we can't underestimate the rest of them at all, and there's also no telling what else that crazy lunatic has done in their resurrection.

Eli: Obviously, not good. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: Oh boy, I've got an awesome one, and there's a link to the monsters we'd faced along with The Goosebumps Monsters: her name is Autumn Midnight, Leader of The Midnight Society.

Selene Emperyous: (GASPS) The leader of the new generation of The Midnight Society?! Oh, that's so awesome, and you guys are going to love meeting her, Autumn Midnight is Lincoln's Guardian

Angel from Michigan and she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's the leader of a new generation of The Midnight Society, and every night, she and her group meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire.

Michelle Emperyous: Autumn also did research into The Midnight Society and found out that it started over eighty-six years ago back in 1937 with the first founding members of The Midnight Society, and the traditions that started with them had been meticulously followed through five generations of Midnight Society members. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the new leader of a new generation of The Midnight Society, and she hates Lori with a blazing passion. One night, as she and the rest of The Midnight Society were in the back preparing for their night of scary stories at the campfire, Lori tried to attack them, but Autumn used her dark powers and made Lori's nightmares come to life, and she got so scared, she ran back inside the house and into her room and refused to come out for the rest of the night.

Nico: Oh man, so that means…?!

Me: Those monsters we've been facing are the…?!

Lincoln: Are the monsters from the stories of The Midnight Society from years past. One day soon, we have to set up a meeting between us and the previous generations of The Midnight Society.

Nico: When they hear of this, they're bound to be in for some serious fright.

Carmen Dillo: Are all the civilians here?

Octagon: I counted. They are.

Leap Frog: That's good.

Me: Okay.

Gramma Stuffum: Should we still visit Mount Everest?

Metal Sonic: If not, I don't mind.

Me: Lets just head home. I don't want the people to stay here for another minute.

Nico: I agree. Great job today everyone.

Twilight Sparkle: (To the viewers) Even apocalyptic world survivors deserve a chance at home and a new life.

Nico: Yep.

We went back home and got everyone settled in and we got them all some well deserved food and homes and then we enjoyed the rest of the day and went to sleep.

Another awesome chapter done.

Waterworld from 1995 is one of my favorite movies and it was really awesome. Kevin Costner and Dennis Hopper did a great job back then but it was really scary to see a planet Earth like that covered in ocean and almost all of it is completely covered in ocean.

Me: I have a feeling this food planet will be fun.

Laney: It sure will.

Lola: I'm excited for this.

Nico: Same here. This will be fun and cool.

T.J.: You got that right.

Qin: Yeah!

Nico: TJ, I want to thank you, Key, and your teams for coming.

T.J.: No problem Nico. This will be fun and cool.

Xenia: It sure will.

Supernova Zap: I'm really excited for this.

Lana: I'll say!

Nico: Supernova, remember when you caused trouble for Sunset and Pinkie?

Supernova Zap: I sure do. I was using the Time Twirler to make a loop to make my song singing perfect.

Me: What is the Time Twirler?

Supernova Zap: It's like the Timeturner from Harry Potter. I was using it to make a loop.

Me: Whoa so it has the power to bend the Space Time Continuum. That is very dangerous!

Camie: Yeah no kidding.

Lola: Yeah!

Me: But I never even knew that artifact existed.

Supernova Zap: Yeah but I am glad I learned my lesson for that from Sunset and Pinkie.

Me: No kidding.

Nico: I'm glad you did too.

Maria: Like that movie Groundhog Day.

Me: Very much like it. I remember that one.

Xenia: That was a crazy movie.

Nico: It sure was. But that was cool.

Laney: Yeah. Professor Paradox would have a field day if he found out someone messed with time like that.

Nico: He sure would.

Lily: No kidding.

Nico: Yeah.

Me: Whew! Man yesterday was epic!

Xenia: Boy it sure was.

Nico: That was terrible seeing a world where everything was underwater like that and J.D. you were not kidding when you said that the oceans went on forever.

Me: No doubt. But yeah that was a fun adventure.

Maria: Define fun in that world.

Me: Well we blasted the Smokers into kingdom-come and also we saved all the people there and gave them a new home.

Maria: That fits. But it was awful seeing that world and how it became like that.

Nico: It was.

Eli: I can't believe that happened to it.

Starlight Glimmer: Yeah that was crazy.

Nico: All because of global warming that went out of control.

Me: It melted the polar ice caps and flooded the entire planet.

Xenia; Yeah that was awful.

Varie: It sure was.

Lola: Yeah that was a catastrophe.

Nico: How are Enola and Helen and Mariner loving Earth?

Me: They love it. Much better than what they had to endure.

Nico: And Mariner must be happy.

Me: Yep. He lives on an island in Lake Huron.

Nico: We didn't even get to visit Mount Everest.

Me: It was probably for the best because it was best we get everyone on that world a new home away from an endless ocean.

Laney: Yeah.

Nico: You're right.

Varie: But it was still good we helped all those people.

Carol: Boy no kidding.

Nico: We're here.

We arrived at the planet and it looked like a mountain and desert planet from space.

Nico: Looks like a mountain desert world from up here.

Lola: Lets check it out.

We went down to the planet and we saw that it was really a PLANET MADE OF RAVIOLI PASTA!

Me: WOW! A Ravioli Planet!

Laney: Oh boy!

We dug in and got to eating.

Me: (Eating) Mmm! Oh wow! Four cheese and three meat ravioli! And the sauce is tasty!

Nico ate some.

Nico: (Eating) MMM! Delicious!

Qin: Yummy!

We were eating all over. And some of us even had spaghetti sauce all over our faces.

Me: Mmm! Boy this is awesome.

Lincoln: (Eating) I'll say!

Varie: Boy no kidding.

May ate some.

May: (Eating) Mmm! Delicious!

Sunset Shimmer: (Eating) Mmm! Boy this is amazing!

Lola: Yeah it is!

Qin: Yeah it sure is awesome!

We were eating a lot. And man was it awesome and tasty.

Maria ate some.

Maria: (Eating) Mmm! Delicious and flavorful.

Nico: You got that right.

Qin: Boy this planet is amazing. And the sauce here is awesome too.

Laney: It sure is.

Lana: Yeah!

We had a good meal.

Nico: Let's get some of this to the mascots.

Me: Good idea. They will be with us shortly.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one Vypra isn't going to like in the slightest nor us: I got word that a clone of Queen Bansheera is here on the ravioli planet.

We gasped.

Me and Nico: WHAT?!

Luan: But, how?!

Lincoln: And the bad news is: she was created by the residual darkness of Universe 666 Sebastian.

We were horrified to hear it. Suddenly, the rest of the team arrived along with the rest of The Masters of Evil.

Luan: I can't believe it, even after we destroyed him two days ago.

Vypra: First, he had that contingency plan that resurrected the Universe 666 Jinchuriki, now we find out his residual darkness is running loose! He just never quits, does he?!

Carter Grayson: Well, just like what happened yesterday, we got to draw out that manifestation of his residual darkness.

Lincoln: That won't be easy, Carter. His residual darkness has also created clones of Prince Olympius, Diabolico, Loki, Vypra, Jinxer, Ghouligan, Magmavore, Quakemon, Whirlin, Fireor, Gold Beaked Monster, Elestomp, Striking, Cyborg Rangers, Smogger, Trifire, Liztwin, Demonite, Thunderon, Falkar, Troika, Cobra Incarnate, Thunderclaw, Shockatron, Spellbinder, Moleman, Cyclopter, Mantevil, Vilevine, Freezard, Infinitor, Birdbane, Memorase, The Gatekeeper, Furnace Monster, Ghoular, Flowar, Mermatron, Fire Wasp, Aquafiend, Arachnor, and Treevil, and he went into hiding.

Eli: Why, that little… !

Luan: So, the only way to finally draw him out and destroy him is kill the clone of Queen Bansheera and the clones of Prince Olympius, Diabolico, Loki, Vypra, Jinxer, Ghouligan, Magmavore, Quakemon, Whirlin, Fireor, Gold Beaked Monster, Elestomp, Striking, Cyborg Rangers, Smogger, Trifire, Liztwin, Demonite, Thunderon, Falkar, Troika, Cobra Incarnate, Thunderclaw, Shockatron, Spellbinder, Moleman, Cyclopter, Mantevil, Vilevine, Freezard, Infinitor, Birdbane, Memorase, The Gatekeeper, Furnace Monster, Ghoular, Flowar, Mermatron, Fire Wasp, Aquafiend, Arachnor, and Treevil.

Me: Wow! All monsters I remember and know all too well.

Poromon: Yep. Wow! A Planet made of ravioli! This is amazing!

Nico: It sure is! Enough for all of you.

Poromon dug in.

Poromon: (Eating) Delicious!

Qin: It sure is.

Nico: Yep.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower

body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for the clones of Queen Bansheera, Prince Olympius, Diabolico, Loki, Vypra, Jinxer, Ghouligan, Magmavore, Quakemon, Whirlin, Fireor, Gold Beaked Monster, Elestomp, Striking, Cyborg Rangers, Smogger, Trifire, Liztwin, Demonite, Thunderon, Falkar, Troika, Cobra Incarnate, Thunderclaw, Shockatron, Spellbinder, Moleman, Cyclopter, Mantevil, Vilevine, Freezard, Infinitor, Birdbane, Memorase, The Gatekeeper, Furnace Monster, Ghoular, Flowar, Mermatron, Fire Wasp, Aquafiend, Arachnor, and Treevil) AHA! Gotcha! I just spotted the clones of Queen Bansheera, Prince Olympius, Diabolico, Loki, Vypra, Jinxer, Ghouligan, Magmavore, Quakemon, Whirlin, Fireor, Gold Beaked Monster, Elestomp, Striking, Cyborg Rangers, Smogger, Trifire, Liztwin, Demonite, Thunderon, Falkar, Troika, Cobra Incarnate, Thunderclaw, Shockatron, Spellbinder, Moleman, Cyclopter, Mantevil, Vilevine, Freezard, Infinitor, Birdbane, Memorase, The Gatekeeper, Furnace Monster, Ghoular, Flowar, Mermatron, Fire Wasp, Aquafiend, Arachnor, and Treevil, they're 20 yards away.

Nico: Let's get them and tear them to shreds.

Lincoln: Got it. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on the clones of Queen Bansheera and the demons.

We were flying and we saw the clones of Queen Bansheera, Prince Olympius, Diabolico, Loki, Vypra, Jinxer, Ghouligan, Magmavore, Quakemon, Whirlin, Fireor, Gold Beaked Monster, Elestomp, Striking, Cyborg Rangers, Smogger, Trifire, Liztwin, Demonite, Thunderon, Falkar, Troika, Cobra Incarnate, Thunderclaw, Shockatron, Spellbinder, Moleman, Cyclopter, Mantevil, Vilevine, Freezard, Infinitor, Birdbane, Memorase, The Gatekeeper, Furnace Monster, Ghoular, Flowar, Mermatron, Fire Wasp, Aquafiend, Arachnor, and Treevil.

Lincoln: There they are. (Sees a black shadow pool) And I just saw a shadow pool: that's where the manifestation of the residual darkness of Universe 666 Sebastian is hiding.

Nico: And just like you said, that's where the manifestation of the residual darkness of Universe 666 Sebastian is hiding, and the only way to draw him out is to kill the clones of Queen Bansheera and the demons.

Lincoln: Yep.

Dark turned into Mega Large.

Mega Large: I'm ready for this!

We fired energy blasts at the clones of Queen Bansheera and the demons and they got hit, and then we landed in front of them.

Vypra: Even if you're just a clone created by that lunatic's residual darkness, there's no mistaking the smug arrogant air that surrounded you.

Me: Hope you're ready to die once again, Bansheera.

Queen Bansheera Clone: YOU ARROGANT MORTALS! KILL THEM AND BRING ME THEIR HEADS!

The clones of Prince Olympius, Diabolico, Loki, Vypra, Jinxer, Ghouligan, Magmavore, Quakemon, Whirlin, Fireor, Gold Beaked Monster, Elestomp, Striking, Cyborg Rangers, Smogger, Trifire, Liztwin, Demonite, Thunderon, Falkar, Troika, Cobra Incarnate, Thunderclaw, Shockatron, Spellbinder, Moleman, Cyclopter, Mantevil, Vilevine, Freezard, Infinitor, Birdbane, Memorase, The Gatekeeper, Furnace Monster, Ghoular, Flowar, Mermatron, Fire Wasp, Aquafiend, Arachnor, and Treevil went at us, but we stood ready and we fired powerful energy blasts at them and knocked them all down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Prince Olympius, Diabolico, Loki, Vypra, Jinxer, Ghouligan, Magmavore, Quakemon, Whirlin, Fireor, Gold Beaked Monster, Elestomp, Striking, Cyborg Rangers, Smogger, Trifire, Liztwin, Demonite, Thunderon, Falkar, Troika, Cobra Incarnate, Thunderclaw, Shockatron, Spellbinder, Moleman, Cyclopter, Mantevil, Vilevine, Freezard, Infinitor, Birdbane, Memorase, The Gatekeeper, Furnace Monster, Ghoular, Flowar, Mermatron, Fire Wasp, Aquafiend, Arachnor, and Treevil and he began absorbing them into him as he assimilates all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of the demons, and all that's left is the clone of Queen Bansheera and she was beyond pissed off!

Vypra: Yeesh, just like what happened with the Another clones V'Ger summoned, Lincoln absorbed the clones of me, Olympius, Diabolico, Loki, Jinxer, Ghouligan, Magmavore, Quakemon, Whirlin, Fireor, Gold Beaked Monster, Elestomp, Striking, Cyborg Rangers, Smogger, Trifire, Liztwin, Demonite, Thunderon, Falkar, Troika, Cobra Incarnate, Thunderclaw, Shockatron, Spellbinder, Moleman, Cyclopter, Mantevil, Vilevine, Freezard, Infinitor, Birdbane, Memorase, The Gatekeeper, Furnace Monster, Ghoular, Flowar, Mermatron, Fire Wasp, Aquafiend, Arachnor, and Treevil and assimilated all their powers. Now, all that's left is you, Bansheera.

Me: I've been wanting to do this to you for a long time!

I went into my newest more powerful form! I was now in my SUPER ANGEL-EBONWU-JANUARY WOLF MOON-GOD-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA UNIVERSAL ELEMENTAL DIVINE COSMIC HARMONY JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL OF DIVINE COSMIC UNIVERSAL ELEMENTAL DIVINE COSMIC HARMONY JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL JUSTICE AND DIVINE COSMIC HARMONY UNIVERSAL ELEMENTAL DIVINE COSMIC HARMONY JANUARY WOLF MYTHOLOGICAL GOD PHOENIX ANGEL HOPE form!

Suddenly, Vypra's blue eyes turned neon blue and she was surrounded by a grey and black energy aura with stars, light, dark magic, black magic, darkness, snakes, demons, phoenixes, and angels, she unholstered her newly forged greatsword from her back and her thin sword as well, and as she approached the Bansheera clone, she left grey and black energy, stars, light, dark magic, black magic, darkness, snakes, demons, phoenixes, and angels with every step.

Vypra: Even though you're just a mere clone of Bansheera, you're still just as dangerous as ever, I'd thought that I was forever done with you for good, but as always, the residual darkness of that out-of-control deranged omnicidal monster enjoys finding ways to piss us off even more. But, all the same, at least, I get a chance to dish out some well-deserved payback on you once again! Time to die, Bansheera!

Suddenly, Vypra was surrounded by a massive vortex of grey and black energy with stars, light, dark magic, black magic, and darkness surrounding the vortex, there are snakes, demons, phoenixes, and angels flying around the vortex, and in the vortex is a purple phoenix with red eyes glaring at the clone of Queen Bansheera: the red eyes of eternal death.

Luan: WHOA! WHAT THE?!

Me: WHAT THE HECK!?

Nico: OH SHIT!

Lincoln: Whatever's about to happen, I can tell the Queen Bansheera clone and the manifestation of Universe 666 Sebastian's residual darkness are really in for Hell!

Just as Lincoln said, the manifestation of Universe 666 Sebastian's residual darkness felt it, but he'd still refused to come out as long as the Queen Bansheera clone is still standing, fat chance of that. Then, as the vortex faded, Vypra emerged, but she was changed forever and all Hell was about to break loose!

Vypra grew to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large black and grey orbs orbiting around her legs, she has the body of a goddess, she has grey highlights in the bangs of her chin-length black hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon black eyes and a black and grey energy aura with stars, light, dark magic, black magic, darkness, snakes, bats, dragons, demons, phoenixes, and angels surrounding her and immense protective rainbow aura with elements swirling around it, she has a bat, dragon, demon, and snake emblazoned on her forehead with Third Eye with purple iris, she has on bat earrings with purple gems for eyes and holding the Dark, Light, and Eternity Kanjis in its claws, she also has a dragon with purple gems for eyes and holding the Dark and Eternity Kanjis in the claws on the bottom of her grey snake-shaped Element of Harmony with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems embedded on the black crescent moons and she also has on her new white and gold-accented choker on her neck. Vypra has on her helmet resembling a viper or dragon with large demon-like horns protruding from the top, black colored crop top which exposed the middle area of her chest, light dark gray armor on both her shoulders and front chest, her stomach and navel is visible, silver colored bands on her forearms, as well as a pair of black colored fingerless gloves with gold braces around them that is covered in armor-like scales, while for her lower area, she wears black leggings covered in silver dragon-like scales on the outsides and the front of her waists with strap covered in spikes, demon-like belt around her waist, silver boots with yellow colored demon eyes on the top, and long sleeveless black trenchcoat with stars, light, dark magic, black magic, darkness, snakes, bats, dragons, demons, phoenixes, and angels on the coattails and on the back is a dragon, snake, bat, and demon surrounded by darkness. Suddenly, Vypra felt a sharp pain on her back, and then, her dragon-like wings with the outlines being colored silver and the wings being colored blue grew much bigger for her new body, Vypra has on her Ring of the Phoenix with large purple gem and heart-shaped gem embedded in it on her right ring finger and Black Lantern Corps ring on her left ring finger and Goths of Darkness ring on her left pinkie finger and Stone of Gelel embedded in her left hand. Suddenly, Vypra's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of black and grey energy, stars, light, dark magic, black magic, darkness, snakes, bats, dragons, demons, phoenixes, and angels, and when it emerged, it was transformed into Vypra's Demonic Twilight Darkness Masters of Evil Demon Bat Snake Dragon Phoenix Angel Greatsword of Demonic Twilight Darkness Masters of Evil Demon Bat Snake Dragon Phoenix Angel Death, it's a brand-new massive greatsword with embedded grey gems and bat, snake, dragon, and demon etched on the 7'8" massive, wide, double-edged midnight black blade, large midnight black dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with yellow gems embedded in the foreheads, longer midnight black handle, four large black dragon heads with yellow gems for eyes and in their mouths and large black dragon head with yellow gems for eyes and purple gem in its mouth below the large dragon heads for the pommel. There's a dark grey kanji with nine demonic eyes in between the kanji below the dragon, snake, bat, and demon that said, "Vypra, Leader of The Masters of

But, when the Queen Bansheera clone saw it, she went absolutely fucking mad with rage and fired energy beams at her to kill her, but Vypra fired a massive barrage of black and grey energy, stars, light, dark magic, black magic, darkness, snakes, bats, dragons, demons, phoenixes, and angels which hit the Queen Bansheera clone and sent her flying into a wall of ravioli. She got out, but this made her really mad now!

Luan: (Divine Echoing Godly Voice of The Harmonious United Friendship Celestial Comedic Solar Light Angel and Divine Harmonious United Friendship Celestial Comedic Solar Light Angel Love) But, now, we're going to put an end to your attempt at revenge on us, you deranged psycho!

Lincoln, Luan, Vypra, and I went after the Queen Bansheera clone who fired energy beams at us, but we deflected them all, and we fired extremely powerful blasts of rainbow energy, black and grey energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at the Queen Bansheera clone, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Luan, Vypra, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the Queen Bansheera clone even more insane and straight to the brink of insanity.

Queen Bansheera Clone: YOU! YOU! (ENRAGED SCREAM)

The Queen Bansheera Clone charged at us completely blind with rage and fury, but Vypra and Luan kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at her and she got hit hard and he slashed at her with his massive black greatsword.

Vypra: (Divine Echoing Godly Voice of The Demonic Cosmic Eternal Demon Darkness Twilight Justice Wyvern Demon Phoenix Angel and Divine Demonic Cosmic Eternal Demon Darkness Twilight Justice Wyvern Demon Phoenix Angel Death) This is for everything that you've put me through, you bitch!

Vypra summoned Batlings under her control and they proceeded to tear into the Queen Bansheera clone

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth,

Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's see what to use on you.

Lincoln fired purple fire from his mouth which hit the Queen Bansheera clone and she got burned so badly, then, he fired powerful fireballs which hit the Queen Bansheera clone, then, he fired spikes which stuck her bad and she also got struck by lightning, and he also used more of the attacks of the demons.

Eli: Whoa, Lincoln used the powers of Prince Olympius, Diabolico, Loki, Vypra, Jinxer, Ghouligan, Magmavore, Quakemon, Whirlin, Fireor, Gold Beaked Monster, Elestomp, Striking, Cyborg Rangers, Smogger, Trifire, Liztwin, Demonite, Thunderon, Falkar, Troika, Cobra Incarnate, Thunderclaw, Shockatron, Spellbinder, Moleman, Cyclopter, Mantevil, Vilevine, Freezard, Infinitor, Birdbane, Memorase, The Gatekeeper, Furnace Monster, Ghoular, Flowar, Mermatron, Fire Wasp, Aquafiend, Arachnor, and Treevil.

Nico: Dang, now that was just brutal.

Suddenly, Madama Butterfly and Madama Styx manifested and they went up to Lincoln and each of them gave him a passionate kiss, and then, we saw his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body which glowed purple, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he grew even stronger, and then, the two Infernal Demonesses vanished.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness,

Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) WHOA! What the heck, I don't know why, but I feel even more stronger than ever!

Qin: What the heck was that?!

Vypra: (Divine Echoing Godly Voice of The Demonic Cosmic Eternal Demon Darkness Twilight Justice Wyvern Demon Phoenix Angel and Divine Demonic Cosmic Eternal Demon Darkness Twilight Justice Wyvern Demon Phoenix Angel Death) No way, that was The Infernal Kiss of The Demoness, that's one ancient art I thought wouldn't be seen again. When an Infernal Demoness kisses the chosen mortal who has become the future husband of an Umbra Witch on the lips, that person winds up gaining an astronomically massive power boost and all of his powers are extremely enhanced and increased infinite-fold.

Then, Lincoln charged at the speed of light and he proceeded to smash down the Queen Bansheera clone with extremely excessive superhuman strength and speed, and he slashed at her with his massive gold greatsword in hand and angelic and demonic greatswords at his side, and then, he came back to us.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to end this for good.

Carter Greyson: Let's do it.

Carter and his team got out the Unilaser and aimed it at the Queen Bansheera clone.

Carter Greyson: Ready! Aim! FIRE!

Carter fired the Unilaser and we all fired massive energy beams which hit the Queen Bansheera clone and she was not only obliterated, but Lincoln and all of us assimilated her powers and she was sent to The Black Gates. We all cheered as we holstered our massive greatswords and powered down, and Vypra's new body, clothes, weapons, jewelry, Third Eye, large gold halo behind her head, and massive bat wings are permanent.

Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln. Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of them, and then, they exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Nico: And good riddance for good, you twisted monstrous freak!

Me: That'll take care of that freak, but I'm sure there's more of them out there.

Lincoln: And they've also created clones of the Power Rangers' old enemies, but we'll be ready for all of them.

Eddy fired his blaster.

Qin fired waves of energy and fire and ice.

Lincoln fired waves of lightning.

Eli fired waves of Force Lightning.

The blasts all hit the clone and blasted her all over.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's see what to use on you.

Nico: Yeah! That was awesome!

Dark kissed Vypra.

Nico: That was so fun and cool.

Qin: Yeah it was!

Niara Rainbow: Boy that was really cool!

Qin: Yeah it was amazing!

Nico: How did you meet Touma, Ikki, and Vice?

Niara Rainbow: I met Touma when he and the Saber Team were battling Storious and he was one seriously deranged monster.

Me: That is an understatement. He was Fucked up to the Nth Degree.

Qin: Yeah he sure was.

Me: You thought Crockerfucker was a seriously fucked up fruitcake, Storious was worse.

Nico: Yeah!

Niara Rainbow: Yep and I got this.

She showed her Wonder Ride Book and it was called THE RAINBOW OF THE WINGS OF AN ANGEL.

Nico: The Rainbow of The Wings of An Angel.

Me: Awesome title.

Niara Rainbow: Yep. And this too. The Sword of The Rainbow Light.

Me: Amazing!

Niara Rainbow: And I met Ikki and Vice and the Revice team when they were fighting one of Giff's minions.

Me: Which one?

Niara Rainbow: I think it was Julio.

Me: Wow.

Poliwag: Let's eat some more!

Nico: Poliwag you can't still be hungry?

Poliwag: I sure am.

Me: Geez what an appetite.

Nico: Yeah.

Poromon dug in too.

Poromon: Delicious.

Niara Rainbow: That is for sure. Boy a planet of ravioli. So awesome.

Varie: It sure is. Now for the fun part.

Nico: The Anothers.

Eli: Lets see who we got. (CONCENTRATES) WHOA! We got Another Pasta, Bad Ravioli, Lex Legume, Pi Xi of Panda Express, Wendy of Wendy's, Emperor Z and Key!

Me: WHOA!

Goku: Pasta? That name is familiar.

Me: That's right I remember you faced her long ago Master Goku.

Laney: And Lex Legume?

Vypra: A living peanut that shows what peanut allergies are like. Wendy is like Himiko and Pi Xi is the bad mascot of Panda Express. Also Bad Ravioli is a mafia boss.

Me: Wow!

Nico: Who's up?

Me: Phoebe Pancake, Undine Underground, Andrea Martin, Cassie Cardassia and Belinda Bajor.

Qin: Cool!

Lola: This is gonna be awesome.

Belinda Bajor: This will be fun and cool.

Andrea Martin: You got that right.

Phoebe Pancake: Yeah!

Cassie Cardassia: This will be fun.

Eli: I sense that the Anothers minus Key are all one person.

Me: Nice.

Nico: There they are!

We saw Another Pasta, Bad Ravioli, Lex Legume, Pi Xi of Panda Express, Wendy of Wendy's, and Emperor Z!

Nico: WHOA! This will be good.

Another Bad Ravioli: (In a girls voice) It sure will be.

Lincoln: Vivian Vidiia! Whoa!

They merged and she reverted back and it was a girl with black hair, purple eyes and had purple angel wings and had orange and purple clothes and had the symbol for the Vidiian Sodality on her forehead and on her skirt and had an awesome purple keyblade.

Vivian Vidiia: Awesome to see you again Lincoln and wow you got so big.

Lincoln: I know.

Nico: Care to introduce us Lincoln?

Lincoln: Sure this is Vivian Vidiia, Keyblade Knight of Vidiia Prime, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Vidiia Prime, and she has intense nature powers and she's a master of darkness. She is the Keyblade Knight of Vidiia Prime and leader of the people of The Vidiian Sodality and also the only person completely immune to the Vidiian Phage, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained him on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of darkness.

Me: Wow! The Keyblade Knight of Vidiia Prime. Boy that planet from what I remember went through hell because of a terrible disease that was ravaging the people.

Vivian Vidiia: That's right. The Vidiian Phage. That is a nasty disease.

Laney: Yeah.

Me: By the way is the Another Key friendly or hostile?

Vivian Vidiia: Friendly and she is a REALLY gross one. You aren't going to like it.

Me: Oh boy.

Nico: Sorry but we got to do this.

Lincoln: Lets separate you first.

He fired a wave of energy and separated her.

Vivian Vidiia: This will be fun

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

They both glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and elements and blasted the Anothers.

I caught the Wonder Ride Books.

Maria: Time for backup! (TURNS DIAL) BLACK SPIDER BUTTKICKERS!

She summoned Black Spider, Ghost of Elias Kingston, Hysteria (Marvel), Crimson Jazz, Mira (Team Aqua) and D.A.V.E.!

Me: Oh yeah!

Qin: This will be fun.

Nico: And now we wait.

But then we smelled a REALLY FOUL odor!

Me: (Sniffs) OH MAN!

SEAL BARK!

Nico: OH GOOD GOD! What the fuck is that smell!?

Me: Ed!?

Eddy: Geez Lumpy is that you!?

Ed: Not I Eddy!

Nico: I think it's from that!

We saw Another Key!

Me: Another Key! But this one smells horrible!

Qin: Yeah!

Key: Smells like she hasn't taken a bath ever.

Another Key: (In a girls voice) I can't help it. Comes with my powers.

Me: That voice!

She reverted back and was a girl with pink hair, pink eyes, red clothes and had red angel wings and she had a tiara with the symbol of the Chum Dopant on it and she had the same symbol on her skirt and she had a farting intestine sword!

LOUD FART!

Me: Cynthia Chum! Whoa!

Nico: WHEW! Man that stinks!

Cynthia Chum: I know.

Me: Cynthia is the Embodiment of the Chum Dopant and she not only smells horrible but also has farting intestine powers and makes her enemies hurl their guts out and she also is and awesome lockpicker with them.

Key: That is amazing. Just like me. I have lockpicking powers too.

Nico: Neat!

Plankton: Boy that is crazy that there's an embodiment for the Chum Dopant.

Cynthia Chum: I know. I hate it but the stench of chum is unbearable.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Cynthia Swartz: No he didn't.

Me: Let me guess, he was in a hurry to send you out because of your revolting stench and what not.

Cynthia Swartz: That's right.

Nico: Oh.

Sakura Knudson: That is potent.

Me: Yeah.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor!

Qin: YEAH!

Lincoln: Lets separate you first.

Lincoln fired a wave of light and did so.

Me: Awesome. Lets do it.

LOUD FART!

She fired a fart blast and smashed the Another and he was throwing up.

Nico: (gets out Key's Ridewatch) Let's lock him the fuck up!

May: (Gets out Key Monster's Ridewatch) And throw away the keys!

Maria: (Gets out Twisted Ariel's ridewatch) With supreme prejudice!

They activated the ridewatches for Key, Emperor Z, Key Monster, Lego Abomination, Twisted Ariel and Black Anvil and fired waves of darkness and energy and smashed the Another.

Supernova Zap: Taste the darkness! (ACTIVATES EMPEROR Z'S RIDEWATCH)

She fired waves of darkness and smashed the Another all over.

Then Kitty, Esdeath, Magmoor, Hizumina, TTG Kitten and Spike Rosered came.

Nico: Nice team Kitty!

Kitty: Hey thanks Nico!

?: Boy I'll say!

Splash Woman then came.

Me: Splash Woman! Awesome!

Splash Woman: I'm so ready for this guys.

Nico: Serena Splash!? Whoa!

She reverted back and was a girl with blue hair, blue eyes, blue angel wings and had a blue bikini on and she had the kanji for Splash in the middle of her forehead and she had a powerful trident in her hand.

Serena Splash: Awesome to see you again Nico. I got this.

She fired waves of water and smashed the Another and I caught the ridewatch and purified it.

Nico: OH YEAH!

May: I didn't get hit. Yay!

We laughed!

Serena Splash: Yeah I heard you had a lot of hits from my fellow robots.

May: I sure did.

Supernova Zap: What's your favorite memory of Nico?

Serena Splash: When me and Nico were at the waterpark and I turned the water into jello and bounced a bunch of bullies out.

Nico: That was funny.

Me: Nice.

Serena Splash: Yep.

Nico and Serena hugged.

Nico: I've missed you.

Serena Splash: Same here.

We later went back home.

Tasmanian Tiger, Liu Kang, Kitana, Sonnya Blade, Jax, Kung Lao, Sub-Zero, Nightwolf, Kotal Kahn, and Jade are heading to Sleepy Hollow, New York, and not only is Lincoln going to rescue the ten girls here, but we are in for one scary adventure: we got word that The Headless Horseman from the 1999 film, Sleepy Hollow, is causing havoc, so we're going to face him and send him straight back to Hell.

Lincoln: Whoa, we're here in Sleepy Hollow, New York, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we are in for one scary adventure: we got word that The Headless Horseman from the 1999 film, Sleepy Hollow, is causing havoc, so we're going to face him and send him straight back to Hell.

Me: Oh man, I remembered seeing that movie, and it was scary as Hell.

Nico: And the legend was just as scary along with his origin.

Me: Yep, The Horseman was a Hessian mercenary sent to the shores of America by German Princes to keep the Americans under the yolk of England, but unlike his compatriots who came for money, The Horseman came for the love of carnage, when battle was joined, there you'd find him. He rode a giant black steed named Daredevil, he was infamous for riding his horse hard into battle chopping off heads of his enemies, he filed his teeth down to sharp points to add to the ferocity of his appearance.

Qin: Yikes!

Me: But, this butcher didn't reach his end until the winter of 1779 not far from here in the Western Woods.

Scott Truman: What exactly happened to him after the soldiers caught up to him?

Lincoln: They chopped off his head with his own sword, and even to this day, The Western Woods is a haunted place where brave men would not venture, for what was planted in the ground that day was a seed of evil. So it has been for over two centuries, and many fear he'd come back from the dead and go on his rampage to find his head.

Eli: So, we're sending him right back to Hell, right?

Darren Devereaux: No, Eli. This monster needs to be sent to The Black Gates, and he was brought back through black magic: the black magic of Lady Mary Van Tassel, the aloof wife of Baltus Van Tassel and stepmother of Katrina Van Tassel, but is actually revealed to be a vengeful witch.

Darren Devereaux found a skull with teeth filed down to sharp points.

Darren Devereaux: She and her twin sister were members of the impoverished Archer family who were evicted years ago by Peter Van Garrett, as he favored Baltus and his family instead. She swore revenge against the Van Garrett bloodline and all who wronged her family. She pledged herself to Satan if he would raise the Horseman to avenge her by killing them, which would allow her to claim the Van Garrett and Van Tassel estates uncontested. She manipulated her way into the Van Tassel household and used fear, blackmail, and lust to manipulate the other elders into her plot. Now that she's eliminated all other heirs and witnesses, as well as her sister for aiding Ichabod, now she intends to kill Katrina, the last person remaining in the way of her plans. If she thinks she can get away with this, she's got another thing coming.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black short-sleeved frilly shirt, short-sleeved black blouse, necklace with red heart gem for the pendant, white cravat, black skirt with the Are You Afraid of The Dark Logo on it, white bridal gloves, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, dark magic, darkness, black magic, Satanic Magic, phoenixes, and angels on the coattails and on the back is the symbol of The Midnight Society, and holstered on her back is a massive black longsword, and with her are the the ten girls and Ichabod Crane, Katrina Van Tassel, and Masbeth.

Lincoln: (GASPS) Autumn Midnight, Leader of The Midnight Society.

Autumn Midnight: That's right, and I got the girls along with Ichabod Crane, Katrina Van Tassel, and Masbeth away from the Horseman.

Suddenly, we heard an unearthly winny and we saw The Headless Horseman heading here, along with the vengeful witch, Lady Mary Van Tassel, now revealed to be Mary Archer. Darren fired a blast of dark energy that knocked out that witch before she could go after Katrina.

Darren Devereaux: Horseman!

Darren Devereaux tossed The Horseman his skull, and once he put it on his body, it suddenly broke the curse and freed him from Mary's control.

Sylvester: Well, now that we'd broken the curse, it's time we deal with him for good.

Then, Lincoln fired energy blasts that hit The Headless Horseman and Lady Mary Van Tassel and sent them both to The Black Gates forever, thus permanently ending the hauntings of Sleepy Hollow. We cheered as we holstered our weapons and powered down.

Lincoln: Well, that's it for The Headless Horseman and the hauntings of Sleepy Hollow end here. (To Autumn Midnight) And it's so good to see you again, Autumn Midnight.

Autumn Midnight: You too, Lincoln, it's been seven years since we last met.

Lincoln went up to Autumn Midnight and he hugged her, and Autumn Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Autumn Midnight: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Autumn Midnight, Leader of The Midnight Society, she's my Guardian Angel from Michigan and she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's the leader of a new generation of The Midnight Society, and every night, she and her group meet up with me as I'm also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire.

Nico: That's really spooky.

Lincoln: And Autumn also did research into The Midnight Society and found out that it started over eighty-six years ago back in 1937 with the first founding members of The Midnight Society, and the traditions that started with them had been meticulously followed through five generations of Midnight Society members. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the new leader of a new generation of The Midnight Society, and she hates Lori with a blazing passion. One night, as she and the rest of The Midnight Society were in the back preparing for their night of scary stories at the campfire, Lori tried to attack us, but Autumn used her dark powers and made Lori's nightmares come to life, and she got so scared, she ran back inside the house and into her room and refused to come out for the rest of the night.

Me: Oh man, I remembered that all too well.

Nico: Yeesh, I hate to find out how Autumn knew of Lori's nightmares and used them to frighten her.

Lincoln: That was due to Autumn's powers over darkness, and her sisters are also members of The Midnight Society and each of them have the same powers as her and are just as powerful and deadly as her, and now that you're here, Autumn.

Lincoln went up to and hugged Autumn Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Autumn Midnight: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Autumn Midnight's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Autumn Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Autumn Midnight.

Autumn Midnight had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the ten girls, and when Lincoln saw them, he immediately recognized them. The ten girls are Haruka Ogihara, Momoka Susukino, Mercia Hatakeyama, Yachiyo Sawaguchi, Juliet Honda Jena, Setsuko Harada, Yae Kiotome, Toshiko Kinugawa, Rie Hori, and Seiko

Gotou from Madonna ~Kanjuku Body Collection~.

Lincoln: Oh wow, it's Haruka Ogihara, Momoka Susukino, Mercia Hatakeyama, Yachiyo Sawaguchi, Juliet Honda Jena, Setsuko Harada, Yae Kiotome, Toshiko Kinugawa, Rie Hori, and Seiko Gotou from Madonna ~Kanjuku Body Collection~.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Nilah: Yes, we're okay, thanks to you.

Then, when Haruka Ogihara and the other nine girls saw who it was that saved them from The Headless Horseman, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty

Haruka Ogihara: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Haruka Ogihara, Momoka Susukino, Mercia Hatakeyama, Yachiyo Sawaguchi, Juliet Honda Jena, Setsuko Harada, Yae Kiotome, Toshiko Kinugawa, Rie Hori, and Seiko Gotou with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was none other than The Headless Horseman from the 1999 film, Sleepy Hollow.

But, when Lincoln showed what happened such as Darren

Devereaux giving the Horseman back his head which broke the curse and freed him from the control of Mary Van Tassel now revealed as the vengeful witch Mary Parker, and we gave him a beatdown he'll never forget which ended with Lincoln firing energy blasts that destroyed The Horseman and Mary Van Tassel and sent them both to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Autumn Midnight have a lot of catching up to do, now that she's back in town.

Maria: Whoa, so you guys destroyed The Headless Horseman from the 1999 film, Sleepy Hollow.

Lincoln: Yep, and he was on a murderous rampage thanks to that vengeful witch, Mary Van Tassel.

Me: But, Darren knew that the only way to break the curse was to give The Horseman his head back which he found.

Nico: And he ended that vengeful witch's murderous schemes and they were both condemned to Hell for good.

Darren Devereaux: She deserved it.

---

After destroying The Headless Horseman at Sleepy Hollow, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Autumn Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Autumn Midnight: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Autumn, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Autumn Midnight: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was

formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Autumn Midnight: I knew it was only a matter of time before he told everyone that story. Oh, and I got more of Lincoln's Guardian Angels coming here.

Nico: Really? Where are they?

Autumn Midnight: They should be coming… right… now!

Suddenly, thirteen tornadoes of darkness appeared out of nowhere, and then, when the tornadoes faded, we then saw thirteen girls standing in their place, they were 7'0" tall, they had the bodies of goddesses, they had long midnight black hair with red hairbands, red eyes, they have massive black angel wings, they have on black clothes and long white sleeveless trenchcoats and holstered on their backs are thirteen massive black longswords.

Lincoln: (GASPS) Alarica Anastasia, Alina Anastasia, Artemia Anastasia, Aurora Anastasia, Avina Anastasia, Brianne Anastasia, Calista Anastasia, Cordelia Anastasia, Danika Anastasia, Edana Anastasia, Fionna Anastasia, Levana Anastasia, and Mara Anastasia.

Selene Arcangela: The Gothic Knights of The Eternal Darkness?!

Alarica Anastasia: That's right, and it's so good to see you again, Lincoln, and wow, you really grew into an amazing young man.

Lincoln: I know.

Nico: Care to introduce us, Lincoln?

Lincoln: Sure, Everyone, meet Alarica Anastasia, Alina Anastasia, Artemia Anastasia, Aurora Anastasia, Avina Anastasia, Brianne Anastasia, Calista Anastasia, Cordelia Anastasia, Danika Anastasia, Edana Anastasia, Fionna Anastasia, Levana Anastasia, and Mara Anastasia, these thirteen girls are my Guardian Angels from Europe and they're thirteen Goth Girls born from darkness and also have immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night. They also formed a group known as The Gothic Knights of The Eternal Darkness, and they are dedicated to protecting the world and mankind from the darkest threats of The Netherworld, witches, demons, vampires, werewolves, monsters, warlocks, and those who dare to make deals with The Devil by selling their souls in exchange for dark powers.

Brittney: Those sound like my kind of Goths. (GASPS) And those longswords, those are The Dark Swords of The Netherworld! I've heard about them, those dark longswords were said to have been forged in the dark depths of The Netherworld and they were bathed in dark energy and dark magic, but only those who have incredible power over darkness can wield them.

Lincoln: Yeah, that's right. One day, Alarica and her sisters travelled to The Netherworld, and they found thirteen powerful dark longswords during their journey: they're known as The Dark Swords of The Netherworld, and they grabbed the longswords and they became even more powerful than ever. They protected me from the threats of my mean sisters and the rest of my enemies and they trained me hard in combat and in the powers of the darkness, The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, and The Occult, and they along with Beatrice Shadowhold trained me and Lucy in the art of summoning demons and creatures of the night and put them under their control, and they're good friends with The Young Morticians' Club, and though they hate my mean sisters and the rest of his enemies with a passion, they harbored an extreme hatred towards those who dare to make deals with The Devil by selling their souls in exchange for dark powers.

Nico: And we've met many who've made deals with The Devil in the past, and we destroyed them.

Alina Anastasia: And we'd heard of what you'd done in killing The Church of Necrom, The Order of The Black Cross, The Chernabog Sisters, and The Order of Nuestra Santa Muerte.

Nicholette Torrington: Word always tends to reach fast in The Netherworld.

Morgana DeRose: It always does, and we made sure they all got sent to The Black Gates, Alina.

Artemia Anastasia: I'm glad to hear it.

Just then, Lincoln marked The Anastasia Sisters and he fed on their blood and he gained the same powers as them, and they had thirteen Elemental Thunderbird Necklaces of Eternal Love appear on their necks with red gems on the gold lightning bolts and red crystal links from their merged Crystal Necklaces of The Buddha along with thirteen white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks.

Winter Varyona: And he's now marked you girls, which means you're now part of his harem and many future wives.

Cordelia Anastasia: I knew he would.

We got a shower afterwards, and then, Lincoln, Universe 666 Roxie Richter, Envy Adams, Lynette Guycott, Lisa Miller, Knives Chau, G1 Arcee, and Alexis Thi Dang are heading to Laverra Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Universe 666 Roxie Richter, Envy Adams, Lynette Guycott, Lisa Miller, Knives Chau, G1 Arcee, and Alexis Thi Dang are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Universe 666 Roxie Richter, Envy Adams, Lynette Guycott, Lisa Miller, Knives Chau, G1 Arcee, and Alexis Thi Dang all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Lynette Guycott: Wow, so, this is Laverra Beach, it sure is beautiful.

Lincoln: It sure is, Lynette, and it's perfect for our first date. Shall we?

Lincoln, Universe 666 Roxie Richter, Envy Adams, Lynette Guycott, Lisa Miller, Knives Chau, G1 Arcee, and Alexis Thi Dang dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Universe 666 Roxie Richter, Envy Adams, Lynette Guycott, Lisa Miller, Knives Chau, G1 Arcee, and Alexis Thi Dang got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to

Universe 666 Roxie Richter, Envy Adams, Lynette Guycott, Lisa Miller, Knives Chau, G1 Arcee, and Alexis Thi Dang and they hugged the girls in their abnormally massive and powerful muscular arms, and Universe 666 Roxie Richter, Envy Adams, Lynette Guycott, Lisa Miller, Knives Chau, G1 Arcee, and Alexis Thi Dang placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Universe 666 Roxie Richter, Envy Adams, Lynette Guycott, Lisa Miller, Knives Chau, G1 Arcee, and Alexis Thi Dang with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Universe 666 Roxie Richter, Envy Adams, Lynette Guycott, Lisa Miller, Knives Chau, G1 Arcee, and Alexis Thi Dang are in your harem, Linky.

Ramona: And we're glad Envy now has Lincoln as a true boyfriend because Todd was such a bastard, and she deserves someone better.

Nico: If he so much as tries anything, Todd's getting his crotch slashed off.

Lincoln: Save that for me, Nico. But, I've also got something much more painful in store for him.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Universe 666 Roxie Richter, Envy Adams, Lynette Guycott, Lisa Miller, Knives Chau, G1 Arcee, and Alexis Thi Dang, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

* * *

Later it was time for another Super Mario Galaxy 2 adventure.

Nico: Slipsand Galaxy is next.

Me: Whoa that one was touch.

Nico: Yeah it sure was.

Maggie: Me and Haiku will go.

Nico: Okay then.

They went into the simulator and it activated and they were at Slipsand Galaxy!

Nico: Any tips Nicole?

Nicole: (On the radio) Well you guys are going after Squizzard right?

Nico: Yep.

Nicole: Okay you got to get to that bowl area over there and I'll tell you more.

They saw it.

Nico: Okay.

Haiku: You heard the lady.

?: And we'll help out.

2 figures came. One was a girl with blond hair and purple eyes and had a beautiful star dress on and she had star wings and had a tiara with the symbol of the Universal Moonlands on it and a star sword in her hands and the second girl had orange hair, red eyes, orange wings and red clothes and she had a tiara with the symbol of Crash on it.

Ulla Universal: Ulla Universal, Embodiment of ALL of the Moonlands.

Connie Crash: And Connie Crash, Embodiment of Crash Man.

Bloom: Connie Crash!? Whoa!

Will: Wow! It's great to see you.

Connie Crash: Wow! Bloom and Will. Its been a while.

Nico: Wow! We can talk later. Lets go.

They were off.

Nico: We're here.

They got to the sinkhole and out came SQUIZZARD!

Nico: Squizzard!

Nicole: Okay you got to fire blasts into his mouth as he opens it.

Nico: Okay.

Ulla Universal: This will be good!

Nico: (gets out Key and Ghost's Ridewatches) Time to get sneaky!

Nico activated them and fired waves of energgy and blasted Squizzard and blasted him all over.

Ulla and Connie and Haiku and Maggie blasted Squizzard as he opened his mouth and then he exploded and then the star appeared!

Maggie: take that!

They went and got the star!

YOU GOT A STAR!

Nico: YEAH!

Ulla Universal: Take that!

They all high five!

Nico: How did you meet Will and Bloom?

Connie Crash: I helped Will when she and the Guardians were battling Phobos and I'm the one that delivered the blow that crippled him and ended his reign of terror.

Will: It's true! She shot him in the back and severed his spine.

Nico: Wow!

Connie Crash: And I met Bloom when they faced Darkar and I saved Bloom from herself when she turned into Dark Bloom. I also blasted off his arm.

Nico: WHOA! That is cool!

Ulla Universal: Yep.

Nico: Would you two like to join the team?

Ulla Universal: We would be honored.

They left and we cheered wildly.

Later we were enjoying some relaxing in the park.

ElDoradimon: Such a nice day outside.

Marcus: Boy it sure is awesome ElDoradimon.

Me: Especially when we are seeing most of the day from your tower.

Nico: That is so cool.

Camie: Like an awesome island retreat.

Me: Man Marcus remember when we helped you guys out against Kurata?

Marcus: Boy how can I forget. That was so fun.

Me: And that villainous breakdown Kurata did, REALLY SUPERCHARGED us.

Lincoln: Boy it sure did.

Apple White: Amore, I'll never regret meeting you.

Princess Amore: Me neither. That was so awesome.

Me: Boy those were awesome.

Brittney: It sure was. And it was so awesome that we got to see Ever After High.

Kase: And it was awesome that you all got to have me with you all.

Me: It was awesome having you all help us Kase.

Nico: Yeah that was fun.

AncientTroiamon: Is that a Meganium and a Poliwrath.

We saw them.

Me: Hey it sure is.

Nico: It's cool seeing Poliwag's evolved form.

Poliwrath: Poliwrath, Poli Poli Poli.

Me: What are they saying?

Meowth: The Poliwrath is saying "Hey there big boy, you want to hang out with a really beautiful Poliwrath like me?" And the Meganium is saying the same thing.

Me: Looks like those 2 Pokemon are hitting on Poliwag and Poromon.

Nico: Uh oh. I smell Jealousy coming.

Manaphy and Horsea then got mad!

Apple White: I'm just glad we got to meet our Disney counterparts.

Amora: That was cool.

Eli: It sure was.

Ophelia Laurence: It was fun and also Duchess Swan met Medic. That was fun.

Apple White: It sure was.

Camie: It sure was.

Me: That was so fun and cool.

Apple White: Yeah Duchess liked Medic.

Onewa: I'm glad you thought that was cool. Medic is from my missions and she is awesome and graceful.

Horsea and Manaphy's eyes were twitching.

Full Tilt: We've never seen them that jealous before

Me: Uh oh.

May grabbed Manaphy and Maria grabbed Horsea!

Horsea: GET THE FUCK AWAY FROM OUR BOYFRIENDS!

May and Maria held them back!

May: HEY STOP IT GUYS!

Maria: (GRUNTS) GEEZ!

Poromon: Thank you ladies but we are already spoken for.

Poliwag: Yeah.

They went over to Manaphy and Horsea.

Manaphy: COME HERE SO WE CAN SNAP YOUR NECKS!

May: MANAPHY! STOP THIS! Calm down!

Poromon: Manaphy calm down! I'm never going to leave you!

Poliwag: Yeah!

Apple White: It really shocked me that Alice Liddel went through Hell.

Amore: I know.

Qin: That was horrible.

Laney: It was awful. But Justice was given to Alice Liddel.

Qin: I agree there.

Brawn: Okay, you two need to take a deep breath.

Gina Everest and Delilah Pitchfork went over to the 2 Pokemon.

Gina Everest: I apologize for the behavior of Manaphy and Horsea. They can get jealous.

Delilah Pitchfork: But Poromon and Poliwag already have boyfriends. But you two are more than happy to be partners for me and Gina. We are gene-slammers of you 2.

Gina Everest: It's true.

Delilah Pitchfork: Would you two like to join us?

Meganium and Poliwrath agreed.

Poliwrath went to Delilah and Meganium went to Gina.

Nico: Wow that is awesome.

Shego: (to Horsea and Manaphy) Take deep breaths and calm down!

They did so and it helped.

Horsea: That helped.

Nico: Good.

Manaphy: Yeah.

But then

They both started crying.

Manaphy and Horsea: (CRYING HARD)

They had jets of tears burst out of their eyes.

Manaphy: (WAILING HARD)

Horsea: (WAILING HARD)

May: Oh there there Manaphy.

Maria: It'll be okay.

Horsea: I'M SORRY, MARIA!

Manaphy: ME TOO MAMA!

May: Oh there there.

Maria: I'll be okay.

They were crying REALLY HARD!

May: It's okay guys.

Nico: Girls, look!

They looked as Nico pulled down his pants

He was wearing clown boxers!

Me: NICO! Put those away! There are children here!

Grumbling, Nico pulled his pants up.

Nico: Okay then how about this?

He called in the Three Stooges.

Three Stooges: (In Acapella) HELLO! HELLO! HELLO!

Moe Howard: Want to see something funny?

Nico: Like this?

CRUNCH! BOOF BONK WHOMP BOP! HONK!

Nico twisted Moe's ears, hit his stomach, bonked his head, bonked his face and bopped him on the head and honked his nose.

The two tried not to laugh.

Moe: WHY YOU!

BOOF BONK WHOMP BIFF CRACK TWIST HONK SLAP BONK!

Moe and the Three Stooges hit Nico all over and really let loose the gags and then the Mascots bursted out into HYSTERICAL LAUGHTER!

Horsea Laughed and so did Manaphy.

Nico: Nice!

Donkey Kong fired a coconut and it hit Moe on his head!

BONK!

Patrick: DAHAHAHA! THAT GUY GOT HIT ON THE HEAD WITH A COCONUT!

Moe: (KNOCKED OUT) (CUCKOO NOISES)

Donkey Kong: I'm getting in on this too!

The mascots were laughing hysterically and it was funny.

Then we stopped and we were done and they were all cheered up.

We later went back home.

Me: (LAUGHS) THAT WAS FUNNY!

Nico: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Reece Tenneson, convicted felon and former CEO of the destroyed corporation, Terravex, and he's broken out of prison and he's out for revenge on Tripp Coley, his girlfriend Meredith, and his friends and family. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Reece Tenneson, convicted felon and former CEO of the destroyed corporation, Terravex, and he's broken out of prison and he's out for revenge on Tripp Coley, his girlfriend Meredith, and his friends and family.

We gasped.

Nicholette Torrington: Oh no, not that shithead asshole again!

Me: You know him, Nicholette?

Nicholette Torrington: I wish none of us hadn't. See, other than dealing with those shitheads, Damian Alaister, Michael Devlin, Carmen Sullivan, Nigel Moreau, Douglas Moreau, Cole Sullivan, Nigel Alaister, Cary Blakewell, Nigel Tinuviel, Douglas Griffin, Duncan Alarie, Ianira Dormund, Edana Baudelaire, Drusilla Draven, Chandra Mortlake, Adrienne Hawthorne, Jezebel Lanira, and Jocasta Belladonna of The Church of Necrom, we've dealt with Reece Tenneson, and he's one bad guy.

Nicholette Torrington went over Reece Tenneson's history, and it wasn't good. When she was done, we were disgusted.

Nico: He did all that and all for his business?! What a shithead! He and his minions are all shitheads!

Silvia Excelsior: Burke, Reece Tenneson's right-hand man, died thanks to his truck filling with poison from the poison tank, and that led to Reece's arrest and the exposure of his corporation. But, just in

case.

Silvia Excelsior chanted an incantation and banished Burke's soul to The Black Gates.

Clara St. Clarice: Nice, but now, we've got to take down Reece Tenneson and if he's got his gang of mercenaries, we're gonna need a ton of firepower for those shitheads.

Nico: Yeah, which is something we've got. Alright, gang, let's head down and deal with that shithead fuck, Reece Tenneson.

Lincoln: None of them are getting out this one alive.

Me: Except for Reece. He's going to prison.

Nico: Yeah.

Camie: Who is Reece Tenneson?

Me: A Murderous and ruthless CEO of Terrevex.

I went over his history.

Reece Tenneson is the main antagonist of the 2017 Nickelodeon film Monster Trucks. He is the ruthless, cruel, greedy and ambitious CEO of Terravex Energy.

He was portrayed by Rob Lowe, who also played Guy LeFranc in Super Troopers 2, Benjamin Oliver in Wayne's World, and Paul Barish in Tommy Boy.

Reece Tenneson First appears in the beginning of the film when he arrives at the Terrevex Energy drilling site due to being informed of a large underground lake being in the way of the oil which causes the company to check for sings of life by drilling into the lake which releases some pressure and some of the creatures that live in the lake, The creatures and the life in the lake would require the company to shut down the drilling operation so Tenneson orders Burke to take to the company and the creatures and the lake itself to be kept a secret. However a teenager named Tripp Discovers one of the creatures which evaded capture by hiding in a wrecked truck that was towed to the junkyard Tripp works at, Tripp names the creature Creech. However Burke soon locates Creech at the junkyard which results in Creech, Tripp and his tutor Meredith having to drive away in a 1955 Dodge C-3 truck. Burke sees the old truck leaving and he orders his men to follow the truck. Tripp, Meredith, and Creech hide in the lush vegetation to avoid being seen. The Terravex trucks then drive by seeing that there's no sign of the trio or the truck.

The next day, Burke and his team arrive at the Terravex camp where Tripp's dad Wade is staying. Burke notifies Tenneson about this. Wade tells Tripp the mercenaries want the Dodge C-3 back but Tripp refuses to give it to them because he built the truck. One of the crew men grabs Tripp which makes Creech very angry. Tripp gets free from the crew man and tells Meredith to get back in the truck. Burke approaches Tripp with his shock rod telling him that he will hurt him if he doesn't give up Creech and the truck. Then, Creech spins the C-3 into a doughnut kicking up a lot of dust which buys Tripp enough time to get in the truck. After the doughnut stops, Tripp drives towards Wade's trailer causing Burke and his crew to hit the dirt before the truck bursts through the trailer and leaves the camp. Burke and his crew get in their Terravex trucks and then begins to chase the heroes through the town. Tripp tries some features to outrun the mercenaries and stunned Burke as he has never seen the creature do anything like that. The team chase Tripp and Meredith all the way to a train crossing where Tripp manages to escape the Burke by jumping the truck over one of the train cars.

Tripp, Meredith, and Creech take refuge at a camp owned by Meredith's father to rest and hide from the mercenaries. The next day, Tripp and Meredith awake to find that Creech and the Dodge C-3 are missing. It later shows that Creech followed the Terravex tractor trailer which was taking his mother to the Terravex headquarters. Tripp and Meredith arrive at Terravex headquarters and sneak in to find Creech, Instead, they find two more similar creatures in boxes which happened to be Creech's parents. The two then see Creech breaking in trying to save his mom and dad but Burke and his team interfere and tranquilize Creech. Tripp and Meredith are taken to Tenneson's office where Tennseson deletes the Tripp's pictures of himself and Creech from Meredith's phone then threatens to send Burke after them again if they try to stop his plans again. A guard leads the two out and Dr. Jim Dowd comes in and states that he will be the one to escort the teens out. Dowd later explains he wants to be on sides with Tripp and Meredith because he's had enough of doing bad things for Terravex and Tennseson and wants to save the creatures including Creech. Tripp and Meredith agree with Jim, and they go to find two more trucks.

The two teens soon arrive at Weathers' Junkyard and Tripp tells his boss Mr. Weathers he needs two acquire more trucks to get ready for their plans. Mr. Weathers agrees to help Tripp and said there's one truck that's on the repo list. The truck is a green 2013 Ram 1500 with custom decals, off road mods, fender flares, and two exhaust stacks on the bed. The truck belongs to a snobby, rich teenager who failed to make his payments. The rich teen is in his house playing video games with his girlfriend during the evening. The girl looks out to see Tripp hooking up her boyfriend's truck. Instead of trying to stop him, the girlfriend waves hello to Tripp while her boyfriend was concentrating on his game. The three soon leave and head over to the car dealership where Tripp's friend, Sam Geldon is closing up the dealership which is owned by his father. Sam tells Tripp and Meredith there's one truck they can use. The truck is a brand new red 2016 Ram 1500 Rebel; which was going to be Sam's 16th birthday present. Tripp believes there's no harm getting an early peek and starts getting work on customizing the Rams including the Dodge C-3 which was saved at Weathers' Junkyard. Meanwhile, Dr. Jim feeds the two creatures and tells them to get ready for a little road trip. The teenagers work all night customizing the trucks and by morning, the Rams were ready.

At Terravex Headquarters, Dowd steals the big rig containing the two creatures and takes them to the car dealership where Tripp is waiting. They unload the trailer and release Creech and his parents. Creech is reunited with Tripp including his mother and father who missed him very much. The three creatures get in the custom trucks as well as Tripp, Meredith, and Dowd and prepare to take Creech home. However, Burke soon learns about Dowds actions and notifies Tenneson of this. Burke arrives at the dealership to discover only Sam is there and there's no sign of the creatures or the trucks.

## The Chase

The three trucks begin driving through open farmland where Burke and his team chase them through the woods and into the mountains. Meanwhile, Tenneson who is in a company meeting is quietly talking to Burke who keeps him updated on the Tripp and the group. Meanwhile Tripp spots the tanker up ahead and Dowd informs that Tenneson is going to poison the nest.

## Defeat

Tripp and the group manage to stop the poison from reaching the lake by winning a pushing match with Burke which ended with his truck destroying the poison pump after being flung by Creech and Tripp, causing a big poisonus leak, leading up to Burke's death as his truck fills with poison and can't escape due to a piece of machinery blocking the door, and in the process Terravex ends up being exposed with Burke's death, Reece is arrested for his crimes, much to his dismay.

When I was done everyone that hadn't heard about it was shocked!

Lola: What a monster!

Nico: I know!

Laney: Yeah!

Nico: You're saying this monster truck is… Alive?!

Me: In a way. But yeah. Also Tripp is a friend of mine that I met in North Dakota and he is a great mechanic that makes Monster Trucks.

Nico: Cool! I didn't know you two know each other.

Me: You never asked.

Nico: This will be cool.

Me: Also his house believe it or not is located right underneath Red Licorice Island.

Camie: Really?

Nico: Really!? Whoa!

The previous group came.

INSTIGATOR: Can me, Kaos, El Oso, Tchang Zu, Duff Killigan, Carmen Dillo, Vreedle Brothers, Leap Frog, Gramma Stuffum and Metal Sonic go with you guys?

Octagon: And are Manaphy and Horsea okay now?

Nico: In order, yes you all can come with us and yes they are fine now.

Me: We're going to meet an old friend of mine who lives under Red Licorice Island.

Qin: Yep.

Me: Long story.

Nico: Yep.

Teresa: Nico, which Gene Slammer do you think you'll meet next?

Nico: Magma Man next.

Me: Whoa a hot one.

Qin: Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Universe 666

Fu who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God! You psychopathic, little… !

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figure is none other than Universe 666 Fu who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge.

Me: So, we're going down the line from 9 to 1, eh?

Nico: Looks like it.

Calliope Chomei: Which means, I'm up next.

Lincoln: Yep, and always, we're taking the fight to Glaren.

Fu: Yeah, they may not be as strong as us, but they're still as tough.

Nico: And it was all the fault of that lunatic, that guy is such a Class S psychopath. Alright, gang, let's go, we're off to help Tripp Coley, his girlfriend Meredith, and his friends and family and get rid of that shithead, Reece Tenneson.

Lincoln: There's no way we're letting that greedy psycho get away with this, he's going to pay for his crimes and we'll see to it that he pays the ultimate price for his crimes, he and his mercenaries, and once we get done with them, you're next, Universe 666 Fu.

Calliope Chomei: I can't believe he set this whole contingency plan up early and once we killed him, that triggered it as a final "fuck you" to all of us. He really pissed us off big time! Well, then, we'll play his final twisted game and destroy every last one of the Universe 666

Jinchuriki. I already know of how strong Killer B and Gyuki are, but wait until they face us, Lincoln, we'll make them regret ever being resurrected.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to help Tripp Coley, his girlfriend Meredith, and his friends and family and get rid of that shithead, Reece Tenneson along with his mercenaries, and once we got done with them, Calliope Chomei and Lincoln are going to destroy Universe 666 Fu.

We were off to North Dakota.

## RED LICORICE ISLAND, NORTH DAKOTA

We arrived at Red Licorice Island in North Dakota.

El Oso: (Spanish Accent) Here we are!

Me: Boy it sure feels awesome to be here again.

Nico: I know. Last time we were here was to stop Black John Licorice from killing Heinrich to become human again.

Laney: Yeah no kidding.

Me: Blech. I hate black licorice.

Xenia: Yeah that stuff is gross.

We saw Tripp's house located RIGHT underneath the island.

Me: There's his house and mechanics shop.

We went over.

Xion: Anyone home?

Me: Lets find out.

We went to the garage and saw Tripp working on a truck. He had a welding torch ready. He was listening to hardcore rock music.

Tripp: Sorry we're… Hey J.D.!

Me: Long time no see Tripp!

We hugged.

Tripp: Wow! Awesome to have you here and wow! Team Loud Phoenix Storm it's an honor.

Nico: Same here Tripp.

Tripp: Awesome.

Nico: How did you and Tripp meet J.D.?

Me: It was before I met Lok and the Huntik team, I helped Tripp and Meredith take down Tenneson the first time and send him off to prison. It was really fun.

Tripp: Yeah it sure was.

Duff Killigan: (Scottish Accent) Lad, where's your truck buddy?

Tripp: Right here.

We saw Creech the truck.

Me: Been a while Creech.

Lola: Wow he is cool.

Nico: Yeah he sure is.

Bai Tza: Hi Creech!

Creech cooed.

Me: He is excited to meet new friends and is also happy to see us.

Nico: Yeah.

Me: Is Meridith here Tripp?

Tripp: She is. She's just over in the kitchen getting a snack.

Me: Okay.

Eli: I take it you heard the news about what is going on.

Tripp: What happened?

Me: Well you're not going to like this. Reece has escaped from prison and is out for revenge.

He gasped and Creech growled.

Gramma Stuffum: (German Accent) Creech, you can't talk, can you?

Creech shook his head for no.

Me: No he can't.

Nico: Shame. But that's all right.

Qin: Yeah.

Laney: Either way we got to stop Tenneson.

Nico: Yeah. And we're going to send him off to prison and kill any mercenaries he may have with him.

Clayface: Maybe we can make something to help you talk.

Me: Good idea Matt.

Qin: I agree.

Laney: Yeah.

Meridith came.

Meridith: Well there is a bunch of awesome faces.

Me: Meridith awesome to see you again. Been a long time.

Meridith: It has been a while J.D.

Me: It sure has.

Tripp: By the way J.D. we heard lots of commotion back in 2020 and it was coming from the island above.

Me: Oh that was us battling Captain Black John Licorice. Long story.

Metal Sonic: He was a pirate made of black licorice.

Me: Well he was cursed to he like that because of his greed. Stickybeard and his crew know the story.

Stickybeard: Aye. (SNAPS FINGERS)

The song began.

Stickybeard: Ohhhhhhhhhh, once there was a pirate by the name of Black John Who'd do anything for candy, even steal it from his mom. Well, he sailed the suburbs blue just to fill his candy quota, 'Til he stumbled on an island off the coast of North Dakota. Pirates: And there he found Licorice, licorice, sweet, juicy and red. It grew like bamboo, to the heavens it spread. Licorice, licorice, as red as my beard, There were acres for all takers or so it appeared. Stickybeard: But old Black John wanted it all to himself, So he cut the stalks down and sailed off with his wealth. But his greed had a cost for him and all his crew. Some very bad things were to happen, who knew? Pirates: And that's when the Licorice, licorice turned rancid and black. Was dead, no, not red and tasted like *Hack, hack, hack* Licorice, licorice, there's more yet to tell. Their bones, how they groaned, turned to licorice as well! Stickybeard: Cursed to be skeletons alive only at night! For by day, they collapse at the sun's early light. But at dusk, they arise, just barely alive 'Til one day they heard of a way to survive! Madame Zin: Go back to the island and plant there the seed! Let moonlight upon it, with soda then feed! Pirates: And then we'll grow Licorice! Licorice! Sweet, juicy and red! The curse will reverse from your bones, it will shed. Licorice! Licorice! No longer so black! One seed's all you need to grow it all back! Stickybeard: Soooooo they sailed for the island with the seed that night. But, alas, stopped short when came morning's first light. It was the very same day that we came along, Just my cabin boy and me, where we didn't belong. We climbed up the steps and walked 'round all the stumps And found there Black John and his skeleton clumps. Then Heinrich did something that shattered the calm: He snatched 'way the seed from John's bony ol' palm. Now, the sun, it went down and John sprung back to life, And grabbed for the seed with great anger and strife! But somehow, we escaped and sailed off in the night, Not knowing that John followed and yelled out in spite: Pirates: Licorice! Licorice! I'll find you, my friend! My crew shall pursue, on that, you can depend!

Tripp: Wow that was catchy.

Me: Yep.

Riku: And now, you know.

Me: Yeah that was a crazy adventure. It reminded me of Pirates of the Caribbean: Curse of The Black Pearl.

Nico: Yeah it sure did.

Me: It was back in Summer of 2020 and we faced Black John and his crew back then.

I went over what happened in chapter 1107.

I HATE BLACK LICORICE!

In the estate, Nico was looking up where the Respawn Chambers of Krytus and his Team were located. Turns out they were located all over the multiverse.

Poison Ivy: (to Nico) Did you find out where each of the respawn chambers are?

Nico: I sure did. They are all over the Multiverse.

Nico marked down the locations of each one and there was a lot of them.

Me: Krytus and his team can pop up numerous times no matter how many times we kill them.

Lincoln: Yep.

Me: No more. Lets head over there and get them.

We headed out to the Multiverse and we arrived through a portal.

Duncan: We should probably split up into groups to find each respawn chamber.

Me: Good idea Duncan. We can cover more ground this way. When you find each Respawn Chamber let me know.

Nico: Got it.

We split up we travelled all over the multiverse and found the Respawn Chambers. There were over 263 of them all together.

Nico: Found them.

Laney: Yep.

Crumplezone: All right. We found the respawn chambers. Now what?

Vert: Now we destroy them all at the same time.

Me: Lets do it!

Vert: Now!

We fired energy blasts at the respawn chambers and they all were exploding with incredible power!

Massive fiery explosions blew all of the Respawn Chambers into fiery rubble and destroyed them in an instant!

Me: Try respawning now Krytus.

Spinner: It's about time we actually destroyed those respawn chambers!

Hardhead: Now when Krytus and his team eventually free themselves, we can destroy them without them resurrecting themselves.

Me: Yep and when we kill them we'll Hakai them out of existence forever.

Nico: Yep.

Me: Watch out Krytus, your days of existence are numbered.

Later that night at the Lake Huron Wharf was a really awesome Candy Tavern called The Candy Bar and Stickybeard and his crew go there all the time after pillaging candy from evil pirates. There we see Stickybeard and his pirates celebrating at the tavern drinking pure sugar.

Stickybeard's Pirate 1: A toast to the seven seas!

Stickybeard's Pirate 2: More sugar for me, me mateys!

Stickybeard's Pirate 3: Another here, man!

[Stickybeard is having a drinking contest with one of his pirates. His opponent shakes as he drank to much sugar and falls to the floor.]

Stickybeard: Who's next? Can no one eat sugar than old Stickybeard?

Numbuh 5: I can!

Numbuh 5 was there at the table and we were there as well.

[Stickybeard's pirates point their candy swords at Numbuh 5 and growl.]

We had our swords ready to slash them.

Stickybeard: Nice to see ye all at the Candy Bar, lads.

Me: Nice to see you too Stickybeard.

Numbuh 5: I didn't come here for sweet talk, I came for information. [breaks the tip of one candy sword and swallows it] It's Henrietta. She is missin'.

Stickybeard: Isn't she really Heinrich Von Marzipan lass?

Numbuh 5: Nope. He's really Henrietta Von Marzipan. She was cursed by the Sacred Golden Caramels of Kandacrunchalan and was made into a greedy candy-obsessed bounty hunter.

Me: Yep. She was turned into a boy.

Stickybeard: I see. Blasted fool probably got herself in trouble with the Marshmallow Mayans again.

Numbuh 5: Nope. It has something to do with licorice. [holds out a piece of black licorice] Black licorice! [Stickybeard spits out his sugar]

Me: EW! I HATE BLACK LICORICE!

Nico: I hate Black Licorice too.

Mary Knudson: I can't stand that stuff either. I like the red licorice the best. But Black Licorice is definitely not on my list of favorite candy.

Laney: I can't stand black licorice. It tastes like you're eating Candied Onions.

Lana: YUCK!

Lola: Yeah I hate Black Licorice too.

Me: I think a lot of people hate that stuff. Ever notice in the supermarkets how no one ever touches that stuff and leaves it there on the shelves and takes the red stuff?

We nodded.

Numbuh 5: Yeah. And you're gonna tell me everything about it and you're gonna help me find Henrietta! That is unless you're sugar-free.

Stickybeard's Pirates: Ooh!

Lucy Loud: Uh oh.

Stickybeard: You know a candy pirate can't say no to a sugary challenge.

Numbuh 5: So, let's do it!

Stickybeard: 'Tis your blood sugar levels, lassie. Set us up!

[The bartender gives Numbuh 5 and Stickybeard two mugs full of sugar.]

Stickybeard: Now, ready… set… [drinks his sugar] Ha! Huh?

[It appears that Numbuh 5 drank hers before Stickybeard, which surprises them.]

Numbuh 5: Did you say something?

Stickybeard: Uh, two out of three?

Numbuh 5: No thanks. Now, spill it!

Stickybeard: Argh, very well.

Me: This is gonna be interesting.

[Stickybeard snaps his fingers and Chewy plays the horn on the beginning.]

We were told the story of the evil candy pirate Black John Licorice.

Stickybeard: OOOOOOOOOOOOOH!

Once there was a pirate by the name of Black John, who'd do anything for candy, even steal it from his mom! When he sailed the suburbs through just to fill his candy coat until he stumbled off the island the coast of North Dakota!

Stickybeard's Pirates: And there he found Licorice! Licorice! Sweet, juicy and red! It grew like bamboo to the heavens it spread! Licorice! Licorice! As red as my beard! There were acres for all takers or so it appeared!

Stickybeard: But Ol' Black John wanted it all to himself. So he cut the stalks down and sailed off with his wealth! But his greed had a cost for him and all his crew. Some very bad things were to happen, who knew?

Stickybeard's Pirates: And that's when the licorice, licorice turned rancid and black! Was dead, no, not red, and tasted like (coughing and gagging). Licorice! Licorice! There's more yet to tell! Their bones, how they grow, turned to licorice as well!

Stickybeard: Cursed to be skeletons alive only at night! For by day, they collapse at the sun's early light. But at dusk, they arise, just barely alive, till one day they heard of a way to survive!

Madame Zin: Go back the island and plant there the seed! Lit moonlight upon it with soda and then feed!

Stickybeard's Pirates: And then we'll grow Licorice! Licorice! Sweet, juicy and red! The curse will reverse from your bones, it will shed. Licorice! Licorice! No longer so black! One seed's all you need to grow it all back!

Stickybeard: Soooooo, they sailed for the island with the seed that night. But, alas, stopped short when came morning's first light. It was the very same day that we came along, just my cabin boy and me, where we didn't belong. We climbed all the steps and walked 'round all the stumps and found there Black John and his skeleton clumps. Now, the sun, it went down and John sprung back to life, and grabbed for the seed with great anger and strife! But somehow, we escaped and sailed off in the night, not knowing that John followed and yelled out in spite:

Stickybeard's Pirates: Licorice! Licorice! I'll find you, my friend! My crew shall pursue on that, you can depend!

[Stickybeard and his pirates drink their sugar.]

Stickybeard: There ya have it, lads. But we defeated Black John and rescued Heinrich before you all were formed.

Me: Wow. That's an interesting story.

Nico: It sure is.

Lola: I remember that.

Yuko Tani: That's right.

Jack Sparrow: That is very similar to what happened with Captain Barbossa and his crew lads.

Me: I was just gonna point that out.

Laney: That is very similar to what happened in the Curse of The Black Pearl.

Lincoln: Yeah.

Me: Yep. But with Black Licorice. But I have a feeling I know what Black John Licorice is gonna do. They are after Henrietta to kill her for ruining their chance to get rid of their curse. We got to get there and fast! Lets go!

We were off to Red Stalk Isle in North Dakota and we were on Stickybeard's ship.

Numbuh One: You know, Stickybeard. I actually never thought me and the rest of Sector V would be hanging out with you on your ship willingly without us fighting each other.

Stickybeard: Aye. True lad.

Numbuh 362: That is really something.

Maria: You know, I have heard rumors that black licorice is one of the most powerful forms of dark matter in the universe.

William: Really?

Maria: Those are just rumors. But either way, black licorice is still gross.

Me: Well we don't know if it's true or not and probably never will.

Nico: Yeah.

Pirate: LAND HO!

We arrived at Red Stalk Isle in North Dakota.

Me: Target sighted.

On the island we saw Black John Licorice's ship and we saw BLACK JOHN LICORICE AND HIS CREW!

Black John Licorice is an undead pirate, that was once human, made out of black licorice who appears in Operation: L.I.C.O.R.I.C.E.. He was the captain of Stickybeard when he was young and loves candy above anything else.

He was voiced by Marc Graue.

Biography

When traveling in search of candy, Black John and his crew came upon an island of licorice trees, which they promptly cut down and stole. This cursed Black John and his crew, causing all of the stolen licorice to turn from red to black, and the pirates to become skeleton-like licorice figures alive only at night and collapse into piles of licorice bones by day.

Eventually, the Licorice Pirates went to a gypsy, who gave them a magical seed which would cause the licorice trees to grow back and break the curse. Before they could plant it, however, dawn broke and they became lifeless skeletons. Just before sunset that same day, Stickybeard and Heinrich Von Marzipan, his cabin boy at the time, came to the island, where they found the bones of the Licorice Pirates. Heinrich took the seed out of Black John's hand out of curiosity, just before the pirates came back to life and chased after Stickybeard and Heinrich before they managed to escape.

Later, while Heinrich was incarcerated in the KND Artic Prison, Black John appeared and kidnapped him/her. Heinrich reveals that he/she ate the seed, and Black John decides to plant him/her at the top of the licorice tree, causing the seed to grow in his/her stomach and killing him/her in the process. Before this can be done, however, Stickybeard and Numbuh 5 arrive at the island and rescue Heinrich, escaping when the morning arrives and the pirates "die".

However, at the very end of the episode, Black John's ship is seen heading towards the Arctic Prison for Heinrich once again.

Me: Prepare for battle!

We were ready for anything.

We arrived at the island and we flew and landed onto the island.

Jake: Time for these guys to walk the plank!

Megaforce Rangers: Legendary Ranger Mode: Lost Galaxy!

The Megaforce Rangers turned into the Lost Galaxy rangers.

Black John Licorice: Are ya ready to be human again, me mateys?

Black John's Pirates: Aye, aye, captain!

Black John Licorice: Are ya ready to see sunlight and eat candy without dictation like black licorice?

Black John's Pirates: Aye, aye, captain!

Black John Licorice: Are ya ready to…

Stickybeard: Let the girl go!

Black John Licorice's Pirate 5: That's not my particular choice.

Black John Licorice: Well, if it isn't me old cabin boy, Stickyfuzz.

Stickybeard: I'm not your cabin boy anymore, John! And the name's Stickybeard now!

Black John Licorice: Aw, but you'll always be that cute, little, sweet-toothed kid with the peach fuzz on his lip to me. [sticks a lollipop in Stickybeard's mouth as his crew laughs] Now, off with ye! I'm busy here.

I grabbed Black John's Hand and broke it off.

Me: You are a disgusting freak of nature!

Dominique: (to Black John Licorice) I just want you to know that black licorice sucks ass!

Me: YEAH! I HATE BLACK LICORICE!

Nico: You are the most disgusting pirate ever!

Vince: I hate Black Licorice too.

Nico: Same with me!

Lincoln: Why couldn't you be made out of red licorice!?

Laney: Yeah!

Devack, Firefly and Snake came out.

Me: Devack, Firefly and Snake.

Snake: Yep.

Devack: So, you guys hate black licorice, huh?

Caitlin: Why? Do you guys like it?

Firefly: Fuck no! Who even invented it anyway?

Me: It was made in a British Monastery back in the 1500s and whoever invented black licorice should've been put in a maximum security insane asylum for the rest of their life.

Nico: Yeah.

A figure came out and it was JET STINGRAY!

Turbo Man: And you are?

Jet Stingray: Call me… Jet Stingray! (creates a vacuum from his right arm to pull Turbo Man in)

I fired an energy wave and blasted his arm off!

Me: Nice try.

Devack: Here's our arena for the fight.

He snapped his fingers and we were on another planet and it was a strange planet. It was the planet VULPIN!

Vulpin is a pitch black planet on the edge of the galaxy. The ecosystem of Vulpin is poisoned beyond repair and the Vulpimancers are one of few species that can live on Vulpin.

Due to Vulpin being pitch black, Vulpimancers have slowly lost eyes due to them not being used for a long time. They have been mutated due to the effects of the pollution. These mutations involve heightened hearing and other developed senses.

Living in the dark caves beneath the surface, Vulpimancers have no need for eyes and use their amazing sense of smell to "see".

Vilgax Attacks Timeline

In this timeline, Vulpin has enough light to see around and has a large processing plant of sorts, which filters the garbage and sludge (to a point at least).

### History

Vulpin has long served as a dumping ground for hazardous materials far too dangerous for other worlds. The little that was once natural here long ago became corrupted by dangerous outside influences.

### Society

Part penal colony, part toxic waste dump, whatever life does manage to survive among Vulpin's subzero temperatures and the poisoned forests must learn to adapt to the harshest of climates.

Me: Whoa! This is a weird planet.

Devack: It is. This is Wildmutt's home planet, Vulpin.

Me: Whoa! So this is the planet Vulpin. I was expecting it to be more forest-like. Not like a toxic waste dump.

Ben: Vulpin has been known as one of the big toxic waste dumps in the galaxy.

Nico: This planet is really freaky.

Laney: Yeah.

Me: I didn't think Wildmutt's home planet would be like this.

Ben: Yeah.

Lana: It's really cool though.

Lola: EW!

Me: Lets go get them guys!

We went at them.

Battle 1: Devack

Dante was facing Devack on the Duel Runner Arena as it was racing along the Monkey Nazca Line.

I slashed some of the crew and they shattered into a million pieces. I jumped over a bunch of pirates and slashed them all over like Errol Flynn. Lincoln fired waves of lightning and electrocuted them all over and Lola fired waves of fire and burned them.

Numbuh 5: End of the line, Black John Licorice!

Numbuh 5 slashed the pirates all over and more.

Nico blasted the pirates all over and blew them to pieces.

Me: It's over Black John.

Black John Licorice: I am not beaten yet!

Me: Actually you are and your time is up!

I pointed behind him and the sun was rising!

Black John Licorice: Huh? No! It-it can't be morning already!

[Black John Licorice's crew collapse and die.]

Black John Licorice: You'll pay for this! [takes out his sword] Ah! Ah! You! [trips has his body begins to fall apart]

Black John Licorice growls and crawls towards Numbuh 5 and Stickybeard. Stickybeard fills two mugs with sugar and gives one to Numbuh 5.

Black John Licorice: I'll get you for this!

Lincoln: We made sure of that. Now, there's one last thing to do and one last loose end to tie up: Universe 666 Fu.

?: YOU WILL ALL DIE FOR WHAT YOU DID TO NICO!

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of red Chakra blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Universe 666 Fu, or I will blast you out!

Suddenly, we saw a figure come out, it was Universe 666 Fu, one of the resurrected Universe 666 Jinchuriki because of Universe 666 Sebastian.

Universe 666 Me: Fu.

Universe 666 Fu: J.D.?! Impossible, Nico killed you!

Universe 666 Lincoln: He did, but J.D. of the prime universe brought him and all those who died at that heartless snake's hands back. But, there's no way I can ever forgive you, you were J.D.'s brother, but you betrayed him and sided with that filthy snake.

Universe 666 Fu: He was weak!

Universe 666 Me grabbed her by the neck and kicked her hard into a wall of diamond Lincoln made and I snapped my fingers and we were on Planet Glaren.

Calliope Chomei: He wasn't weak, but you, what you did was an act of betrayal that can never ever be forgiven!

Suddenly, Calliope Chomei's orange eyes turned neon orange and she was surrounded by a green, orange, and white energy aura with stars, winds, beetles, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Universe 666 Fu, she left green, orange, and white energy, stars, winds, beetles, phoenixes, and angels with every step.

Calliope Chomei: I can never forgive you, Universe 666 Fu, what you did in Evil Nico's name was nothing more than dishonorable and atrocious. You along with the other Universe 666 Jinchuriki have caused so much pain and suffering that it isn't funny, we thought we wouldn't have to deal with you or the other Universe 666 Jinchuriki and Universe 666 Tailed Beasts, but because of what that violent deranged psycho did in bringing you all back, that crossed a serious line, and for that, I'm going to end you once and for all!

Suddenly, Calliope Chomei was surrounded by a massive vortex of pink energy with stars and winds surrounding the vortex, there are beetles, phoenixes, angels, and Chomei the Seven-Tailed Horned Beetle flying and running around the vortex, and in the vortex is an orange phoenix with Chomei's eyes in its wings and red eyes glaring at Universe 666 Fu: the red eyes of death. Then, as the vortex faded, Calliope Chomei emerged, but she was changed forever.

Calliope Chomei grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large mint green orbs orbiting around her legs, she has the body of a goddess, she has orange highlights in the bangs of her chin-length mint green hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon orange eyes and a green, orange, and white energy aura with stars, winds, beetles, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has Chomei the Seven-Tailed Horned Beetle emblazoned on her forehead and Third Eye with orange iris, she has on beetle earrings on her ears with orange gems for eyes and holding the Star, Wind, Seven, and Eternity Kanjis in its legs, she also has Chomei with green gems for eyes and holding the Star, Wind, Seven, and Eternity Kanjis in its legs for the second pendant on the bottom of her green Rhinoceros Beetle-shaped Element of Harmony along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with orange crystal links from her merged Crystal Necklace of the Buddha and orange gems on the gold lightning bolts and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Calliope Chomei has on a sleeveless white crop top, white skirt with the Seven Kanji on it, shorts, sandals, and long sleeveless white trenchcoat with stars, winds, beetles, phoenixes, and angels on the coattails, and on the back is Chomei the Seven-Tailed Horned Beetle surrounded by winds. Suddenly, Calliope Chomei felt a sharp pain on her back, and then, her massive green angel wings with orange tips on the large pink feathers grew much bigger for her new body and Chomei's six massive and long green insect wings for tails and seventh tail also grew much bigger and longer for her new body, Calliope Chomei has on her Ring of the Phoenix with large green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Calliope Chomei's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of green, orange, and white energy, stars, winds, beetles, phoenixes, and angels, and when it emerged, it was transformed into Calliope Chomei's Eternal Green Hurricane Windstorm Avatar Seven-Tailed Rhinoceros Beetle Phoenix Angel Greatsword of Eternal Green Hurricane Windstorm Avatar Seven-Tailed Rhinoceros Beetle Phoenix Angel Justice, it's a brand-new massive greatsword with embedded orange gems and Chomei The Seven-Tailed Beetle etched on the 7'6" massive, wide, double-edged green blade, large green beetle heads for the crossguard, large white angel faces built into both sides of the hilt and large orange gems embedded in their foreheads, longer midnight black handle, four large green beetle heads with orange gems for eyes and on the bottom of the large green beetle heads is a large green beetle head with orange gems for eyes and green gem in its mouth for the pommel, Calliope Chomei has on her large gold Bracers of The Champions of The Universe with large green gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Chomei's head with orange gems for eyes and large green gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below Chomei the Seven-Tailed Beetle with nine green magatama in between the kanji that said, "Calliope Chomei, Avatar of Calliope Chomei, Avatar of Chomei the Seven-Tailed Horned Beetle, Member of The Tailed Beast Avatar Guardian Angels, True Immortal and Powerful Warrior of The Universe, Dear Friend of Fu and Chomei, The Seven-Tailed Horned Beetle, Master of Winds and The Sky, Loving Guardian Angel and Future Wife of Lincoln Loud, Despiser of Bullies, Despiser of The Mean Loud Sisters, Archenemy of 2099 Scorpion, Destroyer of Universe 666 Fu, Amazing Member of Team Loud Phoenix Storm, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Ambassador and Beacon of Hope to The Universe, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True Goddess of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Winds, The Sky, Rhinoceros Beetles, Phoenixes, and Angels"

Calliope Chomei has transformed into SUPER ANGEL-SEVEN TAILS AVATAR-RHINOCEROUS BEETLE-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL HURRICANE WIND SKY TAILED BEAST SEVEN-TAILS RHINOCEROUS BEETLE PHOENIX ANGEL OF DIVINE COSMIC ETERNAL HURRICANE WIND SKY TAILED BEAST SEVEN-TAILS RHINOCEROUS BEETLE PHOENIX ANGEL JUSTICE AND DIVINE COSMIC ETERNAL HURRICANE WIND SKY TAILED BEAST SEVEN-TAILS RHINOCEROUS BEETLE PHOENIX ANGEL LOVE!

We were amazed by Calliope Chomei's Super Angel-Seven Tails Avatar-Rhinoceros Beetle-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Universe 666 Fu saw it, she fell into a rage and we saw her eyes change into that of the beast inside him and her nails grew into claws and she ran at her to kill her, but Calliope Chomei fired a massive barrage of green, orange, and white energy, stars, winds, beetles, phoenixes, and angels which hit Universe 666 Fu and sent her flying into a rock formation, she got back up, but boy was she pissed off majorly.

Me: HOLY SHIT!

Nico: That really is incredible! But, man, she really put the hurt on her!

Fu: It's not over yet, Nico. In fact, the show's about to begin.

Calliope Chomei: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Hurricane Wind Sky Tailed Beast Seven Tails Rhinoceros Beetle Phoenix Angel and Divine Cosmic Eternal Hurricane Wind Sky Tailed Beast Seven Tails Rhinoceros Beetle Phoenix Angel Love) But, it'll end all the same, Fu. Shall we, Lincoln?

Lincoln: Let's do it, Calliope.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well, and he joined Calliope Chomei.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I don't know what that lunatic was thinking with that damn contingency plan, but all the same, we're sending you right back to Hell where you belong!

Lincoln and Calliope Chomei went after Universe 666 Fu, and they fired extremely powerful blasts of rainbow energy, mint green, white, and orange energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Fu, and they exploded with incredible power as they hit her.

Then, they attacked her with energy slashes from their massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Calliope also left many more by firing mint green energy slashes with her claws, and he and Calliope attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Universe 666 Fu even more insane with rage than ever.

Universe 666 Fu: YOU! YOU! (ENRAGED SCREAM)

Universe 666 Fu went at them now completely blind with insane rage and fury, but Lincoln and Calliope kicked him hard in the stomach and Lincoln fired blasts of wind at her and she got hit hard and he slashed at her with his massive greatsword. They also attacked her with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Universe 666 Fu even farther into the edges of rage and madness.

Suddenly, Universe 666 Fu started transforming as all seven tails manifested and she transformed into her Tailed Beast. But, before she could attack, Lincoln swung his massive greatsword and fired Tailed Beast Bombs that hit and made the beast dizzy and disoriented and that caused the beast to transform back into Universe 666 Fu who was literally on her last legs.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental

Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you've finally transformed and let the beast out. Too bad for you, I know how to take you down. SEALING JUTSU: NINE PHANTOM DRAGONS!

Lincoln fired nine blue dragons and they surrounded Universe 666 Fu, and then, Lincoln began forcibly absorbing all of Universe 666 Fu's Tailed Beast Chakra as streams of red Chakra were being painfully removed from Universe 666 Fu and absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

Then, as soon as Lincoln was done absorbing all the Tailed Beast Chakra, the nine dragons disappear and Universe 666 Fu was dead. Then, Lincoln absorbed her body by stabbing her with one of his eleven massive and long white tails' tip turned into Cell's stinger and the stinger changed back as soon as he was done and he sent Universe 666 Fu's soul to The Black Gates. We all cheered wildly for what Calliope Chomei and Lincoln did as they holstered their massive greatswords and powered down and Calliope Chomei's new body, clothes, weapons, jewelry, Third Eye, seven massive and longer Chomei's tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive mint green angel wings are permanent.

Calliope Chomei: See you never, you monster. Thanks for helping me get rid of Universe 666 Fu for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Calliope.

Suddenly, Calliope Chomei wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Calliope Chomei's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Chomei the Seven-Tailed Horned Beetle flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and winds blowing behind them and we cheered wildly. Then, Lincoln and Calliope Chomei sucked in and absorbed the elemental forces and wind and they came back to us as the display vanished.

Then, we found ourselves back on Earth thanks to Lincoln.

Nico: Oh man, that was seriously an epic battle!

Me: You said it.

Universe 666 Me: But, Lincoln and Calliope did it, they defeated my former comrade and Lincoln killed him using The Nine Phantom Dragons and he absorbed the Tailed Beast Chakra of my Earth's Chomei, and without it, she died painfully.

Lincoln: But, we can't underestimate the rest of them at all, and there's also no telling what else that crazy lunatic has done in their resurrection.

Eli: Obviously, not good. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: The next member of The Midnight Society that we're meeting tomorrow is Amara Midnight, Second-In-Command of The Midnight Society.

Autumn Midnight: That's perfect, and you guys are going to love meeting her, Amara Midnight is Lincoln's Guardian Angel from Michigan and she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's the second-in-command of a new generation of The Midnight Society, and every night, she and her group meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the new leader of a new generation of The Midnight Society, and she hates Lynn with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, Lynn tried to attack us, but Amara sprayed Lynn with the hose and she used her dark powers and made Lynn's nightmares come to life, and she got so scared, she ran back inside the house and into her room and refused to come out for the rest of the night.

Nico: Whoa, now what was her fear?

Lincoln: Having to get a bath and being taught manners and discipline along with having her sports career ended.

Me: The bath and manners and discipline really hit her hard because Dark Lynn enjoyed smelling like a pig and liked being rude and disgusting.

Nico: Ugh, Lynn, seriously?!

Luna: Yep, we've had to deal with her rude manners, lack of discipline, and lack of hygiene, and it's gotten on our nerves. But, we knew the culprit behind that: her Dark Side.

Lincoln: And the one who put her in Lynn: Killjoy Huggins through the Dark Side Creation Serum he was given by Dark Chase Young.

Webstor: That's it for Tenneson.

Bane: Never mess with a monster truck.

Vexen: Or his friends.

Me: That is for sure.

Firefly: Now, let's celebrate!

Calamitous: Creech, what should we get you?

Creech: Scrap Metal.

Me: He eats scrap metal.

Nico: Yep. Great job today everyone!

Eli: (To the viewers) Now Tenneson is behind bars forever.

Me: Yes he is.

We went to Lynn's Table and it was awesome and we had a great meal and got Tripp and friends settled in and also we enjoyed the rest of the day and went to sleep.

Qin: Me too Joan.

Nico: Joan, remember when you met Lincoln?

Joan Gutierrez: I sure do. It's when I found him being beaten up by Chandler and his goons and I stepped in and kicked Chandler in his face. I warned that if he ever hurt Lincoln ever again, I would unleash the wrath of the Heavens on him 10 fold.

WE GASPED!

Xenia: GEEZ!

Laney: It's true. I was there when I heard it. It was incredible.

Nico: Whoa man!

Me: Yep and Chandler would have incurred the Divine Wrath of the heavens if that happened.

Nico: Geez!

Camie: Wow! Joan you and your sisters are amazing to have done that.

Joan Gutierrez: I know.

Sakura Knudson: What is the story of the Lightsworn Monsters? I know the monsters themselves but not the story behind them.

Joan Gutierrez: Well The "Lightsworn" are a group who seek to save those who pray for help, crossing time and space in order to help them. By consuming vast quantities of magical energy, they appear on the material plane and challenge those evildoers who threaten the era they appear in. Once their job is done and the evil has been stopped, they return to their home plane, disappearing without a trace. Their founder, "Michael, the Arch-Lightsworn", is responsible for enlisting the souls of heroes worthy of joining the "Lightsworn". As they travel in order to fight evil, they also recruit the heroes of that time.

Me: Wow!

Sakura Knudson: Took the words right out of my mouth. That is incredible.

Camie: It sure is.

Nico: And now, you're part of Lincoln's harem.

Joan Gutierrez: I sure am. Me and my sisters are.

Lincoln: That is for sure.

Anna Anyanova: Just like me and all my fellow Guardian Angels.

Nico: Yep.

Me: It was awesome to see Tripp and Creech again. And Meridith too.

Nico: I liked how Creech was a sentient monster truck.

Laney: Me too.

Lana: That was awesome.

Nico: But J.D. you never told us that you new Tripp and Creech and Meridith.

Me: You never asked about it.

Nico: Touché. But that is awesome.

Me: Yep. And it was fun catching up with him again. And also it was awesome hearing Creech talk too.

Lana: It sure was. His voice sounded like Wilford Brimley's.

Nico: He can talk now thanks to Double D.

Vinyl Scratch: Yeah just like how Lisa made a voice box for me too.

Me: That is true.

Lisa Loud: Indeed and it was really amazingly well made.

Nico: It sure was. And also we took care of Tenneson.

Me: Thank goodness. Now he is back in prison where he belongs.

Xenia: Good riddance.

Nico: The guy was a dirtbag.

Me: And he cared more about the almighty dollar than anything else.

Eli: Yeah what a clod.

Varie: Yeah what a jerk.

Me: Like what Virgil says: "What a mockery is made over the brief battle for possessions that make so short a life."

Nico: That is too true. He won't last a year in prison.

Me: Nope.

Nico: Which Virgil said that?

Me: Virgil from over 2,000 years ago,

Nico: Oh right! The one that helped Dante, the Treasure of Rome.

Qin: Yeah right!

Nico: Almost forgot about that.

Me: No worries.

Camie: Yeah but that is very wise though.

Me: It sure is.

Sunny Starscout: Yeah. By the way J.D. are you sure about this?

Me: I sure am.

Nico: Why are we heading in to this part of Maretime Bay again?

Me: To recruit Sprout Cloverleaf into the Redemption Squad. I know it may not seem right but at least lets give him a shot at redemption.

Sunset Shimmer: Just like how I felt about friendship and all that.

Maria: We trust your judgement.

Me: We did so before with many people and we can do so again.

We found Sprout sweeping.

Me: Hello Sprout.

Sprout saw us.

Sprout Cloverleaf: Oh hey guys. Just working hard as part of my punishment for my crimes.

Me: Yeah about that. Sprout I know what you did was terrible.

Sprout Cloverleaf: Because I let my own fear and cowardice get the better of me. I almost started a war.

Me: Look Sprout, you were just overcome with fear. And you were scared about Unicorns and Pegasi reuniting.

Juran: Mind filling some of us in?

Me: Oh right. Many of you guys haven't heard about this. And to help you understand we got to tell you about what Sprout did.

I went over his history.

Sprout Cloverleaf is the main antagonist of the 2021 Netflix-exclusive animated movie My Little Pony: A New Generation and its 2022 video game spinoff My Little Pony: A Maretime Bay Adventure. He's also a minor character in My Little Pony: Make Your Mark, especially in Chapter 2 and Winter Wishday, and the 2022 comics of My Little Pony.

He, alongside his close friend Hitch Trailblazer, served as the sheriff of Maretime Bay, serving and protecting the residents, but also keeping away both unicorns and pegasi from entering the city. He is also the son of Phyllis Cloverleaf, who is the founder of Canterlogic in Maretime Bay and the former childhood friend turned enemy of both Sunny Starscout and Hitch Trailblazer.

He was voiced by Ken Jeong, who also plays as Mr. Greene in Norm of the North, Leslie Chow in The Hangover, Dr. Yap in Bob's Burgers, King Argotron in Role Models, Ben Chang in Community, and Neil Lyman in Furry Vengeance. His singing voice was provided by Alan Schmuckler. In A Maretime Bay Adventure and Mark Your Mark, he was voiced by Josh Graham.

Past

Sprout was born to a mare named Phyllis Cloverleaf, who is the owner of Canterlogic. Growing up into a colt, Sprout has developed an arrogant attitude. He then became best friends with Hitch Trailblazer, and even played together at the beach once. Due to his arrogant nature, Sprout didn't let the fillies join in on their fun, which cause Hitch to left them and play with her instead and got himself a cutie mark as result, much to Sprout and his friend's dismay.

In his childhood, Sprout was first seen playing with carved figurines of the Mane Six with Sunny Starscout and Hitch Trailblazer. While he and Hitch were taught to fear and despise other pony races, Sunny believed in the possibility of friendship between the three pony races and dreamed of befriending a pegasus and a unicorn one day. He and Hitch later left Sunny's home.

As he grows up, Sprout becomes a deputy sheriff of Maretime Bay. One day, he was seen spying on Sunny to prevent her from reaching the Canterlogic Building. After her attempt was foiled thanks to Hitch and Sprout's interventions, Sunny eventually sneaks past them into the building. During the presentation, he and Hitch witness Sunny's attempt to convince other ponies that pegasi and unicorns can be friends.

Suddenly, when an unicorn named Izzy Moonbow comes to Maretime Bay, Sprout is seen being afraid of her along with the other earth ponies. After Sunny releases Izzy from a unicorn strapping device, Sprout cowardly gets himself trapped inside the device so he wouldn't come to the lighthouse with Hitch. When he and Hitch arrived to arrest Sunny, Sprout cowardly runs away when Izzy makes a distraction that allows her and Sunny to easily sneak away from them.

Later at the Maretime Bay police station, Hitch leaves Sprout in charge to keep the citizens safe while he goes after Sunny and Izzy. When a jealous Sprout complains about how Hitch became a loved and respected figure, his mother Phyllis embraces his new position as the temporary sheriff. Enjoying his position, Sprout convinces the earth ponies to use fear and paranoia for his self-purposes, with singing the song "Danger, Danger".

At the Canterlogic factory, Sprout, now called himself an "emperor", oversees the workers building a large machine so he could use it to carry out an ethnic cleansing against the pegasi and the unicorns. He also ordered them to continued with the project instead of letting them taking a break. Despite his mother's effort of having him take it easy, he is still determined to continue with the project.

In the afternoon, Sunny and Hitch returned but discover that Sprout taken over Maretime Bay and has prepared to wage a war on the other pony races. Sunny and Hitch try to reason with the earth ponies, as even Hitch now knows that he was wrong about unicorns and pegasi and tells them they can really be friends and says they're just as harmless as they are because they have no magic, much to Phyllis's surprise. But Sprout still didn't care that they're defenseless and still wants to attack them. He then uses his massive tank that can be used against the pegasi and unicorns called "Sprouticus Maximus" and chases Sunny and Hitch. Before the duo could warn everypony else, Sprouticus Maximus appears to endanger everypony present.

When Sunny and her friends try to unite the three crystals, Sprout tries to prevent them from succeeding at it by ramming his tank to the side of the lighthouse. When Phyllis tries to stop her son from descending into madness, but Sprout ambitiously and determinedly refused to until she jumps off in front of the machine, leading to him accidentally destroying both the lighthouse and Sprouticus Maximus in the process, but survives. However, Sprout is then seen listening to Sunny saying that the three pony races themselves can bring everything back by reuniting. He later witnesses Sunny turn into an Alicorn and the magic being brought back in Equestria.

At the end of the movie, Sprout asks his mother if he was a good sheriff, only for him to be tricked into seeing a flying dog. After she walks away as to avoid answering his question, he was last seen sulking in dismay. it was not mentioned in the film whether he was forgiven or imprisoned, although in the Make Your Mark episode "Top Remodel", he mentions that they "agreed to let it pass".

## Chapter 2

In "Growing Pains", Sprout is doing community service ever since the events of A New Generation, and like most of the Earth Ponies in Maretime Bay, he's not used to having all that magic. Unfortunately, he still hasn't changed his arrogant and petty ways as he bragged about his magic. After causing a plant to grow a large berry the size of a pony, it began rolling away. This makes the ponies believe that the Magic is out of control.

As Hitch puts the Earth Pony magic on hold from Maretime Bay, everything goes haywire. from the trees changing colors randomly, and vines growing out of proportions. Hitch discovers that the cause was the buildup of Earth Pony magic, and allows the Earth Ponies, Sprout included, to use their magic once again.

At the end, Sprout accidentally causes a bigger berry to roll down the hill, allowing Hitch to grow a tree in order to block it, only to get splattered in glitter goop.

Sprout has a cameo in the episode "The Traditional Unicorn Sleep-Over", while Sparky was running away from Izzy.

Chapter 3

Sprout is seen in the beginning of the special My Little Pony: Winter Wishday, putting up a wreath and other Winter Wishes decorations with the rest of the ponies of Maretime Bay.

Chapter 4

In "Top Remodel", Sprout discovers that the Mane Five are went to abandoned Canterlogic factory that her family has closed down and follow them inside to make sure that they won't mess anything up. Along with the Mane Five, he also got scared whenever he heard something creepy lurking inside the building. After discovering that Sprout was inside with them, Hitch and Pipp wasn't really happy of seeing him following his actions during the events of the movie. However, they discovered that the factory is infested with winged rats and tried many ways to get rid of them, but only for Sprout to leave both Hitch and Pipp to deal with them later on. After the winged rats are gone and the factory is converted into Canterlove Studios, Sprout claims that it's still his and his mother's property instead of showing gratitude towards the Mane Five, proving he still never changed his petty and immature ways at all.

My Little Pony: Tell Your Tale

So far, Sprout has not appeared in the series. However, his crimes and actions would be remembered as a criminal and a tyrant after his true colors and intentions were revealed throughout the

Maretime Bay, making him infamous and living in shame and disgrace as result of this. He also received a wanted poster in front of the Maretime Bay police station noticeboard.

My Little Pony (2022 comics)

Issue #6

Sprout is only seen on the B Cover of the comic book, showing Sprout as a colt in a messy bedroom with green army ponies and toys everywhere.

When I was done everyone that hadn't heard about it was shocked!

Juran: Whoa!

Sunny Starscout: Yeah we were shocked too.

Hitch Trailblazer: But looking back I can't believe that we hated Pegasi and Unicorns like that.

Me: Blame Opaline for that.

Nico: Yeah.

Me: At first I thought it was Sprout that was behind it all. But as the years went by and found out that it was Opaline that was behind it all, I realized now that Sprout was nothing but a pawn in all this.

Nico: Geez!

Sprout Cloverleaf: How did you know all that though?

Me: We have this very important rule that we follow down to the very last letter: Know Thy Enemy. We don't act until we gather all the information we need about them.

Sprout Cloverleaf: Wow. I didn't know you follow that one.

Me: Well now you do.

Sprout Cloverleaf: I heard about how Opaline did all that and it was terrible.

Me: What she did was beyond unforgivable. She tore all of Equestria apart and destroyed everything that Twilight Sparkle worked so hard to do for everyone.

Nico: She was pure evil incarnate.

Me: Yeah.

I went over everything she did and more and how Opaline tore all of Equestria apart and how she destroyed everything that Twilight worked so hard to do and how she divided everyone and everypony.

Opaline was a monster and more. A Powerhungry monster.

When it was done he was shocked and then he realized that he felt like nothing but a pawn in all this and how he was duped and was lied to.

Nico: But she got what she deserved.

Me: And then some.

Lola: Yeah no kidding.

Sprout Cloverleaf: Oh wow. Guys, I am so sorry! I can't believe I hated ponies like that over a lie.

Nico: It's not your fault Clover. Opaline lied to EVERYONE and EVERYPONY and she got what was coming to her.

Xenia: Yeah no kidding.

Sprout Cloverleaf: I want to change and help you all out. I want to redeem myself.

Nico: All you had to do was ask

Maria: And we'll gladly help you on the right path.

Me: All right!

Nico: And I know just the place to start.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Maria, are you familiar with someone by the name of Connie Flammel?

Maria gasped.

Maria: CONNIE FLAMMEL?! Oh, God, what the Hell?! I thought I was done with that bitch!

Nico: You know her?

Maria: I wish I hadn't. Connie Flammel is one girl I absolutely despise, she's one really mean and really nasty girl whom I met in Kindergarten, and she hated me with a vengeance, and when I say she's really mean and really nasty, I mean REALLY MEAN AND REALLY NASTY!

We gasped.

Me: Maria, tell us the whole story. I've got a feeling this'll be like with Bethany Reginald and Amanda Martin.

Maria: You got it, and this also involved Lincoln's Guardian Angel, Callie Flammel, and the one girl who helped me expose her toxic sister.

---

Maria's days in Dakota High before she got turned into Aquamaria were awesome, but that's not always the case, as scenes of a black haired girl dressed in black clothes rushed in of her throwing water at Maria, putting a beehive in her locker, and all sorts of horrific things occurred while the black-haired girl was laughing malevolently like a crazed bitch: that was Connie Flammel.

Maria: Even as I was growing up, Connie Flammel always tried to find ways to hurt me badly, and no one was able to do so because her family was rich, not to mention that she was completely insane and extremely murderous, just one wrong move and she was going to kill someone. Immediately, I'd thought of some way to dig up some dirt until someone came to help me.

A girl with purple hair and pink streaks and dressed in purple clothes came to help her.

Maria: That person was Callie Flammel, Connie's little sister, but unlike her, she was one awesome and really kind-hearted girl. She really despised her sister so much, she wanted to find some way to take her down. So, we got straight to work on digging up dirt on her by asking around, and what we found was horrifying.

Me: What did you two find out?

Then, scenes of Maria and Callie Flammel played out of them gathering evidence on Connie Flammel and even asking around the neighborhood on her and scenes of her worse crimes came to light.

Maria: We soon discovered that Connie was even worse than anyone can imagine: Connie flooded the school building with raw sewage a few months ago, she even stuffed a whole hornets' nest inside the girls' locker room, she set off firecrackers all over the school, she triggered the fire alarm and once everyone was outside, she sprayed everyone with tar and covered everyone in feathers, and she'd even tried to burn the school down, but was stopped.

WE WERE ABSOLUTELY DISGUSTED!

Nico: WHAT A CLASS S MONSTER BITCH!

Maria: Yep. Soon enough, we compiled all of the evidence together, and the next day, we saw that evil bitch trying to put snakes in the lockers, and Callie and I confronted her. Then, we proceeded with our plan: we exposed all of Connie's crimes and sadistic depravity to everyone in the school and they were absolutely disgusted and enraged, and we absolutely pissed her off.

Past Connie Flammel: WHAT THE FUCKING HELL?! I CAN'T BELIEVE YOU TWO TEAMMED UP TO RUIN ME! YOU'RE SUCH A BITCH, CALLIE, YOU AND THAT OTHER BITCH ARE GOING TO PAY FOR THIS!

Past Maria: Blow it out your ugly ass, bitch. You've had this coming for all the crap you've pulled.

Past Callie Flammel: You've always been nothing more than a terrible person, Connie, and you've always made the lives of everyone nothing but Hell. If anything, you got your just desserts, burn in Hell forever.

Maria: Connie eventually blew a gasket, and she rushed at us to kill us in a fit of rage and she even threatened to kill everyone at school and burn the place down, but Callie having had enough of that bitch, fired a blast of magic which hit and tied her up in a straitjacket. We dragged her straight to the principal and the principal already decided that upon the quick review of Connie's crimes and all of the trouble she's caused in the past, she was immediately expelled and her parents had her sent to a boarding school in Russia.

Eli: Sheesh.

Lincoln: And Callie said to Maria that if Connie dares to come back for revenge, she'd get her parents and they'd come over and they'd disinherit her from the family fortune and both the fortune and the estate will be passed on to Callie, and Connie will be disowned forever.

Nico: Just like what happened with Amanda Martin. So, that's what's going to happen to her.

Maria: And if I'm not mistaken, there's no doubt that Callie and her parents are on their way here. Let's take care of Connie and tie her up before that Class S Monster Bitch comes after us.

Lincoln called the rest of the team here and he told everyone the situation, and needless to say, they too were pissed off.

Lori: So, we literally got another monster bitch running loose?!

Maria: She's worse than a monster bitch, Lori, she's a Class S Monster Bitch out for blood.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: Maria, are you familiar with someone by the name of Connie Flammel?

Maria gasped.

Maria: CONNIE FLAMMEL?! Oh, God, what the Hell?! I thought I was done with that bitch!

Carol: I remember Connie. She was pure evil!

Lola: Boy no kidding there.

Xenia: We're going to make her pay for her crimes.

Varie: Big time!

Horsea: I'm with you, Maria!

Nico: Me too sis!

Me: Yeah!

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more

stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Connie Flammel) AHA! Gotcha! I just spotted that heartless bitch, she's 20 yards away and closing in fast on Maria.

William: If she so much as lays one hand on my wife, I'll gouge her eyes out and shove them right down her throat!

Lincoln: She won't lay one hand on Maria after we get through with her. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Connie Flammel.

We were flying.

Horsea: She's here somewhere.

Me: Come out come out wherever you are.

And then, we saw Connie Flammel, and she was already causing havoc by trashing many cars and literally beating people up and cackling like the bitch that she is.

Maria: Laugh while you can, bitch.

Maria fired powerful blasts and streams of water which hit Connie Flammel which swept her off her feet and threw her into a tree and she crashed into it hard.

CRASH! SMASH!

The tree snapped and smashed onto her.

Connie Flammel: I'm hurt now!

Me: Oh shit.

Nico: Let's head down there before it turns into a nasty catfight.

Suddenly, a massive wave of water appeared and sea creatures from all over fired blasts of water at Connie Flammel and she got hit hard. Then, the wave of water and sea creatures crashed into the ground as a massive tornado of water formed, and then, a Thunderbird Screech and Phoenix Cry was heard and we appeared, and that pissed off Connie Flammel when she saw Maria yet again.

Connie Flammel: YOU GODDAMN FUCKING BITCH! HOW DARE YOU SHOW YOUR FACE TO ME AGAIN!

Maria: Look who's talking, bitch, that's just what I was going to say to you!

POW!

Maria punched Connie Flammel hard in the face and knocked out some of her teeth, and that pissed her off.

Maria: I never would've guessed you'd show your ugly face again, Connie. I thought I was through with you after you got expelled for your crimes and sent to that boarding school in Russia.

Connie Flammel glared furiously at Maria and it looked like she was about to bust a vein in her head, and she tried to stab Maria with a knife, but she kicked the knife out of her hand and she grabbed her and Judo threw her into a trashcan.

CRASH!

Everyone saw it and they all laughed at the bitch: SERVES HER RIGHT!

Nico: Now, everyone knows what kind of person you really are, nothing but trash.

Maria: And soon, no one's going to miss you.

Connie Flammel: You should've stayed mutated, bitch!

Maria: Says the girl who has the ugliest kind of face ever!

Connie Flammel: (GASPS) OH YOU DID NOT JUST GO THERE BITCH!

Maria: Oh yes I did!

Connie Flammel: Oh I am so going to give you a bunch of good ROUNDHOUSE KICKS TO THE FACE!

Maria: You motherfucking pissant!

Connie Flammel: YOU FILTHBUCKET OF SHIT!

Billy: CATFIGHT!

KROW!

Connie kicked her in the face and gave her a black eye!

Maria: Oh yeah!?

SMASH!

She smashed a powerful punch into her face and broke her nose! Then they wrestled all over and were punching and bashing each other all over the place!

Maria went at Connie and punched her in the face!

KRABLAM!

Nico: BRUTAL!

Horsea: I'll help you Maria!

She fired waves of ink and squirted it into her eyes!

Poromon smashed beer bottles on Connie's head!

Luan: Henshin!

LAUGH!

She turned into KAMEN RIDER NITROUSA!

It was a yellow Rider form and it had N2O on it.

Luan: I am Kamen Rider Nitrousa!

Me: WHOA! That is awesome Luan!

Eddy: WOOHOOHOHO! Way to go Luan!

Me: You have your own Kamen Rider Gotchard form. That is cool!

Luan: Thanks.

Me: N2O. Nitrous Oxide or laughing gas! That's fitting.

Luan: It sure is.

She turned into THE FOREVER BLUE RANGERS!

Lori: I am Legacy Blue!

Leni: I am Kamen Rider Serpenta!

Lucy: I am Legacy Black!

Lana: I am Kamen Rider Dragster!

Lola: And I'm Legacy Red!

Nico: Cool!

Horsea Squirted more ink!

It got in her eyes.

Maria punched Connie in the face and grabbed her in a headlock!

Maria: SUPER NOOGIE!

BUZZSAW NOISES!

Nico gave her a wet willie!

SPLAT!

Connie Flammel: EW! YOU ARE DISGUSTING!

Nico: No THIS is disgusting!

He shoved her face in his butt and then…

LOUD FART!

He farted in her face at point blank range and she gagged, coughed and threw up.

Nico: Better to be disgusting than to be a person like you!

Carol: Like this!

She fired a blast of fire burned Connie right on her butt!

Connie Flammel: (SCREAMS IN PAIN)

Carol: Remember me bitch!?

Nico licked her cheek.

Nico: You are a disgusting bimbo.

POW!

Carol punched her face!

Carol: Remember me!?

Connie: YOU!

Carol: Yeah that's right! Carol!

POW!

She punched Connie!

Carol: That was for putting firecrackers in my locker!

She showed a nasty burn mark on her arm!

Carol: You almost made me lose my arm! Now I'm going to return the favor!

Nico: SAY WHAT!?

Carol: Maria wasn't her only victim.

She punched Connie in the face.

Carol then fired a blast of radioactive sap and burned her all over.

Connie slapped Horsea. But Horsea dodged it.

Horsea: MISSED ME MISSED ME NOW YOU GOT TO KISS ME!

She kissed Connie full on the mouth!

Connie spit a lot.

Nico: Nice!

Maria then grabbed Connie by her neck.

Maria: Lets get one thing straight you pompous bitch! I am not the same Maria that you pushed around years ago! I am now stronger and more powerful than ever and you will NEVER AGAIN bully and push me around! I am now 1,000,000,000,000 times better than you!

Connie spit at her.

Maria was unfazed by that.

Maria: I'm not the same girl you pushed around. By all accounts, the Quantum Vapor should have killed you!

Nico: I don't think the Quantum Vapor ever killed someone. Only mutated

Me: Well it could have. It was a biohazardous mutagenic compound.

Nico: True.

Suddenly, Maria's amber eyes turned neon amber and she was surrounded by an aqua blue energy aura with stars, water, ocean waves, water horses, sea creatures, mermaids, phoenixes, and angels, she unholstered her massive Maria Rockell's Egypt Tefnut Oceanic Ocean Maelstrom Mermaid Phoenix Angel Greatsword of Oceanic Ocean Maelstrom Mermaid Phoenix Angel Justice, and as she approached Connie Flammel, she left aqua blue energy, stars, water, ocean waves, water horses, sea creatures, mermaids, phoenixes, and angels with every step.

Maria: You really are nothing more than a pile of garbage! Ever since you came to Kindergarten all those years ago, all you've ever been is nothing more than trouble, you've hurt me many times in the past, and when I was in high school, you've also harmed a ton of people with all of your goddamn evil stunts, you've never had a single kind bone in your body. All you've ever been is a cruel remorseless Class S Monster Bitch with a malicious heart of hatred, you deserved to get your comeuppance for making everyone's lives Hell, Connie, including mine and Callie's. But, now I find out you busted out of the boarding school to come after me for revenge, your brain's seriously rotted away from all that hatred you've harbored against me for years. Well, that ends here, now I'm going to put you down like the rabid dog that you are.

Suddenly, Maria was surrounded by a massive vortex of aqua blue energy with stars, water, and ocean waves surrounding the vortex, there are water horses, sea creatures, mermaids, phoenixes, and angels flying and swimming around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Connie Flammel: the red eyes of death.

Nico: This is it!

Me: Now, it's about to get really ugly.

Connie Flammel went insane with rage and ran at the vortex to stab Maria again, but the force of the vortex was so powerful and the tides were too strong, it swept Connie away and sent her crashing into yet another tree: SERIOUSLY, SHE'S JUST THAT GODDAMN STUPID! Lincoln fired a blast of water at her again when he saw her trying to attack Maria again.

Me: SERIOUSLY! AGAIN! UGH!

Nico: She really is stupid.

May: Grow up, you bitch!

Then, as the vortex faded, Maria emerged, but she was changed forever, and Connie Flammel would really be in for some serious Hell now!

Maria grew from 7'9" to 8'0" in height, she has metal gold bracers on her biceps and thighs, and she now has eleven large aqua blue orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind her head, she has neon amber eyes and an aqua blue energy aura with stars, water, ocean waves, sea creatures, water horses, mermaids, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has a mermaid emblazoned on her forehead and Third Eye with aqua blue iris, she has on mermaid earrings with aqua blue gems for eyes and holding the Water and Eternity Kanjis in her hands, she also has a mermaid with aqua blue gems for eyes and holding the Water and Eternity Kanjis in her hands on the bottom of her aqua blue mermaid-shaped Element of Harmony with aqua blue crystal links from her merged Crystal Necklace of the Buddha and aqua blue gems on the gold water drop links and she has on a white and gold accented choker on her neck. Maria has on an aqua blue dress with ocean waves, aqua blue stockings, aqua blue sneakers, and long sleeveless white trenchcoat with stars, water, ocean waves, sea creatures, water horses, mermaids, phoenixes, and angels on the coattails, and on the back is a mermaid and water horse surrounded by water. Suddenly, Maria felt a sharp pain on her back, and then, her massive brown angel wings with blue tips on the large brown feathers grew much bigger for her new body. Maria has on her Ring of the Phoenix with large aqua blue gem and heart-shaped gem embedded in it on her right ring finger and wedding ring on her left pinkie finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Maria's massive Maria Rockell's Egypt Tefnut Oceanic Ocean Maelstrom Mermaid Phoenix Angel Greatsword of Oceanic Ocean Maelstrom Mermaid Phoenix Angel Justice and all the greatswords and swords she'd gotten began merging together and they're surrounded by a kaleidoscope of aqua blue energy, stars, water, ocean waves, sea creatures, water horses, mermaids, phoenixes, and angels, and when it emerged, it transformed into Maria Rockell's Cosmic Eternal Egypt Tefnut Oceanic Ocean Maelstrom Water Horse Mermaid Phoenix Angel Greatsword of Cosmic Eternal Egypt Tefnut Oceanic Ocean Maelstrom Water Horse Mermaid Phoenix Angel Justice, it's a brand-new massive greatsword with embedded blue gems and a mermaid and phoenix and The Egyptian Goddess of Water, Tefnut, etched on the 7'9" massive, wide, double-edged aqua blue blade, large aqua blue phoenix heads for the crossguard, large white angel faces built into both sides of the hilt and large aqua blue gems embedded in the foreheads, longer midnight black handle, four large aqua blue phoenix heads with aqua blue gems for eyes and large aqua blue phoenix head with aqua blue gems for eyes and large aqua blue gem in its mouth on the bottom of the phoenix heads for the pommel, she has on her large gold Bracers of The Champions of The Universe with aqua blue gems on her wrists and Dragon Ball Bracelet on her left gold Bracer, her large gold Belt of Elemental Bravery with a gold phoenix head with aqua blue gems for eyes and large aqua blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Maria's Super Angel-Water Horse-Mermaid-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation, but when Connie Flammel saw it, her face went red with rage and she ran at Maria with a knife again to stab her: what an idiot, but Maria fired a massive barrage of aqua blue energy, stars, water, ocean waves, sea creatures, water horses, mermaids, phoenixes, and angels which drenched and hit Connie Flammel and sent her flying into yet another tree, she got back out, but now, she was mega enraged and completely insane.

Maria: (Divine Echoing Godly Voice of The Cosmic Egypt Water Maelstrom Tefnut Sea Creature Mermaid God Phoenix Angel and Divine Cosmic Egypt Water Maelstrom Tefnut Sea Creature Mermaid God Phoenix Angel Love) You really are still as insane as ever, Connie. But, that ends here and now.

Me: You're gonna pay for everything you've done to her, you bitch!

We all stood ready and the bravery coming from Maria and all of us at her side made Connie Flammel so extremely angry, her face and body turned red with rage along with her eyes and the sclera turned bloodshot and she was blowing steam out of her nose: she looked like a raging bull and she let out a ballistic scream as we charged at her and she barreled towards us in pure rage.

grabbed Horsea and started to choke her. But she saw that it was really a stuffed dummy.

Connie: What the!?

Lincoln, Maria, and I went after Connie Flammel, and we fired extremely powerful blasts of rainbow energy, aqua blue energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Connie Flammel, and they exploded with incredible power as they hit her.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Maria, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Connie Flammel even more insane and straight to the brink of insanity.

Connie Flammel: YOU! YOU! (ENRAGED SCREAM)

Connie Flammel charged at us completely blind with rage and fury, but Nico, May, and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at her and she got hit hard and he slashed at her with his massive black greatsword. Then, Lincoln fired a rainbow energy straitjacket that tied her up and we holstered our weapons and powered down, and Maria's new body, clothes, weapons, jewelry, Third Eye, large gold halo, and massive brown angel wings are permanent.

Suddenly, Lincoln heard a fancy black limo arrive.

Me: Wow fancy limo.

Maria: (GASPS) Oh man, Lincoln, did you…?!

Lincoln: (Smirks) Yep. I just called Connie's parents over, along with the one person who helped you in getting her expelled.

Suddenly, we saw a very beautiful and super sexy girl with long purple hair with pink streaks and pink hairband, purple eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful purple angel wings, she's dressed in a purple short-sleeved blouse, purple short-sleeved frilly shirt, purple skirt, white bridal gloves, purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, darkness, magic, Alicorns, dragons, phoenixes, angels on the coattails and on the back is Chaos Emperor Dragon - Envoy of The End and Twilight Sparkle and holstered on her back is a massive golden greatsword.

Lincoln: (GASPS) Callie Flammel, Gene-Slammer of Chaos Emperor Dragon - Envoy of The End and Embodiment of Twilight Sparkle and the Element of Magic.

Callie Flammel: That's right. (To Connie Flammel) And I knew you'd be back causing trouble again, you heartless brat.

Just then, we saw Mr. and Mrs. Flammel come out and they joined Callie, and they too were pissed off at Connie Flammel.

Mr. Flammel: I am so absolutely disgusted by your behavior, Connie! So, everything we'd heard from Callie, Maria, and the others was true! You've absolutely tarnished our family's reputation with your despicable actions!

Mrs. Flammel: I can't believe that you're even our daughter! What kind of person could do those evil acts to so many innocent people?!

Me: A heartless, evil, Satanic monster.

Maria: Everything we told you long ago is all true, Mr. and Mrs. Flammel. Your daughter is a monster with a complete disregard for the lives of those around her, she's been a nightmare to everyone for years ever since she first came to Kindergarten! She's gotten away with everything by using your reputations, and no one's been able to stop her, and let's not forget what she'd done in maiming everyone who's crossed her path, many of them had to spend two months in the hospital or wound up dead because of her!

Callie Flammel: And I helped expose the truth on her, Mom and Dad.

Lincoln: Connie wasn't going to get away with this, Callie and Maria stood strong and they worked together on getting all of the evidence needed to expose Connie.

Mrs. Flammel: And we're so proud of them, especially you, Callie. You never gave up, sweetie, in your pursuit of justice, and you and Lincoln truly are truly one amazing and cute couple.

Lincoln's face turned atomic red and so did Callie's.

Callie Flammel: (Face turned atomic red) Mom.

Maria: Well, your mom's not lying, it's true, Callie.

Lincoln went up to Callie Flammel and kissed her on the lips and she returned it. Then, they turned to Connie Flammel.

Mrs. Flammel: Aww. That is so adorable. But back to Connie.

Mr. Flammel: We've done our best to raise you right, but instead, you went downhill and you started causing trouble, God knows how many times that we'd been called to the school involving yet another of your stunts. You've used our reputations to get away with doing horrible things to innocent people, and to find out you'd seriously harmed those innocent people even taken their lives, you will never ever be forgiven for this, and this all ends here and now!

Mrs. Flammel: Agreed, honey. Connie, you are hereby disinherited from our family fortune and both the fortune and the estate will be passed on to Callie, and you are also disowned from our family forever.

Connie Flammel: WHAT THE FUCK?! YOU CAN'T DO THIS TO

ME! YOU WEAK, SPINELESS, SENILE OLD FOOLS! WHEN I GET OUT OF THIS, I'LL FUCKING KILL YOU ALL ALONG WITH THAT LITTLE BITCH AND THAT METAHUMAN BITCH! DO YOU HEAR ME?!

Lincoln fired a rainbow energy blast which turned into a muzzle and she was muzzled.

Maria: Thank you for that, Lincoln, I'm getting sick and tired of hearing her big fat mouth running off like that! And I thought Tamara Lawrence had a big fat mouth!

Mr. Flammel: There's no use in trying to talk sense into you, everyone was right about you, you're just a petty, greedy, selfish, sadistic and monstrous demon and there's no place for you in this world nor the next. Lincoln, would you do the honors?

Lincoln: Yes, sir.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and the 7'9" massive, wide, double-edged gold blade was covered in rainbow energy.

Lincoln: Never show your face in public ever again.

Lincoln held his massive greatsword above his head, and then… !

SLASH!

Lincoln brought his massive greatsword down on Connie Flammel's head decapitating her and both her head and body burst into rainbow flames and he sent her soul to The Black Gates forever. Lincoln holstered his massive greatsword on his back and came back to us.

Nico: Good riddance to that crazy bitch.

Me: You said it. And Lincoln, are you going to introduce us?

Lincoln: That's just what I'm about to do, J.D. Everyone, this is Callie Flammel, Gene-Slammer of Chaos Emperor Dragon - Envoy of The End and Embodiment of Twilight Sparkle and the Element of Magic, she's my Guardian Angel from Dakota City and she's a powerful and kind person who has the powers of darkness and she's a powerful master of all kinds of magic. But, there's one person in her own family whom she hates with a passion, and it's her older sister, Connie Flammel, who's the total opposite of her in ever way: Connie Flammel is a NASTY AND REALLY MEAN girl that Maria met in kindergarten, and she hates Maria with a vengeance. Callie knew of her older sister's crimes and her hatred towards Maria, so she set out on a mission: and that's to gather the evidence on Connie, and she worked with Maria on this task. They succeeded on gathering the information on her, and one day, both Callie and Maria confronted her and they both showed everyone at school the information on Connie, and as a result, Maria and Callie got her expelled, and because of her horrible and disgusting behavior, she was sent to a boarding school. But, Callie swore if Connie dared to break out of there, she would come after her and end her.

Nico: Just like what Maria said to us about her.

Qin: And I thought Amanda Martin was the worst.

Callie Flammel: She's just like Amanda Martin in every way, along with that sadistic monster bitch and slut, Audrey Madison.

Lincoln: That's right.

Lincoln went up to and hugged Callie Flammel in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck

as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Callie Flammel: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Callie Flammel's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Callie Flammel: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Callie Flammel.

Callie Flammel had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Mrs. Flammel: We'll definitely be expecting tons of grandchildren from you two.

That of course caused Lincoln and Callie's faces to turn bright red.

Twilight Sparkle: He's already a father with many kids from many of us.

Twilight Sparkle showed a massive scrapbook with photos of Lincoln, his harem, and his kids, and they were indeed stunned.

Mr. Flammel: Well, I'll be damned, and here I thought Lynn Sr. held the record for that many kids.

Mrs. Flammel: But, it's also proof of how much he truly loves his wives and kids.

Me: And why he's always proven to be a great and loving father and

future husband.

Nico: Yep, and I'm so glad that Connie Flammel has finally paid for her crimes and is finally gone forever.

Maria: Same here, that bitch has caused enough trouble to last an eternity. Though I could've wished we'd met The Trouble Busters in the process as well.

Callie Flammel: Having Alana, Helena, and Melanie go after her like they'd done to Aiden and Sarah in the past, it would've ended in humiliation for that dumpster fire.

Lincoln: In the most humiliating way imaginable.

Nico: Where's the real horsea?

She was on top of Nico's head.

Horsea: Up here.

Nico: Oh!

Horsea: Nice trick huh?

Nico: How's you get there?

Horsea: Substitution teleportation. I substituted myself with a stuffed dummy of me and then teleported on top of your head.

Nico: Clever.

She hopped back into Maria's arms.

Horsea: Thank goodness we've seen the last of Connie.

Maria: Good riddance.

Carol: Yeah thank goodness.

Maria: Yeah no kidding!

Maria kissed Horsea on the forehead.

Me: Aww.

Nico: Yeah. Now we got more fun. We got the Anothers to face.

Eli: Yep. And we got Another Steam Demon, Grand Duke's Owls Minions, Spirit of Fireball McPhan, Crab Juice, Khlav Kalash, Giant Pinchy the Lobster, Esdeath and Kitty.

Homer: BLECH! That stuff was awful!

Me: I remember Homer ate that stuff back in New York. (Season 9 Episode 1)

Qin: That was nasty!

Sakura Knudson: You're not kidding. Swartz made Khlav Kalash and actually good but it had a really bad aftertaste.

Nico: Yuck! Who's up?

Me: Vapor Trail, Wallflower, Captain Spitfire and Wendy Aquillas A.K.A. Sailor Aquillas. I don't know who will be for the other 2.

Nico: Okay then.

Wendy Aquillas: This will be awesome.

Wallflower: It sure will!

Vapor Trail: Yeah!

Eli: And I sense that the Anothers minus Kitty are one person.

Me: Nice.

Nico: There they are!

We saw the Anothers!

Me: WHOA!

Qin: This is gonna be good!

Another Steam Demon: (In a girls voice) It sure will be fun.

Lincoln: Gianna Gorn! Wow!

They merged and she reverted back and was a girl with dark green hair, green eyes and green clothes and dark green angel wings and she has the symbol of the Gorn Hegemony was on her forehead and skirt and she had a cool keyblade.

Gianna Gorn: Awesome to see you again Lincoln and wow you grew into an awesome young man.

Lincoln: Yep.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Gianna Gorn, Keyblade Knight of Gornar, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Gornar, and she has intense nature powers and she's a master of nature. She is the Keyblade Knight of Gornar and leader of the people of The Gorn Hegemony, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained Lincoln a lot and she taught me everything that she knows when it comes to using the powers of nature.

We were amazed.

Me: Wow! The Keyblade Knight of Gornar, homeworld of the Gorn

Hegemony. That is cool.

Laney: It sure is.

Qin: Yeah.

Me: By the way is the Another Kitty friendly or hostile?

Gianna Gorn: Friendly and she is a powerful one.

Me: Neat.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They both glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and elements and blasted the Anothers.

I caught the Wonder Ride Books.

I then grabbed Another Khlav Kalash and the Crab Juice.

I took a bite out of the Khlav Kalash.

Me: Hmm!

I ate it all.

Me: Yummy!

Nico: You like it?

Me: It's not bad. You just have to get used to it.

I licked the whole thing clean.

Me: But the aftertaste is terrible!

I popped open the can of crab juice and drank it all down.

Me: (Gulping)

Nico: That is one tough kid.

Me: (Finishes) Ahh. Wow it's like a seafood feast in a can.

Nico: That was awesome.

The Another Pinchy was down.

Me: Lets eat him.

We cooked the Another Pinchy and we were eating him and Homer was crying like a baby and eating lobster.

Homer: (CRYING HARD AND EATING) OH MAN THAT'S GOOD! (CRYING)

Poor Homer.

Nico: You okay Homer?

Homer: (CRYING HARD) My best friend! My dear sweet Pinchy!

Me: Even though it's an another version of him he still cries over him.

Nico: Yeah.

Me: Poor homer. (SEASON 10 EPISODE 7)

Horsea: You'll be okay?

Me: Yeah. (Eating lobster) Mmm.

Nico: Poor Homer.

Maria: Better call in backup. (TURNS DIAL) KEYS OF FURY!

She summoned Key, Emperor Z, Key Monster, Lego Abomination, Twisted Ariel and Black Anvil.

Maria: Thanks for helping me Horsea.

Horsea: Ah no problem. That was fun.

Qin: Yep.

Me: And here comes the Another!

We saw ANOTHER KITTY!

Me: Whoa! This will be good.

Another Kitty: It sure will.

Me: (GASP) That voice.

Me: (GASP) Wanda Waffles! Wow!

Wanda Waffles: Awesome to see you again J.D.

Nico: Pancakes and Waffles! Wow!

Phoebe Pancakes: Yep just like I said.

Me: Yep. And like Phoebe, Wanda is the embodiment of the Waffles Dopant and she makes some of the most awesome waffles ever.

Nico: Nice!

Me: Yep. And like Kitty she has all her powers and also she can use the spell to erase boys from existence.

Nico: Nice!

Kitty: Boy that is really cool and amazing.

Nico: It sure is!

Sakura Knudson: (LAUGHS) That explains why he was so bloated and full.

Nico: Geez!

Me: Yeah she makes REALLY irresistable waffles like Phoebe makes awesome pancakes.

Nico: Nice!

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju Armor!

Lincoln: Lets separate you first.

Lincoln did so.

Nico: Lets do it!

Wanda Waffles fired waves of energy and syrup and blasted the Another.

Nico: (Gets out Kitty's ridewatch) How about a kiss?

May: This is gonna be hot! (Gets out Magmoor's ridewatch)

Maria: These cats bite back! (Gets out TTG Kitten's ridewatch)

They activated Kitty, Esdeath, Magmoor, Hizumina, TTG Kitten and Spike Rosered's ridewatches and they fired waves of energy and smashed the another all over.

Joan Gutierrez: This will be fun! (ACTIVATES ESDEATH'S RIDEWATCH)

She fired waves of energy and blasted the another!

Then Hydros, King Jellyfish, Owl Beastman, Ice Sphere Doomer and Piledriver came.

Nico: Awesome team Hydros!

Hydros: Thanks Nico!

Suddenly we felt a massive rise in heat!

Nico: Did it get hot in here?

?: From me!

A Magma Man cam.

Me: Magma Man! Wow!

Magma Man: (In a girls voice) That was awesome!

Nico: Mira Magma! Wow!

She reverted back and was a girl with red hair, red eyes, had red Hawaiian Luan clothes on and she had red angel wings and had a symbol of a volcano in the middle of her forehead.

Mira Magma: Awesome to see you again Nico. I got this.

She fired a wave of lava and smashed the another and I caught the ridewatch and purified it.

Nico: OH YEAH!

May: I didn't get hit!

Mira Magma: Yeah I didn't want you to get burned.

Nico: Good.

Joan Guiterrez: What's your favorite memory of Nico?

Mira Magma: My favorite is when me and Nico were in Hawaii and I made out with him in an awesome hidden oasis in a cave in the volcano.

Me: Wow.

Nico: Now that I'm always available I can do that again.

Mira Magma: Yeah.

They hugged.

Nico: I've missed you.

Mira Magma: Same here.

We later went back home.

Autumn Midnight: The Braun Family from The Tale of the Nightly Neighbors?! Betty Ann's going to be in for a really nasty surprise finding out about this.

Nico: We've been dealing with the monsters from the stories of the original Midnight Society along with The Goosebumps Monsters, Autumn.

Me: And they are just as terrifying. We'd been going after them for years, but lately, we've seen quite a decrease in their activities.

Matau: It still won't save them though.

Lincoln: You're right on that, Matau, it won't save them. If they dare to start any sort of trouble, we'll be going after them and we will end them.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black short-sleeved frilly shirt, short-sleeved black blouse, necklace with red heart gem for the pendant, white cravat, black skirt with the Are You Afraid of The Dark Logo on it, white bridal gloves, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, dark magic, darkness, black magic, Satanic Magic, phoenixes, and angels on the coattails and on the back is the symbol of The Midnight Society, and holstered on her back is a massive black greatsword, and with her are the seven girls.

Lincoln: (GASPS) Amara Midnight, Second-In-Command of The Midnight Society.

Amara Midnight: That's right, and I got the girls away from those vampires before they could attack them and turn them into vampires.

Then, Lincoln fired sunlight blasts which hit The Braun Family, and they were reduced to ashes and they were sent to The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: Well, that's it for The Braun Family, and that's the last time we ever see those vampires ever again. (To Amara Midnight) And it's so good to see you again, Amara Midnight.

Amara Midnight: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Autumn.

Autumn Midnight: You too, Amara.

Lincoln went up to Amara Midnight and he hugged her, and Amara Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Amara Midnight: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Amara Midnight, Second-In-Command of The Midnight Society, she's Lincoln's Guardian Angel from Michigan and the second eldest sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's the second-in-command of a new generation of The Midnight Society, and every night, she and the others meet up with me as I'm also a member of The Midnight Society at the backyard of the house and we tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the new member of a new generation of The Midnight Society, and she hates Lynn with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, Lynn tried to attack us, but Amara sprayed Lynn with the hose and she used her dark powers and made Lynn's nightmares come to life, and she got so scared, she ran back inside the house and into her room and refused to come out for the rest of the night.

Nico: That's really spooky.

Lincoln: Yep, and she's also friends with Lucy and The Young Morticians' Club, and they're intrigued to find out that she's a member of the new generation of The Midnight Society, and she hates Lynn with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, Lynn tried to attack us, but Amara sprayed Lynn with the hose and she used her dark powers and made Lynn's nightmares come to life, and she got so scared, she ran back inside the house and into her room and refused to come out for the rest of the night.

Me: Oh man, I remembered that all too well.

Nico: Yeesh, I hate to find out how Amara knew of Lori's nightmares and used them to frighten her.

Lincoln: That was due to Amara's powers over darkness, and the rest of her sisters are also members of The Midnight Society and each of them have the same powers as her and are just as powerful and deadly as her, and now that you're here, Amara.

Lincoln went up to and hugged Amara Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Amara Midnight: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Amara Midnight's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Amara Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Amara Midnight.

Amara Midnight had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the seven girls, and when Lincoln saw them, he immediately recognized them. The seven girls are Sylvia, Tina, Marianne, and Mireille from Mamahaha and Erika Toudou, Sayaka Ichinose, and Yuki Morikawa from Cleavage.

Lincoln: Oh wow, it's Sylvia, Tina, Marianne, and Mireille from

Mamahaha and Erika Toudou, Sayaka Ichinose, and Yuki Morikawa from Cleavage.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Sylvia: Yes, we're okay, thanks to you.

Then, when Sylvia and the other six girls saw who it was that saved them from The Braun Family, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and

Sylvia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sylvia: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sylvia, Tina, Marianne, Mireille, Erika Toudou, Sayaka Ichinose, and Yuki Morikawa with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was none other than our old enemy, The Braun Family, who came back from the dead and they wanted revenge on us for stopping their plan to turn Gotham Royal York into their feeding grounds and turning everyone on Earth into vampires.

But, when Lincoln showed what we all did in viciously beating those vampires down and Lincoln firing sunlight blasts at them which reduced them to ashes and sent them to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Amara Midnight have a lot of catching up to do, now that she's back in town.

Maria: I can't believe The Braun Family had also returned in search for revenge. This hadn't been the first time we dealt with the return of the monsters from The Midnight Society's stories, when we went after Slappy and the other Goosebumps Monsters, Slappy also brought Count Margot back as well.

Amara Midnight: From The Tale of The Night Shift?!

Lincoln: The very one, but we destroyed him and cured all those he'd turned into vampires.

Autumn Midnight: Damn. And I know you guys went after The Corpse and Jake the Snake along with The Fire Ghost, if they dare to come back, they're in huge trouble.

Me: I already took care of The Fire Ghost, but The Water Corpse and Jake the Snake, if they do come back, they're dead.

Nico: You said it.

---

After destroying The Braun Family once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Amara Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Amara Midnight: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Amara, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Amara Midnight: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Amara Midnight: I knew it was only a matter of time before he told everyone that story.

Suddenly, the alarm rang, and then, Darren took a look on the computer, and he saw who it was that triggered the alarm: it was a man with a deranged look in his eyes, he looked so worn out and looked like he hadn't slept, and he was in a worn out doctor's outfit and crazed brown hair.

Darren Devereaux: (GROWLS) Kaito!

Me: You know him, Darren?

Darren Deveraux: I wish I hadn't. That disheveled doctor with the deranged look in his eyes and worn out look on his face is Kaito, he's the hated enemy of The Ugumori Brothers. He blames them for his sister's coma, and they didn't do anything to her, but his hatred for The Ugumori Brothers' success and the stress of his sister's perpetual coma drove him into madness and he's tried to ruin them at every turn. I ruined his attempts at every turn and drove him away.

Mamoru Ugumori: He's done this sort of thing way too many times, but he just wouldn't give it up. We had no part in what happened to his sister, but his unfounded revenge, hatred, and madness has gone way too far.

Leon Ugumori: So, what do we do, Mamoru?

Darren Devereaux: You guys continue doing your workouts, I'm heading outside to get rid of Kaito for good.

Asahi: We're coming with you, Darren.

Darren Devereaux: Wait, Asahi. He still had his dealings with your mother, so there's the possibility of Gyuki Clan members loyal only to your mother with him.

Inuzuka: That won't be a problem though, you'll kill them like you did last time.

Darren Devereaux: Right. Let's go.

Darren Deveraux, The Ugumori Brothers, The Uwasa and Yamamba Clans, and The Gyuki Group head out of The World Tree

Estate to take care of the eternally mad Kaito. When Darren spotted him, he sent demons at him who slashed at him, and they descended to face him.

Kaito: YOU! If you hadn't constantly foiled all my schemes, The Ugumori Brothers would've finally been destroyed and my revenge would be complete.

Darren Devereaux: They had nothing to do with your sister's perpetual coma, Kaito. That was all in your madness riddled mind, and I also know the truth. You were the one who put your sister in that coma when you went mad, I can't forgive you for that, and I will make you pay for it with your blood.

Darren Deveraux unholstered his massive Darren Devereaux's Eternal Heavenly Salvation and Eternal Hellish Damnation Greatsword of Eternal Eternal Heavenly Salvation and Eternal Hellish Damnation Justice from his back and transformed into Super Angel-Dark Demon Lord-Archangel Warrior-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Eternal Dark Damnation Holy Salvation Light Dark Demon Phoenix Angel of Divine Cosmic Eternal Dark Damnation Holy Salvation Light Dark Demon Phoenix Angel Justice and Divine Cosmic Eternal Dark Damnation Holy Salvation Light Dark Demon Phoenix Angel Death.

Darren Devereaux: (Divine Echoing Godly Voice of The Eternal Holy Light Salvation and Demonic Dark Damnation Light Dark Demon Phoenix Angel and Divine Cosmic Eternal Holy Light Salvation and Demonic Dark Damnation Light Dark Demon Phoenix Angel Death) (Demonic Voice) This is the end for you, Kaito! Now, die!

Darren Devereaux went after Kaito, and as Asahi said, Kaito had Gyuki Clan members loyal only to his mother with him, but all of them got killed, and he eventually killed Kaito by running him through the chest with his greatsword and it also went through his black heart, and Kaito was sent to The Black Gates forever. Darren powered down and holstered his massive greatsword on his back and he and the others came back to The World Tree Estate as we were still working out.

Nico: Is it…?

Darren Devereaux: It's done. Kaito's gone forever along with the last of Okiku's followers, but his sister, there's no telling when she'll ever wake from her coma, but she'll be glad to know that her insane brother is gone for good.

Me: Yeah.

Lincoln: But, his madness caused this, and he paid the price.

We got a shower afterwards, and then, Lincoln, Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, Wilda the Wyvern, Charmcaster (Ben 10 2016), Kaepyon, Akkyan, Mororin, Robin (Rhythm Heaven), Gotuu, and Hashimon are heading to Sirena Beach.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, Wilda the Wyvern, Charmcaster (Ben 10 2016), Kaepyon, Akkyan, Mororin, Robin (Rhythm Heaven), Gotuu, and Hashimon are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, Wilda the Wyvern, Charmcaster (Ben 10 2016), Kaepyon, Akkyan, Mororin, Robin (Rhythm Heaven), Gotuu, and Hashimon all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Donna the Dragon Zombie: Wow, so, this is Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Donna, and it's perfect for our first date. Shall we?

Lincoln, Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, Wilda the Wyvern, Charmcaster (Ben 10 2016), Kaepyon, Akkyan, Mororin, Robin (Rhythm Heaven), Gotuu, and Hashimon dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, Wilda the Wyvern, Charmcaster (Ben 10 2016), Kaepyon, Akkyan, Mororin, Robin (Rhythm Heaven), Gotuu, and Hashimon got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, Wilda the Wyvern, Charmcaster (Ben 10 2016), Kaepyon, Akkyan, Mororin, Robin (Rhythm Heaven), Gotuu, and Hashimon and they hugged the girls in their abnormally massive and powerful muscular arms, and Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, Wilda the Wyvern, Charmcaster (Ben 10 2016), Kaepyon, Akkyan, Mororin, Robin (Rhythm Heaven), Gotuu, and Hashimon placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, Wilda the Wyvern, Charmcaster (Ben 10 2016), Kaepyon, Akkyan, Mororin, Robin (Rhythm Heaven), Gotuu, and Hashimon with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, Wilda the Wyvern, Charmcaster (Ben 10 2016), Kaepyon, Akkyan, Mororin, Robin (Rhythm Heaven), Gotuu, and Hashimon are in your harem, Linky.

Yamiga: I knew it, and that was thanks to us introducing Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, and Wilda the Wyvern to Lincoln.

Dora the Dragon: And Lincoln marked us as well.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, Wilda the Wyvern, Charmcaster (Ben 10 2016), Kaepyon, Akkyan, Mororin, Robin (Rhythm Heaven), Gotuu, and Hashimon, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for another awesome Super Mario Galaxy 2 adventure.

Nico: Shiverburn Galaxy is next.

Me: Ooh! That will be cool.

Nico: Yep.

TD Gwen: Me and Ingrid Third will go next.

Nico: Awesome!

They went into the Simulator and it activated and they were at SHIVERBURN GALAXY!

TD Gwen: WHOA! This is a hot one.

Nico: Any tips Nicole?

Nicole: (On the radio) Well you guys are going to go after Prince Pikante next right?

Nico: Yep.

Nicole: Well like with King Kaliente you got to do the same thing to him. Just without the lava. He's in a tank.

Nico: Okay then.

Ingrid Third: Boy this will be fun.

Nico: Lets get to it!

?: Let us help too!

2 figures came. 1 was a girl with blue eyes and blue hair and blue agel wings and she had blue clothes and a tiara with the symbol of the Blue-Eyes Archetype on and she had the same symbol on her skirt and she had a blue sword. The second girl had blue hair and blue eyes and had dark blue clothes and had blue angel wings and had a tiara with the symbol for Flash Man on it and she had the same symbol on her skirt.

Kisara Azulopti: Kisara Azulopti, Embodiment of the Blue-Eyes monsters.

Fasha Flash: Fasha Flash, Embodiment of Flash Man.

Zarya: Wow! Fasha! Awesome!

Lady Palutena: Cool!

Fasha Flash: Zarya and Palutena! Awesome to hear your voices again. Its been a while.

Seto Kaiba: And the Embodiment of the Blue Eyes monsters. That is amazing.

Kisara Azulopti: Master Seto. It's great to hear your voice again.

Nico: We can talk later. Lets go.

They were off.

Nico: Keep an eye out.

They then got to the end and saw PRINCE PIKANTE!

Nico: WHOA! Lets get him!

TD Gwen: Lets light him up!

He fired fireballs at them!

Nico: (gets out Kitty and Femme Fetale's Ridewatches) Time for girl power!

Nico activated them and fired waves of energy and smashed him on his head.

TD Gwen: Watch this.

She and Ingrid fired waves of darkness and blasted him on his head.

He got RED WITH RAGE!

Me: WHOA! Now he is mad!

Kisara: WHITE LIGHTNING!

She fired a massive wave of white energy! Flash Man fired a wave of energy and the blasts hit him on his head and then he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

The star came out!

Nico: There it is!

They went and got it!

YOU GOT A STAR!

Nico: All right!

Ingrid Third: That was awesome!

Fasha Flash: That was cool!

They high five!

Nico: What's your connection with Seto, Kisara?

Kisara Azulopti: Well I am known as the Avatar of the Blue Eyes monsters and Seto Kaiba is the true master of all my brethren of the Blue-Eyes White Dragon. He shows all of us tremendous respect. Also I have a spiritual connection with him because of how strong and proud he is as a duelist for them.

Nico: That is really cool!

TD Gwen: Boy it sure is.

Ingrid Third: And Fasha what's your connection with Palutena and Zarya?

Fasha Flash: Well I helped out Pit and Palutena in their adventures from time to time and they were awesome. I even helped Pit save Palutena from her enemies. And I met Zarya when she was starting out as a Mysticon and I helped her kill some of her more minor enemies.

Nico: That is cool.

Fasha Flash: It sure is and I heard you all killed their major enemies and that is so cool.

Nico: Yep. Would you two like to join the team?

Kisara Azulopti: We would be honored.

Nico: Awesome and Fasha you share the exact first name as one of my kind, the Saiyans.

Fasha Flash: Well how do you think I got it?

She showed a Saiyan Monkey tail around her waste.

Nico: Awesome to meet a fellow Saiyan.

Fasha Flash: Thanks.

They left and we cheered wildly for them.

Poromon: We're racing up the stairs! RACE YOU!

Mascots: You're on!

ZOOM!

Kit: Natalia, I'll never regret meeting you.

Natalia: (Russian Accent) Me neither Kit. That was awesome.

Me: Boy it sure was. Especially when we helped out before and during the missions.

Qin: It sure was cool.

Kase: We were so grateful to have J.D. and the team help us destroy Xaviax once and for all.

Me: That was so epic.

Qin: It sure was.

Iron Man: Oh boy. I can't wait to see how this ends.

They zoomed fast and then they hit Lisa and then she fell down the stairs and then…

CRASH!

Lisa Loud: I'm still alive!

Me: OUCH!

We brought Lisa over.

Nico: Geez! Lisa are you okay?

Lisa Loud: Yes I'm all right. It'll take more than falling down the stairs to deal injuries to me.

Nico: Really?

Me: Believe me Nico I know. Lisa survived the worst of her family. Chemical explosions, brawls, even falling down the stairs because of losing her glasses.

Nico: Wow Lisa is one tough cookie.

Me: She sure is.

Kit: I really am glad there's a another girl Dragon Knight Rider besides Kase.

Natalia: I am too.

Me: That is so awesome.

Sakura Knudson: I was really amazed that J.D. helped you guys back over 15 years ago.

Me: That was really awesome.

Kase: It sure was.

Kit: Yeah that was awesome.

Ransack: You know what? How about we just sit back and see how this so called race plays out.

Me: Well It's funny though.

Qin: It sure is.

The mascots then ran back down.

Poromon won!

Poromon: I win!

Nico: Nice!

Xenia: That's awesome.

Sprout Cloverleaf: I'm glad you all are willing to give me a chance to prove myself.

Me: We are too.

Sprout Cloverleaf: Do I get my own archenemy?

Me: Yes you do. When you work with the M.O.E. You get Ariana "Blitz" Wolfenstein the Electrudinea Gene-Slammer. And when you're with us you get Knight Jyamato.

Nico: Ooh one of the Geats enemies. Nice.

Me: Yep.

Sprout Cloverleaf: I like it.

Kit: And the best part? Final Vents don't mean an automatic send off to the Advent Void.

Nico: Thank goodness.

Qin: Yeah.

Natalia: That is for sure.

Camie: Yeah no kidding.

Kase: But at least Xaviax will never hurt anyone ever again.

Me: Thank goodness. Just like old times right Kit?

Kit: You know it J.D.

Windcharger: Congrats on winning, Poromon!

Poromon: Thanks!

Me: Have a drink!

I gave him a beer.

Poromon: Thank you!

Rhonda Romulus: (Drinking Romulan Ale) (LAUGHS) That was cool.

Me: Yeah. Man Rhonda you either have one of the strongest and most powerful livers I've ever seen or you have a REALLY powerful immunity to it.

Rhonda Romulus: (LAUGHS) I get that all the time and both are true.

Me: Nice.

Kit: And is my team really the only American Rider team?

Nico: Unfortunately.

Me: Which is an absolute darn shame.

Camie: Yeah.

Kit: That's too bad though.

Varie: Yeah.

Nico: And that makes all the bonding times for this year.

Me: Yep it sure does.

Qin: So awesome.

Varie: Yeah.

Camie: It was fun.

Nico: Now, Here's a set of adventures that is gonna be interesting.

Me: What is it?

Nico: We're going to the Lego world and help the Lego Marvel heroes in their adventures.

Lola: Cool!

Nico: Yeah.

Me: Lego Marvel Superheroes 2. Love that game.

Mewtwo: Nico, who gets to shine today?

Nico: Brody, Arkayna, Yin (Yin Yang Yo), Yost Cap, Shinnosuke, and Ultrox

Me: Nice!

Nico: Yeah!

Yost Cap: It'll be interesting to meet my Lego version.

Me: It'll be interesting meeting the Lego versions of ALL the heroes and villains.

Qin: Yeah no kidding.

Laney: I'm really looking forward to this.

Nico: Me too!

Me: Same here. And I loved playing that game. Also you guys are going to like facing the main villain of that one. I won't spoil it for you but you will see who it is later on.

Nico: Okay. And all of the Lego Villains will be in the Masters of Evil.

Me: I actually knew from minute one that they were going into the M.O.E.

Nico: And some of them already are. Lego Thanos and his followers and many more.

Qin: It's true.

Nico: That's right. And they are really funny. You're going to bust a gut from them.

Laney: (LAUGHS) Yeah.

The previous group came.

Vypra: Can me, Leonard, King Hiss, Hydro Man, Shiv, Webstor, Bane, Vexen, Firefly and Calamitous go with you guys?

Nico: Yes you all can and Morris you're going to love this. We're going to the Lego World and we're going to meet the Marvel heroes and villains.

Hydro Man: Oh wow! I hope we get to meet a Lego Version of me.

Nico: I know. This will be fun.

Me: It sure will be.

Bleez: Nico, which Gene-slammer do you think you'll meet next?

Nico: Concrete Man next.

Me: Ooh! Hard headed!

Xenia: (LAUGHS) Yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his

Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Eson the Searcher, and he's causing havoc.

When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Eson the Searcher.

Nicole: From Marvel Lego Superheroes?! Where's he at, Lincoln?

Lincoln: He's in the levels No Eson of Mine and Avenger's World Tour.

Nico: Looks like we've got trouble in the world of Marvel Lego Superheroes.

Me: Sounds like it.

Nico: Good thing I told you all what we're going to do. Okay, then, let's head down there and take care of Eson the Searcher.

Lincoln: This is going to be so awesome.

Me: Boy Eson the Searcher was the very Celestial Titan that wielded the Power Infinity Stone. That was intense!

Nico: It sure was.

Me: Stan Lee is going to love this series of adventures.

Nico: Wait! Lincoln still has to sense someone else.

Me: Right the second half of Lincoln's premonition.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Universe 666 Utakata who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God! You psychopathic, little… !

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figure is none other than Universe 666 Utakata who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge.

Me: So, we're going down the line from 9 to 1, eh?

Nico: Looks like it.

Selene Saiken: Which means, I'm up next.

Lincoln: Yep, and always, we're taking the fight to Glaren.

Utakata: Yeah, they may not be as strong as us, but they're still as tough.

Nico: And it was all the fault of that lunatic, that guy is such a Class S psychopath. Alright, gang, let's go, we're off to the world of Marvel

Lego Superheroes and we're taking down Eson the Searcher.

Lincoln: Eson, you better be ready, we're coming for you, and once we get done with him, you're next, Universe 666 Utakata.

Selene Saiken: I can't believe he set this whole contingency plan up early and once we killed him, that triggered it as a final "fuck you" to all of us. He really pissed us off big time! Well, then, we'll play his final twisted game and destroy every last one of the Universe 666 Jinchuriki. I already know of how strong Utakata and Saiken are, but wait until they face us, Lincoln, we'll make them regret ever being resurrected.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the world of Marvel Lego Superheroes and we're taking down Eson the Searcher, and once we got done with him, Selene Saiken and Lincoln are going to destroy Universe 666 Utakata.

We were off to the Lego World for the planet Xander.

We arrived in the skies of Planet Xander and saw a huge battle going on.

Lola: Whoa! Looks like a giant battle is going on.

Me: Yep! Against him!

We saw a huge sword ship.

Nico: Wait I know that ship! That's the ship of Kang the Conqueror!

Me: Bingo! That's the main bad guy of the game.

King Hiss: Okay. We're here. Do your thing, guys!

Brody: Right! Ninja Spin!

Shinnosuke: Henshin!

They transformed!

Brody: POWER OF THE NINJA! NINJA STEEL! RED!

Shinnosuke: DRIVE ON TO BATTLE! KAMEN RIDER DRIVE!

They were ready!

Shinnosuke: Lets take them for a drive!

Brody: NINJA RANGERS FEAR NO DANGER!

Me: Boy you know I feel sorry for Kang. In the prime universe he is really a tragic conqueror.

Nico: I feel the same way dude.

Me: Yeah.

Blizzard Man: Kang doesn't seem to be here. He must've left.

Nico: His forces are still here though! Let's find the Lego Guardans of the Galaxy!

Me: Lets do it!

We went and found them.

Lego Star Lord and Lego Groot were blasting and smashing Kang's forces.

Lego Star Lord: There's too many of them!

Lego Groot: I am Groot!

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them.

Zocks: (Singing) "Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!"

Lego Gamora: Is that singing?

A phoenix cry was heard and we came out and landed.

Me: Sorry we're late guys!

Lego Draxx: Team Loud Phoenix Storm!?

Lego Gamora: Wow!

Lego Star Lord: What an honor!

I fired waves of energy and blasted Kang's followers.

Eli ignited his lightsaber and deflected the blasts from Kang's followers back at them and blasted them all over.

Lego Rocket Raccoon: Now, who's that handsome devil?

Rocket Raccoon: I'm the prime universe version of you.

Both Rocket's fired waves of energy and blasted Kang's followers.

Gamora and Lego Gamora slashed Kang's followers.

Both Gamora's: NEVER MESS WITH THE MOST DANGEROUS WOMAN IN THE UNIVERSE!

They looked at each other and laughed.

Me: You both are the most dangerous women out there.

Lego Groot: I am Groot!

Groot: I am Groot!

Me: You're both Groot.

Sakura Knudson: How come Groot says only that?

Me: That's all he says but that's his form of communication.

Sakura Knudson: Oh.

Lego Draxx: Wow! I look awesome for my Prime Universe self.

Draxx: You sure do! So awesome!

Lego Star Lord: Wow! My prime universe self looks awesome.

Star Lord: Thanks!

Nico: Where's Eson?

Lego Star Lord: Before you guys got here, he had his lackies fight us while he got away.

We saw one of Xander's soldiers fighting Eson's men and they were slapping each other.

Me: Okay that's funny.

Camie: Yeah! So is this.

She fired a wave of Aurora energy and blasted most of Eson's men all over.

Nico: Nice one!

Mantis: Boy I look amazing for a Lego version of me.

Lego Mantis: We both look beautiful.

They both punched Eson's men.

Shiv: We should probably go after Eson.

Arkayna: No need to tell me twice!

Nico: Lets go!

We flew out and blasted Eson and Kang's men.

Lego Star Lord: J.D. is it really true that you destroyed the prime universe version of Thanos?

Me: EVERY SINGLE word of it Peter.

Lego Star Lord: That is amazing!

Nico: That was one of the most DEVASTATING battles we've EVER had.

Me: Yep and the battle we had with Thanos was what cemented our place as the most powerful force in the entire universe.

Camie: That was epic!

Lego Gamora: Wow!

I unsheathed my sword and then used the power of the Mind Infinity Stone and had the soldiers blast and smash each other.

Lego Star Lord: You have all the Infinity Stones!?

Me: Long story. But no I am NEVER going to snap you all out of existence.

Nico: Good.

Lego Star Lord: Thank goodness.

Me: Yeah.

I fired a wave of fire and incinerated most of the men of Kang.

I slashed numerous members of Eson's men.

Lincoln and Linka fired waves of lightning and electrocuted them.

Lincoln: These guys are like cockroaches!

Me: No kidding!

Lego Draxx: We heard so many awesome things about all of you and how you helped many people all over the Lego world. We heard how you destroyed many of the Ninjago and Chima bad guys.

Me: Boy news sure spread like wildfire.

Fluttershy: That was so fun for us.

Me: And we helped the DC Superheroes too.

Emily Jones: And they also helped me and my friends too.

Kai: It was so fun having everyone help us out.

Tahu: And my fellow brothers were helped too.

Nico: We met lots of awesome heroes of the Lego world.

Wood Man: I think I can understand what Groot's saying.

Nico: Really?

Wood Man: Yep. He's saying that it's neat there's a prime universe version of himself.

Lego Groot nodded.

Nico: Wow! That is cool.

Me: The only Lego series we haven't covered are Lego Harry Potter, Star Wars and Jurassic Park.

Qin: Those were my favorites.

Camie: Mine too.

Me: (GROWLS) I HATED it when those Racist Slytherin motherfuckers gave Harry and everyone the stinkeye!

Harry Potter: (British Accent) That is bad.

Nico: If someone gave me the stinkeye like that I would bash their head clear off!

Me: Me too!

Laney: Yeah that is bad.

Nico: It was. Anyway lets focus.

We fired waves of energy and blasted all of Kang's men and Eson.

We then were cornering ESON THE SEARCHER!

Me: Eson the Searcher!

Bane: (Spanish Accent) It is over, Eson. You are cornered.

Lego Eson: So it seems. I WAS planning on fighting you on here. But I think a change of pace is needed!

He went into an escape pod towards Earth!

Yin: He's heading towards Earth.

Nico: And not just anywhere on Earth. Towards New York!

Me: Lets get over there then!

We headed to the next level.

We got to New York but instead of it just being New York it was many places! WE SAW THAT IT WAS CHRONOPOLIS!

Me: WHOA!

Nico: WOW! Chronopolis!

Me: This is my favorite part here.

Nico: This is the Brooklyn Bridge.

Me: It's not just that! LOOK!

We saw Asgard, Medieval England, Wakanda, Kun-Lun, Avenger's Mansion, Xandar, Hela, The Old West, Egypt, Noir New York, Nueva York, Man Thing's Swamp, Sakaar, Hydra Empire and more!

Nico: WOW!

Laney: Incredible! It's all been merged into one giant multi-scenario world!

Me: Under a giant dome.

We saw that it was under a dome.

Homer: It's like Trappucino all over again!

Me: But on a much larger scale!

Spark Man: Did Eson do this?

Me: No this was Kang.

Nico: Yeah. But this is amazing!

Qin: Wow! This is awesome.

We also saw Knowwhere and Attilan above it.

Me: There's Knowwhere and Attilan.

Nico: Wow!

Star Lord: My home area.

Yost Cap: I see my Lego self and Lego Spider Man.

Firefly: Along with Thor, She Hulk, Captain Marvel, White Tiger, Iron Man, and Ms. Marvel.

Me: Wow!

And they were battling big minions of Esog!

Nico: Lets go help them out!

We went and did so.

Caitlyn: Need a hand!

We fired waves of energy and blasted the Minions.

Lego Iron Man: Team Loud Phoenix Storm!

Iron Man: Looks like we got here just in time!

We sure did!

We fired waves of energy and blasted the minions into pieces.

Nico fired waves of energy and blasted a minion.

Lego Spiderman: You guys are just in time. We were chasing 3 of my rogues gallery when this mess started.

Shinnosuke: And those would be?

Calamitous: (sees something) I believe he's referring to them.

We saw the Lego versions of Kraven, Shocker and Doctor Octopus!

Me: Kraven, Shocker and Doctor Octopus!

Nico: WHOA!

Scarlett: I'll face Doc Ock!

Lincoln: I'll take Shocker!

Me: Leave Kraven for me.

Lego Kraven: (Russian Accent) Ah, Team Loud Phoenix Storm. Do not take this personally. But our new ally has tasked us to stop you.

Bomb Man: You're more then welcome to try.

Me: Just like fighting Shattered Dimensions version of Kraven all over again.

I went at him and punched him in his face and he went at me and I dodged him and kicked him in the back and smashed him into the ground.

Lincoln fired a wave of lightning and Shocker fired a blast of lightning and the blasts collided.

Lego Shocker: I heard all about you Lincoln Loud. You've become quite a force to be reckoned with.

Lincoln: I know.

Scarlett dodged the arms of Lego Doc Ock.

Lego Doc Ock: You have learned a lot from my prime self.

Scarlett: He gives me an awesome challenge.

Ultrox: Save some for us!

Vexen: We want to play too!

They fired waves of energy and blasted the Lego Shocker all over.

I clasped hands with Lego Kraven.

Me: You fight just as good as the prime universe version.

Lego Kraven: Indeed. I also heard about you fighting my Shattered Dimensions self. Is that true?

Me: It's true down to the last letter. He put up an amazing and epic fight!

Lego Kraven: Wow!

I kicked him in the face and sent him flying.

Lego Iron Man: Wow! My prime universe self looks amazing.

Iron Man: I know. Awesome huh.

Paragus grabbed one of Lego Doctor Octopus' tentacles.

He threw him and smashed him into the ground.

Lincoln then teleported and kicked Lego Shocker in the head and knocked him down.

Qin: YEAH!

They were defeated.

Lego Spiderman: Hydro Man?! Is that you?!

Hydro Man: Not really.

Me: This is the prime universe version of him.

Luna Loud: And he is my archenemy dudes.

Qin: Yep.

Lego Captain America: You all helped us and we are grateful.

Me: We're not done yet though. We still have Eson to find.

Dead End: He must be far away by now.

Eli: (Concentrates) Actually he's in the water there.

We saw a figure in the water and it was ESON THE SEARCHER!

Me: Target sighted!

Webstor: And Lego Attuma and Presence are with him!

Me: WHOA!

Nico: Now for the main entrance! Lets go!

We went at them.

They were ready and then the spirits of Marvel and the Guardians of the Galaxy came and swirled around them and then they converged and then…

(COME AND GET YOUR LOVE BY REDBONE PLAYS)

Planets of all the Guardians of the Galaxy appeared and they blasted them and orbited around them and then the Guardian's faces appeared and they converged and then formed into a phoenix and then we popped out!

Me: Okay you dirtclods! Time to blow you to pieces!

Drag Strip: Changing things up won't help you, Eson!

I fired waves of energy and blasted Lego Attuma and Presence!

I fired a powerful energy blast and blasted him all over.

Nico fired a wave of energy and Laney and Lola and Ultrox blasted them all over.

Shinnosuke: Time to kick things up a notch!

Drive Type High Speed! (Upbeat jazz music)

Shinnosuke became his Type High Speed form.

Brody: Out of the fire and into the fight! Lion Fire Red!

Me: I thought those forms were awesome!

We fired waves of energy and blasted Lego Eson, Attuma and Presence all over!

I fired a purple energy wave and blasted them all over.

Brody and Yost Cap charged at the Presence.

They rammed and slashed and bashed Lego Presence down.

Shinnosuke and Lego Iron Man blasted Lego Attuma all over.

Me and Nico blasted Lego Eson all over.

Arkayna and Yin ran at Attuma and blasted him all over with energy blasts.

Shinnosuke summoned Tridoron.

Shinnosuke: Lets turn him into roadkill!

Me: Gladly!

We fired waves of energy and blasted him al over!

Star Lord fired his blaster.

Rocket Raccoon fired his blasters.

I fired waves of energy.

Nico and me and Eli fired waves of energy and lightning and blasted the 3 Lego villains.

Lego Spiderman webbed Lego Attuma up.

Poromon threw beer bottles at Lego Attuma and they smashed him on his head.

I blasted Lego Attuma all over.

Horsea squirted ink and it got onto Eson's face!

Me: Take that!

Then The Springfield bullies, Selma & Patty, Skinner, Comic Book Guy, Rich Texan, Snake, Krusty, Cargill, Zzzax and Bronze Kneecap came.

Krusty: HEY HEY KIDDIES! (Goofy Laughter!)

Nico: The Springfield bullies, Selma & Patty, Skinner, Comic Book Guy, Rich Texan, Snake, Krusty, Cargill, Zzzax and Bronze Kneecap.

Jimbo: Man, I didn't expect the Lego Marvel world to look like this!

Nico: It doesn't usually look like this. It's because of Lego Kang.

Patty: We figured.

Skinner: Getting to him will take time.

Qin: Yeah but this will be fun.

Comic Book Guy: (to Nico) We heard you fought an enemy of Maria's.

Nico: We sure did.

Rich Texan: Who was it?

Maria: Her name was Connie Flammel and she was bad news.

Nico: Yeah.

?: Boy that was intense.

A figure came and it was TRACKENSLASH from episode 8 of Dino Fury!

---

Over 65 million years ago, Trackenslash and the other Sporix Beasts were created on Rafkon by military leaders hoping to use them as weapons against an approaching evil. As predicted by Aiyon, they eventually turned against their creators and desired to destroy all life in the universe. Though Zayto and his fellow Knights of Rafkon fought hard, the Sporix ravaged Rafkon and removed all traces of life from the planet. The Sporix then turned their attention to Earth but Zayto and the remaining Knights had managed to escape Rafkon and tracked the Sporix Beasts to Earth where they engaged them in battle with the help of the dinosaurs and other prehistoric creatures. Despite the Knights initially having the upper-hand against the Sporix, most of them grew enough in power over time to grow giant and force the Knights of Rafkon and thier dinosaur allies to retreat. When all seemed lost however, the

Morphin Masters arrived and bestowed the Morphin Grid's powers to Zayto and his followers, as the first Ancient Dino Fury Rangers which gave them the advantage they need to defeat the Sporix Beasts and seal them inside of their eggs. When the other Sporix are accidentally released in the modern day during Void Knight's invasion of Dinohenge, Trackenslash is amongst the Sporix Beasts that escape. Dinohenge Trackenslash's Sporix Cell is amongst those gathered by Occulo and is placed into the Sporix Machine although it still isn't enough to revive Santaura. Trackenslash's Sporix is later able to be used alongside the other captured Sporix to revive Santaura. After Tarrick defects from the Void Family because of Santaura's bloodthirsty nature, Santaura uses her telekinesis to extract Trackenslash's Sporix Cell which immediately hatches. He is ordered to use his incredible sense of smell to track down her husband and is sent to Pine Ridge with Mucus and Slyther.

---

Zayto: Trackenslash!

Cornelia: I agree there. An awesome way to close out last years missions with a bang.

Nico and I shook off the shock we had.

Me: I… I seriously have no words to even say about what we saw.

Nico: But, that was so… AWESOME! Lincoln, you never told us you can also use your tails to also form Rasenshurikens of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions! When were you going to keep that a secret?

Me: But, either way, that was really awesome!

Nico: And we took down Eson the Searcher.

Lincoln: He put up a good fight, but we got him. Now, there's one last thing to do and one last loose end to tie up: Universe 666 Utakata.

?: YOU WILL ALL DIE FOR WHAT YOU DID TO NICO!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the eight large brown orbs orbiting around Larry Loud's legs, the eight large light green orbs orbiting around Levi Loud's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eleven large colored orbs orbiting around Twilight Sparkle and her friends, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the eleven large aqua blue orbs orbiting around Girl Jordan's legs, the eleven large colored orbs orbiting around Timmy Turner's legs, the eleven large gold orbs orbiting around Alex the Lion and the eight large gold orbs orbiting around Takanuva's legs, the nine large pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our large gold Bracers of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands and our gold halos with four orbiting gold rings surrounding the corners behind our heads were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of red Chakra blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Universe 666 Utakata, or I will blast you out!

Suddenly, we saw a figure come out, it was Universe 666 Utakata, one of the resurrected Universe 666 Jinchuriki because of Universe 666 Sebastian.

Universe 666 Me: Utakata.

Universe 666 Utakata: J.D.?! Impossible, Nico killed you!

Universe 666 Lincoln: He did, but J.D. of the prime universe brought him and all those who died at that heartless snake's hands back.

But, there's no way I can ever forgive you, you were J.D.'s brother, but you betrayed him and sided with that filthy snake.

Universe 666 Utakata: He was weak!

Universe 666 Me grabbed him by the neck and kicked him hard into a wall of diamond Lincoln made and I snapped my fingers and we were on Planet Glaren.

Selene Saiken: He wasn't weak, but you, what you did was an act of betrayal that can never ever be forgiven!

Suddenly, Selene Saiken's blue eyes turned neon blue and she was surrounded by a blue and white energy aura with stars, water, ocean waves, slime, slugs, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Universe 666 Utakata, she left blue and white energy, stars, water, ocean waves, slime, slugs, phoenixes, and angels with every step.

Selene Saiken: I can never forgive you, Universe 666 Utakata, what you did in Evil Nico's name was nothing more than dishonorable and atrocious. You along with the other Universe 666 Jinchuriki have caused so much pain and suffering that it isn't funny, we thought we wouldn't have to deal with you or the other Universe 666 Jinchuriki and Universe 666 Tailed Beasts, but because of what that violent deranged psycho did in bringing you all back, that crossed a serious line, and for that, I'm going to end you once and for all!

Suddenly, Selene Saiken was surrounded by a massive vortex of blue and white energy with stars, water, ocean waves, and slime surrounding the vortex, there are slugs, phoenixes, angels, and Saiken the Six-Tailed Slug flying and running around the vortex, and in the vortex is a blue phoenix with Saiken's eyes in its wings and red eyes glaring at Universe 666 Utakata: the red eyes of death. Then, as the vortex faded, Selene Saiken emerged, but she was changed forever.

Selene Saiken grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large blue orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her chin-length dark brown hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a dark blue and white energy aura with stars, water, ocean waves, slime, slugs, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has Saiken The Six-Tailed Slug emblazoned on her forehead and Third Eye with blue iris and the eyes of her slug eyestalks on her head were now glowing neon blue, she has on slug earrings on her ears with blue gems for eyes and holding the Star, Water, Slime, Six, and Eternity Kanjis in its body, she also has Saiken with blue gems for eyes and holding the Star, Water, Slime, Six, and Eternity Kanjis in its tails for the second pendant on the bottom of her green Rhinoceros Beetle-shaped Element of Harmony along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with blue crystal links from her merged Crystal Necklace of the Buddha and blue gems on the gold lightning bolts and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Selene Saiken has on a sleeveless dark blue top, dark blue skirt with the symbol of Kirigakure and the Six Kanji on it, dark blue knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, water, ocean waves, slime, slugs, phoenixes, and angels on the coattails, and on the back is Saiken the Six-Tailed Slug surrounded by water, ocean waves, and slime. Suddenly, Selene Saiken felt a sharp pain on her back, and then, her massive dark brown angel wings with dark blue tips on the large dark blue feathers grew much bigger for her new body and Saiken's six massive tails also grew much bigger and longer for her new body, Selene Saiken has on her Ring of the Phoenix with large dark blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Selene Saiken's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of dark blue and white energy, stars, water, ocean waves, slime, slugs, phoenixes, and angels, and when it emerged, it was transformed into Selene Saiken's Eternal Blue Water Oceanic Slime Maelstrom Avatar Six-Tailed Slug Phoenix Angel Greatsword of Eternal Blue Water

We were amazed by Selene Saiken's Super Angel-Six Tails Avatar-Six-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Universe 666 Utakata saw it, he fell into a rage and we saw her eyes change into that of the beast inside him and his nails grew into claws and he ran at her to kill her, but Selene Saiken fired a massive barrage of dark blue and white energy, stars, water, ocean waves, slime, slugs, phoenixes, and angels which hit Universe 666 Utakata and sent him flying into a rock formation, he got back up, but boy was he pissed off majorly.

Me: HOLY SHIT!

Nico: That really is incredible! But, man, she really put the hurt on him!

Utakata: It's not over yet, Nico. In fact, the show's about to begin.

Selene Saiken: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Water Ocean Slime Maelstrom Slug Phoenix Angel and Divine Cosmic Eternal Water Ocean Slime Maelstrom Slug Phoenix Angel Love) But, it'll end all the same, Utakata. Shall we, Lincoln?

Lincoln: Let's do it, Selene.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well, and he joined Selene Saiken.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I don't know what that lunatic was thinking with that damn contingency plan, but all the same, we're sending you right back to Hell where you belong!

Lincoln and Selene Saiken went after Universe 666 Utakata, and they fired extremely powerful blasts of rainbow energy, blue and white energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Utakata, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Selene also left many more by firing blue energy slashes with her claws, and he and Selene Saiken attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Universe 666 Utakata even more insane with rage than ever.

Universe 666 Utakata: YOU! YOU! (ENRAGED SCREAM)

Universe 666 Utakata went at them now completely blind with insane rage and fury, but Lincoln and Selene Saiken kicked him hard in the stomach and Lincoln fired blasts of water at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Universe 666 Utakata even farther into the edges of rage and madness.

Suddenly, Universe 666 Utakata started transforming as all six tails manifested and he transformed into his Tailed Beast. But, before he could attack, Lincoln swung his massive greatsword and fired Tailed Beast Bombs that hit and made the beast dizzy and disoriented and that caused the beast to transform back into Universe 666 Utakata who was literally on his last legs.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you've finally transformed and let the beast out. Too bad for you, I know how to take you down. SEALING JUTSU: NINE PHANTOM DRAGONS!

Lincoln fired nine blue dragons and they surrounded Universe 666 Utakata, and then, Lincoln began forcibly absorbing all of Universe 666 Utakata's Tailed Beast Chakra as streams of red Chakra were being painfully removed from Universe 666 Utakata and absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

Then, as soon as Lincoln was done absorbing all the Tailed Beast Chakra, the nine dragons disappear and Universe 666 Utakata was dead. Then, Lincoln absorbed his body by stabbing him with one of his eleven massive and long white tails' tip turned into Cell's stinger and the stinger changed back as soon as he was done and he sent Universe 666 Utakata's soul to The Black Gates. We all cheered wildly for what Selene Saiken and Lincoln did as they holstered their massive greatswords and powered down and Selene Saiken's new body, clothes, weapons, jewelry, Third Eye, six massive and longer Saiken's tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive dark brown angel wings are permanent.

Selene Saiken: See you never, you monster. Thanks for helping me get rid of Universe 666 Utakata for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Selene.

Suddenly, Selene Saiken wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Selene Saiken's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Saiken the Six-Tailed Slug flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and ocean waves crashing behind them and we cheered wildly. Then, Lincoln and Selene Saiken sucked in and absorbed the elemental forces and ocean waves and they came back to us as the display vanished.

Then, we found ourselves back on Earth thanks to Lincoln.

Nico: Oh man, that was seriously an epic battle!

Me: You said it.

Universe 666 Me: But, Lincoln and Selene did it, they defeated my former comrade and Lincoln killed him using The Nine Phantom Dragons and he absorbed the Tailed Beast Chakra of my Earth's Saiken, and without it, he died painfully.

Lincoln: But, we can't underestimate the rest of them at all, and there's also no telling what else that crazy lunatic has done in their resurrection.

Eli: Obviously, not good. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: The next member of The Midnight Society that we're meeting tomorrow is Blythe Midnight, Treasurer of The Midnight Society.

Autumn Midnight: That's perfect, and you guys are going to love meeting her, Blythe Midnight is Lincoln's Guardian Angel from Michigan and the third eldest sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's the second-in-command of a new generation of The Midnight Society, and every night, she and her group meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Lola with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, Lola tried to attack us, but Blythe sprayed Lola with the hose and she used her dark powers and made Lola's nightmares come to life, and she got so scared, she ran back inside the house and into her room and refused to come out for the rest of the night.

Nico: Whoa, now what was her fear?

Lincoln: That was an easy one: thrown in mud and dealing with all things gross.

Me: Seeing as how she really hates getting mud on her dress and dealing with Lana's gross antics.

Nico: Yeesh.

Lincoln: We already knew that was her worst fear ever.

Me: Yep.

Snake: Well, looks like this is a brave new world we've stepped into.

Lego Spiderman: Tell me about it. It was normal this morning.

Krusty: As normal as you can get here anyway.

Cargill: Now, we've got to keep an eye out for any baddies.

Zzzax: Don't want Kang getting an army of them.

Lego Cap: We'll let you know of any progress.

Bronze Kneecap: We'll hold you to it.

Me: But we're off to a great start.

Vypra: Yep. We have Eson, Presence and Attuma in the M.O.E. now.

Nico: We sure do. The fun is just starting.

I snapped my fingers and beamed Chronopolis to the prime universe. Now we can go there easily.

Nico: Awesome. Great job today everyone. Not bad for part 1.

Star Lord: (To the viewers) Now we have an awesome adventure with us.

Me: Yep.

We went back home and rested and went to sleep.

Me: Ahh nothing like a little relaxation.

Qin: You said it.

Nico: You got that right.

Lola: Boy this is awesome.

Camie: You said it.

Varie: I agree there.

Eli: Ahh. Nothing can ruin this.

Hydros: You got that right.

Azulongmon: I agree there.

Nico: Azulongmon, I want to thank you, Hydros and your teams for coming with me.

Azulongmon: No problem Nico. This will be so fun and awesome.

Hydros: It sure will be.

Sara was playing in the lake.

Sara: I think it's awesome too.

Nico: Man, Sara, you really love playing in water, don't you?

Sara: I sure do!

SPLASH!

She dove in to the lake and it was fun.

She came up.

Sara: I'm a mermaid after all.

Camie: That is true.

Varie: That is awesome.

Nico: And what do you like to do in your free time?

Sara: I like to cook Curry at a local restaurant.

Me: Nice! And it's awesome food too. (LOUD FART) Oops pardon me.

Nico: (LAUGHS) No worries.

Sara: (LAUGHS) My curry gives J.D. gas but he doesn't mind it.

Me: (LAUGHS) It's funny. (LOUD FART) Oh sorry.

Nico: It's fine dude.

Me: Thanks. I had some of Sara's curry for lunch and man it's good but it RAVAGES my insides. (LOUD FART!) Sorry.

We laughed!

Me: (LAUGHS)

Sara: (LAUGHS) Funny! But yeah.

Nico: Yeah. Also yesterday was awesome. Man we started meeting the Lego Marvel heroes and villains.

Hydros: We sure did and man they are amazing.

Nico: But now, we might have a big problem.

Me: Kang the Conqueror is out to cause problems for the Lego World.

Nico: Yep.

Xenia: This is gonna be rough.

Me: Yep. But it will be fun. I like the Lego Adventures they are funny and awesome.

Qin: I agree there. These versions of the Avengers are all really funny and awesome.

Me: Yeah they sure are. Battling Eson the Searcher, Presence and Attilan awesome.

Qin: I know.

Me: But seeing all those worlds merged into one like that is really cool!

Nico: I don't see how it's our fault several Lego worlds merged into Chronopolis. It was Kang's doing anyway.

Me: Yeah it was Kang's doing. I remember the game all too well and Kang did all that. Also We have a VERY SIMILAR world too. Gotham Royal York. Remember?

Nico: Oh right! Yeah we did make this city into what it is.

Eli: We sure did but that is an awesome city there.

Nico: Yeah we have our work cut out for us.

Me: But it will be REALLY fun every step of the way.

Nicole: It sure will be.

Me: I agree. But it will be awesome and cool.

Varie: It sure will be.

Lola: Yeah.

Me: But for now lets just enjoy this relaxing time that we have.

Nico: I agree.

Me: But it was fun meeting the Lego Guardians.

Nico: It sure was. And before we start part 2 lets go see what the Avenger's mansion is like.

Me: Good idea. We saw the one from the Yost Universe but not the Lego one. That was cool.

Nico: It sure was.

Me: Yeah.

Nico: Assuming it's still there.

Nicole: Oh don't worry Nico. My spy camera confirmed that it's still standing. I have a sentry probe watching Chronopolis.

Nico: Cool!

Qin: Wow.

Me: Good. But this will be awesome still.

Nico: Yep.

Laney: And if we face Carnage later on, I have a feeling that Girl Jordan is going to let that monster have it.

Girl Jordan: Only if the Carnage Half of Carnom is laughing like a maniacal monster.

Xenia: Yeah.

Girl Jordan: And I'm going to stick to that promise.

Me: Good for you G.J.

Nico: Of course it might not work like that.

Girl Jordan: We'll see. But okay.

Xenia: Yeah.

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: we got word from Lady Hokage that an evil version of Sakura Haruno has been sighted, and she is absolutely pissed off at J.D. for what he's done in humiliating Evil Sasuke and killing him multiple times.

We gasped. Suddenly, the rest of the team arrived without Lincoln even sending a message.

Nico: Lori, everyone, how did you guys get here so fast? Usually, Lincoln would send the message as soon as we found out after he tells us about the villain.

Lynn: Sorry, Nico. But, we heard her screeching voice from a mile away, it's like me using a sander to buff out Lori's calluses on her feet.

Lori: Ignoring that remark, we came here as soon as possible, and we're ready for her.

Sakura Haruno: And so are we.

Sakura Knudson: Me too, and I'm going to do a version of the Evil Sasuke Rant on her, except that it's gonna be how she devoted her entire time to being an absolute fangirl and how she followed a monster like Evil Sasuke like a lovesick puppy and how she is nothing but a long lost cause and a disgrace to the ninja name, and how she is nothing but a pathetic Ninja Wannabe, and how she wanted to get inside Evil Sasuke's pants to repopulate the Uchiha Clan and turn it into a clan full of evil.

We gasped in horror, and my jaw, Marlene, and Elaine's jaws hit the floor!

CLANG! CLANG! CLANG!

Lincoln closed our jaws.

Marlene Knudson: Oh God, if she says all that, it's gonna be a brutal catfight!

Me: Same here, Marlene.

Nico: If it comes to that, I've got some things you can use to hurt her with.

Nico got out some clubs, knives, machetes, and a razor.

Sakura Knudson: Wait, why do you have a…? (Suddenly realizes why there's a razor) Oh, and there is no doubt the razor is Marlene's idea.

Marlene Knudson: You know me, sis.

Nico: Ranting at Evil Sasuke is one thing. Evil Sakura might be tricky.

Sakura Knudson: This will be good. After seeing bro's rant to him in action I looked it over and took notes and made my own version of it.

Me: Awesome.

Laney: This will be awesome.

Sakura Knudson: It's time for the God Sibling of Nature to shine in this one.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their

feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped

glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. (Sensed for Evil Sakura Haruno) AHA! Gotcha! I just spotted that banshee! She's 20 yards away and she's already making a mess of the place turning cars over, breaking windows, and smashing trees to the ground.

Eleanor Suzaku Haruno and Lara Xinxiangmi: WHAT?! I'M GONNA SMASH THAT IMPOSTER THAT LOOKS LIKE OUR COUSIN!

Sakura Haruno: Lincoln, I think we better restrain Eleanor and Lara.

Lincoln: Yeah, we can't have them smashing her early. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower

body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on Evil Sakura Haruno.

Nico: Oh, and Brody, Arkayna, Yin, Yost Cap, Shinnosuke, and Ultrox did good.

Me: They sure did.

Qin: That was so fun.

Shinnosuke: We all had fun in that one.

Ultrox: Boy it was great.

Yin: I'll say!

Brody: Yeah!

We were flying, and then, we saw Evil Sakura Haruno, and she was already causing havoc by trashing many cars, breaking windows, and literally beating people up and smashing them into the ground and she was screaming with that banshee voice of hers.

Nico: My God, look at this mess!

Me: Damn it, she's really wrecked the place!

Lincoln and Sakura Haruno looked at the place, and of course, they immediately had second thoughts on restraining Lara and Eleanor.

Lincoln: Sakura, remember when you said we should restrain Eleanor and Lara? I'm starting to have second thoughts.

Sakura Haruno: Same here. Eleanor, Lara.

Eleanor Suzaku Haruno and Lara Xīnxiàngmù looked to their cousin and Lincoln.

Lincoln and Sakura Haruno: Rip that pink-haired banshee's vocal chords out!

That ultimately did it: Lara Xīnxiàngmù and Eleanor Suzaku Haruno were unleashed, and they went at Evil Sakura Haruno and they began smashing her into the ground, and MAN, IT WAS BRUTAL TO THE EXTREME!

Maria: HOLY SHIT!

It got even uglier when Lara Xīnxiàngmù and Eleanor Suzaku Haruno shaved Evil Sakura Haruno's eyebrows off.

Sakura Haruno: (GASPS) Oh God, they shaved off her eyebrows! Okay, this has gone on long enough.

Lincoln: Agreed.

Suddenly, a massive wave of pink Sakura blossoms and pink butterflies appeared and danced in the wind and the butterflies fired blasts of pink energy at Evil Sakura Haruno and she got hit hard. Then, the wave of pink Sakura blossoms and pink butterflies crashed into the ground as a massive tornado of pink energy with swirling pink Sakura blossoms and butterflies formed, and then, a Thunderbird Screech and Phoenix Cry was heard and we appeared, and that pissed off Evil Sakura Haruno when she saw me

Evil Sakura Haruno: YOU! YOU! (BANSHEE SHRIEK) I'LL KILL YOU FOR WHAT YOU'VE DONE TO SASUKE!

Me: Try it, you banshee!

Nico: Your voice is as atrocious as scraping metal nails on a chalkboard!

Me: Like this!

I formed my fingers into claws and scraped them down a chalkboard!

(HORRIBLY OBNOXIOUS SCRAPING NOISE)

Evil Sakura Haruno: (SCREAMS) THAT HURT!

Ino: You are an absolute disgrace to the world of shinobi billboardbrow!

Sakura Haruno: Boy it feels satisfying hearing you call my evil self that Ino.

Me: Yeah!

Nico: We knew we would fight you one day!

Evil Sakura Haruno went ballistic and went at me, but then, a massive blast of fire appeared from out of nowhere and it hit Evil Sakura Haruno and sent her flying into a nearby bench.

CRASH!

Lincoln: Lola, was that…?

Lola: That wasn't me.

Suddenly, we saw a very beautiful and super sexy girl with long red hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in a crimson red short-sleeved frilly shirt, necklace with pearls and red gem for the pendant, crimson red skirt, purple stockings, white bridal gloves, purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Helena Knudson.

Me, Sakura Knudson, Elaine, Marlene Knudson, Sumner, and Patti: Helena?!

Helena Knudson: Yep. Helena Knudson, God Sibling of Fire reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis. (To Evil Sakura Haruno) Now, where were we?

Sakura Knudson unholstered her massive Sakura Knudson's True Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Angel Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Phoenix Angel Justice and transformed into Super Angel-Wolf

Evil Sakura Haruno: YOU GODDAMN BITCH!

Sakura Knudson: (Divine Echoing Godly Voice of The Harmonious United Friendship Cosmic Elemental Flower Love Wolf Phoenix Angel and Divine Cosmic Harmonious United Friendship Cosmic Elemental Flower Love Wolf Phoenix Angel Love) Look who's talking, and a "Goddamn Bitch" is the only kind of person you can handle. You really make me sick just by even looking at you, you know that. All you have ever done in your life is devote your entire time to being an absolute fangirl and you followed a monster like Evil Sasuke and you always followed him around like a lovesick puppy. That disgusts me to the fucking core, and on top of all that, you're nothing more than a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You're nothing more than a long lost cause and an absolute disgrace to the Ninja name, all you are is a pathetic Ninja Wannabe. And to top it all off, a bitch like you gives all girls a bad name, all you ever wanted was to get inside Evil Sasuke's pants and repopulate the Uchiha Clan and turn it into a clan full of evil. My brother made the right decision to kill off the Evil Uchiha Clan in 150,000 years hence, all of them are a bunch of goddamn fucking thieves, stealing all the Jutsu in the world just to expand your Jutsu arsenal and repertoire, committing crimes all over the planet just to satisfy the devil Madara Uchiha who was out to destroy the entire planet, murdering innocent people, stealing Jutsu, pursuing petty and worthless desires like revenge and above all betraying the very village their clan clan founded. Every last one of those Evil Uchiha Motherfuckers didn't give a flying fuck about anyone but their pathetic goddamned motherfucking selves and that is why he killed them all including Evil Sasuke's father. The Uchiha are nothing more than heartless monsters that murder, lie, steal, scheme, betray and are completely powerhungry just like you and that's why he killed them all, but you, you're just the absolute worst human being I've ever met! YOU FUCKING DISGUST ME, YOU GOOD-FOR-

NOTHING UGLY BITCH!

WE GASPED IN UTTER SHOCK AND AWE AND MY JAW, NICO'S, ELAINE'S, MARLENE'S, HELENA'S, MY DAD'S, AND MY MOM'S JAW DROPPED TO THE GROUND!

---

Lincoln closed our jaws. Just then, we saw Evil Sakura Haruno turn absolutely red with demonic rage and her pink hair turned into living pink flames, and she let out an unbearable banshee shriek!

Sakura Haruno: Oh man, that really hit her right in the gut, and it's pissed her off in a major-league bad way!

Evil Sakura Haruno charged at Sakura Knudson and tried to punch and kick her, but Sakura Knudson dodged all of her punches and kicks, and she responded in kind by punching and kicking her all over the place with unimaginable brute strength and speed!

Sakura Knudson went at her and punched her in her face!

KRABLAM!

SMASH WHAM BIFF KROW!

Sakura Knudson bashed her all over.

Nico: That was actually pretty good!

Me: Yeah it was!

POW BLAM SMASH WHAM BIFF!

Sakura Knudson bashed and pulverized her all over!

Nico: YEAH!

Sakura fired an energy blast and it hit Evil Sakura and blasted her in the shirt.

Nico: OH SHIT! NOW, THIS HAS TURNED INTO A REALLY BRUTAL CATFIGHT!

And of course, me, my other sisters, and my parents were really cheering for her big time!

Me, Elaine Knudson, Marlene Knudson, Helena Knudson, Sumner, and Patti: GET HER, SAKURA! TEAR THAT BANSHEE APART, RIP HER HAIR OFF AND SHOVE IT DOWN HER THROAT!

Lincoln: We should also join in as well, we can't be left out of the action!

Me: Yeah, you're right.

Lincoln, Sakura Knudson, and I went after Evil Sakura Haruno, and we fired extremely powerful blasts of rainbow energy, neon pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Evil Sakura Haruno, and they exploded with incredible power as they hit her.

Horsea Squirted Ink and it got in Evil Sakura's eyes.

Poliwag slapped her all over with her tail.

Then, we attacked her with energy slashes from our massive greatswords leaving scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he, Sakura Knudson, and I attacked her hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving Evil Sakura Haruno even more insane and straight to the brink of insanity.

Evil Sakura Haruno: YOU! YOU! (ENRAGED SCREAM)

Evil Sakura Haruno charged at us completely blind with rage and fury, but Nico, May, and Qin kicked her hard in the stomach and Sebastian fired blasts of Divine Darkness at her and she got hit hard and he slashed at her with his massive black greatsword. Naruto grabbed her by the waist with one of his nine massive and long red fox tails and smashed her down into the dirt left and right and tossed her into a nearby trashcan, and Sakura Haruno smashed Evil Sakura Haruno down with her massive and powerful strength, and it got her on her last legs.

Sakura Haruno: She's on her last legs.

Me: Yep. To quote Wolf (To Evil Sakura) "You'll be seeing your lover soon."

Nico: To quote Pigma: "Evil Sasuke screamed real good before he died!"

Maria: During all the times we fought him!

Evil Sakura: WHY YOU MOTHERFUCKING PUTRID!

KRABLAM!

She punched Maria in her face. But her punch didn't have any effect on her!

Maria: (sarcastically) Ouch!

Me: SNIFF ON THIS!

LOUD SUPER FART!

I farted right in Evil Sakura's face and she gagged, coughed and puked!

Evil Sakura: (COUGHS)

Sakura Haruno: Now you know how it feels to be me bitch!

Evil Sakura: OH SHUT YOUR FUCKING MOUTH UGLY!

WE GASPED!

Me: Uh oh.

Nico: You're in for it now!

Sakura Haruno: CHAAAAA!

She went at Evil Sakura and then…

SUPER POWERFUL MASSIVE PUNCH!

She punched her evil self SQUARE IN THE FACE AND SENT HER CRASHING THROUGH 7 BUILDINGS!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Evil Sakura fell down to the ground and then an abandoned skyscrapper fell and smashed right on top of her!

KRASMASH!

Nico: Brutal!

Evil Sakura got out of the rubble and she was REALLY MANGLED UP!

Me: Now you will feel TRUE Pain!

Xenia: And it's not going to be pretty!

Time to end her for good.

Evil Sakura Haruno charged at us again, but Lincoln used his time powers to freeze her, and then, he punched her hard in the face and kicked her hard in the stomach, and when he unfroze her, she had a bruise on her face and stomach.

Sakura Haruno: Wow, that's the first time we saw you use your time powers, Lincoln.

Nico: He's had some practice with them, but that was so awesome.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now to end her. FIRESTORM STYLE NINJA ART: FOX FIRE PHOENIX FIRESTORM RASENSHURIKEN!

Lincoln formed a massive red Rasenshuriken with flames surrounding it and a phoenix flying around the red core, he threw it into Evil Sakura Haruno and it slammed into her and she was incinerated to ashes and she was sent to The Black Gates. Everyone cheered as we holstered our weapons and powered down!

Me: Now, that was so awesome!

Lincoln: Thanks, J.D. (To Helena Knudson) And it's so good to see you again, Helena.

Helena Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, Mom, Dad, Varie, Elaine, Marlene, and Sakura again, J.D.

Me: You too, sis.

Lincoln went up to Helena Knudson and he hugged her, and Helena Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Helena Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Helena Knudson, God Sibling of Fire, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful fire powers and immense control over the flames. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, and Marlene, and just like J.D., Sakura, and Marlene, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Fire, but also Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like me and Sakura. She defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT! YOU'RE GOING TO GET BURNED!

Nico: Yikes! That's one of your relatives no one wants to piss off not unless they want to get burned.

Qin: Yeah.

Me: You got that right.

Lincoln: Yeah, no one wants to get burned by her, and now that you're here, Helena.

Lincoln went up to and hugged Helena Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Helena Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Helena Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Helena Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Helena Knudson.

Helena Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Velma: I was still surprised to find out J.D. has a lot of sisters when he told us that years ago, that's something he has in common with Lincoln.

Lincoln: I was about to point that out, Velma.

Helena Knudson: And I can already guess that Shaggy and Scooby are still the same as ever, right?

Shaggy: You know us, Helena.

Scooby Doo: Yeah.

Me: And are you still a lover of nuclear spicy food?

Helena got out a bottle of superhot hot sauce and chugged it down, and a massive fire tornado had exploded out of her and she gained a massive power boost and fired a fire breath blast at some thug who tried to attack her and got incinerated.

Helena Knudson: That I still am, J.D. (BELCHES AND FIRE COMES OUT)

Me: Nice!

Qin: (LAUGHS) Yeah!

Nico: Can I have some?

Helena Knudson: Sure.

He tried some and then massive fire tornado had exploded out of him and he gained a massive power boost and fired a fire breath blast at some thug who tried to attack me and got incinerated.

Me: Whoa! Nice one!

Nico: (BELCHES AND FIRE COMES OUT)

Poromon: I want one!

Me: Poromon this is my sisters hottest hot sauce. You would probably explode. Literally.

Helena Knudson: Yep. It's called Apocalyptic Nova Death Sauce.

Qin: Whoa.

Me: That is powerful.

Nico: Yikes.

Xenia: Just imagine if Evil Sasuke or Evil Sakura drank that.

Nico: Too late now.

Me: I know. But there's always next time.

Nico: True.

Me: Yep.

Eli: Yeah.

Me: Now we got the fun part. The Anothers.

Eli: Lets see. (CONCENTRATES) Whoa! We got Another Evil Magma Man, Evil Solar Man, Evil Fire Man, Evil Flame Man, Evil Torch Man, King Jellyfish and Hydros.

Me: WHOA! All Fire Robot Masters!

Laney: Wow! That is infernal!

Xenia: Hot hot hot!

Nico: This will be awesome.

Maria: Who do we call for this?

Me: Erasa, Asami Sato, Chunk, Hiita the Fire Charmer and Cindy Richards.

Nico: Cool!

Chunk: I'm going to rip him apart.

Asami Sato: It will be fun!

Hiita: It sure will be cool.

Eli: And I sense that the anothers minus Hydros are one person.

Me: Wow!

Nico: Nice. There they are!

We saw Another Evil Magma Man, Evil Solar Man, Evil Fire Man, Evil Flame Man, Evil Torch Man and King Jellyfish!

Me: Whoa! Infernal.

Qin: Yeah.

Another Magma Man: (In a girls voice) This will be fun.

Lincoln: Valerie Vaadwaur!? Whoa!

They merged and she reverted back and was a girl with yellow hair, blue eyes, yellow and red clothes and had yellow angel wings and had the symbol for the Imperial Republic of Vaadwaur in the middle of her forehead and on her skirt and she had a yellow keyblade.

Valerie Vaadwaur: Awesome to see you again Lincoln and wow! You grew into an awesome young man.

Lincoln: I know.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Valerie Vaadwaur, Keyblade Knight of Vaadwaur, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the planet, Vaadwaur, and she has intense light powers and she's a master of light. She is the Keyblade Knight of Vaadwaur and the leader of the Imperial Republic of Vaadwaur, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of light.

We were amazed.

Me: Wow! The Keyblade knight of the planet Vaadwaur. I remember the Vaadwaur were not very nice people.

Valerie Vaadwaur: Yeah my people were mean and nasty but I made sure they turned to helping Earth out.

Me: Nice.

Qin: I'll say!

Me: By the way is the Another Hydros friendly or hostile?

Valerie Vaadwaur: Friendly and she is a cold one.

Me: Whoa.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They both glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and elements and blasted the Anothers.

I caught the Wonder Ride Books.

Nico: Nice!

Maria: (Turns dial) ROSES OF WIND 6!

She summoned Kitty, Esdeath, Magmoor, Hizumina, TTG Kitten and Spike Rosered!

Me: Yeah! Now for the Another Hydros.

Nico: We just got done fighting fire. Now we're about to fight ice!

Me: Yeah we sure are.

Qin: This is gonna be awesome.

Me: Yep.

Xenia: I think it will be awesome.

Nico: All we can do now is wait.

Me: With Another Hydros it won't be hard to spot.

Nico: Yeah.

Maria: Just need to look out for freezing temperatures.

Me: Yeah.

Nico: LOOK!

We saw a huge figure and it was ANOTHER HYDROS!

Me: WHOA!

Nico: Another Hydros.

Hydros: Wow!

Another Hydros saw us.

Another Hydros: (In a girls voice) Looks like the fun got started.

Me: (GASP) That voice.

She reverted back and was a girl with orange hair, orange eyes and yellow angel wings and had orange clothes and she had a tiara with the symbol of the Sun Dopant on it and the same symbol on her skirt and she had a sun sword in her hand.

Me: (GASP) Saya Sun!

Saya Sun: Awesome to see you again J.D.

Me: Same here. Saya is the embodiment of another version of the Sun Dopant and she has all the powers of the Sun. Fire, light, energy and life nourishment. Also she has the powers of ice like Hydros does.

Hydros: That is awesome!

Nico: It sure is.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Nico: Like a Solar Flare technique.

Saya Sun: Yep.

Me: Clever.

Sakura Knudson: That explains what that light was that I saw.

Saya Sun: Yep.

Zocks and Kaito: ZENKAIJU GEAR!

They donned their Zenkaiju armor.

Lincoln: Lets separate you first.

He fired a wave of light and separated her.

Saya Sun: Oh yeah!

Nico: (Gets out Hydros' Ridewatch) FREEZE!

May: (Gets out Owl Beastman's Ridewatch) WHO is talking to who!

Maria: (Gets out Piledriver's ridewatch) I'm going to smash you!

They activated the ridewatches of Hydros, King Jellyfish, Owl Beastman, Ice Sphere Doomer, Piledriver, and Weather Machine Monster (Operation Overdrive) and fired waves of energy and elements.

Sara: And for some zap power! (ACTIVATES KING JELLYFISH'S RIDEWATCH)

She fired waves of lightning and the blasts hit Another Hydros and blasted him.

Then Iceage, Doc Duodenum, Carrie Beff, Lady Bullseye, Bammers and Rock Doggler came.

Nico: Nice team Iceage!

Iceage: Thanks Nico!

LOUD FART!

I ripped one.

Me: Oops sorry.

Doc Duodenum: (FART TALK)

Me: I heard that Doc!

But then…

CRASH!

I got hit on the head by a huge block of concrete and it shattered on impact!

Me: OUCH!

I had a nasty lump on my head!

Nico: What the?

?: Sorry!

Concrete Man came.

Me: Concrete Man. Wow! Ouch! My aching head!

Lana put ice on my head.

Concrete Man: (In a girls voice) I was aiming for Another Hydros and missed.

Nico: Cindy Concrete!? Whoa!

She reverted back and was a girl with orange hair and had orange and grey clothes and orange angel wings and she had a cement mixer in the middle of her forehead.

Quickmix: (Irish Accent) That's amazing that you are like me as a cement mixer lass.

Cindy Concrete: Yeah I have cement powers. I got this.

She fired a wave of hard concrete and it hit Another Hydros and shattered him and I caught the ridewatch and purified it.

Nico: That's gotta hurt.

Me: OUCH! No fucking shit!

Qin: No kidding.

The lump on my head was throbbing hard.

May: At least I wasn't the one who was hit.

Me: Easy for you to say May. Ouch.

Nico: Boy that is a nasty lump.

Cindy Concrete: Yeah sorry. I couldn't see you very well. I lost my glasses.

Me: Glasses?

Cindy Concrete: Yeah like Velma I can't see anything in front of my face. I'm blind as a bat without my glasses.

Me: Oh man.

Velma: (laughs) Welcome to my world. Alright, we'll help you find them

Maria: I think these are them.

She pulled out a pair of orange glasses from her pocket.

Maria: I found these on a bench and figured someone lost them.

Maria gave them to Cindy.

Cindy put them on and she could see again.

Cindy Concrete: Ahh thanks! That's better. Oh man! J.D. I hope I didn't hit you too hard. Sorry about that.

Me: I'll be okay and it was an accident. Ouch.

May: Now you know how I feel.

Nico: May?

May: Well he does.

Nico: Not helping.

May: Sorry.

Sara: Anyway what's your favorite memory of Nico?

Cindy Concrete: When me and Nico made the largest ever prison in the world in San Francisco. We call it Alcatraz 2.0.

Me: Whoa you guys made that prison!? That is home to the WORST EVER criminals in the world.

Nico: Yep. And it has EVERYTHING that Fred said about the Vault.

Me: Wow!

Cindy Concrete: Yep. That was fun.

Nico: It sure was.

Nico and Cindy hugged.

Nico: I've missed you.

Cindy Concrete: Same here. And J.D. sorry I hit you.

Me: It's okay.

We went back home.

We cheered as we holstered our weapons and powered down.

Lincoln: Your little feeding frenzy ends here and now, Dandridge. (To Blythe Midnight) And it's so good to see you again, Blythe Midnight.

Blythe Midnight: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Autumn.

Autumn Midnight: You too, Blythe.

Lincoln went up to Blythe Midnight and he hugged her, and Blythe Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Blythe Midnight: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Blythe Midnight, Treasurer of The Midnight Society, she's my Guardian Angel from Michigan and the third eldest sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's the member of a new generation of The Midnight Society, and every night, she and her group meet up with me at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Lola with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, Lola tried to attack us, but Blythe sprayed Lola with the hose and she used her dark powers and made Lola's nightmares come to life, and she got so scared, she ran back inside the house and into her room and refused to come out for the rest of the night.

Nico: Jeez, that's scary.

Me: And I remembered that incident all too well, Lola got what she deserved that night.

Nico: Yeesh, I hate to find out how Amara knew of Lola's nightmares and used them to frighten her.

Lincoln: That was due to Blythe's powers over darkness, and the rest of her sisters are also members of The Midnight Society and each of them have the same powers as her and are just as powerful and deadly as her, and now that you're here, Blythe.

Lincoln went up to and hugged Blythe Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Blythe Midnight: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Blythe Midnight's neck with red gems on the gold

lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Blythe Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Blythe Midnight.

Blythe Midnight had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the five girls, and when Lincoln saw them, he immediately recognized them. The five girls are Natalia, Ruzé, Mila Micola, Tianne Ruthheim, and Filia Shiora from Isekai Harem Monogatari.

Lincoln: Oh wow, it's Natalia, Ruzé, Mila Micola, Tianne Ruthheim, and Filia Shiora from Isekai Harem Monogatari.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Natalia: Yes, we're okay, thanks to you.

Then, when Natalia and the other four girls saw who it was that saved them from Jerry Dandridge, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and

Natalia: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Natalia: (Seductively and rubs her hands on Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Natalia, Ruzé, Mila Micola, Tianne Ruthheim, and Filia Shiora with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villain we went after was none other than Jeremiah "Jerry" Dandridge, the main antagonist of the 1985 horror film Fright Night.

But, when Lincoln showed what we did in viciously beating that bloodsucking freak to the ground and finally Lincoln using the Kamen Rider Kiva gear that transformed his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds into a vampiric version of his Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and inserting the Fuestles of the vampires in The Masters of Evil that gave it extra power, and he cut down Jerry Dandridge and that drained him dry of every last drop of blood and sent him to The Black Gates, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Blythe Midnight have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I can't believe you guys went after Jerry Dandridge from Fright Night. Mom hasn't seen that movie in years.

Lincoln: And he was scary as Hell and extremely dangerous. But, we destroyed him.

Nico: And in the process, his victims were all cured.

Me: He tried to turn the town into his own personal feeding ground, so he had to go.

---

After destroying Jerry Dandridge once and for all, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Blythe Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Blythe Midnight: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Blythe, and I can still defend myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Blythe Midnight: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Blythe Midnight: I knew it was only a matter of time before he told everyone that story.

Suddenly, Kurumu spotted something shining on Lincoln's sisters and the other members of the team except for me, my harem and kids, Lincoln, his harem and kids, Nico, his harem and kids, Eli, Nunnally and their kids, Drakus and The X-Squad, and Rita and Lynn Sr. Then, she sounded an alarm.

Lincoln: Oh man! Kurumu, what did you spot?

Kurumu: Nothing good, Linky. I spotted something shining on your sisters and the other members of the team. (Realizes what they were) Oh, for pity's sakes! SERGIO! WHAT THE HELL DID YOU DO?!

Sergio: Rrawk! I didn't do nothing!

Eli: (Sensed Sergio's lie) He's lying! Kurumu, we're gonna need to do some surgery.

Kurumu put up a massive screen to cover everyone, and she got to work and removed what it was that she saw from Lincoln's sisters and the other members of the team: it was a massive collection of Anti-Drakus chips.

Drakus: What the?! Anti-Drakus Chips?! (Suddenly remembers) Oh, you've got to be shitting me! There's only one person who'd be so cruel as to do this: Madelyn Michaels!

Me: Who's she?

Drakus: A girl I wish we hadn't met: she's a rotten, black-hearted, sadistic, Class S Monster Bitch who enjoyed causing untold pain and suffering for everyone and making us all look like idiots, and here's the worse part: she also enjoyed ruining the relationships that girls have with their boyfriends and husbands by having affairs with them!

We gasped!

Nicole: That's just disgusting! You got a picture?

Drakus showed us the picture, and she was a girl with black hair similar to Mira Michaels, but her eyes were blood red with hatred and she has on black clothes. When Mira Michaels saw it, her face went pale.

Mira Michaels: (GASPS) Oh God! Now, I know who she is. Lincoln, do you remember what I did with her when she tried to ruin your relationship with all of us?

Lincoln: How could I forget?! I was so mad, I electrocuted her bad and you tied her up with dark energy ropes and after we told your parents, they disowned her and they sent her to a boarding school in Siberia!

Luan: And we forgot about your birthday and all because of her! When we get our hands on that evil monster, she's in for a fate crueler than death! SHE'S IN FOR… !

Drakus: (Rushed over and hugged Luan) Hey, it's okay, Luan, it's okay.

Lori: No, it's not. We fell victim to those chips just like what happened to Lincoln because of Audrey Madison and Sergio, this needs to be made right.

Lincoln: And we will make this right, it may be late, but we're giving you an awesome birthday party when I get back from my date, Drakus. (To his harem and Guardian Angels) Selene, everyone, once I go on my date, I want you all to hunt down Madelyn Michaels, tie her up, and save her for Drakus.

Mira Michaels: That is if I don't kill her first!

Drakus: I'll go with your harem and Guardian Angels, Lincoln. Not only do I want to hurt Madelyn just as much as they do, but someone's got to stop Mira from killing her early.

Lincoln: Ooh, yeah, that's a good idea. Mira hated her older sister for the crimes that you described to us in the past, and we thought we wouldn't see her again, but I was wrong.

Me: Drakus, Mira, you two don't show that bitch any mercy.

Mira Michaels: We'll give her Hell for what she's done!

Selene Arcangela: We never let any of our old enemies get out of this alive, especially if one of our old enemies are former family members.

We got a shower afterwards, and then, Lincoln and the Simulator versions of Azazel Ameri, Sakura Haruno, Ino Yamanaka, Hinata Hyuga, Tenten, Temari, Kin Tsuchi, Yugito Nii, Fu, and Hana Inuzuka are heading to Everbay Coast, and while they were off, we were busy setting up for Drakus' birthday party, and it came in late, because of the dark actions of Mira Michaels' ex-older sister, Madelyn Michaels for putting Anti-Drakus Chips in the butts of Lincoln's sisters and the rest of the members of the team except for me, my harem and kids, Nico, his harem and kids, Lincoln, his harem and kids, Eli, Nunnally, and their kids, Drakus and The X-Squad because they were her main target, and Rita and Lynn Sr. and the rest of The Louds' family and friends.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5",

handsome and extremely muscular man had on his new large orange and black speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And the Simulator versions of Azazel Ameri, Sakura Haruno, Ino Yamanaka, Hinata Hyuga, Tenten, Temari, Kin Tsuchi, Yugito Nii, Fu, and Hana Inuzuka are dressed in two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Dora the Dragon, Donna the Dragon Zombie, Joan the Jabberwock, Orie the Otohime, Ryuga the Ryu, Winifred the Wurm, Wilda the Wyvern, Charmcaster (Ben 10 2016), Kaepyon, Akkyan, Mororin, Robin (Rhythm Heaven), Gotuu, and Hashimon all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound thugs Flip hired to kill them, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy as it killed them all which made those buttfaces go insane with anger, until Lincoln fired energy blasts at those buttfaces and more gold and jewels and treasures came out of them, but they also got to keep their heads up, they got word that mutant has sent more muscle-bound thugs to kill them.

Simulator Azazel Ameri: Wow, so, this is Everbay Coast, it sure is beautiful.

Lincoln: It sure is, Azazel, and it's perfect for our first date. Shall we?

Lincoln and the Simulator versions of Azazel Ameri, Sakura Haruno, Ino Yamanaka, Hinata Hyuga, Tenten, Temari, Kin Tsuchi, Yugito Nii, Fu, and Hana Inuzuka dived into the waters and they had fun swimming in the ocean, and they also saw the creatures that lived there, then, they went back to the beach and they had an awesome volleyball match, and the Simulator versions of Azazel Ameri, Sakura Haruno, Ino Yamanaka, Hinata Hyuga, Tenten, Temari, Kin Tsuchi, Yugito Nii, Fu, and Hana Inuzuka got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails.

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to the Simulator versions of Azazel Ameri, Sakura Haruno, Ino Yamanaka, Hinata Hyuga, Tenten, Temari, Kin Tsuchi, Yugito Nii, Fu, and Hana Inuzuka and they hugged the girls in their abnormally massive and powerful muscular arms, and the Simulator versions of Azazel Ameri, Sakura Haruno, Ino Yamanaka, Hinata Hyuga, Tenten, Temari, Kin Tsuchi, Yugito Nii, Fu, and Hana Inuzuka placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Everbay Coast, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of the Simulator versions of Azazel Ameri, Sakura Haruno, Ino Yamanaka, Hinata Hyuga, Tenten, Temari, Kin Tsuchi, Yugito Nii, Fu, and Hana Inuzuka with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now the Simulator versions of Azazel Ameri, Sakura Haruno, Ino Yamanaka, Hinata Hyuga, Tenten, Temari, Kin Tsuchi, Yugito Nii, Fu, and Hana Inuzuka are in your harem, Linky.

Sakura Haruno: We arranged a date for Lincoln with our Simulator counterparts, and when they first met, it was true love at first sight.

Ino: It sure was, and he also clobbered Jiraya for his antics again. He really packs a punch just like Lady Tsunade and Nicole.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill the Simulator versions of Azazel Ameri, Sakura Haruno, Ino Yamanaka, Hinata Hyuga, Tenten, Temari, Kin Tsuchi, Yugito Nii, Fu, and Hana Inuzuka, now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale. Oh, and it's time for Drakus' party, we're having it at the park.

Lincoln: Awesome!

Nico: And we just got word from Drakus and the others: they got Madelyn Michaels and they are heading over right now. Let's get going.

We headed over to the park.

After Lincoln's date, we high-tailed it to the park and we already set it up for Drakus' birthday party as it was decorated with balloons in his favorite colors: cobalt blue and black, we had a huge cobalt blue tablecloth on the table, and we had a huge blue banner with words in black that said: HAPPY BIRTHDAY, DRAKUS! This is to not only make it up to him, but to also, punish Madelyn Michaels, the ex-older sister of Mira Michaels and notorious Class S Monster Bitch and slut who hates Drakus, The X-Squad, Lincoln, his Guardian Angels, and everyone with all her black heart. The Masters of Evil were also here in the park.

Me: This'll not only make up for missing his birthday, but we're so going to enjoy making Madelyn Michaels pay.

Nico: After what Drakus told us of her, she's really in for Hell.

Poromon: (Spots the guest of honor) He's coming, gang, get ready!

We all got into position as Drakus, The X-Squad, and Lincoln's Guardian Angels came in, and they have a huge burlap sack with them, and Drakus had his eyes covered.

Drakus: Hmm, why are we here in the park?

Mira Michaels: Okay, Drakus, you can open your eyes now.

Drakus opened his eyes, and then… !

WE JUMPED OUT!

Everyone: SURPRISE! HAPPY BIRTHDAY, DRAKUS!

Drakus: (SURPRISED) WHOA! You guys had this all set up for me? And we're having it in the park?!

Lincoln: Yep, this is to not only make it up to you, but I can tell you guys have another surprise?

Mira Michaels took the burlap sack off, and it revealed Madelyn Michaels tied up and gagged, but there was no mistaking the crazed look of hatred in her eyes and she looked really haggard: her skin was pale and she had wrinkles and she was absolutely crazy!

Twilight Sparkle: She put up a nasty fight and she had a knife in her hand! Thank goodness Drakus got it away from her.

Lincoln: Her time behind bars has driven her crazy.

Madelyn Michaels: (THRASHING LIKE MAD) (GROWLS) GET THESE ROPES OFF ME SO I CAN KILL YOU ALL!

Mira Michaels: Fat chance, Madelyn, you're not going anywhere. We're not letting you hurt anyone else again.

Drakus: That's right, you're not getting off that easy, you slut.

Madelyn Michaels: SHIT! SHIT! SHIT! SHIT! I'M NOT GOING TO FORGET THIS! I'LL GET REVENGE ON ALL OF YOU! I HAVE NOTHING TO LOSE AND I'M GOING TO MAKE IT MY MISSION TO MAKE SURE THAT YOU'RE ALL MISERABLE FOR THE REST OF YOUR LIVES!

Mira Michaels: You won't be doing that ever, you bitch. We also know you were running from all the girlfriends and wives of the boyfriends and husbands whom you've had affairs with, and they're all demanding compensation from you. Mom and Dad made a huge mistake sending you off to prison after they disowned you, and make no mistake, you're paying for your adultery!

Madelyn Michaels: (GASPS) Oh no, I forgot about that!

Lincoln had her chained to a medieval rack and he blasted her with a gold energy beam giving her the Gessius Flores' Vengeance Curse.

Lincoln: Alright, now let's get this party started!

We immediately got the party started, and we began having tons of fun: Lincoln gave Drakus a huge book with tons of torture techniques, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily got him an black and silver cell phone case, clothes, awesome songbooks and instruments, really funny jokebooks, sports equipment, artist's kit, books on black magic, tools and toolbox, awesome and beautiful bracelets and necklaces, blaster, and photo album of Drakus and The X-Squad and the adventures.

Lincoln: Alright, and now, it's time for Attack The Heartless Spoiled Older Sister!

Then, Drakus and The X-Squad proceeded to attack Madelyn Michaels with energy blasts and slashes from their weapons and blasters, and because of that, massive tons of gold, jewels, gems, and many other currencies exploded out of Madelyn Michaels.

Drakus: That's just for the compensation you owe Lincoln and his Guardian Angels and harem.

Me: Drakus, she didn't try to do anything to Lincoln, his Guardian Angels, and harem in the past, they were on to her.

Mira Michaels: Actually, there's a reason why.

Mira showed us a horrible burn on her back.

Zenet Surrow: How did you get that?

Lincoln: (GASPS) Oh God, I remember that burn mark on her. Madelyn pressed a hot pan onto Mira's back and she had to go to the hospital and spent a week there. I told Selene about it and she hunted down Madelyn and threw her in jail because of it.

We gasped.

Nico: That bitch! I think we need increase the maximum amount of pain we inflict on her.

Drakus: With pleasure. (Smirks Sadistically)

Drakus and The X-Squad went absolutely berserk and they viciously attacked Madelyn Michaels with energy blasts and slashes from their weapons and blasters, and they didn't stop there, soon they also began punching and kicking her all over the place and with ferocity, and Drakus even took a branding iron with the Star of Satan and pressed it on her stomach, leaving the brand and her Mark of Eternal Damnation, because of the massive barrage of cruel attacks they inflicted on her, tens of thousands of massive tons of gold, jewels, gems, and many other currencies exploded out of Madelyn Michaels.

Lincoln: I think we got more than enough for compensation for Madelyn's victims, and since she was disowned, her parents don't care about what'll happen to her.

Lincoln removed the Gessius Flores' Vengeance Curse, and Drakus beheaded her and incinerated her by firing blue fire from his breath and sent her to The Black Gates.

Then, we got out a massive cake covered in blue frosting that we made and we ate it. We had tons of fun for Drakus' late birthday party, and we got revenge on Madelyn Michaels, and Mira's pain is finally gone for good.

---

We were watching TV and then Mrs. Krabappel came in and she was drunk as a loon!

Grout: I am Groot!

Drax: Poromon, you got Edna drunk, didn't you?

Poromon: Actually, it wasn't me this time.

Me: She actually got herself drunk.

Ms. Krabappel: (Slurred Speech) I'm queen of the world!

She was REALLY CRAZY ASS DRUNK!

Me: Geez!

Bart: You need to rest Mrs. K.

Ms. Krabappel: I'll be fine Seymour because I'm queen.

Bart: Lets get you to sleep.

Wood Man: Oh and Groot said "Is Ms. Krabappel Drunk!?"

Me: And yes she certainly is.

Nico: Yep. How much did she drink?

We went and saw that she had 10 bottles of rum!

Me: OH MAN!

Gamora: Edna, you need to calm down.

She puked on her. Luckily she got out of the way.

Gamora: Whoa she is really stoned.

Bart: I'll help her out.

Bart took her to her room.

Me: Sorry guys. But this was all the rum that Mr. Lynn was saving for his awesome rum cake.

Lynn: (GASP) Oh no! That was his special stash that we were told never to touch.

Me: I think Ms. Krabappel never got the memo.

Crumplezone: She's gonna be in for it when she gets sober!

Me: No kidding. That is gonna be a nasty hangover headache.

Lisa Loud: Worry not everyone. I came prepared.

She pulled out a remote and pressed the button and out came a shelf full of more rum.

Lynn: Nice job Lisa.

Me: Awesome. Better put these bottles in the recycling bin.

We did so.

Then later Mrs. Krabappel and Bart came back and their hair was a mess and their clothes were undone.

Me: Are you guys okay?

Ms. Krabappel: I think so. What happened?

She puked on Poromon.

Poromon: EW!

?: Looks like a case of Hangover Syndrome.

We saw a girl that had yellow hair and purple eyes and had purple clothes and she had sparking angel wings and had a tiara with the symbol of Spark Man on it.

Selena Spark: Selena Spark, embodiment of Spark Man.

Fiona: Selena! Awesome to see you again.

Whitney: Same here.

Selena Spark: Same to you Fiona and Whitney. Its been a while.

Gears: How did you meet Fiona and Whitney?

Selena Spark: I help set up the electronics and equipment like you see in fancy department stores for Reininger's and make it like fashion parties.

Me: Oh like with rave music, swank exquisite parties like for top dog fashion moguls.

Selena Spark: Exactly.

Nico: Wow!

Vinyl Scratch: Like how I do for Rarity's fashion store.

Rarity: Indeed.

Whitney: It's really amazing how she does it.

Fiona: Even Ms. Carmichael loves it.

Selena Spark: Good money too.

Me: Nice.

Nico: Would you like to join the team?

Selena Spark: I would be honored.

Me: Awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Black Knight and Man Ape, and they're causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, it's none other than Black Knight and Man Ape.

Nicole: From Marvel Lego Superheroes?! Where are they at, Lincoln?

Lincoln: They're in the levels Castle Hassle and What's Klaw's is Mined.

Nico: Looks like we've got more trouble in the world of Marvel Lego Superheroes.

Me: Sounds like it.

Nico: Okay, then, let's head down there and take care of Klaw and Man Ape.

Lincoln: This is going to be so awesome.

Ransack: Nico, who gets to shine today?

Nico: Tommy Oliver, Marinette, Tony Jones, Nate, Jak and Daxter, and Blu

Me: Awesome!

Tony Jones: This will be fun.

Qin: Yeah it will!

Nate: Cool!

Twilight Sparkle: It sure will be cool!

Taranee: This will be awesome!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Black Knight and Man Ape, and they're causing havoc. Lincoln: They're in the levels Castle Hassle and What's Klaw's is Mined.

Nico: Looks like we've got more trouble in the world of Chronopolis.

Me: Sounds like it.

Nico: Okay, then, let's head down there and take care of Black Knight and Man Ape.

Lincoln: This is going to be so awesome.

Qin: Yep.

Poromon: Let me pack our things.

He went and did so.

Me: Bart what did you and Mrs. Krabappel do? (LOUD FART!) Oops. Sorry.

Bart: We made out.

Marge: You what!?

Homer: WHY YOU LITTLE! (STRANGLES BART) I'LL TEACH YOU

TO HAVE SEX WITH A TEACHER!

Lily tazed Homer!

ZZZZZZZAAAAAAAAAAAAAAAAAAAPPPPPPPPP!

Poliwag: Did you use protection?!

Nico: Poliwag!?

Poliwag: What?

Bart: I don't know.

Me: You shouldn't ask stuff like that Poliwag. Nosey parker.

Poliwag: It's a valid question!

Me: But still.

Nico: Guys enough.

Ms. Krabappel: I have something to confess. Me and Bart have had a special relationship ever since Bart came in my class.

Me: But Edna, you and Bart have been in the same class for a long time. (To the viewers) I don't know how that is but its been that way ever since 1989.

Nico: He's right on that.

Maria: So it was a long relationship

Bart: Yeah.

Marge: Aww isn't that sweet? And Bart has all these amazing girls in his harem now.

Homer: It's so awesome that my boy is (ENRAGED) I'LL KILL YOU! (STRANGLES BART)

WHAM!

Cindy Concrete bashed Homer on the head with a concrete block.

He was knocked out.

Nico: Okay, we'll give you that one.

Me: (LAUGHS) Yeah.

The previous group came.

Krusty: Hey hey Kiddies! (GOOFY LAUGHTER)

Me: Hey guys!

Krusty: Can me, The Springfield Bullies, Selma & Patty, Skinner, Comic Book Guy, Rich Texan, Snake, Cargill, Zzzax and Bronze Kneecap go with you guys?

Kearney: And did Edna really get drunk?

Dolph: We missed it!

Nico: Yeah it was for the best but it was really crazy. Also yes Edna did get drunk. But also yes you all can come with us.

Jimbo: Why is Mr. Simpson on the floor?

Cindy Concrete: I bashed him on his head with a concrete block.

Nico: Long story. But yeah now it's part 2 of the adventure.

Astrotrain: Boss, which Gene Slammer do you think you'll meet next?

Nico: Well the next one is Hornet Man.

Me: Ooh Float like a butterfly and sting like a bee!

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec

glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Universe 666 Han who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God! You psychopathic, little… !

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figure is none other than Universe 666 Han who's come back from the dead and it was due to the dark actions of Universe 666 Sebastian's hidden contingency plan, and he's come here to destroy us and take revenge.

Me: So, we're going down the line from 9 to 1, eh?

Nico: Looks like it.

Katie Kokuo: Which means, I'm up next.

Lincoln: Yep, and always, we're taking the fight to Glaren.

Han: Yeah, they may not be as strong as us, but they're still as tough.

Nico: And it was all the fault of that lunatic, that guy is such a Class S psychopath. Alright, gang, let's go, we're off to the world of Marvel Lego Superheroes and we're taking down Klaw and Man Ape.

Lincoln: Klaw, Man Ape, you better be ready, we're coming for you, and once we get done with them, you're next, Universe 666 Han.

Katie Kokuo: I can't believe he set this whole contingency plan up early and once we killed him, that triggered it as a final "fuck you" to all of us. He really pissed us off big time! Well, then, we'll play his final twisted game and destroy every last one of the Universe 666 Jinchuriki. I already know of how strong Han and Kokuo are, but wait until they face us, Lincoln, we'll make them regret ever being resurrected.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the world of Marvel Lego Superheroes and we're taking down Klaw and Man Ape, and once we got done with them, Katie Kokuo and Lincoln are going to destroy Universe 666 Han.

We were off to Chronopolis.

---

We arrived in Chronopolis.

Jimbo: We need to find the Avengers Mansion.

Patty: Good idea.

Me: I was just talking about whether we should see what the Avengers Mansion is like here.

Nico: It's true.

We then flew and saw Avenger's mansion.

Me: There it is!

We landed and we were in front of Avengers Mansion.

Nico: Wow! Avengers Mansion!

Iron Man: Boy this brings back memories.

Dr. Strange: Boy I missed this place.

Black Widow: Me too.

We went into the mansion.

Nico: Hello? Lego Cap? Lego Spiderman? I know we just met yesterday but we really could use your help.

Me: Wow. Nice place.

Qin: Amazing.

Lola: Boy it's a really awesome mansion.

Nico: It sure is.

We walked around and saw the living room, quarters, and then we saw the main computer room.

Lego Captain America: Hey guys! You made it!

Lego Ms. Marvel: Wow! Team Loud Phoenix Storm! It's an honor to have you all here!

Lego Spiderman: Glad you all made it.

Me: Sorry to come in like this guys.

Nico: But it's awesome to be here. We need your help with something.

Lego Spiderman: You mean the mess that happened yesterday? Yeah, I got that.

Me: Yeah not just that.

Laney: We came to help you guys take down more of your enemies.

Lego Spiderman: Oh, we got that as well. Thanks to that Eson guy, we lost track of Vulture and Mysterio

Me: I have a feeling I know where they are. They are either in the Medieval England sector or Wakanda.

Eli: Yeah. And I sense them there.

Lego Captain America: Boy you guys sure have come prepared. Star Lord told us how you all helped the Guardians over in Xandar.

Me: That was so much fun.

Nico: It sure was.

Lego Wasp. But we're ready for this.

Me: We sure are Janet.

Lego Wasp: How do you know all our names?

Me: We know all the Superhero and Supervillain real names so Superhero and Supervillain names are pretty much squat.

Nico: Yeah it's true.

Yost Cap: The other heroes are out there helping to resolve this crisis

Me: Easier said than done.

Nico: Yeah. Also have you all noticed the city behind Chronopolis?

Lego Wasp: That big plant city with the massive tree there?

Me: Yep. The city is like Chronopolis. Multi-scenario world and has many places all over.

Nico: Yep.

Lego Wasp: That is awesome!

Lego Ant Man: I think that is cool.

Lego Gwenpool: Oh it sure is! (To the viewers) Chronopolis and Gotham Royal York are both very much like the same thing!

Deadpool: (LAUGHS) Gwenpool and me both have something in common.

Me: You two sure do Wade.

Lego Captain America: Right now, we're deciding on our next move.

Me: Kang is not going to get away with this. I promise that we'll stop him once and for all.

Nico: And we're going to make sure he is in prison.

Krusty: Yeah in the M.O.E.

Nico: Yep. Along with all your enemies. No enemies are getting the Black Gates here. They are too funny and fun.

Lego Wasp: The Black Gates?

Me: The deadliest technique we have in our arsenal.

I told them what it does and they were amazed.

Lego Spiderman: Seriously though, what's our next move?

Me: We're going after Black Knight in Medieval England first!

Lego Spiderman: Okay then!

Lego Captain America: I agree. Care to say it Nico?

Nico: Do I ever! Avengers Assemble!

Lego Cap: Me, Strange, Gamora, Captain Avalon. Star Lord, and Groot are going with you guys to England. Spider Man, you, Ms. Marvel, and She Hulk help Black Panther in Wakanda. Wasp, you and the others hold down the fort,

Lego Wasp: Right!

Me: I'll go with Captain America and group to Medieval England.

Nico: Okay since we're going to 2 different places, I'll go with the group to Wakanda. We'll regroup there.

Me: Right.

Tommy Oliver: It's Morphin Time!

Marinette: Tikki, Spots on! HA!

She turned into Ladybug!

Lego Rocket: Whatever you say.

He secretly had his fingers crossed.

Me: Rocket don't even think about it! I know you have your fingers crossed behind your back.

Lego Rocket: What!? Oh man! You are smart!

Me: I've known that sly look for years and you can't fool me that easily.

I gave him the I'M WATCHING YOU FINGER GESTURE!

Little did he know that I had a nanocamera watching him like a hawk

We were off.

* * *

We arrived in Medieval England!

Wave Man: Here we are.

Me: Wow! Feels like we've gone back in time to the 11th Century.

Eli: Boy it sure does. I made a shadow clone of me to go with Nico and group.

Me: Good thinking bro.

Laney: Yeah.

Rich Texan: Let's find Black Knight and get the drop on him before he spots us!

Marinette: Too late for that!

We saw the Lego version of DANE WHITMAN A.K.A. Black Knight!

Me: Dane Whitman A.K.A. Black Knight!

Black Knight: Doth be Team Loud Phoenix Storm! I shall smite thee!

Me: Bring it on!

Sakura Avalon: She is mine because she is my archenemy after all.

Me: Go get her!

Me: There's our rogues of Spiderman. Mysterio and Vulture!

Yusei: I'll DEFINITELY face Mysterio!

Hay Lin: And I'll face Vulture.

Laney: Awesome!

I went and faced Black Knight and we clashed all over and went to face our respective Lego Archenemies!

Lego Vulture: (to Lego Mysterio) I told you we should've enjoyed our freedom! But you insisted we get in on this!

Lego Mysterio: Don't look at me! I didn't write this script! Besides it wouldn't be fun without us!

POW!

Yusei punched Lego Mysterio!

Yusei: I summon Stardust Dragon!

He summoned his signature monster!

Lego Mysterio: I heard you all battled the Shattered Dimensions version of me right?

Yusei: That's right. That was an awesome one.

Lego Mysterio: That is cool!

Yusei kicked Lego Mysterio in the head.

Hay Lin was flying and kicking Lego Vulture!

Lego Vulture: Whoa! I heard you all battled a Noir version of myself!

Hay Lin: Yeah and he was an absolute fucking cannibal!

Lego Vulture: What!? EW! I would never eat another human being!

Hay Lin: We killed him and gave him the Black Gates!

POW!

She punched him down.

Hay Lin: Besides, do you really think you could've stayed hidden for long?

Lego Vulture: Not at all. But it's good you killed that version of me!

Hay Lin: Same here!

Sakura Avalon was punching and blasting Lego Amora.

Lego Amora: Wow! You're quite the skilled sorceress.

Sakura Avalon: Your prime universe self has given me lots and lots of practice!

She fired waves of magic and blasted her.

Sakura Avalon: It's really fun.

Lego Amora: I can tell.

She fired waves of magic and Sakura dodged them.

I clashed all over with Black Knight and sparks flew all over the place.

Lego Black Knight: Doth be an incredibly magnificent swordmaster.

Me: I've had tons of training and skills.

Lego Black Knight: Thou hath trained very valiantly.

Me: You wouldn't believe how many years of experience I have in me.

We continued clashing and sparks flew all over.

Poromon got drunk and threw bottles and smashed Lego Amora on her head.

SMASH!

Sakura punched her down and knocked her out.

Horsea Squirted ink and blinded Lego Mysterio.

Lego Mysterio: Good thing that was on my helmet!

Yusei kicked him down.

Yusei: Still blinded you though!

KROW!

He kicked him down more.

Stardust Dragon blasted him down too.

I clashed more with Lego Black Knight!

Lego Vulture: (to Lego Black Knight) Go meet with M'Baku! I'll hold them off!

Lego Black Knight agreed.

Hay Lin smashed Lego Vulture all over.

Xenia fired an arrow and it hit Black Knight in the back and reveated a tracer.

Lego Vulture punched Waspinator and his head came off!

Lego Vulture: Okay, I didn't think I'd actually kill him?!

Waspinator: Waspinator is okay!

I teleported and grabbed Waspinator's head.

Me: Geez I hate it when this happens to you.

Waspinator: Waspinator used to it.

I put his head back on.

Waspinator: Waspinator better now.

Waspinator fired lasers and stinger blasts and they hit Lego Vulture and blasted him all over.

Snake: Dude, the longer this fight drags on, the more time Black Knight has on what he's doing here!

Tony Jones: I know, Snake!

Me: Lets go!

We went after the Black Knight!

We followed him on the tracer to the dungeons.

But we found he wasn't there.

Freon: Dammit, he's gone!

Me:: Lets rendezvous with Nico and everyone.

Eli: Lets go.

Nico: Ooh, now that's gonna leave a mark.

We then saw Black Knight and Man Ape get two lumps on their heads! OUCH! Then, we saw a white flag go up on the lumps.

Me: Looks like they surrender.

Lincoln threw two energy cards which hit Black Knight and Man Ape and imprisoned them inside two cards and he put them inside a box he made and it vanished.

Nico: Now, that was awesome! We took down Black Knight and Man Ape, and they're going to be in a lot of trouble.

Lincoln: You said it. Now, there's one last thing to do and one last loose end to tie up: Universe 666 Han.

?: YOU WILL ALL DIE FOR WHAT YOU DID TO NICO!

Suddenly, the twelve large planets and stars orbiting around my legs, the twelve large planets orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eleven colored orbs orbiting around the Loud Sisters' legs, the eleven colored orbs orbiting around the legs of The Loud's friends, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the eight large pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine and eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the eleven large scarlet red orbs orbiting around Lynn's legs, the eleven coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake's legs, the eight large yellow orbs orbiting

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of red Chakra blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Universe 666 Han, or I will blast you out!

Suddenly, we saw a figure come out, it was Universe 666 Han, one of the resurrected Universe 666 Jinchuriki because of Universe 666 Sebastian.

Universe 666 Me: Han.

Universe 666 Han: J.D.?! Impossible, Nico killed you!

Universe 666 Lincoln: He did, but J.D. of the prime universe brought him and all those who died at that heartless snake's hands back. But, there's no way I can ever forgive you, you were J.D.'s brother, but you betrayed him and sided with that filthy snake.

Universe 666 Han: He was weak!

Universe 666 Me grabbed him by the neck and kicked him hard into a wall of diamond Lincoln made and I snapped my fingers and we were on Planet Glaren.

Katie Kokuo: He wasn't weak, but you, what you did was an act of betrayal that can never ever be forgiven!

Suddenly, Katie Kokuo's orange eyes turned neon orange and she was surrounded by a red and white energy aura with stars, water, ocean waves, flames, steam, horses, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Universe 666 Han, she left red and white energy, stars, water, ocean waves, flames, steam, horses, phoenixes, and angels with every step.

Katie Kokuo: I can never forgive you, Universe 666 Han, what you did in Evil Nico's name was nothing more than dishonorable and atrocious. You along with the other Universe 666 Jinchuriki have caused so much pain and suffering that it isn't funny, we thought we wouldn't have to deal with you or the other Universe 666 Jinchuriki and Universe 666 Tailed Beasts, but because of what that violent deranged psycho did in bringing you all back, that crossed a serious line, and for that, I'm going to end you once and for all!

Suddenly, Katie Kokuo was surrounded by a massive vortex of red and white energy with stars, water, ocean waves, fire, and steam surrounding the vortex, there are horses, phoenixes, angels, and Kokuo the Five-Tailed Horse flying and running around the vortex, and in the vortex is a blue phoenix with Kokuo's eyes in its wings and red eyes glaring at Universe 666 Han: the red eyes of death. Then, as the vortex faded, Katie Kokuo emerged, but she was changed forever.

Katie Kokuo grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large red orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her chin-length red hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon orange eyes and a red and white energy aura with stars, water, ocean waves, fire, steam, horses, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has Kokuo the Five-Tailed Horse emblazoned on her forehead and Third Eye with red iris, she has on horse earrings on her ears with blue gems for eyes and holding the Star, Water, Fire, Steam, Five, and Eternity Kanjis in its hooves, she also has Kokuo with red gems for eyes and holding the Star, Water, Fire, Steam, Five, and Eternity Kanjis in its tails for the second pendant on the bottom of her red horse-shaped Element of Harmony along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Katie Kokuo has on a sleeveless red top, red skirt with the symbol of Iwagakure and the Five Kanji on it, red knee-high high-heeled boots with butterfly buckles, and long sleeveless white trenchcoat with stars, water, ocean waves, fire, steam, horses, phoenixes, and angels on the coattails, and on the back is Kokuo the Five-Tailed Horse surrounded by water, ocean waves, fire, and steam. Suddenly, Katie Kokuo felt a sharp pain on her back, and then, her massive red angel wings with orange tips on the large red feathers grew much bigger for her new body and Kokuo's five massive tails also grew much bigger and longer for her new body, Katie Kokuo has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Katie Kokuo's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of red and white energy, stars, water, ocean waves, fire, steam, horses, phoenixes, and angels, and when it emerged, it was transformed into Katie Kokuo's Eternal Red Water Fire Boiling Steam Avatar Five-Tailed Horse Phoenix Angel Greatsword of Eternal Red Water Fire Boiling Steam Avatar Five-Tailed Horse Phoenix Ange Justice, it's a brand-new massive greatsword with embedded white gems and Kokuo the Five-Tailed Horse etched on the 7'6" massive, wide, double-edged red blade, large white horse heads for the crossguard, large white angel faces built into both sides of the hilt and large red gems embedded in their foreheads, longer midnight black handle, four large white horse heads with blue gems for eyes and on the bottom of the large white horse heads is a large white horse head with blue gems for eyes and red gem in its mouth for the pommel, Katie Kokuo has on her large gold Bracers of The Champions of The Universe with large red gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of Kokuo's head with blue gems for eyes and large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Katie Kokuo has transformed into SUPER ANGEL-FIVE TAILS AVATAR-HORSE-PHOENIX-HARMONY UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE COSMIC ETERNAL WATER FIRE BOILING STEAM TAILED BEAST FIVE-TAILS HORSE PHOENIX ANGEL OF DIVINE COSMIC ETERNAL WATER FIRE BOILING STEAM TAILED BEAST FIVE-TAILS HORSE PHOENIX ANGEL JUSTICE AND DIVINE COSMIC ETERNAL WATER FIRE BOILING STEAM TAILED BEAST FIVE-TAILS HORSE PHOENIX ANGEL LOVE!

We were amazed by Katie Kokuo's Super Angel-Five Tails Avatar-Horse-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Universe 666 Han saw it, he fell into a rage and we saw her eyes change into that of the beast inside him and his nails grew into claws and he ran at her to kill her, but Katie Kokuo fired a massive barrage of red and white energy, stars, water, flames, steam, horses, phoenixes, and angels which hit Universe 666 Han and sent him flying into a rock formation, he got back up, but boy was he pissed off majorly.

Me: HOLY SHIT!

Nico: That really is incredible! But, man, she really put the hurt on him!

Han: It's not over yet, Nico. In fact, the show's about to begin.

Katie Kokuo: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Water Fire Boiling Steam Horse Phoenix Angel and Divine Cosmic Eternal Water Fire Boiling Steam Horse Phoenix Angel Love) But, it'll end all the same, Han. Shall we, Lincoln?

Lincoln: Let's do it, Katie.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords were ready as well, and he joined Katie Kokuo.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I don't know what that lunatic was thinking with that damn contingency plan, but all the same, we're sending you right back to Hell where you belong!

Lincoln and Katie Kokuo went after Universe 666 Han, and they fired extremely powerful blasts of rainbow energy, red and white energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Han, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Katie also left many more by firing blue energy slashes with her claws, and he and Katie Kokuo attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Universe 666 Han even more insane with rage than ever.

Universe 666 Han: YOU! YOU! (ENRAGED SCREAM)

Universe 666 Han went at them now completely blind with insane rage and fury, but Lincoln and Katie Kokuo kicked him hard in the stomach and Lincoln fired blasts of water at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Universe 666 Han even farther into the edges of rage and madness.

Suddenly, Universe 666 Han started transforming as all five tails manifested and he transformed into his Tailed Beast. But, before he could attack, Lincoln swung his massive greatsword and fired Tailed Beast Bombs that hit and made the beast dizzy and disoriented and that caused the beast to transform back into Universe 666 Han who was literally on his last legs.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, you've finally transformed and let the beast out. Too bad for you, I know how to take you down. SEALING JUTSU: NINE PHANTOM DRAGONS!

Lincoln fired nine blue dragons and they surrounded Universe 666 Han, and then, Lincoln began forcibly absorbing all of Universe 666 Han's Tailed Beast Chakra as streams of red Chakra were being painfully removed from Universe 666 Utakata and absorbed into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

Then, as soon as Lincoln was done absorbing all the Tailed Beast Chakra, the nine dragons disappear and Universe 666 Han was dead. Then, Lincoln absorbed his body by stabbing him with one of his eleven massive and long white tails' tip turned into Cell's stinger and the stinger changed back as soon as he was done and he sent Universe 666 Han's soul to The Black Gates. We all cheered wildly for what Katie Kokuo and Lincoln did as they holstered their massive greatswords and powered down and Katie Kokuo's new body, clothes, weapons, jewelry, Third Eye, five massive and longer Kokuo's tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive red angel wings are permanent.

Katie Kokuo: See you never, you monster. Thanks for helping me get rid of Universe 666 Han for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Katie.

Suddenly, Katie Kokuo wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Katie Kokuo's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and Kokuo the Five-Tailed Horse flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and fire, water, and steam behind them and we cheered wildly. Then, Lincoln and Katie Kokuo sucked in and absorbed the elemental forces and fire, water, and steam and they came back to us as the display vanished.

Then, we found ourselves back on Earth thanks to Lincoln.

Nico: Oh man, that was seriously an epic battle!

Me: You said it.

Universe 666 Me: But, Lincoln and Katie did it, they defeated my former comrade and Lincoln killed him using The Nine Phantom Dragons and he absorbed the Tailed Beast Chakra of my Earth's Kokuo, and without it, he died painfully.

Lincoln: But, we can't underestimate the rest of them at all, and there's also no telling what else that crazy lunatic has done in their resurrection.

Eli: Obviously, not good. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: The next member of The Midnight Society that we're meeting tomorrow is Belinda Midnight.

Autumn Midnight: That's perfect, and you guys are going to love meeting her, Belinda Midnight is Lincoln's Guardian Angel from

Michigan and the fourth eldest sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's a member of a new generation of The Midnight Society, and every night, she and her group meet up with Lincoln who's also a member of The Midnight Society at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Lisa with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, Lisa tried to attack us, but Blythe used her dark powers and made Lisa's nightmares come to life, and she got so scared, she ran back inside the house and into her room and refused to come out for the rest of the night.

Nico: Whoa, now what was her fear?

Lincoln: That was an easy one: the fear that someone smarter than her would emerge on top and then knock her off her high horse.

Nico: Ooh!

Me: Yeah, that one's a real nasty one.

Gentleman Ghost: Looks like these 2 are defeated.

Me: Yep after we pulverized them they waved the white flag of surrender.

Nico: Good call.

Yenaldooshi: They're going into our ranks.

Copperhead: Along with their friends.

Grundy: Grundy wanna celebrate!

Lego Black Panther: You can all have dinner at my palace.

Mr. Mittens: I hope you have cat food!

Me: He has plenty.

Nico: Yep. Great job today everyone.

Gamora: (To the viewers) Boy this was an awesome part 2.

Me: Yep.

Lego Rocket: Hey, Quill! I'm touching your tunes! And I'm not sorry!

Lego Star Lord: ROCKET RACCOON!

Nicole: Like we didn't see that one coming!

Nicole had lightning blasts fire from her nanocameras and they electrocuted him.

We had a great party and had fun. Later we went back home and enjoyed the rest of the day and went to sleep.

And we're going to meet Belinda Midnight, she's Lincoln's Guardian Angel from Michigan and the fourth eldest sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. Me: Wow! I forgot how badly we ruined this whole place.

Nico: Boy me too. This place REALLY deserved to be destroyed.

Camie: No kidding. How did you guys blow this whole town into dust?

Me: We used 5 powerful M.O.A.B. Bombs.

Nico: Right! I remember that.

Camie: That is cool!

Lisa Loud: Indeed it was.

Varie: That was fun.

Samus: Boy this town really deserved to be destroyed.

Laney: I agree there.

Nico: Samus, I want to thank you, Iceage, and your teams for coming

Samus: Anytime Nico. This will be fun.

Rita the Cat: It sure will.

Nico: Rita, it's weird that you have the same same as the Loud mother?

Rita the Cat: Not at all. I like it.

Me: Boy I loved all the songs you did with Runt on Animaniacs.

Those were really great.

Nico: I agree there. You have an awesome voice Rita.

Rita the Cat: I sure do. Thanks guys.

Me: You're welcome.

Rita Loud: I think it's great that we share the same first name though.

Laney: It sure is mom.

Rita the Cat: Yeah.

Nico: I like how Runt gets sometimes.

Me: (LAUGHS) Yeah. (Imitating Runt) You're a good dog Rita! Definitely definitely a good dog.

Everyone laughed!

Me: (LAUGHS)

Rita the Cat: Hey that was really good J.D.

Me: (LAUGHS) Yeah.

Nico: Yeah that was funny.

Lola: Yeah. Man yesterday was fun.

Laney: Boy it sure was.. We showed Black Knight and Man Ape what for in Chronopolis.

Me: We sure did.

Nico: It took me a while to get to sleep because of what's going on

Me: Really?

Nico: Yeah. It was crazy.

May: Nico didn't go to sleep till 2:30 AM.

Nico: Yeah.

Me: After we get home you need a nap.

Nico: I know.

Me: But seeing all of Chronopolis so far is really turning out cool and fun.

Nico: I'm surprised the news hasn't reported on this

Me: Me too. But it's for the best. So far things have been really cool in Chronopolis.

Nico: Yeah and really funny! Some of the adventures we had were action packed and funny.

Eli: Yeah they sure were.

Me: I have a feeling Hydra is next and I can't wait to stomp those buttfaces into dirt.

Nico: (LAUGHS) Yeah. Me too.

Me: But seeing Avengers mansion was really awesome too.

Laney: It sure was a beautiful place.

Lana: I'll say and full of amazing equipment.

Lisa Loud: Indeed. Most amazing and well built.

Nico: Yeah.

We walked around Quahog. What's left of it anyway.

Nico: After the rescue, I'll take a nap. And then wake up in time for the next Galaxy

Me: Good idea. And your contingency plan will kick in during Lincoln's rescue and the Exercise session and Lincoln's date.

Nico: Oh right I forgot about that. Good idea.

We walked around the ruins.

Lola: Boy what a mess.

Nico: Wow! You guys really tore this WHOLE Town apart.

Me: Yeah it was long before you joined us though.

Qin: Boy that was crazy.

Nico: Yeah.

Me: Peter Griffin REALLY HATED us for blowing all of Quahog to kingdom come. But it was worth it.

Eli: That is for sure.

Nico: Poromon said he was gonna meet us here.

Laney: He sure did.

Poromon: Guys!

The mascots came.

Me: Hey guys.

Poromon: You must be wondering why we called you here specifically.

Me: All it said in your message was that you needed our help in the ruins of Quahog. That's all.

Poromon: Yeah we're here to destroy a very dangerous place. Follow us.

We followed the mascots.

Poromon: There it is.

We then saw the place. It was McBurgertown Restaurant.

Me: McBurgertown Restaurant! Whoa!

Nico: Yikes!

Lincoln: Okay, guys, we've got ourselves a huge emergency, and this is one person we're not going to like in the slightest: we got word about this place called McBurgertown, and apparently, it's another one of Peter Griffin's haunts.

We gasped.

Me: I've heard about it from Meg, Stewie, and Brian. Seriously, that drunk fatass tarnishes and ruins EVERYTHING he touches!

Nico: For real, he's such an asshole!

Me: That testicle chinned douchebag was a jerk to the Nth-Degree!

Poliwag: So, we're going to shut this place down and destroy it since this place has the last bit of that drunk's memory and it also has multiple cases of obesity and strokes reported.

Nicole: That really is serious.

Xenia: I agree there!

Suddenly, the rest of the team arrived thanks to Lincoln's message this time.

Lori: Lincoln told us everything about this place, and that place literally needs to be shut down.

Nico: We already told the authorities about it, and they also issued arrest warrants on the owners.

Me: They're in for some serious prison time.

Lola: Yeah!

Meg Griffiin: Boy I remember this place all too well. I think it was the reason why I became so fat and ugly.

Me: Meg to us you are NOT FAT and ugly at all.

Meg: Thank you J.D.

Nico: (to the mascots) How did you guys come across this place?

Poromon: We were doing some community service in the park and found this.

He pulled out a brochure for McBurgertown and showed it to us.

Me: (Reading) "Eat at McBurgertown. 100% all beef and delicious food."

There was a menu on it too. The portions for the food were just absolutely preposterously huge and the prices were cheap.

Me: Boy look at all these! 4 2 pound burgers for $3.00?

Nico: Geez! No wonder the people got so fat and heavy and had strokes!

Poromon: We found out the worst part when we tried some.

Nico: What is it?

Brian: We found out that it's a slaughterhouse that kills cows.

WE GASPED!

Lisa Simpson: That is a total abomination!

Me: I agree Lisa!

Nico: Okay, I understand animals have to be killed to make food. But that goes too far!

But then Fluttershy couldn't take hearing all that and she BURSTED INTO TEARS! Huge jets of tears came pouring out of her!

Nico: Oh boy.

Me: Now they made Fluttershy cry.

Lincoln: Those jerks!

Me: You mess with Fluttershy and her love of animals and there's gonna be some serious buttkicking payback!

Maria: And what if those cows have diseases?!

Me: They obviously don't care abuut that.

Nico: I agree there too.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners glowed and the four large orbiting gold rings fired beams of light that formed into a viewing window and we see Stan and Steak Stankco dressed only in shorts and shirtless and still forced to mine and eat broccoli at The Broccoli Mine Prison in Canada, and they'd regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper body and lower body strength, but they were now as big as The Hulk.

The two of them were grumbling like mad and there was no doubt they were plotting to escape once again, but then, we saw the barbell tattoos on their backs glow red. Suddenly, Stan and Steak were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of the Stankcos, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Stan and Steak Stankco. Then, the tentacles began sucking the Stankcos' of their massive muscle mass, virility, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass.

Then, all of the massive muscle mass, virility, and massive physical

strength of The Stankcos began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on our bodies, and our massive angel wings spread out and glowed and his halo glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the two meatheads and they went back into us as the portals closed, and we saw that Stan and Steak Stankco were thin as a rake and sucked bone dry of their muscle mass, virility, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Stan and Steak Stankco: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more bigger in muscle thanks to Lincoln's curse he put on The Stankcos.

Me: (Looked at my even more muscular body) Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on the Stankcos is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my even more massive muscles)

Lincoln: Yep, and this curse will be on them for all eternity. Alright, now, let's shut that restaurant down and arrest the owners.

Nico: Oh, the compensation we're going to demand from them will be more than enough to put them in permanent bankruptcy and debt Hell.

Lincoln: What they did to their customers, they deserve it. (Sensed Flip's musclebound thugs) Uh oh, hold up, I sensed a massive army of Flip's musclebound thugs also heading right for us.

Nico: (GROWLS) That mutant just doesn't even know when to quit!

Suddenly, we saw ten massive armies of Flip's musclebound thugs arrive, and they came barreling towards us in a fit of rage.

Lincoln: I knew there was no mistaking the stench of B.O. in the air!

Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

I did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into me and my abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on my body, and my massive elemental angel wings with aurora and red tips spread out and glowed and my halo glowed and I began growing even stronger.

The other male members did the same by firing vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into them and their abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on their bodies, and their massive angel wings spread out and glowed and their halos glowed and they began growing even stronger.

When we were done, the vacuum tubes detached themselves from the chests of the thugs and went back into us, and the thugs were now dead from blood loss and thin as a rake and Lincoln fired a blast of red energy and destroyed them leaving them as ashes. Then, we set our sights on taking down the owners of McBurgertown, shutting it down, and destroying it.

We were looking around, and there we saw the owners of McBurgertown, and they were counting up the profits while the customers are suffering from obesity and stroke.

Me: Oh man, this is a really serious case!

Nico: Let's sneak in and get proof.

?: Psst!

We heard someone in the bushes.

We went over.

Woman: The Woman sells seashells for jewelry.

Nico: But the Jewelry is not the best for selling.

Mata Hari Henningway came out.

Mata Hari Henningway: Hello Agent Nico.

Nico: Hello Mata Hari.

Me: Right I forgot about Nico's spy connections.

Mata Hari Henningway: Perhaps I can be of some assistance and got you the proof you need for all that.

Nico: That is greatly appreciated Mata.

Mata Hari Henningway: Follow me everyone.

She went to the back.

Poromon: Follow her.

We all shrunk and hid in her trench coat pocket.

Horsea: I admit the food was tasty. But still!

Me: Shhh!

Horsea: Oh. Sorry.

We went in and Mata Hari got a lot of proof and we saw everything they did. The Slaughterhouse, the fattening foods and more. It was awful. They were also making people REALLY FAT and more. And even getting lawsuits and more from those they hit with strokes and more.

We were SHOCKED AND HORRIFIED!

Me: Oh man, this is a really serious case!

Lincoln: Lisa, you still got that machine you used to get Muriel back to normal?

Lisa Loud: It's already here.

Lisa Loud got out the machine that she used to get Muriel back to normal after the defeat of The King of Flan years ago.

Laney: Okay, now how do we launch a surprise attack on the owners without drawing any attention?

Me: No Laney but keep that option open.

We looked over the blood tests of the cows and saw that they were full of disease.

Maria: All of these cows have diseases! No wonder they got stroke!

Me: No kidding. This is grade 4F meat here.

Lola: Yeah no kidding.

Nico: Making meat full of disease goes too far!

Lisa Simpson: No kidding! That's like what Krusty did with the Burger Square! (Season 21 Episode 4B)

Nico: Really?

Lisa Simpson: Yeah it was a horrible nightmare.

Nico: Wait! I remember that one! Thanks for the refresher.

Lisa Simpson: You're welcome.

Cow: Help… us…

Me: You got it.

I snapped my fingers and teleported them away.

Nico: Mata Hari, I've definitely seen enough. Lets get them.

Sebastian Mendez suddenly made two portals of darkness and stuck his hands through, and we saw the portals open inside the restaurant and he grabbed the owners by the collars of their shirts and pull them into the portals, and the portals inside the restaurant close and he pulled the two owners out of the portals and tossed them into trees.

Laney: Well, that works.

Nico: Yeah. Anyways, we're here to arrest you two, this restaurant has gotten way too many reports of people suffering from obesity and stroke, and we're also going to shut this place down.

Owner: You goddamn assholes, how dare you interfere with our business?!

Lincoln: Your "business" is the reason why we're here. Oh, and in case you have any thugs hiding in the shadows.

Lincoln snapped his fingers and forced some hulking thugs out of the shadows and he fired vacuum tubes from his chest which latched onto the chests of the army of hulking muscled thugs, and then, the vacuum tubes literally began sucking the army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he began growing even stronger.

When he was done and the vacuum tubes went back into him, the thugs were literally drained of all their massive muscle mass, virility, blood, and physical strength and he burned them into ashes, and it pissed the owners off.

Me: Nice one!

Owner: (to the mascots) We let you eat here and this is the thanks we get?!

Poromon: After seeing all this!? I wouldn't even touch a single crumb of it!

Me: What you're doing to these people is wrong!

Nico: And you also should have let Peter Griffin die of a stroke!

Qin: Yeah! He had it coming!

Owner: I see. We'll, here's your bill! (Shoots at Poromon)

They blasted at him.

Poromon: (ECHOING) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him and melted his gun.

Me: I'm no food critic but we give your restaurant a -225 Rating!

Nico: Food quality? (Raspberry)

May: Taste? (BIG RASPBERRY)

Maria: Service? (HUGE RASPBERRY)

CatDog: HENSHIN!

They turned into KAMEN RIDER CATDOG!

CatDog: We're KAMEN RIDER CATDOG!

Manaphy: You're screwed now!

Me: Big time! Starting with this! NIGHTMARE STYLE NINJA ART: THE SCARIEST CAVE IN EQUESTRIA!

I fired waves of darkness and it formed a cave.

ROOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOAAAAAAAAAR!

AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAH!

All but Pinkie screamed because the pink pony had taken a picture.

ROOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOAAAAAAR!

AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAH!

Pinkie then took another picture.

Pinkie Pie: "Got it!"

Applejack, Apple Bloom and Big Mac: AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAH!

Pinkie Pie: Best scary unidentifiable creature ever!

ROOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOA

Pinkie Pie: Say "terrified"!"

FEROCIOUS ROARS!

Pinkie then took another picture as they came out of the cave. Pinkie was just humming to herself. Granny Smith's eyes were enlarged and her jaw was hanging out. Apple Bloom and Applejack were holding Big Mac, all three of them looking like they had just had a nightmare.

Nico: WHOA!

The owners of the restaurant were SCARED LITERALLY SHITLESS!

Me: I flew over that cave as we were heading over to Goldie's house the first time a while back and Applejack, Apple Bloom and Big Mac and Granny Smith got the shit scared out of them. Big time.

Lincoln: It's true!

Nico: HOLY SHIT! That was awful!

Eli: REALLY Frightening!

Me: Sent shivers of ice down my spine.

Nico: Was it really that scary!?

Me: You do not want to fucking know! I was flying above the cave and heard creatures that were so scary that it made the nightmaric creatures that SpongeBob imagined look like kitty cats in comparison.

Nico: (GULP)

Qin: Scary!

Jared: Dad is not shitting you! But I wasn't scared of them on bit.

Me: You are very brave son.

Nico: Wow.

Maria: That's what you guys get!

Me: But you thought that was scary? So is this! NIGHTMARE STYLE HORROR FEST NINJA ART: HORRORS OF THE NIGHTMARE DIMENSION!

I fired a wave of darkness and it formed around them into a ball and then they saw THE MOST HORRIBLE NIGHTMARE THEY HAD EVER SEEN! It started with them waking up in some kind of crazy dimension where the whole place was changing all over the place in a horrific manner and all of their families were naked and sinking in quicksand and the owners were all too scared to do anything about it and the whole dimension was changing shape and showing all kinds of horrible shapes and terrain.

THEY WERE SCREAMING IN ABSOLUTE FRIGHT AND HORROR!

Nico: I hope you wet your pants!

When the darkness faded we saw that they LITERALLY DID wet their pants!

Their pants were REALLY DRIPPING with urine!

Me: That is too funny!

Nico: (LAUGHS) YEAH!

Lincoln: How about this for your nightmares!? NIGHTMARE STYLE CARNAGE ART: SLASH FEST OF THE HARVESTER!

Lincoln fired waves of blood and darkness and it formed into THE HARVESTER! HE SLASHED THE OWNERS ALL OVER WITH HIS SCYTHE AND REALLY CUT HIM ALL OVER!

Nico: I guess it's good for one thing!

Me: The Harvester is good for a technique.

Lincoln: Too true!

Nico: Yep.

The owners were all really scared out of their minds!

Lola: BOY they are really going to feel that!

Suddenly, a massive wave of water hit the owners and sent them crashing into a nearby tree.

Nico: Huh? Maria, did you…?

Maria: Uh-uh, that wasn't me.

Suddenly, we saw a very beautiful and super sexy girl with long aqua blue hair and flower clip in her hair, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful rainbow angel wings, she's dressed in an aqua blue short-sleeved frilly shirt, necklace with pearls and blue gem for the pendant, aqua blue skirt, aqua blue stockings, white bridal gloves, aqua blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, phoenixes, and angels on the coattails and on the back is a phoenix and angel with stars reflecting off them, and holstered on her back is a massive gold angel greatsword with runes etched on the 7'9" massive, wide, double-edged gold blade, large gold angel faces built into both sides of the hilt, longer midnight black handle, gold chain for the guard, and gold pointed tip for the pommel.

Lincoln: (GASPS) Sophia Knudson.

Me, Sakura Knudson, Elaine Knudson, Marlene Knudson, Helena Knudson, Sumner, and Patti: Sophia?!

Sophia Knudson: Yep. Sophia Knudson, God Sibling of Water and The Oceans reporting for duty.

Sakura Knudson: It's so awesome to see you again, sis. Now, where were we?

Me: Oh yeah, kicking your asses and sending you straight to prison for what you've done.

The Owner fired a gun at Manaphy But she dodged the bullet and I used a laser vision blast and melted the gun into nothing!

Manaphy: MISSED ME MISSED ME! NOW YOU GOT TO KISS ME!

She kissed him full on the mouth!

SMOOCH!

Nico: Nice one!

Me: Time for this!

I popped open a can of spinach and ate it and swallowed!

BOING! DING!

I flexed my muscles and got huge biceps and then a huge volcano exploded in them!

I then bashed and pulverized the owner like how Popeye did Bluto!

BAM BAM BAM BAM BAM BAM BAM BAM!

I was really pulverizing him into dust!

The owner fired another gun at Poliwag.

He dodged the bullet and slapped the gun out of his hand and Eli used the Force and got the gun.

Poliwag slapped him all over with his tail and he crashed into the wall! The impact causing the shelf above him to slant and drop a pot, a glass, a pan, a mug, a treasure chest, an anchor, a buoy, and a scuba suit on his head. A giant bump rises up on the owners head and then a dime falls on it.

He was in a lot of pain!

Me: OUCH!

Nico: GEEZ! That was funny and conveniently placed. Funny.

The owner fired yet another gun at Horsea.

She dodged the bullet and fired a hyper beam blast and smashed him down and then the gun was dropped and I grabbed the gun. I called a jellyfish and then the jellyfish goes up the owners shirt and starts zapping him, causing the owner to run out of control. He then trips on a rock. He bounces down a hill and then falls down a jagged rocky cliff. He reaches the bottom of the cliff and immediately an atomic explosion appears.

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

Owner: Ow…

Me: Nice!

The owner came back.

Me: Top this!

I fired an energy blast and he appears with multiple eyes with hissing snakes

Owner: Holy fucking fish paste! Get it off me! Get it off me! [takes eyes off him and pants in fear] Don't you know how to work that thing?!

Me: Oh you mean like this!?

I fired another ray and I changed owner into a burning mess, then changes him to have an enormous nose, then to have no skin, then cut in half by scissors, then changed into more things off-screen while Nico and everyone looks in fright.

Squidward: Was that from Mermaid Man's belt?

Me: Yep. After seeing some of those funny things happen to you because of it I can now use my powers the same way.

Squidward: I like it.

Me: And here comes the pain of the Sushimaker.

I then kicked the owner and then he falls off the diving board and lands into a tub of boiling hot lava. He screams and jumps out in pain, hits the sideways spring, and bounces into a steel wall. He falls onto the spiky conveyor belt's lever, which it turns on. The owner falls onto the conveyor belt and it takes him to the rolling wheel with sharp rocks on it.

Owner: No, no, no, no, no!

The owner gets rolled on by the sharp rocks, leaving his face bruised. The owner then gets pummeled by boxing gloves until he becomes liquid. The liquefied owner falls onto a shell seat. Four robotic arms grab him, stretch him and roll him up into a ball. The owner is placed into a cannon and it fires him far off into the distance until he hits the high school bell. The owner falls in front of the front doors just as the high school students march out and trample on top of him.

Maria: Take that!

Me: And this!

I tied him up in a parasailing harness.

ZOOM!

I ran fast with Rainbow Dash's speed and pulled him behind me!

Owner: Nothing will stop me from killing you! Not even… [gasps. He sees a sign reading… ] Giant clams?! [so, the owner is dragged through a field of giant clams. He comes out with a bunch of pieces missing from him] I'm… not… letting… go… even for… [gasps, when he sees another sign for… ] Cheese graters?! [so, he skids through the cheese graters. Now he's just red strands with arms] If you think I'll let go for a little… [he then approaches the most dreaded sign of them all… ] educational television?! Oh, no! [cut back to me as I came back and the owner is a brutal mess]

Nico: (LAUGHS) THAT IS FUNNY!

May: Had enough?!

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords

were ready as well.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) There's no way we're letting you two leave here without a scratch, you've done some really low things to a lot of people with your so-called business.

Me: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental January Wolf Moon Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, we're shutting this place down and sending you two to court, we're suing you for damages and we'll make sure that you're both bankrupt and stuck in Debt Hell forever.

Lincoln and I went after the owners of McBurgertown, and we fired extremely powerful blasts of rainbow energy, neon pink energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at the owners of McBurgertown, and they exploded with incredible power as they hit them.

Then, we attacked them with energy slashes from our massive greatswords leaving scars on them and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and I also left many more by firing blue fire energy slashes with my gold-plated claws, and he and I attacked them hard with energy punches, energy kicks, and karate chops and they're super mega-painful because of our superhuman strength, along with elemental blasts, and this was really driving the owners of McBurgertown even more insane and straight to the brink of insanity.

They charged at us completely blind with rage and fury, but Nico, May, and Qin kicked them hard in the stomach and Sebastian fired blasts of Divine Darkness at them and they got hit hard and he slashed at them with his massive black greatsword. Then, Lincoln grabbed them by the waist with two of his eleven massive and long white wolf tails and he smashed them into the ground, and they were really getting messed up, and then, he threw them and sent them into a nearby trashcan.

Nico: Damn, I was hoping you'd send them into a dumpster, but we can't take them to court if they smell like garbage.

Qin: Yeah!

I used my powers and made the Owner be put in Fred's shoes.

[SpongeBob backs the boat against the lighthouse and Mrs. Puff inflates herself. The lighthouse knocks over and falls onto the owners leg.]

Owner: My leg! (1) (1) [gets hit by antenna; the screen then shows Owner the circus, where he is run over by an old man's stroller and crushes his leg in the process] Ah! My leg! (2) (2) [the screen then shows owner doing weight lifting, where the weights crush his legs] My leg! (3) (3) [the screen then shows Owner fishing out his leg] Hmm? My leg! (4) (4) [the screen then shows Owner being part of Charlie's magic show, where his leg is detached] My leg! (5) (5) [the screen then shows Owner changing the channel on his television, where his leg is shown] My leg? (6) (6) [the screen then shows Owner being crushed by a steamroller, which hurts BOTH of his legs] My leg?! (7) (7) [the screen then shows owner's leg being drilled in the garbage disposal] My leg! (8) (8) [the screen then shows Fred's dress being blown by an air vent, revealing realistic legs, imitating Marilyn Monroe] My leg… (9) (9) [the screen then shows owner's leg being sawed off, and then taken, by aliens] My leg! (10) (10) [the screen then shows the owner being served as a dinner entrée to a hungry human at a restaurant] My leg! (11) (11) [the screen then shows the owner's leg being zapped by a mad scientist; he whimpers] My leg! (12) (12)

[Finally, the screen shows owner sitting in the fields next to a coral tree. A leaf floats down on his leg and it disintegrates into dust.]

He was back to normal and his leg was destroyed!

SpongeBob: Now he knows how that one guy felt!

Lily: You mean Fred. HIS LEG! Always get hurt.

Nico: Funny.

Me: Heres how it feels to be Kevin the Sea Cucumber.

I had 20 jellyfish to sting him in a blaze of electricity.

Owner Kevin: Ooh-ooh-ow! Ooh! Ow! [The jellyfish fly off, leaving him with a bunch of sores all over his body]

Anchovy Jellyspotter: [off-screen in mocking voice] Wah-wah-waaaaah!

I put Jelly on SpongeBob's face.

* SpongeBob: Who wants to lick my cheeks? [some jellyfish swim by] I see I have some takers!

Me: That's funny. You okay SpongeBob?

SpongeBob: [sporting a huge jellyfish mustache and beard. He laughs] It tickles my nose!

[SpongeBob sneezes, firing the entire swarm of jellyfish onto Owner Kevin's eyes. They sting them and now he has big red swollen eyes]

Me: Ooh! OUCH!

Anchovy Jellyspotter: Wah-wah-waaaaah!

[Bubble transition to SpongeBob walking upside-down, with a net and a jellyfish]

[the jellyfish stings Owner Kevin's nose, making it big and swollen]

[Bubble transition to SpongeBob having caught a jellyfish blindfolded]

[the jellyfish stings Owner Kevin's crown and it becomes swollen, into some broccoli-shaped blister]

[we hear zapping sounds. Now Owner Kevin's ears are big and swollen]

[more zapping noises. Owner Kevin's lips are now huge and swollen]

[Jellyfish zaps Owner Kevin. Owner Kevin's butt is now huge and swollen]

Owner Kevin: [screaming] YEOW!

SpongeBob: Now? [Jellyfish zaps Owner Kevin] Now? [Jellyfish zaps Owner Kevin] Now? [a large zap is shown, and Owner Kevin is big and swollen due to him getting zapped several times]

Me: OUCH!

Horsea: Take that!

Me: And this too!

I pulled out some bubble soap.

Me: Sorry SpongeBob. [Pours all the bubble soap in the owners eyes which swell up and he screams]

Kids: Woo-hoo!

[I puts a piece of tape on the owners face and rips it off, revealing a portion of his face is missing and he screams]

Kids: Woo-hoo! Yeah!

Owner: [lies on the ground with his tongue sticking out. A truck runs over his tongue over and over and he screams]

Kids: Ha-ha, ha-ha, ha-ha!

[I walks up to a muscular guy and hands him some money. The muscular guy hits the owner with a big hammer. The owner groans in pain. The muscular guy smashes The Owner with a wrecking ball] Ha-ha, ha-ha, ha-ha!

Later, The owner is tied to two poles with a muscular guy holding a can of lima beans; screams as muscular guy shoves a spoonful of lima beans in the owners mouth. All the kids cheer]

Kids: [laughing]

Owner: [being used as a ball in the two muscular guys' ping pong game] Ow! Ow! Ow! Ow! Ow!

Kids: Yay! [Owner's arms are getting stretched by two muscular guys] Yeah! [Owner is in two pieces.]

Juran: Why are Lima Beans bad for you again?

Me: Everyone hates them.

Juran: Oh yeah.

Me: That was funny though.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Now, to take them down. WATER STYLE NINJA ART: OCEAN MAELSTROM RASENSHURIKEN!

Lincoln formed a massive aqua blue Rasenshuriken with water surrounding it and mermaids and sea creatures swimming around the blue core, he threw it at the owners and it slammed into them and they got hit hard and knocked out, and we tied them up. Everyone cheered as we holstered our weapons and powered down.

Me: Alright, now to send them to court.

We took the owners to court, and thanks to the evidence gathered, the owners were found guilty for all their crimes and not only ordered to pay over $900,000,000,000,000,000,000,000,000,000,000 in restitution, but McBurgertown was shut down and ordered to be destroyed which Lincoln did so with a massive fireball he threw after getting all the customers to the hospital, and the owners were also sentenced to Eternity in The Uranus Prison without the possibility for parole.

Nico: That's one more memory of Peter Griffin finally wiped from the face of the earth.

Me: (LAUGHS) Yeah. But those were awesome gags we did.

Lily: (LAUGHS) Yeah they sure were!

Qin: (LAUGHS) Never gets old.

Nico: And Tommy Oliver, Marinette, Tony Jones, Nate, Jak and Daxter, and Blu did good yesterday.

Me: They sure did.

Twilight Sparkle: Yeah they did great. Especially J.D. against Black Knight.

Me: Yeah that was fun.

Qin: It sure was. And this was fun too.

Poromon: You said it! Now we've seen the last of Peter Griffin.

Lincoln: After everything he's done in the past, he deserves to be forgotten. (To Sophia Knudson) And it's so good to see you again, Sophia.

Sophia Knudson: You too, Lincoln, it's been seven years since we last met, and it's so good to see you, Mom, Dad, Varie, Elaine, Marlene, Helena, and Sakura again, J.D.

Me: You too, sis.

Lincoln went up to Sophia Knudson and he hugged her, and Sophia Knudson is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sophia Knudson: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D., your sisters, and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed, I do, Eli. Everyone, this is Sophia Knudson, God Sibling of Water and The Oceans, she's my Guardian Angel from Colorado and she is an awesome and very powerful girl with immense and extremely powerful water powers and immense control over the oceans. But, here's the one thing that's bound to blow your minds and leave you flabbergasted: she's also the younger sister of J.D., Sakura, Elaine, Helena, and Marlene, and just like J.D., Sakura, Helena, and Marlene, she was exposed to cosmic radiation and she gained omnipotent power as strong as ours and she also became an extremely powerful master of not just Water, but also Fire, Ice, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and she also grew and sprouted massive rainbow angel wings and her eyes turned red and they also glow red: The Glare of Justice, and she became an extremely powerful force of justice and hope to all.

Nico: WHOA!

Me: Yeah, she's that powerful like me and Sakura, and she defended Lincoln with an extremely fierce passion and she also trained him a lot and she also had added assistance from me as well, and she also knows how to give Lori, Lynn, Lola, Lisa, Luan, Chandler, and the rest of Lincoln's enemies an extremely powerful beatdown and they should know better than to underestimate her because she's also extremely strong, fast, and agile: a true warrior and tactician in the fields of battle. Lincoln made her a beautiful necklace and flower hair accessory, and to show her thanks, she kissed Lincoln on the lips, and when he comes of age, he will marry her, and she hates the jerks and all irredeemable villains, monsters, tyrants, bastards, bitches, and assholes with a blazing hot passion and she's also an expert when it comes to humiliating jerks and torturing criminals, and if you get her mad, WATCH OUT! YOU'RE GOING TO DROWN!

Nico: Yikes! That's another of your relatives no one wants to piss off not unless they want to drown.

Me: Yeah!

Lincoln: Yeah, no one wants to get burned by her, and now that you're here, Sophia.

Lincoln went up to and hugged Sophia Knudson in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Sophia Knudson: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sophia Knudson's neck with rainbow gems on the gold lightning bolts and rainbow crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Sophia Knudson: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sophia Knudson.

Sophia Knudson had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them.

Nico: Hold on. We're not done yet.

Me: I know. The Anothers. But that was still funny.

Lola: Yep.

Nico: Who do we have?

Eli: Lets see. (Concentrates) Whoa! These are funny! We have Another Fruity Peppers, Farting Red Bell Pepper, Farting Cayenne Pepper, Doc Duodenum and Another Iceage!

Me: WHOA! That is funny!

Nico: Fruity Peppers?

Me: Remember those funny Wacky Packages stickers?

Nico: Oh yeah! Those were hilarious!

Poromon: We loved those!

Me: Really?

They showed a scrapbook of all the Wacky Packages stickers and Fruity Peppers was one of them.

Me: Wow when did you make this?

Poromon: It's a hobby we were doing for years even before me and Poliwag joined the team.

Me: It's really well made guys.

Poliwag: Thanks.

Nico: Who's up?

Me: Helena Knudson, Kiara Kybar and I haven't decided on who will get the Farting Cayenne Pepper.

Helena Knudson: Awesome bro! I love nuclear hot food!

Me: I know you do sis.

Nico: (LAUGHS) Awesome!

Laney: Yeah!

Kiara Kybar: I love bell peppers.

Lana: Awesome!

Eli: And I sense that the Anothers minus Another Iceage are one person.

Me: Wow!

Nico: There they are!

We saw Another Fruity Peppers, Farting Red Bell Pepper, Farting Cayenne Pepper and Doc Duodenum!

Me: Whoa!

Lola: This is gonna be Flatulently INFERNAL! (RIMSHOT!)

We laughed!

Luan: (LAUGHS) Good one Lola!

Eddy: (LAUGHS) That was a good one!

Me: Funny!

Another Farting Cayenne Pepper: (In a girls voice) That was funny!

Lincoln: Vicky Voth! Whoa!

They merged and she reverted back and was a girl with teal blue hair, blue eyes, blue and green clothes and purple angel wings and had the symbol of the Hierarchical Order of Voth in the middle of her forehead and on her skirt and had an awesome keyblade.

Vicky Voth: Awesome to see you again Lincoln and wow! You grew into an awesome young man.

Lincoln: I know.

Nico: Care to introduce us Lincoln?

Lincoln: Sure. This is Vicky Voth, Keyblade Knight of the Voth, she's my Guardian Angel from Michigan and she's a powerful force of epic power. She was born and raised on the the Voth City Ship, and she has intense light powers and she's a master of leaves and earth and light. She is the Keyblade Knight of the Voth and the leader of the Hierarchical Order of Voth, and she has also helped out The Enterprise in many of their travels through the galaxy and defended them from the many terrors and dangers they've fought against in the past. She came to Royal Woods long ago, and she really trained me a lot about how to use the Keyblade and I'd quickly absorbed all that knowledge, and I became an expert in wielding the Keyblade and she also trained me on how to use the magic spells associated with the Keyblade, and she's also one of the Keyblade Knights formed by Carolina Keyblada, and like her fellow Keyblade Knights, she harbors a deep grudge against Xehanort for all of the pain and suffering that he caused in his quest to forge the X-Blade and use it to destroy the entire universe and remake it in his image, and she swore if he ever returns again, she would slay him right where he stands and see to it that all those who follow him shall follow him to The Black Gates, and she also trained me a lot and she taught me everything that she knows when it comes to using the powers of leaves, earth and light.

We were amazed!

Me: Wow! The Hierarchical Order of Voth! That is awesome! They are actually Saurian people that are from Earth originally and they evolved into dinosaur humanoids. Which are really cool.

Vicky Voth: That is awesome.

Me: Yeah. By the way is the Another Iceage friendly or hostile?

Vicky Voth: Friendly and she has a really awesome and amazing power.

Me: Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you all first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

They both glowed and the Anothers were separated.

Me: Time for action.

We fired waves of energy and elements and blasted the Anothers.

I caught the Wonder Ride Books.

Nico: Nice!

Maria: (TURNS DIAL) HYDRO TITAN FORCE!

She summoned Hydros, King Jellyfish, Owl Beastman, Ice Sphere

Doomer and Piledriver!

Nico: Nice!

Qin: Yep.

Nico: And now, we wait.

Me: Yep.

But then I smelled a really awesome aroma.

Me: (Sniffs) Oh boy I know that smell.

Everyone smelled it too.

Nico: Oh boy!

May: It's FRENCH TOAST!

May ran and jumped and she pounced on a figure and it was ANOTHER ICEAGE!

Another Iceage: (LAUGHS) (In a girls voice) You sure love French Toast don't you!?

She gave her a huge plate of French Toast!

Me: Wait that voice.

May came back and the another reverted back and it was a girl with orange hair and had purple eyes and yellow clothes and had orange angel wings and had a tiara with the symbol of the Frenchtoast Dopant on it and the same symbol on her skirt and she had a Giant Egg Magisword in her hand.

Me: Francesca Frenchtoast! Awesome!

Francesca Frenchtoast: Awesome to see you again J.D. and wow! May sure loves Frenchtoast huh?

Me: (LAUGHS) She sure does.

Nico: I'm sorry about my wife!

Francesca Frenchtoast: No worries. Lots of people love my French Toast.

Me: Like Phoebe Pancake, she makes REALLY irresistable French Toast.

Nico: (LAUGHS) I can tell.

May: (LAUGHS) (Eating) Yummy! So good!

Me: Yeah. Also she not only makes irresistable French Toast but she also has breakfast powers but she also is the Embodiment of the Frenchtoast Dopant and also has amazing ice powers like Iceage.

Iceage: (LAUGHS) Just like me! That is so cool!

Me: Yep.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Francesca Frenchtoast: Well I'm sure you heard this one. But like Phoebe Pancake, I wasn't promised anything because I gave Swartz a big buffet of Frenchtoast and left.

Sakura Knudson: (LAUGHS) Just like with Phoebe Pancake. And she makes awesome Frenchtoast too.

Francesca Frenchtoast: I sure do.

She gave a plate of French toast to Sakura.

Sakura Knudson: It's just that good.

She ate it.

Zocks and Kaito: ZENKAIJU GEAR!

They donned Zenkaiju Armor!

Lincoln: Lets separate you first.

He fired a wave of energy and did so.

Francesca Frenchtoast: Awesome!

She fired egg bombs and smashed the Another!

Tyler Navarro: IT'S MORPHIN TIME! DINO CHARGER READY! ENERGIZE! UNLEASH THE POWER!

RRRRRRRRROOOOOOOOOOOOOOOOOAAAAARRRR! CHOMP!

He transformed and was ready!

Me: OH YEAH!

Nico: (Gets out Iceage's Ridewatch) CHILL DUDE!

May: (Gets out Carrie Beff's Ridewatch) Time for some buttkicking!

Maria: (Gets out Bammers' Ridewatch) And for some smashing!

They activated the ridewatches of Iceage, Doc Duodenum, Carrie Beff, Lady Bullseye, Bammers and Rock Doggler and fired waves of energy and blasted the Another!

Tyler Navarro: TYRANNO BLAST!

He fired waves of energy and blasted him.

Rita the cat: Take this one! (ACTIVATES DOC DUODENUM'S RIDEWATCH)

She fired an energy blast and smashed the Another!

Me: (Imitating Runt) You're a good dog Rita.

Then Wolf, Queen Cannabis, Eustace Strych, Slaughterjack the Lumberjack, Barbos and Wolf Undead came!

Nico: Awesome team Wolf!

Wolf: Thanks Nico!

Me: I used your quote yesterday. (Imitating Wolf) You'll be seeing your father soon Fox!

Wolf: Hey that was really good!

Me: Yeah! Thanks! And Nico used Pigma's line.

Nico: Yep.

?: That is awesome!

Hornet Man came!

Me: Whoa! Hornet Man!

Hornet Man: (In a girls voice) I love to float and sting.

Nico: Lorelai Hornet!? Whoa!

She reverted back and was a girl with green hair and had yellow eyes and had green butterfly wings and had green clothes and she had a symbol for a Hornet in the middle of her forehead.

Lorelai Hornet: Awesome to see you again Nico. I got this.

She fired waves of honey and it hit the Another and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

I caught the Ridewatch and purified it!

Nico: Oh yeah! Iceage you have failed this world!

Tyler Navarro: Monster Extinct!

May: HA! I didn't get hit!

Me: I know!

Lorelai Hornet: You do not want to get hit by my attacks. I float like a butterfly and sting like a bee. Literally.

May: Too true. But that is cool.

Nico: Yep.

Qin: Yeah!

Rita the Cat: Yeah. What's your favorite memory of Nico?

Lorelai Hornet: My favorite is when we went to this dry meadow and then I showed Nico my amazing nature powers and I made the meadow an amazing meadow full of life and flowers and trees. I made it a paradise.

Nico: That was so beautiful.

Me: That is awesome.

Laney: Wow! Can you show us?

Lorelai Hornet: Sure.

She had her hands glow and then she touched the ground and then grew a MASSIVE AND AMAZING FOREST AND IT WAS FULL OF FLOWERS, TREES, AND MORE IN SECONDS! WE WERE IN

AWE!

Me: WHOA!

Qin: OH WOW! This is so amazing!

Laney: So cool! Wow! Awesome to have another plant master.

Lorelai Hornet: Yep.

Nico and Lorelai hugged.

Nico: I've missed you.

Lorelai Hornet: Me too Nico.

We went back home. And Nico went to his room for a nap.

Lincoln: Whoa, we're here in Kansas, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we got bad news: a clone of Octomus the Master that was created by another manifestation of Universe 666 Sebastian's residual darkness is here, but that deranged dark monster also created clones of Morticon, Necrolai, Koragg, The Knight Wolf, Imperious, Sculpin, Magma, Oculous, Serpentina, Megahorn, Hekatoid, Gekkor, Matoombo, Itassis, Black Lance, Dark Troll, Mucor, Hydra Worm, Clawbster, Rock Troll, Taxi Cab Monster, Giant Spider, Flytrap, Boney, Skullington, Gargoyle of the Gates, Jester the Pester, Behemoth, Gnatu, Spydex, Screamer, Warmax, Shrieker, 50 Below, Fightoe, Ursus, and Chimera, and he went into hiding again.

We gasped.

Me: This is just like what happened with that clone of Queen Bansheera and the demons.

Nico: Yeah, but we're more than ready for them.

Lincoln: Yep, so we got to destroy the clones of Octomus the Master, Morticon, Necrolai, Koragg, The Knight Wolf, Imperious, Sculpin, Magma, Oculous, Serpentina, Megahorn, Hekatoid, Gekkor, Matoombo, Itassis, Black Lance, Dark Troll, Mucor, Hydra Worm, Clawbster, Rock Troll, Taxi Cab Monster, Giant Spider, Flytrap, Boney, Skullington, Gargoyle of the Gates, Jester the Pester, Behemoth, Gnatu, Spydex, Screamer, Warmax, Shrieker, 50 Below, Fightoe, Ursus, and Chimera, and once that's done, it'll lure out the manifestation of Universe 666 Sebastian's residual darkness and we'll destroy him.

Black Widow: We're more than ready to bring them down.

Suddenly, we saw a very beautiful and super sexy girl with long midnight black hair and red hairband, red eyes, she was tall at 7'0" in height, she has the body of a goddess and large breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a black short-sleeved frilly shirt, short-sleeved black blouse, necklace with red heart gem for the pendant, white cravat, black skirt with the Are You Afraid of The Dark Logo on it, white bridal gloves, black lace stockings, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with stars, dark magic, darkness, black magic, Satanic Magic, phoenixes, and angels on the coattails and on the back is the symbol of The Midnight Society, and holstered on her back is a massive black greatsword, and with her are the ten girls.

Lincoln: (GASPS) Belinda Midnight of The Midnight Society.

Belinda Midnight: That's right, and I got the girls away from the clone of Octomus the Master, but the clones of Morticon, Necrolai, Koragg, The Knight Wolf, Imperious, Sculpin, Magma, Oculous, Serpentina, Megahorn, Hekatoid, Gekkor, Matoombo, Itassis, Black Lance, Dark Troll, Mucor, Hydra Worm, Clawbster, Rock Troll, Taxi Cab Monster, Giant Spider, Flytrap, Boney, Skullington, Gargoyle of the Gates, Jester the Pester, Behemoth, Gnatu, Spydex, Screamer, Warmax, Shrieker, 50 Below, Fightoe, Ursus, and Chimera are heading here to attack us.

Suddenly, we saw the clones of Morticon, Necrolai, Koragg, The Knight Wolf, Imperious, Sculpin, Magma, Oculous, Serpentina, Megahorn, Hekatoid, Gekkor, Matoombo, Itassis, Black Lance, Dark Troll, Mucor, Hydra Worm, Clawbster, Rock Troll, Taxi Cab Monster, Giant Spider, Flytrap, Boney, Skullington, Gargoyle of the Gates, Jester the Pester, Behemoth, Gnatu, Spydex, Screamer, Warmax, Shrieker, 50 Below, Fightoe, Ursus, and Chimera as they went at us, but we stood ready and we fired powerful energy blasts at them and knocked them all down.

Then, Lincoln turned the tips of his tails into Cell's Stingers, and one by one, he stabbed them into the clones of Morticon, Necrolai, Koragg, The Knight Wolf, Imperious, Sculpin, Magma, Oculous, Serpentina, Megahorn, Hekatoid, Gekkor, Matoombo, Itassis, Black Lance, Dark Troll, Mucor, Hydra Worm, Clawbster, Rock Troll, Taxi Cab Monster, Giant Spider, Flytrap, Boney, Skullington, Gargoyle of the Gates, Jester the Pester, Behemoth, Gnatu, Spydex, Screamer, Warmax, Shrieker, 50 Below, Fightoe, Ursus, and Chimera and he began absorbing them into him as he assimilated all of their powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger.

When Lincoln was done and the stingers changed back, nothing was left of them, and all that's left is the clone of Octomus the Master.

?: I WILL KILL YOU ALL, TEAM LOUD PHOENIX STORM!

We then saw our target, the clone of Octomus the Master, and he was out to destroy us.

Then, Lincoln turned the tips of his tails into Cell's Stingers and he stabbed the Octomus the Master clone and he began absorbing him as he assimilated all of his powers and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed along with his rainbow energy aura with elemental forces and mythological animals flared up extremely and he began growing even stronger. Then, when Lincoln was done and the stingers changed back, nothing was left of him, and he sent the clones' spirits to The Black Gates. We cheered as we holstered our weapons and powered down.

Suddenly, we heard an unearthly roar and the pool of darkness rumbled greatly, and then, we saw the manifestation of Universe 666 Sebastian's residual darkness, but before he could attack, he was trapped in a holy light energy field below his feet by Lincoln.

Suddenly, Lincoln's massive white angel wings glowed with rainbow energy and rainbow light, and then, they spread out to their maximum wingspan of 8'5" and fired a massive rainbow energy shockwave that spread all over, and because of feeling the powerful and purifying effects of the rainbow energy shockwave, the residual darkness remnant of Universe 666 Sebastian and began screaming with pain and anger as light burst out of him, and then, he exploded as he let out a dying scream and was banished to The Black Gates and this time forever.

Lincoln: And that's it for another of Universe 666 Sebastian's residual darkness remnants. (To Belinda Midnight) And it's so good to see you again, Belinda Midnight.

Belinda Midnight: You too, Lincoln, it's been seven years since we last met, and it's so good to see you again, Autumn.

Autumn Midnight: You too, Belinda.

Lincoln went up to Belinda Midnight and he hugged her, and Belinda Midnight is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Belinda Midnight: Holy crap, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-

year-old 8'5" tall, very handsome, and manly man with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head, that's really new, along with getting He-Man's chest harness. You've really really grown a lot and became a man, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, we've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Eli, this is Belinda Midnight, she's my Guardian Angel from Michigan and the fourth eldest sister of The Midnight Sisters, she's a Goth Girl born from darkness and she also has immense and incredible power over The Dark Arts, Witchcraft, darkness, dark magic, black magic, Satanic Magic, Necromancy, The Occult, demons, and creatures of the night, and also has black angel wings. She's the member of a new generation of The Midnight Society, and every night, she and her group meet up with me at the backyard of the house and tell some of the most bone-chilling and scariest stories around a campfire and she's the one who handles the organizing of our meetings. She's also friends with Lucy and The Young Morticians' Club, and they were intrigued to find out that she's the member of a new generation of The Midnight Society, and she hates Lisa with a blazing passion. One night, as she and the rest of The Midnight Society were in the backyard preparing for their night of scary stories at the campfire, Lisa tried to attack us, but Belinda used her dark powers and made Lisa's nightmares come to life, and she got so scared, she ran back inside the house and into her room and refused to come out for the rest of the night.

Nico: Jeez, that's scary.

Me: And I remembered that incident all too well, Lisa got what she deserved that night.

Lincoln: Messing with The Midnight Society is always a horrible idea, not to mention that they have dark powers, and with them, they can find out their deepest darkest nightmares and make them come true, and now that you're here, Belinda.

Lincoln went up to and hugged Belinda Midnight in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head and eleven massive and long white tails with rainbow tips and rainbow markings. He slowly unlatched his fangs from her neck as her necks healed and the puncture marks sealed up, and he also kissed where he bit her.

Belinda Midnight: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Belinda Midnight's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Belinda Midnight: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which

means you're now part of my harem and my many future wives, Belinda Midnight.

Belinda Midnight had a smile on her face and tears in her eyes as Lincoln still had his massive and powerful muscular arms around her and he leaned down to her face and kissed her on the lips and she also returned it, and we cheered for them, then we went up to the ten girls, and when Lincoln saw them, he immediately recognized them. The ten girls are Ai Himura, Shizuka Ichijou, Aoi Inoue, Rei Kisaragi, Yumi Nagoshi, Shiho Ouma, and Akira Toume from Jutaijima "Doushite Anta Mitai na Busa Otoko ni Tanezuke Sarenakya Ikenai no yo?" and Akeno Himejima, Asia Argento, and Koneko Toujou from High School DxD.

Ai Himura: Yes, we're okay, thanks to you.

Then, when Ai Himura and the other nine girls saw who it was that saved them from the clones of Octomus the Master and his minions along with another manifestation of Universe 666 Sebastian's residual darkness, their faces turned atomic red upon seeing the 18-year-old 8'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head with large golden halo in the center with golden angel wings on the bottom side and four large orbiting golden rings on each corner behind his head, thick hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest emblazoned on his forehead and Third Eye with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero and God, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden

Ai Himura: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet the rest of you.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene, and he slowly bit them and he fed on their blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glowed along with his large gold halo and four orbiting gold rings on each corner of the halo behind his head. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Ai Himura: (Seductively and rubs her hands on Lincoln's massive

pecs) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ai Himura, Shizuka Ichijou, Aoi Inoue, Rei Kisaragi, Yumi Nagoshi, Shiho Ouma, Akira Toume, Akeno Himejima, Asia Argento, and Koneko Toujou with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate and told everyone what had happened, and they were shocked to find out the villains we went after were clones of Octomus the Master and his former minions created by another manifestation of Universe 666 Sebastian's residual darkness.

But, when Lincoln showed what we all did in beating them down and Lincoln stabbing them with his Cell Stinger tips on his tails and he absorbed them into him and assimilated all their powers which forced out the manifestation of Universe 666 Sebastian's residual darkness and he was destroyed and sent to The Black Gates forever, everyone cheered and hugged us and Lincoln's harem kissed him on the cheek. Lincoln and Belinda Midnight have a lot of catching up to do, now that she's back in town.

Maria: Oh man, so another manifestation of Universe 666 Sebastian's residual darkness was here and it created clones of Octomus and his former minions?!

Lincoln: Yep, but just like what happened with the clones of Queen Bansheera and the demons, I absorbed them and assimilated all their powers.

Nico: Along with banishing their souls to The Black Gates and it also forced out the manifestation once more and he too got destroyed and sent to The Black Gates.

Me: He really refused to give up and just die? What a sore loser.

After Lincoln absorbed the clones of Octomus the Master and his minions and destroyed another manifestation of Universe 666 Sebastian's residual darkness, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Belinda Midnight saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Belinda Midnight: My God, I was right that Lincoln's really grown into a 18-year-old, 8'5" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Belinda, and I can still defend

myself, and in addition to getting stronger and bigger in muscle mass, I've also gotten smarter as well.

Belinda Midnight: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Me: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from years ago into the really big, really strong, and really powerful man we know today.

Belinda Midnight: I knew it was only a matter of time before he told everyone that story.

Suddenly, Darren Devereaux wasn't feeling well as we saw his face turn pale.

Me: Darren, you alright? You don't look so well.

Darren Devereaux: Ugh, no, not really.

Poromon and the other mascots took out a popsicle stick.

Poromon: I want you to open your mouth and say "Ahh"

Suddenly, Darren let out an evil growl as he opened his mouth extremely wide, but where he was supposed to have normal teeth, it was filled with ugly teeth, and The Mascots saw it and got away from him before he snapped his jaws shut, and he continued roaring like a monster, then, his hair turned really messy, and his arms turned grey and furry with three fingers and dug through the floor and went underground.

WE WERE HORRIFIED: DARREN WAS BIT BY THE WEREMOLE!

Me: (GASPS) DARREN'S BEEN BIT THE WEREMOLE!

Nico: That ugly monster Lincoln, Laney, Lana, Earth, and Bai Tza saw in Nowhere?!

Nicole: Looks like it. Oh man, we got to get Darren back to normal and fast, we still got the notes on the cure to do it.

Sebastian Mendez: What we need is to hit him in the head with a mallet.

Suddenly, Darren burst out of the floor, but his hair turned fiery red, and he opened his mouth and closed them on Sebastian Mendez and dragged him down and he also got bit!

Lincoln: Oh man.

We ran to the lab and made a Weremole cure for Darren, and we rushed back down. Suddenly, the Weremole-turned Darren burst out roaring at us, but we shot him with the cure and he roared in pain and changed back.

Darren Devereaux: Ugh, what happened?

Nico: You got bit by a Weremole, a werewolf-like mole that comes out in the full moon and has a taste for rabbits and people, and you turned into one yourself.

Darren Devereaux: Did I bite anyone?

Lincoln: You did.

Me: You bit Sebastian.

Goten: We've already got the same cure for him too.

Suddenly, we heard the ground rumbling and we heard the sound of grumbling, and then, the ground burst and we saw Sebastian come out and was turned into a Weremole. He opened his mouth and he clamped down on Goten and Trunks and dragged them down. But, then, the sound of punches and kicks were heard down there.

Goten: GET AWAY, YOU LITTLE MONSTER!

The two of them got out, but boy, did they get messed up: their shirts got completely shredded by that monster and their hair got messed up.

Nico: Jeez, man, he did a number on you two.

Goten: He sure did, but he didn't bite us. If he does that again, he's getting hit on the head with a mallet.

Suddenly, Sebastian popped out, and he roared at us. Yakko brought his mallet down, but Sebastian got away, but he also made two more holes. Then, Sebastian began popping out of the holes that he made and Yakko tried to hit him, but he kept ducking into the holes. Suddenly, Sebastian popped out of the couch, and Yakko tried to hit him, but he got away, and he did this three more times, and that really pissed him off.

Nico: This is just like a game of Whack-A-Mole.

Me: I was about to point it out.

Suddenly, Sebastian began chomping his way right at us, but before he could attack, we shot him with the cure and he changed back to normal, and the floors and couch were magically repaired.

Lincoln: This is just like our little Weremole problem back in Nowhere. Darren must've gotten bit by the Weremole as we were dealing with the owners of McBurgertown.

Me: That's got to be the case, but at least, Darren and Sebastian got cured.

We got a shower afterwards, and then, Lincoln, Simulator Melike, Simulator Android 18, Medusa (The Grim Adventures of Billy and Mandy OC), Euryale (The Grim Adventures of Billy and Mandy OC), Stheno (The Grim Adventures of Billy and Mandy OC), Snarehuntress, Frightwig, Universe 666 EightEight, Universe 666 Rojo, Universe 666 Azul, Universe 666 Amarillo, and Margie (Ben 10) are heading to Seaside Hill.

Lincoln snapped his fingers, and the 18-year-old, white-haired, 8'5", handsome and extremely muscular man had on his new large

Medusa: Wow, so, this is Seaside Hill, it sure is beautiful.

Lincoln: It sure is, Medusa, and it's perfect for our first date. Shall we?

But then, they saw the hulking muscle-bound thugs that Flip hired coming after them, but Lincoln fired vacuum tubes from his chest which latched onto the chests of Flip's massive army of hulking muscled thugs, and then, the vacuum tubes literally began sucking Flip's massive army of hulking muscled thugs dry of all their massive muscle mass, virility, blood, and physical strength, and all of it was being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles grew and bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips spread out and glowed and his halo glowed and he also grew even stronger. When Lincoln was done, the vacuum tubes detached themselves from the chests of the thugs and went back into Lincoln, and the thugs were now dead from blood loss and thin as a rake and he fired a blast of red energy and destroyed them leaving them as ashes.

Lincoln: Nice try, you stupid mutant!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Simulator Melike, Simulator Android 18, Medusa (The Grim Adventures of Billy and Mandy OC), Euryale (The Grim Adventures of Billy and Mandy OC), Stheno (The Grim Adventures of Billy and Mandy OC), Snarehuntress, Frightwig, Universe 666 EightEight, Universe 666 Rojo, Universe 666 Azul, Universe 666 Amarillo, and Margie (Ben 10) and they hugged the girls in their abnormally massive and powerful muscular arms, and Simulator Melike, Simulator Android 18, Medusa (The Grim Adventures of Billy and Mandy OC), Euryale (The Grim Adventures of Billy and Mandy OC), Stheno (The Grim Adventures of Billy and Mandy OC), Snarehuntress, Frightwig, Universe 666 EightEight, Universe 666 Rojo, Universe 666 Azul, Universe 666 Amarillo, and Margie (Ben 10) placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss and he also marked them as he slowly sank his fangs into them and fed on their blood. They came back home to The World Tree Estate, and Nico and I saw Lincoln covered in kisses on his face, body, and eight-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Seaside Hill, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… AWESOME!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Melike, Simulator Android 18, Medusa (The Grim Adventures of Billy and Mandy OC), Euryale (The Grim Adventures of Billy and Mandy OC), Stheno (The Grim Adventures of Billy and Mandy OC), Snarehuntress, Frightwig, Universe 666 EightEight, Universe 666 Rojo, Universe 666 Azul, Universe 666 Amarillo, and Margie (Ben 10) with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Whoa, now Simulator Melike, Simulator Android 18, Medusa (The Grim Adventures of Billy and Mandy OC), Euryale (The Grim Adventures of Billy and Mandy OC), Stheno (The Grim Adventures of Billy and Mandy OC), Snarehuntress, Frightwig, Universe 666 EightEight, Universe 666 Rojo, Universe 666 Azul, Universe 666 Amarillo, and Margie (Ben 10) are in your harem, Linky.

Lincoln: And here's this.

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles grew and bulged even more and snakes in his pure white hair appeared on his head, his eleven massive and long white wolf tails transformed into snakes and the snakes react depending on their mood, his skin complexion changed to orange and white scaly skin, his eyes and his Third Eye changed to yellow with deep blue crescent pupils, and his fangs grew longer and dagger shaped and have the ability to inject venom into a villain when he bites them.

Me: (GASPS) Lincoln, you've transformed into a Gorgon!

Lincoln: Yep, I have many more forms because of me marking my harem.

Nico: Whoa.

Lincoln changed back.

Jenna: And Flip had some nerve trying to kill them, that mutant is just making things much worse for himself.

Serena Logan: I always knew that stupid mutant cheapskate was and always will be nothing but fucking trouble, and he's just making things worse for himself.

Rarity: And trying to kill Simulator Melike, Simulator Android 18, Medusa (The Grim Adventures of Billy and Mandy OC), Euryale (The Grim Adventures of Billy and Mandy OC), Stheno (The Grim Adventures of Billy and Mandy OC), Snarehuntress, Frightwig, Universe 666 EightEight, Universe 666 Rojo, Universe 666 Azul, Universe 666 Amarillo, and Margie (Ben 10), now that repulsive ape is really going to get it.

Lincoln: And we also had a run-in with more of the hulking muscle-bound hired thugs they sent to kill us yet again, but I sucked out their muscle mass, strength, and virility and killed them all and sent them to The Black Gates, and that mutant should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Flip scream and bellow with extreme hatred and rage and cursing right at us, and now, that moron has officially lost his mind.

Maria: (Flips Flip the middle finger) Yeah, up yours, you mutant moronic cheapskate!

Nico: Even after we kicked Flip's miserable hide, that mutant still refuses to quit!

Lincoln: Same with Lewis Travolta, Dark Amy, Icky Vicky, Billy McLean, Pablo, Anderson, and the other jerks at Dad's restaurant, but it's much more fun to see their thugs get killed by me.

Me: It sure is, and it's so much more fun seeing them blow their stacks!

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in Flip's mouth, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Me: (GASPS) ARE THOSE…?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into Flip's mouth and the funnel was removed. Then, Flip's stomach gurgled and rumbled, and then… !

MASSIVELY LOUD AND EXTREMELY WET FART!

Flip farted and massive tons of gold, jewels, gems, and other currencies exploded out of his three-cheeked butt like crazy!

Flip stopped farting like crazy.

Lincoln: That's for trying to get your musclebound thugs to murder me and the girls in my harem, you disgusting three butt-cheeked mutant!

Nico: Jeez. Those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Me: Because of you using Walker's powers.

Connor Chan: Flip's really pissing me off now, if he does this again, I'm gonna shove a grenade down his throat!

Nico: Connor, I know you're angry, but we're saving it for December 1st when we kill him, Icky Vicky, and Xehanort. Now, don't even think of getting into the weapons room or I'm telling Dad!

Connor Chan: Tattle tale.

---

Later it was time for Another awesome Super Mario Galaxy 2 adventure.

Nico came into the simulator from his nap.

Me: Have a nice nap Nico?

Nico: I sure did. I needed it too.

Me: Good. Ready for the next galaxy when you are.

Nico: Okay. Boo Moon Galaxy is next.

Me: OOH! That is haunting!

Brittney: That would be a perfect one for the Goths of Darkness.

Nico: It sure would.

Winx Club Layla: Me, Girl Jordan, Leeli, Dante and Boris will go with.

Nico: All right then.

They went into the simulator and it activated and they were at BOO MOON GALAXY! It was REALLY SPOOKY!

Nico: Creepy!

Girl Jordan: (GULPS)

Nico: Any tips Nicole?

Nicole: (On the radio) Well this one is gonna be a very tricky one. The boos are going to try and scare you. So you have to be careful.

Nico: Thanks.

Leeli: I have a feeling this will be good.

Dante: I'm ready for them.

Nico: They can try to scare us.

?: Let them try!

2 figures came and one was a girl with black hair and had black clothes and black angel wings and she had purple eyes and along her arm were the Nazca Lines of the Dark Signers and she had a tiara with the symbol of the Earthbound Immortals on it and the same symbol on her skirt and she had a sword with the Nazca Lines on it. The second girl was a girl with orange hair and blue eyes and blue clothes and she had blue angel wings and had a tiara with the symbol of Needle Man on it and had a powerful spear of fire.

Elandra Earthbound: Elandra Earthbound, Embodiment of the Earthbound Immortals.

Naomi Needle: Naomi Needle, Embodiment of Needle Man.

Girl Jordan: Naomi!

Layla: Naomi!

Naomi Needle: Girl Jordan! Layla!

She hugged them!

Girl Jordan: Boy it's awesome to see you!

Naomi Needle: Boy its been a while.

Leeli: Hi. I'm Leeli.

Naomi Needle: Awesome to meet you Leeli. Wait! Leeli Wingfeather from The Wingfeather Saga!? I loved those books.

Nico: Awesome! We can talk later. Lets go get that star.

They were off.

They saw a bunch of Boos in a huge open area.

Boris: I see Boos nearby!

Nico: And they have the star with them. Lets rock and roll!

They flew at them!

Nico: (Gets out Iceage and Hydros' Ridewatches) Let's freeze these guys!

He activated them and fired waves of ice and blasted the Boos! They were frozen!

Boris: Lets thaw them!

Boris and Dante fired waves of indigo and yellow fire and blasted them.

Elandra Earthbound: Time to send them to hell!

She fired waves of rainbow fire and blasted the Boos!

Naomi Needle: I'll skewer them!

She fired needles and skewered them!

Layla, Girl Jordan and Leeli fired waves of water and they blasted the Boos!

Nico: OH YEAH!

They went and got the star!

YOU GOT A STAR!

Nico: OH YEAH!

Girl Jordan: That was so fun!

Naomi Needle: Yeah it was!

They all high five!

Nico: How did you meet Layla and Girl Jordan?

Naomi Needle: I met Girl Jordan at the library when we were looking at books for the Wingfeather Saga. I thought it was a great story.

Girl Jordan: It sure is. And during one of the missions we discovered that I had a spiritual connection with Leeli. Her song is more powerful than it looks and sounds. Watch.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

The Boos in the area were destroyed and new life sprung into full bloom.

Naomi Needle: WHOA!

Nico: We were amazed ourselves.

Girl Jordan: Ever since I found out about that, our bond made us really close.

Naomi Needle: That is incredible!

Elandra Earthbound: Boy no kidding.

Winx Club Layla: Yep.

Naomi Needle: I met Layla when she and her friends were battling the Trix and I bashed Icy's face in and stabbed her in her leg.

Nico: Whoa nice.

Naomi Needle: Yep. Left my mark on her.

Nico: That is cool! Would you two like to join the team?

Elandra Earthbound: We would be honored.

They left and we cheered wildly for them.

---

Later we were watching TV. I was reading the paper.

Me: Hmm. Wow. The satellites found numerous terrorists underground and the police busted them.

Nico: Good riddance.

Spiderman: Has anyone seen the mascots?

Me: No we haven't. Eli?

Eli: (Concentrates) (GASP) They're on the moon!

Nico: WHAAAAAAAAATTTT!?

And he was right! They were on the moon! And Mario was with them because he was on the moon before too.

Mario: (Italian Accent) It's-a good to be on the moon again.

Poromon: Thanks for coming with us, Mario.

Mario: Anytime Poromon. It's-a gonna be good to help you.

Poliwag: Love coming to the moon.

Manaphy: It's so cool seeing the moon like this.

Horsea: It sure is and I feel light as a feather here.

Poromon: Me too.

Captain America:… we should probably find them!

Me: Oh Mario is with them. He told me that he is taking them somewhere but he didn't say.

Nico: That's nice of Mario to help. Wait! I remember that Mario went to the moon before.

Nicole: He sure did. Super Mario Odyssey. That was fun.

Nico: I love that game. But lets go find them

We were off to the moon.

Horsea: After the Galaxies, Super Mario Odyssey levels should be next

Mario: Ooh that's-a not a bad-a idea.

Poromon: I agree.

We landed on the moon.

Me: Wow the moon is as beautiful as ever. Especially with the view of the Earth like this.

Nico: Wow! The Earth is so beautiful this close. And the view of the Estate is amazing.

Camie: Wow no kiding.

Lockdown: Poromon? Guys? Where are you?

Me: There they are.

We then saw a door open up and they went down into it.

Me: Looks like they found something.

Nico: Lets go see.

We went to help them.

Minutes earlier, the mascots and Mario were looking around.

Poromon: Hey what's this?

Poromon pressed a button and then a door opened.

Mario: Mama mia!

They went down into it.

They went down and under the moon surface they saw a Crystal Temple!

Poliwag: Too bad the others aren't here to see this!

Me: See what?

Horsea: Oh you're here! Look!

WE GASPED!

Nicole: (GASP) I don't believe it! You guys found it! I thought it was just a myth! You found the Crystal Temple of Lunas Dianis! Wow!

Nico: Awesome!

Nicole: Wow! I also have been trying to find this for years! But I lost the map for it! I thought I would never find it but you guys did a great thing for me.

Poromon: Aw it was nothing.

Huffer: Did you guys seriously come all the way out here?

Poromon: We sure did. Mario was with us to watch over us.

Me: Good call there Mario.

Mario: Thank you.

Nico: So what treasure is in this temple Nicole?

Nicole: The legendary Sword of Diana, the Goddess of the Moon. Legends say that she made a powerful moon sword of pink crystal that can control the powers of the moon.

Nico: Wow! Who gets it?

Sailor Moon: I will get it.

Me: Go for it Serena.

We went into the temple and it was amazing.

Nico: Wow! Beautiful.

We saw the sword and it was awesome!

Me: Wow!

Nico: There it is!

Manaphy: It was completely worth it!

Sailor Moon went over to it and grabbed the handle and then she pulled and it was out and then it glowed and she was getting a massive power boost! She was enveloped in a vortex of power and got awesome wings she looked and felt amazing.

Nico: Wow!

Naruto: How do you feel Serena?

Sailor Moon: I feel amazing!

Nico: So awesome. You earned it.

We later went back home.

Indigo Zap: Nico, who gets to shine today?

Nico: Troy, Tyler Bowman, Eli Shane, Tyson, Shotaro and Philip, and Natsumi Tsujimoto.

Me: Cool!

Apple Bloom: Awesome! This will be fun!

Laney: Yeah!

Philip: This is gonna be cool!

We arrived back home.

May: What do we do with the treasure?

Nico: Sailor Moon is going to use the sword.

May: Oh right she already got it.

Nico: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and he had a vision, and he saw who it was that we're going to confront today: it was none other than Klaww, Zemo, MODOK, and Captain Corbett, and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln: Oh, dear God!

Lincoln sounded the alarm and we rushed in.

Nico: We heard the alarm, what's wrong, Lincoln?

Lincoln: Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront

today, it's none other than Klaww, Zemo, MODOK, and Captain Corbett.

Nicole: From Marvel Lego Superheroes?! Where are they at, Lincoln?

Lincoln: He's in the level What's Klaw's is Mined and Old West Saloon..

Nico: Looks like we've got more trouble in the world of Marvel Lego Superheroes.

Me: Sounds like it.

Nico: Okay, then, let's head down there and take care of Klaww, Zemo, MODOK, and Captain Corbett.

Lincoln: This is going to be so awesome.

Me: Vypra is gonna want to have some words with the Lego version of Zemo. He is the creator of the Original M.O.E. After all.

Ranamon: Can me, Duskmon, Grumblemon, Arbormon, Mercurymon, Gentleman Ghost, Yenaldooshi, Copperhead, Grundy and Mr. Mittens go with you guys?

Nico: Yes you all can. We're going after the Lego versions of Klaww, Zemo, MODOK, and Captain Corbett next.

Duskmon: Cool! Better call the boss in too.

He got on the horn and called Vypra.

Vypra came too.

Vypra: So the Lego Version of Zemo too. I'm going to have a nice talk with him.

Me: Just like how you thrashed the Yost version of Zemo.

Vypra: Yep that's right.

Xenia: Awesome.

Napalm Man: Nico, which Gene Slammer of me and my fellow Robot Masters do you think you'll meet next?

Nico: Plug Man next.

Me: Nice. That's the only one left out of all the Robot Masters for Mega Man 9.

Nico: Yep. Then after that is Mega Man 10.

Qin: Cool.

Laney: This will be awesome.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as they sensed a massively powerful energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Universe 666 Eli and he's coming and really wants revenge on Evil Nico for murdering Universe 666 Nunnally long ago. When we saw it, we knew it meant trouble.

Lincoln: Oh dear God!

Rayman: I can guess that we got big trouble heading our way. Lincoln, who was it that you saw?

Lincoln: You guessed it, Rayman, and this is someone that we're so not going to like one bit. Nico, everyone, we've got a seriously huge emergency. I just had a vision and I saw who it was that we're going to confront today, the figure is none other than Universe 666 Eli and he's coming and really wants revenge on Evil Nico for murdering Universe 666 Nunnally long ago.

We gasped.

Universe 666 Lincoln: Oh God. Eli.

Eli: Universe 666 version of me!? Whoa!

Me: Does he hate Evil Nico as much as all of you do?

Universe 666 Me: You have no idea.

Universe 666 Lincoln: He despises him with an extremely bloody passion, because Evil Nico murdered Universe 666 Nunnally long ago, and Universe 666 Eli went mad with rage and grief, and in his anger, he was about to destroy Universe 666 Earth in his wrathful rage, but knowing that I didn't want my home destroyed nor The Resistance, I trapped him in a coffin and carved magical symbols that kept him trapped inside and sent it to another planet. But, how, the symbols should've kept him trapped inside.

Me: That Evil version of Nico really pisses me the fuck off!

Qin: What a heartless monster!

Nico: Yeah!

Me: The symbols must've worn off somehow.

Universe 666 Lincoln: If the magical symbols wore off, then, that means.

Universe 666 Lincoln checked on the computer and he saw the coffin was burst open.

Universe 666 Lincoln: Oh God, Universe 666 Eli's escaped!

Sakura Shinju: So, Lincoln and I need to stop him and take him down.

Lincoln: And I'm going to resurrect Universe 666 Nunnally to heal Universe 666 Eli's heart and soul. He's one Universe 666 Jinchuriki that deserves redemption.

Nico: Yeah, he needs his heart and soul repaired, what that snake did is beyond evil. Alright, gang, let's go, we're off to the world of

Marvel Lego Superheroes and we're taking down Klaww.

Lincoln: Klaww, you better be ready, we're coming for you, and once we get done with him, you better be ready, Universe 666 Eli.

Sakura Shinju: Out of all the Universe 666 Jinchuriki, you're one who deserves redemption, and above all else, you deserve to have your heart and soul repaired.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to the world of Marvel Lego Superheroes and we're taking down Klaww, Zemo, MODOK, and Captain Corbett, and once we got done with them, Sakura Shinju and Lincoln are going to take down Universe 666 Eli and Lincoln's going to resurrect Universe 666 Nunnally to heal Universe 666 Eli's heart and soul.

We were off to Chronopolis.

* * *

We arrived in Chronopolis.

Nico: Do we go to Avenger's Mansion like before?

Me: Actually we go to help the Avengers there.

We saw a huge blimp over the Hydra Empire sector.

Nico: Wow what a blimp.

Laney: Yeah.

Nico: Now, we need to find them. Lets head on board.

We went onto the blimp and then we saw the Lego Avengers fighting Hydra Goons!

Laney: There they are!

Nico: Mini-Entrance time.

We went at them.

Lego Captain America: I could do this all day!

But then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out above them.

Zocks: (Singing) "Yo-ho-hoy- yo-ho-hoy- yo-ho-hoy-hoy! Hey! I am a World Pirate. In pursuit of treasure, I go from sea to sea! I am a pirate. In pursuit of freedom, I travel from world to world! I'll get my hands on it no matter what! And then I'll get a feeling that's two good! Yo-ho-hoy!"

Numerous fireballs blasted the HYDRA goons all over and a Phoenix Cry was heard and we came out and I punched a Hydra Goon's head off.

Me: Looks like we got here just in time! Zola I know you're watching this! So do us all a favor and SHUT THE HELL UP!

Lego Zola: (German Accent) WHY YOU INSOLENT KARTOFFEL GEISTER!

Vypra slashed numerous HYDRA goons left and right!

Me: And Send Zemo here! Vypra wants to have a few words with him!

I slashed a goon.

Nico fired waves of energy and blasted the goons.

Lego Captain America: Glad you all made it!

Me: Like we would ever miss this.

Lego Star Lord: Me, Black Panther, and Cap are all who's on here. Gamora, Drax, Rocket, and Kid Colt are waiting for us in the Old West when we're done here!

Me: Okay Peter. We'll have to split up like we did before.

Nico: Excellent idea. Vypra will be with J.D.'s group and Applejack since the Old West is more your field you will come with me and my group. We'll rendezvous at the saloon.

Applejack: YEEHAW! Lets do it!

Nico: Gladly!

Duskmon: You guys know what to do!

Troy: Right! Go Go Megaforce!

CYCLONE! JOKER!

Shotaro and Philip: Henshin!

Troy transformed!

Shotaro and Philip merged and they turned into KAMEN RIDER W!

Troy: FURY OF THE DRAGON! MEGAFORCE RED!

Shotaro and Philip: DOUBLE THE POWER! DOUBLE THE FURY! KAMEN RIDER W!

Nico: OH YEAH! Wait they merged!? Wow!

Me: I found a way to get them to merge without us holding Philip's body just in case.

Nico: Nice!

Sugarcoat: Sorry Rabbids.

She fired waves of energy and elements and blasted the goons.

Rabbids: BWAAAAAAAAAHHHH!

Eddy fired his blaster and blasted the goons all over.

Nico: There's Klaw!

Me: Ulysses Klaue A.K.A. Klaw! Nice to see you again.

Lego Klaw: (South African Accent) Nice of you all to show up Team Loud Phoenix Storm.

Me: We have some unfinished business to take care of.

Camie: And it's not going to be pretty.

Lego Klaw: But I know who you're really all here for

Vypra: That's right. Where's Zemo? I want to have a talk with him.

Me: Yeah!

Then out came LEGO BARON ZEMO!

Lego Zemo: Manners cost nothing, Team Loud Phoenix Storm. If you really wanted to fight me, you only had to ask.

Me: Helmut Zemo A.K.A. Baron Zemo. Just who we are looking for.

Vypra: You and I need to have a little talk.

Lego Zemo: So you are the one that has her own version of the Masters of Evil.

Vypra: That's right. Vypra, Formerly part of the Lightspeed Rescue demons now leader of my own version of the Masters of Evil. Long story on that.

Lego Zemo: Ach you formed it after the Battle with Thanos back in 2019. So I see.

Mercurymon: You can fight Zemo boss.

Tyler Bowman: Klaw's ours!

Me: Lets get him!

Lego Klaw: You have made it this far! But no farther! I will eliminate you all!

Me: Come and try it peanut face!

Eli: In the name of the Galactic Senate of the Jedi Republic (Ignites Lightsaber) You're under arrest Klaw!

Klaw fired waves of energy and Eli deflected them back with his lightsaber and he slashed the shield Klaw had around him and destroyed it.

I kicked Lego Klaw down and he went at me and I punched him in his face and kicked him in his stomach.

Flamethrower goons came and they blasted at us.

Me: Bad move.

I absorbed the fire and blasted them.

Flame Man: Feel the heat!

He fired waves of fire and blasted Klaw.

Lego Klaw: Argh! You fools are testing my patience!

Eli slashed him in the back!

Lego Klaw screamed in agony!

He had a nasty cut mark on his back.

Eli: Hurts doesn't it!?

Vypra and Lego Zemo were clashing with their swords!

CLANG CLANG CLANG CLANG CLANG!

Vypra: You fight really well!

Lego Zemo: So do you.

She kicked him in his face.

I kicked Lego Klaw.

Lego Klaw: (GROWLS) YOU ARE STARTING TO GET ON MY NERVES!

Me: Because we have a really nasty habit of pissing people off!

POW!

I punched him in his face.

Philip and Shotaro: Count up your suns!

Fang! Metal! (Heavy metal guitar riffs to metallic synth)

Philip and Shotaro turned into their FangMetal form.

They slashed numerous Goons.

Lola and Lana blasted them.

I punched Lego Klaw.

He fired waves of energy and Eli deflected them.

Lego Captain America threw his shield and bashed him on his head.

Lego Klaw: This is only Phase 1 of my plans! (Runs off)

Me: I know where he's going!

Vypra punched Lego Zemo!

Lego Zemo: You are good Vypra. But can you all take on mein planes?

He then went into a plane.

Me: So it's an aerial dogfight he wants. I got just the thing for this!

I summoned an X-Wing Starfighter.

Thundercracker and Skywarp turned into their vehicle modes

Thundercracker: We'll help too J.D.

Skywarp: Lets get him!

Armada Starscream: Count me in too!

Nico: Lets go!

I got into the X-Wing.

Me: Lock S-Foils in attack position!

It was ready.

Skywarp teleported in front of him.

Lego Zemo: Bad move!

Skywarp fired at Lego Zemo and blasted him.

Vypra: YEEHAW!

Vypra had her own jet. It was a Vypra Style TIE Fighter!

Nico: WOW!

Me: Nice TIE Fighter Vypra!

Vypra: Thanks! I call it the VypraTIE Interceptor.

Nico: Cool!

Thundercracker: Taste these hot cookies!

Thundercracker fired missiles at him!

He blasted him all over.

Lego Star Lord and Captain America blasted him. But then he did a somersault and got behind them.

Lego Zemo: Now I'm on you!

Lego Captain America: We can't shake him!

Me: I'm on him Steve! Hold on!

I fired lasers and blasted Zemo all over!

The Hydra goons fired lasers at me!

Peppy: Do a barrel roll!

I did so and deflected the lasers away.

Armada Starscream fired laser blasts and blasted the goons.

Armada Starscream: Are we gaining on him?!

Me: We sure are!

Han Solo: You're all clear kid!

Me: Make my day!

I fired proton torpedoes and blasted his ship and it went down!

Me: BULLSEYE!

Nico: WOOHOO! YEAH!

He crashed his ship in the middle of the town square of the Hydra Empire.

We then landed.

Vypra then punched him and knocked him out and Lincoln put him in an SPD Card.

Han Solo: Great shot kid! That was one in a million!

Me: YEAH! Just like blowing up the Death Star. Only smaller.

Nico: Now we can go to the Old West.

Qin: Yeah!

Nico: Awesome flying J.D.

Lego Star Lord: Wow! That was well done!

Me: Thanks. We've had a lot of practice and experiences with it.

Nico: Yeah! Lets go guys.

LEVEL TRANSITION

We arrived in the Old West Area of Chronopolis.

Me: Wow! Just like the Old West.

Nico: We need to meet with Applejack!

We heard fighting in the saloon and we saw NUMEROUS thugs being bashed and pulverized and smashed and thrown out of the saloon.

Nico: WHOA!

We saw Applejack bashing them all over.

Me: JEEZ!

We went in and saw that Applejack was standing over a pile of thugs.

Brawl: Yo Applejack!

Applejack: Howdy everyone. Glad y'all could make it.

Me: Wow! You had everything under control here.

Apple Bloom: Wow! Way to go sis!

Applejack: Aw shucks it weren't nothing I could handle. Besides these guys were just as tough as an old fashioned saloon barfight.

Me: (LAUGHS) Just like back in those days.

Yenaldooshi: We bagged Zemo.

Me: We had an awesome aerial dogfight and I used my X-Wing Starfighter and we were really going at him.

Nico: Yeah that was fun.

Me: Boy we need to use our Starfighters more often.

Nico: Yeah.

Applejack: YEEHAW! Boy that was good work there.

Nico: It's true. I wasn't there when that happened but I heard it was awesome!

Lego MODOK: Wow!

Eli Shane and Tyson charged at MODOK and bashed him down with tremendous force.

Then Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff came.

Nico: Stinky Butt, Anti-Wanda, Cavalier, Eris, Mammoth, Raven Branwen, Condiment King, 2016 Morbucks, Professor XXXL and Artie Ziff.

Stinky Butt: Nothing like being in the old west.

Anti-Wanda: Especially when it's merged with other worlds.

Cavalier: It still works.

Me: I think it's still cool.

Eris: (to Nico) We heard you shut down McBurgerTown.

Nico: We sure did.

Mammoth: To think I actually considered eating there!

Me: Yeah that place was a dump anyway.

Xenia: Yes it was.

Camie: Yeah and it made Fluttershy cry her eyes out over how the cows were being turned into meat!

Nico: Yeah!

?: No kidding there!

A figure came out and it was NOODLE WORLD from episode 41 of Zenkaigers!

The Noodle World is one of two main antagonist (the other is the Great Noodle World) in episode 41 of 2021 TV series called Kikai Sentai Zenkaiger. He's a noodle themed World from the Kikaitopia

Dynasty Tojitendo who was created from the Men Tojiru Gear that contained Mentopia. After his death, his Tojiru Gear lasted another life by reforming a Kudaitest into the Great Noodle World.

He is voiced by Nobuyuki Kobushi who also voiced the Great Noodle World.

The Noodle World made his first appearance at a playground fight against Zox while his siblings cheers him on and the kikainoids showed up to assist in the fight (except for Kaito because now since his dad is back he got some side effects while being Hakaizer so they tried to prevent him from saving the Noodle World) and they opened fire at the robot. Now during the fight the Noodle World brings out a Noodle Packet as he pulls out a Dried Noodle Needle and sticks one of them right in Magine's back and he did the same thing to the others causing them to have an arguement between each other about noodles (i.e. Soba and Udon) and then he tossed the two more Dried Noodle Needle at the pirate siblings causing them to join the Udon faction. A while later Kaito and his dad just arrive to scene as they notice that both the pirates and the Kikainoids are arguing with each other about noodles and if they hadn't notice the Noodle World have the left scene. So here's the catch if they don't defeat the Noodle World anytime soon they'll have the first ever Noodle War on their hands.

Now things might go out of hand in this Noodle War, but there's one thing that the Noodle World didn't count on is that what kind of noodle does anyone like besides Soba and Udon. So with the weakness now exposed our two factions joined forces and exact their hostility towards the Noodle World.

A while later the Noodle World was in the city and he was about to use one of the Dried Noodle Needle onto Kikainoid resident to join either the Soba or Udon faction until Kaito used Sentai Gear #15 as he summons Yellow Owl who tosses a tomato at Noodle World's head and here's why once he leads both the Soba and Udon faction towards the destination he fools them into thinking that the Noodle World likes pasta instead. So with that being said the team transformed and did their rollcall noodle-style and with that the battle was on. Now during the skirmish the Noodle World summons a couple of Kudakks to assist him in combat, but they were all gunned down by the pirate siblings, and then he pulls out his Whip Noodles to attack them, but those who have wields swords, claws and pickaxes it was shredded instead. Then with a bit of magic Magine summons a bottle of hot sauce as it began to pour ontop of Noodle World's head as it began to burn him followed by Kaito and Zox going to super mode to deal more damage towards the Noodle World. After that the Noodle World was then destroyed by these two finishers and they are Twokaiser: Rex Refreezer and Zenryoku Zenkai Finale Buster, thus the Noodle War has come to a close.

Kaito: Noodle World!

Me: I remember you! You were going to turn our world into a world of Noodles.

Lincoln formed a massive diamond barrier with absorption energy surrounding the diamond barrier that protected all of us from a massively powerful volley of red Chakra blasts, and it absorbed the blasts and they flowed into us and made us even stronger than ever.

Lincoln: (Catches the scent) There's no mistaking that scent from anywhere, come on out right now, Universe 666 Eli.

A figure came out, and it was none other than Universe 666 Eli, but his eyes changed to red with slit pupils and his ten massive and long white tails were already out, he has fangs and claws, and he was already a wild animal.

Universe 666 Me: Eli.

Universe 666 Eli: J.D.?! But, that's impossible, Nico killed you!

Universe 666 Lincoln: He did, but J.D. of the prime universe brought him and all those who died at that heartless snake's hands back. And the Nico you see isn't the one who killed Nunnally!

Universe 666 Eli: I DON'T CARE! I WILL KILL HIM!

Lincoln slapped him with his tails.

Sakura Shinju: Sorry, but that's not going to happen. We need to stop you.

Suddenly, Sakura Shinju's blue eyes turned neon blue and she was surrounded by a black and blue energy aura with stars, elemental forces, darkness, raccoon dogs, cats, turtles, monkeys, horses, slugs, beetles, octopi, bulls, nine-tailed foxes, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Universe 666 Eli, she left black and blue energy, stars, elemental forces, darkness, raccoon dogs, cats, turtles, monkeys, horses, slugs, beetles, octopi, bulls, nine-tailed foxes, phoenixes, and angels with every step.

Sakura Shinju: What happened to your dearly beloved and your dear brother was very tragic, you'd gone through Hell because of it, but when you threatened to destroy Universe 666 Earth in your fit of rage, Universe 666 Lincoln was right to have stopped you from doing so, even if he had to do it in a way that got you sealed in a coffin with magic symbols carved to keep you inside and banished to a distant planet. But, that ends here, you need your heart and soul repaired and we will lead you down the road to redemption.

Suddenly, Sakura Shinju was surrounded by a massive vortex of black and blue energy with stars, elemental forces, and darkness surrounding the vortex, there are raccoon dogs, cats, turtles, monkeys, horses, slugs, beetles, octopi, bulls, nine-tailed foxes, phoenixes, angels, and The Shinju, the Ten-Tailed Beast flying around the vortex, and in the vortex is a purple phoenix with blue eyes gazing at Universe 666 Eli: the blue eyes of salvation. Then, as the vortex faded, Sakura Shinju emerged, but she was changed forever.

Sakura Shinju grew from 7'0" to 7'9" in height, she has large gold metal bracers on her biceps and thighs, and she now has eleven large black orbs orbiting around her legs, she has the body of a goddess, she has blue highlights in the bangs of her long black hair hair and she has a large golden halo in the center with golden angel wings on the bottom side and four orbiting golden rings on each corner behind her head, she has neon blue eyes and a black and blue energy aura with stars, elemental forces, raccoon dogs, cats, turtles, monkeys, horses, slugs, beetles, octopi, bulls, nine-tailed foxes, phoenixes, and angels surrounding her and immense rainbow protective aura with elements swirling around it, she has the Shinju the Ten-Tailed Beast emblazoned on her forehead and Third Eye with red iris, she has on rabbit earrings on her ears with blue gems for eyes and holding the Star, Element, Ten, and Eternity Kanjis in its paws, she also has the Shinju with red gems for eyes and holding the Star, Element, Ten, and Eternity Kanjis in its tails for the second pendant on the bottom of her purple rabbit-shaped Element of Harmony along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her white and gold accented Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Sakura Shinju felt a sharp pain on her back, and then, her massive black angel wings with purple tips on the large black feathers grew much bigger for her new body and her ten massive purple tails also grew much bigger and longer for her new body, Sakura Shinju has on her Ring of the Phoenix with large blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Sakura Shinju's massive gold greatsword and all the greatswords and swords that she'd gotten began to merge together, and they were surrounded by a kaleidoscope of black and blue energy, stars, elemental forces, raccoon dogs, cats, turtles, monkeys, horses, slugs, beetles, octopi, bulls, nine-tailed foxes, phoenixes, and angels, and when it emerged, it was transformed into Sakura Shinju's Eternal Black Cataclysmic Planet Death Avatar Ten-Tailed Rabbit Phoenix Angel Greatsword of Eternal Black Cataclysmic Planet Death Avatar Ten-Tailed Rabbit Phoenix Angel Justice, it's a brand-new massive greatsword with embedded purple gems and the Shinju, the Ten-Tailed Beast etched on the 7'8" massive, wide, double-edged black blade, large black rabbit heads for the crossguard, large white angel faces built into both sides of the hilt and large blue gems embedded in their foreheads, longer midnight black handle, four large black rabbit heads with blue gems for eyes and on the bottom of the large black rabbit heads is a large black rabbit head with blue gems for eyes and red gem in its mouth for the pommel, Sakura Shinju has on her large gold Bracers of The Champions of The Universe with large blue gems on her wrists and Dragon Ball Bracelet on her left Bracer, her large gold Belt of Elemental Bravery with a gold version of the Shinju's head with large red gem for its eye and large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below the Shinju, The Ten-Tailed Beast with nine purple magatama in between the kanji that said, "Sakura Shinju, Avatar of The Shinju, The Ten Tailed Beast, Most Powerful and Strongest Member of The Tailed Beast Avatar Guardian Angels, True Immortal and Powerful Warrior of The Universe, Master of The Elements of The Tailed Beasts, Loving Guardian Angel and Future Wife of

TAILED BEAST TEN-TAILS RABBIT PHOENIX ANGEL LOVE!

We were amazed by Sakura Shinju's Super Angel-Ten Tails Avatar-Rabbit-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Universe 666 Eli saw it, he fell into a rage and he ran at her to kill her, but Sakura Shinju fired a massive barrage of black and blue energy, stars, elemental forces, raccoon dogs, cats, turtles, monkeys, horses, slugs, beetles, octopi, bulls, nine-tailed foxes, phoenixes, and angels which hit Universe 666 Eli and sent him flying into a rock formation, he got back up, but boy was he pissed off majorly.

Me: HOLY SHIT!

Nico: That really is incredible! But, man, she really put the hurt on him!

Eli: It's not over yet, Nico. In fact, the show's about to begin.

Sakura Shinju: (Divine Echoing Godly Voice of The Divine Cosmic Eternal Planet Elemental Destruction Rabbit Phoenix Angel and Divine Cosmic Eternal Planet Elemental Destruction Rabbit Phoenix Angel Love) But, it'll end with him getting his heart and soul repaired. Shall we, Lincoln?

Lincoln: Let's do it, Sakura.

Lincoln unholstered his massive Lincoln Loud's United Friendship Hinon's Almighty Eternal Friendship Universal Cosmic Storm Greatsword of True Almighty Cosmic United Friendship Universal Storm Hope Elemental Bravery and True Unbreakable Eternal Bonds and transformed into Super Angel-Ebonwu-Thunderbird-Vampire-Werewolf-Buffalo-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel of Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Justice and Divine Cosmic Harmony Thunderbird Buffalo Vampire Werewolf Mythological God Phoenix Angel Hope, and his new greatswords

were ready as well, and he joined Sakura Shinju.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Sorry, but we can't let you hurt Nico, he's not the one responsible for your pain, you need to be stopped.

Lincoln and Sakura Shinju went after Universe 666 Eli, and they fired extremely powerful blasts of rainbow energy, black and blue energy, slime, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, and Mythological Animals at Universe 666 Eli, and they exploded with incredible power as they hit him.

Then, they attacked him with energy slashes from their massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two new massive greatswords and Sakura Shinju also left many more by firing blue energy slashes with her claws, and he and Sakura Shinju attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of their superhuman strength, along with elemental blasts, and this was really driving Universe 666 Eli even more insane with rage than ever.

Universe 666 Eli: YOU! YOU! (ENRAGED SCREAM)

Universe 666 Eli went at them now completely blind with insane rage and fury, but Lincoln and Sakura Shinju kicked him hard in the stomach and Lincoln fired blasts of elemental forces at him and he got hit hard and he slashed at him with his massive greatsword. They also attacked him with powerful elemental and energy blasts and he got hit hard, and this was more than enough to drive Universe 666 Eli even farther into the edges of rage and madness. But, before he could attack again, Lincoln grabbed him by the neck and pinned him down to the ground and held him in place with his excessive superhuman strength, Universe 666 Eli tried to get out of his tight grip and he even clawed at Lincoln's chest with his claws, leaving claw marks which healed thanks to his regeneration.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) YOU SERIOUSLY NEED TO STOP THIS RIGHT NOW, ELI!

Lincoln's loud booming voice was more than enough to get him to cool it.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental

Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's better. Now, we understand why you were that pissed off at Evil Nico in what he did to your loved one and brother, and because of it, you wanted revenge. But, even if you do get your revenge, in the end, you'll wind up getting killed because revenge is a double-edged sword, and my Universe 666 counterpart told us you tried to destroy Universe 666 Earth in your wrathful rage, but he stopped you from doing so despite that he too suffered at that snake's hands.

Universe 666 Me: He's right, if you destroyed Universe 666 Earth, you would've become much worse than that fucked-up snake. Do you even want that?

Universe 666 Eli: All I ever care about is revenge on that snake, and I don't care if I have to destroy a planet to do it!

Universe 666 Me: Then, there's only one thing that'll get to you. Would Nunnally want that, would the girl that you love want to see you become a genocidal monster even worse than the fucked-up snake who ruined so many lives?

My Universe 666 counterpart's words and Lincoln's reasoning struck the right chord, and this caused Universe 666 Eli's eyes to well up with tears, and as Lincoln let go of his neck, he was then jumped and hugged by Universe 666 Eli as he really cried hard. Lincoln responded by hugging him as well and Universe 666 Me and Universe 666 Lincoln joined in, and we all had tears in our eyes.

Me: He struck the right chord with Universe 666 Eli.

Eli: And it's all true. What that snake did to my counterpart, that makes yet another life he ruined along with all the other lives he'd ruined.

Universe 666 Lincoln: Eli, I'm so sorry that I trapped you in that coffin, but I had no choice.

Universe 666 Eli: It's not your fault, Lincoln, if you didn't do that, I would've destroyed the planet and killed everyone there, and that also included you as well.

Lincoln: (Divine Echoing Godly Voice of The Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine Godly Universal Mythological Cosmic Harmonious United Friendship Elemental Thunderbird Buffalo Vampire Werewolf Phoenix God Angel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You weren't the only one whose life that snake ruined, he ruined many others. We'd already destroyed Evil Nico and we were destroying all those who helped him, but we're also repairing the lives of those he ruined, and you also need your heart and soul repaired more than ever. (SNAPS FINGERS)

Lincoln snapped his fingers, and lights shined down from Heaven as an angelic choir sang, and then, Universe 666 Eli saw who it was descending from the Heavens, it was Universe 666 Nunnally, now resurrected and restored to life. We all cheered wildly for what Sakura Shinju and Lincoln did as they holstered their massive greatswords and powered down and Sakura Shinju's new body, clothes, weapons, jewelry, Third Eye, ten massive and longer purple tails, large gold halo with four orbiting gold rings on each corner behind her head, and massive black angel wings are permanent.

Sakura Shinju: Now, that's what I really call a happy ending. Thanks for helping me with this, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Sakura.

Suddenly, Sakura Shinju wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Sakura Shinju's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Mermaid, Angel, Fairy, Succubus, Windigo, and the Shinju, The Ten-Tailed Beast flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Sakura Shinju sucked in and absorbed the elemental forces and darkness and they came back to us as the display vanished.

Then, we found ourselves back on Earth thanks to Lincoln.

Nico: Oh man, that was seriously an epic battle!

Me: You said it.

Universe 666 Me: But, Lincoln and Sakura did it, and my Earth's Eli has his Nunnally back.

Eli: It'll take time for his heart and soul to fully heal from the damage done to him. So, Lincoln, who are we meeting on your rescue tomorrow?

Lincoln: The next member of The Midnight Society that we're meeting tomorrow is Calista Midnight.
